

The ultimate husband in Chinese chapter 5341-5350

Chapter 5341

When Yue Feng arrived quietly just now, he ran into Liu Peng coming out of the room. Although he didn't know what happened just now, when he saw Liu Peng who looked like a sculpture, Yue Feng guessed that the leader of the bandit was controlled by Liu Ruxue.

interesting.

Realizing this, Yue Feng's eyes showed a bit of wisdom, and he showed a smile.

This woman is really not easy.

For a time, Yue Feng wanted to rush in and question Liu Ruxue, but after thinking about it, he gave up the idea.

It's boring to tear her apart like this, let's see what she does the next day.

Thinking to himself, Yue Feng turned around and left quietly, returning to his room to rest.

...

bang bang bang...

The next morning, Yue Feng was sleeping soundly, but was woken up by a knock on the door.

Immediately afterwards, a bandit shouted angrily outside the door: "Boy, I will send you out of the cottage today, hurry up and don't linger. In case my boss changes his mind, you won't have time to cry."

Yue Feng rubbed his eyes and sat down. When he got up, when he heard this, he immediately smiled and responded: "Okay, I'll get up right away." After the

voice fell, Yue Feng got out of bed and opened the door, only to see the bandit standing outside the door with an impatient look on his face. , holding a black cloth in his hand.

"Cover it yourself."

Seeing Yue Feng coming out, the bandit threw the black cloth over and said beyond doubt: "Don't be so slippery, let me tell you, since the beginning of our cottage, no one has been able to get out alive. , you are the first."

This chapter is provided by . Visit for daily update.

Yue Feng nodded again and again: "Understood." As he spoke, he covered his eyes with a black cloth.

After blindfolding, the bandit stopped talking nonsense, and took Yue Feng to leave the cottage, and finally sent him to an intersection at the foot of the mountain. At the intersection, the bandit turned around and returned to the cottage.

Huh...

At this moment, Yue Feng stood at the intersection, looked in the direction of the cottage, and pondered secretly.

The woman knew that I had left the cottage, and I was afraid that she would be even more depressed.

Forget it, since it's out, it doesn't matter.

Thinking to himself, Yue Feng turned around and strode away.

.....

This time, in the cottage.

After Liu Ruxue woke up, she saw that Liu Peng was still standing quietly guarding the door, and her beautiful face did not fluctuate in the

slightest.

Hearing the order, Liu Peng walked in quickly, with a respectful expression on his face: "What is the master's order?" After being controlled, Liu Peng completely lost his ability to think, like a sentence of walking dead.

Liu Ruxue looked at him quietly, with an aloof attitude: "You can kill yourself." After speaking, she threw a sword in front of Liu Peng.

In an instant, there was a murderous aura in the air.

Speaking of which, after he went to the room and controlled Liu Peng last night, Liu Ruxue wanted to kill him, but he was just a bandit on a small hill, not even Jianghu Xiaoxiao.

However, in order to avoid being disturbed by other mountain bandits, Liu Ruxue asked Liu Peng to go outside to watch the door, and she endured the murder all night.

This...

Although he was under control, Liu Peng's heart was suddenly shocked when he heard this, his empty eyes looked at the long sword on the ground, his hands trembled faintly.

He didn't have his own thinking at this time, but his survival instinct was still somewhat resistant.

Seeing this scene, Liu Ruxue snorted coldly, without any hesitation at that time, her jade hand suddenly raised and slapped Liu Peng's head fiercely.

boom!

A shock came out, and Liu Peng didn't have time to scream, his brain burst open, blood sprayed on the ground, his body collapsed to the ground, and he died of breathlessness.

It's disgusting...

Liu Ruxue wiped the blood that was splattered on her body, her delicate face was full of disgust and contempt.

The next second, Liu Ruxue was going to leave the room to check on Yue Feng's situation. At this time, he should still be sleeping.

"Boss!"

However, before he left the room, he heard a call from outside, and then, a little boss walked to the door with a smile on his face and shouted, "Boss, it's time to get up, the plan we made yesterday is to go to rob this morning, you won't forget it."

It was Deng Qi.

When she shouted, Liu Ruxue frowned, why did this person come?

Thinking to herself, Liu Ruxue said lightly across the door: "Your boss is still resting, don't disturb him."

Chapter 5342 The

tone is rigid and rigid, giving people the feeling that it is like an iceberg that will not melt for ten thousand years.

Uh...

Hearing Liu Ruxue's voice, Deng Qi was stunned for a moment, and then said with a smile: "Oh, my sister-in-law is awake. Please call the boss. The robbery today was planned for a long time."

At this time, Deng Qi didn't know that Liu Peng was dead.

Hearing this, Liu Ruxue was very irritable, and said coldly: "I didn't tell you, your boss is still resting." After speaking

, Liu Ruxue thought of something and asked, "By the way, I was with me yesterday. How is the person who was arrested together now?"

Feeling Liu Ruxue's tone, Deng Qi outside the door was stunned.

This woman, when she was arrested just yesterday, looked weak and frightened, but in just one night, she has changed into a person.

Tsk tsk... As expected of a woman who has become the boss, the change is really fast.

With emotion in his heart, Deng Qi put down his posture and smiled politely across the door: "My sister-in-law taught me that I will not disturb the boss's rest. As for the kid who was caught yesterday, he has just put down the mountain.

