Chapter 4481

As he spoke, Yue Feng helped Ren Yingying, greeted Mu Xixi and the two, ready to leave Fengyu Mountain.

“Haha...”

Seeing this situation, Demon King Zhu Sheng, who was sitting cross-legged to recover his magic power, laughed with mockery on his face, “Yue Feng, it seems that you still have self-knowledge.”

“However, even if you are now If you run away, you won’t be able to escape the pursuit of our demons.”

Yue Feng just pretended he didn’t hear these words, and pulled three Ren Yingying, ready to go down the mountain.

Buzz....

However, at this time, a powerful aura suddenly came from the sky not far away, and then, two figures came quickly.

The two figures, both wearing black armor, were surging with magic power, and their momentum was astonishing.

It is the Demon King of Qingming and the Demon King of Indifference among the Twelve Sacred Demon Kings.

The Demon King Qingming and the Demon King Wusheng were originally not in the Dongao Continent, but they did not detect Yue Feng’s traces in other continents. They passed through the Dongao Continent half a day ago and noticed the vision of the heaven and earth here, and knew that the Candle Saint Demon King was fighting with people. , and rushed over quickly.

Oops!

Seeing the two demon kings coming at the same time, both Yue Feng and Ren Yingying were all taken aback.

A demon king is so difficult, how can two demon kings win?

“Haha!”

Demon King Zhu Sheng was so excited, he couldn't help laughing, and locked Yue Feng tightly: "Yue Feng, I will say, you can't escape, accept your fate."

This chapter is provided by . Visit for daily update.

Yue Feng's face was gloomy, no respond.

Whizzing...

At this time, Demon King Qingming and Demon King Neisheng had already reached the sky above Fengyu Mountain. Seeing the scene in front of them, the two Demon Kings looked at each other and were shocked.

what's the situation?

I saw that Candle Saint Demon King was slumped on the ground, his face was pale, and he was recovering his magic power.

Not far away, a man and three women stood there, all with weak breath.

Because Yue Feng's face was full of imprints, for a while, neither the Demon King Qingming nor the Demon King Neisheng recognized him. This was the Yue Feng they were chasing.

"Sacred Candle!"

Finally, Demon King Qingming took the lead in reacting and asked Demon King Candle Sage, "What's the situation? Who is it..." You

must know that Demon King Zhu Sheng is very powerful, which is obvious to all. It was unbelievable that he could be beaten like this when he was in Kyushu.

However, before he could finish speaking, he was interrupted by Demon King Zhu Sheng, who pointed at Yue Feng and shouted: "Don't ask, hurry up, grab that kid, he is Yue Feng."

When he said this, Zhu Sheng In the eyes of the Demon King, he couldn't hide his grief and anger.

Ma De, even if he was seriously injured by Yue Feng, at this time, his embarrassed appearance was seen by his companions, which was really embarrassing.

What? !

That kid is Yue Feng? !

Hearing this, the Demon King Qingming and the Demon King Inanimate Life were shocked, and their eyes locked on Yue Feng.

“Let’s go!”

At this moment, Yue Feng did not hesitate at all, and shouted at Ren Yingying three: “Let’s go.” While shouting, he took the lead in pulling Ren Yingying and Song Qian, and rushed down the mountain.

After all, Ren Yingying was seriously injured and Song Qian was weak.

“run?”

Seeing this scene, Demon King Qingming and Demon King Neisheng glanced at each other, and then shouted in unison, the figure erupted, and they quickly chased after them.

Yue Feng took two people and couldn’t run fast at all, and was caught up by two demon kings in a blink of an eye.

“Yue Feng!”

At this time, Demon King Qingming stopped in front of him and said coldly to Yue Feng, “Don’t waste your energy, just follow us.”

His tone was cold and unquestionable.

The voice fell, and the King Sacred Demon King who stopped the back road followed, and said: “Boy, I really can’t see that you are really reborn, and you can still defeat the Sacred Candle Demon King, but you can’t run away today.”

Hearing this , Yue Feng did not respond, but he was very anxious.

Nima, what should I do now?

Buzz....

At this moment, there was another wave of breath in the sky not far away, and then, a golden light flickered, and a figure, leading nearly a hundred divine soldiers, appeared above Fengyu Mountain.

I saw that this figure was wearing a moon-white long-distance running, exuding an elegant atmosphere and a graceful demeanor.

It was the Holy Monarch Mingyue who was sent to Kyushu by the Nine Heavens God.

Like the two demon kings of Qingming, Mingyue Shengjun came to Kyushu and passed through Dongao Continent. He noticed the phenomenon of heaven and earth here, and came to check the situation.

Mad!

Seeing the Holy Monarch Mingyue, the two demon kings of Qingming, their faces became gloomy.

What kind of fun is this God's Domain coming to join in?

Chapter 4482

Call!

At the same time, Yue Feng also frowned secretly.

What's the situation? The demons have come to the Twelve Holy Demon Kings, and now the Divine Realm has also sent the Mingyue Holy Monarch and the Divine Soldiers and Generals.

Are both parties coming for themselves?

Swish swish...

Just when Yue Feng was thinking about it secretly, he saw that the Holy Monarch Mingyue had landed on the top of Fengyu Mountain with those divine soldiers.

"Haha!"

At this moment, Mingyue Shengjun looked around the audience with a sneer on the corner of his mouth: "It's really lively, I didn't expect that three of the twelve famous demon kings of the demon race would come at once." As

he said, Mingyue said The sage first looked at Yue Feng and the others, and finally his eyes fell on the candle saint devil, and he was secretly surprised. This Candle Saint Demon King is so powerful that he was actually injured.

