

The ultimate husband in Chinese chapter 5061-5065

Chapter 5061

“Do you admit defeat or not?”

At this time, Yue Feng moved his wrist and looked at Xu Wenliang with a half-smile: “You can’t stand up now, it’s pointless to continue fighting, let’s just admit defeat. .”

When he said this, Yue Feng’s eyes were full of ridicule.

admit defeat?

Hearing this, Xu Wenliang was embarrassed and angry: “I will not admit defeat, you are not my opponent at all.” Mad, if he hadn’t injured his leg inexplicably, would he be able to lie on the ground? Can you be slapped by this Yue Feng who has no strength at all?

Snapped!

Just as soon as the echo fell, Yue Feng slapped him in the face again: “Don’t admit defeat? Well, you can get up and fight me now.” This kid still doesn’t accept it?

“Nima...” Xu Wenliang was about to explode with anger and wanted to stand up to resist, but his legs were so numb that he couldn’t stand up at all.

Haha...

Seeing this scene, both Jiang Hongyu and the disciples of the Chunyang Palace present couldn’t help but laugh.

This Xu Wenliang, who was arrogant just now, looked like the number one in the world, but he never expected that he would be completely abused by a pavilion master who had no strength at all.

Who would believe it if you hadn’t seen it with your own eyes? But then again, this scene is really relieved.

Nima!

Seeing that Xu Wenliang was still stubborn at this time, Yue Feng also put away his smile, kicked him fiercely, and directly kicked him in the heart.

Pfft!

This chapter is provided by . Visit for daily update.

With this kick, Yue Feng did not use his divine power, otherwise Xu Wenliang would definitely die, but even so, Xu Wenliang screamed out and fell to the ground!

“I admit defeat, I won’t fight...” Xu Wenliang’s eyes were red and blood red, staring at Yue Feng and shouting: “I admit defeat.”

Xu Wenliang almost gritted his teeth when he shouted these words. He has already thought about it, and it will be soft for now. If there is a chance in the future, he must teach this Pill Pavilion pavilion well.

“Admit defeat?”

Hearing this, Yue Feng sneered, his face did not fluctuate in the slightest: “If you admit defeat, you admit defeat, when I came just now, in front of so many disciples of Chunyang Palace, you clamored to say pure Yanggong is just like this, but he still acts on Jiang Hongyu, so there are no rules and etiquette, you can’t fight now if you say no?”

“Ma De, what are you?” The

last word fell, Yue Feng’s face sank, Stepping on Xu Wenliang, he slapped him and slapped him!

Snapped! Snapped! Snapped!

Without a slap, Yue Feng used all his strength to make a crisp sound.

At the beginning, Xu Wenliang was still howling and scolding, but gradually he couldn’t hold it anymore, begging for mercy with blood and tears: “I was wrong... Pavilion Master, don’t fight, I was wrong...”

“I shouldn’t have scolded you just now, let alone underestimate the Chunyang Palace, the pavilion master...please forgive me.”

At this time, Xu Wenliang almost wanted to cry without tears. , Why is hitting someone so painful, Mad, his whole face was so swollen that he lost consciousness.

At this time, Xu Wenliang didn’t know yet that Yue Feng’s real strength was far beyond his imagination. He really wanted to kill him, but it was just a matter of moving his fingers.

Ha ha...

Seeing him finally begging for mercy, Yue Feng stopped and sneered: “Now you know what’s wrong?”

This kid really couldn’t shed tears without seeing the coffin.

“Wrong, I was wrong...” Xu Wenliang nodded like a chicken pecking at rice. There is absolutely no arrogance at the beginning.

Yue Feng looked at Jiang Hongyu next to her: “If you want to spare your life, don’t ask me, ask her.”

After saying this, Yue Feng greeted Xiaorou, turned and walked towards the Dan Pavilion. Although I didn’t see today’s martial arts competition, it’s a pity.

But after teaching Xu Wenliang a lesson, his heart was not in vain.

“Respectfully send the pavilion master.”

At this moment, all the disciples of Chunyang Palace in the audience moved their eyes closely with Yue Feng, and shouted in unison at the same time.

The momentum is soaring, and the momentum is shocking.

