

The ultimate husband in Chinese chapter 4971-4980

Chapter 4971

“Ma De, it’s just a fluke win, so arrogant? I’ll come...”

“I’ll go up and meet him...”

Under the anger, many experts from all corners of the world rushed to the stage, but the result was not in one round, they were all knocked out by Gone, and fell to the ground one by one, mourning.

Hiss...

In an instant, the entire Sea King Plaza was deadly silent, everyone stared blankly at Gone in the ring, and their hearts were shocked.

This... the strength of this young master of the Liu family is so terrifying?

At this time, Gone looked around: “Is there anyone else?” The

voice fell, and the surroundings were dead silent. No one dared to respond. Just kidding, a dozen people going up at the same time are not opponents. Who dares to go up and look uncomfortable?

“Haha...”

At this time, Yu Du suddenly stood up from the viewing platform and laughed at Gone: “Your Excellency is Liu Dashao of the Liu Group in Donghai City, you are amazing.”

“The next arena, There is no need to compare Liu Shao, I am the organizer of this arena, and I have ordered someone to prepare the reward just now, please come with me.”

After saying the last sentence, Yu Du walked off the viewing platform and made a please gesture at Gone. .

At this time, Yu Du was very excited. The ring competitions held in various places in the past few days have been very successful. Up to now, nearly 20,000 members have been recruited, but among these recruited people, they have never seen one before. It is really shocking that a peerless master like Liu Hao is one enemy in the ring.

At this time, Yu Du didn’t know that the person in front of him was not the young master of the Liu family at all, but the supreme being of the Demon Race, who was famous in the Three Realms.

call!

This chapter is provided by . Visit for daily update.

Seeing Yu Du's attentiveness and politeness, Gogne took a deep breath. He was also polite at the time and walked out of the square directly, and got into a luxury car under Yu Du's greeting.

Ten minutes later, the Pearl of the Orient Hotel.

In the luxurious box, Yu Du politely invited Gogne to sit down, made a cup of tea, and said with a smile, "When I first came to Donghai City, I only heard that Liu Shao was in the shopping mall, and he never interacted with people in the world, but he said with a smile. Unexpectedly, the strength is so strong, the fight in the arena just now is really eye-opening."

After speaking, Yu Du handed the teacup to Gogne.

The surface is polite, but Yu Du's eyes flash with treacherousness. Yes, just like the person in charge of the ring competition in various places, Yu Du also poisoned the tea just now, the purpose is to better control these participating Jianghu people.

Yu Du's expression changed, and Gogne had a panoramic view.

Haha...

Seeing him drinking tea, the corners of Yu Du's mouth twitched slightly, and he said, "Liu Shao, I wonder if you are interested in joining the sect?"

Gogne looked at him indifferently: "What sect?" Yu Du

smiled, took out a blood demon bead from his body, and said slowly: "Blood demon door, as long as you are willing to join, I guarantee you to become the Four Great Laws. The head of the king, how is it?" The

four Dharma kings are only under the sect master of Yu Du, and this position is already very high, which shows that Yu Du attaches great importance to Gogne.

Swish!

However, Gogne did not respond, but stood up abruptly, locked onto the blood demon bead in Yu Du's hand, his eyes were full of shock and excitement, and asked hoarsely, "Where did it come from?"

At this time, Gogne was both excited and stunned. As the Supreme Being of the Demon Race, how could he not know the Blood Demon Orb? This is what the demons control

the enemy, but... in the previous battle of gods and demons, I almost lost my soul, and all the demon tribes were destroyed, and things like blood magic beads disappeared. .

What he didn't expect was that, at this time in the Kyushu Continent, he could still see the Blood Demon Orb, and it also appeared in the hands of a human, how could he not be shocked?

Um?

Looking at Gone's reaction, Yu Du secretly frowned, is this person mentally ill? Why were you surprised?

Thinking to himself, Yu Du replied indifferently: "You don't have to worry about this, you just need to..."

Before he could finish speaking, he was interrupted by Gone.

"! Ask! You!" At this time, Gone's eyes were extremely blood red, like a beast waiting for an opportunity, tightly locking the residual poison: "Where did you come from this blood magic bead?"

Chapter 4972

Mad! Yu Du suddenly got angry, stood up abruptly, looked at Gone fearlessly, and shouted angrily: "Dare

to talk to me like this? Do you know who I am?"

Recognize the blood magic bead at this time, hehe, but so what? I tell you, your life is in my hands now, so you have to do what I say next, you know?"

Seriously, just now Ge Nie said the blood magic bead, and Yu Du was very surprised.

But think about it carefully. A year ago, the demon forces headed by Bai Yunfei were a disaster for the rivers and lakes. At that time, many sects joined forces to resist. Perhaps, the master of the Liu family was one of the resisters back then. Will know the blood magic bead.

But these are not important, the important thing is that the other party drank poisonous tea just now, in this case, the residual poison is naturally full of confidence.

hum!

It's just that the voice just fell, and Yu Du only felt a powerful aura that burst out from Gone's body and instantly enveloped him.

Good strong breath suppression.

Yu Du couldn't help but take a deep breath of cold air. This person's strength seems to be much stronger than the Queen, but don't panic, the opponent has been poisoned in the body.

