

The ultimate husband in Chinese chapter 4751-4760

Chapter 4751

Because the elder sisters Long Qianying and Yue Feng had a dark fetus, gave birth to a child, and humiliated the reputation of the Nanyun royal family, so Long Qianyu did not have a good impression on Yue Feng or even the entire Ouyang family.

In addition, he once had a marriage contract with Yue Feng, so Long Qianyu hated the Ouyang family from the bottom of his heart.

And Yue Wuya was Yue Feng's son, so Long Qianyu didn't have the slightest liking for him except for hating him. Therefore, at this time, Long Qianyu never thought that when he was alone and helpless, the person who suddenly appeared would be Yue Feng's son.

Long Qianyu?

At this moment, Yue Wuya was stunned when he saw Long Qianyu.

I thought it was a pirate bullying a good woman, but unexpectedly, it was Queen Nagumo. It's really surprising.

"Boy!"

At this moment, Dongliu reacted and glared at Yue Wuya viciously: "What is the special code looking at? Hurry up to Laozi, or you will break your legs."

Dongliu could see that the other party Dressing up is not an ordinary person, but he relied on himself to be a major disciple of Sword Sect, and he believed that his strength was not weak, so naturally he would not put a young man in his eyes.

However, Yue Wuya stood there motionless, and said coldly: "Shameless villain, die!"
The

last word fell, Yue Wuya's inner strength exploded, and he went straight to Dongliu.

In the blink of an eye, Yue Wuya was in front of Dongliu, with endless contempt in his eyes: "Looking at you, you are also a disciple of the sect, but your actions are so despicable. Today, I will act for Jiuzhou Jianghu, except for you scum!"

hum!

The voice fell, and a terrifying aura erupted from Yue Wuya's body. In an instant, the surrounding air seemed to be stagnant!

Immediately afterwards, Yue Wuya suddenly raised his right hand and hit Dongliu with a palm!

This chapter is provided by . Visit for daily update.

This kid is so fast...

Dong Liu didn't take Yue Wuya seriously at first, but when he felt his lightning speed, he was shocked and realized that he was wrong. At that time, unable to dodge, Dongliu had no choice but to wave his right palm to meet him.

Bang!

The next second, the palms of the two collided, and Dongliu only felt an overwhelming force coming from the mountains.

However, Dong Liu's heart was incomparably horrified, and looking at Yue Wuya's eyes, he was also full of shock.

This kid is only in his teenage years, and his internal strength is so deep. With that palm, he has already stimulated eight layers of internal strength, and he was barely able to block this palm!

At the same time, Long Qianyu next to him also had complex eyes in his eyes.

This Yue Wuya, I haven't seen each other in just half a year, and his strength has improved a lot...

"The strength is not weak..."

At this time, Yue Wuya looked up and down at Dongliu, and was a little surprised: "I can actually Block my palm."

In Yue Wuya's heart, these words were flattering the other party, but when Dongliu heard it, it was a great humiliation. His dignified disciple of the Sword Sect was judged by a young man, how would he meet anyone in the future? ?

"I want you to die!"

In anger, Dongliu was about to rush up.

Click!

However, at this moment, Yue Wuya suddenly raised his hand, only to hear a crisp sound, a golden sledgehammer tightly held in his hand.

It is the Overlord Hammer.

As soon as the Overlord Hammer came out, the entire surrounding fishing village was illuminated by a golden light.

Gudong!

Seeing this scene, Dong Liu's forehead was sweating, and he couldn't help swallowing. At the same time, he also guessed the identity of the other party, and his voice trembled: "You...you are the Lord of Tianmen?"

"I know Yue Wuya, but I have also heard of his deeds. When I was very young, I got the Magic Weapon Overlord Hammer by chance, and then successfully took over the position of Tianmen Sect Master in the years when Yue Feng disappeared. In the entire Kyushu Continent, almost no one knows it, and no one knows it.

Done!

I didn't expect this young man to be the master of Tianmen, and it's over.

"Now that I know my identity, I won't talk nonsense anymore, you can die." Yue Wuya said coldly, and with a strong wave, he saw a golden beam burst out. It slammed into the winter stream fiercely.

Done!

Feeling this terrifying power, Dongliu was almost heartbroken. He didn't have time to think about it at that time, so he quickly urged all his inner strength and pulled out his long sword to resist.

Chapter 4752

Bang!

In the next second, the Overlord's Hammer slammed on the long sword, and the long sword shattered. Then, I heard a scream from Dongliu, and the whole person was shocked and flew out, smashing a hole in the wall. Then it flew dozens of meters away before falling heavily to the ground.

When he was fighting with Yue Wuya just now, Dongliu had already received heavy damage. At this time, facing Yue Wuya with the Overlord's Hammer, he couldn't resist it at all.

After all, this is Yue Feng's son, the current Lord of Tianmen. "Have you made up your last words?" Yue

Wuya stared at Dong Liu with absolute contempt: "How dare you do something wrong with this little strength?"

Step by step toward the winter stream.

A strong breath permeates the entire fishing village.

Gudong!

At this time, Dong Liu was full of shock, secretly swallowing his saliva, and his heart was full of fear. He clearly felt that the blow just now broke his heart...

"Sect Master Yue!"