Speaking of which, many of the disciples of Chunyang Palace are still very unconvinced when Yue Feng is the Pavilion Master of Pill Pavilion, but after what happened just now, they realized that even if the Pavilion Lord of Pill Pavilion has no strength, he is a real man who stands above the ground. man. Phew

... At this moment, Jiang Hongyu was also trembling, staring at Yue Feng’s leaving back, a strange light flashing in her eyes. He didn’t have the slightest bit of strength, and Xu Wenliang had no power to fight back. This man is as unfathomable as the ocean.

Chapter 5062

At this time, Jiang Hongyu still doesn’t know that Yue Feng not only possesses strength, but also far exceeds her imagination!

...

the other side!

The continent of Kyushu, the vast sea!

Yue Wuya and Wen Xiaoyu, driving a small boat, finally arrived near Dragon King Island after tracking for a long time.

It was dusk at this time, and I saw that the entire Dragon King Island was full of sentries along the seashore, and there were more than a dozen sharks specially raised in the nearby bay.

The entire Dragon King Island can be said to be heavily guarded.

“Brother Wuya!”

Seeing this scene, Wen Xiaoyu’s brows furrowed, and he couldn’t help but

say, “There are too many people on the other side. If we try to break in, I’m afraid we won’t be able to get on the island.” Yu couldn’t hide the shock in his heart.

There are rumors in the rivers and lakes that this Sea Dragon Palace integrates all the overseas pirate organizations, and its strength is strong. I thought it was exaggerated by some people in the rivers and lakes.

There are so many people on the other side, even if they call everyone in the Hall of Longevity and Tianmen, I am afraid they may not be able to capture them.

call!

Yue Wuya also took a deep breath, his face was extremely solemn, and slowly said: “It’s getting dark, let’s find a chance to land on the island at night.” At this time, Yue Wuya couldn’t tell how anxious he was.

When Huaan Linger was caught here, it was bound to be a lot of misfortune. He wanted to rush to the island to save people right away, but he tried to make himself rational.

He and Wen Xiaoyu were just two of them, rushing up and dying.

“Yeah!” Wen Xiaoyu nodded, and then drove the boat with Yue Wuya and hid in a reef.

Before I knew it, it was night.

Yue Wuya and Wen Xiaoyu found an opportunity to quietly board the beach while the seaside post was changing, and then rushed towards the palace group in the middle of the island.

In the dark night, on Dragon King Island, the palace was lit with lights, illuminating the surroundings like daytime, and it could be seen from a distance.

Yue Wuya and Wen Xiaoyu were very careful, but even so, they walked less than 200 meters in ten minutes, because there were too many sentries along the way, not only that, but also many members of the Sea Dragon Palace. Patrol the building non-stop.

Yue Wuya and Wen Xiaoyu were not familiar with the environment here. Although they were cautious, they were discovered when they passed the ninth post.

“Who? Dare to break into Dragon King Island? Looking for death.”

“Quick, take it!”

The moment it was discovered, the guards at the sentry lit the torches, and then, the surrounding patrols rushed over, one by one Shout out.

“Oops, it was discovered.”

Seeing this scene, Yue Wuya was shocked and angry. He didn't have time to think about it, he immediately raised his hand and waved to find the Overlord's Hammer.

Wen Xiaoyu also pulled out his long sword, his handsome face was full of solemnity, and shouted: “Brother Wuya, I will block them, you rush in while the chaos is, and find a chance to rescue your sister-in-law.”

When saying this, Wen Xiaoyu Very annoyed.

Mad, there are too many guards on this island, and the two of them are so cautious that they can still be discovered. When this happens, they can only fight. But you can't be too blind, you must rescue the sister-in-law.

Wen Xiaoyu has been cultivating hard over the years, and his strength is not what it used to be. He thinks that the outbreak of power can block the members of the Sea Dragon Palace in front of him.

“no!”

Yue Wuya was unusually calm, and immediately shook his head: “Let's go deep alone, it's already too risky, we can't be separated anymore, let's rush together.”

He and Wen Xiaoyu are like brothers.

Although the purpose of today is to rescue Huan Linger, the safety of the brothers cannot be ignored.

He thought about it, even if he risked his life today, he couldn't leave Wen Xiaoyu behind.

Whoa!

Just as they were talking, Yue Wuya and the two were surrounded by hundreds of members of the Sea Dragon Palace.

“Everyone!”

