

The ultimate husband in Chinese chapter 3916-3920

Chapter 3916 At the

end of the chapter, Princess Dongling pleaded with her face: "Mother, you love me the most, I know the father must be very angry, please help me to speak, let us do it."

This.....

listen At this point, Empress Hua Zhao's delicate face was full of complexity and she was silent.

Princess Dongling is her most beloved daughter. Although today's affairs are a bit rambunctious, but then again, she has reached the age of marriage. Since they are in love with each other, it's okay to do it like this.

Thinking to herself, Empress Hua Zhao breathed a sigh of relief and said slowly, "If that's the case, I'll help you to talk, you stay in the palace and are not allowed to go out, you know?"

Although she didn't see Yue Feng's face, But Empress Hua Zhao believes that the man who can make her daughter's favor must be extraordinary.

"Thank you, Queen Mother!"

Seeing Empress Hua Zhao's answer, Princess Dongling was overjoyed and quickly said, "I knew that you love me the most."

Empress Hua Zhao sighed and walked out of the palace slowly.

Right now, on the other side.

In midair, Yue Feng flew forward rapidly, wishing he could grow a pair of wings.

Behind him, a golden light was chasing after him, and he saw a figure shrouded in the golden light, his face was extremely gloomy, and killing intent erupted all over his body.

It is the God of the Nine Heavens.

boom!

Soon, the distance was getting closer and closer, Jiutian God raised his hand and waved, and a golden beam shot out, coming straight towards Yue Feng's back. Yue Feng didn't have time to dodge, and was directly hit, groaned, and landed directly.

This chapter is provided by . Visit for daily update.

At the same time as he landed, the Yi Rong San on Yue Feng's face lost its effect and returned to his original appearance.

However, the Nine Heavens God did not see this scene.

puff.

After landing, Yue Feng's face was pale, and he only felt that the power of the primordial spirit was tightly imprisoned, and he was immediately shocked.

Ma De, the power of God in these nine days is indeed terrifying, and with just one move, his power is sealed.

It was at this moment that the Nine Heavens God slowly landed. At this time, he finally saw Yue Feng's face clearly, and was stunned for a moment.

Yue Feng?

In the next second, Jiutian God's anger rose up. This Yue Feng was so daring, he dared to break into Yuyao Xianyuan and mess with his daughter.

Feeling the wrath of the Nine Heavens God, Yue Feng looked calm, but felt a little despair in his heart.

It's over, it's over now.

"Yue Feng, this time it was you who came to the door automatically, no wonder I."
Jiutian God's face was full of gloom, and he said word by word: "This time, even if the master is here, I will destroy your spirit and soul!"

"After falling, Jiutian God grabbed Yue Feng and quickly returned to Yuyao Xianyuan.

As soon as I arrived at the hall of Xianyuan, I saw Empress Hua Zhao standing there anxiously.

Seeing that the God of Nine Heavens had captured the man, Empress Hua Zhao hurriedly greeted him.

Yue Feng?

At this moment, seeing Yue Feng's face, Empress Hua Zhao's delicate body trembled, and she was stunned.

The man who is in love with his daughter is Yue Feng?

When Princess Dongling interceded before, she never said Gong Ao's name, and Yue Feng had been facing away from her before, so Empress Hua Zhao didn't see Yue Feng's disguised appearance.

In this case, seeing Yue Feng's face at this time, Empress Hua Zhao subconsciously believed that the person her daughter liked was Yue Feng.

"What are you doing here?"

At this time, the Nine Heavens God frowned and scolded Madam Hua Zhao, "Don't look at your daughter yet? This kid is daring, I must destroy his primordial spirit and call him eternal. Don't turn over." The

voice fell, Jiutian God raised his hands, and suddenly a terrifying aura gathered around the hall.

"Your Majesty, please don't..."

At this moment, Empress Hua Zhao hurried over and stopped the Nine Heavens God, her delicate face showing complexity: "Don't do it first, let me tell you." As

she said, Empress Hua Zhao pulled Jiutian God to the side hall next to him.

When they arrived at the side hall, Jiutian God suppressed his anger and said, "What are you doing? Why are you stopping me?"

Empress Hua Zhao breathed a sigh of relief and said softly, "Your Majesty, calm down first, my daughter told me just now that the two of them are The two love each other..." In the next few minutes, Empress Hua Zhao explained the situation.

Because I didn't see Yue Feng's appearance as Gong Ao, in Empress Hua Zhao's heart, she believed that her daughter liked Yue Feng. After all, Yue Feng had been to Yuyao Xianyuan before, and he was also the Nine Heavens Profound Sage conferred by his master. It was completely logical that his daughter liked him.