Thinking of this, Yu Du sneered: "Good boy, you are very courageous, and you still want to do it in front of this seat? You are afraid that you don't know the means of this seat."
The

voice fell, and a powerful breath burst out from Yu Du, violently. He raised his hand and hit Gone with the palm of his hand. In the past few months, Yu Du's strength has grown by leaps and bounds under Mo Yan's training. At this time, he has entered the late stage of the Tribulation Transcendence Realm.

In Yu Du's eyes, the young master of the Liu family in front of him was very powerful, but he was poisoned, and he was fully confident that he could easily subdue him within a minute.

"Haha..."

Seeing Yu Du's sudden attack, Gone smiled contemptuously, his face did not change color and his heart did not beat, he raised his hand and met Yu Du's palm.

boom!

I just heard a dull sound, and the moment when the two palms touched, a terrifying aura wave swept across the room.

Seeing that everything in the room was destroyed, and the window glass was about to shatter, Gone raised his hand lightly and deployed a protective film around the entire room.

Buzzing...

Disperses the surrounding aura fluctuations, hits the protective film, makes a humming sound, and finally cancels each other out.

What?

Seeing this situation, Yu Du was shocked. You must know that the palm of your hand just now exerted ten layers of skill. Not only was it easily blocked by the opponent, but the burst of aura fluctuations could also be quickly blocked by him. ... This strength, I'm afraid the Queen can't do it.

And... isn't he poisoned? How can such a terrifying power erupt?

Incredible.

“You...”

Under the shock, Yu Du finally realized that he was in front of an incomparably powerful being, it couldn't be just as simple as the young master of the Liu family, and his tone immediately trembled: “Who are you?”

” He didn't answer directly, but walked over to pick up the blood demon bead that fell on the ground, held it in his palm and stared at it for a moment, then said lightly, “You don't need to know who I am, all you have to do now is take me to see you. The person who gave you the blood magic bead.”

After speaking, Gone looked at Yu Du with a burning gaze: “Did you think that if I was poisoned, I would not be your opponent? You are wrong, this kind of poison is useless to me at all. .”

“You dream...”

Yu Du gritted his teeth and shook his head resolutely: “I won't take you to see her.” The queen is now taking care of the young master, and she must not be disturbed.

“Really?”

Seeing his appearance, Gone's mouth twitched into a sneer: “It seems that you are very loyal to your master, if my guess is correct, the entire Kyushu arena was arranged by you. , right, but, the person who really planned this plan is not you, but the person behind you.”

“You can go without me, you can kill you, I can find her the same way.”

Kacha ...

The last word fell, Gone's five fingers exerted force, the blood magic bead burst instantly, and an extremely strong Yin Sha force escaped, and was quickly absorbed by Gone in the body.

Chapter 4973

Hiss!

Seeing this scene, Yu Du couldn't help gasping for air, his legs were weak, and he almost collapsed on the ground. Looking at Gone's eyes, he was also full of horror.

Is this man the devil?

You must know that the Blood Demon Orb given to him by Queen Moyan is of unique material and very hard. Legend has it that it is something unique to the Demon Race. Even a strong person in the late stage of the Tribulation Realm can't damage it with all his strength.

The person in front of him, with just a little force, crushed the blood magic bead, not only that, but also absorbed the powerful power inside.

"How's it going?"

At this time, Gonie gave Yu Du a casual glance: "Would you rather die than take me to see her?"

Punt... Yu Du's body trembled

, and he couldn't help it any longer. His legs softened and he knelt on the ground: "I will take you, I will take you to see the queen..."

Yu Du is not a fool, the strength of the person in front of him is beyond his imagination, even if he takes his life, the other party still has The way to go overseas to meet Mo Yan, instead of giving up her life in vain, it is better to temporarily compromise.

...

At this moment, the Liu Group Building in Donghai City.

In the lobby on the first floor, a young and handsome man sat on the sofa carefree, wearing a white suit, indescribably suave and handsome.

Behind the man, stood quietly four beauties. These four beauties, all with sexy body, were all wearing cheongsam, which perfectly showed their charming curves. Many male employees of Liu's Group looked at the eyes. straight.

If Yue Feng was present at this time, he would definitely be surprised and delighted.

Because this handsome man in a white suit is none other than Zhu Bajie.

A year ago, after the demise of Kyushu, the demon forces headed by Bai Yunfei, Zhu Bajie no longer intervened in the affairs of the arena, but moved to the business world. With his ingenuity, he opened a film and television company?

You know, Zhu Bajie is notoriously lecherous. This is a well-known thing in the entire Kyushu rivers and lakes. At the very beginning, Zhu Bajie traveled around the rivers and lakes and admired the beautiful scenery. Aventure.

Speaking of Zhu Bajie's handsomeness, it is not difficult to encounter an affair on the rivers and lakes, but Zhu Bajie is far from satisfied. Finally, when he arrives at Diyu Continent, he finds that the entertainment industry here is developing rapidly, especially in the entertainment industry, where countries can be seen everywhere. The beauty of Se Tianxiang, Zhu Bajie decided to open a film and television company as soon as they summed up. The purpose is not to make money, but purely for beauty.