Who is so big?

Could it be the boy with the red mark on his face?

Like the previous Ren Yingying, because of the mark on Yue Feng's face, the Holy Monarch Mingyue did not see who it was. "Holy Monarch

Mingyue?"

At this moment, the Demon King Candle Sage, who was sitting cross-legged on the ground, couldn't help shouting angrily: "It's none of your business here, and the shrimp soldiers and crabs with you will hurry."

, makes the devil of the candle saint very unhappy, and more importantly, he is about to catch Yue Feng, and there must be no mistakes.

Swish!

As soon as the voice fell, the Demon King Qingming and the Demon King Indiscriminately locked onto the Holy Monarch Mingyue, with a strong hostility on their faces.

"Ha ha!"

In the face of this situation, Mingyue Shengjun chuckled lightly and said lightly: "It's really interesting, why can't I come where your demons can come? Don't forget, in the previous battles, your demons lost very much. Thoroughly, how can a defeated general speak bravely?"

When he said this, Mingyue Shengjun's face was full of ridicule.

To be honest, if it was before, the Holy Monarch Mingyue would not dare to be so presumptuous. You must know that the strength of the three demon kings present is very terrifying.

But the Demon King Candle Saint has already been injured, and the boy with the imprint on his face seems unfathomable in strength. In addition, the situation in front of him is a little chaotic, and the Holy Monarch Mingyue is not worried at all.

After all, what Saint Monarch Mingyue is best at is fishing in troubled waters.

Phew...

Seeing the scene in front of him, Yue Feng exhaled secretly, turned around and looked at Ren Yingying, feeling a little inexplicably excited.

This is interesting, it looks like this, the two sides are going to fight.

Yue Feng has already thought about it, if the Mingyue Shengjun and the demons fight, he will take the opportunity to take Ren Yingying and the others away.

Ren Yingying Bingxue is smart, just like Yue Feng thought, she was nervous at first, but she also relaxed a lot at this time, while watching the situation in front of her.

Mad!

At this moment, in the face of the mockery of Holy Monarch Mingyue, the hot-tempered Candle Holy Demon King couldn't bear it any longer, and scolded: "Holy Monarch Mingyue, what are you? When our demons attacked Yutian Palace before, we didn't see you coming out to fight, At that time, if you hadn't relied on the innate magic array deployed by the old things of the Great Desolation, would your Divine Realm win?"

"Now the one who is showing off his might in front of Lao Tzu is a complete villain, hurry up and don't wait for Lao Tzu to do it."

When the words fell, the Demon King Qingming couldn't bear it any longer. He took a step forward and stared at the Holy Monarch Mingyue. In any case, if you are a little acquainted, take your subordinates and leave." As he

spoke, the Qingming Demon King couldn't help but glance at Yue Feng.

To be honest, Demon King Qingming really wanted to teach Mingyue Saint Monarch a lesson, but catching Yue Feng was the most important thing, so he held back.

Yue Feng?

Hearing this, Mingyue Shengjun was stunned, and was a little confused at the time.

What are the demons doing to catch Yue Feng with great fanfare?

Is it related to the prophecy of the Holy Spirit Stone?

And... where is Yue Feng?

Muttering in my heart, Saint Monarch Mingyue subconsciously looked at Yue Feng. After careful observation, he was very shocked.

Is this kid Yue Feng?

It's just... how did he become like this? The blood lotus imprint on his face is really eye-catching. If you don't look carefully, you can't really recognize it.

Doubt in his heart, Mingyue Shengjun asked Qingming Demon King: "What are you doing with Yue Feng? Is it related to the prophecy of Shengtian Lingshi?"

Chapter 4483

was sent by the Nine Heavens God before, because the Holy Heaven Spirit Stone was opened by the Demon Venerable. At this time, a little bit of eyes were found, and the Holy Monarch Mingyue would naturally not take it lightly.

"Does it have anything to do with you?"

At this time, Demon King Qingming was completely impatient, his face was extremely cold, and he said coldly: "You can't go, we're welcome if you don't go."

Haha!

Looking at the reaction of the Qingming Demon King, Mingyue Shengjun was even more sure of his guess. These three demon kings are here to catch Yue Feng, which is inseparable from the prediction of the Holy Spirit Stone. A demon king has already started, how could he waste his time?

Thinking to himself, the Holy Monarch Mingyue looked at Yue Feng and said word by word, "Yue Feng, follow me back to the God's Domain. Your Majesty wants to see you."

If Yue Feng is related to the prediction of the Holy Spirit Stone, he must not be let down. In the hands of the demons.

I go!

Hearing the words of the Mingyue Shengjun, Yue Feng was dumbfounded.

I was waiting for you to fight, why did you turn the topic to me again?

Also, what is the Holy Spirit Stone, what is going on?

Thinking about it, Yue Feng was about to respond.

"Looking for death!"

However, at this time, the silent Demon King couldn't bear it any longer, and shouted angrily at the Holy Monarch Mingyue: "Yue Feng made the people our demons want, you have to insert one sideways. Damn, have you thought about the consequences?"

Om!

The voice fell, the Demon King of Indistinctness erupted with the power of the demon soul, the surrounding air suddenly distorted, and the mighty aura filled the sky and the earth.

Feeling the powerful aura, whether it was the Mingyue Saint Monarch or the divine soldiers behind him, their expressions changed slightly, and they felt jealous.

At this time, the Demon King Qingming was also full of anger, looking at the Holy Monarch Mingyue: "I think you can't shed tears without seeing the coffin." He also saw that the Holy Monarch Mingyue was deliberately making trouble.

"Haha!"

