

## Chapter 5186

Charlie insisted: "Auntie, the journey and other things, all matters Orvel will take care of,"

"You do not have to worry about anything, we will meet directly at the airport in New York tomorrow,"

"You and the girls will take the plane and we will return to Aurous Hill together,"

"When the plane lands in New York, we will board the plane to meet you,"

"You do not have to get off the plane to toss the connecting flight."

Hearing Charlie's firm tone, Auntie Li had to agree and respectfully said,

"Then it will be hard for you to arrange it, Young Master."

"It's not hard work." Charlie smiled faintly and spoke,

"Auntie Li, then let's see you tomorrow!"

.....

Five o'clock in the afternoon.

Charlie, who had changed into a suit, and Claire, who was wearing a long white evening dress,

Arrived at the Rhode Island School of Design together.

This is the summer vacation time for American college students,

So on the large campus, can not see young students,

But there are many faculty and staff shuttles,

And there are even many media reporters in the field of design of well-known designers.

The Rhode Island School of Design attaches great importance to the master class every year,

So the school's auditorium was especially used to hold the closing ceremony for the master class.

When Charlie and Claire arrived at the auditorium, the auditorium was already full of people.

Many designers who attended the master class had invited their friends and relatives,

And even their bosses, mentors, and partners in the design field to support the closing ceremony today.

The closing ceremony is actually an opportunity for industry elites,

To show their status and make friends with powerful people in the industry.

In contrast, Claire, who is only accompanied by her husband,

And has little background in the industry, and looks a bit out of place here.

When signing in, Claire found an inconspicuous corner on the large sign-in board and wrote down her name.

Just handed the signing pen to the etiquette lady,

Next to an oriental-faced woman who came in stride,

She wrote a huge string of signatures next to Claire's signature: Emily Wang.

Emily Wang, it seems that it should be Chinese.

The only, that made Charlie a little upset was that she signed her name extra large when she signed,

And that last letter G also threw an exaggerated arc, even drawing a bit on Claire's already signed name.

Claire saw her signature being drawn on by the other party,

Slightly stunned, but did not say anything, while Emily Wang, at this time,

Looked at Claire with a surprised face and said with a smile,

"Hey Claire, I just did not see you, when did you come?"

Claire smiled and said politely, "I just arrived."

Emily nodded and said with a smile,

"I have become a senior partner of AECOM Construction Company,"

"And our boss is also here today, I will introduce you to him later,"

"You can have a good chat with him, maybe you will have a chance to join AECOM too!"

Claire smiled faintly and said, "Thank you, Emily,"

“But I don’t plan to find a job, I’m thinking of returning to China after finishing school.”

Emily said with a serious face: “Going back to continue to run your small decoration company?”

“To be a designer is to join the world’s best design companies,”

“Become a senior partner, and then take the Fortune 500 companies,”

“Even the Olympic Games, and World Cup full project design, this is the meaning of our master class!”

Saying that she saw a few people walking not far away,

And said in a rush of surprise, “My boss is here! Let me introduce you to him!”