In less than a year, Zhu Bajie's film and television company has become very popular and has gained some fame in the entertainment industry, but Zhu Bajie is still far from satisfied.

Last month, Zhu Bajie held a beauty contest within the company, and finally selected the top four, and also deliberately took the four stage names of 'Plum Orchid Bamboo Chrysanthemum'.

After that, every time he went out, Zhu Bajie would bring plum, orchid, bamboo and chrysanthemum with him, on the one hand, to be pleasing to the eyes, and on the other hand, to save face.

Recently, Zhu Bajie heard that the young master of the Liu family in Donghai City also opened an entertainment company and recruited newcomers with high salaries. It is said that many female newcomers who came to apply for the job were more beautiful than the other.

Knowing the situation at the time, Zhu Bajie was very itchy and wanted to come to the Liu family for a good cooperation, but he was occupied by official business at the time, and he never took time. Until today, he officially came to visit the Liu family group building.

At this moment, Zhu Bajie was sitting on the sofa, looking at Erlang's legs very leisurely.

"Oops!"

While enjoying it, Zhu Bajie admired the front desk lady not far away, tsk tsk admiring: "I can't see the eyes of the Liu family, it's also very good, even the front desk lady is so beautiful, then his family's new trick Isn't the female star more beautiful? Haha..."

Dengdengdeng... As

he was talking, the elevator door opened, followed by a slender figure who walked over quickly.

The woman is in her twenties, wearing a black professional skirt with hip wraps, with finely crafted facial features, and a pair of long snow-white legs exposed in the air, indescribably sexy and charming.

It was Jiang Wenwen, the secretary to the president of the Liu Group.

Chapter 4974

Jiang Wenwen was originally a female employee of the Liu family's enterprise. Later, after Gone took over Liu Hao's body, she accidentally discovered her. After several observations and tests, she found that Jiang Wenwen was well-informed and reasonable in her actions. She was transferred to her side and became a secretary.

Today Jiang Wenwen was originally in the office, dealing with company affairs. Suddenly, she heard from the front desk that there was an executive of a film and television company who came to visit on purpose. Jiang Wenwen hurried down to receive her.

Phew...what a handsome man.

Before she could go to the front, Jiang Wenwen suddenly lost her mind when she saw Zhu Bajie sitting there.

Speaking of which, Jiang Wenwen, as Gone's secretary, was recently in charge of the entertainment company. When the company recruited new men, Jiang Wenwen also checked it out. It can be said that she met a lot of handsome men.

But the handsome man in front of him is simply perfect, and no one can find any flaws.

It's just...how does this man's gaze make people feel so frivolous?

"Hello!"

Muttering in her heart, Jiang Wenwen approached Zhu Bajie and greeted her very politely: "I'm Mr. Liu's secretary Jiang Wenwen, who is Mr..." Before

she could finish speaking, Zhu Bajie said hello. He smiled slightly and interrupted: "Just call me President Zhu, I'm the president of Xishan Film and Television Culture. Oh, I didn't expect your Liu Group, not only the front desk looks beautiful, but also the president's secretary. Ah."

After speaking, Zhu Bajie couldn't help standing up, leaned in to admire Jiang Wenwen, and said with a smile, "Beauty, have you ever thought about changing jobs? Come to me as a secretary?"

Zhu Bajie is such a character, When I see a beautiful woman, I get carried away.

This....

Hearing these words, Jiang Wenwen's delicate face suddenly blushed, and she couldn't help but feel awkward.

Is this the president of Xishan Film and Television? How can you speak so rudely, and how can you ask people if you want to change jobs just after meeting?

Thinking about it, Jiang Wenwen smiled politely: "Mr. Zhu really knows how to joke, our president is very kind to me, and I haven't thought about quitting for now."

After speaking, Jiang Wenwen asked politely, "May I ask Mr. Zhu This time, what's the matter?"

Well...

Zhu Bajie scratched his head and said with a smile: "Of course we're talking about cooperation? Recently our company is going to invest in two movies, and the heroine has to recruit new people, listen. You said that your company has recruited a lot of beautiful women recently, so I'll come and take a look."

Then, Zhu Bajie looked around: "Where's your boss Liu?" Bajie felt a little embarrassed.

Although this Jiang Wenwen is very beautiful, she is also someone's secretary.

"This..."

Feeling Zhu Bajie's displeasure, Jiang Wenwen hurriedly said: "As for the entertainment company, Mr. Liu of my family has given me full authority. If we want to discuss cooperation, Mr. Zhu will just talk to me. Mr. Liu of our family will do. , I seem to be going to Neptune Square to watch the ring match." In the past two days, the ring match in various places has been very popular, and many people have gone to watch it, of course Jiang Wenwen knows it.

Ring match?

Zhu Bajie frowned and couldn't help whispering: What's so good about the ring competition? There are so many beautiful women in the company, but they go outside to watch people fight and kill. The Liu family really doesn't understand this. Life.

Muttering, Zhu Bajie's eyes fell on Jiang Wenwen again, showing a harmless smile: "Let's talk, let's go, go to your office, haha..."

With that said, Zhu Bajie asked Meilan Zhuju to wait below, and then got on the elevator with Jiang Wenwen.

