Chapter 5321

“Come on!” The

lavender smoke rushed towards the face, and everyone didn't care, shouting and rushing towards Yue Feng.

Just before they rushed to the front, all of them suddenly felt top-heavy, their brains were violently dizzy, and their eyes became blood red.

“My head hurts!”

“What's the matter.... how dizzy...”

“Me... me too...”

Under everyone's surprise, Ren Pingsheng, who had already rushed in front of him, suddenly became a body With a trembling, he covered his forehead with his hand, only to feel a splitting headache, and everything in front of him spun violently.

what happened?

Why all of a sudden, the head seems to explode. In the next second, before Ren Pingsheng didn't understand what was going on, he completely lost

his mind. He locked his eyes on the person next to him, and slapped him with a slap in the face: “Yue Feng, die.”

Under the stimulation of pollen, Ren Pingsheng not only lost his mind at this time, but also entered a hallucination and regarded his companion as Yue Feng.

boom!

The companion around him also entered the hallucination, and it was too late to react. He was directly shocked by Ren Pingsheng's palm and flew out more than ten meters away. He fell heavily to the ground and fainted directly.

At the same time, Li Qinghai and Deng Shiqi all became crazy, and they fought each other.

Like Ren Pingsheng, after these people entered the hallucination, they also regarded the people around them as Yue Feng.

This chapter is provided by . Visit for daily update.

“Yue Feng, don’t think you are the Pill Pavilion Master of Chunyang Palace, we will not dare to do anything to you.”

“Go to hell.”

In the roar, everyone was completely crazy, and each shot was more ruthless, and they saw blood splashing around, and many people fell into a pool of blood.

Seeing this scene, Yue Feng’s face did not fluctuate at all.

These people claim to be famous and authentic, but their actions are more despicable than each other. It is a scourge to leave them in the arena. At this time, using the pollen of lost souls to let them kill each other can be regarded as eradicating harm to the rivers and lakes.

Thinking to himself, Yue Feng didn’t stay for long, patted the dust on his body, turned around and strode away.

Whoops...

Just a few steps away, I heard the sound of hurried footsteps in the woods not far away. Then, Ye Xingyu and more than one hundred Tianhaimen elites rushed over quickly.

Two days ago, the major sects decided to stay at the foot of the mountain, waiting for the opportunity to capture Yue Feng. Ye Xingyu, the chief disciple of Tianhaimen, was sent by Li Qinghai to the back mountain of Chunyang Palace.

In the back mountain of Chunyang Palace, there is a hidden path. In order to prevent Yue Feng from coming down from the back mountain, Ye Xingyu guards it all the time. Ten minutes ago, Ye Xingyu learned that Yue Feng was going down the mountain, so he rushed over with the same door. .

Along the way, Ye Xingyu followed the footsteps left by the various sects to the river.

what’s the situation?

At this moment, seeing the scene in front of him, whether it was Ye Xingyu or those elite disciples of Tianhaimen, they were all shocked.

I saw that the masters of the various sects, with blood-red eyes, like crazy, were holding their swords and slashing, and the scene was extremely chaotic and bloody.

Mad, it’s this idiot.

Seeing Ye Xingyu, Yue Feng frowned secretly. No wonder he hadn’t seen this guy before. It seemed that he was leading people to ambush elsewhere.

“Yue Feng!”

At this moment, Ye Xingyu came to his senses, his eyes locked on Yue Feng, and he shouted angrily: “What have you done to them?”

More than a dozen sects scuffled together, this scene is too shocking.

But with Yue Feng alone, it is definitely not possible, there must be another reason.

Hehe...

In the face of the question, Yue Feng smiled slightly and said slowly: “I just gave them the Qimen exercises of the Tianji Palace, but they split the spoils unevenly, and they started fighting themselves.”

“Don’t ask me. , hurry up and help, oh, you Elder Li of Tianhaimen is being besieged by two people, if you don’t rescue, I’m afraid you will die.”

When he said this, Yue Feng smiled and his tone was full of mockery. .

Uneven distribution?

Ye Xingyu frowned, this reason seems to be reasonable, but seeing Yue Feng’s sly face, he realized that things are not so simple.

Chapter 5322

Regardless of the truth, this Yue Feng must die.

Thinking to himself, Ye Xingyu shouted: “Senior brothers, kill this Yue Feng.” When the voice fell, he burst into inner strength, clenched his sword, and charged towards Yue Feng first.

In Ye Xingyu’s heart, Li Qinghai was also the Great Elder of Tianhaimen, and his strength was outstanding. Even if he was besieged by several people, his life would not be in danger in a short period of time.

Therefore, the first thing to do now is not to join the melee, but to solve Yue Feng first.

Ye Xingyu couldn’t hold back his anger when he thought that Jiang Hongyu rejected his proposal because of Yue Feng, and then his younger brother Chen Shangzhi died tragically because of Yue Feng in the underground town.

Swish swish...

At the same time, more than 100 Tianhaimen elites also rose up one after another, bursting towards Yue Feng.

These Tianhaimen elites are not weak one by one. At this time, they erupted together, and the sky was distorted, and the momentum was extremely amazing.

Mad, really haunted.

