Chapter 4301 I

saw that the scars on the face in the mirror were significantly lighter than before, not only that, but the skin became extremely smooth.

Amazing.

In shock, Qing Yi stared blankly at Yue Feng: "You... the plaster you made these days was made for me? Specifically to remove the birthmark on my face?"

Qing Yi is not stupid, so here it is Shi finally understood that what happened to Yue Feng a few days ago was all for himself.

"Yes!"

Yue Feng smiled and replied seriously: "Qingyi, you are a kind girl. You saved my life in the mountains and forests. I will remember this kindness for the rest of my life. I have nothing else to repay you. I can only find a way to get rid of the mark on your face."

Said, Yue Feng pointed to a few small medicine bags next to him: "Here is the medicine I prepared, mix it with some water and make it into a plaster, it can be used, and then For half a month, if you apply it once a day, the marks on your face will disappear completely."

"Ah Feng..."

Hearing this, Qing Yi was so moved that her eyes were red, and after calling out a name, I was speechless.

At this time, Yue Feng looked at her with a smile and continued: "Qing Yi, you are the most beautiful female disciple of Sword Sect without your imprint. You should be happy, why are you crying?"

"A Feng!"

At this moment , Qingyi couldn't bear it any longer, and suddenly threw himself into Yue Feng's arms: "You are so kind to me..."

At this time, Qingyi hugged Yue Feng tightly, completely lost the shyness of yesterday, and It is indescribable gratitude and admiration.

Ugh!

Yue Feng sighed softly and patted Qingyi's shoulder: "Okay, in my heart you are just like my sister, don't be like this, don't cry anymore, you won't be pretty if you cry."

This chapter is provided by . Visit for daily update.

"By the way, I want to tell you something, I'm leaving tomorrow."

Yue Feng felt very sad when he said this, but he couldn't stay in Jianzong for the rest of his life. After the strength, Yue Feng has re-condensed the primordial spirit.

What? Hearing this, Qing Yi suddenly let go of his hand and stared at Yue Feng in a daze.

He smiled and said, "It's just a temporary agreement between me and your master to be a named disciple. I will not be a disciple of the Sword Sect."

This...

Qing Yi was confused: "Why?"

Yue Fengshen He took a breath and said with emotion: "I can't tell you yet, but I promise you that when we meet next time, I will definitely let you know my true identity."

"So, you must also promise me that after I leave, don't cry, you have to remember, you have a big brother who will always care about you, okay?"

Seeing Yue Feng's serious face, Qing nodded reluctantly.

"That's right!"

At this moment, Yue Feng thought of something and said with a smile: "Didn't you say that my swordsmanship is very good? Would you like to learn

it?" "Of course I will." Thinking about it, he said, "Even Hongxia and Dongliu are not your opponents. Your swordsmanship is as good as that of the sect master."

Haha...

Hearing this, Yue Feng couldn't help laughing, and then nodded. Said: "Okay, then I'll pass it on to you. This set of swordsmanship is called 'Sijue Sword'!"

Yes, Yue Feng is going to pass the Tiangang swordsmanship to Qingyi, but the name of this swordsmanship is in Jianzong. It is a taboo, so Yue Feng changed his name.

Sijue, as the name suggests, means missing Nangongjue.

Thinking Sword?

At this moment, Qing Yi tilted her head and was very puzzled: "What a strange name."

But she didn't think much about it, at this time, she only thought about learning swordsmanship.

Yue Feng smiled: "Well, you're optimistic, every move and every style is unpredictable." As he said, Yue Feng picked up the long sword next to him and demonstrated it.

call!

At this moment, Qing Yi watched intently, not missing every subtle change in Yue Feng's moves.

Speaking of which, Qing Yi Bingxue is intelligent and extremely talented, but because of the birthmark on his face and being mocked by his peers, he has low self-esteem, so he doesn't pay much attention to learning the sword.

Under Yue Feng's words and deeds in the past few days, Qingyi's mind has become more and more confident, as if reborn.

At this time, Qing Yi would never have imagined that in a few years, he would become the only female sword god in Dongao Continent for thousands of years.

Chapter 4302

During the next day, Yue Feng taught Qing Yi all the 'Tiangang Sword Art'.

I have to say that Qing Tian is extremely talented. In this day, he has learned all the moves. Although he can't fully comprehend the essence of it, the speed is already amazing.

Huhu...

At this moment, Qingyi held the long sword tightly, and under the guidance of Yue Feng, he practiced the last sword technique, and he saw that the long sword in Qingyi's hand turned into one after another, dazzling and dazzling. Dazzling.

Yue Feng watched from the side and nodded again and again.

This Qingyi is worthy of being a prodigy of swordsmanship. If he can learn all Tiangang swordsmanship in one day, if Master Nangong Jue knows about it, he should be very pleased.

After all, his swordsmanship was not buried there.

Huh...

Finally, Qing Yi finished practicing swordsmanship, her delicate face was flushed red, and her body was dripping with sweat, she walked to the chair in the cottage and sat down: "I'm so tired." After speaking

, Qing Yi was looking forward to it. Looking at Yue Feng: "Ah Feng, how is my practice?"

"Very good!"

Yue Feng smiled and nodded approvingly: "You are very talented, you must practice hard in the future, I believe it will not take long, Your strength will improve a lot. You can easily crush Dongliu, and Hongxia and the others."

Really?