Mingyue Shengjun showed a smile and responded lightly: "You are the ones who are over your own strength. In the past few wars, your demons have been defeated, and you dare to clamor?"

"Also, Yue Feng is the Nine Heavens of our God's Domain. Xuansheng, why are you going with you?"

When he shouted this, Mingyue Shengjun was a little nervous, after all, the three demon kings were all there, and he really was no opponent at all.

However, Saint Monarch Mingyue is quick-witted and has already thought of countermeasures.

Haha...

Seeing this scene, Yue Feng was inexplicably excited.

Yes, that's it, fight, fight now...

Made!

In the face of the clamor of the Mingyue Sage, the Qingming Demon King was completely gone. At that time, with a loud shout, the figure rose into the sky and came straight to the Mingyue Sage.

"Get rid of this unknowable thing." At the same time, the Demon King of Insanity also motivated the power of the demon soul, and followed closely behind, preparing to join forces with the Demon King Qingming to kill the Holy Monarch Mingyue.

Phew...

Watching the two demon kings erupt at the same time, the Holy Monarch Mingyue couldn't hide the panic on his face.

But he figured out how to deal with it, so he quickly calmed down. At that time, he raised his finger and pointed at the Candle Saint Demon King and shouted: "All the soldiers obey the order and deal with the Candle Saint Demon King together, and destroy his body first."

The Holy Monarch Mingyue could see that the Demon Lord of Candle Saint was seriously injured. As long as he dealt with him with all his strength, the other two Demon Lords would definitely be in chaos.

"Yes, Holy Monarch!" The

voice fell, and more than a hundred divine soldiers burst into divine power, rushing towards the Candle Saint Demon King like a tide.

“Ma De, it’s really despicable.” Candle Saint Demon King sat cross-legged, very weak, and had no strength to fight again. At this time, seeing the Mingyue Holy Monarch asking his subordinates to deal with him, he scolded angrily.

brush!

At the same time, the Demon King Qingming and the Demon King Indistinct also changed their expressions, shocked and angry.

They did not expect that the Mingyue Shengjun would be in danger, and instead of dealing with the two of them, he would attack the candle holy devil.

Frightened, the two demon kings didn’t have time to think about it, and hurried back to rescue the candle saint demon king.

This...

Seeing this scene, Yue Feng frowned secretly, looked at Mingyue Shengjun, secretly admiring, this Mingyue Shengjun is not particularly strong, his mind is very fast, this move is very good.

At the same time, Ren Yingying couldn’t help but say: “This Mingyue Saint Monarch is not easy, he is a difficult opponent.”

Bang Bang Bang...

In the blink of an eye, the Demon King of Qingming and the Demon King of Indifference rushed over, Fight with those gods.

Chapter 4484

“Let’s go!”

At this moment, Yue Feng did not hesitate at all, and hurriedly greeted Ren Yingying to leave.

Whoosh!

However, at this moment, I saw Sage Monarch Mingyue’s face full of evil smiles, and his figure erupted, coming straight towards Yue Feng.

“Your Excellency Yue Feng, where are you going?”

Mingyue Shengjun was very fast, and he arrived in front of him in the blink of an eye, and said with a smile that was not a smile: "Your Majesty has a call, come with me." He directly clasped Yue Feng's wrist.

Yes, Mingyue Shengjun's move just now is not to deal with the three demon kings. The ultimate goal is to catch Yue Feng.

Nima!

At this moment, Yue Feng didn't have time to dodge at all, he only felt his arm go numb, and he couldn't even try.

To be honest, with the strength of the Holy Monarch Mingyue, it is difficult to catch Yue Feng so easily, but Yue Feng used 'Fire Lotus Purify the World' before, and his state was very weak, so he gave the Holy Monarch Mingyue a chance.

Whoosh!

After controlling Yue Feng, the Holy Monarch Mingyue did not hesitate in the slightest. With Yue Feng, his divine power exploded directly towards the distant sky.

"Yue Feng!"

"Brother-in-law...!"

All this happened too fast, almost in a flash, when Ren Yingying and Mu Xixi reacted, the figures of Mingyue Shengjun and Yue Feng had disappeared in the skyrim. At that time, the three women were all anxious and unable to do anything.

"The Holy Monarch is gone!"

"Withdraw..."

Seeing this, the magic soldiers who were besieging the two demon kings shouted, and then retreated into the distance, walking cleanly in the blink of an eye.

Mad!

At this moment, the Candle Saint Demon King couldn't tell the fire, and the dignified Twelve Saint Demon Kings were invincible, but just now, the Mingyue Saint King actually let Yue Feng take away under the nose, this matter spread out, save face Where to put it?

Most importantly, how do I go back to Zun Shang?

boom!

At the same time, Demon King Qingming was also very annoyed, and smashed a big stone in front of him with a ruthless punch.

“You look at these people, I’ll go after them.” The Demon King of Insanity said coldly, urging his figure and chasing towards the place where the Holy Monarch Mingyue fled.

Watching the Demon King of Indifference leave, the Demon King Qingming was still annoyed.

The next second, Demon King Qingming looked back at Demon Lord Candle Sage and complained angrily, “Sacred Candle, what’s the matter with you? How could you be so seriously injured?”

If he hadn’t taken care of his safety just now, Yue Feng would Will not be captured by the Holy Monarch Mingyue.

“You think I think so.”

The Demon King Zhusheng looked helpless and aggrieved: “Yue Feng, I don’t know how to be reborn, his strength is much stronger than before, and I was too underestimated by the enemy, so I was injured by him. “

Forget it!”

