

The ultimate husband in Chinese chapter 4516-4520

Chapter 4516

Ye Ziyi was very angry at this time, the man in front of him was talking nonsense with his eyes wide open, and he didn't even take Mingjian Villa in his eyes.

call!

Feeling Ye Ziyi's order, Liu Dong knew that the time was right, and with a very frightened look, he quickly said: "Miss, calm down, I said, I said it all."

"This... this sword is mine. Found in a cave."

Cave?

Hearing this, Ye Ziyi suddenly became interested, and hurriedly asked, "Which cave?"

"Just, it's not far from here." Liu Dong lowered his head and said.

call!

At this moment, Ye Ziyi was very excited. It must be unusual for a cave to have such an extraordinary ancient sword of purple order.

Thinking to himself, Ye Ziyi continued to ask: "What else is in the cave?"

Liu Dong thought for a while and replied, "The cave is very deep and gloomy, I didn't dare to go deep, after getting this ancient sword, I'll be out right away." That's

great.

Hearing the answer, Ye Ziyi instantly became excited, and all these signs indicated that there would be other things in the cave.

At this time, Ye Ziyi didn't know that she had been deceived by Liu Dong.

There are no treasures in the cave, only traps and traps.

This chapter is provided by . Visit for daily update.

"Take me to the cave." Ye Ziyi held back her excitement and said to Liu Dong, "Don't worry, as long as you take me there, I won't hurt you, and I will reward you."

Ye Ziyi looked at Look at the ancient sword: "As for this sword, I bought it, don't you want a thousand taels of gold?"

“Thank you, Miss.”

Liu Dong’s face was full of gratitude, and he saluted as he spoke.

At this time, Liu Dong looked overjoyed, but his heart was extremely excited.

Haha...

The general’s plan is really perfect. The eldest young lady of the Ye family believed it without any doubt.

A few minutes later, under the leadership of Liu Dong, Ye Ziyi and several elite disciples rushed towards the cave.

.....

at this moment.

In a cave not far from the Valley of Forged Swords.

Cheng Yi took out a bottle of special potion from his body and smeared the potion on the stones in the hidden corners around the cave.

Phew...

In an instant, the potion volatilized, forming a unique fragrance in the air.

Seeing this, the elite guards present looked at each other and were very curious, but they did not dare to ask rashly.

Swish, rustling...

After a while, everyone heard a strange sound coming from all directions. At that time, they all looked over and couldn’t help taking a breath.

Hiss...

lots of poisonous insects.

I saw that many poisonous insects crawled from a distance and gathered towards the place where Cheng Yi smeared them. These poisonous insects, some of which were colorful poisonous snakes, some were slapped and laughed, and some poisonous scorpion centipedes, thousands of them, densely watching. Makes the scalp tingling.

Gudong.

For a time, many guards felt chills down their spines and couldn't help but retreat.

"What are you panicking about?"

Cheng Yi snorted coldly and scolded: "Some poisonous insects scare you like this? This is what I used to deal with the eldest lady of the Ye family. You should also hurry and hide. Remember, as long as you don't take the initiative. Attack these poisonous insects, they will not hurt you."

When he said this, Cheng Yi's face was full of confidence.

As long as Ye Ziyi is successfully tricked, don't even think about leaving.

Speaking of which, Cheng Yi has only obtained the poison power of Ji Hongshang on the eighth floor, and he does not yet have the ability to control poisonous insects in the Five Poison Sects. Therefore, it is not difficult to attract so many poisonous insects.

call!

Hearing this, the guards secretly breathed a sigh of relief, and then went into hiding.

Cheng Yi also showed a faint smile, hiding in a shadowy corner.

For a time, the cave was silent, only the slight rubbing of poisonous insects on the stones.

In the blink of an eye, ten minutes passed, and there was a conversation outside the cave.

"Where is the cave?"

"Just in front." As the

conversation got closer, several figures appeared at the entrance of the cave. It was Ye Ziyi, Liu Dong and others.

At this moment, Ye Ziyi walked into the cave first, looked around, and then asked Liu Dong, "That ancient sword, you found it here?"

Liu Dong nodded repeatedly: "Yes, it's right here. Inside the cave."