Hearing this, Qingyi was very excited. If he could really reach the level that A Feng said, he would not be afraid of being bullied in the future.

Muttering in his heart, Qingyi thought of something, looked at Yue Feng and asked, "By the way, Ah Feng, are you leaving tomorrow?"

Yue Feng thought for a while, then nodded and said, "Yes!"

In fact, Yue Feng plans to leave tonight, because he has been delayed here for too long, and his heart has already flown to Diyuan Continent. But in order to avoid parting, Yue Feng deliberately lied to Qing Yi.

Ugh!

Qing Yi looked at Yue Feng with a face full of reluctance, and looked at Yue Feng quietly: "Then...then will you come back in the future?"

Yue Feng smiled and comforted: "If we have a predestined relationship, we can meet again soon. "

Speaking, Yue Feng looked at Qing Yi's sweat-soaked long skirt: "Okay, it's getting late, you can go back and rest."

Shuh!

Qing looked down consciously, her face flushed instantly, she was very embarrassed, and only then did she realize that her long skirt was soaked a lot, revealing a charming curve.

While shy, Qing Yi was still a little embarrassed and complicated.

Ah Feng looks at himself like this, does he like me?

The more Qing Yi thought about it, the more embarrassed he became. He lowered his head and said, "Okay, then I'll go first. I'll see you off tomorrow." After speaking, he hurriedly left the thatched cottage.

Huh....

Watching Qing leave, Yue Feng smiled, then sat there cross-legged and continued to integrate the power of the Faye Red Lotus. Although Yue Feng had re-condensed the primordial spirit, the Faye Honglian's power The power has not yet been fully integrated.

...

the other side!

Apocalypse Continent and Dongao Continent are handed over, and there is a virgin forest that stretches for hundreds of miles. In this virgin forest, there is a Falling Maple Valley, named after it is covered with maple trees.

At this time, it was already autumn, and in the entire Fallen Maple Valley, the maple leaves were yellowish, and it looked like a golden ocean from a distance, which was indescribably spectacular.

In the depths of Luofeng Valley, there is a hidden cave.

I saw that a temporary camp was built outside the cave. There were many Jianghu disciples walking around in the camp, all dressed in dark blue to serve. It is embroidered with the symbols of the Five Poison Sects.

Yes, this is a temporary stronghold of the Five Poison Sect.

A month ago, after Ji Hongshang raided Bai Yunfei, he took him out of the palace to join his subordinates. At that time, because of inhaling the power of Bai Yunfei's demon soul, Ji Hongshang had to find a hidden shelter.

At that time, Ji Hongshang ordered his subordinates to find a place, and finally selected the location of Luofenggu.

At this moment, deep in the cave.

In the depths of the cave, it was arranged as a simple wooden cell, with a figure lying quietly inside.

He was dressed in white, his face was weak, and he was unconscious.

It was Bai Yunfei.

Bai Yunfei didn't know how long he had been in a coma, as if he had had a long dream.

call!

Finally, Bai Yunfei breathed a sigh of relief and woke up, but when he woke up, his brain was still a little swollen.

The moment he opened his eyes, Bai Yunfei looked around at the surrounding environment and was stunned.

Chapter 4303

saw that he was trapped in a cell, and the cell in front of him seemed to be a simple transformation of a cave. Outside the wooden fence, a slender figure was meditating there.

Curvy and sexy.

It was Ji Hongshang!

I have to say that Ji Hongshang is very beautiful. Many years ago, she and her elder sister Ji Linglong became the sisters of the Five Poison Sect. Now, after devouring the inner elixir of the ancient poisonous scorpion, she seems to be even more charming.

Especially the dress at this time, wearing a deep red dress, showed her exquisite and graceful figure so vividly that it would be difficult for any man to look away when he saw it.

call!

Aware that Bai Yunfei had woken up, Ji Hongshang opened her eyes and smiled slightly, then stood up and walked slowly to the wooden cell.

Squeak!

The next second, Ji Hongshang opened the prison door, stood there looking down at Bai Yunfei, and asked with a half-smile, "Awake? Sect Master!"

"You don't deserve to call me Sect Master." Bai Yunfei took a deep breath, He responded coldly: "Ji Hongshang, I am not mean to you, but you secretly attacked me and absorbed the power of my demon soul. Demon Venerable knows and will not let you go."

When he said this, Bai Yunfei's eyes were full of resentment, but because he was too weak, his words were not threatening at all.

Hee hee...

Feeling Bai Yunfei's anger, Ji Hongshang smiled charmingly, looked at Bai Yunfei and said, "My good sect master, you are indeed very kind to me, but then again, I was loyal to you before."

I was determined to kill Yue Feng and the Ouyang family. You promised to help me, but you kept putting it off, so I really have no other way."

Hearing this, Bai Yunfei's eyes flickered, and he said lightly: "This is the end, I don't want to say more, I just want to know, what's the purpose of you arresting me?"

" Slowly said: "Sect Master, Sect Master, you are also a generation of heroes, can't you guess the purpose of me arresting you?"

After speaking, Ji Hongshang's tone became cold: "I absorbed the power of your demon soul, But I am a human body and can't bear such a powerful force for a while, but I also know that you must have a solution, right?" After the

last word fell, Ji Hongshang looked at Bai Yunfei tightly, unable to hide it. expect.

For a time, the atmosphere in the cave also became a little subtle and dull.

Hehe...

Hearing this, Bai Yunfei was stunned for a moment, and then he couldn't help but sneer.