Seeing Yue Wuya Getting closer and closer, Dongliu didn't have the arrogance before, and quickly shouted: "Forgive your life, spare your life, I am Dongliu, the eldest disciple of Jianzong, I hope you can give us Jianzong a thin face, spare me this time."

He thought that if he moved out of the Sword Sect's name, he could save his life!

However he was wrong.

Is he from the Sword Sect of Dongao Continent?

At this moment, Long Qianyu, who was still in the room, immediately frowned, unable to hide his contempt, that there is such a scum in the dignified Sword Sect.

At the same time, Yue Wuya also had a cold expression on his face: "Since you are from the Sword Sect, then I can't spare you." Back then when Su Qingyan was the Sect Master of Wenzong, the Sword Sect didn't miss much. And Su Qingyan was his father's woman, so how could Yue Wuya forgive him so easily?

Bang!

At this moment, Yue Wuya's voice fell, his figure suddenly accelerated, and he kicked Dongliu's heart fiercely, only to hear the sound of a broken bone, and the whole person flew away again, and finally landed not far away. beach.

Under the night, Dongliu's face was full of horror, his eyes were round, and he was no longer breathing.

Shameless scum!

Yue Wuya cursed inwardly, turned around and approached the room, and looked at Long Qianyu: "How are you? Are you alright?"

“Don’t worry about it.” Long Qianyu said angrily.

Although she escaped from the clutches, she was not happy at all. The person who suddenly appeared was no good, but it was Yue Feng’s son.

At the same time, Long Qianyu couldn’t tell the awkwardness in his heart. Just now, Dongliu tore up and messed up the dragon and phoenix robes. This is really embarrassing.

Uh...

Hearing this, Yue Wuya was speechless and smiled: “However I saved you, but you didn’t even say a word of thanks, alas, it’s no wonder my father doesn’t like you.”

While speaking, Yue Wuya couldn’t help but look at Long Qianyu’s charming curve.

This woman has a cold personality, but her figure is really good.

Feeling Yue Wuya’s gaze, Long Qianyu was very displeased, and when he heard Yue Feng again, he was even more ashamed and angry, and said coldly, “What do you know, a little kid? Your father doesn’t like me? Hmph, Ben The emperor still doesn’t look down on him. Show mercy everywhere, mess with flowers, a complete bastard.”

Seeing that she was getting more and more angry, Yue Wuya had a headache: “Okay, okay, I won’t argue with you. Are you sure you’re fine and don’t need help?”

Yue Wuya could see that Long Qianyu’s face was pale, and his whole body was pale. Sour and soft, obviously poisoned.

“No need!”

Long Qianyu’s red lips lightly parted, and he said decisively: “If you have nothing else to do, hurry up and leave me alone.” Although Yue Wuya is an adult, he can be considered in terms of seniority. Being his auntie, even if that’s the case, it wouldn’t make sense to be in the same room.

Moreover, the desire in the body seems to be about to attack, how can he see that kind of scene?

All right!

Seeing her refusal to be a thousand miles away, Yue Wuya shook his head with a wry smile, and then walked out.

call!

At this moment, Long Qianyu took a deep breath, hurriedly sorted out the dragon and phoenix robes, and then sat there cross-legged, trying to mobilize his inner strength to expel the poison of Lust Pill.

However, what Long Qianyu didn't expect was that the poison of this Lust Pill was very overbearing. She didn't try to expel it. It was good that the poison spread in her body as soon as she used her internal strength. In a blink of an eye, her forehead was covered with A layer of sweat made his face pale.

Chapter 4753 Terrible

!

This time, Long Qianyu was in a hurry, but the more anxious he was, the less he could control the situation in his body. Not only did the poison spread wildly, but his internal strength was also somewhat disordered.

That damned Sword Sect disciple!

Long Qianyu was very annoyed, cursed inwardly, and quickly stopped the exorcism, trying to calm himself down.

It's just too late. The poison of Yuhuan Dan completely occupied her dantian. She felt like a flame was burning in her body, getting hotter and hotter, which made people feel extremely uncomfortable.

"Well..."

Finally, Long Qianyu couldn't help it, and let out a painful moan, her delicate body curled up on the ground and trembled gently, her beautiful face was full of pain.

At this moment, Yue Wuya walked in quickly, frowning: "What's the matter?"

Yes, Yue Wuya didn't really want to leave, but was guarding outside, although this woman was arrogant, even a little bit It's not human, but after all, she is an acquaintance of her father. It's really unreasonable to leave her here.

This....

at this time, seeing Long Qianyu's situation, Yue Wuya was stunned.

What poison? Happened so fast?

And, looking at this situation, it doesn't seem like he's going to go crazy.

Although Yue Wuya is an adult, he has not experienced the matter of a man and a woman yet. At this time, he has not realized that the poison in Long Qianyu is not an ordinary poison.

“You...”

Seeing Yue Wuya leaving and returning, Long Qianyu was shy and angry, bit her lip tightly, and said coldly: “Who told you to come back? My business has nothing to do with you! hurry up...”

This Yue Wuya was as cunning as his father. It's really abominable to hide outside.

Seeing her embarrassed and angry look, Yue Wuya didn't care, and put on a very indifferent look: “You are still trying to be brave now? Judging from your situation, you have been infected with a very special poison, don't let outsiders help you. , you can't get rid of it yourself!”

