

The ultimate husband in Chinese chapter 5271-5280

Chapter 5271

He said it to himself, but he didn't notice Nalan Wushuang's complexion, which became more and more ugly.

"It's alright, alright..." The

sharp-eyed Nalan Yun wanted to say, but Nalan Wushuang waved his hand very irritably: "I'll let you spy on Hai Ling'er to see if she has any hidden secrets, you What do you keep mentioning the child? It's really annoying..."

She was already annoyed, but seeing Nalan Yun didn't bring back any useful news, her mood was even worse.

Uh...

Seeing that Miss was angry, Nalan Yun's face was full of embarrassment. She scratched her head at that time and quickly said, "What the lady taught me, then... Then I will go back and monitor." With

that, Nalan Yun said about to turn away. Nalan

Wushuang responded angrily. Seeing that Nalan Yun was about to leave the garden, he suddenly thought of something and called out, "Stop, come back first."

Bold guess.

"Miss."

Hearing the call, Nalan Yun hurriedly turned around and ran back, with a respectful look on his face: "Miss, what else do you want to tell me?" On the surface, he was respectful, but in his heart he was unspeakably uneasy.

In the entire Nalan family, who does not know that Nalan Wushuang is the most unruly and willful, and Nalan Yun, as a guard, has always had a headache.

I didn't find any useful information this time, so the lady won't punish me.

Thinking in his heart, Nalan Yun became even more panicked.

Seeing his nervous look, Nalan Wushuang frowned: "Why are you so panicked? Am I scary?"

This chapter is provided by . Visit for daily update.

“No, no...” Nalan Yun quickly shook his head.

call!

Nalan Wushuang breathed a sigh of relief and turned to the topic: “You said just now, that Hai Linger takes care of the children every day, rarely leaves Xia Yinzong, and has almost nothing else?”

“Yes.” Nalan clouded nodded.

Nalan Wushuang asked again: “Yue Wuya is also very caring for that child?”

Well...

Nalan Yun responded, and then said: “In addition to cultivating, Yue Wuya spends most of the time in Taking care of the children with Hai Ling’er in the room is like a family of three...”

Halfway through, Nalan Yun quickly stopped and carefully glanced at Nalan Wushuang’s reaction.

Nalan Wushuang likes Yue Wuya. In the whole Nalan family, it can be said that it is an open secret, but he said that Yue Wuya and Hai Linger get along like a family. Isn’t this asking for scolding?

However, Nalan Wushuang did not scold him, but frowned for a moment and thought for a while, and then expressed his guess: “You said...that child was born by Yue Wuya and Hai Ling’er?”

” At that time, Nalan Wushuang bit his lip tightly, and his heart was extremely complicated.

She liked Yue Wuya, almost to the point of hopelessness, and naturally didn’t want him to have children with other women, but the news that Nalan Yun brought back had to make people suspicious.

If it wasn’t for their own children, how could Yue Wuya and Hai Ling’er be so caring?

What?

Hearing this guess, Nalan Yun was immediately taken aback: “Miss, this... it’s impossible, didn’t Yue Wuya catch the child from Dragon King Island? I heard that it was the child of the Queen of Dragon King Island. It’s to exchange with Hai Ling’er.”

“And... Yue Wuya and Hai Ling’er are not married, how could they give birth to a child earlier?”

Nalan Yun shook his head as he spoke.

This guess of the young lady is really too bold, not to mention anything else, but just talking about Yue Wuya's identity, that is the current Sect Master of Tianmen, and every move has attracted the attention of all corners of the world. If you don't get married, you will have a child with a woman. will be big news.

"Why is it impossible?"

Nalan Wushuang snorted softly, her delicate face could not hide the resentment and resentment: "That bitch Hai Linger, who looks innocent on the surface, is actually a shameless slut, she wants to be Tianmen. Sect Master's wife, it is very likely that she will take the initiative to seduce Yue Wuya."

"Besides, no one except Yue Wuya and Hai Linger's true identity knows the origin of that child. They said that they were caught from Dragon King Island. It may be a pretense."

This....

Hearing this, Nalan Yun scratched his head, fell into deep thought, and responded after a few seconds: "Miss, the child was born to Yue Wuya and Hai Ling'er, It's just that they deliberately changed a lie to avoid being gossiped?"

Chapter 5272 After speaking

, Nalan Yun said puzzledly: "But... Yue Wuya acts upright, so he shouldn't do this."

"He won't, it doesn't mean that slut won't."

Nalan Wushuang slowly Standing up, he said coldly, "That bitch Hai Linger is very good at coaxing men. Brother Wuya obeys her words. As long as she insists on hiding her child's identity, Brother Wuya will not refuse."

Huh... ..

Hearing this, Nalan Yun couldn't help taking a deep breath, nodded slowly and said, "According to what the lady said, maybe it's really possible."

Immediately, Nalan Yun stepped forward, looked at Nalan Wushuang seriously, and said bitterly. He persuaded: "Miss, I'm a servant, there are some things I shouldn't have said, but I still want to persuade you, since Yue Wuya only has Hai Linger in his heart, don't be so persistent and let go.

" There is more than just him, Yue Wuya, a man, there are many young and talented people in the rivers and lakes, the young lady will meet better in the future..."