This Ji Hongshang is really greedy enough.

Thinking to himself, Bai Yunfei showed a contemptuous smile, looked directly into Ji Hongshang's eyes, and said word by word, "Ji Hongshang, you are really shameless, you have absorbed my strength, and you want me to teach you how to integrate. It? Are you still awake from a daydream?"

Swish!

Hearing the ridicule, Ji Hongshang's face froze, then walked over quickly, raised her jade hand, and slapped Bai Yunfei's face with a slap.

This slap, Ji Hongshang didn't use much strength, but Bai Yunfei was absorbed the power of the devil's soul and was very weak at this time, when he heard a clear sound, the whole person fell to the ground at once.

Nima...

Bai Yunfei was burning with anger, scolding secretly in his heart, he was about to stand up and fight back, but he had no strength in his body and could not stand up at all.

Under the anger in his heart, Bai Yunfei laughed and said to Ji Hongshang: "Ji Hongshang, you have committed the following crime, and now you want me to help you integrate the power of the devil's soul, do you think it is possible?"

Ji Hongshang With a sneer: "Stop putting on airs in front of me, Bai Yunfei, do you think you still have the right to refuse in your current situation?"

"What if I don't tell you?" Bai Yunfei responded coldly.

"Don't tell me?"

Ji Hongshang's eyes showed a bit of chill, and said coldly: "I said, you have no choice, if you want to spend time with me, okay, I will spend it with you slowly. "

But before that, I want you to taste my methods first, lest you think I'm being fooled."
After the

last word fell, Ji Hongshang slowly raised her jade arm and saw her hand, not knowing what to do At that time, there was a swarthy whip.

Chapter 4304

Ji Hongshang at this time, with cruelty and excitement in her eyes, smiled at Bai Yunfei and said, "You have been in my Five Poison Sect for a while, maybe you don't know, I still have the bottom of the box. What about things?"

"This whip is made of a mixture of poisonous insects such as 'purple scale snake', 'blood scorpion' and 'three-eyed centipede'

. How long do you think you can last?" The

last sentence fell, Ji Hongshang had a smile on her face, but cruelty flashed in her eyes.

Nima, what a femme fatale!

Hearing these words, Bai Yunfei's face changed and he scolded angrily: "Ji Hongshang, don't go too far." "

Excessive?"

The joke: "You promised me to get rid of Yue Feng, but it's been more than a year, have you done it? I'm just a pawn in your hand."

"You've been using me, thinking that I I don't know? Tell me, who is going too far?" The voice fell, and the whip in the palm of the hand was thrown away!

Snapped!

With a crisp sound, Bai Yunfei's body suddenly burst into flesh, and blood soaked his clothes in an instant!

Bai Yunfei gritted his teeth tightly, but did not cry out, his eyes were bloodshot instantly!

"Ji Hongshang, you'd better let me go immediately, otherwise, you will die ugly!" Bai Yunfei took a deep breath and said coldly.

Hehe...

In the face of the threat, Ji Hongshang laughed without panic, and looked at Bai Yunfei coldly: "As expected of a descendant of the demon race, you dare to threaten me in this situation, but now you still have Am I qualified to negotiate?"

"Tell me, how to integrate the power of the devil's soul and suffer less from the pain of flesh and blood!"

Bai Yunfei snorted coldly, but did not respond.

The bones are really hard...

Seeing Bai Yunfei's reaction, Ji Hongshang felt contemptuous and extremely angry, and then she raised the whip in her hand again and threw it on Bai Yunfei's body.

Snapped! Snapped! Snapped!

The whip kept beating on Bai Yunfei, and every stroke made a crisp sound!

At first Bai Yunfei was able to grit his teeth and endure it, but in the end he couldn't hold it anymore, so he shouted loudly: "Ji Hongshang, I don't think I can spare you... ah..."

He wanted to scold more. But it was too weak, and the pain kept coming, and after only a few words, I couldn't go on.

I don't know how long it took, Bai Yunfei finally couldn't hold it anymore and passed out.

hateful!

At this time, Ji Hongshang was also a little tired, and threw the leather whip aside, her delicate and charming face was extremely angry, staring at Bai Yunfei, unable to speak.

This Bai Yunfei, the bones are really hard, he was beaten to death, and he still did not compromise.

“Sect Master!”

Just when Ji Hongshang was extremely irritable, a disciple hurried in, with a nervous expression on his face: “It’s not good…”

“Why are you panicking?” She looked like she was angry, and said, “As a disciple of the Five Poison Sect, what does it look like when you are in a panic?”

” After speaking, Ji Hongshang took a deep breath: “Tell me, what’s the matter.”

The disciple took a few breaths and said cautiously: “The disciple just found out that after the Tianqi army broke the Beiyang Imperial City, King Guangping suffered a surprise attack and died on the spot.”

What?

Hearing this, Ji Hongshang was stunned for a moment, and asked in amazement: “Who did it?”

“Yes…it’s the former princess of the Apocalypse Continent, Ren Yingying. She killed Queen Guangping and then Ascended the throne and became a female emperor.” The disciple quickly replied.

Ren Yingying?

Ji Hongshang frowned, unable to hide her inner anger, Ren Yingying is Yue Feng’s woman, and now she is the female emperor of Apocalypse Continent, which is not a good thing for herself.

Muttering in her heart, Ji Hongshang reacted: “Even so, why are you so nervous?”