Soon after arriving at the office on the top floor, Jiang Wenwen transferred all the new female information in the company from the computer, and let Zhu Bajie take a look first.

Although Zhu Bajie is lecherous, he is also very picky about beauties. After reading it once, he was not satisfied, and he suddenly lost interest.

“Mr. Zhu, don’t worry, there is another document, I’ll look for it.” Jiang Wenwen said, and began to get busy typing on the keyboard.

Zhu Bajie stood up and walked around casually.

Um?

Seeing the oversized office next door, Zhu Bajie immediately became interested: “Is this your President Liu’s office?”

Chapter 4975

said, Zhu Bajie walked over, ready to open the door to visit.

“Mr. Zhu!”

Jiang Wenwen was startled when she saw this scene, and quickly stood up to stop it: “You must never go in, Mr. Liu of my family has a big temper. What I don’t like the most is that someone trespasses on his premises without permission. The office is over.”

In Jiang Wenwen’s memory, Liu Shao has always been very gentle, but it is also very scary to lose his temper. She clearly remembered that last time a security captain forgot to knock on the door, not only was he scolded, but also directly fired.

But who is Zhu Bajie? Across the rivers and lakes, do whatever you want.

Hearing Jiang Wenwen’s words at this time, Zhu Bajie became even more interested, he smiled and said, “Your boss Liu doesn’t let anyone in casually, is it Jin Zangjiao? Haha, then I’ll have to take a look.”

When the voice fell, Zhu Bajie pushed the door and walked in.

“Hey... Mr. Zhu!”

Jiang Wenwen was so anxious that she quickly followed behind and asked in a low voice, “Mr. Zhu, you should go out. When Mr. Liu comes back, if we know that I let you in, he will definitely scold me. .”

When saying this, Jiang Wenwen was very helpless, why is this Mr. Zhu like this, breaking into other people's offices casually.

But Zhu Bajie looked disapproving: "It's okay, I'm here to find you to cooperate, big business, can he turn his face with me for money? Let's talk..."

After speaking, Zhu Bajie looked around at the person in front of him. The super luxurious large office said very boringly: "Look, I didn't touch anything here."

At this time, Zhu Bajie felt very boring, thinking that there was a beauty hidden in it, but there was nothing.

Jiang Wenwen nodded and was about to pull Zhu Bajie out.

Um...

However, at this moment, a low humming sound suddenly came from the office. The voice was full of depression and a trace of pain, and it was very small. But Zhu Bajie and Jiang Wenwen still heard it.

I go.

At this moment, Zhu Bajie's eyes lit up, as if he had discovered a new world, and he laughed: "Oh, I just said that Mr. Liu and I are the same people, such a luxurious, such a big office, how could it not be a treasure in a golden house? That would be too wasteful, haha."

"Let me, Lao Zhu, see if the beauty in Mr. Liu's possession is a beautiful woman." After the

last word fell, Zhu Bajie hurriedly walked towards the wardrobe. The sound came from the closet.

This....

at this moment, Jiang Wenwen was also blinded, what's the situation? Is there really a woman hidden in this office?

At the same time, Jiang Wenwen was also a little puzzled. No, Mr. Liu has never been close to women. How could he hide a woman in the closet?

Squeak!

Just when Jiang Wenwen was puzzled, Zhu Bajie had already opened the closet. In an instant, seeing the scene inside, Zhu Bajie's smiling face suddenly froze, and then his brows were furrowed, revealing deep surprise.

“Brother and sister?”

At this moment, Zhu Bajie was stunned.

I saw that there lay a stunning beauty who had just woken up, but it was none other than Yue Feng’s woman, Xiao Yuruo.

Back then, Zhu Bajie lived in the Ouyang family for a while, and he still had a fresh memory of the stunning beauty. Although it had been almost two years, he still recognized it at a glance.

At this time, Xiao Yuruo was also completely awake. Seeing Zhu Bajie standing outside with a look of astonishment, she was also stunned: “Brother Zhu?”

As she spoke, Xiao Yuruo rubbed her brows and was in a coma for a few hours, still feeling a little dizzy.

“Brother and sister!” At this moment, Zhu Bajie

also reacted, and quickly helped Xiao Yuruo out, and asked solemnly, “What’s the matter? Why are you here?”

What: “Oh, I see, you are meeting other men privately here, brother and sister, it’s not right for you to do this.”

Zhu Bajie is lecherous by nature, and his mind is full of matters between men and women. Seeing Xiao Yuruo hiding in the closet, she instinctively thought that she and the Liu family had some ulterior motives.

Swish!

Xiao Yuruo’s face turned red all of a sudden, and she immediately stamped her feet: “Brother Zhu, what nonsense are you talking about? I was knocked unconscious.”

The ultimate husband in Chinese chapter 4976-4980

Chapter 4976

Uh...

Seeing Xiao Yuruo’s shy and angry look, Zhu Bajie was very embarrassed, and immediately scratched his head: “That... brother and sister, don’t be angry, I just said it casually.

” Zhu Bajie noticed that Xiao Yuruo was very weak, and guessed again: “I see, then the young master of the Liu family will kidnap you when he sees you are beautiful, right? Don’t worry, I will help you vent your anger when I see you today. “

Oh...

hearing this, Xiao Yuruo couldn’t even laugh or cry.