Chapter 3917

What?

Hearing Empress Hua Zhao's words, the Nine Heavens God froze there, his face gloomy and uncertain.

In love with each other?

Daughter and Yue Feng are in love with each other?

Like Empress Hua Zhao, the God of Nine Heavens had never seen Yue Feng Yi Rong's appearance before, and subconsciously believed that her daughter liked Yue Feng.

At this time, neither the Nine Heavens God nor the Empress Hua Zhao knew that they had made a huge misunderstanding.

Huh...

Finally, the Nine Heavens God reacted and said coldly: "If this is the case, I will kill this ignorant boy." When he said this, the Nine Heavens God was almost unforgivable.

In the heart of Jiutian God, Yue Feng pretended to be himself before, and it was an unforgivable sin. Even if he was named Jiutian Xuansheng by his master, and Nuwa came forward to mediate, in Jiutian God's heart, he still couldn't understand Yue Feng.

Especially the matter of Jiutian Xuansheng, Jiutian God has been unconvinced in his heart.

This Yue Feng is just a human being, how can He De be the Nine Heavens Profound Sage?

And now, this Yue Feng has a relationship with his daughter again, which makes Jiutian God simply unable to bear it, and only feels that his majesty has been tarnished.

Therefore, this Yue Feng must die, and the death is very tragic.

"Your Majesty!"

Feeling the wrath of the Nine Heavens God, Madam Hua Zhao became anxious and persuaded softly: "Stop your anger, if you kill Yue Feng, what will happen to your daughter in the future?"

"Blame her for being miserable and liking people she shouldn't."

Saying that, Jiutian God became more and more angry: "This Dongling is so self-willed. Before Yue Feng brought the demon clan to make trouble at Yutian Palace, doesn't she know?"

"No, you still have to like this kid."

For a while, the Nine Heavens God was furious and gushed endlessly.

"Okay, okay..."

Empress Hua Zhao's delicate face was full of helplessness: "I know you have always been disgusted with this Yue Feng, speaking of which, I don't have a good impression of him either. Eat the spirit fruit."

After speaking, Madam Hua Zhao changed her tongue and continued: "But anyway, he is also the Nine Heavens Profound Sage conferred by the master, and his status is second only to you, so it doesn't matter if Dongling follows him. I've been wronged by my identity. Besides, Dongling is already with him..."

Empress Hua Zhao was ashamed to say the last two words, but her delicate face was full of seriousness.

At this time, Empress Hua Zhao was speaking the truth. She really did not have a good impression of Yue Feng, but the matter had come to an end, so she had no choice but to complete Princess Dongling.

After all, the two sides have established a relationship, and they slept together just now, and the raw rice became cooked rice.

More importantly, many maids also saw it at that time. The so-called family ugliness should not be exposed. If the Nine Heavens God killed Yue Feng, what would happen to her daughter's happiness in the future?

"You..."

At this moment, Jiutian God frowned and looked at Empress Hua Zhao in surprise: "What did you say? Are you going to betroth Dongling to that boy Yue Feng?"

Empress Hua Zhao nodded.

"You're crazy." Jiutian God was stunned, his eyes full of conflict.

Afterwards, Jiutian God shook his head with a determined look: "No, this is absolutely impossible."

That Yue Feng is just a scheming clown, how can he be qualified to match his daughter?

Huh...

Empress Hua Zhao breathed a sigh of relief and patiently persuaded: "Your Majesty, you are angry, I can understand, but think about it, the matter of Yue Feng and her daughter has become a fact, and the scene just now, Many maids have seen it."

“If Yue Feng dies, her daughter’s reputation will be ruined, so let’s be a good man and directly recruit Yue Feng to be the son-in-law of Chenglong Kuai. In this case, others will not make irresponsible remarks. “

More importantly, Yue Feng has become our son-in-law. In the future, will he dare not to listen to His Majesty’s words?”

This...

Hearing these words, Jiutian God frowned and pondered, and his heart gradually calmed down.

There seems to be some truth to what the lady said.

The ugliness of the family cannot be made public. Yue Feng is really going to die, and his daughter’s happiness will be gone. Moreover, this Yue Feng is rebellious and acts recklessly. He has accepted him as his son-in-law. With this relationship, he can be restrained.

At this moment, in the next hall.

Yue Feng was sealed by the Nine Heavens God, and he sat there unable to move, feeling extremely uneasy.