Yue Wuya said calmly with a calm face, “Where's the queen of your Sea Dragon Palace? Let her come out to see me.” Anyway, the whereabouts have been exposed, so I don't want to hide it, so let's get straight to the point.

Swish!

The words fell, and the surrounding Hailong Hall disciples were all looking at Yue Wuya closely, their eyes flashing with contempt.

“What are you?” In the next second, the patrol captain headed to Yue Wuya and shouted, “My queen, how can you see it if you want?”

Chapter 5063

In this patrol captain’s mind, Yue Wuya, two small, unknown people who sneaked onto the island, are not qualified to meet the Queen at all.

What’s more, the Queen has already handed over the power of the Sea Dragon Palace to a new man. For a long time in the future, she will need to raise her children quietly. How can she have time to meet outsiders?

Mad!

Seeing that a small patrol captain is so arrogant, Yue Wuya is very angry.

Wen Xiaoyu was even more furious, staring at the patrol captain and angrily saying: “Speak with respect, I tell you, he is the current Lord of Heaven’s Gate.”

Wow... When the

voice fell, the audience was in an uproar, all the The members of the Sea King’s Palace were all staring at Yue Wuya, secretly frightened.

It is no wonder that this person is so powerful, it turns out to be the son of the Tianmen Sect Master, the hero of the Kyushu Yue Feng.

The patrol captain was also stunned, but after a few seconds, he sneered and said disdainfully: “What about the Lord of Tianmen? Don’t care how prominent you are, when you arrive at our Dragon King Island, it is the dragon who is looking forward to me, and the tiger who is there for me. Lie down.”

“Don’t talk about the Lord of Tianmen, even if Yue Feng comes, he has to behave properly.” At the

end, the patrol captain looked at Yue Wuya and then at Wen Xiaoyu: “You want to See the Queen, hand over the weapons first, then tie hands and feet. Understand?”

What? Handing in weapons and tying hands and feet?

Hearing this, Yue Wuya and Wen Xiaoyu looked at each other and couldn't help but laugh.

Their fathers are all famous and indomitable heroes, how could they agree to such a thing of taking the initiative to become a prisoner?

“Ha ha..”

In the next second, Yue Wuya chuckled lightly, looked around, and finally looked at the patrol captain and said lightly, “What if we don't want to?”

Then, he clenched the Overlord's hammer in his hand.

“Take it!”

Hearing this answer, the patrol captain was too lazy to talk nonsense. He immediately raised his hand and shouted: “Brothers, take these two people down, and don't let either run away.”

Hula!

As soon as the voice fell, hundreds of members of the Sea Dragon Palace drew out their long knives one after another, mobilizing their inner strength and rushing towards the two of Yue Wuya.

These members of the Sea Dragon Palace were once full of vicious pirates, killing people without blinking an eye and being ruthless.

“Do it? I'm afraid you won't do it?”

Seeing the members of the Sea Dragon Palace who rushed up, Yue Wuya sneered and shouted: “A group of rabble, for the sake of the rivers and lakes, today I will represent Kyushu and eradicate you.

” !

When the words fell, Yue Wuya waved the Heaven-Opening Axe, his internal strength exploded, and he rushed over directly.

At the same time, Wen Xiaoyu also rose into the air, and together with Yue Wuya, rushed into the crowd.

Bang bang bang...

For a time, Yue Wuya and Wen Xiaoyu rushed into the enemy group like two fierce tigers descending the mountain, only to hear a sound of vibration, and the followers of the Sea Dragon Hall suddenly turned their heads.

Although there was a huge disparity in the numbers of the two sides, Yue Wuya and Wen Xiaoyu did not lose the slightest, and they saw their figures shuttle back and forth in the enemy group, the formation of the enemy group collapsed and screamed again and again.

In less than five minutes, nearly a hundred of the hundreds of members of the Sea Dragon Temple fell in a pool of blood.

This is no longer a battle, but a one-sided massacre.

“Tianmen Sect Master!”

Seeing this scene, the patrol captain, with blood red eyes, stared at Yue Wuya: “You hurt so many people in my Sea Dragon Palace, this hatred is not shared, you better just surrender and be captured. Otherwise, I will make you splatter blood on the spot.”

At the same time, the patrol captain did not forget to ask for help from a distance: “The enemy is attacking, come and support.”

When he said this, the patrol captain was full of resentment, this Yue Wuya, not only forcibly Breaking into the island and killing so many of my own brothers is really a crime that deserves death!