Seeing Ye Xingyu and everyone rushing in, Yue Feng stood there motionless, without the slightest panic, on the contrary, he was a little angry.

This Ye Xingyu is really courting death. Before, he was in Beihai Xingsu, trying to sully Jiang Hongyu, and then put the blame on me. At that time, I didn't care about you as much. Later, in the underground town, he went against me everywhere, but I still ignored it.

But now, it's endless, do you really think I'm easy to bully?

Thinking of this, Yue Feng's eyes suddenly became cold, his figure was suspended in the air, and then he slowly raised his right hand.

"Nine dragons rise to the sky." In the

next second, Yue Feng coldly spit out four words, and saw the air in front of him suddenly tore apart, and then, nine golden dragons burst out of the air.

Nine Dragons Ascension was the first stunt that Yue Feng practiced when he first became a cultivator. With his inner strength, he formed a golden dragon to fight against the enemy. The power was amazing. Yue Feng had used this trick many times to turn the situation around.

At this time, Yue Feng had the body of a mysterious saint and possessed supreme divine power. When he used the Nine Dragons Ascension again, the power that erupted could be described as terrifying.

Hiss....

the moment the nine golden dragons appeared, whether it was Ye Xingyu or the elite disciples of Tianhaimen, they were all shocked and couldn't help but gasp.

What skill is this?

Such a strong breath...

In panic, many people were ready to turn around and run away, but it was too late.

“Death!” Yue Feng roared, raising his hand and facing Ye Xingyu and everyone.

The moment the words fell, the nine golden dragons rushed into the crowd with unparalleled power. In an instant, more than one hundred elite disciples of Tianhaimen screamed incessantly, and finally fell into a pool of blood.

Ye Xingyu didn't escape bad luck either. He was hit hard by a golden dragon, and the whole person was shocked and flew out. He flew more than 100 meters and broke several trees before falling softly to the ground.

“

Pfft...” After landing, Ye Xingyu spat out a mouthful of blood, his face was extremely pale, his whole body was extremely weak and sluggish, his eyes were fixed on Yue Feng, and he was shocked beyond words.

This...is this the true strength of Yue Feng?

Too strong, completely beyond his imagination...

At this time, Ye Xingyu clearly felt that all the meridians in his body were broken, and his dantian was also seriously damaged. Can't save it either.

Finally, the nine golden dragons slowly disappeared.

Yue Feng's face was indifferent, and he glanced at Ye Xingyu lightly. He didn't bother to say a word of nonsense, so he turned and left.

This Ye Xingyu was severely injured by Nine Dragons Ascension, and he won't live for long. There is no need to waste time on him. The most important thing now is to find a suitable place to build a Chaos Teleportation Array.

In the blink of an eye, Yue Feng disappeared from sight.

And Ye Xingyu collapsed there, looking at the direction of Yue Feng's departure, but he couldn't calm down for a long time. Until now, he was realizing what a terrible existence he had provoked.

It's just too late to regret.

After Yue Feng left, a few minutes later, the masters of various sects who had been killing each other by the river gradually came to their senses.

This.... what's going on here.

After waking up, seeing the surrounding scene, whether it was Li Qinghai, Deng Shiqi, Ren Pingsheng and others, they were all shocked, and their heads were buzzing.

Chapter 5323

saw that the bodies of many companions were lying all around, and the whole ground was dyed red.

And the people who woke up were also covered with blood, and many people were still injured.

Obviously, everyone was killing each other here just now.

“This...”

Finally, Deng Shiqi was the first to react, and his face was full of astonishment: “How could we fight each other? How could this happen?” Because he had been hallucinating just now, Deng Shiqi had no idea what was going on.

When the voice fell, Ren Pingsheng held his forehead and said, “My mind was in a mess just now, and I just wanted to kill Yue Feng...”

Hearing this, the others around him nodded.

“Me too... I’ve been thinking about killing Yue Feng just now, but I can’t kill it anyway.”

“I’m just like you...”

“Could it be... We all had hallucinations just now and regarded our own people as Yue Feng?”

During the discussion, everyone was puzzled, how could there be hallucinations so well?

Um?

Everyone was shocked when they saw Ye Xingyu not far away, and those Tianhaimen disciples who were lying in a pool of blood dozens of meters away, they were shocked again.

The next second, Li Qinghai called out, “Xingyu.” Then he rushed over.

When he got to the front, he saw Ye Xingyu’s face was pale, blood was soaked in front of him, he was indescribably weak, and the whole person was dying.

Li Qinghai was distressed and angry, holding Ye Xingyu with trembling hands: "Xingyu, what's going on?" As the chief elder of Tianhaimen, Li Qinghai could see the situation here and the chaotic scene by the river. , completely different.

More than a hundred Tianhaimen elites all died from shattered bones. Obviously, their lives were taken away by a fierce and domineering force. It's not that they were hallucinated and killed each other.

Whoops!

At this time, Deng Shiqi and the others also reacted one by one, and they all gathered around.

"Elder."

At this time, Ye Xingyu only felt that his life was passing little by little. Looking at Li Qinghai's extremely weak opening, he said, "Yes... it's Yue Feng, the brothers and sisters, they were all killed by him.

" I... I was also severely injured by him, and Yue Feng just used a trick..."