The disciple wiped off his sweat and responded, “After Ren Yingying became the queen, she sent orders to search for the whereabouts of the suzerain, according to my knowledge. You know, the entire Northern Ying Continent, as well as the Apocalypse Continent, have issued a hunting order for our Five Poison Sect.”

After speaking, the disciple looked up at Ji Hongshang and continued: “Sect Master, the Luofeng Valley where we are located, At the border of the Apocalypse Continent, it’s okay for temporary repairs, but it seems a bit inappropriate if it is a long-term camp.”

Chapter 4305

Hmm!

At this moment, Ji Hongshang did not get angry, but nodded silently.

Because what this disciple said is right, the Five Poison Sect has been staying in Luofeng Valley, which is indeed not a long-term solution.

To be honest, Ji Hongshang is not afraid of the Tianqi army, let alone Ren Yingying, but she has not yet fully integrated the power of the demon soul. If her whereabouts are revealed, there will be a lot of trouble.

Thinking of this, Ji Hongshang pointed at Bai Yunfei, who was unconscious in front of him: "Pass my order, leave two hundred elite disciples, stay here with me, and take Bai Yunfei with me, and hurry to Dongao Continent."

Ji Hong Chang also wanted to leave, but the power of the demon soul in her body had not been fully integrated, and it had been churning in her body, so she decided to try the fusion again.

"Yes, this subordinate understands."

Hearing the order, the disciple hurriedly responded, then called a few people and carried Bai Yunfei out.

A few minutes later, nearly 10,000 disciples of the Five Poison Sect left Luofeng Valley with Bai Yunfei and headed towards Dongao Continent.

The remaining two hundred elite disciples continued to stay in the camp, guarding the cave. Ji Hongshang, on the other hand, sat in the cave and tried to fuse the power of the demon soul again.

I don't know how long it took, Ji Hongshang frowned, and her delicate and charming face also showed an anxious look.

Or not.

The power of this demon soul is not only powerful, but also very strange. According to the traditional method of the Kyushu rivers and lakes, it cannot be completely integrated.

boom!

Just when Ji Hongshang was extremely irritable, only a loud noise was heard, and suddenly it came from outside, and the gate of the temporary camp outside the cave was smashed abruptly!

This loud noise caused the inside of the cave to vibrate, and the movement was very loud. In an instant, Ji Hongshang was stunned.

what's the situation?

Muttering in her heart, Ji Hongshang quickly got up and walked out.

Who is so daring to come to the Five Poison Sect's camp to make trouble?

hiss!

As soon as she arrived outside, when she saw the scene in front of her, Ji Hongshang couldn't help taking a breath!

I saw the army of hundreds of thousands of Tianqi surrounding the camp tightly, like an iron barrel!

In the midair in front of the Tianqi army, a slim and charming figure was quietly suspended there, wearing a golden robe, luxurious and elegant, yet majestic.

The whole body is filled with a powerful aura.

It was Ren Yingying.

is her? !

Seeing Ren Yingying, Ji Hongshang's pretty face changed and she was shocked.

A few minutes ago, the disciples were still talking about this Ren Yingying, but they didn't expect that she would come so soon. It's just that Luo Fenggu is so hidden, how did she find it here?

At this time, Ji Hongshang didn't know that Ren Yingying was able to find this place by coincidence.

Two hours ago, the Tianqi army discovered a disciple of the Five Poison Sect. At that time, he did not act rashly, but first reported to Ren Yingying. Ren Yingying made a decisive decision and led the army to follow the traces of the disciple of the Five Poison Sect, and pursued it all the way here.

"Ji Hongshang!"

At this time, Ren Yingying's eyes were fixed on Ji Hongshang, and she said lightly, "Don't come here!"

Phew!

Feeling Ren Yingying's powerful aura, Ji Hongshang breathed a sigh of relief and showed a sweet smile: "Yeah, long time no see, I heard that you became the queen of Apocalypse Continent, I am very happy for you, I was thinking about what to do Congrats to you, but I didn't expect to meet you here." As

she spoke, Ji Hongshang looked at the mess in front of her and said hypocritically, "Your Majesty, you and I have no personal grudge, why did you destroy my Five Poison Sect? The camp?"

Seriously, Ji Hongshang didn't want to be so polite to Ren Yingying, but sensing the demon soul in her body, Ji Hongshang had to be more cautious.

More importantly, there are only 200 elite disciples of the Five Poison Sects around. Compared with the army of hundreds of thousands of Tianqi, it is like hitting a stone with an egg, so it is necessary to find a way to stabilize the opponent.

"Stop talking nonsense!" Ren Yingying said coldly with a straight face: "Ji Hongshang, you

raided Bai Yunfei and took him away. Where is the person?"

nonsense.

"Bai Yunfei?"

Ji Hongshang looked surprised: "I haven't seen him for a long time, how could I raid him? Where did you learn about these hearsays?"

Shuh!

Hearing this, Ren Yingying's face instantly turned gloomy.

The ultimate husband in Chinese chapter 4306-4310

Chapter 4306

This Ji Hong dress is quite similar. The fact that she broke into the Tianqi Palace and raided Bai Yunfei is completely true, but she does not admit it.

Thinking about it, Ren Yingying suddenly frowned, only to feel that the power of the demon soul in her body began to show signs of backlash.

No, I must see Bai Yunfei today.