Hearing this, the Demon King Qingming didn’t bother to care about it, and was so annoyed: “What should I do now? If I can’t catch up with the Holy Monarch Mingyue, how will we go back and explain to the Lord?”

Huo !

The Demon King of Candle Saint blinked, and suddenly locked on the three of Ren Yingying: “They are all relatives of Yue Feng, and we caught them together, so we won’t come back empty-handed!”

Hearing this proposal, Demon King Qingming nodded.

It can only be so now.

Thinking in my mind, the figure of the Demon King Qingming flashed and went directly to Ren Yingying and the three of them, and said coldly: “Yue Feng was taken away by the Divine Realm, so you can come with me. It’s up to you what your honor will do with you. good fortune.”

Shuh!

Faced with this situation, Ren Yingying, Mu Xixi and Song Qian were all startled and panicked.

“You two go quickly.” In the

next second, Ren Yingying bit her lip and said to Mu Xixi, “I’ll block him.” It is better to be caught alone than all three.

hum!

As soon as the voice fell, Ren Yingying urged the power of the devil’s soul to hit the Qingming Devil with a palm.

Just now, when Yue Feng and Candle Saint Demon King were fighting fiercely, Ren Yingying had been recovering her strength. At this time, she had almost recovered. When she saw this palm hit, the surrounding air was torn apart, which was amazing.

Um?

Demon King Qingming never expected that Ren Yingying dared to take the initiative to attack under such circumstances.

This woman actually has a demon soul?

Chapter 4485

“Qingming!”

Seeing the situation here, the Demon King of Candle Saint couldn’t help shouting: “Be careful, this woman is not simple, she is the descendant of Chiyou, the descendant of our Demon Race.

”

Knowing the situation, the Demon King Qingming became solemn, and looked at Ren Yingying with great interest: “Descendants of the demon race? You even colluded with the enemy and caught you back to see your honor, you can also make a contribution.”
The

voice fell, and the power of the Qingming Demon King exploded. Fight with Ren Yingying.

Although Ren Yingying has a demon soul, but in terms of background, where is it comparable to the Demon King of Qingming? In less than two rounds, he was restricted everywhere and lost in a row.

“Let’s go together!”

Seeing this, Mu Xixi and Song Qian looked at each other and rushed to help.

Just before he rushed up, he was stopped by Ren Yingying: “Don’t come here, go, hurry up.” This Qingming Demon King is so powerful that even if the three of them join forces, they can’t beat him.

“No.”

Mu Xixi shook her head: “We can’t go, what do you do when we leave?”

Ren Yingying became anxious and shouted, “Listen to me, I have a demon soul, they won’t treat me like that. Like this, if we are all caught, it will be troublesome.”

Phew!

Hearing this, Mu Xixi bit her lip so hard that she was about to bleed, but finally gave in and shouted at Song Qian, “Let’s go!” After the

voice fell, Mu Xixi grabbed Song Qian and quickly moved towards the distance. fly away.

Ren Yingying said it well, all three of them stay, and they will all be arrested.

“Want to go?”

Seeing this situation, Demon King Qingming was full of anger, so he wanted to go up to stop him, but he was entangled by Ren Yingying and couldn’t separate at all.

At this moment, the Qingming Demon King was very angry, raised his hand and shook Ren Yingying back, took advantage of her unsteady standing and rushed over quickly, sealing Ren Yingying’s acupuncture point.

In an instant, Ren Yingying’s delicate body trembled and she couldn’t move.

“You want to be a hero, don’t you?”

At this time, the demon king of Qingming looked at Ren Yingying gloomily: “Then I will do what you want. When I see your honor, it is up to you to live or die.”

Ren Yingying bit her lip tightly, but didn’t respond, and there was no wavering on her face.

But there is some despair in my heart.

If he was really taken to see the Demon Lord Gone, he would definitely be miserable. But I don't regret it, at least I saved Mu Xixi and Song Qian.

.....

On the other side, the Holy Monarch Mingyue took Yue Feng, and after getting rid of the Demon King of Indifference, after another hour, he finally returned to the realm of the gods.

"Yue Feng!"

When he was about to arrive at Yutian Palace, Sage Mingyue showed a slight smile: "I ask you, why did the demons arrest you, and what does it have to do with the prophecy of the innate spirit stone?"

Alas!

Yue Feng sighed and was very depressed: "Your Excellency Shengjun, I don't even know what you are talking about. What is the Holy Spirit Stone? What is it for?"

At this time, Yue Feng was very speechless, Nima, Demon Race And God's Domain, they are talking about the Holy Spirit Stone, but I really don't know it at all.

"Ha ha!"

Hearing the answer, Mingyue Shengjun looked incredulous, and said coldly: "You don't pretend to be confused in front of me, if you are honest, and when you see your majesty, I can help you with a few good words, if you don't say a word. Say, when you arrive at the Yutian Palace, you can fend for yourself."

The Holy Monarch Mingyue at this time believed that Yue Feng was related to the innate spirit stone, otherwise, the demons would not go to Kyushu to catch Yue Feng with great fanfare.

This Holy Monarch Mingyue is ill.

At this moment, Yue Feng was speechless and simply stopped talking.

Seeing this situation, Mingyue Shengjun was very angry, and he stopped asking questions at that time, and quickly rushed to Yutian Palace with Yue Feng.

At this moment, in the Imperial Palace.

Nine Heavens God sat there with a gloomy expression on his face.

The priests below stood there one by one, not daring to let out the air.

The entire Yutian Palace was filled with a depressing atmosphere.