Hearing this, Long Qianyu fell silent, because Yue Wuya said it well. The current situation is completely out of control.

“You...” The

next second, Long Qianyu bit her lip tightly, endured the discomfort and whispered: “You can't help me, you can go.” The drug in himself is that kind of drug, and when the attack starts, it must be very embarrassing, this scene must not be allowed to see him.

“If you don't tell me, how do you know that I can't help?” Yue Wuya frowned and walked over to ask, “What poison is in you?”

Long Qianyu was about to cry in anger, why is this child disobedient?

“Om!”

In a hurry, Long Qianyu was about to urge Yue Wuya to leave again. However, at this moment, the desire for joy in her body completely erupted, and she saw the skin all over her body turning red and dripping with sweat.

In the blink of an eye, Long Qianyu's dragon and phoenix robes were soaked with sweat, and the charming curves were looming.

For a time, Yue Wuya was stunned.

However, Yue Wuya quickly reacted and said to himself, “Why is the poison so powerful that it can cause such serious heartbreak...”

With that, Yue Wuya took out an ice-blue The strange jade came out and shoved it directly into Long Qianyu's hands: "This is a thousand-year-old cold marrow jade. If you put it in the dantian, it will have a miraculous effect on degrading the heart fire."

This thousand-year-old cold marrow jade was given to Yue Wuya by Hai Linger, the princess of the sea shark clan, and it is a rare treasure. Lucky hit. This thousand-year-old cold marrow jade can't help but degrade the heart fire, and it can also expel the poison from Long Qianyu's body.

Hearing Yue Wuya's words at that time, Long Qianyu didn't have time to think about it, and quickly held the Millennium Cold Marrow Jade tightly and placed it in the alchemy dantian, and at the same time calmed himself down.

hum!

At this moment, Yue Wuya was not idle, sitting cross-legged behind her, running her inner strength to help her expel the poison.

I have to say that this thousand-year-old Cold Marrow Jade is really amazing. In just a few minutes, the redness all over Long Qianyu's body subsided, and his face returned to normal.

call!

At this moment, Long Qianyu secretly breathed a sigh of relief, and her heart was extremely complicated. She never thought that Yue Wuya, who was young and possessed a lot of skills, could help him stabilize the situation so easily.

"Hey!"

After calming down, Long Qianyu bit his lip lightly and said to Yue Wuya behind him, "You can't tell anyone about today's affairs, especially your father, you know?"

Chapter 4754

If this matter spreads out, the image of his queen will be completely destroyed.

Hearing this, Yue Wuya laughed secretly, this Long Qianyu is really interesting, what time is it, and he still thinks about his own image.

Thinking to himself, Yue Wuya nodded and agreed, and at the same time continued to expel the poison for her.

The two of them were silent for a while, and the whole place was silent.

If there are outsiders present at this time, seeing this scene, they will definitely be shocked, and even think about it, the dignified Queen Nanyun actually asked a man to expel her poison, and Long Qianyu was dripping with sweat before, the dragon and phoenix robes are tight Clinging to her body, the scene is very fragrant....

Long Qianyu is also a little shy, but there is no way, the poison of this desire is too domineering, only let Yue Wuya help her completely expel it.

Swish....

After a short silence, suddenly there were footsteps outside.

call!

Hearing the movement, both Long Qianyu and Yue Wuya were shocked.

This is the critical moment to get rid of the deadly poison. If someone comes in to disturb them, they will definitely lose all their efforts. Moreover, the current posture of the two cannot be discovered by others, otherwise it will cause misunderstanding.

In particular, Long Qianyu was in a hurry.

Swish!

At this time, Yue Wuya, in a hurry, raised his hand and waved a piece of rag around him, and hung it at the door, blocking the situation of the room. When I killed Dongliu just now, the wooden door was destroyed, so I can only replace it with rags.

It was at this time that the footsteps outside stopped at the door, and then a cold and arrogant voice came: "Is there anyone inside?"

Then the moonlight saw that this was a general in armor, with three feathers on the helmet, and it seemed that the official position was not low.

It was Huang Zheng, the great general of the Southern Cloud Continent.

A day ago, Huang Zheng accompanied Long Qianyu to attack Longwang Island. As a result, Long Qianyu was seriously injured and sank into the sea. Hundreds of thousands of Nanyun elites also fled.

As a general, Huang Zheng was not much better. After drifting at sea for several hours, he finally returned to the mainland. At this time, he passed the fishing village and saw that there was light here, so he was curious to check it.

At this time, Huang Zheng was very tired. He didn't want to ask questions, so he broke in directly, but thinking of the sinister rivers and lakes, he still maintained some caution.

“Huang Zheng?”

At this time, the two sides were separated by a rag, and could not see each other at all, but when Long Qianyu heard the voice, he recognized it at once, and he was surprised and happy.

Great, I finally met my own person.

However, there is still some anxiety in my heart, I can't be seen like this.

“Your Majesty?”

At this moment, Huang Zheng was stunned when he heard Long Qianyu's voice, and then said happily: “Great, Your Majesty is all right, the last commander is relieved. His Majesty fell into the deep sea at that time, and the last commander did not I know how worried I am, but I was looking for Your Majesty for a long time.”