Suddenly there were signs of backlash in the body, Ren Yingying was completely impatient, and said coldly to Ji Hongshang: "I won't talk nonsense with you, I will hand over Bai Yunfei immediately!"

Ji Hongshang shook her head: "I really don't know. Where is she?"

Seeing that Ji Hongshang was still not cooperating, Ren Yingying was completely angry, her eyes flashing with murderous intent.

"The whole army obeys the order!" In the

next second, Ren Yingying's red lips lightly opened, and she spit out a sentence: "Kill the disciples of the Five Poison Sect in front of you, and then search the cave carefully for me."

"Yes!" The

voice fell, Hundreds of thousands of the Tianqi army, with great momentum, pulled out their long knives one after another, and without a word of nonsense, rushed directly into the crowd of disciples of the Five Poison Sect!

"Ah!"

All this happened so fast, no one reacted at that time, only a few screams were heard, and many disciples of the Five Poison Sect didn't have time to react, and fell in a pool of blood.

"You..."

Ji Hongshang was furious, and her delicate and charming face instantly turned pale.

Before she could finish speaking, Ren Yingying interrupted coldly: "Ji Hongshang, I already gave you a chance, but you play me like a fool, Bai Yunfei is in your hands, but you refuse to admit it, so , don't blame me for being cruel!"

This chapter is provided by . Visit for daily update.

Speaking of which, Ren Yingying was kind by nature and didn't have such a big murderous intention at first, but at this time, the demon soul was about to retaliate, and he couldn't care about that much. Because only Bai Yunfei knew how to solve the demon soul backlash.

It's just that Ren Yingying doesn't know yet that Bai Yunfei has been transferred away.

“Ah...”

As soon as Ren Yingying finished speaking, there were screams all around, and she saw that more than a dozen disciples of the Five Poison Sect were killed.

“Do you really think I’m easy to bully?!”

Seeing this situation, Ji Hongshang’s delicate body trembled, and finally she couldn’t bear it any longer. She tapped the ground with her toes, like a shock, and rushed directly into the Tianqi army!

Ji Hongshang knew that today’s battle would be impossible without fighting. Rather than being passive, it would be better to resist desperately!

“Kill!”

At this moment, the disciples of the Five Poison Sect also reacted one after another, pulling out their weapons and fighting with each other.

clang! clang! clang!

In an instant, the sound of weapons colliding, roaring and killing, echoed over the entire Fallen Maple Valley!

However, the disparity between the two sides was too great. In less than five minutes, the two hundred elite disciples of the Five Poison Sect were all killed.

In the field, only Ji Hongshang was left.

“Do you still want to resist!”

At this moment, Ren Yingying said lightly, and her delicate body flew out, straight towards Ji Hongshang.

hum!

In a blink of an eye, Ren Yingying was in front of Ji Hongshang. At that time, a terrifying aura erupted from Ren Yingying’s body. In an instant, the surrounding air seemed to freeze!

The terrifying aura of the devil’s soul was overwhelming.

The next second, Ren Yingying raised her jade hand and called Ji Hongshang with a palm!

This palm looks light and fluttering, but it is as fast as lightning.

Phew...

Feeling the power of this palm, Ji Hongshang's delicate body trembled. At that time, it was too late to dodge, so she had to mobilize all her internal strength to face it, trying to block Ren Yingying's palm.

Bang!

The palms of the two sides touched, and Ji Hongshang only felt a vast and endless force coming. At that time, with a grunt, the delicate body was directly shaken and flew out, flying more than 100 meters, and finally landed at the entrance of the cave.

At the moment of landing, Ji Hongshang spat out a mouthful of blood, only to feel the blood in her body churning and almost fainted.

After Ren Yingying possessed the power of the demon soul, she became really strong!

At this time, Ji Hongshang stared at Ren Yingying blankly, her heart was full of fear and shock.

"Ji Hongshang!"

At this time, Ren Yingying landed slowly, her eyes fixed on Ji Hongshang: "Tell me where Bai Yunfei is now, and I will give you a treat!" The

voice fell, and Ren Yingying slowly turned towards Ji Hong Chang came.

At the same time, the army of hundreds of thousands of Tianqi also surrounded the entrance of the cave.

Phew...

Seeing this situation, Ji Hongshang took a deep breath, feeling extremely nervous, but soon calmed down.

"Ren Yingying." The

next second, Ji Hongshang looked at Ren Yingying with a sinister smile: "I admit that you are very strong, but if you think that if you take my word for it today, it is a big mistake. "

Chapter 4307

hum.

When the last word fell, Ji Hongshang suddenly raised her hands, and at the same time her red lips parted lightly, she quickly recited a spell, and then, a strange and powerful aura burst out from her body.

I saw that when this breath met the air, it formed a thick green fog, and the surrounding flowers and trees were contaminated with this fog, and instantly withered and died!

Yes, what Ji Hongshang broke out was the power of the ancient poisonous scorpion's inner pill.

The ancient poisonous beetle is extremely poisonous, and the poison contained in the inner core is unimaginable.

Huhuhu...

I saw that the green poison, moving in the wind, covered the camp in a blink of an eye, and spread to the surrounding at a fast speed...

“Disperse, spread quickly...”

Seeing this scene, Ren Yingying's body trembled, she was furious, and at the same time she drank to the surrounding weather force.

Whoa!

Hearing the order, many Apocalypse soldiers didn't have time to hesitate and fled to the outside desperately, but they were still a step behind.

Puff, puff...