Chapter 3918

Nima!

At this moment, looking at the side hall, the Nine Heavens God and Empress Hua Zhao were constantly discussing what, Yue Feng’s heart was even more ups and downs, and he was extremely uneasy.

Are you discussing how to kill me?

It’s no wonder that if her daughter was defiled, who wouldn’t be angry.

But today’s incident, there are too many coincidences, I am really wronged.

Thinking about it, Yue Feng almost wanted to cry without tears.

At this moment, the sound of footsteps came, and I saw Jiutian God and Empress Hua Zhao returning to the hall.

Gudong!

At this moment, Yue Feng raised a heart in his throat, and was panicked, but his face showed a very calm look.

Swish!

At the same time, the Nine Heavens God and Empress Hua Zhao also looked at Yue Feng up and down.

The atmosphere seemed a little dull and subtle.

“Yue Feng!”

Finally, Jiutian God took a deep breath and said coldly to Yue Feng, “Tell me, what happened to you and Dongling?”

Just now, Jiutian God obeyed Empress Hua Zhao. Suggestion, decided to recruit Yue Feng as son-in-law, but before the announcement, you need to ask Yue Feng.

This....

Yue Feng’s mind turned quickly, showing a smile, and said cynically: “This, you should ask your daughter.”

Because he didn’t know what Jiutian God meant, Yue Feng was not good at talking nonsense, he could only Lead the topic to Princess Dongling.

Swish!

Seeing Yue Feng’s attitude, Jiutian God was very angry, but he still suppressed it.

Seeing that the atmosphere was about to stiffen, Empress Hua Zhao said softly at Yue Feng, “Yue Feng, don’t be nervous, Ben Gong and His Majesty have already figured out the matter between you and Dongling.”

After speaking, Empress Hua Zhao said. Showing a smile, he continued: “Since the two of you are in love with each other, and it has developed to this point, it is natural that Your Majesty and I are not good at fighting mandarin ducks.”

What?

In love with each other?

Hearing this, Yue Feng was stunned, his mind was blank, and the whole person was stunned.

Although he knew Princess Dongling, but he had no feelings, and Princess Dongling liked Gong Ao, how could he be in love with him?

For a while, Yue Feng was very puzzled, but he didn't dare to ask more about the situation in front of him.

And then, Empress Hua Zhao's words made Yue Feng completely stupid.

"Yue Feng!"

At this time, Empress Hua Zhao bit her lip lightly, and said very seriously: "Just now, this palace discussed with His Majesty, and decided to complete you and Dongling, and seal you as Jade Dragon Consort, after His Majesty's announcement, I will find a good day to arrange your wedding, how?"

I went...

At this moment, Yue Feng opened his mouth wide, only to feel his brain buzzing, completely messy.

You heard it right!

Nine days God wants to recruit himself as his son-in-law?

At this moment, Yue Feng was completely stunned.

He thought that this time he would die, and Jiutian God would not spare him easily, but he never imagined that Jiutian God would not only not kill himself, but also recruit himself as his consort.

It's an incredible turnaround.

"Yue Feng!"

Seeing the change in Yue Feng's expression, Jiutian God was very impatient: "Looking at you like this, is it possible that you are still unwilling? What? Is my daughter Dongling not worthy of you?"

"

At the same time, Empress Hua Zhao was also watching Yue Feng closely, waiting for his answer.

Gudong! At this moment, Yue Feng's heart was in a mess. After secretly swallowing his saliva, he smiled bitterly: "How come, Princess Dongling's golden branches and jade leaves are not

worthy of me?

Complimentary words, but there is no way, the life at this time is in the hands of Jiutian God, if the Jiutian God is angered, it will be completely over.

Um!

Hearing this answer, Jiutian God's face softened a lot, and he said, "Since you have no opinion, you can live here temporarily, but before the wedding, you are not allowed to meet Dongling again." After

saying that, Jiutian God To Empress Hua Zhao, she said, "Send more people to watch him, and don't let him walk around."

Although it has been decided to recruit Yue Feng as his concubine, this is Yuyao Xianyuan, and the royal rules must be followed.

The last word fell, and the Nine Heavens God turned and left the hall.

Chapter 3919

Empress Hua Zhao responded, and then smiled at Yue Feng: "Your Majesty has spoken, you can stay here, and I will arrange for a few maids to come. Whatever you need, just tell them."

Said Then, Empress Hua Zhao also walked out slowly.

What the hell!

At this moment, Yue Feng wanted to cry without tears, and was so anxious.