Just before he finished speaking, he was interrupted by Nalan Wushuang.

“Shut up!”

Nalan Wushuang’s face flushed, and he shouted: “It’s not your turn to make irresponsible remarks about my affairs. Just do things for me honestly.” Nalan Yun kicked.

Nalan Yun didn’t dare to hide after being kicked. At that time, he was full of bitterness: “What else do you want me to do?”

Nalan Wushuang tilted his head and thought for a while, with a bit of madness in his eyes: “You go to Xia Yin again. Zong is here to find a way to get the things on Yue Wuya and the child.” What

’s on them?

At this moment, Nalan Yun was stunned, only feeling that his brain was not enough: “What?” “It’s really stupid.”

Nalan Wushuang scolded and said coldly: “It’s just the blood or hair of the two of them. I want to do an appraisal to determine whether the child is Yue Wuya’s.”

“If the child is really Yue Wuya, then It proves that I guessed right. Hmph, then, I will definitely make that bitch pay a heavy price...”

After the last sentence, Nalan Wushuang’s beautiful face showed a bit of hideousness.

What?

Hearing this, Nalan Yun’s heart shuddered, Miss is really crazy, to be able to come up with such a solution.

Thinking to himself, Nalan Yun said with a bitter face: “Miss, Yue Wuya is the sect master of Tianmen, and Xia Yinzong is heavily guarded, how can I get his blood or hair?”

“And that child ? , Hai Linger watched all day long, how could I have a chance. Miss, don’t make it hard for me.”

At this time, Nalan Yun was about to cry. Speaking of himself, he is a top expert in the arena, and I am afraid that he cannot do it.

“You can’t do it, right?”

Nalan Wushuang's face was full of displeasure: "Okay, then I'll find someone else to do it, you go away, don't let me see it again in the future." She has a stubborn personality. No matter how much it costs.

"I'm going, I'm going..." Seeing her like this, Nalan Yun wanted to cry without tears, and quickly nodded in agreement.

Although his surname is Nalan, he is not a member of the Nalan family at all. He was originally an orphan, and was adopted by the Nalan family. He was finally given the name Nalan Yun. If he was driven away by the young lady, he would be homeless.

Um!

Seeing his promise, Nalan Wushuang's complexion improved, and he said lightly, "Don't worry, even if your behavior is exposed, I will keep you safe."

Nalan Yun responded, not daring to say more, and turned to leave.

After Nalan Yun left, Nalan Wushuang looked at the sky in the distance, unable to hide the resentment in his heart, and said to himself: "Hai Linger, you bitch, take away my brother Wuya, I must let it go. You are doomed."

.....

On the other side, Xia Yinzong.

At eight o'clock in the evening, in the hall of Xia Yinzong's main altar, there was a cheerful atmosphere.

I saw that there was a sumptuous banquet table in the hall, and the table was full of people, including Wen Chou Chou, Sun Dasheng, Xiao Yuruo, and Su Qingyan.

And the more eye-catching ones are Shennong, Zhu Rong and Zhu Bajie.

A few days ago at the main altar of Tianmen, Wen Chou Chou and Sun Dasheng defended the Sea Dragon Hall together, but Gone was too strong, and finally Wen Chou Chou and everyone had to form a formation to trap Gone.

Chapter 5273

And at the last critical moment, Zhu Rong arrived in time, and with the power of fire, finally forced Gone to retreat.

It can be said that in the first battle at that time, Wen Chou Chou won a great victory.

After the victory, Wen Chou Chou did not take it lightly, and ordered the Tianmen disciples in the main altar to strengthen their defenses, and then sat down with Sun Dasheng, Zhu Bajie and others, waiting for the Hailong Hall to counterattack.

However, after waiting for a few days, there was still no movement in the Hailong Palace, and Wen Chou Chou had to take everyone and temporarily return to the Xia Yin Sect.

Knowing that Wen Chou Chou and everyone defeated the Hailong Palace, the whole Xia Yin Sect was very happy, so in the evening, Su Qingyan specially prepared a table of wine and dishes, intending to treat everyone well.

The main altar of Tianmen was proudly preserved, Yue Wuya was very happy, and kept pouring Wen Chou Chou a few drinks on the wine table.

As Yue Wuya's girlfriend, Hai Ling'er naturally accompanied her.

"Uncle Wen, Uncle Great Sage..."

At this time, Yue Wuya stood up with a wine glass, looked around, and said with a smile: "And Uncle Zhu, Senior Shennong... This time the Tianmen General Altar will be exempted. Due to the catastrophe, thanks to a few of you, Wu Ya is here to toast you again." The

voice fell, and he drank the wine in the cup.

"Haha..."

Sun Dasheng laughed and nodded in approval: "Ya'er has grown up, and I have to say that she has a style of style, but you are the sect master of Tianmen, you really want to drink this wine." The

voice fell, Zhu Ba Jie also couldn't help but praised: "I really think that time flies so fast, when I met Yue Feng in Beiyong Palace, he was still a reckless boy, and now his son is so old.

" With that, Zhu Bajie sighed with emotion.

Wen Chou Chou couldn't help laughing and said, "Brother Zhu is not envious of Feng Zi for having a good son. If so, he should find a woman to start a family and have a child so that he can inherit the mantle."