When he said this, Ye Xingyu was trembling all over, and in the gradually dim eyes, he couldn't hide the fear. .

What? one move?

He killed more than 100 elite disciples of Tianhaimen in one move, and also severely injured Ye Xingyu?

Hearing this, whether it was Li Qinghai or Deng Shiqi and the others, they were all shocked and thought they had heard it wrong.

They all know in their hearts that Yue Feng is very strong, but he has been hiding his strength before, but no matter how strong he is, it is impossible to kill so many people with one move.

You know, this is more than a hundred Tianhaimen elites.

But Ye Xingyu died immediately, a dying person couldn't lie.

Quiet...

For a while, everyone fell silent, and the scene was dead silent.

I thought that with so many sects joining forces, it would be easy to catch Yue Feng, and then obtain the Qimen Cultivation Technique of Tianji Palace through Yue Feng,

but I never imagined that this Yue Feng not only has the protection of the Sword Saint, but also his own strength is so powerful .

Thinking about it, many sect masters began to retreat in their hearts.

“Big... Great Elder.”

At this moment, Ye Xingyu held Li Qinghai's arm tightly, his eyes were complicated, and he said with all his strength: “Then... that Yue Feng, we can't provoke this. .. This person is unfathomable, let's... let's just stop here.”

“I... I have already sacrificed my life for this, I don't want... I don't want the entire Tianhaimen to follow in my footsteps...”

The last word fell, Ye Xingyu sank, slowly closed his eyes, and stopped breathing.

“Xingyu!”

Seeing Ye Xingyu's death, Li Qinghai was extremely sad, couldn't help crying out, and couldn't help but cry.

At the same time, the other sect masters around were also disappointed.

“Forget it, we don't want the Qimen exercises in the Tianji Palace. We're leaving.”

“We're leaving too.” In the

next second, many sects said their farewells and left. In order to capture Yue Feng, Tianhaimen, which was tied as the three major sects , has paid such a heavy price, a living example, how dare they continue?

Chapter 5324 In

a blink of an eye, various sects have left a lot.

Phew ...

Seeing this scene, Deng Shiqi took a deep breath, first looked at Ye Xingyu, who was lost, and then at Li Qinghai, and said solemnly: “Elder Li is sorry, since all the sects have given up, we Beihai Xingsu also It's hard to insist, let's say goodbye.”

After speaking, Deng Shiqi greeted the disciples of Beihai Xingsu to leave.

For a time, only Li Qinghai, Ren Pingsheng and the disciples of Lihuomen were left at the scene.

“Ma De.”

Seeing everyone leaving, Ren Pingsheng was very angry, and couldn't help but scolded: “They are all a bunch of rats who are greedy for life and fear of death.”

After speaking, Ren Pingsheng looked closely at Li Qinghai: “Li Qinghai Elder, you must not fail to repay such a bloody feud, don't worry, Lihuomen is willing to continue to persevere with your Tianhaimen.”

“In any case, I will kill Yue Feng and get the Qimen practice of Tianji Palace. “

When he said this, Ren Pingsheng's eyes flashed with madness.

Just now, the various sects killed each other, and the Lihuo Sect also lost many disciples. Ren Pingsheng was a man who would pay revenge. After seeing Yue Feng's methods, he didn't have the slightest timidity in his heart. Instead, he strengthened his stance.

Don't give up until the goal is achieved.

However, Li Qinghai held Ye Xingyu's body quietly, as if he had lost his soul, and did not respond at all.

“Sect Master Ren.”

It took dozens of seconds before Li Qinghai came to his senses, smiled sadly at Ren Pingsheng, and said bitterly, “You have seen the situation just now, Yue Feng is not only extremely powerful, but also a swordsman. Shelter, it is impossible for us to win against him.”

“My Tianhaimen has already suffered heavy casualties. I don't want to make mistakes again and again. If the head of Ren still wants to snatch the Qimen exercises of the Tianji Palace, he can do it himself. I will no longer participate in Tianhaimen.” The

last word fell, Li Qinghai slowly got up and walked away with Ye Xingyu in his arms.

This...

Seeing this situation, Ren Pingsheng's face was blue and white, and there was an unknown fire in his heart, and he had nowhere to vent.

It's okay for other sects to retreat, and now even Tianhaimen has stopped.

Ha ha...

The next second, Ren Ping was very angry and laughed, looking at Li Qinghai's back, and said with contempt: "What is one of the three major sects on the rivers and lakes, Tianhaimen is just like this."

"You are afraid of Yue Feng . And Juggernaut, I am not afraid of Ren Pingsheng, Ma De, when I practice the Qimen exercises of the Tianji Palace, I will definitely annex all of your sects."

After saying this coldly, Ren Pingsheng ordered the disciple next to him. Said: "Set off the 'Heavenly Fire and Flowing Flowers', and invite the 'Sacred Sister' to see me."

"Yes, Master..."

Hearing the order, several disciples quickly responded, then walked to the open space, took out the fireworks they carried with them, and set them off. .

In an instant, a firework rushed into the sky, and in the gorgeous light and shadow, a flame shape condensed. This kind of skyfire flow is the unique firework signal of Lihuomen, and it will only be released unless there is an emergency.

