

## The ultimate husband in Chinese chapter 5551-5560

### Chapter 5551

Although there is a mask, but feeling Liu Xudong's eyes, Chen Rou felt indescribable resistance, and immediately whispered: "I...I don't know how to drink, so let Senior Sister accompany Sect Master Yue."

With that said, he hurried out of the room.

Uh...

Seeing Chen Rou leave, Liu Xudong couldn't keep his identity, so he could only sigh secretly.

At this time, Su Hong smiled lightly: "My junior sister is relatively introverted, I hope Sect Master Yue will not take offense." As she spoke, she opened the wine jar and filled Liu Xudong's glass.

In an instant, the aroma of the wine was overflowing.

"What a fragrant wine." Liu Xudong couldn't help but sighed in admiration, then sat down and drank the wine in the glass.

Su Hong respectfully stood aside and asked with a smile, "Sect Master Yue, how is this wine?"

"Not bad!"

Liu Xudong nodded with a smile, repeatedly nodded in admiration: "The wine is fragrant, and there is a hint of fruit in the aftertaste. Sweet, good wine, good wine..."

As he spoke, he admired Su Hong's charming curves up close, and he was in a very beautiful mood.

Drinking fine wine and being accompanied by beautiful women, he is even more relaxed than a god...

But Liu Xudong didn't forget his business, and said to Su Hong with a smile: "Miss Su Hong, there is no one else here, so don't. Now that you're restrained, sit down and have a few drinks together."

"Thank you, Sect Master Yue."

Faced with Liu Xudong's invitation, Su Hong naturally couldn't ask for it. The sect master thinks this wine is delicious, so drink a few more."

Haha...

Feeling Su Hong's hospitality, Liu Xudong was very useful, he immediately laughed, and chatted with Su Hong while drinking.

"Miss Su Hong."

Unconsciously, after three rounds of drinking, Liu Xudong asked Su Hong, "As a closed disciple of Su's Sect, have you ever seen that blood-winged armor with your own eyes?"

Although Liu Xudong was lustful, he didn't forget the purpose of coming to Huashan this time. He asked Su Yanlin to borrow it before, but was politely rejected. Liu Xudong knew that Huashan would definitely not hand over the Bloodwing Battle Armor easily.

In this case, he can only start from Su Hong in front of him.

Blood Wing Armor?

At this moment, Su Hong was stunned for a moment, as if she did not expect Sect Master Yue in front of her to ask this, but because of the admiration in her heart, she answered without saying: "I saw it once a year ago, but Master's baby is not good. At that time, I also glanced at it from a distance..."

When answering, Su Hong pouted, with a delicate face, unable to hide the depression, so indescribably charming.

Hehe...

Liu Xudong smiled and had another cup of tea with her, and continued to ask, "That blood-winged battle armor, but the armor that Lu Bu wore back then was the only one in the world. Of course your master is precious.

", Liu Xudong said with emotion: "According to the rumors, the blood wing armor is invulnerable, even if it is a purple-rank weapon, it can't be pierced. That's why I came to Huashan specially and wanted to borrow it.

"

Hearing this, Su Hong nodded, and then asked: "Sect Master Yue, you said that you borrowed the blood wing armor to deal with the Sea Dragon Palace. Isn't the Sea Dragon Palace all pirates? Is it really that strong?

" Of course..."

Liu Xudong nodded and said seriously: "If it's not strong, how could it ruin my Tianmen main altar?" As he spoke, he continued pouring wine for Su Hong.

In the blink of an eye, it was another few glasses of wine.

Just seeing Su Hong's delicate face, bright red and indescribably charming, made Liu Xudong's eyes straight.

Why is this fruit wine so powerful?

At this time, Su Hong was secretly suspicious. She clearly felt that her dizziness was heavy, her whole body was soft, and she could fall down at any time.

Huashan's fruit wine, Su Hong often drinks, because it is brewed from fruit, so he rarely gets drunk.

But what happened today? After a few drinks, I couldn't stand it anymore.

Is it because he was nervous with the famous Sect Master Yue of Kyushu today, so he was so drunk?

At this time, Su Hong still didn't know that Yue Feng had put a specially refined medicinal pill in the two jars of wine that Chen Rou had just sent.

Chapter 5552

"Miss Su Hong!"

At this moment, seeing Su Hong drunk, Liu Xudong knew that the time had come, so he stood up slowly and asked with a smile, "Are you alright?"

