

Chapter 3619

Harvey York smiled calmly.

"Your big brother wouldn't even dare threaten me like this, even though he's so powerful. Who gave you the nerve to do this?"

"Make the call and release her!"

Joseph Bauer's face darkened in an instant.

After the stock market battle, he had completely lost all patience to toy with Harvey any longer.

Before he came here, he took an elixir from India that Clyde Osborne gave him so his strength would skyrocket.

Then, Joseph took a step forward.

A powerful wave of pressure instantly enveloped Harvey.

Right at this moment, Harvey exerted more force on his foot.

Along with the sound of a loud crack, Ruby Murray's spine snapped.

Even if she could be saved, she would still be crippled for life.

Before Ruby passed out, her eyes were protruding while she was filled with disbelief.

Joseph, who had always remained extremely discreet, finally showed his trump card...

But Harvey still could not be bothered. Ruby could not believe that fact.

At that very moment, she felt she had made the wrong gamble...

Even Gods of War could not scare off Harvey.

Or rather, nobody could scare someone like Harvey.

People like him were destined to be invincible.

Ruby wanted to warn Joseph to admit defeat and stop provoking Harvey...

But she had no strength left even to say that.

Harvey calmly smiled at Joseph after crippling Ruby.

"I let her go. Happy now?"

Joseph was completely shocked after seeing the sight.

The men in suits felt sluggish as well. They could not even utter a single word at this time.

Naturally, they could not believe that Harvey would just cripple Ruby in front of Joseph's face.

She was his favorite secretary, after all!

It was said that the two had a very intimate relationship and that Joseph adored Ruby.

At this point, nothing else would be able to contain Joseph's unbridled rage!

The beautiful women who were about to scream at Harvey had utterly lost all color on their faces.

They never expected that Harvey was such a ruthless man.

They wanted to talk him out of the situation but would not dare.

Joseph quickly came to his senses before he showed an extremely wretched expression on his face.

"You crippled her, you b*stard?!"

Not only did Harvey want Joseph's properties, but he also made him lose his support in the stock market and crippled his favorite secretary!

This was unforgivable!

"You wanted me to let her go.

Harvey shrugged.

"I did that already.

"As for the stock market, there's nothing I can do about it now.

"Flutwell's business alliance is done for."

Harvey took out his phone and showed Joseph a green-filled interface.

After seeing sixty cents worth of stock prices on the screen, Joseph was filled with rage and resentment.

"You b*stard!

"I'll kill you!"

In a fit of rage, Joseph stepped forward before charging right at Harvey.

Chapter 3620

Joseph Bauer's attack was extremely ferocious.

He was using a lot of his force to throw the punch. He did manage to reach the threshold as a God of War...

That said, he was initially just a King of Arms. Even after taking drugs, he could only maintain his strength for a short time.

Harvey York had no interest in dealing with this.

He held Mandy Zimmer close while casually swinging his palm forward.

Slap!

Along with a resounding slap, Joseph's body trembled before he flew almost three hundred feet away before he landed on the ground again. Then, he stepped back another ten feet after that.

A bright red palm print could be seen on his face.

He covered his face in disbelief.

"Who are you...?"

"How are you this terrifying?!"

Naturally, Joseph was shocked that Harvey was not only good at scheming but also stronger than Joseph had ever imagined.

Joseph was already using seventy percent of his strength for his attack...

But not only did he not defeat Harvey, but he was also slapped aside with ease. He felt extremely horrible.

Joseph had a certain understanding of Harvey's strength because of what had happened with the chain Budokans...

But he never once thought that Harvey was superior..

After all, Joseph spent many years of blood, sweat, and tears just to get to where he was.

But then...

Even before Harvey said anything, Joseph charged forward while gritting his teeth before throwing nine straight punches toward Harvey's weak spots.

His movements were as swift as lightning, packing incredible power, as if his fists alone could cripple Harvey.

This was Joseph's killer move, Fists of Fury!

His fists were moving like flashing lights. It was almost impossible for anyone to dodge such an attack.

Joseph had never officially fought against anyone...

But he had challenged many experts from the underworld using another alias while still training in martial arts.

This very move had defeated countless well-renowned experts.

Joseph was planning to take Harvey out as soon as possible, preventing him from getting another chance to show off.

The beautiful women, who were in complete shock, instinctively closed their eyes.

Harvey calmly stood still against Joseph's ruthless attack before swinging his palm forward.

His movements were not flashy at all. It was utterly straightforward.

After all, speed is the only way to long success.

Joseph was filled with disbelief when the slap first came in contact with his face.

Slap!

He was sent flying once again.

He could not help but cough out more blood when he slammed to the ground. Violent energy was going berserk inside his body. He could not stand up even if he wanted to.

He was done for!

Joseph was crippled by an outsider with just a single slap across the face!

He could not believe what had just happened!

He desperately tried to get back up but kept twitching on the ground...

The men in suits felt extremely sluggish as they stared at their incapacitated young master.

Chapter 3621

After all, this was Joseph Bauer himself!

One of the top young masters of the Bauer family!

The family's future successor!

How did he get crippled just like that?!

How did he lose so easily?!