After the fireworks signal was set off, Ren Pingsheng ordered the disciples to rest in place.

Swish...

An hour later, I heard footsteps, and then I saw a dozen elite disciples of Lihuo Sect, surrounded by a graceful and graceful figure, rushing over.

The woman at the head looks like a twenty-five or six-year-old, her hair is like a waterfall, her facial features are exquisite and beautiful, especially those watery eyes, which seem to be able to seduce the soul. Any man who sees it will fall deeply. A fiery red dress could not hide her charming curves.

It was the saint of Lihuomen, Liu Ruxue.

Liu Ruxue, who is twenty-four this year, is Ren Pingsheng's junior sister. This woman is extremely talented and powerful. She has a detached position in Lihuo Sect, second only to the head Ren Pingsheng.

"Ru Xue!"

Seeing the younger sister arriving, Ren Pingsheng showed a smile and hurriedly greeted him: "You are here." The words were full of kindness. Although the two were brothers and sisters, they had a deep relationship, just like brothers and sisters.

Liu Ruxue smiled and said softly, "Senior brother, you ordered someone to set off Tianhuo Liuhua, what's the urgency?" At Lihuomen, Tianhuo Liuhua will not be easily set off unless there is a major accident.

Chapter 5325

Alas!

Ren Pingsheng sighed and said helplessly: "It's not because of that Yue Feng."

Thinking of several plans, all of them failed, Ren Pingsheng was very angry.

The voice fell, Liu Ruxue's delicate body trembled, and her delicate face couldn't hide the surprise: "Didn't we join forces with the major sects, can't we... Still can't deal with that Yue Feng?"

As Lihuomen The holy aunt, Liu Ruxue knew everything about Lihuomen's recent situation like the back of the hand.

Hu...

Ren Pingsheng took a deep breath, nodded slowly, and said, "Yes, this Yue Feng is very difficult, not only has the protection of the Sword Saint, but also his own strength is unfathomable."

After speaking, Ren Pingsheng put the last few days What happened is described in detail.

What?

Knowing the situation, Liu Ruxue bit her lip tightly and was extremely shocked.

Although she has never seen Yue Feng, she has heard of Yue Feng's deeds, but she would never have thought that this rumored person who can only refine alchemy is not only powerful, but also has the protection of the Juggernaut.

Incredible.

"Senior brother!" After a few seconds, Liu Ruxue recovered and couldn't help but said softly, "What are you going to do? All the other sects have given up, and we only rely on our Lihuo Sect, which is probably not Yue Feng's opponent.

Ren Pingsheng narrowed his eyes slightly, nodded and said, "I know this, that's why I asked you to come out. Junior sister, your charm is the best in the world. Anyway, Yue Feng has never seen you and doesn't know your identity. I want to You find a way to get around Yue Feng. Once you have the opportunity, control him."

When he said this, Ren Pingsheng looked expectant.

The reason why Liu Ruxue became the saint of Lihuomen was that in addition to being strong, she also had a kind of 'charm technique' that was lost in all corners of the world. Its at its mercy.

“Okay.”

Hearing this, Liu Ruxue pondered for a while, then nodded, with a bit of interest on her beautiful face: “I also really want to see how special that Yue Feng is. “

Haha...

Seeing her promise, Ren Pingsheng was very excited and laughed: “That’s great, Junior Sister is willing to take action, we have already succeeded in half, I will help secretly when the time comes, as long as we cooperate well, we will be able to Yue Feng captured it.”

.....

A hundred miles northwest of Chunyang Palace, there is a valley with beautiful mountains and rivers and pleasant scenery.

At this time, Yue Feng was meditating quietly on a meadow in the valley.

Half a day ago, Yue Feng found this valley and saw that the heaven and earth were full of spiritual energy, which was very suitable for building a chaotic teleportation array, but after exploring the surrounding environment, he gave up.

Although the environment here is good, it is not concealed enough. I am afraid that some people in the world will make troubles before the teleportation formation is built.

call!

After meditating for a while, Yue Feng stood up slowly, planning to leave the valley and find another place.

“Help!”

However, at this moment, in the woods ahead, there was a panicked cry from a woman, her voice full of panic.

Along with the cry for help, there were also some men’s anger.

“Stinky woman, stop for Lao Tzu!”

“Ma De, want to run?”

Hearing this, Yue Feng frowned secretly, listening to the situation, could it be that the women of that family were robbed by bandits?

Thinking to himself, Yue Feng didn't have time to think, and urged his figure to rush into the woods.

call!

After walking more than 100 meters into the woods, Yue Feng suddenly stopped and took a deep breath.

I saw a woman tied to a tree, her face full of horror, with tears in the corners of her eyes. Around her, more than a dozen men teased her, one or two, and they kept reaching out to take advantage.

“Mad, you're still running, why aren't you running?”

“Tsk tsk...the beauty looks so energetic...”

“Wait for a few brothers, train them well, and you'll know what escape is. It's over.” The

woman was wearing a long white dress, stained with mud, looking dirty, and her long hair was disheveled, but her eyebrows were beautiful and she could tell she was a beautiful woman even from a long distance.

Facing the provocation of these men at this time, the woman was terrified, her body trembled uncontrollably, and she begged for mercy: “I beg you...let me go.”

