

## The ultimate husband in Chinese chapter 5141-5150

### Chapter 5141

Well!

Hearing this, Ding Lianxin nodded with joy, looking at Yue Feng's eyes, full of praise: "Mr. Yue has this heart, this sect master is very happy, and I hope you will have the opportunity in the future to come. We are a guest of the Red Clothes Sect..."

Speaking of which, Ding Lian is the leader of the Red Clothes Sect, and has high self-esteem, and has never been so polite to others, but the Yue Feng in front of him is different, he is the Dan of the Chunyang Palace. Pavilion Lord.

You must know that the alchemy technique of Ziwei Continent has been lost for nearly a thousand years, and Yue Feng, as the pavilion master of the Pill Pavilion, can be said to be an extremely rare talent, can you disrespect it?

Although this Yue Feng was Gu Sanniang's VIP, it didn't stop Ding Lianxin from throwing an olive branch to him. You must know that this kind of rare talent, as long as you have a good relationship, will only have benefits, not the slightest harm.

More importantly, Yue Feng and Leng Yue, a man and a woman were soaking in this pool, and Yue Feng had saved Leng Yue before. As long as he wasn't a fool, he could see that there was a problem at a glance.

Thinking of this at this time, Ding Lian breathed a sigh of relief, and said earnestly to Leng Yueyu: "Leng Yue, you are not too young, you have to think carefully about what you do."

"Even if you and Yue Feng have a good impression of each other, but When you soak in this pool of water together, you should also pay attention to the impact, how bad is it to be seen by others?"

When she said this, Ding Lianxin was reproachful, but there was a smile on her face.

Swish!

Hearing this, Leng Yuejue's beautiful face turned red all of a sudden, and she felt shy in her heart.

What does Master mean by this? She wouldn't think that Yue Feng and I were playing in the water just now, right?

Thinking of this, Leng Yue suddenly became anxious, and quickly explained: "Master, it's not what you think, I have nothing to do with Yue Feng, it's just..." He glared at Yue Feng.

It was all the bastard Yue Feng, who just let him go, but he refused to go, but now he was misunderstood by Master.

What the hell!

This chapter is provided by . Visit for daily update.

At the same time, Yue Feng was also stunned, standing there dumbfounded.

This is troublesome. I and Leng Yue are alone in this wilderness pool, and they are misunderstood by the leader of the red-clothed sect. It is difficult to explain this.

At this moment, Leng Yue blushed and continued to explain: "Master, this disciple was poisoned just now and almost went into a demon. It was Yue Feng who brought me into this pool and used the coldness of the pool to help me expel the poison.

Hearing this, Ding Lianxin pursed her lips and smiled: "Okay, you don't need to explain, but Qudu will play here? When Master came just now, he heard it clearly." At

this time, Ding Lianxin decided that The two were really playing here, because when they were on the road just now, she could clearly hear the sound of splashing water.

Swish!

Seeing Master's affirmation, Leng Yue stomped her feet in a hurry, and wanted to explain, but was interrupted by Ding Lianxin.

"Leng Yue!" Ding Lian's eyes were full of love, and she said softly: "You were brought up by me since you were a child, and I still don't know your personality? You are cold outside and hot inside, and you want to save face very much."

"But now that you have grown up, Sooner or later, you will get married, and now that you can find a partner like Yue Feng, the teacher will only be happy for you, and will never blame you, so, don't hide it."

Hearing this, Leng Yue blushed . Incomparable, almost crying.

I go!

Seeing this situation, Yue Feng was also embarrassed. He never thought that Ding Lianxin's misunderstanding was so deep that he actually thought that he was swimming with Leng Yue here just now.

Thinking to himself, Yue Feng quickly explained: "Sect Master, Leng Yue is right, you really misunderstood."

As soon as the words fell, Ding Lianxin looked up and down at Yue Feng, Xiumei frowned, and said a little displeased: "What do you mean, you and Leng Yue really have nothing to do?"

Yue Feng nodded: "Yes."

This cold Although Yue is beautiful, any man will fall when he sees it, but this woman is too cold, and she will be beaten and killed at any time. Who can stand it.

Ding Lian nodded thoughtfully, and continued to ask: "Then let me ask you, is Leng Yue beautiful?"

Er... Leng Bu Ding

listened to his question, Yue Feng was stunned for a moment, and then answered truthfully: "Beautiful?" , almost as beautiful as a fairy."

Chapter 5142 The

voice fell, and Ding Lianxin's delicate face suddenly became cold: "Yue Feng, since you have said it, Leng Yue is as beautiful as a god, and she is still the saint of my red dress, pure and clean, but now she is with you. Soak in the pool together, and you will see everything that should be seen or not." "You have a

misunderstanding now, forget it, where do you put Lengyue? Where do you put our red-clothed teaching?"

, is justified and cannot be refuted.

Uh...

Yue Feng scratched his head, very embarrassed, and didn't know how to answer for a while.

This Nima, the more I say it, the more unclear it is.

Leng Yue's delicate face is also extremely complicated, and her brain is even more chaotic.

"Okay!"

At this moment, Ding Lianxin looked at Yue Feng closely: "This sect master is not a person who cares about everything. I will ask you now, do you have a good opinion of Leng Yue?" I

have to say, Ding Lian The mind and body is the leader of the red-clothed sect, and the aura is really strong.