Sun Dasheng nodded again and again.

Zhu Bajie drank a glass of wine and laughed: "How can one child be enough? At least ten..."

Haha...

Hearing this, Wen Chou Chou and Sun Da Sheng couldn't help but burst into laughter. Thumbs up.

"Brother Zhu still has the courage..."

And the faces of Su Qingyan on the wine table were all blushing.

This Zhu Bajie is really the same as Yue Feng's virtue. No matter what time it is, there is no righteousness at all. How can you say something like giving birth to a child on this occasion?

.....

Just when the front hall was full of laughter, at this moment, a figure quietly slipped into the resting backyard while taking advantage of the night.

By the moonlight, I saw this man wearing a black gown, his face could not hide the tension.

It was Nalan Yun.

Half a day ago, Nalan Wushuang asked him to come to Xia Yinzong again, trying to find a way to get Yue Wuya and the children's belongings. At that time, Nalan Yun was unspeakably depressed. But there was no way, and in the end, I had to bite the bullet.

After coming to Xia Yinzong, Nalan Yun knew that the opportunity was coming when he learned that everyone was celebrating in the front hall.

call!

Soon, in Hai Linger's resting room, Nalan Yun hid behind a tree to observe, making sure there was no one else around, and then carefully pushed the door and entered.

I saw that there was a cradle in the middle of the room, and the child in it was sleeping soundly.

"I'm sorry."

Nalan Yun took a deep breath, muttered to himself, took out the dagger and vial on his body, and walked over, preparing to take the blood from the child.

However, seeing the child carved in pink and jade, it was very cute, and Nalan Yun couldn't do anything.

More importantly, after the skin is cut, the child will definitely cry when it hurts, and it will attract people.

Forget it, let's take the hair.

In the end, Nalan Yun thought about it, gave up the plan to take blood, cut off a few fetal hairs of the child with a dagger, and then carefully put it away.

After doing this, Nalan Yun began to carefully search for Yue Wuya's things in the room. After all, it is not enough to only rely on a few hairs of the child for identification, and it also needs something from Yue Wuya.

...

At this moment, this side of the hall.

After three rounds of wine and five flavors of food, whether it's Wen Chou Chou or Zhu Bajie, they're almost done drinking. But they didn't mean to get up and rest, just sat there and continued to chat and laugh.

Chapter 5274

"Brother Wuya."

Seeing that it was getting late, Hai Linger couldn't help but whispered to Yue Wuya: "Otherwise, I'll go back to rest first, it's been so long, I don't know the child is awake No."

These few days, Hai Ling'er has been taking care of the child every day, and a feeling that cannot be separated has been born in her heart.

Seeing her appearance, Yue Wuya smiled: "Okay, I'll go to rest too, let's go together." After

speaking, Yue Wuya stood up and said embarrassedly at the Wen Chou Chou crowd: "Senior uncles, you guys Continue, I'm too drunk, so I'll go back to rest first." As

he spoke, he held Hai Ling'er's hand tightly.

Even if they were together every day during this period of time, they were inseparable, but it was not enough for Yue Wuya.

"Oh!"

Zhu Bajie shook his head and said as soon as he finished speaking, "How can you say that you are incapable of drinking at such a young age? You can't leave first, then accompany me to drink a few more drinks."

"Your father Yue Feng is not here, You have to drink his wine."

After speaking, Zhu Bajie was about to pour wine for Yue Wuya, but was stopped by Wen Chou Chou.

"Brother Zhu." Wen Chou Chou said with a smile: "Have you not seen it yet? This kid is not good at drinking, but wants to go back to accompany his confidante."

Hearing this, Zhu Bajie was stunned for a moment, then looked at When Yue Wuya and Hai Ling'er were holding hands, they immediately understood something, patted his forehead and said, "Haha, that's right, okay, I'll let you go this time." With

that, Zhu Bajie said. He couldn't help looking at Hai Ling'er up and down, and praised again and again: "I have to say, this kid and his father are both beautiful, and the girl looks like a fairy."

"Boy, you have to cherish it."

Shuh!

Hearing this ridicule, Hai Ling'er blushed and didn't know what to say for a while.

Yue Wuya also scratched his head stupidly: "I will not let Linger down." After saying that, he greeted everyone, and then walked out of the hall with Hai Linger.

"Brother Wuya."

When they got outside, Hai Linger took Yue Wuya's arm with a worried look on her delicate face: "You drank a lot tonight, are you feeling uncomfortable? Otherwise, I'll take you back first. Room."

Yue Wuya smiled and said, "I am the Lord of Heaven's Gate, how can I get drunk so easily? Let me take you back to the room." After

saying that, he dragged Hai Linger towards the resting courtyard at the back.

"Linger."

When approaching the room, Yue Wuya stopped and looked at Hai Linger affectionately: "When the matter of the Sea Dragon Palace is resolved, then I will ask Uncle Wen to go to the sea sharks to propose marriage, and wait until After my father comes back, we'll have a wedding, okay?"

Shuh!

Hearing this, Hai Ling'er was full of joy, but her face was extremely shy: "Is this too fast?"

"Is this too fast?" Yue Wuya smiled: "I still think it's too slow. Let the whole world know that the princess of your sea shark clan is my woman, and no one can take it away."
After the

last word fell, Yue Wuya looked at her charming appearance, and couldn't help it any longer. , kissed slowly through the gall of wine.