Half a day ago, Yaotai's spiritual realm suddenly collapsed, leaving only the body of the ancestors of the Great Wilderness, the primordial spirit disappeared, and the entire divine realm was in chaos. Jiutian God learned of the situation, and immediately sent Haotian Shenjun to investigate the situation.

Not only that, but after Empress Nuwa knew about the situation, she also went to investigate.

By this time, two hours had passed, but Empress Nuwa and Haotian Divine Sovereign had not sent back any news. Under such circumstances, Jiutian God was almost restless, but also inexplicably restless and annoyed.

You must know that the ancestor of the Great Desolation is the spiritual pillar of the God Realm. If something happens to him, the entire God Realm will fall into a state of doom.

The ultimate husband in Chinese chapter 4486-4490

Chapter 4486

"Your Majesty!" At this moment

, Sage Mingyue walked in quickly with Yue Feng, and said respectfully: "Weichen come back and return to his life."

As he said, Sage Mingyue threw Yue Feng on the ground. The Yue Feng, who was fastened by divine power, could not move at all, and was very embarrassed.

Swish!

At what time, all the eyes of Yutian Palace were focused on Yue Feng.

Whether it is the Nine Heavens God or those priests, they are all a little surprised. Who is this person with the imprint on his face?

"Holy Monarch Mingyue."

Soon, Nine Heavens God reacted and asked with a frown, "I asked you to go to Kyushu to investigate, you have already checked it out? Also, who is this person?"

Because of the bloody mark on Yue Feng's face, The Nine Heavens God and the priests did not recognize them for a while.

"Avoid." The

Holy Monarch Mingyue responded with a respectful face, "He is Yue Feng. Wei Chen found out that Yue Feng was killed by the demons before, but he was reborn again, which is why he became this last picture."

Immediately afterwards, the Holy Monarch Mingyue continued: "Also, the demons sent the twelve holy devil kings to Kyushu

. The situation, as well as his own guesses, were explained in detail.

What?

For a time, the entire Yutian Palace was in an uproar.

This chapter is provided by . Visit for daily update.

Yue Feng was reborn after his death? Also, is he related to the Innate Spirit Stone?

"Yue Feng, I ask you!"

At this time, the Nine Heavens God took a deep breath, looked at Yue Feng quietly, and asked, "What happened to the congenital spirit stone? Also, how much do you know about the disappearance of my master Yuanshen?"

"At that time, the anger and anxiety in the eyes of the Nine Heavens God could not be concealed.

Before Nuwa finished talking about the situation of the innate spirit stone, the ancestors of Honghuang had an accident in the Yaotai spirit realm. Then, the demons sent the twelve holy demon kings to go to Kyushu to catch Yuefeng...

Obviously, these three There must be a connection between them.

What the hell!

Hearing the question, Yue Feng was very depressed and smiled bitterly: "Your Majesty...I really don't know.." "I do

n't know?"

With great fanfare, Jiuzhou arrested you, but you don't even know anything? Do you think I'm so easy to deceive?"

After speaking, Jiutian God finally couldn't help it and shouted angrily: "Come on, call me." The

voice fell, the Holy Monarch Mingyue He stepped forward and drew a whip from his body.

“Yue Feng!”

At this time, the Mingyue Saint Monarch had a playful look on his face: “It’s all this time, you still don’t want to say it. Do you know what this is? If you hit the whip on your body, your soul will suffer endlessly. Torture. If you don’t want to taste it, just say it.”

Nima!

Hearing this, Yue Feng’s heart trembled, panicked and depressed: “I don’t know anything, what did I say?” After speaking, he looked at the whip.

If this is pumped a few times, it will not peel off a layer of skin.

But I really don’t know anything.

“Row!”

Hearing the answer, Sage Mingyue’s eyes were cold: “Isn’t it stubborn? Let’s see how hard you are...”

“Crack!” The

voice fell, and the whip in the hand of Sage Mingyue was severely beaten on Yue Feng’s body.

Just for a moment, Yue Feng shuddered all over, and then he took a breath of cold air, only to feel an indescribable pain coming from the depths of his soul, and he almost fainted.

Under the pain, Yue Feng wanted to struggle, but he couldn’t move.

Seeing this situation, Jiutian God’s face was gloomy and said coldly: “Yue Feng, you’d better explain quickly, my master treats you well, when I named you as Jiutian Xuansheng, now the master’s Yuanshen is missing, it is precisely When you did your best, you didn’t say a word, is it worthy of your master’s cultivation?”

“Your Majesty, I...”

At this time, Yue Feng was very depressed, gritted his teeth and said, “I really don’t know anything. “

Ma De, if he really knew about the innate spirit stone, he would have said it long ago, can he wait until now?

“Good! Good!”

Jiutian God was furious, pointing at Yue Feng and shouting angrily: “Up to now, you still pretend to be confused, hit me, hit me hard, hit me until he is willing to say it.” The

voice fell, Mingyue The Holy Monarch waved the Spirit Whip again.

Snapped! Snapped! Snapped!

A burst of slaps sounded, and the surrounding priests were shocked.

Chapter 4487

You must know that Daling Whip has the ability to pierce the soul, and none of the priests present can hold a few whips.

And Yue Feng, who was in front of him, had already suffered dozens of whips at this time.

They didn't know that Yue Feng was reborn through the red lotus of the law, and he was already the body of a mysterious sage. The whipping of the spirit can only bring him pain in the soul, but it can't cause any real damage at all, but even so, the severe pain, It's not something that ordinary people can afford.

The whip came up and down, Yue Feng gritted his teeth and didn't cry out, but the pain of the torture of the soul still made his eyes turn black, and he almost fainted.

At the same time, Yue Feng was extremely annoyed.