I still have to go back to save the Great Sage and Xiaoyu with the glazed water. How can I stay here and marry Princess Dongling?

Thinking to himself, Yue Feng was going to take the opportunity to slip away, but Yuanshen was sealed tightly, and there were many divine soldiers guarding outside the hall. Seeing this situation, Yue Feng was suddenly desperate.

...

the other side.

Princess Dongling sat uneasy in the bedroom, her delicate face was full of anxiety.

Did the royal father catch Gong Ao? Will it kill him?

Did your mother intercede for her?

“Dongling!”

Just when Princess Dongling was in a state of anxiety, she heard a gentle voice, and then, Empress Hua Zhao came in.

After leaving the front hall, Empress Hua Zhao immediately came to Princess Dongling, ready to tell her the good news.

“Queen Mother!”

Seeing Empress Hua Zhao coming in, Princess Dongling quickly stood up, her face full of nervousness: “How is it?”

Empress Hua Zhao pursed her lips and scolded, “Look at how nervous you are, you are so big, a little bit. Don’t let the mother worry.”

With that said, Empress Hua Zhao breathed a sigh of relief and continued: “I have already pleaded with Your Majesty for you, and His Majesty promised not to pursue it, and has already agreed to your marriage.”

Wow!

Hearing this, Princess Dongling was overjoyed and hugged Empress Hua Zhao’s jade arm: “That’s great, thank you Queen Mother!” She was nervous just now, but now she can finally relax.

Thinking of being able to finally become a family with Gong Ao, Princess Dongling’s indescribable happiness.

Madam Hua Zhao was also in a good mood at this time, she said with a smile, “Speaking of which, you are too self-willed in today’s matter, but Yue Feng is also considered a talent, and as the Nine Heavens Profound Sage, your combination is also considered a match. “

But even so, when I persuaded your father just now, I spent a lot of words, so after getting married, you are not allowed to play any more nonsense, you know?”

Empress Hua Zhao smiled all over her face when she said this.

However, Princess Dongling’s delicate body trembled, and she was stunned.

What did the mother say?

Do you want to marry Yue Feng? How could this be?

Thinking to herself, Princess Dongling looked at Empress Hua Zhao: "Empress mother, you...you said just now that I am married to Yue Feng ?

"

With a smile, he said, "What? Do you think getting married too soon? Silly daughter, you have already done the ceremony of Duke Zhou. If you don't get married soon, do you want the queen mother and your majesty to be laughed at?"

"No..."

Dong Ling The princess shook her head and almost cried: "Mother, are you mistaken, I like Gong Ao!"

Thinking of Yue Feng, Princess Dongling's delicate face was full of resistance: "This Kyushu man used to fight against his father with the demon clan, and the father has always hated this man, how can I marry him?"

Um?

Hearing this, Empress Hua Zhao frowned and was stunned.

The next second, Madam Hua Zhao's delicate face showed a bit of displeasure: "Dongling, what are you talking about? How can a lifetime of happiness be such a child's play?"

"With contact, the next second he said he liked Gong Ao, which was too capricious.

At this time, Empress Hua Zhao didn't know that Princess Dongling always liked Gong Ao, but today's incident, there were many coincidences, and then there was a big misunderstanding.

"Queen Mother..." Princess Dongling's face was full of anxiety, and she had to say more.

As soon as he said two words, he was interrupted by Empress Hua Zhao: "Dongling, as a princess, how can you be so promiscuous? You and Yue Feng were in the bedroom before, and your clothes were disheveled, and your father and I both watched. In your eyes, you have already promised your marriage, but now you say that you like Gong Ao?"

"If you do this again, I will not care about your affairs in the future. Let me tell you, Your Majesty has personally agreed to your marriage with Yue Feng. , I can't change it!"

"From now on, you will stay in the bedroom honestly and prepare well for the wedding."

After saying this, Empress Hua Zhao turned and left with a disappointed face.

Chapter 3920

“Queen Mother!”

Princess Dongling was full of grievances, she didn't know where she was wrong, and wanted to chase after her, but Empress Hua Zhao had already gone far.

How could this be?

At this moment, Princess Dongling's body became weak, and she slumped on the soft couch, her mind was in chaos.

He is clearly with Gong Ao, why does his mother insist that it is Yue Feng?

.....

On the other side, Kyushu.

Xi Cang Continent, the main altar of the Five Poison Sect.

Bai Yunfei sat on the chair in the room, his handsome face was full of anxiety.

Ji Hongshang stood there respectfully, her delicate face was full of solemnity and complexity.