Wow..

Hearing the call for help, more disciples of the Sea Dragon Palace came in a steady stream, and there were nearly 10,000 people in the darkness.

Mad!

Seeing this scene, Yue Wuya was furious. There are so many people on this Dragon King Island?

Seeing more and more enemies, Wen Xiaoyu also frowned: “Brother Wuya, there are more and more enemies, what should I do?”

Chapter 5064

Call!

Yue Wuya took a deep breath, and a smile appeared on his dignified face: "Anyway, the whereabouts have been exposed. Since the other party is going to fight, let's kill the two of us today."

"Okay!" Wen Xiaoyu nodded.

Then the two brothers looked at each other and smiled, full of pride.

"Death to me!" In the

next second, Yue Wuya shouted loudly, holding the Overlord's Hammer and leaping for life, rushing into the air, the strength of his whole body exploded completely.

Clap la la...

This burst of shouting contained Yue Wuya's supreme inner strength, resounding through the heavens and the earth, and seeing huge waves rising from the sea, the surrounding trees were also broken.

"The world is proud."

Immediately after, the cold four words came out of Yue Wuya's mouth, and he saw that the Overlord's Hammer burst out with a dazzling brilliance. In front of him, a giant hammer phantom condensed out. The Hammer Phantom is almost the same as the Overlord Hammer in Yue Wuya's hands. It is completely condensed by the power of the Overlord Hammer.

It is more than 100 meters long and contains amazing power.

This move is exactly the new skill Yue Wuya has learned from the power of the Overlord Hammer in the past two years, and it is extremely powerful.

At this time, Yue Wuya just wanted to end the battle as soon as possible, so that he could rescue Huan Linger as soon as possible, and directly used his ultimate move.

hum!

At this time, under the command of Yue Wuya, the terrifying phantom of the giant hammer smashed towards the enemy group like a mountain.

"what!"

Because of the complex surrounding environment, with coconut trees on one side and steep mountain walls on the other, the members of the Sea Dragon Palace who were present wanted to dodge, but it was too late. A huge pit with a diameter of 100 meters was smashed directly on the ground, and the members of the Sea Dragon Temple

within the range of the giant pit were screaming in pain, and the sprayed blood dyed the ground red.

One move, just one move and solved nearly a hundred enemies.

This strength can hardly be described as terrifying, it is completely abnormal.

At the same time, Wen Xiaoyu also displayed the unique skills of the Hall of Longevity. The long sword in his hand was like a dragon, and when the sword fell in his hand, he heard a scream, and there were constantly people from the Sea Dragon Hall, falling in a pool of blood.

Gudong!

Seeing this scene, the patrol captain, who was still full of confidence, was sweaty and his hands and feet were cold.

Mad, these two guys are too terrifying. They killed so many people in the blink of an eye. According to the situation, before dawn, the entire Dragon King Island will not be slaughtered by them?

No, I have to ask the queen to do it.

Thinking to himself, the patrol captain was about to turn around and flee the battlefield to report the situation to Mo Yan.

“Who committed the murder on Dragon King Island?”

However, at this moment, a cold voice came from the direction of the palace group not far away, and then, a figure flew quickly, and the whole body was filled with the aura of the world, saying no Domineering.

In a black long shirt, it is extremely cold.

It was Gogne.

Gone was originally cultivating in the secret room, but when he heard the movement outside, he rushed over. At this time, seeing many members of the Dragon King Palace, all of them fell in a pool of blood, they were immediately shocked and angry.

Under the anger, Gonie's eyes also locked on Yue Wuya and Wen Xiaoyu coldly.

These two boys, who are not weak, actually killed so many people.

call!

Feeling Gone's gaze, Yue Wuya and Wen Xiaoyu couldn't help but take a deep breath and were secretly shocked.

Who is this person? The breath on his body is so strong.

They had never seen Liu Hao before, so they naturally didn't know about the eldest young master of Donghai City. What's more, Liu Hao's body was completely occupied by Gone. At this time, he was no longer the young master of the Liu family, but the Supreme Being of the Demon Race.

Shocked, Yue Wuya took a deep breath and said coldly to Gone, "Who are you?" Isn't the leader of the Sea Dragon Palace a woman? How did you become a man?

Wen Xiaoyu also frowned secretly.