Putong Putong...

Feeling Yue Wuya's breath getting closer and closer, Hai Linger's heart was like a deer bumping around, jumping non-stop, and her delicate face was as red as the clouds, but in the end she closed her eyes and got ready. Facing that tender moment.

Wow...

Seeing that Yue Wuya was about to kiss, suddenly, there was a movement in the room in front, it was already late and the courtyard was already silent, this movement seemed abrupt.

Hearing the movement, both Yue Wuya and Hai Linger were startled.

"Who is it?" In the

next second, Yue Wuya reacted, staring at the door, and scolded coldly: "Get out of here quickly." These days, Hai Ling'er has been taking care of the children by herself, basically not letting them The maid does the work, so there is no maid in the room except for the child.

And a child, it is impossible to make such a big movement.

The only explanation is that someone broke in at night.

Huh....

Hai Linger clutched Yue Wuya's arm tightly, and was full of nervousness. This is the main altar of Xia Yinzong. Someone dares to break in at night. Will the child be in danger?

Chapter 5275 It's

over!

At this moment, Nalan Yun was frozen in the room, sweating profusely, and his heart was extremely frightened.

Isn't Yue Wuya drinking in the lobby? Why did you suddenly come back? If he is caught, he will peel off his skin even if he doesn't die.

At this time, Nalan Yun almost wanted to cry but had no tears. After he got the baby's fetal hair just now, he was in the room, looking for something on Yue Wuya's body, but before he could find it, he came across Yue Wuya and came back .

Squeak!

Just when Nalan Yun was at a loss, the door was suddenly pushed open, and then, Yue Wuya strode in, followed by Hai Linger.

Swish!

The moment he came in, Yue Wuya's eyes were like electricity, and he locked on Nalan Yun at once. He was very shocked at the time: "Nalan Yun? Why are you?"

Nalan Wushuang had been pestering Yue Wuya before, and Nalan Yun Shi was the personal bodyguard and followed him all the time, so Yue Wuya knew it naturally.

Uh...

Seeing that he couldn't run anymore, Nalan Yun squeezed out a smile that was uglier than crying, and greeted Yue Wuya: "Yue... Sect Master Yue." When he spoke, he was so nervous that he almost lost his temper. Waddled.

Yue Wuya frowned: "What are you doing here?" As he

spoke, he observed the surroundings. This person was Nalan Wushuang's personal bodyguard. He quietly came to Hai Ling'er's room in the middle of the night. There must be something strange.

At this time, Hai Linger was worried about the child, so she hurried to the cradle, and she was relieved to see that she was still sleeping.

The next second, Hai Ling'er calmed down and asked Nalan Yun, "What are you doing in my room?"

This...

Facing the questioning of the two, Nalan Yun trembled all over, his lips trembled, and he couldn't answer.

How could he dare to say the real situation?

“Come on!”

Seeing that he couldn't say anything, Yue Wuya lost his patience and scolded: “This is the main altar of Xia Yinzong, you quietly broke in, if I hand you over to Xia Yinzong, What the consequences will be, you know better than me.” The

voice was not loud, but the powerful aura that filled his body was overwhelming.

Pfft...

The last word fell, Nalan Yun's legs softened, and he immediately knelt on the ground, panicking: “Don't hand me over, I said, I said...”

Immediately, Nalan Yun looked at Flickering, his mind was also turning quickly, and he said as he thought: “Sect Master Yue, calm down, this is the case, I...my lady, because I have a grudge in my heart, sent me to steal the child.”

Although Nalan Yun is a guard, his brain Very clever, he knew that if he told the truth, the young lady's plan would be in vain, and he would definitely not forgive himself at that time.

Moreover, the Yue Wuya in front of him is not easy to deal with. In this case, he can only make up a reason that can convince Yue Wuya to believe, but cannot destroy the young lady's plan.

Steal a child?

Hearing this, Yue Wuya and Hai Ling'er looked at each other, and they were both shocked and angry.

In the next second, Yue Wuya's face turned gloomy: “Why steal the child?”

Gu Dong!

Feeling Yue Wuya's powerful aura, Nalan Yun couldn't help swallowing her saliva and said cautiously, “Miss did this to let out a breath. Miss said, you cut off relations with her for the sake of the princess of the sea shark clan. , she couldn't take this breath, so let me steal the child so you can't find it, so that I can teach you a lesson.”

Saying that, Nalan Yun kept kowtowing and begging for mercy pitifully: “Sect Master Yue, this is what my young lady instructed me to do, please forgive me...”

Absurd!

Hearing this, Yue Wuya frowned, very angry, and said coldly: "This Nalan Wushuang is really crazy, what is the problem with the children between me and her before?"

The young lady of the Nalan family, It's so ridiculous.

At this time, Yue Wuya completely believed what Nalan Yun said, because with Nalan Wushuang's personality, it was not unusual for him to do such absurd things. It never occurred to me that I was completely deceived by Nalan Yun.

Ugh!

At this time, Hai Ling'er couldn't help but sighed and said to Yue Wuya, "It's all my fault, if it wasn't for me, you and Sister Wushuang wouldn't be like this."