" The mountain bandit who went down the mountain was Deng Qi's subordinate, and he naturally knew it.

What?

At this moment, Liu Ruxue's delicate body trembled, and her beautiful face couldn't hide her anger. In order to hide his identity, he has endured humiliation and burden since last night, in order not to be suspected by Yue Feng.

Moreover, she had already thought about how to use her identity to take Yue Feng out of the cottage.

Unexpectedly, these mountain bandits let Yue Feng go.

For a while, Liu Ruxue only felt that she was being teased, and there was an indescribable humiliation.

Whoa!

In anger, Liu Ruxue opened the door and looked at Deng Qi coldly: "You let him go? Why did you let him go? Just because of a few broken pills?"

Because of anger, Liu Ruxue almost To lose your mind.

Seeing Liu Ruxue angrily opening the door, Deng Qi was taken aback, but he reacted quickly and cautiously comforted: "Sister-in-law, that kid gave you to the boss last night, so heartless, you still care about what he does "You..."

Halfway through speaking, seeing Liu Peng lying in a pool of blood through the crack of the door, Deng Qi's expression changed, and his mind was buzzing.

This... This woman killed the boss?

Soon, Deng Qi reacted and shouted: "You are not too timid, you dare to shoot at the boss. Come on... come on, the boss is dead." Shouting, Deng Qi rushed up and hit him with a palm. Liu Ruxue.

Not self-sufficient.

Seeing Deng Qi rushing towards him, Liu Ruxue snorted coldly. At that time, she stimulated her internal force, and a palm force shot out as fast as lightning, hitting Deng Qi's heart.

Anyway, it has been exposed, and Yue Feng is not there, so there is no need to keep it on.

boom!

Liu Ruxue's shot was very quick, and Deng Qi didn't have time to dodge at all, only to hear a dull sound, Deng Qi spurted out a mouthful of blood, fell to the ground, and died.

After killing Deng Qi, Liu Ruxue was about to leave.

Wow...

But at this time, when they heard the movement, many bandits came quickly. At this time, seeing Deng Qi tragically dying at the door, many bandits couldn't help but gasp.

"The boss and Deng Qi are both dead."

"This woman is really poisonous..."

"Kill her and avenge the boss and Deng Qi."

Under the shock, many mountain bandits reacted and shouted, directly holding Liu Ruxue tightly. surrounded.

"Since you are courting death, then I will send you all to the West." Faced with this situation, Liu Ruxue's eyes were full of disdain, and after spitting out a few words, her jade hand raised again.

hum!

In an instant, a powerful internal force erupted, and the surrounding air distorted. Immediately afterwards, Liu Ruxue's figure turned into a shock and rushed directly into the crowd.

“Ah...”

The mountain bandits present didn't understand what was going on, and they all let out shrill screams and fell into a pool of blood.

.....

On the other side, after Yue Feng left the cottage, he went to a mountain spring, drank a few sips of water, and then took a break.

Because of that woman, it took almost two days to find the place where the Chaos Teleportation Array was built, but thinking about it carefully, it was really difficult to find a place where the weather was full of spiritual energy and hidden.

Chapter 5343

Got it!

While depressed, Yue Feng suddenly thought of something, and his eyes lit up.

Isn't the Heavenly Mysterious Realm controlled by the three major sects the ideal place, where spiritual energy is full and very hidden, and the entrance is also controlled by people from the three major sects, so there is no need to worry about someone breaking in.

Just because of the soul of the secret, the alliance between Tianhaimen, Beihai Constellation, and Chunyang Palace has faintly appeared.

However, these Yue Feng were too lazy to take care of them. After a short rest, they were ready to leave for the mysterious realm of heaven.

Shasha...

But just standing up, he heard a slight footstep behind him, and after a while, a slender figure slowly walked over.

A delicate face, a charming and sexy figure, and a thin layer of sweat on his forehead.

Who is not Liu Ruxue?

What the hell!

Seeing Liu Ruxue, Yue Feng was stunned. This woman left the cottage unharmed?

Even though he knew that this woman was not easy, it could be seen that she could find this place. Yue Feng was still very surprised. At this time, he didn't know that, just half an hour ago, Liu Ruxue slaughtered the entire body with only one person's strength. Copycat.

"You..."

Seeing Liu Ruxue walking in step by step, Yue Feng reacted and couldn't help but ask, "How did you come out?"

There was a bit of resentment on Liu Ruxue's beautiful face. "Young Master, why are you not happy to see me at all? Do you really want me to stay there and be a copycat lady?"

When she said this, Liu Ruxue looked delicate and pitiful, not at all like that. The Jianghu master who just killed nearly 100 people.

Hu...

Yue Feng secretly exhaled, smiled bitterly, and said seriously: "Don't get me wrong, I really don't want to leave you alone, what I said last night was completely from the bottom of my heart, I can't even protect myself, How can I protect you?"

After speaking, Yue Feng asked curiously, "By the way, how did you leave the cottage?" Yue Feng knew that with this woman's ability, it was easy to leave the cottage, but it was still very difficult. curious.

This...

Liu Ruxue bit her lip lightly, pondered, lowered her head and said, "...I told the boss of the cottage last night about my life experience. He was very sympathetic, but he didn't. Forced me, so let me go early in the morning."

