

When His Eyes Opened Chapter 2645

Chapter 2645

“It is like my childhood partner. I watched it grow, and it watched me grow.” Layla Standing on the balcony, looking in the direction of the company building, “My childhood dream was to become a big star, because when I was young, I liked to express myself in front of others. But when I grew up, I didn’t have such a strong desire to express myself.”

“Sister, If you become a star, you will definitely be very popular.” Hazel boasted.

“But now being a star and being popular doesn’t appeal to me. I just want to make the company better. Become an entrepreneur like my father and brother.”

Hazel: “Sister, you are already very powerful.”

“What do you have? Do you dream?” Layla looked at Hazel and asked.

Hazel thought about it carefully, and finally shook her head: “I used to just want to go to a better university, and then find a decent job that can support me. Now I don’t need to worry about these things, and I don’t know what my dream is. “

Layla: “Then you can think about it slowly. Anyway, you are still young now.”

Hazel: “But I think I am not young anymore.”

“All children think so. When you really grow up, you will hope that time will pass slowly, not so getting old soon.” Layla patted her sister’s head, “Come on, let’s go to the home furnishing market.”

Hazel: “Yes.”

The next day, early in the morning.

Ben brought Gwen and Lee to Foster’s house.

After a while, Jun, Tammy, and their daughter Kara also came over.

Originally, today’s party started at night, but everyone couldn’t wait to see Hazel soon.

Not long after, Wesley, Shea, and their daughters Maria and Lilly rushed over.

Lilly went to Hazel’s room and pulls Hazel out.

Hazel knew that there were a lot of people coming downstairs, so she hurriedly changed into the dress, and before she had time to comb her hair, she was dragged downstairs by Lilly.

Avery and Elliot were entertaining guests. When they saw their daughter coming down, they immediately walked over, brought her over, and solemnly introduced her to everyone.

“This is my youngest daughter, Hazel.” Elliot looked at Hazel with a loving smile, and introduced to Hazel, “Hazel, this is your uncle Ben, this is Aunt Gwen, this is...”

“Okay, let me introduce myself.” Tammy interrupted Elliot, and said affectionately to Hazel, “I am your godmother, you can just call me godmother Tammy. This is my husband, this is my daughter Kara, who is the same age as you!”

“Tammy godmother...”

“Hey! You are so good!” After Tammy responded, she immediately prepared to take out a good meeting gift, “This is a little meeting gift from the godmother. I hope you like it. I also hope that you will be happy every day in the future. If you are happy, your parents will be happy.”

“Thank you, godmother Tammy.” Hazel was surrounded by everyone’s enthusiasm, her cheeks were flushed.

“Open it and have a look. I ordered it half a month ago.”

Hazel opened the box with a blushing face.

Inside was a beautiful diamond necklace..

The price was definitely not cheap.

Of course Hazel liked it very much, but because the gift was too expensive, Hazel dared not accept it.

She looked to her parents for help.

“You accept the gift from your godmother, it’s fine.” Avery said, “Do you like it?”

Hazel nodded: “I like it. Thank you godmother.”

“Hazel, your auntie has prepared a gift for you too.” Gwen immediately took out the carefully prepared gift from her bag, “This is what I prepared for you, and this is what your uncle prepared for you.”

Gwen took out two gifts.

“Why do you couple still prepare two copies?” Tammy didn't expect them to do this.

Gwen was about to answer, when a whistle sounded outside the yard, and then the car door opened——
