

The ultimate husband in Chinese chapter 5211-5220

Chapter 5211

“Ah...” When the

severe pain came, Chen Shangzhi let out a shrill scream, his eyes were full of horror, and he shouted at Ye Xingyu: “Elder brother...help me...help I...ah...”

He considered himself to be very witty, but he never expected to encounter such an end.

Hiss...

Seeing the scene in front of him, Ye Xingyu couldn't help gasping for air, his face was full of astonishment. The surrounding Shimen, seemingly unremarkable, was hiding a murderous intention?

Hearing Chen Shangzhi's call for help, Ye Xingyu wanted to rush over, but when he saw that his whole body was burning with fire, how dare he approached?

“Senior brother...” A

few seconds later, Chen Shangzhi let out a final scream, and he fell to the ground. After the flames were extinguished, his whole body was burnt to black and he lost his breath.

“Junior Brother!”

Seeing Chen Shangzhi's tragic state after his death, Ye Xingyu shouted, tears pouring out all at once.

Although they were only senior brothers, the two grew up together in Tianhaimen and had a deep relationship. Ye Xingyu couldn't accept it when he saw his junior brother die so tragically.

In the next second, Ye Xingyu came back to his senses and looked at Yue Feng fiercely: “You killed my junior brother, and you and I are inseparable.” I thought that for Jiang Hongyu's sake, I could teach him a good lesson today, but Unexpectedly, not only did he not teach Yue Feng a lesson, but he also took the life of his junior brother.

Hehe...

In the face of Ye Xingyu's hostility, Yue Feng was both angry and funny: “It's really interesting, it was obviously your junior brother who wanted to come and kill me, but I accidentally ran into an organ and was burned to death.

”.” The

tone was calm, but could not be refuted.

Mad!

Hearing this, Ye Xingyu burned with anger, his eyes were extremely blood red, and he could not wait to peel Yue Feng's cramps immediately: "Yue Feng, you are less proud..."

At this time, Ye Xingyu's mind was full of hatred.

The woman he loves, because of Yue Feng, refused to get married, and the younger brother who grew up with him for many years is also alive and dead in front of him, and all of this is inseparable from Yue Feng.

But before he could finish his words, he was interrupted by Yue Feng coldly: "If you want to kill me, just let your horses come over, don't be rude all the time."

"I'm here right now, come here if you want to do it."

Said At these times, Yue Feng stood there lazily, with a relaxed attitude.

He could see that this Ye Xingyu would only be ruthless in his mouth, but when it came to the matter, he was actually very cowardly. Moreover, Chen Shangzhi was considered his think tank. Now that the think tank is dead, he has lost his backbone, and he has no courage to take action.

More importantly, there are many organs around Shimen, Chen Shangzhi is already dead, Ye Xingyu will definitely not dare to take the risk.

Swish!

In the face of Yue Feng's provocation, Ye Xingyu clenched his fist tightly, his nails dived deeply into the flesh, and a trace of blood came out, but his feet remained unmoved.

Yue Feng was right. Chen Shangzhi made a rash move just now and was burned alive. Ye Xingyu didn't have the guts to take risks. The only thing he can do now is restraint, restraint again...

Phew!

Finally, after two minutes, Ye Xingyu took a deep breath, suppressed his anger, and said to Yue Feng word by word: "I will kill you myself sooner or later, let's see..." The

voice fell, and Ye Xingyu turned around. step away.

Ha ha...

Looking at Ye Xingyu's back, Yue Feng chuckled lightly, and did not take his harsh words seriously at all. With Yue Feng's current strength, let alone Ye Xingyu, even if the head of Tianhaimen came, he did not panic at all. .

A few seconds later, after confirming that Ye Xingyu was far away, Yue Feng no longer hesitated, turned and pushed open the Shimen.

Kazaza...

With a dull sound, the stone gate slowly opened, Yue Feng waved the dust floating in front of his eyes, and strode in.

Just saw, behind the stone gate, is a hidden palace. Perhaps it is closed all the year round and the air inside is thin, so the candles in the palace have been extinguished.

Huhuhu...

But Yue Feng opened the stone door and brought in the outside air. For a while, the phosphor powder in the candle light touched the fresh air and ignited automatically one by one.

In an instant, what was originally a dark palace was instantly illuminated.

I go!

At this moment, seeing the scene in front of him, Yue Feng's heart was shocked, and he was stunned.

Chapter 5212 I

saw the palace in front of me. It was magnificent. Everything I saw was decorated with gold, which was indescribably luxurious.

And in the center of the main hall, there is a huge thousand-year-old cold jade platform.

This cold jade platform is more than two meters wide and nearly three meters long. Standing at the door, you can feel the cold air coming from it. On the cold jade platform, a crystal coffin was quietly placed.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and suddenly felt a sense of déjà vu. Back then in the Kyushu continent, the ancient tomb of a generation of fierce generals Lu Bu appeared in the world. At that time, Yue Feng and Zhu Bajie were the first to find Lu Bu's real Hall of Heroes.

In that Hall of Heroes, the layout was similar to the one in front of him. At that time, it was also a jade platform with a crystal coffin on it.

However, at that time, there were Lu Bu and Diaochan in the crystal coffin, but I didn't know who was in the crystal coffin in front of me?