In fact, at that time, when the Nagumo army was defeated and everyone was running for their lives, Huang Zheng didn't look for it at all.

Long Qianyu replied, “I'm fine.”

Listening to the two of them talking through a rag, Yue Wuya didn't say a word. Although he was young, he also understood that he must not expose the current situation. will cause misunderstanding.

After all, at this time, he and Long Qianyu were alone in a room, and anyone who saw them would inevitably think about it.

At this time, Huang Zheng opened his mouth and said, “Is Your Majesty healing inside? Do you want to help me?” When he said this, Huang Zheng's tone was polite, but there was a hint of treacherousness on his face.

In fact, Huang Zheng respected Long Qianyu on the surface, but deep down, he never recognized Long Qianyu's status as the queen, but Long Qianyu was very powerful, and Huang Zheng never dared to show it.

At this time, from Long Qianyu's tone, she heard that she was very weak, and Huang Zheng had a bold idea. Killed Long Qianyu, then destroyed the body and traces, and then returned to the imperial city and proclaimed himself emperor.

Anyway, this small fishing village is desolate, and no one knows.

Chapter 4755

Thinking like this, Huang Zheng is about to go in.

“Stop!”

However, just as Huang Zheng was about to lift the rag at the door, Long Qianyu’s voice came out: “I don’t need help, just wait outside.” The

voice was not loud, but there was no doubt about it.

The way he is now, he must not be seen by anyone.

Thinking to himself, Long Qianyu again instructed: “Huang Zheng, go to the nearby coast to explore now, and gather the defeated soldiers. Come and see me tomorrow morning.”

In one night, his inner strength will be fully recovered. , Yue Wuya also left, and at that time, there is nothing to worry about.

call!

However, when he heard this, Huang Zheng stood there and didn’t move, and there was a cold smile on his face.

His Majesty did not let himself in, and he must have suffered serious injuries.

Such a great opportunity must not be missed.

Thinking of this, Huang Zheng said hypocritically: “Your Majesty is seriously injured, how can the last commander leave? Otherwise, the last commander will help His Majesty recover his internal strength first, and then go to assemble the soldiers.”

Whoosh!

When the last word fell, Huang Zheng lifted the rag and broke in directly.

At this moment, Long Qianyu was furious. Huang Zheng was so bold that he dared to disobey the order. At that time, I wanted to hold something in front of me, but it was too late.

At the same time, Yue Wuya was also taken aback.

This Long Qianyu’s subordinate is so arrogant?

Swish!

At this time, Huang Zheng rushed into the room and was stunned when he saw the scene in front of him.

Just saw Long Qianyu sitting there, the dragon and phoenix robes on his body wetly attached to his body, showing the charming curve, which is simply fascinating.

Not only that, there was a man sitting behind Long Qianyu. At this time, his hands were behind Long Qianyu's back, as if he was healing her. This man was none other than Yue Feng's son, the current Tianmen. The lord, Yue Wuya.

This... what's the situation?

The queen didn't hate Yue Feng to the core. She tried to destroy the Ouyang family several times. How could she be with Yue Feng's son at this time and be so close?

For a time, Huang Zheng's brain was buzzing, and he was stunned for a while without recovering.

"Huang Zheng!"

At this moment, Long Qianyu glared at Huang Zheng angrily, and said tenderly: "You are not small, dare to disobey my order, I asked you to assemble the soldiers, you actually broke in, you Do you know the guilt?" I

have to say, Long Qian's tone was very strong, and his few words showed the majesty of the royal family.

Gudong!

Feeling Long Qianyu's anger, Huang Zheng couldn't help swallowing his saliva. He was a little nervous for a while, but he quickly calmed down and looked at Long Qianyu with a half-smiling smile: "Your Majesty, calm down, I will do this for the last time. Considering your Majesty's safety."

After speaking, Huang Zheng deliberately looked at Yue Wuya: "What the last commander didn't expect is that His Majesty is a high-ranking man, but secretly hides a man beside him, is this humiliating to the royal family? Your reputation."

"You are arrogant!"

Hearing this, Long Qianyu's delicate body trembled, and he was so angry: "Get out of here immediately."

At the same time, Yue Wuya, who had been silent all the time, couldn't help but explain: "This general, you misunderstood, I have nothing to do with her, just to help her get rid of the poison in her body."

Haha!

Huang Zheng stood there, with no intention of leaving at all, and said with a meaningful smile: "To expel the poison? If it is to expel the poison, why should Your Majesty keep it secret and not want people to know?"

"Also, this little brother, I am If I am not mistaken, it should be Yue Feng's son, the current Lord of Tianmen Yue Wuya. His Majesty is at odds with Yue Feng on the surface, but secretly he is so ambiguous with his son here, tsk tsk, the royal family of Nanyun What a shame."

When he said this, Huang Zheng couldn't hide the sinister expression on his face.

Speaking of which, if it were normal, he would not dare to talk to Long Qianyu like this, but at this time he could feel that Long Qianyu was very weak, and in this case, he was naturally not afraid.

At this time, Huang Zheng said more and more excited: "Long Qianyu, how can you have the face to be the queen with such bad conduct? Why don't you give up the throne, I don't see what happened today."