Chapter 4517

When talking about this, Liu Dong secretly looked around, with treacherousness in his eyes.

He had already seen the mark Cheng Yi engraved at the entrance of the cave. Although he couldn't see Cheng Yi and everyone else at this time, he also knew that they had prepared an ambush in the cave.

Um!

Hearing the answer, Ye Ziyi had no doubts, nodded and went straight to explore the depths of the cave.

However, what made Ye Ziyi puzzled was that the cave was not very deep, only tens of meters. He quickly checked it and found nothing.

Damn, is this man named Liu Dong lying to himself?

Ye Ziyi was very annoyed and was about to go back and question Liu Dong.

Whoa!

However, just as Ye Ziyi turned around, dozens of figures suddenly rushed out from the shadows around, blocking the exit of the cave. The one at the head, with a strong aura permeating his body, with a gloomy smile on his face, is Cheng Yi.

Beside Cheng Yi, Liu Dong stood there quietly, also with a sinister expression.

Swish!

Seeing this scene, both Ye Ziyi and the disciples of the Famous Sword Villa all changed their faces.

Oops, ambushed.

The next second, Ye Ziyi reacted, staring at Liu Dongjiao and shouting, "You really have a problem." After saying that, Ye Ziyi observed Cheng Yi secretly, but felt that none of them were weak.

Obviously, the other party came prepared.

As soon as the words fell, a disciple behind him shouted angrily: "You are so bold, you dare to set a trap for our eldest young lady, have you thought about the consequences?"

Feeling Ye Ziyi's anger, Liu Dong smiled and said, "Miss Ye, don't be angry, if I don't do this, how can I arrange for you to meet my general?" Zhu Cheng Yi said: "General, this is the eldest miss of the Ye family, Ye Ziyi."

"Okay!"

Cheng Yi praised and said with a smile: "You have done a good job, this time you have made a contribution, I will definitely go back. Reward well."

"Thank you, General!" Liu Dong was full of joy.

General?

Hearing the conversation between the two, Ye Ziyi's delicate body trembled, and she was secretly shocked.

The other party's background is not small.

Phew...

At this time, Cheng Yi took a step forward, looked Ye Ziyi up and down, couldn't help taking a deep breath, and his eyes were straight.

Beautiful, really beautiful.

This Miss Ye family is indeed well-deserved, and her appearance is at the level of the best goddess in the entire Kyushu.

"Haha..." The

more Cheng Yi looked at it, the more itchy his heart became. He grinned at Ye Ziyi and said, "Miss Ye, don't panic, I invited you in this way because I wanted to cooperate with you.

"When he was talking, Cheng Yi's eyes kept on Ye Ziyi, and he couldn't say anything.

"Cooperation?"

Cheng Yi's gaze made Ye Ziyi feel uncomfortable, and said angrily, "Who are you, why should I cooperate with you?" Still a general, just a joke.

"Hehe..." Cheng Yi smiled slightly, and no longer concealed it at this time, and introduced himself: "My name is Cheng Yi, and I am the newly-appointed general of the Southern Cloud Continent. When I see the eldest lady this time, I want to invite you Mingjian. Villa, join our camp."

"Nowadays the rivers and lakes are turbulent, the wind and rain are falling, and only the powerful demons have the ability to control the overall situation. You can rest assured that as long as you join the famous sword villa, when you rule Kyushu, your benefits will be indispensable."

What Cheng Yi said was extremely sincere.

However, to Ye Ziyi's voice, these words were extremely shameless and disgusting beyond words.

"Working with you?" The

next second, Ye Ziyi bit her lip tightly, unable to hide her contempt: "What are you daydreaming about? People like you, cunning and despicable, willing to be the lackey of the Demon Race, are not worthy of peace at all. I'll talk."

"Also, the demons are very ambitious, full of evil, and people and gods are angry. My name is Jianshanzhuang, a well-known family, how can I cooperate with you demons and demons?" The

voice was clear and pleasant, and his position was firm.

Mad!

Hearing this insult, dozens of elite guards were furious.

This Ye Ziyi is really bold, even if he refuses the general, how dare you say that we are evil demons?

Chapter 4518

Shua!

At this moment, the smile on Cheng Yi's face also froze, and there was a surge of anger in his heart. Since becoming a general, who has seen himself respectfully? But this Ye Ziyi actually called herself a lackey.