Shocked in his heart, Yue Feng walked over slowly.

Um?

When he got to the crystal coffin, Yue Feng was stunned again.

I saw that there was a little girl lying inside. The girl was twelve or thirteen years old. She was wearing a red short fur coat. Sleeping quietly in the crystal coffin.

This....

Seeing this scene, Yue Feng only felt his brain buzzing and couldn't help thinking secretly.

Who is this girl? How could he sleep in a crystal coffin?

And....what does this huge underground town have to do with her?

Just wondering, Yue Feng's eyes flashed, and he saw the girl's left hand clenched tightly, as if she was holding something. At that time, Yue Feng did not hesitate and slowly opened the lid of the crystal coffin.

After opening the lid, Yue Feng spread out the girl's left hand, and saw that what she was holding in her hand was an orange-yellow medicinal pill. Yue Feng is an old man. Although he didn't see what kind of medicine pill it was, he knew in his heart that if the medicine pill was given to the girl, she would be able to wake up.

Realizing this, Yue Feng gently opened the girl's mouth and put the medicinal pill in it.

The medicinal pill melted in the mouth, and the girl's face gradually showed a trace of ruddy. After a few seconds, she slowly opened her eyes.

call!

Seeing her come back to life, Yue Feng was very excited and asked with a smile, "Little girl, what's your name? Why are you lying in the crystal coffin?"

Yue Feng's eyes were full of anticipation when he asked.

"You..." The

little girl just woke up and didn't seem to get used to it yet. When she suddenly heard Yue Feng's voice, she was even more startled. Who?"

At this time, the little girl was like a bird with a startled bow, and there was a resistance that rejected people thousands of miles away.

Ugh!

Seeing her like this, a trace of pity rose in Yue Feng's heart. The girl was so young, and she didn't know what she had been through before. She was afraid of being like this when she saw a stranger.

Thinking to himself, Yue Feng said cautiously: "Don't be afraid, I'm not a bad person, I just came in here by accident and found you."

"The cold jade below is very cold, come out."

Saying that, Yue Feng Reached out his hand and wanted to help the little girl get out of the crystal coffin.

"Don't touch me."

Seeing Yue Feng reaching out his hand, the little girl became even more frightened and shouted, "Don't touch me..." At the same time, the little girl seemed to think of something and quickly took it from her body. out the same thing.

Um?

Yue Feng's eyes were sharp, and he was stunned when he saw the thing in the little girl's hand.

He clearly saw that what the little girl took out was a divine talisman. Speaking of which, the divine talisman was used by Yue Feng when he was in the Kyushu Continent, and it was immediately transmitted, which was very unstable.

I just didn't expect that on the Ziwei Continent side, there is actually such a strange thing as the Divine Rune Talisman.

Muttering in his heart, Yue Feng hurriedly said: "Don't get excited, I really won't hurt you, don't urge the magic talisman, this thing is sent randomly, in case it is sent to you on the top of the mountain or in the sea, That would be troublesome."

"Good boy, put down the divine talisman."

Chapter 5213

When he said this, Yue Feng tried his best to keep his voice low, and his tone should be as gentle as possible, just for fear of irritating the little girl again.

hum!

However, the little girl didn't listen to him at all. At that time, she directly stimulated her inner strength and injected it into the divine rune. In an instant, a white light flashed, directly covering the crystal coffin.

The next second, the little girl was teleported away, leaving only the empty crystal coffin.

I'm going...

It's all in a flash, Yue Feng can't react at all, wait until the white light disappears, and then look at the crystal coffin, where is the little girl still inside?

For a time, Yue Feng was very helpless, and the little girl was too timid, so she ran away. Ben also thought about being able to ask some information about this underground town from her mouth. It seemed that he was wishful thinking.

With emotion in his heart, Yue Feng had no choice but to investigate around the palace.

...

at this very moment.

There are a lot of people gathered near the big pit outside, it can be said to be a sea of people.

Half an hour ago, a subsidence occurred here, and a beam of light rose into the sky. At that time, many sects discovered the situation and immediately sent people to check.

Soon, more than a dozen sect masters arrived, adding up to more than 100,000 people, and the scene was spectacular.

At this time, more than a dozen sects and tens of thousands of people surrounded the giant pit in front of them, each and everyone was shocked.

“Where is this place?”

“Could this vortex be the entrance to an ancient tomb?”

“It should be, hurry, there must be something good in it, rush in...”

Under the discussion of everyone, in the end, I don't know who shouted. In an instant, many sect masters present rushed to the energy vortex at the bottom of the big pit.

...

on the other side, in the palace in the underground town.

Yue Feng turned around and found that although the palace in front of him was luxurious, there was nothing worth paying attention to, so he was about to turn around and go out.

Um?

However, when he passed the crystal coffin, out of the corner of Yue Feng's eyes, he suddenly discovered that there was something hidden at the bottom of the crystal coffin.

I saw that the place where the little girl lay before, on the layer of silk, was vaguely written with words on it, because Yue Feng's attention had always been on the little girl before, so he didn't pay attention until this time. Just discovered.

Discovering this, Yue Feng quickly picked up the silk, and after reading the words carefully, he was stunned.

