

When His Eyes Opened Chapter 2637

Chapter 2637

Hazel: "There were many more bags than those on the ground."

Avery answered immediately: "Yes! Hazel, your sister has more bags. So keep these bags! They are all classic and versatile."

Hazel: "..."

Not long after, the shoe delivery person and the skin care product delivery person also came.

The servant took the bags and clothes from the living room to Hazel's room.

After the skin care products and shoes were arranged in the living room, Layla and Robert got up and came down to watch the fun.

"These shoes, as long as the shoe size is okay, you can keep them!" Layla said, "You have to try the skin care products! What if you have allergies?"

Layla said, and began to help her sister Hazel try skin care products.

"Sister, this series is easy to use. If you are not allergic to this series, then use this series first." Layla took the most expensive series and tried it on the back of Hazel's hand.

"Sister, Mom and Dad bought me a lot of clothes, shoes and bags, it feels like a waste." Hazel felt uneasy.

"What a waste! It's a waste of money if you don't spend it in your card." Layla said, "In a few days, my sister will take you to the show, and then I will find a designer to make it for you. How long are you? If you are so cute, you have to dress nicely."

Robert took a glass of milk, and while drinking the milk, he said, "Dad, why didn't you buy jewelry for my little sister? Our little princess of the Foster family can't be shabby."

"Your brother ordered it, and it will be delivered later." Elliot said.

Hazel: "..."

"Robert, what about you? Didn't show any sign?" Layla raised her foot and kicked Robert.

Robert drank the milk in the cup in one gulp, and immediately took out a car key: "Little sister, brother will give you a car! I haven't driven this car since I bought it!"

"Your old car is yours. Let's drive! I'll buy a new car for Hazel." Avery stuffed Robert's car keys back into his hands, and said, "The main reason is that your car doesn't look good, and Hazel won't like it."

Robert scratched his head: "Then I'll give it to you. What's up, little girl? Money...is money okay?"

Robert seemed to remind Elliot.

Elliot immediately took out a bank card and handed it to Hazel: "Hazel, this is the card Dad gave you. The password is your birthday. There is no limit, just use it as you like."

Robert: "..."

Give him a chance to show off?

Avery took the card from her husband and stuffed it into Hazel's hand: "Here is the card, and you can buy whatever you want when you go out in the future. Don't save money for your father. If you spend more, your father will be in better."

Hazel: "Mom, I..."

"Are you hungry? Let's go, let's have breakfast first. These skin care products are very mild and should not cause allergies. Just don't use allergies Already." Avery felt that there was no need to choose.

As long as it was good and expensive, it would be used by Hazel.

"Little sister, if you have anything to do in the future, just tell me, and I will promise to help you handle it!" Robert promised Hazel.

Hazel felt the heart of her second brother: "Second brother, thank you."

"Go and buy a mobile phone for Hazel. Get a number card by the way." Elliot instructed Robert.

"Sure! I'll go buy it right away." After Robert took the order, he drove out immediately.

Hazel's life, starting today, has completely turned a new way.