The ultimate husband in Chinese chapter 4756-4760

Chapter 4756

Long Qian's tone is not good, he pointed at Huang Zhengjiao and shouted: "Huang Zheng, you dare to commit the following crime, have you thought about the consequences?"

Haha...

Huang Zheng laughed, with a look of disdain: "Consequences? You did this Have you thought about the consequences of things that humiliate the royal family? Long Qianyu, I'm still saving your face, don't know how to flatter you." After speaking

, Huang Zheng glanced at Yue Wuya with disdain.

In his heart, at this time Yue Wuya was healing Long Qianyu, and at a critical juncture, he did not dare to do anything to himself.

However, Huang Zheng didn't know that at the moment when he rushed in, Yue Wuya had just successfully helped Long Qianyu to expel the poison. He was sitting there just posing.

Swish!

Hearing Huang Zheng's rebuttal, Long Qian's delicate body trembled, but he didn't know how to refute.

After all, the scene of Yue Wuya detoxifying himself is indecent, but he and he are innocent and must not allow anyone to be humiliated.

Thinking to himself, Long Qianyu said coldly to Huang Zheng: "Huang Zheng, now I'll give you a chance, immediately kneel down and admit your mistake, or you will be at your own risk."

"You stop scaring me!" Huang Zheng looked fearless, sneered: "Long Qianyu, this is not the palace hall, and when you were beaten into the sea on Longwang Island before, hundreds of thousands of Nanyun soldiers watched, everyone thought you were dead, no one but me. I know you're alive."

"But I'm not one to kill quickly, as long as you hand over the emperor's jade seal and write a will, stating that if you have any trouble, let me succeed you as emperor, and I'll keep you alive. When the time comes, you and the Lord of the Heavenly Sect, what do you like to do, how about it?"

When he said this, Huang Zheng was very proud, in his heart, he had settled on Long Qianyu today.

Moreover, he is very cunning and ruthless. He never thought of letting Long Qianyu go. As long as the emperor's jade seal gets his hands, he will do it immediately. After all, only dead people can keep secrets forever.

"Shameless!"

This chapter is provided by . Visit for daily update.

Hearing this, Long Qian was almost speechless.

This Huang Zheng is really daring, and even delusionally wants to be the emperor of the Southern Cloud Continent.

At this time, Yue Wuya couldn't help but chuckle, and whispered behind Long Qianyu: "It seems that your luck is really bad today. First you met a lecher, and now your subordinates are rebelling."

call!

Hearing this, Long Qianyu couldn't help but glared at him, this kid is really as virtuous as his father, what time is it, and he is still in the mood to speak sarcastically.

At this time, Yue Wuya looked at Huang Zheng: "This general is so majestic, even the queen dares to threaten, I want to know, what will you do with me later?"

Hehe...

Huang Zhengxie laughed: “She I love you so much, how can I dare to do anything to you? I only need the emperor’s jade seal and her written will, these two things, as long as I get them, the two of you will be free.”

“Really?” Yue Wuya Ren Can’t stop laughing.

Although Yue Wuya was very young, he walked freely in the rivers and lakes, and at a glance he could see that Huang Zheng in front of him was a villain who went back on his word. He couldn’t believe a word of his words.

“Huang Zheng!”

At this time, Long Qianyu calmed down and said coldly: “You can’t get Yuxi and the will, I gave you a chance just now, but you are more presumptuous, I don’t want to get my hands dirty, you Do it yourself.”

Huh?

Huang Zheng was stunned for a moment, thinking that he had heard it wrong, and then he couldn’t help laughing: “Long Qianyu, Long Qianyu, I really admire you. How dare you

speak madly at this time?” Huang Zheng’s face turned grim: “If you don’t write a will, then you will die.”

Om!

When the last word fell, Huang Zheng’s figure erupted and hit Long Qianyu with a palm. In his heart, Yue Wuya was still healing Long Qianyu at this time, and there was no chance for him to fight back.

With this palm, Huang Zheng burst out with all his strength, and wherever the figure passed, the air was extremely distorted.

Long Qianyu had no idea that he really dared to do something, and was shocked and angry at the time: “Huang Zheng, you are bold.”

“Haha!”

Huang Zheng was very proud, and couldn’t hide his ruthlessness: “Now you know what you’re afraid of? It’s a pity I It’s too late.”

“Bold madman!”

Seeing that this palm was about to hit Long Qianyu, suddenly, Yue Wuya, who had been sitting at the back, suddenly shouted, and jumped up to greet him. On Huang Zheng's palm.

Chapter 4757

Om!

This palm of Yue Wuya almost burst out with all his strength, and all of a sudden, the air around him seemed to be stagnant.

He had been on his feet before, just to be surprised.

“You...”

Suddenly seeing Yue Wuya's violent outburst, Huang Zheng's face changed and he was terrified: “Aren't you still healing her? How could it be...” He thought that Yue Wuya was giving Long Qianyu healed his wounds, so he would act with confidence and boldness, but he never expected that the situation would be unexpected.

Just before he finished speaking, he was interrupted by Yue Wuya: “You think I've been sitting there and healing her, huh, huh, let me tell you, when you broke in just now, we were already over. I've been sitting here all this time, just to see how a villain like you performs.” The

last word fell, and Yue Wuya suddenly accelerated.

Gudong...