What was written on the silk was nothing but the matter of the Heavenly Secret Palace, which had been destroyed for many years.

And this underground town was specially built by descendants of Tianji Palace to avoid disaster.

Thousands of years ago, God's Domain sent the Nine Heavens Fairy to the Ziwei Continent to supervise the order of the world. These Nine Heavens Fairies are the same as the Nine Heavens Saintess in the Kyushu Continent before, but the difference is that there are nine Nine Heavens Saintess in the Kyushu Continent, while in the Nine Heavens Continent there are nine. In Ziwei Continent, there is only one Nine Heavens Fairy.

At that time, this Nine Heavens Fairy, in addition to cultivating in the resting place, also liked to travel around on the rivers and lakes of the Lagerstroemia Continent.

During a trip, the Nine Heavens Fairy met a man named Dongfang Yu. The two fell in love at first sight, and after getting along for a long time, they made a private agreement for life.

You must know that the Nine Heavens Fairy represents the realm of the gods. In the human world, she rewards the good and punishes the evil. She must not have the slightest affair, but she has moved the heart of the common man. After being with Dongfang Yu for a year, she became pregnant with a child.

On the day the child was born, there was a natural vision. At that time, the entire Ziwei Continent was shaken. The Nine Heavens Fairy and Dongfang Yu were even more happy. After negotiation, they named the child Dongfang Wuji.

Dongfang Wuji is free and intelligent, inheriting all the advantages of his parents. He can memorize poems at the age of three, and can play chess with his father at the age of five. He can speak surprisingly long and has unique insights into everything.

At the beginning, the Nine Heavens Fairy was still a little troubled, because the child was too outstanding, and because of her status, she was afraid that she would be noticed by the gods one day.

But later, seeing that the child was so smart and likable, the Nine Heavens Fairy couldn't help but teach her what she had learned, and because of this, when Dongfang Wuji reached adulthood, not only did the martial arts reach the level of the world. At the top, even omnipotent, whether it is astronomy, geography, or formation and physiognomy, everything is fine.

Chapter 5214

Later, the Nine Heavens Fairy and Dongfang Yu went into seclusion.

However, before going into seclusion, the Nine Heavens Fairy called Dongfang Wuji to her, told her identity, and finally warned him that in the future, he must act in a low-key manner, but not be too public, otherwise, if the God Realm knows, the whole family will suffer. to catastrophe.

At that time, Dongfang Wuji was already in his twenties, and he even promised his mother the benefits.

Ten years ago, Dongfang Wuji has been traveling around the world, never arguing with others for his strengths and weaknesses, but gradually, he felt that it was very boring. Wouldn't it be a waste to just bring what you've learned into the loess?

But after having this idea, Dongfang Wuji was still a little hesitant, because he had promised his mother that he could not easily show his skills in front of outsiders, otherwise there would be a big disaster.

After struggling for two years, Dongfang Wuji finally came up with an idea and established the Hidden World Sect.

After more than a year of preparation, Dongfang Wuji established the Heavenly Secret Palace. The reason why it is called this name is that it is a metaphor for the meaning of 'the secret of heaven cannot be revealed'.

After the establishment of the Tianji Palace, Dongfang Wuji did not recruit disciples with great fanfare, but traveled around, adopting some orphans without parents and mothers, and then selected some people with outstanding talents from these orphans, and then taught them according to their aptitude and taught them their skills. .

In addition, Dongfang Wuji has formulated extremely strict rules, not allowing the disciples to say anything about the Heavenly Secret Palace, and there are also extremely strict requirements for the disciples to travel outside.

In this case, in the first few decades of the Tianji Palace, no one on the rivers and lakes knew about this sect.

It was not until a few hundred years later that a Jianghu man fell off a cliff, survived the disaster, and was rescued by the people of the Tianji Palace, which made the Tianji Palace appear on the rivers and lakes for the first time.

After another few hundred years, some news of the Tianji Palace was spread on the rivers and lakes.

According to the rumors of Jianghu, there is a hidden world sect Tianji Palace, deep in the mountains, it is like a paradise, and the disciples of Tianji Palace are almost omnipotent, not only are they all extremely powerful, but also can deploy extremely powerful formations , and a variety of sophisticated and cumbersome mechanisms.

For a time, countless people in the rivers and lakes were incomparably fascinated by the Heavenly Secret Palace, and even some people were proud to meet the disciples of the Heavenly Secret Palace.

When the Palace Master of the Heavenly Secret Palace passed to the twenty-third generation, the Heavenly Secret Palace was no longer as conservative as before, but began to recruit disciples for the entire Jianghu, because if the disciples were accepted according to the previous method, the inheritance of the Heavenly Secret Palace would be difficult to continue. Going down, after all, to secretly collect orphans, but also to select talents from orphans, this method is too harsh.

Therefore, the Tianji Temple continued for the first few hundred years, and it did not flourish. Instead, the number of people was smaller than the generation.

Under such circumstances, the 23rd generation of the palace masters withdrew the previous rules and began to recruit disciples in the rivers and lakes. That is to say, from this time on, the power of the Tianji Palace grew rapidly and became the first sect of the rivers and lakes. .

In the next few hundred years, the rivers and lakes of the entire Ziwei Continent can be said to be dominated by the Tianji Palace family.