I saw that many apocalyptic soldiers were shrouded in the poisonous mist, and before they could scream, they fell to the ground, their faces turned black and purple, and they lost their breath.

In less than ten seconds, more than 100,000 Tianqi army died in the fog and miasma. For a time, the entire Luofeng Valley was in chaos!

Whoosh!

Taking advantage of this opportunity, Ji Hongshang did not hesitate at all, her inner strength pushed her, her delicate body flew up, and rushed into the sky.

“Ren Yingying!”

At this moment, Ji Hongshang's charming eyes were full of resentment: “I will write down this hatred for you, and we will have an appointment later.” hands-on.

The 200 elite disciples who remained, all lost their lives.

When the words fell, Ji Hongshang speeded up, and in a blink of an eye, she disappeared from everyone's sight.

Swish!

Seeing Ji Hongshang fleeing, Ren Yingying's pretty face froze, anxious and angry. At that time, she wanted to catch up, but there were poisonous fog everywhere in front of her, so she didn't dare to take risks.

"Pass on my will and go after Ji Hongshang with all my strength!" Ren Yingying's red lips parted lightly, she spat out a few words, and her eyes were full of anger.

Under this kind of siege, this Ji Hongshang was able to escape, it was really shameless.

No matter the cost, Ji Hongshang and Bai Yunfei must be found.

"Subordinates obey!" The

voice fell, and an earth-shattering response sounded throughout Luofeng Valley.

...

the other side! Jianzong general altar.

Yue Feng sat cross-legged and fused the power of the red lotus of the law industry, and before he knew it, it was already midnight.

Phew...

This is okay, Yue Feng opened his eyes and let out a long sigh of relief, feeling refreshed.

Looking at the sky outside, Yue Feng did not hesitate, first changed his clothes, then walked out of the thatched cottage and walked towards the Jiange behind.

The sword pavilion is the forbidden area of Jianzong, and it is also the place where Hua Yemeng rests.

Although the interior of the Sword Sect's main altar was heavily guarded, because it was late at night, it was quiet everywhere, and many of the patrolling disciples had rested, so no one noticed Yue Feng.

"Who?"

However, when he was about to reach the sword pavilion, he saw the shadow in front of him, and there was a coquettish shout.

Immediately following, a slender figure came out quickly, and it was a female disciple guarding the sword pavilion.

This female disciple was wearing a purple tights, holding a long sword, and her facial features were delicate, but her expression was unusually cold.

call!

Seeing the female disciple guarding the sword pavilion, Yue Feng took a deep breath, and then said with a smile: "Senior sister, don't be nervous, I'm the named disciple of the deputy sect master. Now I have something to do with the deputy sect master. This is my token.

" Really, Yue Feng didn't want to be so polite, but he also knew that the guard disciples of the sword pavilion were all very strong, and this place was still forbidden.

So, it's better to be polite, otherwise it will be very troublesome.

When the last word fell, Yue Feng took out an exquisite token. This token was secretly given to him when Hua Ye Meng accepted Yue Feng as his named disciple.

call!

Seeing the token, the female disciple's face softened a bit: "In the middle of the night, what are you doing with the deputy sect master?" Although her tone was not so cold, she still looked at Yue Feng's eyes with a bit of a hint. Sophisticated and suspicious.

Yue Feng hurriedly said, "I'm looking for the deputy sect master, because I have something important to do. I also ask senior sister to be accommodating."

Chapter 4308

Seeing what Yue Feng said, the female disciple didn't ask too much, and nodded: "Okay, after you see the deputy sect master, you must leave the Jiange as soon as possible, and you are not allowed to stay." After speaking, the female disciple stepped aside

· ·

Yue Feng smiled and walked slowly into the sword pavilion.

Huh.. it smells so good!

However, when he passed by the female disciple, he smelled the faint fragrance from her body. Yue Feng took a deep breath and couldn't help but admire: "Senior sister, you are so fragrant."

I don't know why, Yue Feng Seeing the cold and unselfish appearance of the female disciple, I wanted to make a joke.

"You..."

Looking at Yue Feng's expression, the female disciple was ashamed and angry.

This person is really not serious, and I don't know what the deputy sect master thinks, but he actually accepted such a disciple.

"Hey, goodbye, Senior Sister! I'll go first!"

Seeing that she was about to get angry, Yue Feng smiled, and quickly stepped into the sword pavilion.

"Hey!"

As soon as his forefoot left, a slender figure came slowly and asked.

Through the moonlight, I could see that her facial features were exquisite and charming, and there was a bit of arrogance between her brows.

It is Hongxia.

Although Hongxia is the senior sister, according to the rules of Jianzong, she also needs to patrol. Just after the patrol tonight, Hongxia is going to go back to rest. After hearing the movement here, she came over to ask.

When she arrived at the front, Hongxia asked the female disciple, "I heard something going on here just now, what's the matter?"

The female disciple didn't dare to hide it, so she told what happened just now: "Senior Sister Hongxia, there was a strange-looking person just now, who said that she was a new disciple of the deputy sect master, and she wants to see the deputy sect master."

Shah!

Hearing this, Hongxia's face changed, and she immediately guessed Yue Feng.

This kid, what are you doing looking for Hua Yemeng in the middle of the night?

Thinking of this, Hongxia asked, "Did he say anything?"

“No.” The female disciple shook her head, and then responded, “But he has the token of the vice sect master, so I didn’t stop him. .”