However, hearing her beg for mercy, more than a dozen men became even more presumptuous.

The ultimate husband in Chinese chapter 5326-5330

Chapter 5326

Nima....

Seeing this scene, Yue Feng was inexplicably angry, this group of people is really hateful, a dozen people bully a woman...

In anger, Yue Feng keenly noticed that these ten Several men wore uniform black long shirts with special logos embroidered on the necklines.

People from the Four Seas Alliance?

Seeing the sign, Yue Feng could tell at a glance that this was a member of the Four Seas Alliance, a subordinate of Gu Sanniang.

Realizing this, Yue Feng was a little relieved. You must know that most of the people in the Four Seas Alliance are some extremely vicious people, and many Jiangyang robbers are the elite backbone of the Four Seas Alliance.

The entire Four Seas Alliance has done bad things in the rivers and lakes, making enemies everywhere. Half a month ago, a sub-altar of the Four Seas Alliance also robbed the materials of the Red Clothes Sect. At that time, Yue Feng was involved in this incident.

In such an organization, it is normal for the people below to bully the weak.

But since you let yourself encounter it, you can't stand idly by.

Thinking to himself, Yue Feng walked over quickly and scolded coldly, "Stop."

Shuh!

Hearing the scolding, more than a dozen people who were still teasing women stopped one after another, their eyes focused on Yue Feng, and their faces flashed with confusion and complexity.

At the same time, the woman who was tied to the tree was also shocked, as if she had grabbed a life-saving straw, and called to Yue Feng: "This son, help, help."

When she shouted, the woman was full of His face was anxious and frightened, but there was a hint of cunning in his eyes.

This woman is not a nearby resident at all, but Liu Ruxue pretends to be.

This chapter is provided by . Visit for daily update.

A day ago, Liu Ruxue was arranged by Ren Pingsheng to approach Yue Feng, and after that, she took a dozen elite disciples to investigate Yue Feng's traces. Finally, half a day ago, the trace of Yue Feng was found near this valley.

As the saint of Lihuo Sect, Liu Ruxue is not only powerful, but also good at strategy. At that time, she decided to make a dozen elite disciples pretend to be members of the Four Seas Alliance, while herself pretending to be a helpless woman. Then staged a scene where a lonely woman was robbed by mountain bandits.

Liu Ruxue is very good at trying to figure out a man's heart. No man will sit idly by when he sees such a scene.

Besides... Yue Feng is not an ordinary man.

At this moment, seeing that Yue Feng was successfully attracted, Liu Ruxue was indescribably excited, but her expression still pretended to be very panic.

I have to say that Liu Ruxue's acting is very similar, but Yue Feng didn't notice it at all.

"Don't panic, girl." Yue Feng said to Liu Ruxue with a face of justice: "With me here, they won't hurt you." The

voice was not loud, but it gave off an unquestionably powerful aura.

Hehe....

Hearing this, Liu Ruxue couldn't help sneering in her heart. This is Yue Feng, who is causing headaches for Senior Brother and the major sects? Doesn't it look good? He fooled him by acting casually.

Thinking of this, Liu Ruxue gratefully nodded towards Yue Feng, with a bit of worry on her delicate face: "Thank you, son, but be careful, these people are very bad..."

Yue Feng smiled and signaled not to be nervous.

It's just a bunch of little bastards, so don't take it seriously, not to mention, he is still Gu Sanniang's VIP, these people from the Four Seas Alliance, knowing their identities, don't dare to make trouble.

"Hey..."

At this moment, more than a dozen men came to their senses one after another, and then, the one at the head looked at Yue Feng up and down, and shouted: "Where is a kid who doesn't know how to live or die? Dare to meddle in his own business? Are you looking for death?"

This The leader was Liu Tong, a close disciple of Ren Pingsheng, who was responsible for helping Liu Ruxue get closer to Yue Feng.

The words fell, and the other companions also started drinking at Yue Feng.

"Do you know who we are? From the Sihai Alliance." "Dare to manage the affairs of the Sihai Alliance, are you tired of living..."

"

The ferocious side is shown, and people who don't know it really think they are people of the Four Seas Alliance.

call!

At this moment, Yue Feng didn't realize that there was anything wrong, his brows furrowed, and he secretly exhaled.

I haven't seen each other for a while, these people from the Four Seas Alliance are really getting more and more arrogant.

Chapter 5327

Thinking, Yue Feng showed a smile and

said to Liu Tong: "It turns out that they are from the Four Seas Alliance, no wonder they are so majestic." Yue Feng's tone sank: "But I want to ask, you guys Gu Sanniang, the general leader of the gang, is this how you usually teach you to do evil everywhere?"

Although he and Gu Sanniang haven't met a few times, Yue Feng has some understanding of her conceit, and she has her own principles for doing things and will not bully her. Weak, and will not condone his subordinates to do evil everywhere.

Um?

Hearing this, Liu Tong's expression was stunned. He didn't seem to expect that Yue Feng would suddenly say this. According to his normal logic, he thought that Yue Feng would directly be a hero to save the beauty.

But he didn't expect that he would involve Gu Sanniang.

At the same time, Liu Ruxue also frowned slightly and muttered in her heart.