In anger, Cheng Yi stopped talking nonsense, pointed to Ye Ziyi and shouted angrily: "Toast, don't eat or drink fine wine, give it to me."

Swish swish....

The last word fell, and the few who were already ready to fight The ten elite guards exploded their inner strength one after another, rushing towards Ye Ziyi and the others.

Cheng Yi was standing at the entrance of the cave with a relaxed attitude.

As a general, this kind of scene does not need to be done by himself, not to mention, he has a killer.

"Shameless..."

Seeing those elite guards rushing in, Ye Ziyi didn't panic at all.

“Protect Eldest Miss!”

“Let’s rush out together...”

At the same time, several disciples of the Famous Sword Villa who accompanied them also howled and rushed up to fight with the elite guards.

“Chichichi...” During the

fierce battle, Ye Ziyi’s figure was elegant, and the swordsmanship she displayed was even more superb. A powerful sword beam was intertwined in the cave, and in the blink of an eye, she stabbed several forbidden Guardian Elite.

And the few disciples of the famous Sword Villa cooperated closely, and stayed close to Ye Ziyi.

Mad!

Seeing this scene, Cheng Yi’s face was gloomy, and he secretly clenched his fists. The plan was so perfect that there were still casualties.

In anger, Cheng Yi roared: “Go back, all go back!”

Whoa!

Hearing the order, the remaining elite guards did not dare to neglect and retreated one after another.

“Wooooo...” In the

next second, Cheng Yi did not hesitate at all, put his finger in his mouth, and let out a loud whistle.

Yes, Cheng Yi decided to summon the poisonous insects hiding in the corners.

Swish...

The moment the whistle sounded, a dense sound was heard, emanating from the gaps in the surrounding stones. Ye Ziyi and several disciples of the famous Sword Villa felt that something was wrong and looked at it subconsciously.

At this look, the complexion changed greatly, and the scalp was numb.

I saw countless poisonous insects gathered from all directions. These poisonous insects were huge, with dark and shiny carapaces, some colorful, and obviously highly poisonous.

This...

In an instant, several disciples of Famous Sword Villa were all heartbroken and panicked.

So many poisonous insects? If you get close, I am afraid that you will be gnawed to the bone.

Ye Ziyi was also trembling in the suburbs, her face was extremely pale, she was a girl after all, she could not calm down when she suddenly saw so many poisonous insects.

Haha....

seeing Ye Ziyi's reaction, Cheng Yi was extremely proud and laughed: "Miss Ye, I advise you to give up, you can't stop so many poisonous insects."

"Also, so it would be such a pity if she was bitten by a poisonous insect and turned her face beyond recognition."

Seeing Cheng Yi's fake face, Ye Ziyi bit her lip and didn't respond.

Mad!

Several disciples of the famous Sword Villa looked at each other, and after the huge panic, endless fighting intent appeared on their faces.

"It's just a group of poisonous insects, and you still want to scare us?"

"Ma De, I fought with them."

"Yes, I swear to protect the eldest lady..." The

voice fell, and several famous Sword Villa disciples, one by one, were brave and fearless, facing the surroundings. The poisonous swarm rushed away.

"Don't..."

Seeing this scene, Ye Ziyi's body trembled, subconsciously trying to stop it, but it was too late.

"Ah..."

I saw that countless poisonous insects swarmed up and directly drowned the disciples. After a few screams, they died of breath, leaving only a few skeletons on the ground.

Hiss....

seeing this scene, Ye Ziyi was extremely frightened and furious. These disciples, loyal to themselves and Famous Sword Villa, are now dying so tragically.

At the same time, I was a little apprehensive.

It's over, so many poisonous insects, is it God's will?

Thinking about it, Ye Ziyi was extremely desperate.

Swish....

At this time, the poisonous insect swarms devoured the corpses of several famous Sword Villa disciples and gathered towards Ye Ziyi.

Ye Ziyi clenched the long sword tightly, her palms sweating under the huge panic and despair.

Chapter 4519

“Wooooo...”

At this moment, I heard Cheng Yi whistle again, and those poisonous insects who were rushing up, retreated one after another.