At this moment, Hongxia frowned, and her heart became even more suspicious.

Hua Ye Meng attaches so much importance to that Ah Feng? He even gave him his token.

Muttering in her heart, Hongxia ordered the female disciple, “It’s alright, you’ll take good care of yourself.” After speaking, she turned around and left, and walked towards the room where Dongliu was resting.

Squeak!

Soon, in Dongliu’s room, Hongxia pushed the door directly in.

At this time, Dongliu was meditating on the bed.

“Good Junior Sister!”

Seeing Hongxia coming in, Dong showed a smile, and quickly got out of bed: “You’re looking for me so late, do you miss me again?” in the arms.

Hongxia’s face flushed red, she pushed it slightly, and said in a sullen voice, “Senior brother, can you be serious, why do you think about that when you see me?”

After speaking, Hongxia’s face became serious and continued: “I discovered a secret just now.”

“What secret?” Dongliu stopped and asked.

call...

Hongxia breathed a sigh of relief, and then explained in detail what she had just known. At the end of the story, Hongxia’s eyes flickered: “Senior brother, you said that Ah Feng went to find Hua Yemeng

so late, what’s the secret?” Hearing this, Dongliu’s face remained calm, but he was secretly shocked and anxious in his heart. Ma De, it’s definitely not a good thing for a man and a woman, no, Hua Ye Meng is the goddess in my dream, and I can’t let that bastard take advantage of Ah Feng. Thinking to himself, Dongliu sneered: “There must be something shameful, otherwise, why don’t you see me during the day?” “I think so too.” Hongxia nodded again and again. The next second, Hongxia suddenly thought of something, and looked at Dong Liu with a half-smile, “Senior brother, if that kid is really dating Hua Yemeng, would you be jealous?” Dong Liu’s eyes flickered and denied: “Why am I jealous, don’t talk nonsense.” After speaking , Dong Liu’s eyes became

gloomy: "If it is what we guessed, this is a good opportunity, good junior sister, you can find a way to sneak into the sword pavilion and monitor their situation. I'm going to find Master." At this time, Dong Liu's eyes were full of viciousness.

Chapter 4309

Sword Sect is strictly disciplined, and there must be no personal relationships between men and women. Once discovered, they will be severely punished. If Hua Yemeng is really dating that kid and it is exposed, then both of them will fall into a doomed situation.

In the hands of Yue Feng, Dongliu suffered many losses and resentment in his heart. How could he let it go when he seized the opportunity?

"Okay!"

Hearing this arrangement, Hongxia nodded hurriedly, with a bit of admiration on her charming face: "It's still Senior Brother leaving, I've figured out a countermeasure so quickly, don't worry, I'll definitely check it out."

Said After finishing this, Hongxia put her feet up and kissed Dongliu's face lightly, and then quickly walked out.

...

this moment, the other side.

Perhaps it was because he was about to leave, Yue Feng was in a good mood, and his whole body was refreshed. After entering the Jiange, he quickly found the room where Hua Yemeng was resting.

Didn't sleep? Looks like it's time for me to come.

At this moment, Yue Feng stood outside the door and saw that the lights were still on in the room, and suddenly showed a smile.

"Master?"

Thinking to himself, Yue Feng shouted softly at first, but no one responded.

After waiting for another ten seconds, Yue Feng couldn't bear it any longer. He gently pushed the door, and found that the door was not locked, and the door was easily pushed open.

As expected of the deputy sect master of the Sword Sect, the art masters are bold and do not lock the door at night.

At this moment, Yue Feng muttered in his heart, and then walked in slowly.

I go!

However, the moment he entered, Yue Feng was stunned when he saw the scene inside.

I can see that this room is very elegantly furnished, and there is a seductive fragrance in the air. However, there is no one with the lamp lit by the bedside!

not there?

Yue Feng frowned, that's not right, in the middle of the night, where can Hua Ye Meng go?

In the next second, Yue Feng took a deep breath and called out carefully, "Master?"

Although Hua Yemeng and him made an agreement in private, the named disciple was fake, and the two parties did not have the name of master and disciple, but after all, this is the In the main altar of Sword Sect, Yue Feng decided to call her Master in order to show respect.

After all, without the help of Hua Yemeng, Yue Feng would not be able to stay in Jianzong safely.

However, after shouting a few times, no one responded!

Ugh!

Seeing this situation, Yue Feng was speechless and sighed secretly.

Will this dream of flowers and leaves be cultivated in the secret room?

Forget it, I will be leaving at dawn, so wait a little longer.

Thinking to himself, Yue Feng took courage, walked to a chair not far away, sat down, and then carefully looked at the room in front of him.

I have to say that although the room of this flower dream is not particularly luxurious, it is very elegantly arranged. Whether it is the bed or the chair Yue Feng is sitting on, it is all precious wood with exquisite patterns carved on it.

Um?

Looking around, Yue Feng's eyes fell on the bed, and he was stunned.

I saw that some fresh petals were sprinkled on the edge of the bed, and inside, there were some white underwear. And the degree of folds on the clothes is not difficult to judge, at this time, Hua Yemeng just wore it today.

What the hell!

Aware of this, Yue Feng's heartbeat suddenly accelerated, and his mind felt a little foggy.

If Hua Yemeng leaves, there will be no change of clothes on the bed.

Did she not go out? Did you judge yourself wrong?