Hearing the question, Yue Feng hesitated and smiled bitterly: "Leng Yue is so beautiful, I naturally like it..." With such a beautiful woman, does the man have a good impression when he sees it?

Just as soon as the words were spoken, Ding Lianxin interrupted them.

"Okay!" Ding Lianxin showed a smile, looked at Yue Feng and said: "Since you have a good impression of Leng Yue, then I will be the beauty of an adult. From today, you are the son-in-law of our Red Clothes Sect, your marriage to Leng Yue. Let's make a decision first."

Although Yue Feng has no strength, but he can refine medicine pills, and Leng Yue betrothed him, it is not a grievance.

Wow...

Downstairs, the four sword maids, Meilan, Bamboo and Juju behind them, were all in an uproar, and then they respectfully congratulated Leng Yue.

"Congratulations to the saint."

"Sister saint, congratulations..."

Seeing this situation, Yue Feng was really shocked, and his whole head was buzzing.

Nima, this red-clothed sect leader is too casual, right? Marry me Leng Yue like this?

In shock, Yue Feng stared blankly at Leng Yue in front of him, his mind was blank, and he didn't know what to say for a while.

This... Leng Yue

also trembled, her face flushed, and her heart was even more embarrassed and anxious, she said to Ding Lian: "Sect Master, I... I can't marry him."

Yue Feng, this bastard, three Fan twice took advantage of me, I wish he died sooner, how could I marry him?

"Okay..."

Ding Lianxin pursed her lips and smiled, and said slowly: "Yue Feng is the Pill Pavilion Master of Chunyang Palace, and his status is extraordinary. Even if their Palace Master sees them, they must be courteous and marry him. It's not that I have wronged you."

"Besides, the two of you are playing in the water, and things have developed to this stage, what's the embarrassment?"

At this time, Ding Lianxin thought Leng Yue was embarrassed, so she deliberately said no willing.

After all, girls have thin skin.

Hearing this, Leng Yue's face turned even redder, and she was even more anxious to cry.

Yue Feng on the side was dumbfounded.

"Yue Feng!"

This is, Ding Lianxin turned her head towards Yue Feng and said: "Yue Feng, the marriage has been decided, I hope you can treat Leng Yue well, and before you get married, I hope you two can restrain yourself a little bit. , don't be like this."

As he said that, he looked around the water pool again: "Although there are few people here, there is no guarantee that no one will come. It's not good for you to be seen by people like this."

Uh...

At this time, Yue Feng was almost speechless, so he had no choice but to Nodding with a wry smile: "Got it, sect master."

Ding Lianxin nodded, and she was too lazy to talk nonsense at this time, and ordered Leng Yue: "Leng Yue, you can find a home, I am very happy for you, I will go first. , you can play for a few days and go back to the main altar, and you can stay with Yue Feng for a few days."

Leng Yue wanted to cry without tears, seeing that the matter had developed to this stage, the explanation was useless, so she nodded.

"Let's go."

Ding Lianxin said no more, greeted the four sword maids, and turned to leave.

For a while, Yue Feng and Leng Yue were all around the pool.

The two were extremely embarrassed and did not speak, and the atmosphere was extremely subtle.

“Madam!”

Finally, after being silent for more than ten seconds, Yue Feng was the first to react and said to Leng Yue with a smile: “This pool is too cold, it’s not good to soak for a long time, let’s go up.”

Although Ding said Lian Xin specified a marriage contract, but he knew in his heart that Leng Yue would not marry him.

Chapter 5143

But seeing her cold look, Yue Feng couldn’t help but tease.

“You...” Seeing Yue Feng’s serious face, Leng Yue

’s face was flushed with anger, and she shouted angrily: “Shut up for me, who is your wife? Get out of here quickly.”

Feng is really abominable, even if it’s cheap, it’s a good thing, knowing that it was just a misunderstanding, which led to the leader’s suggestion of marriage, and deliberately said it.

Hehe...

Seeing her face full of shame and anger, Yue Feng did not panic at all, but said cheekily: “Miss, this is your fault, we are all family soon, how can you let me go?”

” Then, Yue Feng looked Leng Yue up and down: “Oh, did you save yourself from soaking in the water, are you tired? Let me carry you ashore.” When the last word fell, Yue Feng pretended to swim over.

Swish!

Seeing this scene, Leng Yue’s pretty face changed, and she scolded: “Get out of here, don’t come here.”

When she spoke, Leng Yue’s eyes were full of killing intent, and she wanted to tear Yue Feng into eight pieces, but she just After getting rid of the poison in the body, and after soaking in the water for so long, he was already exhausted. Not to mention killing Yue Feng, it was very difficult to mobilize his inner strength.

Uh...

Yue Feng closed it when he saw it, stopped and smiled bitterly: "How can we say that we were in trouble together just now, why do you have such a big opinion on me?"

Leng Yue didn't take this kind of thing at all, snorted coldly, and didn't hide it. The resentment of living: "Don't laugh at me, I tell you Yue Feng, it was a misunderstanding just now, I have nothing to do with you, and I will not marry you."

"Don't think that the leader pointed us to the soul, I It's yours, don't dream less."

"When I return to the main altar of the sect, I will explain everything to the sect master."

After saying the last sentence, the cold moon ninja swam to the shore with his teeth gritted, and then left without looking back.

This woman is so personable.

Seeing the graceful back of Leng Yue go away, Yue Feng laughed at himself, then left the pool and hurried towards the North Sea Stars.