The tone of Yue Feng's speech... He also mentioned Gu Sanniang, do they know each other?

No, Yue Feng is the master of the Pill Pavilion of Chunyang Palace, and Chunyang Palace is a well-known and authentic sect in the whole arena. However, the Four Seas Alliance led by Gu Sanniang is notorious in the rivers and lakes. How could the two sides know each other?

He must be playing tricks.

Yes, definitely so.

Thinking to herself, Liu Ruxue lowered her voice and urged Liu Tong: "Don't talk nonsense with him, just force him to do it."

Today's main purpose is to find a chance to get close to Yue Feng, as for the relationship between him and Gu Sanniang is fundamental unimportant.

At this time, the position where Liu Tong was standing just blocked Liu Ruxue, and her voice was very soft, so Yue Feng hadn't noticed it yet.

Um!

Hearing the order, Liu Tong complied, and then shouted at Yue Feng: "What are you? Are you qualified to mention our general leader Gu Sanniang?"

"I warn you, if you don't get out, don't blame us for not doing it. You're welcome."

As he spoke, Liu Tong secretly winked at the surrounding companions, they all knew that Yue Feng was very strong, so they pretended to attack later, and then when Yue Feng fought back, they dispersed.

Haha...

Seeing Liu Tong's arrogant face, Yue Feng couldn't help but smile: "Who am I, you can see this thing." After speaking, he took out a token from his body.

This token was given to Yue Feng by Gu Sanniang when she was separated from Gu Sanniang. Seeing the token is like seeing Gu Sanniang herself. It is a symbol of Gu Sanniang's supreme status in the Four Seas Alliance.

Yue Feng's meaning is very simple, this token, as long as everyone in the Four Seas Alliance knows it, when it is displayed at this time, the group of people in front of them will definitely not dare to be presumptuous.

Um? What is this?

At this moment, seeing the token in Yue Feng's hand, whether it was Liu Tong or his companions, all frowned, secretly surprised.

What is this Yue Feng doing with such a thing?

They are not from the Four Seas Alliance, so naturally they do not know this token.

Especially Liu Tong, who thought that Yue Feng would reveal the identity of the pavilion master of the Pill Pavilion, but he never thought that he would not say anything at all, but instead revealed such a thing.

But soon, Liu Tong reacted and said disdainfully, "Boy, you just want to scare us by taking out something? Think we are three-year-olds?"

Huh?

Seeing him say that, Yue Feng frowned secretly.

Aren't these people from the Four Seas Alliance? How come you don't even know Gu Sanniang's personal token?

Could it be...they are all fake?

After thinking about it, seeing Liu Ruxue tied to a tree, he seemed very embarrassed, but he was not injured at all, and Yue Feng was even more sure of his guess.

These people are not from the Four Seas Alliance, and this woman is also pretending.

"Boy!"

At this time, Liu Tong was in a hurry to complete the task. Seeing Yue Feng standing there thinking, he couldn't help shouting angrily: "Don't get out of here, okay, let's let you know about our Four Seas Alliance today. Terrific." The

voice fell, and he pulled out his long knife and charged directly.

Wow...

At the same time, a dozen or so companions around followed closely behind, slashing at Yue Feng with a long knife in their hands.

Because it was acting, Liu Tong and the others did not burst out with all their strength. At this time, they were just pretending to attack Yue Feng. At this time, everyone seemed to be fierce, but in fact, they were all prepared to flee in embarrassment.

Chapter 5328

Interesting!

Feeling that Liu Tong and the others did not burst out with all their strength, a smile appeared on the corner of Yue Feng's mouth, and he was more certain that the other party was acting.

Since you want to play, then I will play with you.

"Good job!"

Thinking to himself, Yue Feng shouted, raised his hand and slapped it towards Liu Tong, who was rushing towards him.

hum!

This palm seems to be light, but it contains extremely strong power, and the air is rapidly twisted wherever it passes.

After knowing that the other party was pretending to be, Yue Feng planned to do it all. This palm did not burst out with all his strength, but after all, the power in his body was divine power.

boom!

Liu Tong didn't have time to dodge at all. He was hit hard by the palm of his hand. He heard a groan, and his whole body was shaken and flew out, flying more than ten meters before he fell heavily to the ground.

"Pfft..." After landing, Liu Tong spurted out a mouthful of blood, staring at Yue Feng tightly, full of astonishment.

It's no wonder that more than a dozen sects joined forces before and couldn't capture him. This Yue Feng is really powerful.

Hiss...

At the same time, the other companions around couldn't help but take a breath, looking at Yue Feng's eyes full of fear, and at the same time, they all stopped.

The Pill Pavilion Master of the Chunyang Palace is really powerful. Fortunately, the big guy is just acting. If he really goes up and tries his best, I am afraid that none of them will survive.

Yue Feng slammed Liu Tong into the air, and did not take advantage of the situation to pursue, but stood there with a leisurely expression, wanting to see what Liu Tong would do next.

"You..."

Finally, after more than ten seconds, Liu Tong struggled to stand up, and shouted at Yue Feng very shyly and angrily: "You have the seeds, do you dare to tell your name?"

When he said this, Liu Tong was full of shock.