The ultimate husband in Chinese chapter 5276-5280

Chapter 5276 The

voice fell, Yue Wuya shook his head: "Don't think too much, how can you blame you? You are optimistic about the child, I will solve this matter."

After speaking, he patted Hai Linger's Fragrant shoulders for comfort.

Hai Ling'er responded, then glanced at Nalan Yun, and hesitated: "Brother Wu Ya, he is also under orders, so don't blame him."

"I know." Yue Wuya nodded. However, his face remained gloomy.

The next second, Yue Wuya looked at Nalan Yun and said angrily, "Come with me." After that, he walked out of the room first. After all, this is Hai Ling'er's boudoir, so Nalan Yun has been staying there. It will be very inconvenient here.

Nalan Yun hurriedly stood up and followed him out with sincerity.

call!

When they got outside, Yue Wuya took a deep breath and looked back at Nalan Yun: "Since Linger is speaking for you, I won't bother with you about tonight's affairs."

When he said this, Yue Wuya pressed him. When he was angry, he knew in his heart that Nalan Wushuang was the mastermind behind tonight's incident, and he couldn't blame Nalan Yun in front of him, but he was really angry.

Gudong....

Feeling Yue Wuya's anger, Nalan Yun secretly swallowed his saliva and nodded again and again: "Thank you Sect Master Yue, thank you Sect Master Yue for your kindness." At this time, Nalan Yun's hands were sweating. .

You must know that the one in front of you is the Tianmen Sect Master. His strength is outstanding in the entire Kyushu, and he can easily pinch himself to death with one finger. Who is not afraid?

At the same time, Nalan Yun was also secretly grateful.

Fortunately, I was more witty and came up with a reason that was not easily suspected. Otherwise, I would have become a corpse at this moment.

"Don't be too busy to thank you."

This chapter is provided by . Visit for daily update.

Yue Wuya snorted coldly and said word by word: "When you go back, tell Nalan Wushuang that there is no more connection between me and her, and I can spare you one just now, one is Linger. Please ask for mercy, the second is that Tianmen and the Nalan family are still alliances, so I don't care, but next time, don't blame me for turning my face and being ruthless .

"

Yue Wuya had no expression on his face, and was about to turn around and go back to the room.

This...for

a while, Nalan Yun froze there, wanting to cry without tears, full of entanglement.

The matter was not settled, and was discovered by Yue Wuya, so go back like this, you must not be scolded to death by the young lady, no, you must complete the task given by the young lady.

Now I only got the baby's fetal hair, and I still lack one thing from Yue Wuya.

How to do it?

The more Nalan Yun thought about it, the more tangled it became, and the more anxious he felt in his heart.

Um?

At this time, Yue Wuya walked to the door, and Yu Guang saw that Nalan Yun was still standing there, he frowned, and said very unhappily: "Why don't you leave?"

"I... Seeing

Yue Wuya turning back, Nalan Yun only felt that his heart was about to jump into his throat, and he said in anguish, "Sect Master Yue, you also know the character of my young lady, and what she explained, I If you don't do well, you will definitely be punished when you go back."

"That's your business." Yue Wuya said coldly.

"Yes!"

Nalan Yun nodded quickly, with a look of panic on his face: "It's a child who deserves it, I shouldn't have broken into Miss Hai Ling'er's room and tried to steal the child, but..."

Speaking of this, Nalan Yun's eyes flickered, and he suddenly had an idea in his heart: "But even if I bring Sect Master Yue's words to my young lady, with her personality, she will definitely not let it go."

Shuh!

When the words fell, Yue Wuya's face suddenly became extremely cold: "What do you want to say?"

"I mean this." Nalan Yun wiped the cold sweat from his forehead and said cautiously: "Sect Master Yue only let me pass the word, If you don't have any convincing power, why don't you give me something that I carry with me, and I'll take it back to the lady to show her, so that she can give up completely."

As he spoke, Nalan Yun observed Yue Wuya's reaction.

For a while, Yue Wuya fell silent, and couldn't help muttering in his heart.

There is some truth to what Nalan Yun said. Nalan Wushuang is stubborn. If I let go of my harsh words, she will definitely not be convinced. Maybe she will come here to make trouble in a few days.

Only by letting her give up completely can the matter be completely resolved.

Chapter 5277

Thinking to himself, Yue Wuya looked at Nalan Yun: "Okay, what do you want from me?"

Huh!

Nalan Yun took a deep breath, his face full of anxiety, and tentatively said: "There is a saying in the ancients, called 'swear to take an oath', Sect Master Yue might as well give me a few hairs of his own, I went back to see the young lady, and said Sect Master Yue I swore an oath to Duan Fa."

"The young lady must be disheartened when she sees her hair, and she will never pester Sect Master Yue again."

After saying this, Nalan Yun's face was serious, but there was a twinkle in his eyes. points of expectation.

Yes, his ultimate goal is to get Yue Wuya's hair. Because he is well aware of Nalan Wushuang's temperament, if the matter is not done, he is afraid of being kicked out of the Nalan family.

However, Nalan Yun was quick-witted, and when he turned his head just now, he made up a perfect reason.

"This..."

Hearing this proposal, Yue Wuya hesitated for a moment, then took out his dagger, cut off a few hairs directly, and handed it to Nalan Yun: "This method is good, let's do it like this, I'll give you my hair, hurry up and leave."