On the way here, Liu Ruxue thought about a lie, and said it naturally at this time.

"It's that simple?"

Hearing this answer, Yue Feng couldn't help but want to laugh. This woman can really make things up. Three-year-olds wouldn't believe it.

Seeing that he didn't believe it, Liu Ruxue stomped her feet angrily: "Really, can I lie to you? Actually, that mountain bandit boss used to be a fisherman, so he will sympathize with me."

Alright!

Yue Feng smiled and nodded, not asking more: "Well, it seems that we have good luck."

Liu Ruxue nodded: "Young master, last night, the boss of the mountain bandit did nothing to me at all, you You won't despise me, will you?" When he said this, his eyes were full of anticipation.

But the heart is indescribably cold.

She thought about it, and when Yue Feng was unprepared, she would directly cast the charm technique. Anyway, he was injured, and even a group of bandits couldn't beat him, so there was no need to worry.

Liu Ruxue did not know that Yue Feng was pretending to be defeated yesterday.

"Haha..."

Seeing that she was still acting, Yue Feng smiled slightly, nodded and said, "How can I despise you, since you have come out safely, continue to follow me."

After speaking, Yue Feng sat on the grass On: "Oh, my neck is a little sore, you can press it for me."

At this moment, Yue Feng was very tired, but his eyes flashed cunningly.

Yes, Yue Feng deliberately gave Liu Ruxue a chance.

After two days of contact, Yue Feng was too lazy to guess the identity of this woman, he just wanted to solve it as soon as possible, and then went to the mysterious realm to build a teleportation array.

"Okay!"

Liu Ruxue readily responded, her beautiful face was full of tenderness, and her heart was also indescribably excited.

I was thinking about how to do it, but I didn't expect that Yue Feng would take the initiative to give him a chance.

You brought it on yourself, don't blame me.

Thinking about it, Liu Ruxue walked slowly behind Yue Feng, a pair of jade hands resting on his shoulders, secretly urging her inner strength, and began to cast charm.

Chapter 5344

Afterwards, Liu Ruxue pretended to press Yue Feng's neck a few times, and then shot like an electric shock to seal the acupuncture point on Yue Feng's head. This is the most important part of the charm technique.

Papa...

But what she didn't expect was that, before she could seal the acupuncture point on Yue Feng's head, Yue Feng suddenly turned around and tapped the acupuncture point on her body one step at a time.

In an instant, Liu Ruxue's delicate body trembled, unable to move at all.

"You..." The

next second, Liu Ruxue bit her lip tightly, her face full of shock, and said to Yue Feng: "You...what are you doing?"

Yue Feng smiled: "How is it? Completely I didn't expect it? You don't have to pretend, I know that you approached me on purpose. The four sea gangs before are all fake."

"Also, I also lost on purpose when I fought against the bandit boss yesterday."

What? ?

Hearing this, Liu Ruxue stared blankly at Yue Feng, but her mind went blank.

Does he know it all?

This... how is this possible. Seeing her stunned, Yue Feng

stretched out his hand to hook her chin and said with a smile: "Such a beautiful woman, if she takes the initiative to approach me, even a man will fall. It's a pity that I am not an ordinary man."

Liu Ruxue couldn't help but admire secretly.

I have to say that this woman is really life-threatening, whether it is her appearance or figure, she is the best of the best.

Huh...

With Yue Feng's chin hooked, Liu Ruxue was shy and angry, and wanted to break free, but was tapped on acupuncture points, she was completely helpless.

After admiring for a while, Yue Feng breathed a sigh of relief and looked at Liu Ruxue closely: "Tell me, who are you? Why are you approaching me?"

Speaking of which, since Yue Feng set foot in the arena, he has seen all kinds of beauties, even The fairies of the God Realm have seen a lot of them, but the one in front of them is the most special. In order to get close to him, he can endure being caught by the bandits.

Faced with the questioning, Liu Ruxue bit her lip tightly and did not respond.

As the saint aunt of Lihuomen, Liu Ruxue has an extremely tough personality, and naturally she will not answer easily.

"I'll ask again."

Seeing that she didn't speak, Yue Feng became a little impatient and asked again: "Why are you approaching me? What is your purpose?"

Liu Ruxue smiled, her delicate face full of expressions Stubborn: "Do you think I can say it?"

Haha..

Yue Feng frowned, then took out a dagger from his body and placed it directly on Liu Ruxue's neck: "If you don't say anything, I will kill you. You."

When he spoke, a powerful aura burst out from Yue Feng, and the surrounding air distorted violently.

However, feeling the killing intent in Yue Feng's eyes, Liu Ruxue did not panic at all, but said decisively: "Okay, kill me, anyway, my plan failed, and I have no face to go back."

"You will kill now. Me, after I die, someone will avenge me."

Liu Ruxue was not only tough, but also very smart, she could see that Yue Feng was deliberately intimidating, and he didn't really want to kill herself at all.

Um?

Seeing her like this, Yue Feng took a deep breath and was speechless.

Nima, this woman is a bit hard to deal with.

“What? Don’t you dare to do it?” Seeing Yue Feng’s hesitation, Liu Ruxue made her guess even more firm, with a bit of provocation on her beautiful face: “If you don’t dare to kill me, let me go.”

