

Chapter 5214

So Charlie went back to the hotel room alone to arrange tomorrow's schedule.

He had asked Stella to arrange for the Fei family's private plane to fly to Canada tonight,

And tomorrow morning, he asked Orvel and Issac to take the Concorde from New York to Canada at dawn to receive Auntie Li,

Xiaofen and Claudia to the airport and arrange for them to take the plane arranged by Stella,

And after that, Orvel and Issac would take the Concorde directly back to Aurous Hill.

At that time, Fei's plane would carry Auntie Li and the three of them to New York,

While Charlie would also take Claire and his mother-in-law on the same plane in New York and return to Aurous Hill together.

In order to confirm Elaine's recovery and to inform her to get ready, Charlie made a phone call to her.

When the call was answered, Elaine said cheerfully while baring her lips,

“Hey good son-in-law, why are you calling me at this time?”

Charlie said smilingly, “Mom, how is your recovery?”

Elaine laughed: “Very good, very good, eating every day shark’s fin, abalone, wormwood, and sea cucumber,”

“More powerful than soccer players, the doctor’s medical skills here are also very good, my leg is recovering quite well.”

Charlie said, “That’s good, Claire has closed her work today,”

“We plan to check out tomorrow morning and come to New York,”

“After picking you up, we will go back to Aurous Hill together.”

“Back to Aurous Hill?” Elaine’s tone instantly lost up, she said:

“Good son-in-law ah, back to Aurous Hill is meaningless, this leg is not convenient yet,”

“I still have to give you trouble, if I say why not you and Claire go back first,”

“I will stay here a few more days to recuperate, get well, and then return!”

Charlie was helpless for a while.

He was willing to let her stay in the United States,

But Claire still does not know about her mother's hospitalization,

This matter has been delayed, Claire will certainly be suspicious, then maybe worried.

So, the best solution is to let Elaine go back with her.

If Claire sees Elaine limping again tomorrow,

She can say that she accidentally fell on her leg while hanging out with her friends,

Not that her leg was broken when she was a ghost in Bedford Hills Correctional Facility.

So, he said with some difficulty, "Mom, staying in the hospital is not as comfortable as coming home,"

"Besides, you are not familiar with New York, it is certainly not much fun to be alone,"

"After you go back you still want to eat these mountainous and seafood,"

“I will arrange it for you every day, it will certainly not be worse than eating in the hospital.”

Elaine is feasting on the hospital bed thinking in her heart, secretly:

“staying here although I get good food, good drink, and someone to serve,”

“But every day except for the ward and the green area downstairs,”

“There is really no meaning, going back I can sell the necklace that Charlie gave me,”

“Get some cash to spend, then every day going around the days must be not very painful!”

Thinking of this, she said with a smile on her face:

“Good son-in-law, since you have said so, then mom will go back with you!”

Charlie smiled and instructed her, “Mom, if Claire sees the problem with your leg tomorrow,”

“You can say that you accidentally fell while playing with your friends,”

“And the old injury didn’t heal well before, and then it relapsed,”

“Don’t say anything about the time in prison, so she won’t feel good.”

“Okay, okay.” Elaine agreed, smiled, and said,

“You just do not account for me, I can not tell the truth to her,”

“If people find that I the ghost of Bedford Mountain allowed people to break my leg,”

“Then my reputation will not be all ruined?”

As soon as Charlie heard the words Bedford Hills Ghostly Sorrow,

He got a big headache, but he could only smile and say, “Mom, you’re right.”

Elaine smilingly said, “Okay, what time tomorrow, you tell me,”

“I’ll explain to the doctor and nurse afterward, let them send me to the airport.”

“Okay.” Charlie said, “Claire and I will drive there after checking out in the morning,”

“But we still have to return the car, I guess it will be noon when we are done,”

“So you can go to the airport at noon after lunch.”

Elaine asked, “What time is the flight?”

Charlie laughed: “We’re not taking a civilian airliner, we’re taking a client’s private plane.”

“I’ll go!” Elaine was surprised and said, “Another private plane?”

“I came to the U.S. this time, but I’ve had my fill of private jets!”

“Good son-in-law, then I will meet you at the airport tomorrow after lunch at the hospital!”

“Good.” Charlie instructed, “You can come directly to the VIP building tomorrow,”

“I will wait for you there with Claire.”