After leaving for a day and a night, Jiang Hongyu and Xiaorou must be in a hurry.

...

On the other side, the mainland of Kyushu.

In the hall of Xia Yinzong's main altar, Wen Chou Chou, Sun Dasheng, and Su Qingyan were all sitting there, all of them frowning and restless.

A week ago, Wen Xiaoyu and Yue Wuya disappeared together.

According to the disciples of Tianmen, Yue Wuya once mobilized the disciples in the sub-altar of Donghai City to investigate the matter of the ring competition, and then there was no news. This made Wen Chou Chou very anxious.

Yue Feng is not in the mainland of Kyushu. As a sworn brother, Wen Chou Chou is obliged to take care of his family and children. It can be said that in Wen Chou Chou's heart, Yue Wuya is just like his own son.

Now Yue Wuya and Wen Xiaoyu seem to have disappeared out of thin air. There has been no news. How can people not be in a hurry?

"Palace Master, Palace Master..."

At this moment, a disciple of the Hall of Longevity hurriedly ran into the hall and shouted at Wen Chou Chou, "Young Master, Young Master and Sect Master Yue are back."

When he said this, the disciple was sweating profusely, but he couldn't hide his joy, and at the same time there was a hint of complexity in his eyes.

Because not only Yue Wuya and Wen Xiaoyu came back, but also a very beautiful woman and a newly born child.

Whoa!

Hearing this, everyone in the hall was very excited.

"Really?" Wen Chou Chou was overjoyed, stood up quickly, and walked towards the door. Sun Dasheng, Su Qingyan and the others also hurried out.

When they got to the yard outside, they saw Yue Wuya, Wen Xiaoyu, and Hai Linger just passing through the corridor of the front yard.

"Father!"

Seeing Wen Chou Chou crowd, Wen Xiao Yu shouted, and hurried up to greet him, his face full of joy.

Wen Chou Chou patted Wen Xiao Yu on the shoulder, his face was full of relief, and he was even more relieved: "You guys are back." At the same time of joy, there was some blame in his heart.

"Where have you been these days?" The next second, Wen Chou Chou couldn't help but ask, "Do you know how much everyone is worried about you?"

Er...

Wen Xiaoyu scratched his head embarrassedly: "It happened these days. There are too many things to say."

Chapter 5144

As he was talking, Yue Wuya and Hai Linger also arrived.

"Uncle Wen, Uncle Sun." Yue Wuya showed a smile, and said very ashamedly: "I've made you worry, but Xiaoyu and I are all right."

After that, Yue Wuya hurriedly introduced Hailing to everyone. Er: "She is Hai Linger, everyone remember, the princess of the sea shark clan. This time Xiaoyu and I went out mainly to save her." As he

spoke, Yue Wuya looked at Hai Linger with a smile, His eyes were full of love and tenderness.

I see!

Hearing this, Wen Chou Chou and everyone suddenly realized that they all smiled and nodded to Hai Ling'er. Back then, when the Rakshasa clan devastated Kyushu, the sea sharks did their best to help. At that time, it was this Hailinger who represented the sea sharks to help the Kyushu mainland. How could everyone forget?

Moreover, Hai Linger and Yue Wuya were in love with each other, and everyone knew clearly.

Even so, when they saw Hai Ling'er again, everyone was still amazed.

This princess of the sea shark clan is really beautiful, like a fairy descending to earth, and Yue Wuya is a match made in heaven.

“Ling'er has seen all your uncles and sisters.”

At this time, Hai Ling'er took a step forward and bowed to the crowd at Wen Chou Chou. With her graceful appearance, people liked it more and more.

“Haha...”

Wen Chou Chou quickly waved his hand and said with a smile: “When you get here, it's like your own home, you don't need to be more polite, haha...”

When he said this, Wen Chou Chou's eyes were full of love.

In his heart, Yue Wuya was just like his own son, and he was happy from the bottom of his heart to find such a good girlfriend now.

The voice fell, and Sun Dasheng and others next to him also laughed.

“No ceremony, no ceremony...”

“This girl is so nice, she is beautiful, and she knows how to be polite.”

“Don't be restrained here...”

When everyone spoke, they couldn't help but look at the child in Hai Ling'er's arms. I saw that the child was made of pink and jade, chubby, sleeping soundly, and very cute.

Yes, it is Mo Yan's child.

Two days ago, after Hai Linger repaired the raft, the three of them finally returned to the mainland after a day and a night. Along the way, Hai Linger treated the child as her own and took good care of her.

This child...

After watching for a while, Wen Chou Chou, Sun Dasheng and the others looked at each other, each with a meaningful expression.

This boy Wu Ya is indeed the son of Feng Zi.

At a young age, he not only became a married couple with the princess of the sea shark clan, but also had a child so soon.

It's really the back waves of the Yangtze River pushing the front waves.

At this moment, everyone believed that the child was born by Yue Wuya and Hai Linger. Otherwise, how could Hai Linger be so close to the child?

Haha...

After a few seconds, Sun Dasheng was the first to react, laughing and patting Yue Wuya's shoulder: "Good boy, you can, after leaving it to your Yue family so soon, let Fengzi be the grandfather. Yes, not bad." The

voice fell, and everyone around laughed along with it.

Wen Chou Chou also came back to his senses, smiled and said: "Great Sage, what you said is wrong, Feng Zi became a grandfather, don't we also become grandfathers?"

