

## Chapter 5223

Saying that Elaine waved her hand: “Forget it, we are not saving his life, save his half-life, a quarter of a life,”

“Is it not too much, right? It is said that saving a life is better than creating a seven-level pagoda,”

“Your mother in this way is considered to getting myself a little bit of virtue, right?”

Claire angrily questioned her, “What about father?”

“If you talk about father like that, aren’t you afraid of damaging his virtue?”

Elaine said with a serious face, “He’s dead, so what’s wrong with me talking about it?”

Claire said angrily, “Mom! It’s too much to say that again!”

When Elaine saw that Claire was really angry, she hurriedly said,

“Okay, okay, I won’t say anything, I won’t say anything, okay?”

After saying that, she said to the driver: “Master, you, in the future should keep smoking,”

“Do not take what I just said seriously, just think I’m teasing you.”

The corners of the driver’s mouth twitched a few times and said awkwardly,

“Uh ..... that is..... okay okay .....

Subsequently in this journey, Elaine seems to have vented almost and did not say a word.

Charlie and Claire also because of this awkward atmosphere, did not speak again, all the way remaining speechless.

More than half an hour later, the cab stopped in front of the villa area of Tomson One.

Charlie paid, and the three of them got out of the car.

The driver saw the three people walking away, grabbed the half-pack of cigarettes,

And threw it out the window, cursing and swearing, "Fck you, I'll never smoke again!"

Charlie before entering the door, in the afterglow, glanced at the driver and saw him throwing a box and felt amazed.

The three of them pushed their luggage into the community, they heard a short car horn sound from behind.

The three subconsciously looked back, only to see a large Mercedes-Benz SUV slowly drove over,

The car window came down, and a woman poked her head out, surprised:

"ouch, Elaine! When did you come back from America?"

Elaine heard this, was immediately surprised, and said: "Horiyah? Is it really you?"

Horiyah drove the car forward and stopped directly beside Elaine,

Lying on the window with a smug face and said smilingly,

“Elaine, you are really interesting, you went to the United States for a month and still can’t recognize me as your sister-in-law?”

Elaine’s two eyebrows were immediately furrowed.

There were several voices rising and falling in her heart at this moment.

The first voice was: “Dmn, how can this bltch drive a Mercedes?”

“When did she become so rich that she can afford it?”

“There are two disabled people lying at home, and an old mother of more than eighty,”

“Every day they eat a meal without knowing about the next,”

“Where she got the Mercedes-Benz car?”

The second voice is: “Dmn, this changing face is really fast when I did not go to the United States,”

“She was like a faggot all the time stick to me, sister this, sister that,”

“Now driving a Mercedes-Benz, no longer calling me sister, but began to call me Elaine,”

“But also fcuking sister-in-law, who fcuking recognize her sister-in-law ... ..”

The third voice is: “Dmn, this Horiyah should not have hit some sh!t luck,”

“Accidentally let her turn over, right?”

“She can drive a Mercedes-Benz cross-country,”

“This must be a certain economic strength.....”

Horiyah saw Elaine did not speak, deliberately smiled and said:

“Ouch Elaine, you went to the United States, the change is really big,”

“We two sisters-in-law have had many years of relationship, I am talking to you you do not take care of me.”

Elaine saw Horiyah speak in a strange way, and coldly snorted: “Hey, to say that this change, I think your change is really big!”

“I remember that before I left, you were calling me “Sister” every day,”

“And said you wanted me to buy you a gold chain,”

“But now you are calling me sister-in-law in front of all?”

Horiyah hummed and laughed and said, “Elaine, as the saying goes,”

“It takes three days for a scholar to be impressed,”

“Not to mention that you’ve been gone for more than a month.”

“Cut it.” Elaine said disdainfully, “I’ve known you for more than 20, 30 years,”

“But I haven’t found anything impressive about you,”

“Not to mention that I’ve only been gone for a month this time.”