Everyone was at a loss for words. All of them knew just how strong Joseph was...

His strength drastically increased after taking the drug! He was on par with a God of War...

But he still lost just like that!

Everyone was in disbelief, but the cold hard truth was showing right in front of them.

Joseph was disabled!

He was finished!

At this very moment, no excitement could be felt. Nobody was trying to take revenge for anyone either...

Only faces filled with shock and despair could be seen.

The men in suits would usually be fearless, but they were filled with utter fear after seeing someone cripple Joseph just like that.

The beautiful women could not help but tremble after opening their eyes again...

'How is he this strong?'

The men in suits looked at each other. Even though they still had their weapons in hand, even though Harvey still had Mandy holding him back...

Nobody dared to step up against him.

Harvey glanced around him calmly.

"Surrender."

'Surrender?!'

The men in suits were on the verge of coughing up blood.

'He wants us to surrender when he's all alone?!'

'He's insane! This man has no respect!'

"Kill him!"

"Avenge Young Master Bauer!"

A few ringleaders could not help but step up.

"Young Master Bauer will kill us if he's still alive!"

"Besides! He's been treating us so well just for this very moment!"

"We can't just give up now!"

Joseph's subordinates were showing deathly glares at Harvey.

"Do you really want to die that badly?" asked Harvey calmly.

"You're still loyal to him only because you think there's still a chance for him to turn the tables, right?"

"Why don't I tell you something then?"

Harvey seemed indifferent at this moment.

"Number one: Flutwell's business alliance has only sixty cents left in the stock market. This means the alliance is forced to back out of the market because of insolvency!"

"And to solve this problem, Flutwell's new district, the chain Budokans, the shopping malls, and the office buildings will be used to pay off the debt!"

"My people are already waiting to buy these properties off at a low price."

"Number two: Jeff Bauer himself is my ally. This means that nobody will stand up for Joseph after he falls. Rather, people will start beating him while he's down."

"Number three: Joseph will be a cripple for the rest of his life. He won't be able to stand up for the rest of his life..."

"Under these circumstances, are you still planning to fight for a man without a future at this point?"

Harvey's calm words were enough to strike the men in their hearts.

Their expressions were completely twisted after hearing those words.

Soon after that, their weapons fell to the ground.

Joseph, who was constantly trembling on the ground, raised his head with a wretched look.

"Harvey York!"

"Damn you!"

"You've totally crossed the line!"

Harvey let out a calm chuckle.

"I can do much worse."

"Jeff is on his way.

"You're on your own, Young Master Bauer."

Chapter 3622

Vroom!

Right as Harvey York was taking Mandy Zimmer away, ten G-Wagons furiously rammed right past the fence into the villa.

Murderous intent instantly spread out.

Soon, dozens of men in robes jumped out of the cars.

They all had their heads raised high with their eyes brimming with light. It was obvious that they were experts.

The experts instantly surrounded Harvey and Mandy.

The men in suits did not even make a single sound when they saw the experts.

Even Joseph Bauer froze while he was still twitching on the ground.

Then, he wretchedly smiled in front of Harvey, as if he had already won.

Harvey squinted at the experts before him...

But even before he could say anything, a dozen armed helicopters could be seen in the sky.

The helicopters stopped mid-air. Heavy crossbows and modern firearms were poking out of it as soon as the cabin doors opened.

Murderous intent filled the air.

A glint of fear could be seen in Joseph's eyes...

But even at this point, Harvey was still as calm as usual.

According to the deal, Jeff Bauer was the one who should have shown up.

After all, it was more appropriate for someone from the Bauer family to take out Joseph.

Vroom!

A bright red G500 drove over from afar.

Four hunks in suits walked out with a bald man as soon as the car doors opened.

The bald man looked like he was in his thirties. He was only five foot six, but an unspeakable dominance could be felt from him even when he was only walking.

At the same time, he looked extravagant, carrying a longsword adorned with jewelry.

Joseph's body trembled incessantly while he was still paralyzed on the ground.

"Lucca Bauer?"

"What is this, Young Master Bauer?"

Lucca quickly walked forward before glancing at Harvey and Joseph.

"I received reports saying that someone's waging war here!

"Don't you understand that you're not allowed to use firearms as you please in Flutwell?!"

"If people start gossiping about this, how are you planning to take responsibility?!"

After looking around and seeing the paralyzed men in suits on the ground, along with Joseph, Ruby Murray, and the others, Lucca's face instantly turned gloomy.

"You need to help me, Steward Bauer!

"This man came all the way here to threaten and cripple me and my trusted subordinates to attack my stock market and rob me of my properties!

"You need to bring me justice!" wailed Joseph.

"He even brought helicopters just to attack me!

"An outsider can't threaten me! I'm from the Bauer family!

"You need to help me, Steward Bauer!

"Bring me justice! Save Flutwell!"

Even after being crippled, Joseph's tongue was still sharp as ever. He was yelling about Harvey's crimes, as if he had found a chance to turn the tables.

'For Joseph's properties?'

'Young Master Bauer's crippled?'

The experts of the Bauer family were in complete shock.

Typically speaking, Joseph would be the one taking advantage of people at large. Since when did he become the victim himself?