While talking, Wen Chou Chou leaned over to take a closer look at the child, and at the same time asked Yue Wu Ya, "Ya'er, have you named the child?"

Like everyone else, Wen Chou Chou also believed that the child was Yue Wuya and Hai Ling. child.

Uh...

Seeing this situation, Yue Wuya looked embarrassed and quickly explained: "Uncle Wen, Uncle Sun, don't talk nonsense, Linger and I haven't gotten married yet, how could we have a child? This child? It's not ours?"

Huan Ling'er, who was next to him, was also blushing.

no?

Hearing this, whether it was Wen Chou Chou or everyone else around, they were all stunned.

At this moment, Wen Xiaoyu smiled slightly, came out and said: "This child is indeed not from Brother Wuya, but the child of the Queen of the Sea Dragon Palace."

After saying that, Wen Xiaoyu looked around: "This matter is said. Long story, let's go back to the hall first, and let Brother Wuya and I explain it to you in detail."

Wen Chou Chou nodded and greeted everyone to return to the hall.

After they were all seated in the hall, Wen Xiaoyu and Yue Wuya talked about what they had experienced in the past few days.

## Chapter 5145

Hu...

Knowing the situation, whether it is Wen Chou Chou or Sun Dasheng everyone, they are all frowning, and their faces are extremely solemn.

"Ma De!"

Sun Dasheng had a fiery temper, slammed the table and said fiercely: "I didn't expect a small pirate gang to be so insidious and despicable. On the surface, they sent people to hold ring competitions in various places, but secretly forced them to do so. Others surrender to them." The

voice fell, Wen Chou Chou took a deep breath, and continued: "I also heard about the ring match some time ago, I thought it was a deliberate stunt by some big family, but I didn't expect it to be Hailong behind it. Hall."

Everyone around nodded.

"The strength of this Sea Dragon Palace is growing day by day, we have to guard against it."

"Yes, let's continue to let it go, I'm afraid it is a big hidden danger in the rivers and lakes."

During the discussion, Wen Chou Chou's face was solemn, and he immediately discussed with Su Qingyan, and ordered the members of the Hall of Longevity to start to pay close attention to all the movements of the Sea Dragon Hall in various ports.

At the same time, Xia Yinzong, Tianmen, and Huaguoshan also deployed.

.....

Donghai City, Tianmen sub-altar.

The sub-altar is located on a hillside by the sea. In recent years, Tianmen has a great reputation in the Kyushu mainland, and is well-deserved as the main gate. Therefore, this sub-altar occupies a large area and is full of antique-style buildings. From a distance, there are many temples. , very stylish.

“Drink, ha...”

At this time, in the square in front of the conference hall, several hundred disciples of the sub-altars were standing there neatly, punching one by one, and their movements were uniform and imposing like a rainbow.

The rules of the Tianmen gate are strict, and every month of the month, the disciples will be organized to exercise uniformly. And today is the beginning of the month.

Clap la la...

Just as the disciples were training hard, all of a sudden, a strange sound came from the coast below the mountain.

“Hey, many people seem to be pirates.”

At this moment, a disciple found something, pointed to the shore, and couldn't help shouting.

As soon as the words fell, the disciples in the square all looked towards the seaside, and when they saw this, their hearts were shocked.

I saw that there were hundreds of large ships on the seashore, coming in a mighty way.

These boats are very large, and each boat is full of people standing neatly. It can be clearly seen that these people are wearing uniform dark green soft armor, holding long knives, and they are imposing.

On the front boat, there was a big flag on the bow with a five-clawed dragon on it.

This...

Seeing this scene, the Tianmen disciples present were extremely shocked in their hearts.

“Sea Dragon Palace...”

Soon, someone reacted and couldn't help shouting: “This is a pirate from the Sea Dragon Palace, my God, there are so many.” The

voice fell, and the expressions of all the disciples present became solemn, nearly half a year. Come, the Sea Dragon Palace first annexed large and small pirate organizations in the sea area and became the number one overseas force, and then held a ring competition in the Kyushu mainland, secretly captured many experts from all corners of the world. These things are no longer a secret in Tianmen. .

It can be said that these Tianmen disciples all know that the Sea Dragon Palace is very powerful, but they did not expect that there would be so many tribes, and they are still on the mainland with great fanfare today.

At this moment, Li Guangyong, the altar master of the sub-altar, arrived quickly, and was surprised when he saw the scene in front of him.

“Quick, pass my order immediately, ordering the Tianmen disciples in Donghai City to quickly return to the sub-altar, quick.” In the next second, Li Guangyong couldn’t help shouting.

“Yes, altar master!” After hearing the order, the two disciples looked solemn and quickly descended the mountain.

It was at this time that the large ships at sea had already docked, and thousands of members of the Sea Dragon Palace jumped off the boat like a tide, blocking the way down the mountain from the altar.

hum!

Immediately afterwards, a figure rose into the sky, suspended directly above the square, and a powerful aura pervaded his body.

It’s the aftermath.

“Call your Sect Master out immediately, or else, all of you present, die!” A cold voice came from Yu Du’s mouth.

The residual poison at this time, blood red eyes, unable to hide the killing.

## **The ultimate husband in Chinese chapter 5146-5150**

### **Chapter 5146**

Two days ago, Yu Du was ordered by Mo Yan to take Hai Linger to the deserted island to exchange the young master with Yue Wuya. He was full of confidence at first, but he never thought that at the critical moment, he would come down storm.