Doubt in his heart, Yue Feng finally couldn't bear it any longer, got up and walked over, picking up those salacious clothes.

What the hell!

At that moment, Yue Feng could clearly feel that there was residual warmth on those few underwear. At that time, it was even more certain that Hua Ye Meng did not go out, but just changed clothes.

Realizing this, Yue Feng was very embarrassed and had to put down his underwear and go out.

Squeak!

However, at this time, I heard a soft sound coming from the direction of the room. Immediately afterwards, I saw the wall inside the bed, a hidden secret door slowly opened, and then a charming figure came out.

Seeing the figure that came out, Yue Feng was stunned and his mind was dizzy!

It is the dream of flowers and leaves!

At the moment of the dream of flowers and leaves, her hair was wet against her forehead, giving a different charming taste. Because her hair was not dry, she closed her eyes and wrapped a white scarf around her. The scarf was not very large, only barely covering the important parts.

What the hell!

Seeing this scene, Yue Feng was completely stunned, and only felt that his mind was buzzing and completely blank.

Chapter 4310

Beautiful, it's so beautiful.

Clear water comes out of hibiscus.

With emotion in his heart, Yue Feng also realized that he guessed wrong before, Hua Ye Meng did not go out at all, but went to take a bath!

At this time, Yue Feng could never have imagined that there was a dark room in Hua Yemeng's room, and that dark room was actually Hua Yemeng's bathroom and a training ground.

And Yue Feng broke in just in time when Hua Yemeng was bathing. It was a trick of fate.

Gudong!

For a time, Yue Feng was extremely shocked in his heart. At the same time, he looked up and down the dream of flowers and leaves, and seriously admired the beautiful scenery in front of him.

The figure of this flower dream is really superb, especially the half-covered state in front of him, any man will find it hard to extricate himself.

At this time, the dream of flowers and leaves has not opened his eyes.

Speaking of which, she has stayed in this room for so many years, and she knows every place in her chest. Even with her eyes closed, she can accurately avoid the obstacles in front of her!

She didn't know yet that there was one more person in the room.

Finally, Hua Ye Meng walked to the edge of the bed and slowly opened her eyes while wiping her hair.

Swish!

The moment she saw Yue Feng, Hua Ye Meng's body trembled and she was stunned.

"Ah!" After a few seconds, Hua Yemeng exclaimed!

Done!

This exclamation also brought Yue Feng back to reality, and suddenly woke up, feeling uneasy in his heart.

It's not clear now.

You must know that Hua Ye Meng is the deputy sect master of Sword Sect. He is usually aloof, detached, and a proper goddess level, but now that charming curve has been seen by himself, can you not be angry?

But then again, this figure is really superb! Tsk tsk ...

Thinking so in my heart, Yue Feng secretly swallowed his saliva and said to Hua Yemeng Anwei with a smile: "Deputy Sect Master Hua, don't get me wrong, I'm here so late to bid you farewell, I really I didn't know you were taking a bath..."

When he said this, Yue Feng was very depressed.

Nima, if I knew this earlier, I didn't come in rashly just now.

"Shut up!"

However, Hua Yemeng didn't believe it at all, her delicate face was full of blush and anger, and she shouted tenderly: "Yue Feng, you bastard, the rumors in the rivers and lakes over the years say that your superficial righteousness is thin, but the truth is But he is a despicable and shameless villain, I see nothing wrong."

"Don't say goodbye in a pretentious way. You can't say goodbye during the day? You have to sneak into my room in the middle of the night?"

"You clearly have bad intentions, like It's not a pity for a person like you to die a hundred times."

Om!

After saying this, Hua Yemeng directly pulled out the long sword next to her, and at the same time a very strong murderous aura burst out from her.

At this time, the dream of flowers and leaves was full of anger, and the deputy sect master of the sword sect, who was dignified and pure, was now seen by Yue Feng. If he didn't kill him, how would he see people in the future?

Whoosh!

Under the anger, Hua Yemeng did not hesitate at all, with a wave of her jade hand, the long sword turned into a shock, flying directly towards Yue Feng's heart.

At that time, Yue Feng didn't have time to think about it, and quickly stepped aside.

"Boom!"

In the next second, only a muffled sound was heard, and I saw the long sword nailed to Yue Feng's previous position. Half of the blade had not penetrated into the ground, showing the power of the sword just now.

What the hell!

At this moment, Yue Feng secretly rejoiced, fortunately, he reacted quickly and hid in time, otherwise, he would have been shot through by this long sword at this moment.

Seeing Yue Feng dodging the sword, Hua Yemeng was embarrassed and angry, but she calmed down at the time, and while Yue Feng was still in shock, she grabbed the long skirt next to her and quickly put it on her body.

Afterwards, Hua Yemeng's eyes locked on Yue Feng tightly, and the killing intent was even stronger.

For a while, the atmosphere became extremely tense.

"Vice Sect Master Hua!"

At this time, Yue Feng explained with a wry smile: "I really didn't mean it..."

"Stop talking nonsense, lead to death!"

However, Hua Ye Meng didn't give him a chance to explain at all, and he was tenderly drunk at that time. With a sound, the delicate body suddenly rose, and a palm hit Yue Feng.

Ugh!

Seeing Hua Yemeng coming, Yue Feng sighed and had no choice but to go up to meet him.

Bang bang bang...

In an instant, the two figures were in the room, shuttled back and forth, and the powerful breath that burst out caused the surrounding air to violently distort...