After so many years, Zhu Bajie still hasn’t changed at all, he doesn’t speak the slightest seriousness, and he can’t think of anything other than men and women in his mind.

But isn’t it the same for Yue Feng? No matter what the occasion, he doesn’t speak in the slightest seriousness.

Thinking to herself, Xiao Yuruo bit her lip and said helplessly: “Brother Zhu, don’t make any guesses, it’s not what you think. I originally came to find Liu Hao to settle accounts, but I didn’t beat him.”

Thinking of the scene of the fight with Gone at that time, Xiao Yuruo still finds it difficult to calm down.

What?

Hearing this, Zhu Bajie was stunned: “This young master of the Liu family is a cultivator? Impossible, isn’t he just a dude?”

The information obtained before was different.

At the same time, Jiang Wenwen, who was standing at the back, also recovered, and said to Xiao Yuruo, “Miss, are you mistaken? My boss Liu doesn’t know how to cultivate at all.”

As she spoke, Jiang Wenwen spoke. Looking at Xiao Yuruo, even though she had seen many beautiful women, she couldn’t help but wonder.

What a beautiful woman.

This chapter is provided by . Visit for daily update.

However, it looks a little familiar. It seems that I have seen it somewhere, but I can’t remember it for a while.

Xiao Yuruo glanced at Jiang Wenwen and said lightly, “I, Xiao Yuruo, guarantee in the name of the Xiao family that I never lied just now, nor was I confused for a while. Your family’s President Liu is well hidden. I suspect that the former Shaolin monk died in the in his hand.”

What? Xiao Yuruo!

She is the first beauty in Donghai City, Xiao Yuruo who followed the hero of Kyushu Yue Feng in the end?

At this moment, Jiang Wenwen's body trembled when she heard Xiao Yuruo reporting her family, and she was completely stunned. There is no woman who doesn't like heroes, and Jiang Wenwen is the same. A few years ago, when Yue Feng led Kyushu to resist the Rakshasa, Jiang Wenwen directly regarded Yue Feng as the object of worship.

Aiwu and Wu, Jiang Wenwen is also extremely envious of the women around Yue Feng.

Speaking of which, Jiang Wenwen originally thought that the beautiful woman in front of her was a new recruit recruited by the president, and she hid in the closet for some unknown reason, but she never expected that the other party was Xiao Yuruo.

"Wenwen!"

Just when Jiang Wenwen was stunned, suddenly, a deep voice came from behind: "You go down first, I'll handle the matter here." The

voice had a unique magnetism that could not be doubted.

It was Gogne.

Just now at the Pearl of the Orient Hotel, after Gogne forced Yu Du to soften, he planned to set off immediately to go to Dragon King Island to see Mo Yan, but suddenly remembered that Yue Feng's woman was still locked in the closet, and rushed back immediately.

As a result, when he arrived at the door of the office, he found that someone broke in, which made Gogne very angry.

Swish!

The voice sounded, whether it was Jiang Wenwen, or Zhu Bajie and Xiao Yuruo, they were all taken aback.

"President!" Jiang Wenwen was the first to react, and she said nervously: "Yes... This is Mr. Zhu who insisted on coming in, but I didn't stop me..." In her heart, Gogne was always happy. The anger was not visible, and there was a suffocating aura all over his body, and he was a little scared at first, but at this time, he failed to fulfill his duties as a secretary, which caused Zhu Bajie to break in, and his heart was even more terrified.

Gone snorted and said lightly: "It's okay, you go." The

tone was indifferent, but it gave people an aura that couldn't be refuted. And, when he said this, Gone's eyes were locked on Zhu Bajie.

"Yes, President!" Jiang Wenwen hurriedly responded after hearing the order, and then hurried out.

"President Zhu?"

As soon as his forefoot left, Gone said coldly at Zhu Bajie, "Which Boss Zhu are you?"

Chapter 4977 After speaking ,

Gonie glanced at Xiao Yuruo again, and continued: "Isn't it a very rude behavior to break into someone else's office without permission?"

Nie heard it clearly and knew that the two had a close relationship, so she was very vigilant at this time.

"Haha..."

Zhu Bajie laughed, and there was no nonsense at the time: "You don't have to guess, my old Zhu Xing will not change his name, sit, or change his surname, Zhu Bajie, if this Xiao Yu is my younger brother and sister, you should treat me The younger brother and sister are locked in the closet with bad intentions, tell me, how to solve this?"

After saying this, Zhu Bajie sat on the boss chair next to him, his handsome face full of arrogance.

In fact, Zhu Bajie was very uneasy at this time, because he clearly felt that the opponent was very strong, even more powerful than the Emperor Houyi, who he once feared.

hum!

Gone didn't answer, he snorted coldly, his whole body suddenly burst out, and he slapped Zhu Bajie fiercely.

Gone's speed was very fast. Wherever the figure passed, there were trails of afterimages, and in a blink of an eye, he was in front of Zhu Bajie, and the power that erupted completely enveloped him.

"Big Brother Zhu, be careful..."

Seeing this scene, Xiao Yuruo couldn't help sweating for Zhu Bajie, and at the same time couldn't help exclaiming, she had fought with Gone before, and she knew how terrifying this man was.

