

Chapter 5181

Claire finished all the classes at noon and returned to the hotel.

Once she entered the room, she couldn't hide her excitement and said to Charlie,

"Honey, our classes are all over!"

Charlie smiled and asked her, "How do you feel after the whole master class?"

"Very good!" Claire could not help but sigh:

"The heritage of the top design schools, as well as the thinking of the top design masters,"

"It is difficult for a small designer like me to learn to understand on their own,"

"It is like those who study classical music, you have to go to the top classical music schools like Curtis,"

"Juilliard, in order to realize how big the gap between self and the world's top."

Saying that she with a self-deprecating smile said seriously:

"In fact, I feel, I am such a small student, suddenly came to this kind of top hall,"

"Not at all like to learn something, but more like a pilgrimage."

Charlie smiled gently and encouraged: "Do not think so,"

“I have always felt that you have the talent to become a world-class designer,”

“You are still young, and have not yet ushered in the thick and thin time,”

“The masters of various industries are generally in the age of 40 or 50 years old before they start to make a fortune,”

“You are still so young, must not look down on yourself,”

“Maybe when you are forty years old,”

“You will be able to become the world’s top female designers,”

“At that time, I will really lie flat at home to eat with the earnings of my wife.”

Claire couldn’t help but laugh out loud and said shyly,

“I’m afraid that before I become a world-class design master,”

“You’ll already be a world-class feng shui master.”

Charlie laughed: “If Bill Gates asks me to read feng shui, then I really have to think about it.”

Claire curiously asked: “Why honey,”

“Bill Gates asks you to read feng shui and you have to consider?”

Charlie laughed: “Who came all the way to the United States to serve him ah,”

“If he buys a villa back in China, maybe I still consider seeing it.”

Claire couldn't help but laugh out loud and said,

“You, you said you were fat and you're really panting!”

After saying that, she remembered her mother, and asked her:

“By the way husband, how is mom doing in New York in the end,”

“These days I make video calls, she always does not answer,”

“Must be converted to voice before willing to talk to me a few words,”

“I always think she is not hiding something from me.”

Charlie thought: “Of course, she has something to hide from you,”

“You certainly can not imagine, she broke her leg again,”

“Right now this Bedford Hills ghost is in the hospital in New York to recuperate,”

“If you video call her, will it not leak the stuffing?”
