

Chapter 5207

Hearing Maria's question, the old man pursed his lips and sighed:

"Miss, in fact, there is a very troublesome underlying logic behind this matter."

Maria said, "You say it."

The old man said, "Whether the first or the second, the number of people who are hidden is actually not small,"

"Some special talents, military experts, intelligence personnel, special agents, their identity is encrypted,"

"This adds up to several tens of thousands of people."

Speaking of this, the old man turned his words and added:

"But the trouble is that for these two kinds of hidden people,"

"Although there is a database, but the vast majority of people who have access to this database,"

"Do not have the highest authority of accessing this database."

“That is to say if I used these two methods to hide the information of two people back then,”

“Then even if I have the authority of this database,”

“I can only access the information of these two people of mine,”

“The information of others, I have no right to access,”

“Not only no right to access, but I also don’t even know how many people are in this;”

“On the other hand, even if you also have the relevant authority of this database,”

“You can’t possibly find out who I have hidden in this database, we are both insulated from each other;”

“Moreover, there are multiple branches in here, each with different levels and permissions,”

“For example, the intelligence department, its highest person in charge,”

“Has the right to access all the information hidden in the intelligence department,”

“But has no right to access the other departments.”

Maria thought about it and asked, “Someone must have access to the entire database, right?”

The old man smiled awkwardly, “Miss, there are very, very few people with access,”

“I can count them on one hand, and for these people, it is absolutely impossible to leak information,”

“To anyone who doesn’t have access, so this path is currently out of my reach.”

“I understand.” Maria nodded her head, knowing that starting with the database access permission was already an impossible task.

So, after pondering for a long time, she suddenly remembered something and opened her mouth to ask:

“By the way, if a person’s identity information was not hidden from birth,”

“Can we still find out the information before he was hidden?”

The old man replied, “If it is the first kind of all information is hidden,”

“So that the person seems to have never appeared in this world,”

“Then all the information of his birth will also be erased;”

“If it is the second kind, it depends on how the person who hides his information operates,”

“Some people may also erase all because of certain purposes;”

“But some people, if they want to create the illusion that the person’s whereabouts are unknown,”

“Then they will not erase the previous information,”

“Because this information still has to be made public and respond to the inquiries of people who are interested.”

“For example, when a person graduates from college at the age of 22,”

“For some reason, he needs to evaporate, then his file information before the age of 22 will not be erased,”

“Only a missing person, or has died label will be added to his file,”

“And this information will not be encrypted, even just an ordinary police officer with the lowest authority,”

“Connected to the population system, can easily find out information on his file before he disappeared.”

Maria’s eyes lit up and she asked, “Does the information you just gave me include the missing and dead Charlie Wades?”

The old man replied, “It contains the missing ones, but not the ones that have been confirmed dead.”

It suddenly occurred to Maria that she had indeed seen quite a lot of information about small children just now.

Only, when she saw the pictures of small children, she skipped right over them,

Not looking carefully at the specific information of these small children.

However, this would overlook a situation, that is:

If the photo of this small child is not the actual state of the child now,

But this small child disappeared when he was too young,

And his profile information is still stuck in his small time,

Not updated again, in this situation, she would just overlook it.

So she hurriedly said to the old man, "I'll go over the missing person's information first,"

"And if I still can't find it, you can help me retrieve the information about the people who have died."

The old man nodded: "No problem!"

With another look at the computer, the list returned to the first person,

And then began to sift through them one by one.

Soon, a black-and-white photo appeared in front of her eyes, causing her pupils to snap.

The boy in this black-and-white photo looked just six or seven years old.

Looked handsome, and his features and charm made Maria feel slightly familiar.

Then, she looked at the boy's information and muttered, "Charlie Wade,"

"A native of Eastcliff, the son of Changyang Wade and Margaret An....."

"This Charlie Wade, who attended Eastcliff Second Experimental Primary School twenty-one years ago,"

“Transferred to Aurous Hill First Primary School twenty years ago,

“And then disappeared, and his file information was never updated again