But the good times didn't last long.

When the master of the Tianji Palace passed on to the 34th generation, two thousand years had passed since Dongfang Wuji founded the Tianji Palace. For two thousand years, the Tianji Palace enjoyed the most glorious glory, but the paper couldn't keep it. Fire.

Finally, Divine Realm knew about the private life of the Nine Heavens Fairy and human beings, and sent the gods and gods to punish them in the lower realm, and Tianji Palace, as a sect founded by the descendants of the Nine Heavens Fairy, was not able to escape the bad luck.

As a matter of fact, the last generation of the Palace Master of the Heavenly Secret Palace knew that such a day would come to the Heavenly Secret Palace when they were in power, so they built an underground town in advance to avoid disasters.

However, on the day that the Heavenly Secret Palace was destroyed, an accident happened. The palace lord failed to summon his subordinates and escaped into the underground town together. In desperation, he exhausted his last breath and escorted his daughter Dongfang Yunqing to the underground town.

And this Dongfang Yunqing is the little girl Yue Feng saw just now.

Chapter 5215 Phew

...

At this moment, after reading the content written on the silk, Yue Feng took a deep breath, unable to calm down for a long time.

It turned out that the little girl just now was the daughter of the last Palace Master of the Heavenly Secret Palace...

After careful calculation, the Heavenly Secret Palace has been destroyed for nearly a thousand years, so this little girl has also slept here for nearly a thousand years.

For nearly a thousand years, the rivers and lakes of the entire Ziwei Continent have long since changed. Dongfang Yunqing was just a twelve- or thirteen-year-old girl who

suddenly woke up. She had no relatives and no reason in this world. Thinking about it, she felt pitiful.

Thinking of this, Yue Feng sighed, and walked out of the palace quickly, thinking to find this Dongfang Yunqing quickly, not because of the identity of the other party, but because she felt a little pitiful and could help.

...

At this time, it was in a square a few hundred meters away from the palace where Yue Feng was located.

Swish swish...

Over a dozen sect masters, nearly tens of thousands of people passed through the energy vortex, were sent over, and scattered on the streets around the square.

God...

for a while, seeing the scene in front of me, all the experts in the arena were dumbfounded.

“I didn’t expect that there is no cave here.”

“What a big place, huh? The style of these buildings seems to be the handwriting of Tianji Palace...”

“Tianji Palace? Hahaha... There must be treasures here...”

After being shocked, I learned that this underground town was built by the Tianji Palace. In an instant, many experts in the rivers and lakes rushed into the nearby buildings with great excitement and began to hunt for treasures.

However, this place seems peaceful, but there are hidden traps everywhere.

After a while, someone touched the trap, and all of a sudden, the crowd, who were still extremely excited, was in chaos.

“Hurry away, this smoke is poisonous, spread out...”

“Ah... my eyes...”

“Everyone be careful, there are many traps hidden here...”

Amidst the exclamations and screams , The rest of the people hurriedly retreated to the square in the middle. At this time, the excitement and excitement of these people just now disappeared, only panic and anxiety remained.

“Everyone!”

At this moment, an old man came out, looked around and said loudly: “It’s definitely not possible for us to walk around like this, there are organs everywhere, and the organs of the Heavenly Secret Palace are not that easy. It’s broken.”

“The old man suggested that we temporarily recommend an alliance leader and give them a unified command, so as to reduce casualties, and when the treasure is found, everyone present will have a share.”

“Of course, this alliance leader needs to be capable and prestigious. Only those with knowledge will do.” The

old man was dressed in gray robes, and he was not angry and arrogant, and he was Li Qinghai, the great elder of Tianhaimeng.

Whoa!

As soon as Li Qinghai finished speaking, there was an uproar in the audience. Everyone present couldn’t help but scream.

“This method is good.”

“Okay, just choose an alliance leader.” Amidst the

crowd’s shouts, a Tianhaimen disciple came out and said loudly: “Among all the fellows present, we are the only ones who discuss seniority and seniority. The elder is qualified to be the leader of the alliance.”

When speaking, the disciple gave Li Qinghai a respectful look, his face full of admiration.

The voice fell, and people from other sects objected.

“Joke, your Tianhaimen’s Great Elder is just a little older, what qualifications do you have?”

“In terms of qualifications, it’s still our Red Clothes Sect’s Hall Master Xue.” “Hehe, my clan master is the

most qualified.”

Time, everyone recommended their own people, there was a lot of noise, and the scene was full of chaos.

call!

Seeing this situation, Li Qinghai took a deep breath, and a smile appeared on his old face: "Everyone, stop arguing, since there are so many people who feel that they are qualified to be the leader of the alliance, then let's hold a competition. "

In this way, each sect will send one person to compete with each other, and the one who wins in the end will temporarily replace the leader of today's alliance. Of course, our ultimate goal is to search for the treasures here, not to compete for the first place in the rivers and lakes. So the game is over, what do you think?"

Hearing this, everyone looked at me, I looked at you, and nodded.

"Okay..."

"This is fair, so let's learn from each other."

The ultimate husband in Chinese chapter 5216-5220

Chapter 5216

Everyone was talking about it, and immediately dispersed, leaving an open space in the center of the square as a venue for discussions.

call!