Although Zhu Bajie was also the most powerful player in the Kyushu continent, it was hard to say who would lose and who would win in a real fight.

"Oh? You don't follow the rules, you do it when you say it, and you don't say hello?" Seeing Gone's palm, Zhu Bajie jumped up instinctively, with a smile that was not a smile. After saying that, he also resolutely exploded his inner strength.

In the next instant, Zhu Bajie raised his right hand and gave Gone a head-to-head slap!

"Bang!" The

two of them tried to touch their palms, and they made a violent vibration. They saw that Zhu Bajie's body was shaken, and he stepped back several steps, his face faintly pale.

Gone also swayed and took two steps back.

Obviously, neither of the two sides took advantage of this palm-to-hand encounter. Speaking of which, Zhu Bajie's strength was far from being Gone's opponent, but he has been in the Kyushu continent for thousands of years, and his strength has long exceeded the tribulation transcendence. territory.

And Gone just reshaped the demon soul, and the strength has not returned to its peak state. At this time, facing Zhu Bajie in his heyday, there is no way to suppress him.

"Your name is Zhu Bajie?"

At this time, Gogne stabilized his figure, his eyes were like icy sharp knives, staring at Zhu Bajie. After staying in the Kyushu mainland for a few months, Gogne also understood some of the situation in the Kyushu rivers and lakes. .

After all, Zhu Bajie was the only one of the peerless powerhouses in the entire Kyushu who could face each other evenly with him and still be safe.

Zhu Bajie touched his nose, his handsome face couldn't hide his arrogance: "With this amount of strength, are you still pretending to be a master in front of my old Zhu?"

"I'll give you a chance now to kneel down for my younger brother and sister. Apologize, otherwise I, Lao Zhu, will give you a taste of the unbearable pain."

Shamelessly!

Seeing his arrogant attitude, Gone chuckled lightly: "I'll tell you if you can win."

At this time, Xiao Yuruo was also secretly anxious, and couldn't help but said to Zhu Bajie: "Brother Zhu, don't underestimate the enemy, this is He is very strong, and he also absorbed the essence of my cousin before, and the practice is very evil."

What?

Breathtaking?

Hearing this, Zhu Bajie was taken aback and watched Gone's expression dignified, and at the same time put away his contempt.

You must know that the exercises that can absorb the essence of people are very sinister. Once they are practiced, they will cause a serious problem in Kyushu. He thought that the boy in front of him was only stronger, but he did not expect such a sinister exercise.

At this time, Zhu Bajie didn't know that the person in front of him was not the young master of the Liu family at all, but the Supreme Being of the Demon Race.

"It turned out to be hidden." In the

next second, Zhu Bajie smiled slightly, his figure erupted, and he fought with Gone again.

"Big Brother Zhu, I'll help you." Xiao Yuruo shouted, and rushed up to fight Gone with Zhu Bajie.

Chapter 4978

Bang Bang Bang...

I saw three figures, constantly colliding back and forth in the huge office, and there was an explosion of breath.

At this time, Jiang Wenwen, who was outside, turned pale with fright when she heard the movement inside, but she did not dare to enter rashly.

.....

On the other side, Lagerstroemia Continent.

After Yue Feng used the Jialan beast to scare Lu Xiaoshuang away, he first meditated and rested for a while.

After a good rest, Yue Feng asked Jia Lan beast some questions, and then walked out of the hall.

After searching the surrounding halls, there were no important clues, so Yue Feng continued to investigate.

After walking for a while, I saw an unfathomable gap in front of me. This gap was more than 100 meters wide and bottomless. There was an iron chain bridge on both sides of the gap.

Across the Chain Bridge, there is a huge square on the opposite side.

And just where the Chain Bridge and the square meet, there is a huge stone tablet. The stele is more than ten meters high. From a distance, the stele is full of golden inscriptions.

In front of the stone tablet, a slender figure stood quietly, quietly looking at the golden inscription on it.

What the hell, why is it her again?

At this moment, Yue Feng just glanced at the back, and immediately frowned, it was none other than Lu Xiaoshuang who had just been scared away by him.

It's over, I gave her the illusion that I was dead, but now that she sees me alive, with her personality, she will definitely not let me go.

At this moment, Yue Feng thought to himself, and was about to turn around and return from the Iron Chain Bridge.

He thought about it, waited for Lu Xiaoshuang to leave, and then crossed the iron chain bridge.

Whoa!

However, the iron chain bridge was swaying between the gaps. At this time, Yue Feng was anxious and moved a little bigger, causing the iron chain bridge to make a sound of metal collision.

“Who?”

Hearing the voice, Lu Xiaoshuang turned his head suddenly, and when he saw that it was Yue Feng, his delicate face was surprised at first, then angered: “Yue Feng, you bastard, how dare you lie to me... At

this time, Lu Xiaoshuang was very angry.

When Yue Feng was drowned by those beasts just now, Lu Xiaoshuang felt a little pity in addition to being panicked. After all, this Yue Feng could not only open the secret lock, but also knew the language of animals. He was also considered a talent. .

But she never imagined that Yue Feng would appear in front of her eyes unharmed.

