Chapter 2620

The living room on the first floor.

Robert's cell phone rang, and the call was from Hayden.

"I forgot to tell you, I have to go back to Aryadelle tomorrow afternoon at the latest. Don't you like my company very much? I can

let you play with my office."

Robert didn't understand after hearing this: "You all go back to Aryadelle, What happened in Aryadelle? No one told me what

happened in Aryadelle!"

Hayden: "Because it hasn't happened yet."

"Oh... If it didn't happen, why did you go back? What's the matter, brother?" Robert didn't want to be kept in the dark, "I'll call you brother..."

"You don't call me brother, I'm your brother too."

Hayden was unmoved.

"If you don't tell me, then the next time I see you, I'll kiss you!" Robert knew that his brother hated others touching him the most, so he said that on purpose.

...

A moment later, Elliot came downstairs with his luggage in one hand and Avery's in the other.

When Robert saw his parents going downstairs, he immediately went to pick up the luggage from his father.

"Mom and Dad, you go back first. I'll go back with my brother tomorrow." Robert said.

Of course Robert was very happy in his heart, but besides being happy, he was a little bit disappointed.

As Hayden said before, maybe his parents won't care about what Robert will do in the future.

"Did your brother tell you?" Avery asked.

Robert: "Hmm. Dad, Mom, why don't you two seem unhappy? You have been looking for Haze for so long, and now you finally found her, shouldn't you be very happy?"

"Robert, you don't understand. Of course your father and I are very happy... When people are very, very happy, they will also cry

with excitement." Avery said, her voice choked up.

Robert immediately handed the tissue to his mother.

"Mom, don't cry. Maybe that girl is not my sister?"

Robert wanted to comfort his mother to stop crying.

As a result, Elliot immediately looked at him with cold and serious eyes.

Robert swore that this was the first time in his life that his father looked at him with such fierce eyes.

He was so scared that his heart almost went into cardiac arrest.

“She must be your sister! There will be no accidents!”

Elliot said every word with confidence.

Avery: “Robert, if she wasn’t your sister, I would be very sad. Originally, the impact of this incident on me and your father has

faded over time, but now there are new clues and hopes. If she is not, it will be a serious blow to me and your father.”

After listening to his mother’s explanation, Robert immediately understood their feelings.

“Mom, she must be my sister.” Robert said suddenly, “I have a strong sixth sense!”

“Good son!” Elliot patted him on the shoulder.

Robert secretly heaved a sigh of relief. Now he completely understood!

If he wanted to make his parents happy, He had to pray that this little sister must be Haze!

If not, the consequences would be disastrous.

If that’s the case, he must first make Sister Haze happy if he wants to make his parents happy in the future!

Because parents

would be happy only if sister Haze was happy.

Aryadelle.
