

When His Eyes Opened Chapter 2714

Chapter 2714

“Boss! What kind of mountain are you climbing so late...I’ll take you back to rest! Be good!” The assistant took Layla’s arm and wanted to take her to the hotel.

But Layla moved quickly out of the way.

She drank wine, and now she was very energetic.

The assistant had never seen Layla like this.

Usually Layla was synonymous with intelligence and elegance in her heart, but now Layla had changed from a fairy to a real person who could be touched.

She’s still cute, but a little overwhelming.

The assistant was panting from exhaustion, and stood by to watch Layla dial a number. She didn’t know who Layla called.

The assistant was hesitating, and after Layla finished the call, she simply asked the bodyguard to carry her back to the hotel.

Otherwise, Layla would go crazy later and insist on climbing a mountain, what should she do?

Although she was the boss, it’s impossible for the assistant to let her do such a dangerous thing.

If something happened to her, the Foster family would definitely hold her accountable.

After the phone rang for a while, it was connected.

Eric’s voice came from the phone: “Hello, are you still in Bregon?”

Layla: “Eric...come...come to climb the snow mountain! I have something to tell you...you can do it face to face... Climb the snow mountain while talking.”

Layla spoke intermittently, and hiccupped in the middle.

Eric heard that Layla tone was abnormal.

Eric: “Layla, have you been drinking?”

“I drank a little... really just a little... I can drink well... I’m not drunk.” Layla said, a gust of cold wind blew, blowing on her red cheeks, she immediately moved towards the assistant and hugged the assistant, “Are you coming... If you don’t come...”

Layla’s mind was a little fuzzy at the moment, and she didn’t know where she was.

So she obediently gave the phone to the assistant.

The assistant took her mobile phone, saw Eric’s name displayed on the screen, and immediately said cautiously: “Hi Mr. Eric, I am the assistant of our President Tate.”

“Did she drink too much?” Eric heaved a sigh of relief when he heard the assistant’s voice sound sober.

“Actually, my boss doesn’t drink much...but what she drank was white wine...just a small cup...who knew this wine would have such a strong aftertaste.” The assistant complained, “I’m going to ask the bodyguard to carry her to the hotel. She has been dragging me outside just now, it’s so cold outside...”

Eric: “Which hotel are you at?”

The assistant told Eric the name of the hotel: “Eric, do you really want to come? It will take 18 hours to fly from Aryadelle!”

Eric hesitated.

Layla heard the assistant’s words, and answered: “Come! Ask him to come! I have something to tell him...I have to make it clear in person...I can’t make it clear on the phone.”

The assistant held Layla’s cell phone in one hand and supported Layla in the other.

The weight of Layla’s body was not resting on the assistant, and the assistant felt that she was a little drunk, but not completely drunk and unconscious.

Chapter 2715

The assistant heard the movement in the bedroom and immediately knocked on the bedroom door.

Layla opened the door.

“Boss, how are you feeling today? Are you hungry? What do you want to eat? Why don’t you drink a bottle of water first! Your lips are a bit dry.” The assistant said, unscrewed a bottle of water, and handed it to Layla.

Layla took the water bottle and drank it.

“Boss, don’t drink red wine again. The alcohol content of red wine is too high for people like us who can drink normally. Do you remember what happened after you came out of the restaurant last night?” the assistant asked.

Layla drank half of the bottle of water and screwed on the cap. There was a churn in her stomach, she was so hungry.

“Is there anything to eat? I’m so hungry.” Layla walked out of the bedroom, planning to find a menu to order and have it delivered.

“Boss, I bought you porridge this morning. I’ll go and see if it’s cold.” The assistant handed her the menu, and then checked the breakfast temperature, “Boss, it’s still warm.”

“Then let me have some porridge first!” Layla walked to the table, picked up a spoon, and started eating porridge.

As the discomfort in her stomach gradually eased, Layla suddenly remembered the question her assistant had just asked her.

“What happened last night?” Layla’s blank expression made the assistant dumbfounded.

“Boss, why don’t I bring you the phone so you can look at the call history?” the assistant said, already taking steps, and went to the bedroom to get Layla’s phone.

“What are you doing looking at the call log?” Layla took another mouthful of porridge calmly. Her stomach felt better, but her head was still dizzy.

She would never drink liquor again. It hurt when she drank it, and also it hurt after she drank it.

“Boss, look who you called.” The assistant handed her her mobile phone.

She picked up the phone, unlocked it, and turned it on.

Layla stared blankly. The call showed that the call was made last night, and the call lasted for five minutes.

Layla's face flushed suddenly, and she looked at the assistant: "What did I say to him on the phone last night? Did I not talk nonsense?"

The assistant suppressed a smile: "I don't know if that's considered nonsense. Because you kept saying that you were not drunk, you asked him to come to Bregon to meet you, and you still said you had something to say to him. "

Layla: "..."

Drinking wine was for her a mistake!