Nima, these nine days of God appear to be fair, but in fact, he is extremely stupid. He clearly knows nothing, but he uses capital punishment, which is clearly a trick.

“Okay!” The

Nine Heavens God sat there, seeing that Yue Feng fainted immediately, he raised his hand: “Stop first.”

“Yes, Your Majesty!” Holy Monarch Mingyue responded quickly and put away the fight. Spirit whip.

“Yue Feng!”

At this time, the God of Nine Heavens stood up slowly and looked at Yue Feng closely: “I will ask you again, whether you will say it or not, what is the relationship between you and the innate spirit stone prophecy?”

call!

Yue Feng took a deep breath. At this moment, he only felt pain all over his body, especially under the severe pain in his soul, he didn't even have the strength to speak.

The next second, Yue Feng met Jiutian God's gaze: "I...don't know anything."

Bang!

Jiutian God was completely furious, and slapped the armrest of the throne fiercely. He was so angry: "It seems that you are determined to go against me, Holy Monarch Mingyue, and destroy his primordial spirit."

Nima!

Hearing this, Yue Feng's heart trembled and he was furious.

God is really ruthless these nine days. I haven't figured it out yet, and I'm going to destroy my primordial spirit. What kind of interrogation is this? Clearly it is to find fault.

Yue Feng's guess was correct. Jiutian God was just avenging private revenge. When the ancestor of Honghuang named Yue Feng as Jiutian Xuansheng, his status was second only to Jiutian God, which made Jiutian God very unhappy.

Later, due to the situation, Jiutian God had to let Princess Dongling marry Yue Feng, and the resentment in his heart deepened a lot.

Nine Heavens God has made a plan. This time, regardless of whether Yue Feng has anything to do with the innate spirit stone's prophecy, he will also use this reason to get rid of him completely.

"Yue Feng!"

At this time, receiving the order of the Nine Heavens God, the Holy Monarch Mingyue walked over step by step with a gloomy expression on his face.

When he came to the front, Mingyue Shengjun looked at Yue Feng and said coldly: "You are so uncooperative and you have angered Your Majesty. I can't do anything about it. You accept my fate." The

voice fell, and a powerful breath broke out from Mingyue Shengjun. come out.

The next second, Sage Monarch Mingyue suddenly raised his hand and slapped Yue Feng's Primordial Spirit with his palm. At that time, Yue Feng was in despair and simply closed his eyes.

hum!

However, at this moment, an extremely strong force burst out from Yue Feng's body, forming a dazzling red light, and then the light circulated, forming a blood-colored lotus flower around Yue Feng's body. The palm slammed into the lotus and made a roar.

The Holy Monarch Mingyue only felt a terrifying force coming, and he snorted and was directly shaken back.

After taking a full ten steps back, the Mingyue Saint Monarch stabilized his figure, his face was pale, and his eyes were full of surprise. Looking at Yue Feng, his face was full of disbelief.

powerful!

This Yue Feng body... unexpectedly possesses such a formidable power.

Whoa!

At the same time, there was an uproar in the entire Yutian Palace, whether it was the Nine Heavens God or the surrounding priests, they were all shocked.

This Yue Feng has suffered dozens of whiplashes, how can he still have such a strong defense?

At the same time of shock, all eyes were locked on the lotus flower that enveloped Yue Feng, unable to calm down for a long time.

"Red Lotus of Faye?"

Finally, the Nine Heavens God recovered and couldn't help but mutter to himself: "This kid has been reborn with the help of the Red Lotus of Faye, no wonder.

"At a glance, it can be seen that the lotus condensed around Yue Feng's body is the treasure of the gods, the red lotus of the law that only takes thousands of years to form.

Chapter 4488

"It's interesting."

At this time, Jiutian God sneered and said to Yue Feng: "I didn't expect you to be lucky enough to be reborn through the red lotus of the law, but you are selfish and don't care about the safety of your master. If you refuse to cooperate with me, I will not spare you lightly." After

speaking, the Nine Heavens God said to the Holy Monarch Mingyue: "Put him in the Heavenly Prison, and then deal with him when the whereabouts of the Master Yuanshen are found out. "

Yes, Your Majesty!"

Hearing the order, the Holy Monarch Mingyue strode forward, commanding a few divine soldiers to get Yue Feng out of the Imperial Palace and put him in the Heavenly Prison.

At this moment, the entire Yutian Palace was silent, and all the priests present were indifferent, and none of them expressed sympathy for what happened to Yue Feng.

After all, Yue Feng was not a member of the God Realm, but from the Kyushu Continent. Before, the ancestors of the Great Wilderness made an exception and named him the Nine Heavens Profound Sage. His status is above these priests, which has made them very uncomfortable. When Yue Feng came to a tragic end, everyone felt extremely happy.

At this moment. in jail.

Like a dead dog, Yue Feng was thrown into the cell, and his heart was filled with fire and despair.

Nima, this innocent disaster is really unfair.

By the way, I don't know what happened to Yingying and Song Qian after I was taken away

... On the

other side, Feng Moshan.

At this time, the Demon Sealing Mountain has been hollowed out, and the Demon Race has built an incomparably majestic black palace inside.

A few wars with God's Domain before, the Demon Race ended in a fiasco, and in order to recuperate, Demon Lord Gone used the Demon Sealing Mountain as a secret habitat.

At this time, in the black palace.

The Demon Lord Gone was sitting on the throne, holding the Soul Requiring Magic Stone in his hand, and his expression was extremely relaxed.

Haha....

The primordial spirit of the ancestors of Honghuang is gone, and there is only one flesh left. At this time, the Yutian Palace is already in a mess.