Su Hong shook her head: "I'm fine. ..."

Liu Xudong took the opportunity to ask: "Miss Su Hong, do you know where your master usually puts the blood wing armor?" His tone seemed casual, but his eyes were full of urgency.

Su Hong thought for a while, and said vaguely: "In the secret room in the forbidden area of the back mountain..."

At this time, Su Hong, under the anesthesia of alcohol, was in a daze, and the last sentence was not finished. He fell asleep on the table.

Is this drunk?

Seeing this scene, Liu Xudong frowned secretly, this Su Hong's drinking capacity is too poor, only a few glasses of wine to get drunk like this. But that's fine, save yourself a lot of trouble.

"Hehe..."

At this moment, Liu Xudong excitedly rubbed his hands together and slowly moved Su Hong to the soft couch beside him.

I saw that at this moment, Su Hong, her eyes were slightly closed, her breath was like blue, her flushed cheeks were like a delicate rose, especially the fragrance from her body, which made Liu Xudong intoxicated. .

"You brought this to the door on your own initiative, don't blame me."

After saying something to himself, Liu Xudong couldn't hold back and was about to untie Su Hong's skirt.

Um?

It was just at this time that Liu Xudong suddenly shook his head, feeling dizzy in his head, and the wine rushed up and down, almost unable to stand.

It's just a wine made from fruit, so powerful?

Madd, forget it.

In the next second, Liu Xudong rubbed his brows and tried to calm himself down. His eyes fell on Su Hong who was on the soft side again, ready to stretch out his claws again...

Bang!

But at this moment, the door of the room was suddenly kicked open, and then Yue Feng strode in, his face was gloomy, his eyes were like torches: "You are not too brave, don't pretend to be a hero of Kyushu, and now you still want to confront a drunken man. The woman is conspiring against the law." The

words were just and righteous and could not be refuted.

Ten minutes ago, Yue Feng completely integrated the power of several spirit beasts' inner pills, and took advantage of the night to rush over immediately, just as Liu Xudong wanted to touch Su Hong.

Oops...

Suddenly seeing someone breaking in, Liu Xudong was startled, and when he saw that it was the 'Dan Zong disciple' he had seen in the main hall before, he immediately became furious and scolded: "Damn boy, you are talking nonsense. What?"

Outwardly angry, but inexplicably apprehensive in her heart.

Strange... I wear a mask and imitate it so vividly, even if a disciple of Tianmen comes, it may not be able to see through, and how does this person in front of him know that he is fake?

Bullshit?

In the face of the reprimand, Yue Feng did not panic at all, and smiled coldly: "Is it nonsense, you know better than me, you have the ability, you take off the mask .

"

With a snort, he pointed at Yue Feng and cursed: "What kind of status do you have the right to point fingers at me? Get out of here immediately."

"What if I don't get out." Yue Feng stood there with a calm expression on his face.

"Looking for death!" Liu Xudong stopped talking nonsense, roared, and punched him fiercely.

This punch is like thunder.

However, Yue Feng didn't panic at all, and with a flash, he easily escaped.

To be honest, Yue Feng just merged a few Marquis-level Inner Cores, and he didn't even regain 10% of his strength, while Liu Xudong was the strength of the Tribulation Realm. In this case, Yue Feng was not an opponent at all.

But Liu Xudong had just drunk a lot of wine, and there was also a medicinal pill specially refined by Yue Feng in the wine, so this punch seemed very violent, but it was not much of a threat to Yue Feng.

Mad!

Seeing that he punched a hole, Liu Xudong was very annoyed. After stabilizing his figure, he rushed towards Yue Feng again.

"Young disciples, dare to be mad."

Yue Feng showed a sneer, dodged again, and then quickly shot, slicing the back of Liu Xudong's head.

Bang...

Liu Xudong's drunkenness is getting stronger and stronger, and he can't avoid it at all. After hearing a dull sound, his eyes darkened, and he fell on the ground and passed out.

Chapter 5553 Papa

...

Seeing that Liu Xudong finally fell to the ground, Yue Feng clapped his hands and said to himself, "It's finally done. If it wasn't for my strength, how could I let you be arrogant for so long."

With that said, Yue Feng was about to lift the golden mask on Liu Xudong's face.

Um?