Yue Feng received Picking up the dagger, a wicked smile appeared on the corner of his mouth: “Do you really think I can’t deal with you anymore?” With

that said, Yue Feng turned around and walked into the woods next to him. Formed a five-element universe.

After doing this, Yue Feng returned, picked up Liu Ruxue, and placed her on the grass in the center of the formation.

“You...”

At this moment, Liu Ruxue exclaimed, embarrassed and angry: “What are you doing?”

Yue Feng smiled and said seriously: “It’s okay to tell you, I deployed a formation just now, This formation can gather the hot and humid air from the ground into the formation, um, that is where you are now.”

“The hot and humid air will make people feel itchy and unbearable, you are not very strong, wait a minute. Just enjoy it slowly.”

After saying this, Yue Feng walked slowly to the edge of the spring and smiled at Liu Ruxue’s reaction.

Chapter 5345

Formation?

Can it also cause the damp heat in the ground?

At this moment, Liu Ruxue furrowed her brows, her eyes full of disbelief. She looked at Yue Feng and said contemptuously, “Do you think I would believe it?”

In her understanding, most of the formation techniques of Ziwei Continent They are all in the Heavenly Secret Palace, and the Heavenly Secret Palace was destroyed a thousand years ago. Today, there are very few people who understand the formation method.

And Yue Feng, who is in front of him, knows at most some alchemy techniques, and it is impossible to understand such a profound formation.

Ha ha...

Seeing that she didn't believe it, Yue Feng didn't talk nonsense, and waited with a smile. However, an interesting incident with Ren Yingying many years ago appeared in his mind.

At that time, Ren Yingying was still the princess of Apocalypse Continent, hiding her identity to go to Diyu Continent. Later, she pretended to be Yue Feng and arrested people from various sects. At a critical moment, Yue Feng came forward to sabotage her plan.

In the end, Ren Yingying escaped and entered a Liuhe Qiankun Formation. At that time, he thought that Yue Feng would not dare to enter. As a result, Yue Feng not only entered the formation, but also changed Liuhe Qiankun Town. Moreover, Yue Feng also used the formation at that time to disperse the underground humidity and heat. Qi was drawn to Ren Yingying.

At that time, Ren Yingying was unbearable and finally relented.

Although this incident has passed for a long time, Yue Feng still remembers it freshly, and recalling the scene at that time, he couldn't help showing a smile.

It's been so long since I returned to the Earth Continent, and I don't know what happened to Yingying and Brother Wen.

"Hey!"

Just as Yue Feng was recalling, Liu Ruxue in the formation couldn't help it and shouted: "If you don't dare to kill me, just let me go, and what's the matter with me trapped here?"

As soon as the voice fell, a hot and humid air slowly leaked out of the ground, directly surrounding her.

At that time, Liu Ruxue's delicate body trembled, and she suddenly felt a strange itch.

"Haha..."

For a moment, Liu Ruxue couldn't help but let out a pleasant laugh: "It's so itchy, so itchy..."

While laughing, Liu Ruxue looked at Yue Feng and shouted: "What the hell did you do to me? I...haha...I won't let you go...hahaha..."

At this time, Liu Ruxue hated Yue Feng to death, even if the plan failed, It was a shame and shame to be trapped in what kind of formation he was in. She didn't want to laugh, but every inch of her skin was itchy and unbearable, how could she bear it?

Yue Feng sat leisurely beside the spring water, looked at her funny appearance, and said with a smile: "Didn't I tell you all just now, this is a formation that can draw in the hot and humid air from the ground."

"Aren't you very tough? Can you bear it, continue to bear it. If you can't bear it, just answer my question, why did you approach me?"

Hearing this, Liu Ruxue was so angry that she bit her lip tightly, not intending to compromise at all.

"Ah?"

Seeing her appearance, Yue Feng smiled and joked: "It seems that you are determined to go against me, okay, can you bear it? I see how long you can bear it."

Said Then, Yue Feng simply lay down, closed his eyes and rested.

This bastard.

Seeing that he actually lay down to sleep, Liu Ruxue was very angry, and at the same time resisted the itch. However, as time passed by, the itchiness not only did not ease, but instead became stronger.

"Haha..."

Finally, Liu Ruxue held on for ten minutes, and couldn't hold it any longer. She laughed again, and while laughing, she begged Yue Feng for mercy: "Yue Feng, I admit defeat, hurry up. Let the formation stop."

Hearing the begging for mercy, Yue Feng stood up, entered the formation, and carried her out.

I saw that at this time, Liu Ruxue's face was bright red, his body was dripping with sweat, and the delicate and tight curves were looming, which was simply fascinating.

call!

Yue Feng admired it for a few seconds, then smiled and said, "Tell me, who are you? Why are you approaching me?"

"I..."

At this moment, Liu Ruxue bit her lip tightly, her delicate face disappeared. He was stubborn and arrogant, and said in a low voice, "My name is Liu Ruxue, and I am the saint of Lihuomen. I approached you in order to control you, and my ultimate goal is to obtain the Qimengong of Tianji Palace.

” The Saint of the Fire Gate?

Hearing this, Yue Feng was stunned for a moment. He had guessed that this woman was not simple, but he did not expect her identity to be extraordinary.

The ultimate husband in Chinese chapter 5346-5350

Chapter 5346

“Hey!”

