

I'm A Quadrillionaire chapter 1511

Chapter 1511

Celeste turned away when she recognized Nek.

She did not want to face the scoundrel Nek right now.

She was afraid that she would fail to stop herself from questioning Nek about why he planted a mind seed on her. Doing so would definitely offend the other party.

Celeste's current status was not what it used to be, and she could not bear the anger of a Saint.

Therefore, she decided that treated the matter as being out of sight, out of mind would be the best

solution now.

David also saw someone come in.

It was a middle-aged man.

However, David was shocked.

His perception was also very sharp because of his strong mind power.

Therefore, even if David hid all his mind power and did not reveal any trace of it, this perception still existed.

Moreover, Nek was not hiding his strength at all.

Just now, he felt a terrifying aura from Nek.

David stared at Nek as he ambled in.

'This middle-aged man is definitely the strongest person I have ever seen.

'He's even countless times stronger than Celeste and the head of the Iridescent Sect.

'If I guessed correctly, this middle-aged man should have surpassed Eternal Realm.'

David thought to himself.

Star Kingdom was too dangerous.

Anyone could be stronger than the last.

David had just arrived at Star Kingdom on the first day, but unexpectedly, he met someone beyond Eternal Realm.

‘Someone of this level should be invincible even in Star Kingdom!’

Nek quickly walked to the middle of the room.

“Greetings, Lord Simmons!”

“Greetings, Lord Simmons!”

The middle-aged attendant and the seven fairies greeted Nek politely.

Celeste had turned away, so she had her back toward Nek.

Nova did not want to talk to this guy either.

However, she did not have a choice as she was the head of the Iridescent Sect. Therefore, Celeste could avoid him, but she could not.

“Lord Simmons, it’s you. I wonder why you are here?” Nova asked.

She dared not call him Nek in front of so many people.

The reason why she dared to call the other party by his name just now was out of anger, and that there were only the two of them.

Nek knew he was in the wrong, so he could turn a deaf ear to that.

However, if Nova called him by his name right now, it would be insulting.

How could an Eternal directly call a Saint by name?

They were not even on the same level.

If Nova had not been blessed with the identity of the head of the Iridescent Sect, she would not even be qualified to talk to Nek.

“I came here to choose my concubine, of course. Did you forget what you promised me just now, Lady Dream?” Nek said with a smile.

“Of course, I haven’t forgotten what I promised you. It’s just that you followed me as soon as I left. Are you that impatient?” Nova was still frowning, feeling very displeased.

“What do you mean by that? I want to choose my concubines early so I can bring them back to the Simmons family, is that wrong?”

“The seven fairies are all here, so you can take your pick! Take them away immediately after you’re done!” Nek looked at the seven fairies with a smile and asked, “Which one of you would like to come back to the Simmons family with me and be my woman?”

The seven fairies glanced at each other in surprise. They all knelt on the ground together and replied at the same time, “I am willing to go back with Lord Simmons and be Lord Simmons’ woman so that I can serve Lord Simmons well for generations to come.”

The seven fairies had been waiting for this moment.

They would have the chance to break through to Eternal Realm if they were chosen by a big shot to bring home.

Then, they would have a lifespan of at least one epoch.

Otherwise, they would slowly age in just a few hundred years.

Moreover, if they relied on a new Saint like Nek, the status of the seven fairies would also rise accordingly.

Chapter 1512

If they got the chance, they would make Nek feel so good that he would not be able to control himself.

The seven fairies were trained in the Iridescent Sect to serve men.

After they were taken away, they had to ensure that their owner would not be enamored by new women and get bored of them. Thus, they needed to make sure to give their owners new experiences every time.

Due to this, the seven fairies were extremely skilled at serving men.

Otherwise, it would be impossible for them to become one of the seven fairies.

“Sigh... All seven of you want to go with me, but I can only choose two. It’s so hard to choose! Lady Dream, why don’t you just give me all of them?”

Nova paid no attention to the other party.

Nek naturally knew that this was impossible, so he continued, "Lady Dream won't let me, so I can only choose two of you."

He began to observe the seven fairies.

It could almost be said that there was no distinction between the women in terms of looks, so it would be very difficult to choose.

Fortunately, during this period, Nek often watched the performances of the seven, and he already had his candidates in mind.

He pointed to the first one on the side and the one in the middle and said, "You two will follow me from now on."

"Thank you, Lord Simmons!" The two who were selected squealed excitedly.

Although the other five people felt regretful that they were not chosen, there was nothing they could do.

They could only accept the result.

They would not resent Nek, but instead, they would find problems in themselves.

It must be because they did not do well enough that Lord Simmons did not choose them.

Seeing that Nek had already chosen the girls, Nova said, "Lord Simmons, according to the rules of the Iridescent Sect, if you want to take away two of the seven fairies, you will have to pay a corresponding price, but since I agreed to give them to you as gifts this time, we can skip that. However, you still have to abide by other rules. You can't abuse them, and you can't give them away as gifts. Plus, you must provide them with enough resources for their cultivation. This is what the Iridescent Sect promised them. If you can't do it, then don't take them away. Otherwise, our sect will hold you accountable. Those who previously went against the rules all paid a painful price in the end."

The two selected fairies beamed with joy when they heard Nova's words.

The reason why they were willing to stay in the Iridescent Sect to become the seven fairies was so they could gamble on this illusory hope.

The Iridescent Sect would not just send them out and abandon them.

Instead, they would keep an eye on their situation.

Once it was discovered that they had been abused or given away, the sect would immediately rescue them and then demand for a huge compensation for them.

With the strength of the Iridescent Sect, there were really not many forces in Star Kingdom who dared to go against the sect.

These forces all had good relationships with the Iridescent Sect.

“Lady Dream, don’t worry! I, Nek Simmons, can be regarded as a respectable person in Star Kingdom, so how could I do such a thing? Plus, your sect still needs to provide me with my first wife.”

“Well, you have to compete on your own for this. Every time the seven high priestesses are announced, there will be quite a few people from Star Kingdom eying them. I can’t help you with this matter.”

“Lady Dream, you just need to notify me in advance. I refuse to believe that I can’t get myself a high priestess with my Saint Realm strength.”

As soon as Nek said this, the energy emitting from his body changed, making everyone present, including the two Sovereign Rankers, Nova and Celeste, felt as if they had fallen into an ice cave.

The middle-aged attendant and the seven fairies trembled under this energy and almost fainted.

David’s beginner Ruler Rank strength also could not resist it.

His mind power hiding in his body was about to come out automatically to protect him.

However, at this moment, this energy suddenly disappeared.

David secretly rejoiced.

‘That was so close!

‘I almost exposed my mind power.

‘Is this the power of a Saint, someone surpassing Eternal Realm?

‘It’s ridiculously strong.

‘I have to get there as soon as possible.

‘Otherwise, it will be too dangerous for me in Star Kingdom.’
