Chapter 827

If he had the choice, James would have chosen to return to ten years ago before the Cadens' residence was razed to the ground.

His life would have taken a different turn.

In this alternate timeline, he would most likely end up with Quincy and spend the remainder of his life with her. However, time and tide wait for no man.

Since these were the cards he was dealt, he had no choice but to play the game as best as he could.

"James, you should return to the Southern Plains. Don't worry about me. I have the hospital's nurses to care for me."

Tiara knew that James had been reinstated.

He was no longer the Black Dragon, the commander-in-chief of the Southern Plains. He was now the Dragon King.

James nodded.

Returning to the Southern Plains and regaining control of the Black Dragon Army was far more important than his personal feelings.

"I'll give Quincy a call before leaving."

James fished out his phone and dialed Quincy's number.