Just when Yue Feng was thinking about it, Liu Ruxue bit her lip and said, “I answered everything you asked, should you let me go now?”

Hehe...

Yue Feng slightly With a smile on his face, he said with a playful look: “You want to hurt me, do you think I will let you go so easily? Also, you said before that you would stay by my side to be a cow and a horse.”

“Beside me, I am missing someone of you . Such a maid, so just stay with me.”

Yue Feng’s eyes were full of mockery when he said this.

Hearing this, Liu Ruxue’s tender body trembled, and she suddenly became furious: “Yue Feng, don’t go too far.” Before, she hid her identity to get close to him, how could she really be a bull and a horse by his side ?

Excessive?

Yue Feng smiled lightly and said lightly: “Listen to what you mean, you are deliberately approaching me, and it is not too much to control me?”

At this moment, Liu Ruxue’s face flushed, and she didn’t know how to deal with it.

At this time, I heard a burst of hurried footsteps in the woods not far away. It seemed that there were many people. Then, I saw Ren Pingsheng with dozens of Lihuomen elites, quickly came over.

Um?

Seeing Ren Pingsheng and others, Yue Feng immediately frowned. These people from Lihuomen came very quickly. It seemed that they should have been following them for the past two days.

Yue Feng guessed right. When Liu Ruxue implemented the plan, Ren Pingsheng took many elite disciples to protect him in secret. When the two were caught by bandits yesterday, Ren Pingsheng was hiding in the dark. He knew very well. The younger sister is amazing, so I don't have the slightest worry.

Half an hour ago, after Liu Ruxue slaughtered the entire cottage, he met with Ren Pingsheng. At that time, he told Ren Pingsheng that Yue Feng was injured, and decided that after finding Yue Feng, he would forcefully use the charm technique.

This chapter is provided by . Visit for daily update.

At that time, Ren Pingsheng was very excited when he learned of the situation, and he was very supportive of Liu Ruxue's decision.

Now that half an hour has passed, Ren Pingsheng guessed that the junior sister might have succeeded, so he couldn't wait to rush over with his disciple.

"Haha..."

When he was about to rush to the front, Ren Pingsheng couldn't hide his excitement, and laughed at Liu Ruxue: "Junior sister... Have you already controlled this kid? Huh?"

"Halfway through speaking, Ren Pingsheng suddenly stopped, his face also showing some doubts.

He clearly saw that the junior sister Liu Ruxue stood there, motionless, with a very aggrieved face, while Yue Feng, who was beside her, had a relaxed and comfortable expression, and there was no sign of being controlled.

what happened?

Could it be... Junior Sister's plan failed?

Just when Ren Pingsheng was secretly surprised, Liu Ruxue's delicate body trembled, and she couldn't help shouting: "Senior brother, let's take action together and take down Yue Feng..."

"Our plan has failed, this Yue Feng has failed. Feng is very cunning, he suspected me from the beginning..."

At this time, Liu Ruxue was both ashamed and angry.

The dignified saint of Lihuomen, who endured the humiliation for a few days, was seen by Yue Feng long ago, which is a great shame, but now that the senior brothers have brought so many elite disciples, Yue Feng can't escape even if he has great skills. .

What?

Hearing this, Ren Pingsheng's expression changed, and he looked at Yue Feng in astonishment. He and his junior sister's plan could be said to be flawless. How did he see through it?

However, Ren Pingsheng couldn't bear to think too much about the situation in front of him. At that time, he pointed at Yue Feng and shouted, "Go! Take Yue Feng."

Whoa...

the last word fell, dozens of elite disciples of Lihuo Sect, They burst into internal strength, and charged directly with the long knife in their hands.

Seeing this situation, Yue Feng didn't panic at all, instead he looked up to the sky and laughed: "Haha... Ren Pingsheng, in order to snatch the Qimen exercises of the Tianji Palace, you really do everything you can, and finally take your junior sister, Sent to me."

"Although I'm not a lecherous person, your junior sister is considered to be very beautiful, and she personally told me before that she wants to stay by my side to be a cow and a horse, so what? , I'm welcome, haha..." The

last word fell, Yue Feng raised his hand and waved.

hum!

In an instant, a powerful aura burst out, and the dozen or so elite disciples who rushed to the front only felt a strong force coming, and they all retreated.

Chapter 5347

Taking advantage of this opportunity, Yue Feng grabbed Liu Ruxue's waist, soared into the sky, and flew directly to the sky in the distance. In just a few breaths, he was hundreds of meters away.

"You..."

With Yue Feng in his arms, Liu Ruxue's face flushed red, and she was indescribably angry. She never thought that Yue Feng would dare to be so arrogant in the face of his senior brother and so many elite disciples.

What made her even more embarrassed was that what she said before acting was said by Yue Feng in front of so many people at this time, how would she meet people in the future?

Mad!

Seeing this scene, Ren Pingsheng almost vomited blood.

I thought that my sister would be foolproof, but I never thought that in the end, the bamboo basket would be a waste of water. More importantly, the junior sister was the holy aunt of Lihuomen. At this time, she was kidnapped by Yue Feng, and the matter spread to the rivers and lakes. Even if the reputation of Lihuomen was completely ruined.

“Chase!” The

more Ren Pingsheng thought about it, the more angry he became, he shouted angrily, jumped into the air, and chased in the direction Yue Feng had left.