However, at this moment, Yue Feng glanced at Su Hong who was on the soft collapse, and frowned immediately, seeing that her long skirt had just been torn open by Liu Xudong, revealing a snow white.

I have to say, this Su Hong's figure is also considered to be the best.

For a while, Yue Feng stared blankly for a few seconds before he recovered, patted his forehead and said, "Forget it, let's wake her up first." Although Su Hong had always been mean to him before, but After all, she is also a pure and clean girl. Lying here like this is really indecent.

After making up his mind, Yue Feng took out a bottle of potion from his arms and sprinkled it lightly on the tip of Su Hong's nose.

The medicinal pills that Yue Feng had refined before could make people drunk quickly, and this bottle of potion was the antidote.

"Hey..."

After sprinkling the potion, Yue Feng gently patted Su Hong's cheek and called out, "Wake up..."

"Hmm..." After shouting, Su Hong faintly woke up and issued He snorted softly, and then rubbed his eyes.

Swish!

The next second, seeing Yue Feng in front of him and Liu Xudong lying on the ground, Su Hong instantly woke up most of the time.

what's the situation? Why did Sect Master Yue collapse to the ground? Also, when did this Pill Sect disciple break in?

Immediately afterwards, seeing her long dress being torn, Su Hong's delicate face turned red all of a sudden, then she waved her jade hand and slapped Yue Feng fiercely.

Snapped!

With a crisp sound, five finger prints appeared on Yue Feng's face.

Yue Feng covered his face, annoyed and depressed: "Why are you hitting me?"

"You shameless person." Su Hong glared at Yue Feng, unable to hide the contempt and anger: "What happened to Dan Zong? Out of a scum like you, you got the Spirit Beast Inner Pill, and if you don't feel grateful, you secretly ran back and raided Sect Master Yue. Then you plotted against me."

"This kind of person is not worth dying for 10,000 times." In the

last sentence, Su Hong almost gritted her teeth.

In her heart, there is no need to guess the situation in front of her. It was this disciple of Dan Zong who knocked Sect Master Yue out when he was drunk, and then planned to defile her. Otherwise, how could her skirt be torn apart?

Damn...

At this moment, Yue Feng couldn't help laughing, but he still said patiently: "You misunderstood, it's him who will defile you first, and I'm here to save you."

"If it wasn't for me, yours just now. His innocence has been ruined by him."

When he said this, Yue Feng was very depressed, Ma De, what is this, Su Hong really does not distinguish between right and wrong.

"Save me?"

At this moment, Su Hong showed a bit of a smirk on her face: "Do you think I would believe your nonsense? If you want to destroy my innocence, I have to kill you." The

voice fell, and Su Hong bit her lip tightly . , the jade hand raised, and a palm hit Yue Feng's heart.

However, like Liu Xudong, she drank a lot of alcohol before. At this time, her body was completely paralyzed by the alcohol. This palm was soft and had no strength at all.

Yue Feng quickly dodged, and said, "Miss Su Hong, calm down and listen to me. In fact, this person is not Yue Feng at all."

Isn't it Yue Feng?

Su Hong was stunned for a moment, and said angrily: "How do you know that he is not Yue Feng?"

Yue Feng took a deep breath and said seriously: "Because I am Yue Feng."

However, at this time, Su Hong did not believe it at all, but was even more excited. Seeing the anger in his heart, he immediately shouted: "You still dare to talk nonsense, I have to kill you."

This person in front of him is really hateful.

Even if you want to defile me, you still dare to say that you are Yue Feng?

In anger, Su Hong used her internal strength again and attacked Yue Feng.

Ugh!

Faced with this situation, Yue Feng was speechless, and immediately circled around the table, dodging and shouting, "Hey, what I said is the truth, please calm down."

Su Hong didn't stop at all. Chasing Yue Feng around the table.

Chapter 5554

After a dozen laps, Su Hong couldn't catch up with Yue Feng, and was completely angry. At that time, he raised his dantian and shouted at the outside: "Come on, come and catch the thief." What the hell

!

Seeing this situation, Yue Feng wanted to cry but had no tears. I kindly wanted to save you, but instead I became a thief.

Wow...

As soon as Su Hong finished speaking, he saw more than a dozen Huashan disciples rushing in quickly. They happened to be patrolling nearby and came to check the situation when they heard the call.

This...

After entering the room, a dozen Huashan disciples were stunned when they saw the scene in front of them.