At that time, the residual poison and the boat were directly submerged by the sea. But Yu Du was a former pirate king after all, a generation of heroes at sea, and finally survived with his outstanding water.

However, what made him extremely angry was that Yue Wuya actually broke his promise and didn't send the young master back to Dragon King Island after obtaining Hai Ling'er.

To be honest, at that time, Yu Du also guessed that the three Yue Wuya, together with the young master, would die in the storm, but after thinking about it, he thought it was unlikely.

You must know that Yue Wuya, as the son of Yue Feng, is extremely powerful, and is the current Lord of Tianmen. It is impossible for him to be killed by a mere storm.

After returning to Dragon King Island, the exchange of hostages was revealed. Gone was furious on the spot and almost punished Moyan, which made Yu Du feel very uncomfortable, thinking that he was dereliction of duty. .

Therefore, when Gone decided to start a full-scale war against Tianmen, Yu Du was the first to stand up for support, and took the initiative to invite Ying, leading the 200,000 Hailong Hall members, and set off from Dragon King Island, heading for the first stronghold of Tianmen. , Donghai City.

After all, Donghai City is Yue Feng's hometown, and it is also the birthplace of Tianmen.

With this kind of mood, Yu Du at this time, seeing the Tianmen sub-altar in front of him, naturally couldn't hide the fighting intent in his eyes.

For Queen Moyan.

For the sake of the young master, and even more to make up for his mistakes, in this first battle, he must give Tianmen a thunderous blow, so that Yue Wuya would know and provoke the end of the Sea Dragon Palace.

Whoa!

In the face of Yu Du's powerful aura suppression, whether it was Li Guangyong or the Tianmen disciples present, there was an uproar, and at the same time, everyone was also furious.

This person is not small, dare to spread wild on Tianmen's territory?

Threatened to see the Sect Master? It's ridiculous.

This chapter is provided by . Visit for daily update.

Under the anger of everyone, Li Guangyong was even more angry, and shouted at Yu Du: "You are the leader of the Sea Dragon Palace? A mere gang of sea bandits dare to provoke our Tianmen?"

"You are limited to ten minutes. If you don't want to see the sect master, you can see it. Understand?"

Although he was shocked by Yu Du's strength, Yu Guangyong didn't panic at all. Wouldn't you be laughed at by fellow pirates if you confessed to the pirates?

"Looking for death!"

Hearing the answer, Yu Du's face was extremely ferocious, and he shouted angrily: "A small altar master should also talk to me like this, I think you can't shed tears without seeing the coffin."

Kacha!

The voice fell, Yu Du suddenly raised his right hand, and saw a purple light flickering, and then a long black knife was firmly grasped in his hand.

I saw that this long knife was dark, but the surface had a purple light.

It is a purple weapon.

Yu Po has roamed overseas for more than ten years, during which time he ran rampant. I don't know how many merchant ships were intercepted, and even some royal ships in the Kyushu mainland were not spared.

And this black long sword was obtained by Yu Du in the Nagumo Imperial Fleet. It has been treasured since then, and has never been displayed easily. This time, the attack on Tianmen needs to make up for the fault, so I did not hesitate to use this purple-level sword. The long knife was taken out.

Purple weapons?

Seeing the long knife in Yu Du's hand, whether it was Li Guangyong or the surrounding Tianmen disciples, they couldn't help but let out a low cry.

Especially Li Guangyong, his eyes are full of solemnity.

He knew that the Sea Dragon Palace was very strong, and because it was plundered at sea all the year round, it possessed many rare treasures, but he did not expect that the residual poison in front of him would be able to pull out a purple-rank weapon casually.

hum!

Just when Li Guangyong was stunned, Yu Du didn't talk nonsense at all. He raised his long sword and waved it suddenly. In an instant, a dazzling light burst out from the long sword. At the same time, a violent aura also swept into the surrounding air. out.

The powerful killing energy filled the world, and the air was filled with a bloody aura.

In the next second, the sword light was like a thunderbolt, tearing apart the world and slashing straight towards Li Guangyong.

Gudong...

Feeling the power of this sword light, Li Guangyong swallowed his saliva and felt a little panic in his heart. At that time, he didn't hesitate at all, and hurriedly mobilized all his inner strength and poured it into his long sword in an attempt to block the blow.

Chapter 5147

Boom...

Li Guangyong just slammed the long sword in front of him, the sword light had already slammed, and slammed into the long sword, when he heard a loud noise, Li Guangyong groaned, and the whole person directly Shocked and flew out.

Flying dozens of meters away, Li Guangyong smashed a big hole on the eaves of the front hall, and finally fell to the ground.

“

Pfft...” At the moment of landing, Li Guangyong spurted out a mouthful of blood, his eyes fixed on Yu Du, and he died of anger before uttering a word.

What?

Seeing this scene, all the Tianmen disciples present froze there, their heads buzzing, shocked and astonished.

This... This person's strength is too terrifying, right?

In just one move, he killed the altar master Li Guangyong? You must know that Li Guangyong is among the altar masters of the entire Tianmen, but he is among the top five in strength. Even if he encounters the heads of various sects, he can play dozens of rounds, but facing the pirate leader in front of him, he actually Not a single move can stop it.

Compared with the shock of the disciples of Tianmen, the members of the Hailong Hall guarding at the foot of the mountain were all excited.