At this time, Yue Wuya just wanted to clear his relationship with Nalan Wushuang as soon as possible, but he didn't expect that he had already been tricked by Nalan Yun.

Haha...

Seeing that Yue Wuya didn't have the slightest suspicion, Nalan Yun couldn't tell the excitement in his heart, but he didn't show it on his face, so he quickly took the hair and respectfully said: "Thank you Sect Master Yue for your cooperation, after I go back, I will definitely Persuade Miss."

"Go!" Yue Wuya waved his hand impatiently.

Nalan Yun didn't say more, put away his hair, and left with great excitement.

squeak...

As soon as her forefoot left, Hai Linger pushed the door open with her child in her arms, looked at the direction Nalan Yun was leaving, and said with a complicated mood, "Brother Wu Ya, the lady from Nalan's family seems to really like you. "

“A woman, only when she is deeply in love will do such absurd things. I think, do you want to have a good talk with her...”

“You ‘swear’ to talk to her . Is it not good to break up?”

She was kind in her heart, and always felt that Yue Wuya’s actions were a little too heartless.

Uh....

Hearing this, Yue Wuya was very helpless and smiled bitterly: “Linger, you are too kind, have you forgotten how she killed you a few days ago, if it wasn’t for you at that time? I arrived in time, we have been separated forever, and you are still helping her talk?”
After speaking

, Yue Wuya’s tone became gentle, and he gently held her in his arms: “In my life, I have only you in my heart, There is no room for other women.”

Feeling Yue Wuya’s warmth, Hai Ling’er was very moved.

But thinking of Yue Wuya’s decision just now, to break with Nalan Wushuang completely, I still feel a little inappropriate. After all, Nalan Wushuang has a stubborn personality, and Yue Wuya’s actions will definitely stimulate her even more...

It’s just Yue Wushuang . Wu Ya has said so, and it is useless to persuade him.

....

on the other side.

Nalan Yun left the main altar of Xia Yinzong, and took advantage of the night to rush back to the Nalan family’s other garden as soon as possible.

When I got to the room where Nalan Wushuang was resting, I saw that the lights inside had gone out. It was already the second half of the night. Obviously, Nalan Wushuang had already rested.

It’s so late, why don’t you wait for tomorrow?

Forget it, Miss is in a hurry, let’s wake her up now.

At this moment, Nalan Yun stood in front of the door, hesitating in his heart, and finally knocked on the door.

Boom!

The knock on the door was not loud, but it seemed very harsh on the silent night. Soon, Nalan Wushuang, who was resting inside, was awakened. He was very irritable at the time: "Who, what happened at night?"

Nalan Yun took a deep breath and said carefully outside the door: "Miss, it's me."

"You..."

Hearing Nalan Yun's voice, Nalan Wushuang suddenly became angry: "Why are you so fast? Are you back? Have you done everything I explained to you?"

"Miss!"

Nalan Yun's face was bitter, and he respectfully said: "Fortunately, Nalan Yun is not humiliated, I have everything on Yue Wuya and the child. I brought it back."

Huh.....

Hearing this, Nalan Wushuang was overjoyed, and quickly pushed the door and walked out: "Really?"

Chapter 5278

Nalan Yun smiled and took out the things from his body: "How dare I deceive Miss? These two things, one is the child's fetal hair, and the other is Yue Wuya's hair."

"Although the middle process is very difficult It's dangerous, but I finally got it."

After saying this, Nalan Yun handed the things over to Nalan Wu's hands.

Phew...

At this moment, Nalan Wushuang opened the thing and looked at it, and he was sure that it was what Nalan Yun said, and his delicate face was very relieved: "Okay, you did a good job, prepare the car immediately, I will go now Hospital identification."

When he said this, Nalan Wu couldn't hide the urgency in his eyes.

She thought about it, if the genes of the two things were matched, it would prove that the child was born to Yue Wuya and Hai Linger. At that time, Hai Linger must be saved forever.

If not, then it is the best, it means that Hai Linger and Yue Wuya have not made substantial progress, and they still have a chance.

"Okay!"

Seeing her impatient face, Nalan Yun quickly responded and went to prepare the car.

Half an hour later, Nalan Wushuang, accompanied by Nalan Yun, arrived at the hospital appraisal department.

The Nalan family is well-known in the entire Earth Continent, so even in the middle of the night, the hospital duty staff did not dare to show the slightest impatience when they saw the young lady from the Nalan family, and they were all very attentive.

“Doctor!”

At this time, Nalan Wushuang, with a high look on his face, said to the appraisal doctor: “As fast as possible, confirm the DNA matching of these two hairs, be quick, don’t make me wait too long. “

Okay, Miss Nalan.” The doctor found something and hurriedly entered the testing area.

Nalan Wushuang didn’t follow up, she sat on the chair outside the door and waited. Her delicate face was full of impatience. She didn’t like the smell of the hospital since she was a child. Nothing will come.

Nalan Yun stood aside, quietly accompanying him.

Time passed by minute by minute.

Ten minutes passed in a blink of an eye, Nalan Wushuang became a little impatient, and Xiu Mei clenched her locks: “It’s just for identification, why is it so slow? Is the doctor being lazy? Let me wait any longer, this lady will smash the hospital.”