I saw that Sect Master Yue, who was wearing a golden mask, fell unconscious on the ground, while Senior Sister Su Hong was wearing a messy long dress, and even a corner of her leg was torn apart, revealing the curve inside. .

. Across the table, the Danzong disciple who was supposed to leave Huashan was standing there sweating profusely, with an embarrassed expression on his face.

“Senior Sister!”

Finally, one of the leading disciples reacted and asked Su Hong, “What’s the matter?”

Su Hong took a deep breath, unable to hide her anger, pointed at Yue Feng and said, “This ... A despicable person, sneaked in, injured Sect Master Yue, and wanted to plot against me.”

When she said this, Su Hong did not forget to give Yue Feng a stern look.

What?

Hearing this, more than a dozen disciples were all furious. You must know that Su Hong is the goddess in their hearts, and now she was almost tainted by a Pill Sect disciple, how can you not be angry?

wow.

In anger, more than a dozen disciples pulled out their long knives and surrounded Yue Feng.

Faced with this situation, Yue Feng was speechless: “Everyone, this is a misunderstanding, everyone calm down.”

It was just that Su Hong was angry and kept explaining. On the contrary, the more Yue Feng explained, the more disgusted she felt in her heart. At that time, he shouted: “Take it.” After

hearing the order, more than a dozen Huashan disciples started to do it.

Yue Feng had no choice but to fight with a real figure. However, he only merged a few inner cores, and his strength did not fully recover. In less than two minutes, he was bound by five flowers.

“Senior sister!”

At this time, the leading disciple flattered Su Hong: “What do you want to do with this guy?”

Su Hong gave Yue Feng a cold look, her eyes full of contempt and resentment: “Kill it, throw it away. Go to the back mountain to feed the wolves.”

Alright!

When the voice fell, the leading disciple responded, then raised the long knife and slashed towards Yue Feng’s neck.

“You bastard, stop, stop.”

However, at this moment, a loud shout came from outside the door, and then, two figures walked in quickly.

It was the head Su Yanlin and Chen Rou.

Seeing the head, Su Hong and a dozen disciples were all stunned.

Huh...

Yue Feng was relieved, looking at Chen Rou’s eyes with a flash of approval, fortunately, you finally came in time.

In Yue Feng’s plan, after Chen Rou brought the wine, she immediately went to Su Yanlin to explain everything. However, from the perspective of such a long time, Chen Rou should have spent a lot of effort in talking about the master.

But fortunately, now is the time to come.

“Master!”

At this moment, Su Hong reacted, walked quickly to Su Yanlin’s side, and began to complain: “You came just right, this disciple of the alchemy sect is really daring, we helped him by giving him the inner alchemy of the spirit beast, but he repaid his kindness and revenge, quietly at night. Dive back, not only stunned Sect Master Yue, but also wanted to sully me...” Just

before she could finish her sentence, she was interrupted by Chen Rou: “Senior sister, you misunderstood.”

Liu Xudong said: “He is a fake, this brother Feng, who claims to be a disciple of Danzong, is the real Yue Feng.”

What?

Hearing this, Su Hong was stunned for a moment, then shook her head and said, "Impossible, Junior Sister, you are kind-hearted, you must have been deceived by him."

Chen Rou was too lazy to talk nonsense, and under Yue Feng's signal, she walked over slowly. Unfastened the golden mask on Liu Xudong's face.

Huh ....

In an instant, when they saw Liu Xudong's true face, everyone present was stunned. They saw this 'Yue Feng' in front of him, with a wide forehead, small eyes, a collapsed nose, and the real Yue Feng's handsome and cold image. Simply a world apart.

Chapter 5555

Quiet!

For a time, the entire room was deadly silent, and a drop of a needle could be heard clearly.

Su Hong looked at Liu Xudong in front of her, her mind buzzing: "He...he is really fake..." Thinking of how he had flattered him in every possible way and had a drink with him just now, he couldn't tell how disgusting it was.

"What are you doing standing still?"

At this moment, Su Yanlin regained his senses and scolded the surrounding disciples, "Don't untie them quickly."

Upon hearing the order, a dozen disciples quickly untied the ropes on Yue Feng's body.

Su Yanlin walked over quickly, looked at Yue Feng up and down, and said tentatively, "Yue... Sect Master Yue?" There was embarrassment in his tone.

