

## Chapter 5315

At night.

After Jemima settled the newly bought daily necessities, she and Sister Xian returned to Zijin Villa.

Knowing that Jemima had been hired, both Larry and his wife were also very happy and asked the servant to arrange an elegant celebration banquet at home to celebrate.

To Larry's surprise, Maria, who never liked the excitement, was very happy to join in. At the dinner table, Larry said to Jemima: "Jemima, if you come to Aurous Hill to work in the future, if you have nothing to do, you can simply live in Zijin Villa!" Jemima said quickly: "Grandpa, Sister Xian accompanied me to buy a house this afternoon, and the school will provide me with a one-person apartment in the future as well."

Larry said in surprise: "Have you already bought a house? Buying a house outside is safer than living here? And people available to take care of you, it's more convenient for you to live here."

The old lady Qiu also agreed: "Yes, Jemima, living here can save you a lot of trouble, you should be fine here."

Jemima explained: "The security in the community I bought is quite good, and the law and order is much better. No one knows my identity, so I shouldn't be in any danger."

Larry knew that she had made up her mind, so he nodded and said, "From now on, you will live in Aurous Hill permanently, if you need any help, don't be polite to us. If we're not here, you can do the same with Sister Xian."

He said, "I'll transfer some people in the next few days, so I can respond quickly if something happens."

Maria has no manpower at the moment, In the exposure in Northern Europe, there was only one loyal old servant left among her people, who hadn't arrived in China at this time, and the rest were existence like Ethan and Larry.

In order to ensure Maria's safety, Larry and Ethan have reached a consensus to secretly dispatch troops to Aurous Hill to ensure her safety.

For Larry, since Jemima is his granddaughter, he must take care of her in the future.

Although Jemima felt that she would not be in any danger, she still said to him very gratefully: "Thank you, Grandpa!"

At this time, Maria who was at the side asked curiously: "Sister Jemima, where did you buy your house?"

Jemima said: "I bought in Tomson's in Aurous Hill. It's not too far from the school, and it's only ten minutes drive away. " With another identity, Maria already knew Charlie's address.

She didn't expect Jemima also bought it in the same community. But she wasn't surprised when she thought about it, after all, Jemima came here for Charlie, and it was normal to buy in the neighborhood where he lived.

Jemima thought that Maria was curious about the newly bought house, so she said with a smile:

"If you are interested, I can show you around. Although it is flat so not very big, the advantage is that the river view is not bad."

Maria smiled and said: "Sister Jemima, I'll go with you after school starts. I'm lazy and homey lately, and I don't want to go anywhere."

Maria didn't dare to go to Tomson. After all, it was too close to Charlie. Although she came to Aurous Hill just because of him, before school started, Charlie was the one she was most afraid of seeing. Seeing that Maria declined, Jemima didn't think much of it, she just smiled and said,

"After school starts, if you don't want to come back here occasionally, I can reserve a room for you."

"Okay." Maria said with a smile: "That's it. It's a deal ." After dinner, Jemima bid farewell to Larry, his wife, and Maria, and Sister Xian dropped her at Tomson. When she came to the first house she bought in Aurous Hill, Jemima suddenly felt settled down.

She opened the window of the viewing balcony, lying on the edge of the bed, watching the night view along the Yangtze River and the slowly moving ships on the river, blowing the evening wind refreshed her mind."

The top floor has an excellent view, and this flat is a side household on the top floor, so it is basically not disturbed by the noise of neighbors, which makes Jemima feel that it is more than worth the money.

She even had the urge to stay in Aurous Hill for a few more days because of this.

However, after thinking about it, she felt that it would be better for her to leave Aurous Hill as soon as possible after signing a contract with the University. She also thought about telling Charlie that she had been hired by Aurous Hill University after she officially went to work.

...

At the same time.

In the villa area of Tomson Yipin, Elaine finally survived the 72-hour ban on the platform.

When she put on heavy makeup and picked up her mobile phone to start the live broadcast again, she encountered the same problem as three days ago in the broadcast room, and no one watched it.

This time, although there were some netizens who strayed into the live broadcast room and expressed some sarcasm, Elaine had the experience of being banned last time, and this time she dared not chase after them.

But being unable to fight back means that there is always a breath in her heart that she can't get out of.

Elaine broadcasted live for half an hour, but she didn't gain a single fan. Instead, she was pissed off by these rude netizens.

Elaine, who was extremely depressed, temporarily closed her live broadcast room, and then began to watch other people's live broadcasts, wanting to learn from others how to broadcast live and what content to broadcast in order to gain enough fans.

After looking around, she found that in the popular non-delivery live broadcast rooms, the live broadcast content was varied, but each live broadcast room had its own characteristics, such as live broadcasts of playing games, live broadcasts of outdoor activities, and live broadcasts of certain talents. There are even live lectures.

After looking at it, she felt that she was basically unable to do these things.

