

LET ME SEE THE REAL YOU

Chapter 19

When Mu Yangyang saw that Shi Ye was not looking at her, she thought he had not seen what had happened between “Mo Zhenxuan” and her. Thus, she fled to the kitchen.

Mo Chenhao watched her entered the kitchen and sat on the couch.

Upon seeing that, Shi Ye left.

He really did not know what his boss was thinking about.

Meanwhile, in the kitchen, Mu Yangyang saw that there were fresh vegetables and meat in the fridge. After thinking for a while, she took them out.

Suddenly, she recalled seeing Mo Chenhao making

breakfast a while ago. Does that mean that he knew how to cook?

She did not know why a young master like him knew how to cook. But if he knew how to cook, why did he need her to cook for him?

Hah. Does he think that I'm a pushover?

Mu Yangyang sneered and put the vegetables and meat back into the fridge.

Then, she walked to the living room and saw “Mo Zhenxuan” looking at his phone on the couch. She looked around for a second before crouching down and sneakily went up the stairs.

She felt that “Mo Zhenxuan” could easily threaten her because she had always accepted his requests too easily.

Since “Mo Zhenxuan” can stay over at Mo Chenhao's place, they must be on great terms.

And if they were on good terms, “Mo Zhenxuan” would definitely not tell Mo Chenhao that she seduced him, because that meant that the brothers would start suspecting each other.

The more she thought about it, the more Mu Yangyang felt that the chances of “Mo Zhenxuan” threatening her was slim.

Thus, she steeled her heart and ran straight into her room.

She had had her dinner anyway.

After a long while in the living room, Mo Chenhao still saw no signs of Mu Yangyang.

He looked towards the kitchen and seemed to have remembered something. Then, he stood up and walked towards the kitchen.

There were no signs of that ugly woman, Mu Yangyang, in the empty kitchen!

Hah. Getting bolder now are we?

For that entire night, Mu Yangyang basked herself in the joy of ignoring “Mo Zhenxuan”. Soon enough, she fell asleep while gleefully thinking about his angry yet helpless face.

The next morning, she was woken up by her ringing phone.

She took her phone and saw that it was from her good friend who had been filming overseas for three

months—Shen Yu.

She picked up the phone and answered cheerily, “Yu, are you coming back?”

However, Shen Yu's tone on the other end was frustrated,

“I'm going to kill you when I'm back!”

Mu Yangyang distanced her phone from her ears and tried to prevent Shen Yu's voice from deafening her.

After Shen Yu's continuous shouting ended, she quietly asked, “What happened?”

“Look at Weibo! I just left for three months and you've become 'the ugly woman who did everything she could to marry into a rich family'!”

Shen Yu sounded agitated.

Mu Yangyang was stunned for a moment, and her previous joyous expression slowly faded from her face. However, she still tried to comfort Shen Yu, “Don't be angry. I'll take a look at what's going on.”

“I'm already at the airport!”

Mu Yangyang marveled at the speed of Shen Yu's plan execution.

After ending the call, Mu Yangyang logged in to Weibo.

There was a headline on Weibo, which was labeled “Ugly People Create Problems To Gain Attention”.

She clicked into the post to look at the pinned message.

That Weibo post was talking about the rumors regarding the Mu family.

The post had said that she had taken all sorts of shady actions to replace her sister, Mu Yumei, to marry into the Mo family.

Furthermore, there were quite a few pinned posts that intentionally led the audience to believe that Mu Yumei was a kind and loving sister to Mu Yangyang. But she was met with an unfortunate event, where her ungrateful sister snatched her fiancé away from her.