Since the sealing magic mirror was taken away from the ghost world, the news spread like wildfire and quickly spread throughout the Kyushu. For a time, all the sects were in an uproar.

Under such circumstances, the various sects headed by the Tiandao Alliance sent people to investigate Bai Yunfei's news. Not only that, but the Ouyang family was also searching for the whereabouts of the magic mirror.

Speaking of which, the Tiandao Alliance had just wiped out the Ouyang family, and the two sides were already mortal enemies, but because of the sealing of the magic mirror, there was still a tacit understanding and no conflict broke out.

After all, the strength of the Demon Lord Gone in the Sealed Magic Mirror cannot be underestimated. Once he is released from the Sealed Magic Mirror, the entire world will be overturned.

Under this circumstance, Bai Yunfei had been hiding in the Five Poison Sect, and did not show up easily in the rivers and lakes, but even so, the people of the Ouyang family

and the Heavenly Dao Alliance still focused their attention on the Five Poison Sect based on inference.

After all, during this time, Bai Yunfei was walking around the rivers and lakes, and Ji Hongshang, the sect master of the Five Poison Sect, was always by his side. Therefore, both the Tiandao Alliance and the Ouyang family suspected that Bai Yunfei was hiding in the main altar of the Five Poison Sect.

And half a day ago, the hundreds of thousands of disciples of the Tiandao Alliance and the Ouyang family had already sent people to head towards the Five Poison Sect.

Hearing the news, Bai Yunfei was very anxious.

You must know that it will take three days for the Demon Lord Gone to leave the sealed magic mirror, and within these three days, the sealed magic mirror cannot leave the blood pool of the secret room, otherwise, the previous efforts will be in vain.

Anxious, Bai Yunfei called Ji Hongshang to discuss countermeasures.

It's just for a while, and I can't think of a perfect way to deal with it.

"Sect Master."

At this time, Ji Hongshang said cautiously, "The Heavenly Dao Alliance and the Ouyang Family are threatening, and it is not appropriate for us to confront it. Why don't we temporarily withdraw to Tianxiang Valley."

Tianxiang Valley is the place where Su Qingyan was imprisoned, and the scenery is beautiful there. , the location is hidden.

Bai Yunfei shook his head, and without even thinking about it, he denied it: "It's definitely not possible. You don't know that Your Excellency Mozun is at a critical moment and cannot leave the secret room."

This....

Hearing this, Ji Hongshang frowned . Lock, suddenly made trouble.

This is a bit of a hassle.

The Demon Venerable cannot be transferred, but if it is not transferred, Bai Yunfei and the Five Poison Sect alone cannot stop the Heavenly Dao Alliance and the Ouyang Family.

Got it!

Under the entanglement, Ji Hongshang's eyes flashed, and she suddenly had an idea: "Sect Master, I have a way, but this way is too bloody and cruel."

Brutal?

Bai Yunfei showed a smile and said lightly: "Come on!"

In his heart, as long as he can solve the trouble in front of him, he will not care about cruelty or not.

Ji Hongshang hesitated and said softly, "Have the sect master ever heard of the ancient poisonous scorpion?"

The ancient poisonous scorpion?

Hearing this, Bai Yunfei's eyes flickered, revealing an extremely complicated expression.

The ancient poisonous beetle is a highly poisonous long insect that was active in Kyushu thousands of years ago. It belongs to a type of centipede, but it is huge in size and can grow to more than 100 meters long, which is very terrifying.

In addition, the ancient poisonous scorpion contains highly poisonous. According to legend, a hundred-meter-long ancient poisonous scorpion, the poison formed by the poison in the body can cover the area of 1000 meters, and the poisonous mist is extremely corrosive, whether it is a cultivator, or spirit beasts, as long as you inhale poison, you will become poisonous and poisonous beasts.

After becoming a poisonous person and a poisonous beast, the mind will also be paralyzed by the highly poisonous poison, thus losing its mind, and finally turning into a cruel and murderous monster.

It can be said that the ancient poisonous beetle is an extremely dangerous existence.

At this moment, Bai Yunfei reacted and looked at Ji Hongshang: "I naturally know the ancient poisonous scorpion, what exactly is your plan, say it directly."

Hu...

Ji Hongshang took a light breath and said slowly: "In the forbidden area of the mountain behind the main altar of my Five Poison Sect, there is an ancient poisonous scorpion. This poisonous scorpion has existed for a longer time than our Five Poison Sect. It is said that it was captured by the founding ancestor of our Five Poison Sect, and then Sealed in the forbidden area of the back mountain."