She did think about meeting Eric in the past two days, and told him that she would never contact him again. But she hadn't made up her mind yet!

It took a lot of determination to really not even be friends with Eric.

Well now!

Chapter 2716

The assistant looked regretful, but also understood her decision: "Boss, you are so nice, you will definitely find a man who loves you very much."

"I don't want to be emotional now, and I'm not in a hurry anymore." Layla said relaxedly, "I was so anxious before, actually because I wanted to be with Eric."

Now that it was impossible, Layla was naturally not in a hurry.

"Boss, even people like you have things that don't go well. Thinking about it this way, I don't think I have anything to worry about." The assistant sighed, "People may be alive because of calamities."

Layla made a smile: "Don't say that, there are still many more beautiful things than annoying things. After I came here, I figured it out a lot. It should be said that as time goes by, the feeling of pain is really decreasing every day. Time is really a good thing."

Assistant: "Boss, you said last night that you wanted to climb snow-capped mountains...so I checked the strategy. It is very tiring to really climb snow-capped mountains on foot. Let's not choose this kind! There is a snow-capped mountain scenic spot, we can take the cable car up. We can take the cable car to the snow mountain to take a look and take pictures. But the cable car can only take us to the position of 1,000 meters from the snow mountain. Maybe the view is not as spectacular as the higher place, but this is what most people choose method. Let's choose this one!"

After a moment of silence, Layla asked, "I asked Eric to come to the Northland last night, did he really agree to come?"

Layla vaguely remembered that she made a phone call, but she couldn't remember who she called or what she said.

"Why don't you call him to confirm?" The assistant didn't have Eric's contact information, and she didn't know if Eric had left.

Layla picked up the phone and dialed Eric.

——Sorry, the user you dialed has turned off the phone, please try again later.

When the system prompt sounded, Layla put down the phone.

Eric should be on the plane right now.

Layla sighed.

It's really frustrating.

She could go back to Aryadelle and talk to him, why did she call him here?

"If I want to drink liquor in the future, you must stop me." Layla said to the assistant with one hand on her forehead.

Layla: "Forget it! I should be able to control myself."

The main reason was that liquor was not very good for her. She won't think about drinking it a second time.

"Boss, when do you want to climb the snow mountain? You need to buy tickets. I'll book tickets in advance. It's the peak tourist season, and there are quite a lot of tourists." The assistant asked.

Layla: "Let's talk about it when Eric arrives!"

"Oh, do you want to go to the snow mountain alone with Eric? Then shall I go with you, or wait for you at the hotel?" the assistant asked.

Layla: "When the time comes, you can move freely."

Assistant: "I also want to go to the snow mountain to see the excitement."

"Then we'll go there together." Layla didn't really care if the assistant followed, after all, she and Eric should be able to finish talking soon.

Chapter 2717

Hazel didn't expect such a situation, and didn't know how to react for a while.

Robert sent another message: [Actually, it's okay if you talk to him. He's not bad, but he always acts like he's been abandoned. I don't know how to persuade him.]

Hazel asked: [How was your sister's relationship with him before?]

Robert: [It should be a relationship with a friend! My sister doesn't feel that way about him, she only treats him as a friend. But he obviously didn't think so.]

After thinking for a few seconds, Hazel replied: [He is outside my university. Since he is my sister's friend and I found him again, I'd better go see him! See if I can persuade him to think about it.]

Robert: [I thought the same as you at first, but then I found that I can't do anything! If he keeps annoying you, you block him right away.]

Hazel: [Okay, got it.]

An hour later, Hazel came to the coffee shop where Malcolm was.

Hazel recognized Malcolm at a glance, and Malcolm recognized Hazel at a glance.

Because Malcolm was the only foreigner in the coffee shop.

Malcolm recognized Hazel because after Hazel entered the store, his eyes locked on him directly.

Malcolm beckoned to Hazel, and Hazel immediately walked towards him.

"Hazel, hello. I'm your sister's friend Malcolm. I don't know if your sister has mentioned me to you." Malcolm offered to speak with a smile.

Hazel shook her head: "My sister has gone to Northland."

Malcolm: "I know. I feel sorry, I liked her a lot, but I didn't make her like me."

“I believe that there must be many people who like you and confess to you, but not everyone can accept your confession.” Hazel’s answer surprised Malcolm.

Malcolm: “Do you think there is hope for me and your sister?”

Hazel’s clear eyes looked at his young and handsome face: “I think you are clear in your heart.”

Malcolm laughed loudly: “You speak more directly than your sister.”

Hazel blushed in embarrassment: “I thought I was already being tactful.”

Malcolm: “Your expression is very tactful, and what you say sounds very tactful. You work hard to be tactful. But this is more to the point.”

Hazel said sincerely: “It’s good if I can help you.”

Outside the coffee shop, someone held a mobile phone and took a sneak photo of them facing the floor-to-ceiling windows.

About half an hour later, Hazel ended meeting with Malcolm.