Dozens of elite disciples followed.

...

on the other side, God's Domain.

On the northwestern edge of the God's Domain, there is a mountain range, which is shrouded in thick fog all the year round. It is called the Xuxu Mountain. The location of the Xuxu Mountain is very special. On this side of the mountain is the God's Domain where heaven and earth are extremely intelligent, with beautiful scenery, while the other side is endless. The chaotic void is raging with thunder and lightning all the year round, accompanied by turbulent voids that appear from time to time.

On the hillside of Xunxu Mountain, there is an antique courtyard. The courtyard is not big, very simple and clean.

This courtyard is the place of retreat for Immortal Venerable Taiyi.

Speaking of which, Taiyi Xianzun, as the master of Prince Aotian, was originally a respected position, but it was a pity that he tried to frame Yue Feng in order to help Prince Aotian compete for the throne of Emperor, but he ended up hurting himself.

At that time, Immortal Taiyi planned to trap Yue Feng in the fairy pavilion of the goddess Nuwa, but Yue Feng noticed it in time, and in turn subdued Immortal Taiyi. Finally, the gods arrived and saw that Immortal Taiyi was suspected of blaspheming Nuwa. , under the anger, he was expelled from the realm of the gods.

After being expelled from God's Domain, Immortal Venerable Taiyi had nowhere to go, so he built a courtyard in Wuxu Mountain to meditate with peace of mind.

This time, in a secret room in the courtyard.

Taiyi Immortal Venerable, dressed in a moon-white Taoist robe, sat there quietly, with a posture of immortal style, and in front of him, sat a handsome figure.

With sharp-edged facial features, he was wearing a gorgeous robe.

It is Prince Aotian.

After the Taiyi Immortal Venerable was expelled from the realm of the gods, Prince Aolin, who was supported by Yue Feng, quickly ascended the throne of the Heavenly Emperor and was worshipped by the gods.

Prince Aotian failed to compete with the Emperor, and he was very depressed, so he often came to find Immortal Venerable Taiyi to relieve his boredom. After coming and going, he simply didn't leave and lived directly in this courtyard.

During the recent period, Prince Aotian entered a bottleneck in his cultivation, so he retreated in the secret room of Immortal Taiyi, and Immortal Taiyi, as a master, naturally guarded the law beside him.

Today is the day when Prince Aotian breaks through, so the atmosphere in the entire secret room is indescribably solemn and tense.

“His Royal Highness!”

At this time, Immortal Venerable Taiyi couldn't help but said: “If you can successfully break through this time, your strength will be able to enter the ‘God Venerable Realm’, even if Ao Lin has become the Emperor of Heaven, he is not your opponent. .”

“So, you must get rid of distractions and concentrate on it.”

Hmm!

Hearing Immortal Venerable Taiyi's advice, Prince Aotian responded, slowly closed his eyes, and tried to break through himself. Gradually, he saw a golden light shining through his body.

This is the precursor to breaking through the realm of God Venerable.

However, Prince Aotian was too obsessed. Although he tried to keep himself calm, he couldn't stop thinking about the failure of competing for the Emperor.

Especially when he thought of that Prince Aolin, who was inferior to himself in all aspects, but finally won the throne of Heavenly Emperor, for a while, Prince Aotian couldn't calm down.

“Pfft...”

Finally, under the stimulation of huge resentment, Prince Aotian suddenly trembled, spurted out a mouthful of golden blood, and fell straight to the ground, the whole person was extremely weak and sluggish.

The biggest obstacle to breaking through the realm of God Venerable is inner demons, and Prince Aotian's inner demons are too strong to succeed.

Chapter 5348

"His Royal Highness!"

Seeing this scene, Taiyi Immortal Venerable was taken aback, and quickly got up to help Prince Aotian up, anxious and regretful: "How could this be? You clearly know that your inner demon is the emperor, why do you still want to think about it?"

When he said this, Immortal Venerable Taiyi was very depressed.

During this time, he pinned all his hopes on Prince Aotian. As long as Prince Aotian was still there for one day, he would still have the opportunity to return to Yutian Palace.

If Prince Aotian is gone, he will always be abandoned by God Domain.

"I..."

Hearing Immortal Venerable Taiyi's rebuke, Prince Aotian said weakly, "I'm not reconciled...Master." Although he said it weakly, there was a bit of arrogance in his eyes.

You are the most qualified to inherit the throne of Heavenly Emperor, why did you end up like this?

Huhuhu....

And when the last word fell, I saw a golden light scattered from the body of Prince Aotian. These golden lights were his primordial spirit.

Breaking through the God Venerable Realm failed, the light ones went into flames, the heavy ones lost their primordial spirit, and the situation of Prince Aotian was the latter.

It's over...

Seeing that Prince Aotian's primordial spirit is rapidly collapsing, Taiyi Immortal Venerable's hands are trembling, and his old face can't hide his anxiety.

One of his own apprentices.

Can't let him die, can't let him die like this.

"Master..."

At this time, Prince Aotian was getting weaker and weaker. He clearly felt that his vitality was fading little by little, and he couldn't help but say, "I... Am I going to die?"

"Don't be afraid!" Immortal Taiyi took a deep breath and comforted: "Master will not let you die." As he spoke, Immortal Taiyi's mind quickly turned.