“The leader is mighty..”

“Mighty..”

For a time, hundreds of thousands of members of the Sea Dragon Hall shouted in unison, and the momentum was shocking.

Hehe...

Yu Du was suspended in mid-air, a smile twitched at the corner of his mouth, and he raised his hand and waved: “All the disciples of the Sea Dragon Palace obey the order and kill all the disciples of the Heavenly Sect in front of them, leaving none of them.”

Anyway, this altar The Lord had already been killed by himself, and it would be fine to kill some more disciples of the Heavenly Sect.

In short, Yue Wuya knew that he would pay a heavy price for holding the young master of the Sea Dragon Palace hostage.

“Kill...”

Hearing the order, the members of the Sea Dragon Palace, who had already been eager to try at the foot of the mountain, burst into a sky-shattering cry of killing, rushing up like a tidal wave.

call!

Seeing this situation, the Tianmen disciples gathered in the square all calmed down and pulled out their weapons.

“To meet the enemy...”

“Guard the sub-altar, I’d rather die than retreat.”

“Kill...”

After shouting, all the Tianmen disciples urged their inner strength to meet the attack and fight with the Hailong Hall members.

Speaking of which, there is a huge disparity in the number of people on both sides. The Sea Dragon Hall has more than 100,000 people, and the Tianmen sub-altars here, all added up, are less than 10,000 people.

Ten thousand against a hundred thousand, there is no chance of winning at all. However, none of these Tianmen disciples flinched.

Speaking of which, these members of the Sea Dragon Palace were all pirates before, and their strengths were uneven. Half a year ago, they were just a bunch of rabble in the face of Tianmen, but since Moyan unified all the pirates, the training of the opponents is very strict, so in just six months, the strength of these pirates has increased rapidly.

In this case, Tianmen disciples are naturally not opponents.

“Ah...”

In less than half a minute, with the screams of Tianmen disciples, hundreds of people fell into a pool of blood, which was very tragic.

.....

Two hours later, the general altar of Xia Yinzong.

In the forbidden area behind the main altar, there is a bamboo forest with a beautiful environment and winding paths leading to seclusion.

As night fell, the pavilion in the bamboo forest was brightly lit.

Wen Chou Chou, Sun Dasheng, Yue Wuya, and Wen Xiaoyu were sitting around the stone table, chatting and laughing. There were more than a dozen plates of delicious dishes on the stone table, and there were two altars. wine.

Yue Wuya and Wen Xiaoyu have been missing for a week, and the two elders, Wen Chou Chou, naturally need to take care of them.

And to deepen communication between men, it is natural to have good wine.

At this time, under Wen Chou Chou's inquiry, Yue Wuya and Wen Xiaoyu explained all the details of their experiences in Dragon King Island in detail.

Of course, these details were not mentioned in the hall before.

Um?

When he heard that Yue Wuya was very Wen Xiaoyu, who had entered the Dragon King Island twice, and was defeated by a powerful young man, Wen Chou Chou's expression instantly became solemn: “In the Sea Dragon Palace, there are still such powerful people? What happened before? Don't you know?”

Wen Chou Chou looked at Sun Dasheng with a questioning face, unable to hide his doubts.

At this time, Wen Chou Chou was very surprised. You must know that when she learned that the queen of the Sea Dragon Palace might be Mo Yan, one of the ten demon kings of the Demon Race, Wen Chou Chou had been sending people to closely investigate the information about the Sea Dragon Palace. condition.

## Chapter 5148

It can be said that the entire Sea Dragon Palace, whether it is Mo Yan, the Yudu below, and the situation of other little leaders, Wen Chou Chou knows clearly.

However, a young man with outstanding strength suddenly appeared in the Sea Dragon Palace, and even Yue Wuya and Wen Xiaoyu could not beat him together. However, this young man seemed to appear out of thin air, so how could people not be puzzled?

Hu...

Sun Dasheng also took a deep breath and frowned: "It's really suspicious, the identity of that young man should be checked carefully."

Wen Chouchou nodded, and then continued to ask Yue Wuya: "At that time When you fought against him, which sect did the other party use?"

As long as you know the other party's exercises, it's not difficult to find out the identity.

Uh...

However, in the face of such an inquiry, Yue Wuya and Wen Xiaoyu looked at each other with embarrassment.

In the next second, Yue Wuya scratched his head and said somewhat ashamedly: "Uncle Wen, I am ashamed to say that, Xiaoyu and I have played against that person no less than twice, I only know that the opponent's strength is unpredictable, and the tactics used are also very strange. , I can't see where the teacher is."

As soon as the voice fell, Wen Xiaoyu continued: "Yeah, that person's practice is very evil, and it seems that he does not belong to any sect."

What? Is there such a thing?

Hearing this, Wen Chou Chou and Sun Dasheng looked at each other, and they were both extremely shocked.

Does not belong to any sect, the strength is still so strong?

Who is that young man?

Shasha...

At this moment, there was a sound of footsteps outside the bamboo forest. The pace was very dense and seemed to be in a hurry.

“Who?”

When Wen Chou Chou was talking about things, he didn't like to be disturbed the most, so he frowned and shouted at the outside of the bamboo forest: “Who is there?

” stand up.

Hearing the scolding, the footsteps became faster, and the next second, I saw a Tianmen disciple running over, sweating profusely, his face full of fear and anxiety: “Sect Master, Palace Master Wen, Sect Master Sun, no. Okay, something happened...”