Seeing this scene, Li Qinghai showed a confident smile, looked around and said loudly: "Since everyone has no opinion, let's start the discussion. Anyone who wants to prove their strength, please come on stage!" With that, Li Qinghai slowly step aside.

As the Great Elder of Tianhaimen, Li Qinghai is very confident in his own strength. For now, let the other sects learn from each other, and when it is almost done, he will play to clean up the mess.

The voice fell, and everyone present looked at each other, all of them hesitated.

You must know that there are a lot of good things hidden in this underground town. All the sect masters present are not fools. They all want to preserve their strength and snatch treasures at that time. No one will be the first to take the lead. waste of energy.

"Haha!"

After the audience was silent for a few minutes, a tall man smiled lightly: "You people from the sect are more cautious than each other, it's just a discussion, and it has nothing to do with the reputation of the sect. Come out, then I'll take the lead." The

voice fell, and the man slowly walked into the arena, dressed in a black long gown, majestic and majestic, with an aura that should not be underestimated.

There was a strange long sword hanging from his waist, and he saw that on both sides of the long sword, one side was smooth and sharp, and the other side was full of sharp teeth.

In the blood tank in the center of the long sword, there is a long blood line. From a distance, it seems that it can devour the blood of the enemy at any time.

Hiss....

Seeing this person and the strange long sword on his waist, there was a burst of restlessness in the surrounding crowd, and many people couldn't help but gasped, and they couldn't hide the fear in their eyes.

"Yan Tengfei?"

"Ten steps to kill Yan Tengfei?"

This chapter is provided by . Visit for daily update.

"I heard that this long sword of Yan Tengfei will see blood every time it is unsheathed. Moreover, his ten-step one-kill stunt has never been broken. Unexpectedly, this person is also here today to join in the fun."

For a while, everyone around was talking, and looking at Yan Tengfei's eyes, there was also a bit of fear.

Yan Tengfei, a famous loner on the rivers and lakes of the Lagerstroemia Continent.

According to rumors, Yan Tengfei was an orphan. When he was very young, he was abandoned in the snow-capped mountains in the extreme north. However, he had his own destiny. He was not frozen to death, but was rescued by a snow-capped wolf king.

It can be said that before Yan Tengfei was fifteen years old, he had always been in the company of Xuelang, and as a result, he had sharpened his indomitable personality. Later, Yan Tengfei met a strange person in all corners of the world and taught martial arts, because he lived in the snowy mountains all year round. Growing up in this environment, Yan Tengfei has extraordinary perseverance. In just a few years, his strength has grown by leaps and bounds, and he has created a very sharp swordsmanship, which is called one kill in ten steps.

One kill in ten steps, as the name suggests, Yan Tengfei displayed his swordsmanship in a fight against others, and within ten steps he would surely kill the enemy with a long sword.

Not only that, but Yan Tengfei specially ordered someone to build a strange long sword in order to better display his swordsmanship.

At the age of 20, Yan Tengfei left the snow-capped mountains and entered the rivers and lakes. Although he possessed stunts, Yan Tengfei never easily fought with people unless the other party took the initiative to provoke him.

In the next few years, Yan Tengfei traveled from south to north, and fought with people nine times. None of the enemies survived, but those who died under Yan Tengfei's sword were either the notorious Jiangyang robbers, or despicable and shameless people.

The most famous battle was during half a year, when Yan Tengfei passed the Tiger Ridge, where bandits were ravaged by mountain bandits. The bandits entrenched there were not only vicious and brutal, but also captive tigers to hurt people. Yan Tengfei, with one person and one sword, fought fiercely with the mountain bandits for a day and a night, and wiped out the entire nest of mountain bandits.

That is, in this battle, Yan Tengfei made a name for himself in the arena.

Therefore, although Yan Tengfei did not belong to any sect, none of the people present dared to look down on him.

"Everyone!"

At this time, Yan Tengfei stood in the center of the open space, looked around, and said indifferently: "The representative of that sect, wants to challenge? Come up."

Chapter 5217

Call!

Hearing this, everyone around, you look at me, I look at you, none of them challenged.

You must know that Yan Tengfei's ten-step one-kill stunt is very domineering and fierce. If you don't have full confidence, you will be humiliated when you go up. More importantly, there are so many people watching at the scene.

At this time, not far from the square.

After Yue Feng left the palace, he put away the silk, and after knowing the cause and effect of Tianji Palace, he couldn't calm down for a long time. Especially when he

thought of Dongfang Yunqing who ran away through the divine rune just now, his heart was even more anxious.

Must find her.

After making up his mind, Yue Feng quickened his pace.

Um?

It's just that he didn't go very far, and when he saw many people crowding around the square in front of him, Yue Feng was stunned.

I saw that many sect masters were surrounded by them, and there was an open space in the middle, which seemed to be holding discussions.

What the hell!

Seeing this scene, Yue Feng frowned secretly. It seemed that a huge pit appeared before the ground collapsed, which led these people to come here.

Realizing this, Yue Feng did not go past, but hid aside and watched quietly.

At this time, this side of the square.

Yan Tengfei asked the question again, with a smile on his face: "What? With so many sects present, are you still afraid of me being a sectarian?" The

voice fell, and the faces of everyone present became a little embarrassed.