The next second, Immortal Venerable Taiyi suddenly thought of something, and quickly took out a delicate jade box from his body, and saw that the jade box was the size of a palm, made of pure and flawless white jade, with exquisite patterns engraved on it, not only that, and also set up several enchantment restrictions.

Seeing this jade box, Prince Aotian was stunned for a moment, feeling a little dazed for a while.

What is this? I have never seen Master take it out before.

Thinking to himself, Prince Aotian asked weakly: "Master, this is..."

Before he could finish the question, Immortal Tai Yi smiled slightly and explained: "This is the essence of the red lotus of the law, which contains Supreme spiritual power can help you break out of the cocoon and rebirth, but the process is a little troublesome..."

Faye Red Lotus?

Hearing this, Prince Aotian's eyes flashed a bit of brilliance, and he was also a little excited.

As a prince, how could he not know the red lotus of Faye, which is a treasure in the realm of the gods. It only appears once in thousands of years, and the survival time is very short, which can be said to be fleeting.

For thousands of years, the gods in the realm of the gods have tried to find the trace of the red lotus of the law, but they all ended in failure.

Unexpectedly, Taiyi Immortal Venerable actually got the essence of the red lotus of the law.

"Ha ha.."

Seeing Prince Aotian's shocked expression, Immortal Venerable Taiyi smiled slightly: "Speaking of which, it's also Master, I'm lucky, once I passed by the floating island, and I came across a red lotus blossoming in the karma, and I went to integrate its power at

that time. Who knows that the divine fire of the Faye Red Lotus is too strong to be controlled at all, and in the end I can only retreat and put a part of its essence into this jade box.”

Saying that, Immortal Venerable Taiyi couldn't hide it. Excited: “His Royal Highness, the red lotus of Faye has taken over the creation of heaven and earth. With the essence of this jade box, you will not disappear forever.”

“Next, I will teach you some formulas, you must listen carefully, not If there is the slightest mistake, in this way, it is possible for you to reshape the primordial spirit.” The

last word fell, and Immortal Taiyi said a formula.

call!

At this moment, Prince Aotian did not violate the slightest bit, and tried to keep every word of the formula in his heart, but at the same time he was a little surprised, because this formula was completely different from the exercises he had cultivated before.

There is a clear difference between it and the exercises in God's Domain.

Confused, Prince Aotian couldn't help but ask: “Master, why have you never said this formula?”

Immortal Venerable Taiyi took a deep breath, his face showing a bit of complexity: “To be honest, this formula , I created it myself over the years, and I call it the ‘Soul Melting Technique’.”

Chapter 5349

“You must know that the essence of the Faye Red Lotus is the essence of the spiritual energy of heaven and earth, not an entity. It cannot help you completely reshape the body of God. It can only be regarded as the basis for you to reshape the primordial spirit.”

“That's why you You need to practice this set of soul fusion techniques, as long as you take away other people's life and essence, and reach a certain level, you can recreate a brand new soul...”

When saying this, Taiyi Xianzun covered his face. Unstoppable confidence.

This...

And hearing this, Prince Aotian was shocked.

Taking other people's life and essence for one's own use, this method seems to be the blood demon sorcery of the demon race. He clearly remembered that among the demons, there was a kind of blood demon sorcery, which was to continuously strengthen himself by devouring the essence of men and women.

Back then, the Supreme Being of the Demon Race, Gone, was in the human world, devouring the essence of countless men and women before he was reborn and regained his demon body...

Thinking to himself, Prince Aotian expressed his doubts.

Seeing his doubts, Immortal Venerable Taiyi smiled slightly, and said indifferently: "This soul-melting method sounds evil, but Your Highness must know that there is no evil method in the world, just look at whether the user is evil.

"And, has Your Highness forgotten? Tens of thousands of years ago, the gods and demons were originally a family. The evil exercises that the demons can do, the gods can also, but they have been disdainful to use them. Over time, they forgot."

"I created this The set of soul fusion art is also a reminder from an ancient book of gods and demons..."

Hearing this, Prince Aotian nodded. At this time, because of the collapse of the primordial spirit, his whole person looks empty and real, as if he will disappear at any time.

"It's not too late."

After discovering this, Immortal Venerable Taiyi didn't say more, and quickly released the essence of the red lotus of the law in the jade box, and integrated it into the primordial spirit of Prince Aotian who was about to completely collapse.

Om...

In an instant, the entire secret room was directly enveloped by a dazzling blood-colored light.

A few minutes later, as the blood-colored light gradually disappeared, the divine body of Prince Aotian disappeared completely, and a translucent figure was suspended on his original seat.

It is Prince Aotian's spirit that combines the essence of the red lotus of the law, and the spirit looks erratic, giving people a very unreal feeling.

call!

Seeing this scene, Immortal Venerable Taiyi took a deep breath, and said to Prince Aotian's incomplete soul: "His Royal Highness, the essence of Faye Red Lotus has been merged with your soul, you want to reshape the soul, You need to enter the human world, use the soul-melting art, and devour other people's essence."

Prince Aotian nodded, his voice was indescribably ethereal: "Everything is subject to Master's arrangement."