As the eldest sister of Shendiaomen, Lu Xiaoshuang has a quick mind and guessed at once that the scene just now was directed and acted by Yue Feng, who deliberately deceived himself.

“Go to hell!”

At this moment, the more Lu Xiaoshuang thought about it, the more angry he became.

Wherever the long sword passed, there was a humming sound.

What the hell!

Seeing Lu Xiaoshuang’s face full of anger, Yue Feng was taken aback and wanted to turn around and run, but on this swaying iron chain bridge, how could he run fast?

Moreover, if one is not careful, I am afraid that both of them will fall.

Thinking of this, Yue Feng simply stood there, and shouted with a wry smile: “Lu Xiaoshuang, don’t be impulsive, listen to my explanation. I was almost eaten by those beasts just now, but after you left, another group of people rushed in. After entering, and then fighting with those beasts, I was able to save my life.”

This Lu Xiaoshuang is a tigress, how dare Yue Feng to tell the truth, he can only make up a lie.

Another group?

Hearing this, Lu Xiaoshuang stopped and doubted the letter: “Are you sure you didn’t lie to me?”

Yue Feng smiled bitterly: “We are friends, when have I lied to you?” While speaking, slowly come over.

friend?

Hearing this word, Lu Xiaoshuang curled his lips and said arrogantly: “Whoever is your friend, don’t put gold on your face.”

At this time, Yue Feng had already stepped off the iron chain bridge, feeling her contempt, Suddenly he secretly smiled, this Lu Xiaoshuang seemed to have forgotten how he humbly beat my legs and pinched my shoulders in the hall just now.

Okay, I'll see how I treat you when I have another chance.

Muttering in his heart, Yue Feng glanced at the huge stone monument not far away, and was stunned for a moment: "Golden seal script?"

Chapter 4979 The

golden seal script is the unique text of God's Domain, but Yue Feng is the Nine Heavens Profound Sage of God's Domain, and he is also an emperor, so he knows it naturally.

Um?

Seeing Yue Feng's reaction, Lu Xiaoshuang's tender body trembled, and she was very shocked: "Do you know the words above?" He had never seen this word before, but he recognized it at a glance.

Not only can open the secret lock, but also understand the animal language, and at this time can understand this kind of tedious text.

How many secrets does this man have?

Aware of Lu Xiaoshuang's shock, Yue Feng smiled lightly: "Well, let me know a little bit. This is a relatively unique golden seal script, which has been lost for a long time. I didn't expect to see it here.

" This is absolutely impossible to say, otherwise, his identity will not be able to be concealed.

Lu Xiaoshuang nodded suddenly, and quickly asked, "What's written on it?"

Such a large stone tablet, standing in such a conspicuous place, and filled with words, must have a lot of mystery.

call!

Yue Feng breathed a sigh of relief and said, "I'll take a look..." The voice fell, and he looked at it seriously.

Crash...

while watching, suddenly the chain bridge behind him made a burst of noise.

At this moment, Yue Feng and Lu Xiaoshuang looked back at the same time, their brows furrowed, and they were secretly surprised.

I saw that dozens of experts from the rivers and lakes came quickly across the iron chain bridge. These people, wearing uniform red robes and holding long swords, were imposing.

The leader was a tall man with a full beard and a majestic appearance.

It is the members of the Red Clothes Sect. The Red Clothes Sect is both righteous and evil, acting secretly, and has always been rejected by the major sects. The tall man is called Wang Meng, the master of the Red Clothes Church, with outstanding strength and some fame in the arena.

Swish!

At this moment, Lu Xiaoshuang bit her lip tightly when she saw that it was someone from the Red Clothes Religion, very vigilant.

Shendiaomen and the Red Clothes Sect have nothing to do with each other, but in this mysterious realm, it's hard to say.

“Oh!”

At this time, Wang Meng brought the red-clothed disciples to the front, and looked at Lu Xiaoshuang with a half-smile: “Isn't this the first beauty of Shendiaomen, Miss Lu? It's really fate, we met here. .”

When saying this, Wang Meng's eyes flashed with complexity, and at the same time glanced at Yue Feng intentionally or unintentionally.

An hour ago, after Wang Meng entered the mysterious realm with the Red Clothes Sect, he never found any useful clues. When he saw the golden fragments in the stone house, they were also blocked from the magic circle. Very annoyed.

Seeing Lu Xiaoshuang and Yue Feng at this time, Wang Meng would naturally not miss the opportunity. Especially Yue Feng, who suddenly caught Wang Meng's attention.

Because he heard Lu Xiaoshuang and Yue Feng's conversation just now, especially knowing that Yue Feng could understand the golden inscription on the stone tablet, Wang Meng was very excited.

Haha...

The inscription on this stele must have hidden mysteries. As long as you control this kid, are you afraid that you won't be able to find something good?

“Master Wang!”

At this moment, Lu Xiaoshuang replied lightly, “Don’t come here and be safe.” Lu Xiaoshuang often walked around the rivers and lakes, and naturally knew Wang Meng.

Wang Meng showed a smile, opened the door and said sharply: “This friend next to you is not someone from your divine carving door, right?” As he spoke, he looked up and down at Yue Feng.

Lu Xiaoshuang hesitated, then shook his head and said, “No!”