At this moment, feeling the terrifying power of Yue Wuya, Huang Zheng couldn't help but gasp.

boom!

The two palms collided, only to hear a dull sound, and then, Huang Zheng's whole body spurted blood and was directly sent flying out.

Pfft...

Flying dozens of meters away, Huang Zheng threw a rain of blood in the air, and then fell heavily outside. There was a burst of pain, and he almost fainted.

At this time, Huang Zheng clearly felt that the palm of his hand just now broke several of his ribs, the blood in his body was churning, and his internal strength was completely disordered.

hiss...

Huang Zheng couldn't help gasping for air. Looking at Yue Wuya's eyes, he was even more shocked and fearful. According to rumors, this kid was strong and powerful. When he was young, facing the heroes of the world, he did not change his face, or even did not change his face. Before sitting on the Lord of Heaven's Gate, he had also subdued many evil forces in the rivers and lakes.

I thought these were all rumors, but I never thought that he was more powerful than the rumors.

"With this little ability, do you want to kill the empress and seize the throne?"

At this moment, Yue Wuya said coldly, then raised his hand and waved.

Click.

With a crisp sound, the Overlord Hammer clenched his hands tightly, and then swung it suddenly. In an instant, a terrifying force burst out, forming a dazzling golden beam, coming directly towards Huang Zheng.

Seeing this scene, Long Qianyu was excited again, and his heart was complicated again.

Yue Wuya used the Overlord's Hammer. This daring Huang Zheng will surely die. It's just a pity that Yue Wuya is Yue Feng's son. It would be great if he was his subordinate.

Chi Chi...

dazzlingly busy, almost the entire fishing port was turned into a golden color, and within ten miles, it was enveloped by this terrifying aura.

Huang Zheng was also surprised. Is this the rumored Overlord Hammer? This power is too terrifying, isn't it? Thinking to himself, Huang Zheng hurriedly activated his internal force and formed a protective film in front of him in an attempt to block the blow.

boom! ...

In the next second, Jin Mang slammed hard on the protective film, and saw that the protective film shattered instantly, Huang Zheng even snorted, and another mouthful of blood spit out, and his body flew far away.

Although Huang Zheng's power is not weak, but Yue Wuya has the Overlord's Hammer, even if he tries his best, he can't resist this blow!

“Before you, I have already killed a scum in the rivers and lakes. It’s not worse than you. Go to die.” At this time, Yue Wuya clenched the Overlord’s Hammer, his figure turned into a streamer, and attacked Huang Zheng again.

Done.

In the face of this situation, Huang Zheng’s heart was split, and he was a little resigned at the time, but under the stimulation of the desire to survive, he still decided to give it a shot.

At this critical moment, Huang Zheng gave up his resistance, but turned his head to fix his eyes on Long Qianyu: “Even if I die, I will pull you with me.” When the words

fell, Huang Zheng raised his hand and waved it, opening it and hiding it in his sleeve an agency.

Chi Chi...

In an instant, I heard a rapid sound, and one after another silver dart shot out, like a feather arrow in the sky, heading towards Long Qianyu’s major death points.

Huang Zheng’s hidden weapon, called ‘Mantian Meteor’, was originally intended to be used at the juncture of life and death.

The incident happened suddenly. At that time, Long Qianyu’s delicate body trembled, shocked and angry, and it was too late to dodge.

She never thought that Huang Zheng was so despicable, and at such a time, he still wanted to take his own life.

Chapter 4758

Nima!

At this moment, Yue Wuya was also furious, Huang Zheng was so cunning, he dared to play the trick of ‘sounding the east and attacking the west’ in front of him.

Although Yue Wuya was young, he was experienced in all corners of the world. He knew that Huang Zheng was doing this because he wanted to take the opportunity to escape.

However, the situation was critical, Yue Wuya still rushed over, stood in front of Long Qianyu, and waved the Overlord Hammer to block those silver darts. You must know that the poison in Long Qianyu’s body has just been expelled, and his body is still a little weak. The silver darts can’t stop them at all. If I don’t care, I’m afraid she will be shot into a hornet’s nest...

ding ding dong... In

the blink of an eye, all the thousands of silver darts were blocked by Yue Wuya, and the A crisp, falling to the ground.

And Huang Zheng also took this opportunity to turn around and run.

I saw him covering the wound on his body with one hand, gritted his teeth, and pushed the figure to the extreme, and disappeared into the night in a blink of an eye.

“Come on!”

Seeing this scene, Long Qianyu was very anxious. He shouted at that time and was about to catch up, but he frowned as soon as he moved, and a layer of cold sweat instantly appeared on his forehead.

She had just gotten rid of the poison, and she was already weak.

Swish!

Yue Wuya was about to chase, but when he saw Long Qianyu's situation, he quickly stopped and couldn't help asking, “How are you?”

” The direction of Huang Zheng's departure: “You catch up quickly, this person must not stay alive.”

Long Qianyu knows Huang Zheng very well, this person is very sophisticated, and he is good at disguising. Let it go.

More importantly, Huang Zheng had a heavy army in his hands, and it would be even more troublesome if he waited for him to return to the imperial city, confounded right and wrong with the civil and military officials, and fabricated the facts.

Therefore, Huang Zheng must die.