Uh ...

Nalan Yun on the side was very helpless, smiled bitterly and comforted: “Miss, calm down, as far as I know, DNA identification will take some time. This hospital has advanced equipment and should be the fastest.”

Just as he was talking, he saw the doctor holding the test sheet and came out sweating profusely.

“I’m dying...”

Nalan Wushuang looked unhappy, and said coldly to the doctor: “What

’s the result?” When asked, Nalan Wushuang tried his best to keep himself calm, but his heartbeat accelerated inexplicably. Deep down in her heart, she naturally didn’t want the child to be born by Yue Wuya.

“Miss Nalan.” The

doctor unfolded the test sheet with a look of flattery: “The result is out, 99% match.”

What?

A word was like a thunderbolt from the blue sky, Nalan Wushuang’s delicate body trembled, only his brain was buzzing, and he was slumped on the bench, and the whole person was stupid.

The match is close to 100%, which proves that the child was really born to Yue Wuya and Hai Linger...

This...

At the same time, Nalan Yun was also stunned, thinking that he had heard it wrong.

The next second, Nalan Yun took the test sheet and saw the test results above. He was completely dumbfounded, and his mind went blank.

The young lady guessed right, that child really belongs to Yue Wuya.

I really did not expect that Yue Wuya, as the sect master of Tianmen, was righteous on the surface, but he was so unruly behind the scenes. Before getting married, he gave birth to a child with Hai Linger.

Although the concept of a round continent is not as conservative as other continents, it is not ashamed to have children before marriage, but he is the master of Tianmen, and his every move attracts the attention of all corners of the world. How could he do such a thing?

At this time, neither Nalan Wushuang nor Nalan Yun knew that they had completely misunderstood Yue Wuya under their preconceived notions. The child is not from Yue Wuya, but from Yue Feng.

Half a year ago, in order to avoid the pursuit of the magic soldiers, Mo Yan and Yue Feng had a skin-to-skin relationship, and then Mo Yan became pregnant.

Chapter 5279

Later, Mo Yan went overseas, rectified large and small pirate organizations, and finally established the Sea Dragon Palace.

Soon after the establishment of the Hailong Palace, Moyan gave birth to the child.

In terms of bloodline, the child is a descendant of the Demon Race, but the blood of Yue Feng also flows in his body. In other words, he is Yue Wuya's half-brother.

With such a relationship, the genes of the two are naturally the same.

“This bitch...”

Finally, Nalan Wushuang came to his senses, all of them passed the inspection sheet, and after reading it carefully, he said something harshly, and then strode out of the hospital.

At this time, Nalan Wushuang was filled with resentment.

I liked Yue Wuya for so long, it could be said that he regarded him as the whole world, but he turned a blind eye to his own admiration, and what was even more irritating was that Hai Linger, who was really cheap and slutty enough to actually seduce Yue Wuya, and even slander him. The child was born.

“Miss...”

Seeing that her face was wrong, Nalan Yun hurriedly chased out.

However, after chasing after the gate of the hospital, he saw that Nalan Wushuang had already driven away, and the direction of driving was the main altar of Xia Yinzong.

Oops...

Seeing this scene, Nalan Yun suddenly became anxious.

With the temper of the young lady, she will definitely go to that Hai Linger to make a fuss, no, you have to go back and inform the owner of the house.

Thinking to himself, Nalan Yun hurriedly stopped a car and rushed towards the Nalan family.

.....

Xia Yinzong.

In the early morning, the morning sun sheds a golden light, and the entire Xia Yinzong main altar looks extremely peaceful and peaceful.

However, the atmosphere in the hall was extremely solemn.

A few days ago, Wen Chou Chou, Sun Dasheng and others, although they defeated the Sea Dragon Palace and kept the Tianmen General Altar, but it was only a short-lived

victory. After all, the Sea Dragon Palace has a large number of people, with hundreds of thousands of followers, and they will definitely make a comeback.

Therefore, after the celebration banquet last night, Wen Chou Chou did not relax his vigilance, so he convened everyone early in the morning to discuss how to deal with the Sea Dragon Palace.

At this time, the hall was full of people.

Wen Chou Chou, Sun Dasheng, Su Qingyan, as well as Shennong, Zhu Bajie, Yue Wuya, basically all they could get there.

Hai Ling'er held her child and sat aside. In the near future, she was going to marry Yue Wuya. She was the wife of the Tianmen sect master, so the future of Tianmen should naturally be concerned.

“Everyone!”

This is, Wen Chou Chou looked around and said slowly, “I got the news just now that the Hailong Palace is temporarily retreating in Donghai City, and there have been reinforcements coming from Dragon King Island these days.”

“I think, In a few days, they will make a comeback.”

When saying this, Wen Chou Chou couldn't hide the worry on his face.

call!

When they heard the news, everyone frowned.

“What are you afraid of!”

At this moment, Dasheng Sun stood up and said: “No matter how many they are, they are just a bunch of pirates, and they can turn the world upside down, I...”

Wow...

just halfway through . , the door of the hall was suddenly pushed open, and then a slender figure rushed in aggressively.

Delicate face, charming curves, but there is endless resentment in his eyes.

It is Nalan Wushuang.