“Haha, that’s easy to say.”

Wang Meng snorted, and took a step forward and said to Yue Feng, “Boy, how can we cooperate? You will lead us to find the treasure here. , I promise you three conditions, as long as I Wang Meng can do it, I will never refuse, how?”

Huo!

Yue Feng breathed a sigh of relief, frowning secretly, this person is quite beautiful, and wants me to be your free guide?

Lu Xiaoshuang’s expression also changed, and he immediately took a step forward and said to Wang Meng: “Tang Master Wang, you are a little wrong. Although he is not from our Shendiaomen, he is my friend. It might be inappropriate to want to take my friend away, isn’t it?”

Lu Xiaoshuang was not stupid, but at a glance he could tell that Wang Meng wanted to cooperate with Yue Feng, but he actually wanted to take advantage of him.

Thinking of this, Lu Xiaoshuang did not forget to whisper to Yue Feng: “Don’t trust him, he wants to use you.”

Chapter 4980 To

be honest, Lu Xiaoshuang would never be so impatient if he was attacked, but Yue Feng was different. Although he had no strength at all, he was proficient in everything else.

With such a person by his side, Lu Xiaoshuang seemed to have taken a reassurance. Even if he encountered an emergency, he could easily deal with it.

She originally planned to invite Yue Feng to explore the secret realm together. If she really came across a treasure, she would give him a share. At this time, the people of the Red Clothes Sect in front of her wanted to take Yue Feng away, so she naturally couldn’t calm down.

friend?

Hearing Lu Xiaoshuang's words at this time, Yue Feng's face did not fluctuate at all, but his heart was secretly funny.

This Lu Xiaoshuang is a little hypocritical. A few minutes ago, he was fighting and killing me. Now that I am useful, I have become your friend?

However, Yue Feng also knew that the opposite Wang Meng was not a good person either.

Phew...

At the same time, Wang Meng also frowned, then rushed to Lu Xiaoshuang and sneered: "Miss Lu, you're boring, just before I crossed the iron chain bridge, I could see clearly from a distance, you At that time, I was holding a long sword and wanted to attack others."

"Are you a real friend, will you meet each other?"

After speaking, Wang Meng looked at Yue Feng with a serious face: "Brother, do you tell me? Being kidnapped by this girl Lu? Don't be afraid, as long as you promise to cooperate with one word, I will help you out of the siege immediately." The

voice fell, and the red-clothed disciples behind them all pulled out their weapons, ready to shoot at any time. look.

The atmosphere was also a little dignified.

"you..."

Lu Xiaoshuang bit her lip tightly, startled and angry, and looked at Wang Meng coldly: "Senior Wang, you are clearly looking for trouble." Damn it, my dignified senior sister of Shendiaomen, when have you ever been threatened like this?

Wang Meng sneered and did not respond, but looked at Yue Feng, waiting for his response.

Lu Xiaoshuang also breathed a sigh of relief, turned her head to look at Yue Feng: "Follow them, or follow me, you can choose." To be honest, she was very disgusted by Wang Meng's digging behavior.

But there is no way, there are so many people on the other side, and there is only one of them, so they are not opponents at all.

Moreover, Lu Xiaoshuang firmly believed that he and Yue Feng had experienced some things just now, and he would definitely choose himself in the end.

However, what Lu Xiaoshuang didn't expect was that Yue Feng didn't think much about it, so he said to Wang Meng, "Senior Wang looks down on me, I'm naturally honored."
To

be honest, Yue Feng didn't want to choose anyone, but he didn't want to choose. The way, this Wang Meng has a lot of people, if you choose Lu Xiaoshuang, I am afraid that you and she will be in trouble, it is better to choose Wang Meng. Although this offended Lu Xiaoshuang, it at least kept herself and her safe.

"You..."

Seeing Yue Feng choosing the other party, Lu Xiaoshuang stomped his feet angrily and whispered, "You are crazy, they never wanted to cooperate with you, they just used you."

This fool, can't he see it? ?

Yue Feng smiled bitterly and replied in a low voice: "I know, but people have to bow their heads under the eaves, just follow us from a distance." The voice was so small that only the two of them could hear it.

After saying this, Yue Feng slowly thought about Wang Meng and walked over.

Although the situation in front of him made people feel a little embarrassed, but Yue Feng thought about it carefully. With so many people from Wang Meng helping to investigate, it saved him a lot of trouble.

As for Lu Xiaoshuang, she had seen so many extraordinary things about Yue Feng before, and she definitely wouldn't kill him. To let her follow far behind, she was prepared to ask her to help at a critical moment.

"Haha!"

Seeing Yue Feng approaching, Wang Meng was very satisfied, he said with a smile: "Brother is indeed a smart person, but I'm going to say something ugly, brother, it's better to be sincere, if you dare to play with me, I promise You can't get out of here alive." As the

last word fell, Wang Meng's eyes flashed fiercely, and his whole body was filled with evil spirits.

Yue Feng smiled slightly: "Tang Master Wang is too much. Since I promised to cooperate with you, we are on the same boat, how can we be half-hearted?" "

Haha, good.”

Looking at the huge stone tablet in front of him: “Brother, what did you see on this?
Next, where shall we go?”