Seeing that it was a disciple of Tianmen, the displeasure in Wen Chou Chou and Sun Dasheng dissipated a lot. Hearing his words at the same time, his face became solemn.

Yue Wuya frowned even more, looked at the disciple and said, “What is it like to be in a panic, what happened?”

Huh!

Feeling Yue Wuya's displeasure, the disciple panicked and quickly said, “Sect Master, something happened to the sub-altar in Donghai City.”

After saying that, the disciple wiped the big man on his forehead and continued: “Two hours. Before, the Hailong Temple dispatched hundreds of thousands of troops to land in Donghai City and surrounded our sub-altar.”

“The altar master Li Guangyong was killed by the leader of the other party on the spot. The remaining nearly 10,000 altar disciples resisted desperately. In the end...in the end, no one was spared, and all were destroyed...”

What?

Hearing this, no matter it was Yue Wuya, Wen Chou Chou, Sun Dasheng, and Wen Xiaoyu, they were all shocked and stood up one after another, their faces even more shocked and angry.

This Sea Dragon Palace is really bold, dare to openly attack the Tianmen sub-altar?

At the same time of being frightened and angry, Yue Wuya was trembling all over, and his heart was also extremely sad.

There are more than 10,000 people in the entire Donghai City sub-altar, and all of them died. They were all brothers who once fought side by side.

Especially the altar master Li Guangyong, Yue Wuya admired him very much. He planned to promote him to the Dharma King two months later, but he never expected that he would be killed by the leader of the Sea Dragon Palace.

Mad!

Thinking of this, Yue Wuya clenched his fists and stared at the disciple: "What you said is true?"

The disciple's face was full of grief and indignation: "The disciple does not dare to deceive, what you just said is all true, Sect Master, Hailong Palace is daring and dares to offend our Tianmen, this revenge must be avenged."

Bang!

Hearing this, Yue Wuya's eyes were blood red, and he slammed down the table: "Hailong Palace is too deceiving, this revenge will not be repaid, and it will not be shared." After speaking

, Yue Wuya ordered the disciple: "Pass my order to gather all the disciples of Tianmen to encircle and suppress the Hailong Palace." When he said this, Yue Wuya was full of anger.

Chapter 5149

Hailong Palace first kidnapped Hai Linger, then went to Dragon King Island with Wen Xiaoyu to rescue them and almost died there, but now, Hailong Palace has even landed on the mainland and openly attacked the Tianmen sub-altar.

If you endure this tone, how can you call yourself a sect master? How to face the rivers and lakes fellows?

"Yes, Sect Master!"

Upon hearing the order, the disciple responded and turned to leave.

"Wait!"

But at this moment, Wen Chou Chou suddenly shouted, then took a deep breath, and said seriously to Yue Wu Ya: "Ya'er, this time is no small matter, remember not to act with anger."

Seriously, If other sects and Tianmen go to war, Yue Wuya is enough to deal with it, and Wen Chou Chou will definitely not stop it, but the Sea Dragon Palace is different.

When Yue Wuya and Wen Xiaoyu went to rescue Hai Linger, it was a thrilling step by step, and they almost died in the sea.

More importantly, the mysterious young man in the Sea Dragon Palace is very powerful, and at this time, Yue Wuya is being carried away by hatred, and he hastily fought with the opponent, which is harmful and useless.

"Uncle Wen."

Yue Wuya clenched his fists, unable to express the grief and anger in his heart, and said puzzled: "You want me to bear it for a while? There are nearly 10,000 brothers in the whole altar, and I will definitely hate this. Report." At the

end, Yue Wuya's voice was hoarse.

Wen Chou Chou took a deep breath and patted him on the shoulder: "Of course you have to avenge your revenge, but it can't be in this state. In this way, you wait here for the news first, and I'll take someone to check the situation."

Phew!

Saying that, Wen Chou Chou narrowed his eyes slightly: "I want to learn how strong that mysterious young man is."

Hearing this, Yue Wuya was no longer so excited, and nodded: "Alright then, Uncle Wen, be careful." Wen Chou Chou acted cautiously and was resourceful. Even if Yue Feng was present, he would obey his arrangements. Wu Ya naturally dare not go against it.

Saying that, Yue Wuya said to the disciple, "Pass my order, everyone in the Tianmen, follow Uncle Wen's arrangement, and make no mistake."

"Yes, Sect Master!"

Upon hearing the order, the Tianmen disciple hurriedly responded.

Seeing him calm down so quickly, Wen Chou Chou nodded approvingly: "Ya'er, this revenge must be avenged, when I find out everything about the other party, let's

counterattack in an all-round way, before that, you stay here first, Please accompany Hai Ling'er."

Hmm!

Hearing this, Yue Wuya felt warm in his heart and nodded.

"Brother Wen!" At this moment, Dasheng Sun looked impatient and couldn't hide his inner fighting intent: "Let me go with you, Mad, I haven't fought for so long, and I feel uncomfortable all over." For the

past six months, Dasheng Sun has He Wen Chou Chou has been staying in the Xia Yin Sect, trying hard and waiting for the opportunity, and he has long been overwhelmed. How could he miss the opportunity at this time?

Seeing his appearance, Wen Chou Chou couldn't help laughing: "Yes, but we have to agree first, you can't be too impulsive, everything has to follow my arrangement." The

Great Sage has a hot personality and is the most unstable. To prevent it in the future.