Cheng Yi's ultimate goal is to capture Ye Ziyi alive and threaten Mingjian Villa's submission. How can she be allowed to die here?

Phew...

Seeing the poisonous insects recede, Ye Ziyi took a deep breath, still a little frightened in her heart.

It was at this time that Cheng Yi moved his figure, burst out, raised his hand and quickly clicked on Ye Ziyi's acupuncture point.

In an instant, Ye Ziyi's delicate body trembled, unable to move.

“You...”

Ye Ziyi was furious and stared at Cheng Yi fiercely: “You despicable villain, you better kill me immediately, otherwise, I will not let you go.”

Ye Ziyi at this time Very angry, the owner of the dignified and well-known Sword Mountain Villa was captured by such a villain, which really embarrassed the family.

“Hehe!”

Ye Ziyi's scolding, Cheng Yi did not get angry, but aroused his interest, and said with a smile: "As expected of Miss Ye, she is so sexy when she is angry. He came, stretched out his hand to hook Ye Ziyi's chin, sniffed gently in front of her, intoxicated: "Tsk tsk, it smells so good."

Haha...

At this moment, the elite guards around also started booing. .

"Congratulations to the general for successfully capturing the eldest miss of the Ye family."

"Haha, it's really gratifying that the general has captured the beauty."

"This shows that the general is blessed with this kind of beauty, haha..."

Hearing the compliments around him, Cheng Yi's face was full of pride, and he became more courageous. He stopped Ye Ziyi's waist and pulled him sharply.

Ye Ziyi didn't react at all, she let out a coquettish cry and slammed into Cheng Yi's arms.

"Miss Ye, this general is really fascinated by you, don't worry, I will take good care of you, haha." Cheng Yi laughed and put his mouth up slowly.

"You..."

Seeing Cheng Yi approaching, Ye Ziyi was anxious and angry, and kept scolding: "Let me go, shameless villain, let me go..." While scolding, she was about to struggle .

However, her acupuncture point was punctured, and she couldn't break free at all.

Finally, Ye Ziyi gave up and closed her eyes in despair.

At the same time, he was extremely embarrassed.

The dignified eldest lady of the Ye family, the young owner of the famous sword villa, Bingqing Yujie, if this person takes away his innocence, how will he meet anyone in the future?

Thinking to herself, Ye Ziyi bit her lip tightly, and the tears couldn't help falling.

She could feel Cheng Yi's breathing hitting her face.

If his innocence is gone, he would rather die than drag this person to hell.

Whoosh!

At this critical moment, a slender figure, like lightning, rushed into the cave and hit Cheng Yi with a palm.

I saw this woman, wearing a black tight-fitting long dress, with delicate facial features, indescribably cold and charming, with a strong aura all over her body, and her eyes full of chills.

It was Ji Hongshang.

Half a day ago, Ji Hongshang secretly followed Cheng Yi and the others to the vicinity of the cave, and she was dormant all the time, quietly observing the situation of Cheng Yi and the others. At this time, seeing that he was going to humiliate Ye Ziyi, she couldn't help showing up.

Madd, who?

Feeling a surprise attack from behind, Cheng Yi was furious and turned around abruptly.

Swish!

At the same time, the gazes of the surrounding elite guards also converged on Ji Hongshang. Seeing Ji Hongshang's appearance, she was stunned.

What a beautiful woman.

Compared with the eldest young lady of the Ye family, this appearance is quite different.

"It's you?"

Cheng Yi was also shocked when he saw Ji Hongshang, and couldn't help exclaiming: "You're not dead?" Chang's whereabouts, Cheng Yi thought she was dead.

But I never expected to meet here.

"You treacherous person!"

Ji Hongshang's charming face was full of resentment at this time, and she said coquettishly: "You have made me so miserable, I will tear you into thousands of pieces." After saying that, Ji Hong said Chang speeded up and slapped Cheng Yi's heart with a palm.

With this palm, Ji Hongshang almost used all her strength.

boom!

At this moment, Cheng Yi couldn't dodge it. As long as he reached it with a palm, the two of them collided with each other and let out a dull roar. Immediately afterwards, each of them was shaken back a dozen steps.

Chapter 4520

Although Ji Hongshang broke out with all her strength, her strength has not returned to its previous peak, so this palm did not cause much damage to Cheng Yi.

