Chapter 2622

Avery and Elliot were in the same mood.

She also wanted to meet Siena soon.

Regardless of whether Siena is their daughter or not, she wants to go and see.

Now that Elliot came up with such a good idea, why not use it?

So, the two went to a store to buy gifts.

“Honey, I’m a little nervous.” Avery felt a little weak after picking out a few gifts.

If it was normal, Elliot would definitely comfort her.

“Me too.” Elliot’s symptoms were a little more serious than Avery’s. “My clothes seem to be wet. Should we go back to take a shower and change?”

Avery walked behind him and took a look.

Sure enough, Elliot’s shirt was soaked.

“You really need to go home and take a shower first.”

Avery said, seeing that Elliot’s face was a little red, so he raised his hand to touch his forehead.

His forehead was not very hot.

Avery withdrew his hand and touched his forehead.

They were in the store now, and the air conditioning was plentiful.

Avery's forehead was slightly cool.

"Husband, you are more nervous than I am." Avery took the selected gift to the cashier.

After paying the bill, the two came out of the store.

"You're sweating nonstop." Avery took Elliot's hand. Elliot's palms were constantly sweating.

"I can't control myself. My heart is beating very fast now, touch it." Elliot took Avery's hand and placed it on his heart.

Avery felt his strong heartbeat, and her own heartbeat also accelerated.

"Husband, you're making me more and more nervous."

"Let's go to Wesley's house first! If we don't see the child as soon as possible, I'm afraid I won't be able to calm down. I'm

worried that if we don't pay attention, she will leave us again." Elliot led Avery into the car.

"Okay! Then go to Wesley's house first." Avery took out her mobile phone, "I'd better call Wesley and talk about it!"

"Needless to say. He is too cautious. The daughter belongs to us, but not His. We can go see our daughter if we want." Elliot said

calmly, "Call him, if he advises us not to go, will you listen to him, or quarrel with him?"

Avery put down the phone. Most of the time, she was willing to listen to Wesley, because Wesley basically didn't miss anything.

But this time, she decided to listen to Elliot.

Although rationally knowing that Siena was with Wesley, she would definitely not disappear for no reason, but she was not afraid, just in case.

Wesley's house.

Both Wesley and Shea were at home.

Because Siena came to be a guest, Wesley asked for leave from the hospital and planned to treat Siena well at home.

Now that Siena was at his house, he had a great responsibility.

On the one hand, he wanted to treat Siena well and let her have fun.

On the other hand, Siena was here, and he had to keep Siena safe.

When Elliot and Avery came over, Wesley was very surprised.

Wesley knew that the two of them were going back to Aryadelle today, but he didn't expect them to come to him as soon as they came back.

"We brought gifts for Lilly and Maria." Avery smiled and handed the gift to Wesley.

Wesley immediately accepted the gift.

At this time, Maria heard the movement and ran out.

“Uncle! Auntie! Why are you here?”