Speaking of which, before acting just now, Liu Tong had already prepared in his heart that he might be hurt by Yue Feng, but he never thought that Yue Feng's strength was far beyond his imagination.

At this time, Liu Tong clearly sensed that his internal strength had been dissipated, and he had broken a few ribs. If he wanted to recover, he would have to rest for at least two months.

Hearing the questioning, Yue Feng replied lightly: "Yue Feng!"

"Yue Feng!"

Liu Tong repeated, struggling to stand up, his eyes flashing with resentment, and he uttered a cruel sentence: "Yue Feng, right? I'll wait." Saying this, he greeted his companions and fled into the depths of the woods.

In the blink of an eye, Liu Tong and the others walked away cleanly.

Haha...

Seeing this scene, Yue Feng secretly laughed in his heart, this group of people is really interesting, they all ran away before they had a complete fight.

Thinking to himself, Yue Feng turned his head and looked at Liu Ruxue with a half-smile.

Still an absolute beauty.

I hadn't noticed it before, but now, upon closer inspection, Yue Feng realized that the woman in front of her had beautiful facial features. Although her face was dirty, she couldn't hide her shocking face, especially her graceful curves, which could be called perfect proportions.

Even though Yue Feng had seen so many beauties, seeing Liu Ruxue at this time still felt amazing.

"Master... son."

Yue Feng's gaze made Liu Ruxue feel uncomfortable, and immediately lowered her head, looking weak and pitiful: "Thank you for saving me..." When she said this, Liu Ruxue secretly let out a sigh of relief.

The acting went well here, so Yue Feng should have no doubts.

At this time, Liu Ruxue didn't know yet, but Yue Feng had already seen through it, but he hadn't broken it yet.

Yue Feng smiled: "You're welcome." After speaking, he turned around and prepared to leave.

"Young Master!"

Just after taking two steps, he heard Liu Ruxue's anxious cry: "Young Master, stay a step..."

Yue Feng stopped, looked back, and saw Liu Ruxue biting her lip, a look of embarrassment look.

"Can you help me untie..." Liu Ruxue said softly, with a pleading look in her eyes, but she was speechless in her heart. A beautiful girl of hers was still tied to a tree, can't he see it? ?

This Yue Feng is really not playing cards according to common sense.

Oh!

Hearing this, Yue Feng looked stunned and nodded embarrassedly: "I'm sorry, I was in a hurry, I forgot that you were still tied."

Chapter 5329

While talking, Yue Feng turned around and tied Liu Ruxue loose.

In fact, Yue Feng knew that she was still tied, but he deliberately pretended not to know.

After loosening the ties, Liu Ruxue rubbed her somewhat red wrists and gave Yue Feng a salute: "Thank you, Young Master for your rescue." I have to say, this Liu Ruxue is worthy of being the number one beauty in Lihuo Clan, with every frown and smile. It's style.

However, Yue Feng seemed to be invisible, nodded and said lightly: "Well, you're being polite."

"The gangsters have already run away, you can go home quickly, I have something else to do, and we are destined to see you again.

", Yue Feng turned around and left.

The moment he turned around, Yue Feng had a smirk on his face, and slyness flashed in his eyes.

Haha...

This woman thinks she's pretty and thinks I'll greet you, but I'm not like that. Let's see how your next play will go on.

Yue Feng has been in the rivers and lakes for a long time, and before he started with Liu Dong and others, he could see that Liu Ruxue, who was tied to a tree, was the leader.

This...

Seeing Yue Feng leaving again, Liu Ruxue stomped her feet anxiously, is this Yue Feng a man, why is there no amorous feelings at all? According to normal thinking, shouldn't I be asked if I'm injured? But he didn't ask anything, honestly hurried away.

In Liu Ruxue's plan, she pretended to be a weak woman who was robbed by the Four Seas Alliance, and was rescued by Yue Feng by chance.

But she never thought that Yue Feng would be so indifferent, completely different from what was envisaged in the plan.

"Anything else?" Yue Feng stopped and looked at her with a smile.

Liu Ruxue breathed a sigh of relief and made a very weak look: "I...my wrists are numb and my legs are a little sore, can I...can I go with you?"

"I'm afraid just now Those people will come and go, and when the young master is gone, I will still be bullied by them..."

Hehe...

Finally showing the fox's tail, this is an excuse to approach me.

At this moment, Yue Feng smiled secretly, and instantly guessed Liu Ruxue's thoughts, but instead of saying it on the spot, he nodded and said, "Well, you can come with me for the time being."

Since you like acting so much , I'll have a good time with you.

Seeing Yue Feng agree, Liu Ruxue was relieved, Yue Feng did not refuse, and his plan was half successful.

Thinking to herself, Liu Ruxue said gratefully, "Thank you, son."

As she spoke, Liu Ruxue's delicate face was a little embarrassed: "But my hands and feet..." A weak woman, injured Wrists, legs are also sore, a man will take advantage of this opportunity.

She thought about it, as long as Yue Feng was bewitched by her beauty and couldn't help but approach, she would use the 'Charm Technique' and take the opportunity to control him.

However, she misunderstood Yue Feng.

"Your wrist is sore. It's because you helped too tightly just now, and there was congestion inside." Yue Feng glanced at Liu Ruxue lightly, and said slowly, "Wait for a bit of activity, it'll be fine."