This is mainly because she has no extraordinary talent at all. She only knows how to sing and dance in piano, chess, calligraphy and painting, and her singing is not very good, far from being able to make people stop and listen.

After pondering over and over again, Elaine still couldn't find any breakthrough point, which made her retreat a little bit.

After swiping around the live broadcast room on her mobile phone, she couldn't help sighing: "It seems that these old bones are really not suitable for this..."

In addition to being depressed, she couldn't help but secretly sighed: "It doesn't matter if I can't eat this bowl of rice. The key is not to let her Horiyah eat so happily! Seeing her like that, my heart feels worse than losing a million dollars!"

She was depressed, and she slid her finger, slid into another live broadcast room. There are more than 30,000 viewers in this live broadcast room. The anchor is an ordinary-looking middle-aged man, and this man is saying impassioned at this time: "My family, I have been using my life to crack down on fakes. The family members in the live broadcast room should all know that the person I want to crack down on this time is the online celebrity beauty doctor."

"After my secret investigation, she is actually not a beauty student at all. The name she uses now it's not her real name either, and her real education is actually a technical secondary school in a small city in the south, and she was fired for fighting before she graduated! Now if the live broadcast has 50,000 viewers and 3 million likes, I will release the evidence immediately!"

Someone in the comment area immediately posted a message: "This beautiful doctor, I have long suspected that something is wrong with her, the last time I asked her to do a basic calculus problem in her live broadcast room, she directly blocked me! Support Brother Yong to expose her!"

Immediately, a lot of people posted various comments in the comment area, basically questioning the beautiful doctor that the male anchor talked about. In addition, there are a large number of bullet screens sending gifts, which look dazzling and lively.

Seeing this, Elaine's eyes lit up instantly, and she thought to herself, "You can live-stream fans in the crackdown? Then I might as well crack down on Horiyah!"

Elaine, who had a flash of inspiration, realized almost immediately that the idea that came up suddenly was very feasible.

Horiyah is now a very popular Internet celebrity. The number of people online in the live broadcast room has always been tens of thousands, and sometimes it can even reach 20,000 to 30,000. If she can expose such a popular anchor, she will definitely attract a lot of attention from fans.

Moreover, for Elaine, even if she doesn't get fans, income, or benefits, she is willing to crack down on counterfeiting Horiyah.

Not to mention not getting benefits, if someone told her to give them 100,000 yuan in exchange for Hongyan's ruin and poverty, she would definitely grit her teeth and take out the 100,000 yuan.

It was because of this that she felt that her idea was simply killing two birds with one stone, which was absolutely brilliant. As soon as she thought of this, Elaine immediately regained her spirits. She began to keep calculating in her heart, and kept muttering in her mouth: "How should I expose Horiyah, that stinky b!tch?" She said to herself: "The best way is to secretly film her actual state after the broadcast so that people will know that she is not only a big liar, but also very rich now, and then put these video materials on the Internet, and spread them ten times. The reputation of Horiyah will be spread everywhere!"

Thinking of this, she slapped her thigh in an instant, annoyed, "Oh my god, I'm so stupid! Before, Horiyah drove a Mercedes-Benz big G to find me. Took me out to spend a lot of money, and even showed me her contract for Rolls-Royce Cullinan, why the hell didn't I think about secretly recording and shooting videos?! If I took a video at that time, I'd use it now, and definitely bring her down!"

Realizing that she had missed a good opportunity to bring down Horiyah, Elaine was extremely depressed all of a sudden, picked up her phone almost without thinking, and called Horiyah, wanting to ask her out to spend time again, and seize the opportunity by the way, collecting evidence to expose her.

However, Horiyah's phone could not be connected. Elaine called several times but failed to get through. Only then did she realize that Horiyah might have started the live broadcast.

Thinking of this, she hurriedly opened the short video website and searched for Horiyah's account on the search bar. Although she had been blocked by the administrator of Horiyah's live broadcast room and could not watch her live broadcast, she searched for Horiyah's account. When using a guest account, you can still see the prompt that Horiyah's account is live.

Thought that she couldn't even see a ghost in her live broadcast room, but Horiyah's live broadcast room had tens of thousands of members kept in the dark,

who were constantly sending money, and she felt even more depressed and wanted to die.

The more depressed she felt, the more Elaine couldn't stay at home, so she went downstairs alone on crutches, went out to wander around the villa where Horiyah lived, and kept looking at the villa as if looking for an opportunity to strike.

The law and order inside the villa are very good, so the balconies on the second and third floors of each house are not sealed, and there are no anti-theft measures. If she's not limping, she could still climb up the balcony quietly, and use her mobile phone to take pictures of Horiyah's state at home after the broadcast... But now her legs are limping, and she can't climb up..."

Just as she was sighing, someone suddenly shouted angrily: "Elaine! What are you doing sneaking around here!"