As long as Yue Feng is caught again and this hidden danger is removed, the demons will have no worries.

Whoosh!

At this moment, a slender figure quickly entered the palace, with a hot and sexy figure, it was Mo Yan.

“Your Highness!” When she got to the front, Mo Yan gave a respectful salute, with a hint of shame and fear on her delicate and beautiful face.

“Moyan!”

Seeing Moyan’s return, Gone showed a smile: “You’re back so soon? Have you caught Yue Feng?”

Moyan bit her lip lightly, bowed her head and said, “My subordinates have checked the whole thing. In the Southern Cloud Continent, there is no whereabouts of Yue Feng, but the subordinates have completely controlled the Southern Cloud Imperial Family.”

While saying this, Mo Yan knelt there, her delicate body trembling faintly.

You must know that the demons have always been disciplined. If they fail to complete their tasks, they will be severely punished, but Moyan can’t do anything about it, because in the past two days, Moyan has almost searched the entire Nanyun Continent through the power of the Nanyun Royal Family. , and no gain.

could not find it?

Hearing this, Demon Lord Gone’s face sank.

For a time, the anger of the entire palace was indescribably suppressed.

“Okay!” In the

next second, the Demon Lord Gone took a deep breath, showed a smile, and comforted Mo Yan: “If you didn’t find Yue Feng, don’t blame yourself, if you can control the Nanyun royal family, that’s fine. Not bad.”

Saying that, the Demon Lord Gone waved his hand: “Go, go back to Kyushu, continue to stay in the Nagumo Imperial Family, and lay a solid foundation for our Demon Race to control Kyushu in the future.”

Among the twelve holy devil kings, Gone Yan is the most important, although Moyan did not do well in this task, but she did not blame it.

After all, it is not a wise choice to punish the subordinates of the demon race at this time.

call!

Hearing this, Mo Yan was very happy, and quickly nodded: "Don't worry, your honor, I will definitely live up to the expectations."

After saying that, Mo Yan bowed again and quickly left the palace.

"Your Highness!" As soon as the

front foot left, several figures walked in. It was the Demon Lord Candle Saint, the Demon Lord Qingming, the Demon Lord Inanimate Life, and Ren Yingying.

At this time, the Demon King Zhu Sheng, because the power of the demon soul has not fully recovered, his face is still a little pale.

Ren Yingying's acupoints were sealed, and she couldn't move, her delicate face was full of decadence.

Um?

Seeing that the three demon kings came back together and did not bring back Yue Feng, Demon Zun Gone realized something, and his face instantly turned gloomy: "Zhusheng, Qingming, and Shengsheng, why did the three of you come back together? Yue Feng's whereabouts Woolen cloth?"

Chapter 4489

Poof!

As soon as the words fell, the three demon kings of Candle Saint all looked ashamed and knelt down almost at the same time.

In the next second, the Demon King Candle Sage said very terrified: "Your Highness, this subordinate is incompetent. At that time, Yue Feng was almost caught in Dongao Continent. Who knew that the Holy Monarch Mingyue of the Divine Realm suddenly appeared and finally robbed Yue Feng. "

At this time, the Demon King Zhusheng was very uneasy. After the Holy Monarch Mingyue captured Yue Feng, the Demon King Wusheng chased him all the way, but in the end, he lost it.

Afterwards, the three Demon Kings converged, and after deliberation, they decided to return to the Demon Sealing Mountain and explain the situation to Gone.

What?

Hearing this, Demon Lord Gone's face changed, and he was annoyed when he said no, and shouted angrily: "Trash, what are you all doing? Three demon kings, can't even catch a Yue Feng?"

Gone was originally in a good mood, knowing these situations at this time, it was extremely bad in an instant.

"Respect your anger."

Feeling Gone's anger, Demon King Qingming wiped the cold sweat on his forehead, and said tremblingly: "The situation was like this at the time, that Yue Feng relied on the power of the Faye Red Lotus to severely damage Zhu Sheng, and later I arrived with Neisheng, and we were sure to win, how could I know that the Holy Monarch Mingyue suddenly appeared with a divine weapon..."

In the next few minutes, the Demon King Qingming explained the situation in detail at that time.

At the end, Demon King Qingming was ashamed: "Your Highness, the three of us are not doing well, please punish the Demon Lord."

The Demon King of Indifference next to him did not speak, but his face was full of nervousness.

Ugh!

Knowing the situation, Demon Lord Gone sighed deeply and said lightly: "Forget it, you have done your best, maybe this is God's will."

When he said this, Gone was very helpless, and he didn't plan to punish the three Qing Ming.

After all, it was already a fact that Yue Feng was captured by God's Domain, and it would be meaningless to punish his subordinates.

What the hell is this demon doing?

Seeing the situation in front of her, Ren Yingying frowned.

Why did they have to catch Yue Feng?

“Your Highness!”

At this moment, Demon King Qingming stepped forward and said cautiously: “Yue Feng falls into the hands of God Domain, which is not good for us. It would be even worse if Nine Heavens God knew the prophecy of the Innate Spirit Stone.”

Demon Lord Gone thought for a while, and said angrily: “What can you do?”

Demon King Qingming thought for a while, and his eyes fell on the soul-requiring magic stone in Gone’s hand: “I thought about one, I don’t know if it is feasible or not. “

Speak!” Demon Lord Gone’s eyes flashed and he said coldly.

The Demon King Qingming took a deep breath and said slowly: “It’s very simple, let’s use the primordial spirit of our ancestors to exchange for Yue Feng, of course, we can’t really exchange, but create a fake in the soul-suppressing magic stone. The image of the gods made the gods mistakenly think that the primordial spirit of the ancestors of the prehistoric was inside.”

