

Chapter 3603

“Judging from the current situation, though, we still need his influence in Flutwell to deal with Joseph.”

“It’s not time for us to go against Jeff yet.”

Harvey stood up.

“We should still deal with Joseph as soon as possible...”

Rachel’s eyes grew cold.

“Sir York, we’re probably going to take Joseph down sooner or later.”

“However, will the other forces take advantage of this when we do?”

“Probably. Probably not,” Harvey replied.

“Flutwell’s waters aren’t that deep. We’ll make the waters murkier after we deal with Joseph. That way, we’ll be able to take advantage of everything.”

“Come. We’re running a street stall.”

Half an hour later, Harvey showed up in front of the Bauer family’s courtyard entrance.

This was Joseph’s place of stay; Harvey came to the front and told Rachel to set up a stall here, with the Martial Hall sign hung up.

Because of the Martial Hall, more than half the students who trained in the chain Budokans were woken up. Their bodies were all mostly recovered soon after.

Harvey was making heaps of money because of the incident. His name had spread throughout the entire city as well.

After hearing that Harvey had set up a stall outside the Bauer family’s courtyard, the remaining students who were still unconscious were carried there by their families.

Harvey wasted no time instructing Layne and the others to treat the students.

He had a profound look while staring at the courtyard not far away from him.

Harvey wanted to make it easier for the students' families to ask Joseph for compensation by setting up a stall here.

After all, he was taking fourteen thousand dollars to save the students' lives. He didn't even give a single penny worth of discount.

Because of this, the families who didn't have enough money all rushed toward the entrance and screamed for their money back.

Some were even cursing Joseph, saying that he had no conscience.

In just half an hour, the gates in front of the courtyard were almost torn apart by the angry mob.

There were countless people demanding Joseph to come out and calling him a b*stard as well.

The Bauer family called the cops as soon as they could, but the police weren't able to do anything after getting there anyway.

On the one hand, Joseph was in the wrong...

On the other hand, the people present were mostly elites of Flutwell.

Even with Ansel's orders, the inspectors wouldn't dare use violence against the mob.

At this point, the fences of the courtyard were already toppling. Rotten eggs and vegetables were thrown all over the gates as well

In just a few days, the well-renowned Joseph was treated the same as a street rat.

Ruby had a horrible expression when she reported to Joseph about the situation.

Young Master Bauer the entrances and exits are all ruined. We have no way to get in or out of this place

The fences are all coming down as well”

“If it weren’t for the police, the mob would’ve busted in through the gates by now!”

That b*stard Harvey is shameless!”

“He dug us a big hole yesterday, and now he does this?”

“Did we do anything to his family?”

“How could he do this to us?!”

“He’s completely insane!”
