

When His Eyes Opened Chapter 2625

Chapter 2625

On the one hand, Lilly wanted to promise Avery and On the other hand, she also wanted to respect Siena's meaning.

"When Siena wakes up, can I talk to Siena? I don't know what she thinks, and I can't guess how she will react... But I am really happy, if she is Your daughter, then we can often play together in the future." When Lilly said this, her excited little face flushed.

Avery: "Yeah."

"Then I'll go drink water first. I'll go back to my room after drinking water." Lilly said.

"Okay. You two will chat later. If there is any situation, you can tell me immediately. You can also send a message." Avery was afraid that Siena would not come out to meet them, so she made a plan first.

After Lilly drank the water, she returned to the room.

Avery went back to the sofa and sat down, and began to wait anxiously.

Elliot paced up and down in Wesley's living room.

in the room.

As soon as Lilly entered the room, she saw Siena opened her eyes.

"Did I wake you up?" Lilly smiled and walked to the bed and sat down, "Did you sleep well? Are you thirsty?"

Siena rubbed her eyes, then sat up: "I slept well."

Lilly handed Siena her water glass: "Siena, My uncle and auntie are outside now."

Siena stopped drinking water.

"My auntie just told me something... Siena, drink water first. We'll talk after you drink water." Lilly said, walked to the window, and opened the curtain.

The sun shone in, and Siena narrowed her eyes slightly.

"What did she tell you?" Siena finished drinking the water and put down the glass.

Originally, she wanted to get out of bed, but now that Avery and Elliot were outside, she didn't want to.

"She said you might be her and uncle's daughter. Siena, you do look a bit like my uncle." Lilly walked up to Siena and smiled, "It would be great if you were their daughter!"

"My mother's name is Rebecca Jobin." Siena corrected Lilly's words, "I was born in Yonroeville."

The smile on Lilly's face froze. She didn't know anything about these things, so she didn't know how to answer.

"My mother's family was killed. That's why I had to live in hiding when I was a child. If I wasn't Elliot's daughter, I wouldn't have lived such a hard life." Siena suppressed these words in her heart and whispered out.

"Siena, you already knew that your father was Elliot?" Lilly felt this information from her tone.

"I just found out not long ago." Siena said, "It's better not to know! It's more uncomfortable to know."

"But the Elliot I know is a very good person." Lilly lowered her head and spoke softly for Elliot.

Siena didn't speak.

No matter how bad a person was, there was also a good side, but it depended on whom.

Lilly looked up at Siena, "Do you want to go out and meet them?"

Siena shook her head.

"Then I'll let them go back." Lilly said and walked out.

As soon as Lilly came out of the room, Elliot and Avery immediately went up to meet her.

"Uncle, auntie, Siena doesn't want to see you. Go back first!" Lilly conveyed Siena's meaning, "If you were here, she wouldn't even come out."

"Lilly, you told her?" Avery was a little worried.

"Yes." Lilly said, "She already knew."

Elliot and Avery were stunned.

Siena actually knew her life experience a long time ago...but she didn't come to them!
