

When His Eyes Opened Chapter 2631

Chapter 2631

Wesley knocked on the guest room door.

Lilly opened the door. She accompanied Siena in the room.

“Siena, your elder brother is here.” Wesley stood at the door and said to Siena, “He was originally in Bridgedale, and he came back to see you.”

Layla gave Siena a brief introduction yesterday.

So Siena quickly substituted ‘Big Brother’ into the name of ‘Hayden’.

Siena was completely unfamiliar with Hayden, she only knew that he was a very powerful genius, thinking of him coming back from Bridgedale to see her, her heart beat violently.

“Siena, Brother Hayden is very nice. Don’t be afraid. He just looks fierce...not fierce, Brother Hayden is not fierce at all. Brother Hayden just doesn’t like to laugh, but he is really nice.” Lilly introduced to Siena in a low voice, and sent Siena out of the room at the same time.

Hayden stood in the living room, his eyes fell on Wesley’s direction.

After a while, Lilly came out accompanied by Siena.

“Brother Hayden!” Lilly called Hayden affectionately.

A gentle expression appeared on Hayden’s face: “I came back in a hurry this time, so I didn’t buy you a gift. I’ll bring it for you next time.”

Hayden’s voice was deep and sweet, not only not fierce, but also calm and magnetic.

Siena couldn’t help but look up and look at him.

When she was looking at Hayden, she saw that Hayden was also looking at herself.

The two looked at each other, as if an electric current had hit her body, making her blush.

“Siena, I’m your elder brother Hayden. I’ll take you home.” Hayden took the initiative to ask, “Have you packed your luggage?”

Siena didn’t pack her luggage.

No one told her that Hayden would pick her up today.

However, Siena had no luggage.

“Hayden, did your mother ask you to pick up Siena?” Wesley was also a little surprised, “Your mother didn’t tell me.”

“Siena is my sister, I will pick her up, I don’t need my mother’s orders.” Hayden said this to Siena, “My parents are waiting for us to go back at home now, so we won’t bother you here anymore.”

Wesley nodded, and then looked at Siena: “Siena, how about you first go back with your elder brother? You can leave your luggage with us first, and you can come back at any time. If you talk to your parents, I can help you send your luggage back.”

After hearing this, Siena shook her head: “Uncle Wesley, thank you. I don’t have much luggage, I’ll pack it myself.”

After Siena finished speaking, she immediately went back to her room to pack.

Wesley walked up to Hayden, and said in a low voice: “It seems that she is willing to go back with you.”

Hayden: “Yeah.”

Wesley: “I was worried that she would not want to!”

“My parents are also worried about this. But I don’t think so.” Hayden said.

So Hayden came to pick up Siena, thinking that he would be able to take her back.

“After taking her back, you all have to be more patient with her.”

“Uncle, don’t worry. She is our family, and we will naturally let her feel the warmth of home.” Hayden said sincerely.

After a while, Siena packed her luggage and walked out of the room.

Hayden strode forward and took the backpack from her hand and held her wrist with the other hand.

“Auntie, uncle, let’s go first.” Hayden said goodbye to Wesley and Shea, “It’s been hard for you these few days.”

Wesley: “It’s not hard. Be careful on the road.”

Hayden: "Yes."

Downstairs, Robert saw them coming out, immediately open the door.

"Little sister! I'm your second brother. My name is Robert." Robert ate instant noodles last night, and got angry today, and a blister grew on the corner of his mouth. In order not to affect his appearance, he put a band-aid on the corner of his mouth, "From now on I'll protect you. If anyone bullies you in the future, just tell me."

Siena stared at Robert for a few seconds and asked, "What's wrong with your mouth?"

"Uh... last night my sister and I ate instant noodles with her, but she didn't have anything to do after eating, So I got angry." Robert sighed, and took off the band-aid, "I wanted to appear in front of you handsomely, but it turned out to be so handsome. It's like this."

Siena: "You're not ugly like this."

"Really? My sister laughed at me for at least half an hour this morning. It's better to be a younger sister, who is caring." Robert sighed.