The more Long Qianyu thought about it, the more anxious he became, and finally he slumped on the ground, his face pale and weak, and his whole body was full of weakness.

“Okay!”

Yue Wuya was very helpless, and said with a wry smile: “Although this person deserves death, you have to take care of your body. The poison in your body has just been expelled by me, so remember to get angry.”

“As I see it, you rest here first, and I'll go after him.”

After saying the last sentence, Yue Wuya was about to leave.

“No!”

However, this is, Long Qianyu’s delicate face is full of determination: “This matter cannot be delayed, I must rush back to the imperial city as soon as possible, and I must dare to be before Huang Zheng.

”, Long Qianyu struggled to stand up.

Ugh!

Yue Wuya was completely speechless, so he had to support her and said, “Okay, I will escort you back to the imperial city.” After speaking, Yue Wuya shook his head secretly, this Long Qianyu is so stubborn, and he has no body for such a big thing. important.

But these can only be muttered a few words in the heart, did not say it, after all, Long Qianyu’s personality is too arrogant.

A few minutes later, Yue Wuya took Long Qianyu on the road, rushing in the direction of Nanyun Imperial City, but Long Qianyu was very weak, so his speed was very slow.

.....

On the other side, Huang Zheng endured the severe pain on his body and rushed non-stop, and finally arrived at the imperial city before dawn.

Long Qianyu’s guess was good. Huang Zheng decided to come back first and use all means to control the imperial city. Even if Long Qianyu came back, he would be powerless to return to the sky.

So along the way, Huang Zheng took a lot of healing elixir.

“General?”

“General...”

At the gate of the palace, several guards were shocked when they saw Huang Zheng, who was in a state of embarrassment, and came up to greet him one after another.

What’s the situation?

Didn’t the general follow the queen to exterminate the pirates? Why did he come back alone, and he seemed to be seriously injured.

Questions flashed in the minds of several guards. However, Huang Zheng

didn't give them a chance to ask at all. He waved his hand and shouted anxiously: "Quick, call the civil and military officials immediately. I have something important to announce. Quick, must be quick."

Walk towards the hall.

"Yes, General." Several guards looked at each other, all realizing that something big had happened, and they didn't dare to neglect them, so they hurried to give orders.

Chapter 4759

Ten minutes later, the civil and military officials gathered in the hall.

Seeing Huang Zheng's embarrassed appearance, everyone was in shock.

Among the crowd, a slender figure was particularly eye-catching, wearing a bright yellow dress and golden flower feathers, which was incomparably beautiful.

The woman's name is Lu Yufei. She is a celebrity beside Long Qianyu. She holds the post of Jade Shou in front of the hall. Although Jade Shou in front of the hall is only a third-rank official, it is no trivial matter. When the Queen is not around, she can replace the Queen and handle government affairs.

At this time, Lu Yufei was standing quietly in front of the throne. The surrounding civil and military officials were all respectful and did not dare to be presumptuous in the slightest.

But Huang Zheng was full of disdain.

This time, the first person to get rid of to return to the imperial city is this Lu Yufei. After all, she is the Queen's confidant, and her position is special, and she must not be left alive.

"Huang Zheng."

This is, Lu Yufei looked at Huang Zheng quietly, hiding her anxiety: "You followed Your Majesty and led hundreds of thousands of troops to destroy the pirates, why did you come back alone?" "

What about Her Majesty the Queen?"

Said that Lu Yufei is indeed the person who often accompanies the Queen, a few words are clear and sweet, but full of majesty.

Swish!

At this moment, the eyes of the surrounding civil and military officials also locked on Huang Zheng, waiting for her answer.

Huang Zheng deliberately avoided looking at Lu Yufei, looked around slowly, and looked very sad: "Your Majesty, something happened to Your Majesty..."

What?

Hearing this, both Lu Yufei and the civil and military officials present were shocked.

Especially Lu Yufei, her delicate body trembled, thinking she heard it wrong, and said to Huang Zheng: "What did you say? What happened to Your Majesty? What happened?"

Huh!

Huang Zheng still couldn't bear Lu Yufei, took a deep breath, and said to the people around him: "At that time, Your Majesty and I led a large army to surround Longwang Island. At that time, Chen Bing formed a formation and surrounded Longwang Island so that it could not be airtight. Who knows who is capable of winning the game. The female pirate leader, every step of the way, expected us to be first."

"The siege of the infallible skill was broken by them. In the end, Her Majesty the Queen personally fought with the female leader. As a result, Her Majesty was seriously injured and sank to the bottom of the sea."

"We The hundreds of thousands of troops in the army also disintegrated and fled."

At this

moment, the entire hall was deadly silent, whether it was Lu Yufei or those civil and military officials, they were all stunned and their minds were buzzing. The sound, for a long time, could not come to my senses.

This time, the extermination of the pirates failed, and the defeat was so tragic.

Soon, some officials reacted and couldn't help but say: "How is this possible? Our Nagumo army of hundreds of thousands is still unable to deal with a mere pirate organization? Moreover, Your Majesty's military is like a god, how could the other party have the first chance? "

Yeah..."

"There must be something strange about this."

"How can you lose a battle that is sure to win?" The

surrounding discussion, you and I came, Huang Zheng was extremely sad on the surface, but secretly in his heart sneer.