"Boy!"

Faced with the question, Gone didn't answer, but snorted coldly: "You are not qualified to know my identity, but you, dare to break into Dragon King Island and start a massacre, it is useless to say more, save your life. ."

Om!

The voice fell, Gone slowly raised his right hand, and a terrifying breath burst out in an instant, and the world changed color.

Chapter 5065

Om!

In the next second, I saw a blood-colored long knife appear out of thin air in Gone's hand. This long knife was completely condensed by the power of the devil's soul.

Gudong!

Feeling the terrifying aura coming from the blood-colored long sword, many members of the Sea Dragon Palace present couldn't help but swallow their saliva, and subconsciously forced them back.

They all knew in their hearts that if the Queen could hand over the power, the strength of this person must be unfathomable.

Seeing this scene, many of the guards below, as well as the people in the distance, felt that their hearts were depressed and panicked, and they didn't dare to let out the air!

So strong!

Feeling Gone's endless killing intent, Yue Wuya and Wen Xiaoyu also felt their breathing tighten.

When did such a terrifying existence appear on the rivers and lakes?

"Brother Wuya!"

At this time, Wen Xiaoyu couldn't help but say: "This person is extraordinary, let's go together later."

Yue Wuya nodded, and then the two brothers burst out one after another, in mid-air Neutral and Gone fought fiercely.

call!

For a time, the members of the Sea Dragon Hall below were all shocked, and they saw three figures, shuttled back and forth in mid-air, stirring up the wind and clouds.

Speaking of which, if Gone was at his peak, the ten Yue Wuya and Wen Xiaoyu would not be rivals either. They had only recently recreated the Demon Soul, but even so, the two brothers were still unable to suppress Gone with their concerted efforts.

"ended!"

After more than a dozen rounds, Gone was a little impatient, his eyes flashed with a cold light, and he clenched the blood-colored long knife, and the power of the demon soul exploded completely.

hum!

In an instant, a blood-colored light burst out, dyeing the sky into a blood-red color.

"Shadow Slash!" In the

next second, Gone suddenly raised his hand, and a terrifying force burst out from the blood-colored long sword, forming a sword shadow that destroyed the sky and the earth, and suddenly slammed towards Yue Wuya and Wen Xiaoyu .

The moment Dao Ying appeared, both the Yue Wuya brothers and the members of the Sea Dragon Palace below felt a chill to the bones.

Oops!

Seeing this terrifying knife shadow, Yue Wuya and Wen Xiaoyu also changed their faces greatly. They didn't have time to think about it at the time, and they quickly joined forces to deploy a protective film in front of them.

“Boom!...” As soon as

the protective film was condensed, the terrifying blood-colored blade shadow slashed fiercely. The moment it hit the protective film, a thunderous roar was heard, and the protective film suddenly shattered!

At the same time, Yue Wuya and Wen Xiaoyu both had pale faces, and they spat out a mouthful of blood, and their bodies were shaken out like cannonballs.

Puff, puff...

After flying for a few hundred meters, the two fell to the sea, leaving a blood trail on the sea and sinking directly.

So strong!

Seeing this scene, the members of the Sea Dragon Hall were all shocked, and they looked at Gone with awe and admiration.

This... is this the strength of an absolute powerhouse?

With just one person, the Lord of Tianmen and his companions were repelled.

Simply too strong.

Under everyone's attention, Gone was suspended in mid-air, his grim face did not fluctuate in the slightest, and his eyes were fixed on the sea.

“Everyone listens!” The

next second, Gone said slowly: “Immediately search for traces of these two people in the surrounding waters. Once found, kill them.” The sound was not loud, but it spread throughout the entire Dragon King Island, no doubt. .

After fighting for dozens of rounds just now, Gone was very clear in his heart. Although the Shadow Slash was powerful, it was not enough to kill the two of Yue Wuya. The power of a lot of Shadow Slash.

And Wen Xiaoyu, who was with him, although he didn't have a magic weapon in his hand, but his internal strength was deep, and he was not a generalist.

Gone was very thoughtful. Seeing the two fell into the sea, although they did not surface in a short time, he knew in his heart that Yue Wuya and the two would not die so easily.

“Subordinates obey.”

Hearing the order, everyone present responded in unison.

Immediately afterwards, everyone rushed to the beach and began to search the nearby waters by boat.
