A group of women, Catherine, Freya, and Charity were sitting together and chatting.

As soon as Chase ran over, Catherine immediately asked defensively, “What happened?”

“Your husband wants to bully me.” Chase hid behind Catherine, and glanced at Shaun, who came over with a dark face.

“Get your pig’s trotters off my wife.” Shaun clenched his teeth and issued a warning. If it wasn’t for Catherine, he would have thrown him off the plane.

“Why?” Catherine glared at her husband, “Chase and I are good friends. What’s your attitude?”

“Yes.” Chase also stood up straight with Catherine’s support and said, “I’m just saying that you’re lucky. The sc*m in front of you

is like a ghost, and you can still be a father. Cathe even brought you a pair of twins back. A good man like me is better than you,

and I don’t have a girl yet. Friend, what did I say wrong? This world is so unfair.”

“Is he angry because of this?” Freya asked strangely. Chase nodded like a garlicky: “Am I wrong?”

“You’re right, some people are just lucky, You are lucky, but you still can’t say it?” Catherine said as she tossed the melon seeds on the table.

Shaun’s scalp was numb. He wanted to k!ll Chase right now, but he kept a cautious smile on his face.”I didn’t say I couldn’t say it, and I wasn’t angry either. It was Chase who misunderstood.”

Catherine snorted coldly, then turned to Chase and said, “Brother Chase, if you want me to tell you, you are right. If it weren’t for

the two children, there would be no more men in the world. I won’t even get back together with him, don’t be envious either;

what’s there to envy about sc*mbags like them who only know how to hurt women? If there was a man as good as you, ordinary

women would not be good enough for you. Don’t worry. Well, I will definitely help you pay attention, and I will definitely introduce you to a very good girl.”

“Really, Cathy?” Chase was so moved.

Freya also nodded and said, “Brother Chase, I also think you are very good. Although you don’t make as much money as some

people, your reputation as the number one expert at spotting whores is well-deserved. No matter what the situation, you can

keep your calm, You are smart, wise, and, more importantly, you have never hurt a girl. If I have a suitable one, I will introduce it to you.”

“Cathy, Freya, you are really kind.” Chase sat down between the two of them, and smoothly entered the middle of the women’s group.

Catherine smiled and said: “Don’t worry, I’ve already ordered a best man suit for you, and there will definitely be many beauties at the wedding who will notice you.”

Shaun’s internal organs were all twitching.

D*mn Chase could steal the show in front of Catherine every time he appeared.

Shaun lowered his voice and gritted his teeth at Chester and said, “I see why that guy is so unpleasant now, he stole our limelight.”

“Be more open-minded.” Chester sighed and said, with a detached attitude, “Chase is right. We are all such scmbags. *You can see that it is not bad to be forgiven. For a scmbag like me, it is not bad to be struck to death by lightning before walking on the road.*”

Shaun: “...”

There was no need to be so violent.

“This child really looks like me?” Chester still remembered what Chase said.

“Yes.” Shaun nodded, “The longer he grows, the more he looks like you.”

Chester suddenly became a little uneasy, “Tell me, will Charity doubt me?”