Whoosh!

In the next second, a man pushed away the crowd and walked out. He reached the center of the open space and clasped his fists at Yan Tengfei: "Chen Wei at the Shendiaomen, I'm here to experience your great tricks."

"I heard about your ten steps. One kill is really powerful, but if it is against the stunts of our Shendiaomen, it will still be slightly inferior."

"So... the leader of today's alliance must belong to our Shendiaomen." The

last word fell, Chen Wei slowly Raising his hands, he clenched two twin thorns that shone with purple light.

Whoa!

In an instant, the surroundings were agitated.

“Shendiaomen went up to challenge...”

“Huh? This double thorn in Chen Wei’s hand, is it the ‘Flying Cloud Thorn’ on the weapon ranking spectrum?”

“It seems... I heard that half a year ago, Shendiao The door inspected an ancient tomb, and there are not only countless treasures in it, but also a pair of flying cloud thorns, I thought it was a rumor, but I didn’t expect it to be true.”

Under the discussion, many people stared at Chen Wei’s hands . The double thorns, unable to hide the envy.

In the Lagerstroemia Continent, there is no such thing as a rank for weapons, but there is a weapon ranking spectrum. According to legend, this ranking spectrum was written by a strange man in the rivers and lakes thousands of years ago. It lists some magical weapons that have appeared on the Lagerstroemia Continent since ancient times. Weapons, it can be said that as long as the weapons can be written into this ranking spectrum, they are all treasures that cannot be found.

Under this circumstance, Chen Wei showed Feiyun Thorn, and everyone present naturally couldn’t calm down.

Haha...

Seeing this scene, Yue Feng, who was hiding aside, couldn’t help but secretly laughed. Naturally, he would not be interested in any flying cloud thorns, but he was a little amused by the actions of these sect masters at this time.

They chose the leader of the alliance in the mode of competition, which must be to better explore this underground town. The ultimate goal, of course, is to find treasures.

It’s a pity that there are secrets hidden everywhere in this place. Even if these people temporarily form an alliance, it will not help. In the end, I am afraid that the bamboo basket will be empty.

Thinking about it, Yue Feng wanted to leave.

However, the square is the only way for Yue Feng. In order to avoid being discovered, Yue Feng can only bear it temporarily.

At this time in the open space.

Yan Tengfei looked at Chen Wei up and down, took a deep look at Feiyun Thorn in his hand, and looked indifferent: “Feiyun Thorn? It’s interesting. It’s a good weapon, but it’s a pity that it’s in your hands, I’m afraid it’s a waste.

” The meaning is obvious, with Chen Wei’s strength, it is impossible to exert the power of Feiyun Thorn at all.

Swish!

Yan Tengfei’s tone was indifferent, but when Chen Wei heard it, he seemed to have been greatly humiliated, his face flushed, and his heart was instantly angry.

“Stop talking nonsense!” The

next second, Chen Wei shouted, unable to hide the anger in his heart: “I’m not qualified to use the thing that Feiyun thorn makes us divinely carved door, it’s not your turn to take care of it, take the trick Bar.”

Chapter 5218 When the

last word fell, Chen Wei shot up, flying clouds in his hand, and two cold beams erupted, like a meteor, quickly stabbing towards Yan Teng!

At this time, Chen Wei, in order to show the power of Shendiaomen in front of everyone around him, made a killing move.

hum!

I saw that wherever the Flying Cloud Thorn passed, the air was torn apart, and the power was amazing.

Seeing this scene, many people around couldn’t help but sweat for Yan Tengfei.

“It’s so strong!”

“As expected of a weapon written on the weapon spectrum, the power of this flying cloud thorn is truly extraordinary.” “I don’t know if Yan Tengfei

can block this blow.”

His face was calm, not panic at all.

clang!

Seeing that the Feiyun Thorn was about to stab his body, in the midst of the lightning, Yan Tengfei took a step back, raised the scabbard horizontally, and blocked it in front of him, when he heard a metal collision, Chen Wei’s sharp shot. He hit, but Yan Tengfei easily blocked it.

What?

Chen Wei stabilized his figure, his face changed greatly, and his heart was extremely shocked.

This is impossible. Among the younger generation on the rivers and lakes, there are very few who can block his own move, and Yan Tengfei in front of him not only blocked it, but even the long sword was not sheathed, just blocked it with the scabbard.

Ha ha!

Just when Chen Wei was shocked, Yan Tengfei smiled slightly: "I said, you are not my opponent, let's go." The moment the words fell, Yan Tengfei put away his long sword and slapped lightly.

This palm, seemingly slow, hit Chen Wei in the blink of an eye.

Chen Wei wanted to dodge, but it was too late. With a grunt, the whole person stepped back several dozen steps, and directly withdrew from the competition venue. After stabilizing his figure, his face turned blue and white, obviously suffering from internal injuries.

Chen Wei was very unconvinced, but he had to admit if he lost. He glared at Yan Tengfei before retreating.

Whoa!

At this moment, everyone around was in an uproar.

This Chen Wei, with the flying cloud thorn in his hand, was not Yan Tengfei's opponent. More importantly, Yan Tengfei didn't even draw his sword.