After speaking, Prince Aotian nodded. The soul hesitated for a moment: "It's just... Kyushu Continent, there is Divine Realm's Divine Guard to take care of it, I'm afraid that my soul will be noticed by them as soon as I enter, and then the boy Ao Lin will know, I'm afraid I will I have no chance."

Immortal Venerable Taiyi nodded, his old face couldn't hide his worry: "I am also worried about this, so I can't go to the Kyushu Continent, let alone let Ao Lin know about this."

Said, Immortal Venerable Taiyi's eyes flashed, and he suddenly thought of something: "Yes!"

"Master thought of a way?" The spirit of Prince Aotian asked quickly.

call!

Immortal Venerable Taiyi took a deep breath and said with a mysterious smile: "Your Highness can still remember that a long time ago, a fairy who was sent to the human world had some affair with mortals, and their descendants are still in the human world. A powerful sect has been built."

"At that time, we were at war with the demons, so we didn't notice it. Later, your father, the Nine Heavens God, finally realized it, and sent a magic soldier to send the fairy All the descendants left in the world will be wiped out."

Hearing this, Prince Aotian's eyes flickered, and he suddenly thought of something: "Master is talking about the Ziwei Continent in the human world?"

At that time, this incident caused a sensation in the entire God Realm. The fairies of the dignified God Realm actually moved the hearts of ordinary people, and even had children with human men. At that time, the Nine Heavens God was very angry.

Chapter 5350

Prince Aotian clearly remembers that he was in retreat when the gods sent the gods and soldiers to clean up, otherwise, he would definitely join in the fun.

"Not bad!"

Seeing Prince Aotian saying it, Immortal Venerable Tai Yi nodded with a smile on his face: "It is Ziwei Continent, as far as I know, after the incident, His Majesty the Nine Heavens had not come to send a new Because of this, God's Domain temporarily lost supervision of Ziwei Continent."

"As far as I know, until now, God's Domain has not sent a supervising fairy to Ziwei Continent. For His Highness, But it's a good opportunity."

"As long as His Highness does not go too far, God's Domain will not be able to find it. After you have reshaped your Yuanshen, I will bring you back to God's Domain for the teacher..."

Hearing this, Prince Aotian His soul also showed a smile: "Okay, just do as Master said."

Hmm!

Seeing his promise, Immortal Venerable Tai Yi nodded, and he stopped talking nonsense at that time. He directly opened the secret room's mechanism and opened a passage to the underground.

Below the passage, is a basement with a hidden teleportation array inside.

As the master of Prince Aotian, although Taiyi Immortal Venerable is not unprecedented, he is also a generation of masters. It is not difficult at all to build a teleportation array in the place where he meditates.

hum!

At this moment, Immortal Venerable Taiyi opened the teleportation array, and a dazzling light immediately enveloped the spirit of Prince Aotian.

"His Royal Highness, you have to be careful. After arriving at Ziwei Continent, before the primordial spirit is rebuilt, you must act cautiously and must not be too public." When saying this, Taiyi Immortal Venerable's face was solemn.

Prince Aotian nodded: "I know Master..." After speaking, he slowly closed his eyes. That is, at this moment, the burst of light from the teleportation array became stronger and stronger, and in the next second, Prince Aotian only felt that his eyes were dark, and he was directly teleported away.

...

On the other side, the mainland of Kyushu.

Donghai City, the lobby on the first floor of Zhaixing Building.

Gone was sitting there, with no expression of joy or anger on his face, Yu Du stood aside, and his mood was also up and down.

On the pillar next to her, Hai Ling'er was tied there. The wounds on her body have been healed, but her delicate face still shows some weakness.

One day ago, Gone learned from Hai Linger that the father of the child was Yue Wuya. He was so furious at the time that he asked Yu Du to send someone to inform Mo Yan and ask her to come to Donghai City as soon as possible.

Just now, news came that Mo Yan had disembarked at the Donghai City Seaport, and Gone sat in the hall waiting quietly.

For a while, the hall was silent and the atmosphere was extremely solemn.

Shasha...

At this moment, there was a sound of footsteps outside the door, and then, a slender and charming figure walked in quickly. A long red dress perfectly showed off her charming and compact figure.

The beautiful face could not hide the urgency.

"Your honor!" When they

arrived in the hall, Mo Yan first bowed respectfully to Gone, and then asked impatiently, "Has the child been taken back?"

During this period of time, because of the child, Mo Yan didn't think about it. Fan didn't want to, when he was suddenly summoned to Donghai City by Gone, thinking that they had taken back the child from Yue Wuya.

After asking these questions, Mo Yan wanted Yu Du to cast an inquiring look.

However, Yu Du secretly shook his head, unable to hide the anxiety in his eyes.

what's the situation?

Seeing Yu Du's reaction, Moyan Xiumei frowned and was very puzzled.

The next second, Moyan's heart moved when she saw Hai Linger tied to the pillar, this woman... Isn't this Yue Wuya's woman? When did you catch her?

"Moyan!" Just when Moyan was thinking about it, Gone snorted coldly, and said in a cold tone

, “Do you know why I called you to Donghai City in such a hurry this time?”

Nirvana couldn't hide the anger in her heart.

This Moyan, one of the twelve holy demon kings of the dignified Demon Race, has been loyal to him for so long. During this time, not only did he violate the rules of the Demon Race, he had a child with humans, but also because of the child's father. thing, has been hiding from myself.
