Chapter 846

Blood trickled out the Emperor's mouth. His eyes bulged, unable to comprehend what had just happened. He could not believe that James dared to kill him where he stood.

"You..."

With hateful, bloodshot eyes, the Emperor shrieked in denial.

"I'll never forgive you, James!!!"

"Haha..."

"How dare you spill my blood at the Johnston estate?! Once die, you're going to follow soon after. I'll see you in hell!"

As if irritated by the Emperor's tirade, James pulled his sword out of the Emperor's body.

Blood gushed forth from the gaping wound.

Almost immediately, James pulled his gun out.

Bang! Bang! Bang! He fired a few shots at the injured man.

The Emperor collapsed into a pool of his own blood as he left the world.

James took a deep breath.

At long last, the Emperor was finally dead.

The problem now was the potential chaos that would break out following his death.

"Bring his body back. We'll put him on trial tomorrow morning and expose his crimes to the world."