"That's natural."

Sun Dasheng nodded again and again: "I will do whatever Brother Wen asks me to do." In Sun Dasheng's heart, Wen Chou Chou is the eldest brother, and he naturally has to listen to his words.

More importantly, after holding back in Xia Yinzong for so long, he had long wanted to have a good fight. As long as there was a fight, let him do anything.

Ha ha...

Seeing his appearance, Wen Chou Chou couldn't help laughing, and then he explained a few words to Yue Wuya, and brought Sun Dasheng to gather everyone, quickly left Xia Yinzong, and headed towards Donghai City.

"Brother Wuya!"

As soon as his forefoot left, Wen Xiaoyu stood up and comforted Yue Wuya: "You must be calm, then the Sea Dragon Palace will do the opposite and go against the law of heaven, and it will definitely not end well."

"We Just wait for the news from my father, and when the counterattack comes, our brothers will join forces to kill them without leaving a single piece of armor." At the end, Wen Xiaoyu's handsome face was full of pride.

"Okay!"

Hearing this, Yue Wuya smiled and hugged Wen Xiaoyu tightly.

After a few chats between the two, Wen Xiaoyu left. There was something wrong with the sub-altar of Tianmen Donghai City. How could he still be in the mood to drink?

## Chapter 5150

After Wen Xiaoyu left, Yue Wuya sat alone in the pavilion for a while, then returned to his resting room and practiced cross-legged.

Yue Wuya originally wanted to see Hai Ling'er, but it was getting dark now. Although the two were already recognized as a couple, they hadn't had a wedding yet, so they couldn't go beyond the etiquette.

More importantly, Hai Linger has been taking care of the baby.

It was because of this baby that the Sea Dragon Palace raided the sub-altar of Donghai City, resulting in the tragic death of tens of thousands of brothers. Yue Wuya was really not like the past, and he was afraid that he could not control his emotions when he saw the child.

Time passed by minute by minute.

Unconsciously, the night passed, Yue Wuya breathed a sigh of relief and slowly opened his eyes.

After a night of training, Yue Wuya only felt that his body was full of internal energy, but he couldn't be happy at all. When he thought of the tragic deaths of nearly 10,000 brothers in Donghai City, Yue Wuya felt a pain in his heart.

call!

Looking at the bright sky outside, Yue Wuya took a deep breath, got up slowly, and then pushed the door and walked out.

When they got outside, Yue Wuya waved at a maid not far away: "I ask you, after the Palace Master Wen left last night, is there any news coming back?" After

so long, he should have found out the situation.

However, the maid shook her head: "Reporting to Sect Master Yue, after the Palace Master Wen left, there has been no news."

No news?

Hearing the answer, Yue Wuya suddenly felt a little heavy, what's going on, could it be that Uncle Wen and the others are in trouble?

Thinking of this, Yue Wuya didn't have time to think, and hurriedly walked towards the front hall.

When they got to the front hall, they saw Su Qingyan sitting there, discussing the situation with several elders of Xia Yinzong, and what they were talking about was the Sea Dragon Palace.

Su Qingyan also knew about the raid on the Tianmen Donghai City branch yesterday.

"Aunt Su."

At this time, Yue Wuya walked in quickly and greeted Su Qingyan respectfully: "Uncle Wen has been gone all night, what's the matter?" Although Yue Feng and Su Qingyan have not The wedding was held, but Yue Wuya always respected her and called her Auntie Su.

Su Qingyan breathed a sigh of relief and replied, "I just sent back the news."

"This time, the Sea Dragon Palace dispatched 200,000 followers, and the main target is your Tianmen. The leader on the surface is a pirate leader named Yu Du. , but your Uncle Wen secretly found out that the real commander is actually a young man named Liu Hao."

"It's just that this Liu Hao's whereabouts are very mysterious, and he has never shown up."

"In the news returned by your Uncle Wen, In particular, he is currently investigating the whereabouts of that Liu Hao, and we should not act rashly until we find him."

When she said this, Su Qingyan's delicate face was very solemn.

Liu Hao?

Hearing this name, Yue Wuya's heart was shocked, and he suddenly thought of something: "This Liu Hao should be the young man Xiaoyu and I met on Dragon King Island. ."

Yue Wuya still had some lingering fears when he thought of the scene of fighting against Wen Xiaoyu and the other party at that time.

To be honest, the situation at that time was extremely dangerous, the two of them couldn't beat each other together, and they almost died at the bottom of the sea.

Huh ...

Hearing this, Su Qingyan also frowned: "The other party is so strong? It seems that we have a fierce battle to fight."

With that said, Su Qingyan said softly to Yue Wuya: "Wuya, don't worry, let's wait for Brother Wen's next news. If there is a chance, Xia Yinzong will definitely help."

Yue Wu Ya nodded: "Thank you Aunt Su."

After chatting a few more words, Yue Wuya left the hall and walked towards the backyard.

Ling'er should have woken up by now, calling her to have breakfast together.

Thinking of this, Yue Wuya quickened his pace.

"Brother Wuya!"

As soon as he arrived in the corridor of the backyard, he heard a cheerful voice, followed by a slim figure from the direction of the guest room.

Not Hai Linger, but an eighteen or nineteen-year-old girl.

Wearing a red short skirt with a high ponytail, she is indescribably youthful and beautiful.
