

## Chapter 237

Zavier was fascinated by Thea's beauty. He had seen countless beautiful women abroad. With his family background, he had played with plenty of celebrities too. However, he was past the age of messing around. "You're mine, Thea." He reached out his hand to Thea, who was outside the window, and clenched his fist. Then, he retracted his hand and put it on his chest with a loving expression.

Meanwhile, Thea was utterly unaware of becoming a target.

She drank a little wine, and her face was flushed red, making her highly charming. James was obsessed with her.

She was beautiful. Extremely beautiful.

James sat opposite Thea and looked at her attractive face. She held a wine glass and radiated a mesmerizing aura James was obsessed just by looking at her. "What're you looking at?"

"You see me every day. Haven't you had enough?" Thea made an eye-gouging gesture and scolded him.

"I'll never have enough in my lifetime," James said with a smile. Thea felt butterflies in her heart, and she poured her lips. "Stop joking. I'm full. Let's not head back home yet and use this time to look around."

James nodded. "Alright."

Zavier was also mesmerized by her beauty while sitting in his luxurious seat. When making the eye-gouging gesture, her slender arms were so elegant that it took his breath away.

"Hurry and prepare some gifts for me. I'm going to visit the Callahans."

Zavier could not help himself anymore. How could such a beautiful woman be with such a useless piece of trash?

Only a genius like him was worthy of Thea. He could not stand it and quickly ordered people to help him prepare gifts.

“Remember, the more expensive the gifts, the better!”

Thea and James paid for the meal and left. Afterward, they went shopping and watched a movie together

Meanwhile, Xavier brought gifts and visited the Callahans.

The Callahans’ house.

Knock, knock, knock!

There was a knock on the door.

Gladys opened the door and was stunned to see a handsome man dressed in a white suit with gifts standing out of the house.

“W-Who are you looking for?”

“Madam, are you Thea’s mother?” Xavier asked with a charismatic voice. “Huh? Yeah, that’s me, and you are?” “Nice to meet you. I’ve come to see you specifically.” “Oh, okay. Come inside.” Gladys was a little confused.

‘Who is this Xavier guy, and what does he want with me?’ thought Gladys.

After Xavier entered the house, he took out the gift and said, “Madam, this is a bracelet I’ve bought for you. It’s not worth much and costs about two million for a pair This necklace is also a gift. It costs about one million eighty-eight hundred thousand dollars. This earring is...”

Xavier took out a lot of valuable gifts.

“Huh?”

Gladys was dumbfounded when she heard the price of these gifts.

David, Megan, and Benjamin were also taken aback by it.

“I can’t accept this.” Gladys hurriedly refused.

“Madam, please accept it. Actually.. I’m here because of Thea. I was mesmerized by Thea the moment I laid eyes on her. By the way, I haven’t introduced myself. I’m from the Watsons, and my father is Gavin Watson. He is the representative for Cansington in the Five Provinces Business Alliance. We’re the only family in Cansington accepted into the alliance. Our family assets are about a hundred billion dollars. However, my family is relatively low profile and might not be as famous as the Celestial Group and Longevity Pharmaceuticals.”

“What? A hundred billion in assets? The Watsons?”

Gladys was shocked. David was also taken aback. He pulled Gladys, who had already blanked out. He immediately smiled and said, “Nice to meet you, Mr. Watson. I’m Thea’s younger brother, David.”

“Oh, you’re her brother? I didn’t bring a gift for you despite this being our first meeting. I’ve got a lot of cars that are collecting dust in my garage. This is a five million dollar Fiarre, and it’ll be my gift to you.” Zavier took out a car key, put it on the table, and pushed it over with a smile.

“You must be Thea’s dad, right? “Uncle, this is a villa in Goodview Villa District. It’s for you,” Zavier took out a bunch of keys and said.

“No, we can’t accept this.”

Benjamin was dumbfounded.

It was too much for them to accept a vila in Goodview Villa District “Mr-Mr. Watson, are you interested in Thea?” Gladys asked uncertainly.

When was her daughter so valuable?

Precious gifts, a sports car, and now even a villa.

“Yes, madam. Even if it doesn’t end well with Thea, I won’t take back these things. I hope you’re willing to help me.”

“Haha! That won’t be a problem at all.” Gladys could not close her mouth, and she smiled broadly.

What was a rich son-in-law?

This man in front of her was a rich son-in-law!

No matter how she looked at him, she felt that Xavier was much better than James in every aspect.

“I’ll call Thea to come back home right now. You two can go on a date alone. After all, it’s up to you young people to decide, and we old folks shouldn’t get involved,” Gladys said, very satisfied