As expected of a famous solo traveler, this strength is too strong.

Feeling the admiration of the people around him, Yan Tengfei showed a smile on his face, standing there, very relaxed and comfortable.

Huh ...

At this moment, Yue Feng, who was hiding in the dark, looked at Yan Tengfei with his eyes, and couldn't hide the praise in his eyes.

This Yan Tengfei is a bit interesting!

It's just... just keep fighting like this, until when will we learn from each other.

Thinking about it, Yue Feng was a little anxious.

“Everyone!”

Just when Yue Feng was secretly anxious, Yan Tengfei, who was standing in the center of the open space, glanced around slowly, smiled and said, “Which other sect representative is going to come up to challenge?”

Everyone looked at each other in dismay. .

“I’m coming!” In the

next second, an elite disciple of Beihai Xingsu strode out and challenged Yan Tengfei.

bang bang...

However, in less than two rounds, Yan Tengfei caught a flaw in the opponent, and easily slapped the disciple to defeat the Beihai Xingsu disciple.

In the next few minutes, several more sect representatives came up to challenge Yan Tengfei. However, although these people were not weak, they were still inferior to Yan Tengfei, and they were all defeated by Yan Tengfei!

For a time, Yan Tengfei was like a rainbow, standing there at this moment, smiling at the crowd and asking, “Is there anyone else coming up to challenge?”

When he spoke, Yan Tengfei’s face was full of confidence.

However, the answer to him was silence.

Everyone, look at me, and I look at you, with some fear in their eyes.

This Yan Tengfei has defeated so many sect masters in a row, and many of them retreated with one move. Under such circumstances, who would dare to go up and look uncomfortable?

However, Li Qinghai, who was standing beside him, narrowed his eyes slightly.

This Yan Tengfei has helped me defeat so many competitors, and there are not many sects left, so it’s time for me to do it myself. The position of the leader of the alliance today must belong to Tianhaimen.

I thought to myself that Li Qinghai was about to play.

“I’ll meet you when I come.”

However, before Li Qinghai could leave, a pleasant shouting sound suddenly sounded, and then, a charming figure crossed the heads of everyone and landed in the center of the open space.

Chapter 5219

With a slender and graceful figure, delicate facial features, and a forcing coldness permeates his body.

It is the third sister Ruxue in the Six Swords Princess!

Whoa!

Beautiful, so beautiful.

As soon as Ruxue appeared on the stage, the audience suddenly became restless, and her charming appearance attracted the attention of many men in an instant.

The facial features are exquisite and beautiful, the long hair is shawl, especially the impeccable body, all the men present have straight eyes!

Damn it, it's her!

At the same time, Yue Feng, who was hiding not far away, was stunned when he saw Ruxue appear.

It was because of the fierce battle with Liujianji that the ground collapsed, and the underground town that had been hidden for many years was brought back to the world. Yue Feng thought that after the Liujianji entered the underground town, they would definitely explore everything here together. I never thought that Ruxue would appear here and compete for the position of the leader of the alliance.

At this time, Yue Feng didn't know that after Liu Jianji was sent in, she was scattered.

At that time, Ruxue was teleported near the square. I tried to explore the surroundings just now, but I touched the organ. For a while, Ruxue was afraid, and did not dare to act rashly.

Just when Ru Xue didn't know what to do, the major sects sent in one after another. At this time, seeing that everyone was going to elect the leader, Ru Xue thought about it and decided to fight for it.

As long as you become the leader of the alliance, it will be much easier to find other sisters.

Phew...

At this moment, everyone looked at Ruxue in the center of the open space and admired its beauty, and they couldn't help but talk about it.

"One of the Six Swordsmen of Nianhua Palace.."

"I've always heard that the Liujianji of Nianhua Palace, all of them are beautiful and beautiful, and the city is beautiful. When I saw them today, they really deserved their reputation."

"Liujianji is not only beautiful, but also very strong. , Some have seen it." The

crowd's comments came, and Ru Xue's delicate face did not fluctuate at all.

call!

At this moment, Yan Tengfei also looked at Ruxue deeply, and the corners of his mouth twitched, revealing a polite smile: "It turned out to be Miss Ruxue, one of the Six Swordsmen of Nianhua Palace."

"Speaking of which, I have never had sex with a woman. If you have any offenses later, don't take offense."

Yan Tengfei has been traveling around the world for several years, and he naturally knows Liujian Ji of Nianhua Palace.

Facing Yan Tengfei's politeness, Ruxue's face was indifferent.

In the next second, Ruxue said lightly, "Don't talk nonsense, let's get started." When she said this, Ruxue couldn't hide her urgency.

I've been separated from my sisters for more than an hour, and I don't know what happened to them. I have to quickly end the discussion and bring everyone to find them.

Uh!

Facing Ruxue's coldness, Yan Tengfei smiled awkwardly: "Okay, since Your Excellency is so impatient, I'll take it easy, look at the move!" After the

voice fell, Yan Tengfei flashed and slapped Ruth directly with his palm. Snow hits.

This palm seems to be light, but it contains a very strong internal force. I can see that when this palm is hit, the air around Yan Tengfei seems to be stagnant.

Seeing this palm open, Ruxue's face was as usual, and there was no intention of dodging, and then the jade hand raised, and it was also a palm to meet.

boom!