Speaking of which, Su Yanlin also saw Yue Feng from a distance when the ancient tomb of Lü Bu appeared in the world. Now that several years have passed, there is only a vague impression in his mind.

Moreover, the scruffy beard of Yue Feng in front of him couldn't be associated with the wise and wise look from before.

However, Chen Rou had explained the situation just now, and the impostor in front of him had already been exposed, so Su Yanlin was convinced that this person who claimed to be a disciple of the Dan Sect was the real Yue Feng.

“Sect Leader Su.”

Yue Feng smiled bitterly: “I’ve caused you trouble.” It’s really embarrassing, he is obviously the real Yue Feng, but because he has no strength, he can’t show his identity in public, so he can only use this kind of small means to unmask the counterfeiters.

“Master!”

At this moment, Su Hong also reacted, and said to Su Yanlin, “Don’t listen to him, this person may also be a liar.”

Although Liu Xudong’s identity as an impostor was revealed, she did not believe that Yue Feng was real. You know, in her heart, Yue Feng, who is famous in Jiuzhou, but with a handsome and cold image, how could he be so sloppy?

“Shut up!” Su Yanlin shouted angrily, then walked over quickly and slapped Su Hong’s face.

From a close-up observation just now, he was convinced that the man in front of him was the real Yue Feng, but Su Hong was still obsessed, which was really annoying.

Snapped!

The slap was very heavy, and Su Hongjiao’s body trembled, her face swollen high.

“Master!” Su Hong covered her face, unable to express her grievance: “Why did you hit me, I’m not wrong...”

Su Yanlin was so angry that he glared at him and shouted, “You still talk nonsense?”

At this moment, Chen Rou came out and said seriously to Su Hong: “Senior sister, he is really Yue Feng. I saw him concoct alchemy with my own eyes before, and he is superb, so he can’t be wrong.”

What?

At this moment, Su Hong’s heart trembled, she was completely stunned, and her mind was blank.

“Sect Master Yue.” At this time, Su Yanlin clenched his fists at Yue Feng, and said very ashamedly: “Chen Rou has already told me about the situation, I am really ashamed of what happened today, you are here, but I didn’t recognize it. When I came out, I believed in a fake with a mask.”

Yue Feng smiled: “It’s not your fault, I don’t even recognize the way I am now, hehe.”

Su Yanlin wiped the cold sweat from his forehead and accompanied him. After laughing a few times, he pointed at Su Hong and said, "My disciple, I collided with Sect Master Yue several times. You can deal with it."

When he said this, Su Yanlin felt very uneasy.

Today, Huashan is really embarrassed. The fake Yue Feng didn't recognize it, and he almost hurt the real one. Now he can only try his best to save it.

Yue Feng smiled and didn't speak, just looked at Su Hong quietly.

hum!

At this moment, Su Hong's delicate face instantly lost its blood, and her delicate body was trembling.

It's over.... It's okay to please the counterfeiter, and I almost killed the real Yue Feng.

"Sect Master Yue!"

After a few seconds, Su Hong bit her lip tightly, walked to Yue Feng, bowed her head and said, "Before, I was blind and offended Your Excellency, I... I was wrong."

When she said these words, Su Hong's voice is very small, and if you don't listen carefully, you can't hear it at all.

At this time, Su Hong never thought that this sloppy man who looked like a beggar in front of him was really the famous Yue Feng in Kyushu.

Yue Feng's face did not fluctuate at all, and he looked at her quietly: "I seemed to hear you just now, kill me, and then throw it into the back mountain to feed the wolves!"

## **The ultimate husband in Chinese chapter 5556-5560**

Chapter 5556

"I..."

Seeing Yue Feng's expression, Su Hong panicked completely, knelt on the ground and kept begging for mercy, her lips were about to bleed: "I was wrong, I really know I was wrong, I beg Sect Master Yue to give me a chance."

At this time, Su Hong didn't care about dignity, she knew very well that if Yue Feng didn't forgive herself, she would be expelled from Huashan.

Yue Feng looked at her with a complicated expression.

At this moment, Chen Rou on the side couldn't stand it any longer. She stepped forward and couldn't help but said, "Sect Master Yue, please forgive Senior Sister. After all, she didn't know your true identity before."

Hmm!

Seeing Chen Rou speak, Yue Feng nodded slowly: "Okay, I won't care about you this time."