Seeing Nalan Wushuang, everyone present was stunned.

What did this young lady of the Nalan family suddenly come to do? This time against the Sea Dragon Palace, I didn't ask their Nalan family for support.

"You..."

Yue Wuya was displeased, stood up all of a sudden, and said coldly to Nalan Wushuang: "What are you doing? We are talking about business, please go out immediately."

This Nalan Wushuang, what a lunatic. Yesterday, I swore an oath to cut off all ties with her, but she was still making a fool of herself. She really has no rules at all.

Nalan Wushuang ignored him and walked straight to Hai Ling'er.

Seeing Nalan Wushuang approaching, Hai Linger hugged the child, stood up subconsciously, and called out very softly, "Sister Wushuang..."

Slap!

As soon as she said a few words, Nalan Wushuang suddenly raised her jade hand and slapped her fiercely. The crisp sound rang out, and she saw Hai Linger stagger and take two steps back after being beaten. A five-fingerprint appeared soon.

"You bastard swinger, who is your sister? Don't get involved with me." Nalan Wushuang shouted fiercely.

Chapter 5280

In an instant, the entire hall was silent.

Whether it was Wen Chou Chou or Sun Dasheng and others, they were all stunned.

Wen Chou Chou even frowned secretly, and couldn't help saying: "Wushuang, don't be so rude." He has a good relationship with the patriarch of the Nalan family. It is considered as the elder of Nalan Wushuang, and he has always called her Wushuang.

Nalan Wushuang likes Yue Wuya, the whole Xia Yinzong knows it, and Wen Chou Chou naturally also knows it.

I just didn't expect that this young lady of the Nalan family would act against Hai Ling'er in public because of the love of these children. It was simply too unruly.

Swish!

At the same time, Yue Wuya was even more furious, walked over quickly, grabbed Nalan Wushuang's arm, threw her aside, and shouted angrily: "You are really a crazy woman, don't think it's from the Nalan family. Miss, I don't dare to touch you."

Immediately, Yue Wuya turned around and stroked Hai Ling'er's face softly, "Does it hurt?"

He loved Hai Ling'er more than anything else, and when he saw her being beaten, he felt extremely distressed. .

Hai Ling'er shook her head and looked at Nalan Wushuang with complicated eyes. She didn't know how to speak for a while. After what happened last night, she knew that things would not be so simple, but she never expected that Nalan Wushuang would be so unruly. .

"Did I make a mistake?"

Seeing Yue Wuya defending Hai Linger everywhere, Nalan Wushuang was angry and aggrieved, and shouted: "This slutty bitch seduces you and even gave birth to a child. , shouldn't you fight?"

What?

The voice fell, and the entire hall was suddenly in an uproar.

Whether it was Wen Chou Chou or everyone else around, their eyes were all focused on Hai Ling'er and the child, all of them in amazement.

What did Miss Nalan say? The child....was born by Hai Linger?

Yue Wuya was even more angry, staring at Nalan Wushuang, and shouted angrily: "What nonsense are you talking about? What gave birth to a child, don't talk nonsense.

" Let her spread rumors indiscriminately?

Especially Ling'er, who is pure and pure, just like a fairy in the sky, Nalan Wushuang must not be allowed to slander her like this.

"I..."

At this moment, Hai Ling'er also recovered, looked at Nalan Wushuang in a complicated way, and said softly, "Miss Nalan, I know you hate me, but emotional matters are forced. I won't come." "It's really wrong for Brother Wu Ya to treat you like that, but even if you get angry again, you can't create something out of nothing. This child is the child of the Queen of Dragon King Island. How could it be born to

me?"

Ling'er, her heart was very calm, she didn't feel resentment because of being beaten at all, on the contrary, she felt sorry for Nalan Wushuang, she was so crazy because of her love for Yue Wuya.

Hehe...

However, Nalan Wushuang couldn't listen at all. At that time, he sneered and said contemptuously, "You bitch, stop pretending, this child is yours and Yue Wuya's."

"If it weren't for your child . . , why are you guarding every day and taking care of it in every possible way?"

Yue Wuya was completely angry, and shouted: "Shut up for me, Linger has a good heart, and sees that the child is not accompanied by a mother, so take care of it carefully, what's the problem?"

call!

When the words fell, Wen Chou Chou also breathed a sigh of relief, looked at Nalan Wushuang seriously and said, "Wushuang, don't be ridiculous, we are talking about business. We will talk about you and Wuya later, okay?"

However, Nalan Wushuang didn't mean to leave at all.

"Uncle Wen."

Nalan Wushuang took a deep breath and shouted at Wen Chou Chou: "I'm not fooling around, this child belongs to this bitch and Yue Wuya."

When he said this, Nalan Wushuang was one face for sure.

What a crazy woman.

Yue Wuya was completely angry, his eyes were blood red and he glared at Nalan Wushuang: "You keep saying that the child belongs to me and Ling'er, what evidence do you have?"

Evidence! ?

Nalan Wushuang smiled and said, "I don't have any evidence, but do you dare to drop blood in public to recognize your relatives and do a paternity test." The hospital's test list did not contain the names of Yue Wuya and the child, which is not evidence, but Nalan Wushuang did not panic at all, as long as Yue Wuya dared to confess his kinship in public, everything would come to light.