"As for you . The same is true for the weak legs."

"Okay, let's go with me."

After saying the last sentence, Yue Feng walked forward first, without any intention of coming to help.

This....

For a while, Liu Ruxue was stunned again, looking at Yue Feng's back, biting her lips lightly, she felt that she had been humiliated invisibly, and had an indescribable sense of frustration.

What the hell is going on?

I'm not ugly, why can't I attract this man?

Thinking to herself, Liu Ruxue quickly followed, regained her mood, and couldn't help but said, "Master, don't you want to know why I was caught by those people?"

When she said this, Liu Ruxue said Very depressed.

According to the plan, these words were originally waiting for Yue Feng to ask, and then Liu Ruxue said it logically, and Liu Ruxue had already prepared the answer in her heart, but Yue Feng never asked, which made Liu Ruxue very depressed , and finally couldn't help but say it.

Hahaha.. This woman really can't hold her back at all.

The appearance of Liu Ruxue made Yue Feng very funny, but he held it back. He patted his forehead at the time, and asked in hindsight, "Yes, I almost forgot, why did they arrest you?"

Chapter 5330

"Uuuu..."

As soon as the words came out, Liu Ruxue cried very aggrieved, and started to sell miserably without losing the opportunity: “Young master doesn’t know anything, I... my life is too bitter. “...”

“My home is not here, but in Qingyun Lake, a hundred miles away in the northwest. All ancestors were fishermen who fished on Qingyun Lake. A month ago, a plague suddenly occurred, and my family and villagers died. I was lucky enough to escape, and then went out to make a living, but I didn’t expect that as soon as I got here, I would be targeted by those bad people who claim to be the Four Seas Alliance...”

“If the son suddenly appeared, I really don’t know what I would be. The end...”

Liu Ruxue’s crying pear blossoms brought rain, while telling, while paying attention to the changes in Yue Feng’s expression.

Of course, these life experiences were pre-edited by her in order to gain Yue Feng’s sympathy.

Pretty good at editing.

Yue Feng’s eyes were like torches, and he could see Liu Ruxue’s small movements clearly, and he sneered in his heart, but on the surface he made a very sympathetic look: “Oh, I didn’t expect the girl to be so miserable.”

Seeing Liu Ruxue acting so vigorously, Yue Feng was also interested. At this time, he had already guessed that this woman may have been sent by those sects, and I just wanted to see what tricks she could play in the end.

Ugh!

Seeing Yue Feng’s face of approval, Liu Ruxue sighed softly, and said quietly, “I’m not afraid of your son’s jokes, I have no relatives now, and I really don’t know where to go.”

“If the son doesn’t dislike it, let me I will stay by my side to wait on me, the son saved me just now, and my life will belong to the son in the future.”

When she said this, Liu Ruxue looked pitiful, but there was a hint of gloom in her eyes.

Yes, her ultimate goal is to get close to Yue Feng, so that she can control him with charm.

call!

At this moment, Yue Feng breathed a sigh of relief and did not respond immediately, but he understood something in his heart.

After a long time, this woman wants to win my sympathy and stay by my side. I have to say, this trick is really enough. She describes herself as lonely and lonely, and then I will definitely take her to Chunyang Palace. , and then she will have the opportunity to snatch the Qimen Cultivation Technique of the Heavenly Secret Palace. Thinking to himself, Yue Feng scratched his head: "Then... well, but I am a more casual and lazy person. You will

definitely endure hardship when you follow me."

By the way, by the way, check to see which sect sent this woman.

"You're welcome."

At this moment, Liu Ruxue said very seriously: "I was born into a poor family, and I'm not afraid of hardships. As long as the son is willing to stay with me, I will be satisfied."

Hmm!

Yue Feng nodded and stopped talking nonsense: "Let's go!" After saying that, he walked forward first.

Liu Ruxue quickly followed, because she wanted to hide her identity, Liu Ruxue did not dare to reveal her strength at all, and walked with Yue Feng in the mountains as an ordinary woman.

Yue Feng seized this point, and chose some difficult mountain roads along the way, and did not stop for several hours.

Liu Ruxue didn't dare to exert her internal strength. After a few hours, she only felt that her legs were sore and painful as if they had been filled with lead, and her feet were also blistered. At that time, she almost wanted to cry without tears.

call!

Finally, when it was getting dark, Yue Feng and Liu Ruxue came to a cave, Yue Feng found a large flat rock, lay down comfortably on it, took a deep breath and said, "It's getting dark, let's rest here for a while. ."

At this moment, Liu Ruxue nodded hurriedly, and at the same time was relieved, she could finally rest, and if she walked on, her feet would be worn out.

At this time, Liu Ruxue felt very aggrieved.

The dignified saint of Lihuomen has an extraordinary identity. When has she suffered such a useless situation? But for the brother's plan, I had to endure it.

Thinking to herself, Liu Ruxue was also going to find a place to rest.

“That’s right!”

However, at this moment, Yue Feng suddenly sat up, looked at her and asked, “You said before that your ancestors were all fishermen?” His face was peaceful, but his eyes were sly.

“Ah?”

Liu Ruxue was stunned when she heard the question, and then nodded quickly, “Yes, son.”