However, Cheng Yi was shocked.

This Ji Hongshang is really terrifying, the eighth layer of internal strength has been taken away by himself, how many days has it been, and the strength has recovered so strongly?

But after the shock, Cheng Yi quickly regained his confidence.

He clearly felt that after Ji Hongshang hit the slap just now, a lot of internal energy was consumed, and it was not a threat to himself at all.

This...

The sudden change made Ye Ziyi a little confused.

what's the situation? Isn't this Ji Hongshang, the suzerain of the Five Poison Sect? She was the first to form an alliance with the Demon Race. It stands to reason that she was in a group with this group of people. Why did she suddenly appear here and fight?

At this time, Ye Ziyi didn't know that Ji Hongshang had drawn a clear line with the demons after betraying Bai Yunfei.

At this time, Cheng Yi raided because Cheng Yi took away her innocence. Ji Hongshang was unruly on the surface, but she was actually very conservative in her heart, and being humiliated by her innocence was even more uncomfortable than killing her.

"Sect Master Ji."

At this time, Cheng Yi reacted with a smile, and said to Ji Hongshang with a smile: "We are really destined to meet so soon." Hong Chang looked at him.

Especially when he thought of the scene in the underground cave, Cheng Yi had a lot of aftertastes.

“Move your dog’s eyes.”

Aware of Cheng Yi’s gaze, Ji Hongshang was furious and shouted: “The enmity between you and me will never end. Today, I will call you dead without a place to be buried.”

At this time, Ji Hongshang was full of resentment, and her eyes were full of hostility.

Wow...

Seeing this situation, the surrounding elite guards suddenly burst into an uproar.

Is this woman the Sect Master of the Five Poison Sect? What kind of hatred does she have with the general, to the point of endless death?

In doubt, no one dared to step forward.

You must know that the exercises of the Five Poison Sect are sinister and strange, and they are best at using poison. It is rumored that people who offend the Five Poison Sect will die no matter if they flee to the ends of the earth, and this one is the Sect Master of the Five Poison Sect, who dares to step forward what.

Phew...

And Ye Ziyi on the side was inexplicably excited.

Great, looking at it this way, Ji Hongshang and this person have an undeniable feud. With her here, I don’t have to worry about being humiliated.

It’s just... This Ji Hongshang’s strength seems to be a lot weaker, can he beat this insidious Cheng Yi?

“Hehe.”

At this moment, Cheng Yi looked at Ji Hongshang with a half-smile, and teased: “Sect Master Ji, our relationship has developed to that point, there’s no need to be so bitter and hateful, if you want me to say, you Why don’t you just be my woman. I’m the general of the Southern Cloud Continent now, and I have a bright future. You follow me and you’ll enjoy endless wealth and wealth.” When

he suddenly saw Ji Hongshang just now, Cheng Yi was very flustered, but he felt After reaching her strength, she was no longer nervous.

Swish!

Hearing this, Ji Hongshang's angry suburban trembled, and said coldly: "Shut your stinky mouth,"

this person is really shameless to the extreme.

Seeing this scene, the surrounding elite guards were all stunned, and then looked at Cheng Yi with incomparable admiration.

The general is a bull, and even the Sect Master of the Five Poison Sect dares to make fun of him.

It's really admirable.

Hearing Ji Hongshang's answer, Cheng Yi was not angry at all, he smiled and said: "Okay, if you don't want to, forget it, but, if you want to kill me, do you think you have this ability?"

"You..."

Ji Hongshang's face flushed, and she was speechless for a moment.

Because what Cheng Yi said was right, Ji Hongshang's strength had not fully recovered at this time, and was not his opponent at all.

But Ji Hongshang is an old Jianghu after all, she turned her eyes and said coldly: "Even if I can't kill you today, I will not let your trickery succeed."

After saying that, Ji Hongshang turned her head to look at Ye Ziyi: "Ye Ziyi Don't worry, girl, I will save you."

Speaking of which, Ji Hongshang and Ye Ziyi once fought, and when Bai Yunfei provoked disputes in the Five Poison Sect, Mingjian Villa went with other sects. encirclement and suppression. After all, Ji Hongshang and Ye Ziyi were enemies.