“In this way, the primordial spirit and Yue Feng of the ancestors of the prehistoric are in our hands, so that we can benefit the invincible position.”

“It’s just that the soul-suppressing magic stone is the treasure of our demon clan. It is a bit of a loss to exchange it with Yue Feng.”

When he said this, the Demon King Qingming looked apprehensive.

You must know that the soul-suppressing magic stone is one of the major instruments in Gone’s hands. He has followed Gone for nearly ten thousand years.

call!

However, after listening to these words, the Demon Lord Gone did not get angry, but pondered and said with a smile: “Okay, this method is not bad. Use a fake primordial spirit of the ancient ancestor to replace Yue Feng, our Demon Race. No compensation.”

“As for this soul-suppressing magic stone, although there are ten treasures, it is nothing compared to the future of our demon race.”

After speaking, the Demon Lord Gone ordered Qingming: “Just If you do this, you immediately send your subordinates to the Yutian Palace to negotiate with the Nine Heavens God.”

“Yes, Your Honor!” The

Demon King Qingming responded quickly, turned and walked out of the palace to prepare.

At this moment, Ren Yingying, who was quietly observing beside her, trembled faintly and was shocked.

The demons actually captured the primordial spirit of the ancient ancestors?

It was horrible.

Speaking of which, this is the first time Ren Yingying has come to God's Domain. Even the Nine Heavens God is his disciple.

Chapter 4490

At this time, the primordial spirit of the ancient ancestors was in the hands of Demon Venerable, how could Ren Yingying not be shocked?

"Candle Saint, Neisheng."

Just when Ren Yingying was secretly shocked, Demon Venerable looked at Candle Saint's two demon kings: "Who is this woman you brought?" As he spoke, Gone looked at Ren Yingying up and down.

Feeling Gone's sharp and terrifying gaze, Ren Yingying's delicate body trembled faintly, and she felt like she was seen through all of a sudden.

"Your Highness!"

At this time, the Demon King of Candle Saint responded quickly: "This woman is called Ren Yingying, the princess of the Tianqi Royal Family, the descendant of Chi You, and the descendant of our Demon Race."

After speaking, the Demon King of Candle Saint became complicated: "However, she is still Yue Feng's woman, and she has been against our demons before." The

descendants of the demons, or Yue Feng's woman?

Hearing this, Gone's face turned gloomy, and said lightly: "Okay, I understand, you two have worked hard, go and rest."

"Yes, your honor.

" They responded in unison and left the palace.

For a while, in the huge black palace, only the Demon Lord Gone and Ren Yingying were left.

The atmosphere was indescribably depressing.

Especially under the suppression of Gone's terrifying breath, Ren Yingying felt breathless, and her delicate body was trembling faintly, but her face still showed fearlessness.

Although Ren Yingying is a weak woman, her personality is extremely tough.

"Are you Chiyou's descendant?"

At this time, Gone stared at Ren Yingying with burning eyes, and asked, "You have the power of the devil soul because of Chiyou's inheritance, right?"

"Yes." Ren Yingying replied without concealing it.

Demon Lord Gone nodded and continued to ask: "Since he is a descendant of my Demon Race, why do you want to help Yue Feng?"

Huh!

Ren Yingying breathed a sigh of relief and said word by word, "Because I love him, no matter what his position is, I will fully support him."

After speaking, Ren Yingying looked directly into Gone's eyes: "You won't understand this. , because you have no love at all, you only have killing and aggression."

"Hahaha..."

Hearing the ridicule, Gogne didn't get angry at all, but laughed: "Children are long in love, only the weak do things, only let go Only with all kinds of emotions and six desires can you make a great cause."

After speaking, Gone stood up slowly and walked in front of Ren Yingying: "I think you have good qualifications, and you are a descendant of Chiyou, so now you swear allegiance to me, In the future, you will serve me wholeheartedly, and I will make you a Demon King, and you will be on an equal footing with the other Twelve Holy Demon Kings."

At the end, Gone's eyes were full of anticipation.

Now that the demons are in vain and desperately in need of talents, if this Ren Yingying is willing to submit, it will be all the better.

“I’m sorry, I’m not interested.”

However, Ren Yingying did not hesitate at all, her red lips parted lightly, and she uttered a few words coldly, and refused directly.

Swish!

At this moment, Gone’s face suddenly changed. He was the supreme being of the Demon Race, and he offered to invite him, but he was rejected. If this matter spread out, where would he put his face?

For a time, the anger in the palace was extremely solemn.

At this time, Ren Yingying was also a little nervous. She refused to join the Demon Race. Will this Demon Venerable kill me directly?

“Okay!”

Finally, the corners of Gone’s mouth twitched, revealing a sneer: “You are the first person to reject me for so many years, and I appreciate your courage.”

“Since you are obsessed, you can’t blame me.”

hum!

The last word fell, Gone raised his hand and waved, and a cloud of black mist appeared out of thin air, shrouded directly towards Ren Yingying.

“You...”

Seeing the black mist coming quickly, Ren Yingying was inexplicably frightened, and said, “What are you going to do?” After saying that, Ren Yingying wanted to dodge, but her acupoints were blocked all over her body. , can’t move at all.

Soon, Ren Yingying inhaled the black mist, only to feel that the world was spinning, her eyes turned black and her consciousness became blurred.

At this moment, Demon Zun Gone quickly recited a spell.

That’s right, what Demon Lord Gone is doing at this time is the unique magic of controlling the soul of the Demon Race. As long as it is successfully performed, Ren Yingying will become his puppet and obey all orders.