In the next second, the two of them collided with each other and let out a dull sound. Immediately afterwards, the figures of the two sides were shocked, and they took two steps back at the same time.

Obviously, neither side took advantage of this palm.

However, Yan Tengfei was secretly shocked. You must know that when he was young, he had always lived in the cold snow-capped mountains. That is to say, under that kind of environment, he had cultivated incomparably strong internal strength. With seven layers of internal force, he couldn't suppress this snow?

Clang!

Under the shock, Yan Tengfei did not hesitate at all, and sure enough, he pulled out his long sword. In an instant, the moment the blade was unsheathed, a cold light flashed out.

Within a thousand meters, there was a strong murderous aura.

In the next second, Yan Tengfei's figure erupted, and the long sword came towards Ruxue like a shock.

One kill in ten steps, and the one in the middle will die.

Seeing this scene, the hearts of everyone watching the battle were instantly suspended, and they couldn't help sweating for Ruxue.

"Yan Tengfei has used his ultimate move."

"Is this a ten-step one-kill stunt? What an amazing murderous aura..."

Chapter 5220

"I don't know if this beauty can be stopped."

Everyone was talking about it, and even Yue Feng, who was hiding not far away, felt Yan Tengfei's sword energy, and his expression became solemn.

Clang!

At the same time, in the face of Yan Tengfei's ten-step kill, Ruxue's delicate face could not hide a bit of fear, but she didn't think much about it at the time, she drew out her long sword and attacked.

As one of the Six Swordsmen of the Nianhua Palace, Ruxue's swordsmanship is also incomparably outstanding. At this time, facing Yan Tengfei's stunt, he is not afraid at all.

Boom!

In the next second, the two figures collided in mid-air, and they saw each other, and they heard a crisp sound, like the long sword in Xue's hand, which was directly shot down by Yan Tengfei.

Speaking of which, Ruxue and Yan Tengfei are of equal strength, but they cooperated with other sisters and fought fiercely with Yue Feng, which consumed a lot of internal strength. live.

Whoosh!

At this time, Ruxue's long sword was shot down, Yan Tengfei's figure turned, and the sword edge drew a cold light in the air, and quickly stabbed Ruxue's heart.

One kill in ten steps will surely take people's lives. This is Yan Tengfei's habit since he set foot in the arena.

Done.

Ruxue couldn't dodge this sword at all. Seeing Yan Tengfei's long sword approaching quickly, a wave of despair surged into his heart. I thought of competing for the position of the leader of the alliance so that I could find other sisters, but I didn't expect that they would die under the sword of Yan Tengfei in the end.

In desperation, Ru Xue slowly closed her eyes.

Did she give up resisting?

Seeing this scene, Yan Tengfei's heart suddenly moved, and he felt a hint of pity, and immediately withdrew the sword. Although he had no friendship with Ruxue, he couldn't bear to see her like this.

Moreover, this time, it was said that the end of the discussion, I really couldn't bear to hurt her.

Um?

Realizing that Yan Tengfei's long sword had not pierced, Ruxue opened her eyes suspiciously, seeing Yan Tengfei looking at herself thoughtfully, and Ruxue realized something in an instant.

This Yan Tengfei, seeing that I am beautiful, can't bear to start?

Sure enough, there is no good thing for men in the world, all of them are lechers.

Thinking of this, a trace of contempt flashed in Ruxue's eyes, and without any hesitation, she raised her jade hand and slapped Yan Tengfei with a savage palm.

boom!

All this happened too fast, and Yan Tengfei had just shown mercy, and he never thought that Ruxue would suddenly attack. At that time, it was too late. He was hit hard by this palm, and immediately groaned, and the whole person flew a few meters. far, fell heavily to the ground.

After landing, Yan Tengfei looked at Ruxue in shock and fury. Before he could speak, his eyes darkened and he passed out.

This....

seeing this scene, the audience was in an uproar, and many people were stunned.

what's the situation? Didn't Yan Tengfei have the advantage just now? How could he be defeated by this woman in a blink of an eye?

And some people with outstanding strength, such as Tianhaimen elder Li Qinghai, are secretly frowning. This Ruxue was too cruel, Yan Tengfei was soft-hearted just now, and abruptly withdrew the sword move without hurting her.

However, Li Qinghai held his own identity and did not accuse Ruxue in public, but held back.

call!

At this time, Ru Xue secretly let out a sigh of relief, her delicate face did not fluctuate at all, she said to the crowd, "Is there anyone coming to challenge?" The

voice fell, and many people were eager to try.

Bang bang bang...

However, everyone who played was beaten very badly by Ruxue, either injured or broken, or passed out.

"Ah..." The

last person to play was even more shattered, and he screamed and died.

Seeing this scene, many people were shocked and angry, and this woman was too ruthless.

Li Qinghai couldn't take it anymore. He took a step forward and glared at Ruxue: "This time, when we talk about it, it's time to stop, but you are so ruthless." When he spoke, Li Qinghai kept his words straight. It looked like, but there was a sinister twinkle in his eyes. Tianhaimen had had a festival with Nianhua Palace. At this moment, seeing Ruxue provoking public anger, it was naturally a pleasure to see it.