"Thank you, Sect Master Yue." Su Hong smiled happily and quickly got up to thank you.

At this moment, Su Yanlin frowned and said to Su Hong, "Sect Master Yue has a lot of people, so I don't care about you. You are lucky. I hope you can learn a lesson from this incident."

"Yes, Master." Su Hong bowed his head and responded. .

Su Yanlin looked at Liu Xudong, who was still in a coma on the ground, and said coldly, "Take him to the dungeon." His tone was cold, with a faint hint of anger.

Ma De, it was this person who pretended to be Yue Feng, and almost caused a big misunderstanding. We must give him some color to see.

Hearing the order, the surrounding disciples responded in unison, and then dragged Liu Xudong out.

At this time, Su Yanlin waved his hand, motioning for Su Hong and the other disciples to leave.

After Su Hong and the other disciples left, Su Yanlin was ashamed and bowed deeply to Yue Feng: "Sect Master Yue, it's my poor discipline that made you feel wronged..."

This chapter is provided by . Visit for daily update.

Yue Feng waved his hand and said with a smile, "It's not your fault."

Su Yanlin complimented: "I'll have someone prepare a room for Sect Master Yue, so I'll have a good rest here tonight."

After speaking, Su Yanlin wanted to Then he stopped: "Sect Master Yue, I will prepare the wine and food later, I hope Sect Master Yue can enjoy a few drinks." Such a big misunderstanding, just a few apologies will definitely not work.

call!

Seeing the anticipation on his face, Yue Feng breathed a sigh of relief, smiled and nodded: "Okay." A

few minutes later, Su Yanlin's hall prepared wine and food, and invited Yue Feng to drink it

...

At this moment, the top of the mountain behind the main altar of Huashan is on the top.

On the top of the top, there is an ancient altar. According to legend, it existed before the Huashan School was established. It was the place where the ancients sacrificed to heaven and earth. Later, the Huashan School was established, and it was painted as a forbidden place.

In addition, the heads of Huashan Mountain in all dynasties will regularly worship the heaven and earth here every year, so this place is sacred and solemn to Huashan Mountain. For hundreds of years, the Huashan faction has always sent its disciples to guard it and is heavily guarded.

It was already late at night, the disciples guarding around were drowsy, and the entire altar was shrouded in darkness.

Whoosh...

But at this moment, a figure in the distance flew quickly and quietly landed on the altar.

Through the weak light, I could see that this person was tall, but there were many wounds on his body, and he looked very weak, but those eyes showed a suffocating light.

It was Gone who escaped from the Xia Yinzong.

A few hours ago, at the cost of Moyan's life and demon soul, Gonie deployed a blood sacrifice formation. After colliding with Zhou Tianxingdou's formation, a terrifying force erupted, shocking the audience.

After that, Gone escaped while taking advantage of the chaos, and planned to find a place to restore his strength. However, along the way, he never found a place that satisfied him, and when he just passed Huashan, Gone clearly sensed that the gathering around the summit The spiritual energy of heaven and earth is very full, which is very suitable for him to restore the power of the demon soul. He landed without thinking at the time.

After Gone thought about it, he would absorb the spiritual energy of heaven and earth here, and when he fully recovered his strength, he would find a way to get rid of the God

King Haotian first. After all, in the situation in the Xia Yin Sect at that time, if it wasn't for the sudden arrival of the God King Haotian, he would not have been forced into a desperate situation.

What movement?

The moment Gone fell on the altar, the Huashan disciples who were guarding around and dozing off all woke up.

The next second, when they saw Gone quietly standing in the center of the altar, all the disciples were shocked and scolded.

Chapter 5557

"Who? Dare to trespass into the forbidden area of Mount Hua?"

"You're not too timid..."

"Huh? This person seems to be injured."

While the disciples were shouting angrily, they all saw the situation of Gone. Is a glimpse.

Seeing the person in front of him, his body was covered in blood. Obviously, he had experienced a tragic fight before, but his aura was strong, especially those eyes, which were flickering cold, giving people a feeling of breathlessness.

call! In the face of the anger, Gone's icy face showed no mood swings

, and he said word by word, "From now on, this place belongs to me. If you don't want to die, get out of here."

Where is this place and what sect belongs to, he only knows that the mountains here are high and steep, and the surrounding heaven and earth are full of spiritual energy, which is suitable for his own cultivation and recovery.