“Everyone!” In the

next second, Huang Zheng looked around the audience and said word by word, “I was just like you at the time, puzzled, but when I retreated later, I caught a pirate, according to the pirate. Say, inside our Nanyun Continent, there are spies.”

Whoa!

The last five words sounded like a thunderbolt on the calm lake, and in an instant, the entire hall was boiling. All the civil and military officials present were filled with righteous indignation and scolded them one after another.

“What I said, it turns out that there is a traitor.”

“That is, otherwise, how can a sure-win battle be lost?”

“General, tell me who this traitor is?”

Facing Baiguan’s questioning, Huang Zheng’s face was sad and angry, There was a hint of cunning in his eyes. At that time, he raised his finger to Lu Yufei and shouted, “It’s her. She betrayed His Majesty and our Southern Cloud Continent.”

Yes, Huang Zheng had been laying the groundwork for so long, and the ultimate goal was to frame it. Lu Yufei. Use this trumped-up charge to get rid of this biggest stumbling block.

Swish!

The voice fell, and hundreds of pairs of eyes in the hall locked on Lu Yufei, all of them were extremely surprised.

She betrayed His Majesty?

This...Impossible, you know, she is a popular person by His Majesty’s side, how could she betray with His Majesty’s grace?

Lu Yufei was also shocked, as if she could not have imagined that Huang Zheng would eventually point her finger at herself.

Chapter 4760

Lu Yufei is a smart woman, and soon realized that she was framed.

“Huang Zheng.”

Realizing this, Lu Yufei frowned and shouted at Huang Zhengjiao: “Don’t spit, I am loyal to Your Majesty, how could I betray?”

“Also, I have been staying in the palace this time to destroy the pirates. Even if you want to frame me, I will trouble you to find a good reason.” He

argued with reason, neither humble nor arrogant.

Huh ...

Hearing this, many officials nodded in agreement, because Lu Yufei’s words made sense, and they didn’t follow him, so what’s the betrayal?

However, Huang Zheng had already thought about his speech, and sneered at this moment, looking directly at Lu Yufei: “Lu Yufei, don’t make quibbles, before the departure, Your Majesty and I had already worked out the details of the encirclement and suppression, and you were there at the time. “

After we set off, you quietly sent people to hand over our operational deployment to the female pirate leader, so she would be one step ahead of us everywhere, and finally broke through the siege and switched from defense to offense...”

When he said this, Huang Zheng looked sad and angry.

“You are talking nonsense...”

Lu Yufei’s anger was unclear, and her delicate body kept trembling: “What are the deployments, you are all out of nothing.” Huang Zheng said it right. Before leaving, the queen did talk to him alone, and Lu Yufei had a conversation with him. He was also present, but the Queen did not make any strategic plans at that time.

All this was made up by Huang Zheng.

Seeing this situation, many of the civil and military officials present were confused. What both sides said made sense. Who should they listen to?

“Anything out of nothing?”

At this moment, Huang Zheng sneered, pointed at himself and shouted: “I am a dignified general, will I wrong you for no reason? You see me, I only came back after a near-death, did this general use his own life? To slander you?” The

last word fell, Huang Zheng took out a blood-stained secret letter from his body and threw it on the ground: "Everyone, this is the secret letter Lu Yufei wrote to the female pirate leader at that time. She pleads not guilty."

At this time, Huang Zheng's eyes were full of viciousness.

Yes, this secret letter was forged by him, imitating Lu Yufei's handwriting, and then he deliberately smeared it with blood, making the handwriting a little blurred, making it difficult to distinguish between true and false.

Whoa!

In an instant, hundreds of civil and military officials gathered around and opened the secret letter to review. As expected, what was written above was the strategic deployment of the Nagumo Army, and the last signature was Lu Yufei.

For a time, everyone present was shocked and glared at Lu Yufei.

"It's really you..."

"Lu Yufei, Your Majesty treats you well, but you actually colluded with pirates..." "It's true that you know the enemy and betray your country

and kill your Majesty.

The shouts kept coming, and Lu Yufei trembled faintly in the suburbs. She was angry and aggrieved. She never thought that Huang Zheng had forged a secret letter in order to frame her.

However, Lu Yufei quickly calmed down and stared at Huang Zheng with a pair of eyes: "Huang Zheng, you framed Your Majesty, slandered me, and your ultimate goal is to seize the throne and become emperor. I tell you, I will not let you succeed." "Isn't it

!"

Just as he finished speaking, Huang Zheng scolded angrily and said hypocritically, "You still dare to speak up, come here, take Lu Yufei down, hang him at the gate of the city for three days, and behead his head three days later. public."

Wow...

The last word fell, and nearly a hundred guards who had already been arranged by Huang Zheng outside the hall rushed in and surrounded Lu Yufei.

"Rumbling ministers and thieves."

Seeing the guards rushing up, Lu Yufei bit her lip tightly, not panicking at all, and shouted at Huang Zhengjiao at the time, "You're going to die."

Omg!

As soon as the words fell, Lu Yufei's inner strength exploded, and her figure flew up, fighting fiercely with those guards.

The fact that Lu Yufei can be used so much by Long Qianyu is not only strong, but also not weak, but she is a woman after all. Facing the siege of more than 100 palace guards at this time, she will soon be unable to hold back.