Mad...

When the words fell, more than a dozen Huashan disciples present were all shocked and angry.

This man was so mad that he wanted to take the forbidden area of Mount Hua as his own.

Crazy, or mentally ill?

Speaking of which, Huashan is not a first-class sect in the entire Kyushu rivers and lakes, but in any case, it has been passed down for thousands of years. When has it been provoked so much?

At this moment, in shock, an elite disciple quickly reacted, glared at Gone and shouted: "Where is the lunatic, I think you are tired of living, do you know where this place is?"

"Looking at your appearance, you were just chased and killed, right? Haha, a bereaved dog, dare to come to our Huashan to make trouble? I really don't know how high the sky is." After the

last word fell, the elite disciple did not hesitate, pulled out his long knife, and directly He slashed towards Gone.

"An ant-like thing, courting death."

Seeing the elite disciple rushing up, Gone coldly spit out a few words, then suddenly raised his hand, and a blood-colored light burst out, heading straight to the elite disciple's heart.

Although Gone is very weak, but after all, he is the Supreme Being of the Demon Race, and it is more than enough to deal with the few Huashan disciples in front of him.

Pfft...

The red light, like thunder and lightning, pierced his heart without waiting for the elite disciple to react.

In an instant, the elite disciple trembled suddenly, blood spurted out, and before he could scream, he fell to the ground and died.

What?

Seeing this scene, the other Huashan disciples present couldn't help but gasped.

This...how is this person sacred, and his strength is so terrifying.

"Dare to commit murder in Mount Hua..."

"Let's go together."

Under the shock, many disciples reacted, roaring and pulling out their long knives, rushing towards Gone. However, there are also a few, who quickly ran out of the altar and moved to the direction of the main hall to rescue soldiers.

"Since you are courting death, the deity will fulfill you."

At this time, Gone coldly spit out two words, then raised his hand and waved, a dark red demon soul flame condensed and floated towards the Huashan disciples.

Om...

The flame of the Demon Soul rose against the wind. At first, it was just a fist-sized fireball, but in the blink of an eye, the diameter increased to a few meters. Those disciples instinctively wanted to turn around and run away, but it was too late.

In the next second, the flame of the Demon Soul exploded, and the flames directly enveloped more than a dozen disciples, and a shrill scream was heard. None of these Huashan disciples were spared and all were burned to ashes.

After killing these Huashan disciples, Gone's expression did not fluctuate at all, he sat directly on the altar, and began to absorb the aura of heaven and earth around him.

In his eyes, a small Huashan faction is nothing to worry about.

...

on the other side, in the Huashan Hall.

Yue Feng and Su Yanlin sat at the sumptuous wine table, drinking fine wine while chatting and laughing.

Beside her, Chen Rou stood there pretty, waiting to pour the wine.

"Master!"

At this moment, a disciple rushed in in a panic, his face full of fear: "It's not good, Master..." When he got to the front, he almost fell to the ground.

Su Yanlin frowned, and scolded angrily: "Is there any rules, don't you know I'm talking to Sect Master Yue?" After speaking

, Su Yanlin held his anger: "Why are you so panic?"

"Master." The disciple wiped He wiped away the cold sweat on his forehead and said nervously, "A person broke into the altar. This person is very rampant. Not only does he want to occupy the altar, but he also kills many senior brothers."

Chapter 5558

What?

Hearing this, Su Yanlin changed color suddenly, stood up suddenly, his eyes were cold: "Who, ate the gall of a bear heart and a leopard, and came to Huashan to make trouble."

Yue Feng was also stunned, and then said solemnly: "Yes. Don't you belong with the person who pretended to be me before?" After

speaking, Yue Feng put down his wine glass: "Let's go, let's go and have a look." After he finished speaking, he quickly walked out of the hall.

Su Yanlin's face was gloomy and he quickly followed.

Soon, we arrived at the altar of the extreme.

I go!

Seeing the scene in front of him from a distance, Yue Feng's face changed, and he was shocked.

I saw that around the altar, there were several corpses of Huashan disciples lying on the ground. The blood almost dyed the altar red, which was very tragic. In the center of the altar, a man sat quietly.

The man's body was filled with a terrifying and evil aura. He sat cross-legged, his eyes were slightly closed, and his expression was indifferent, as if the bloody scene around him had nothing to do with him.

It was Gogne.

For a time, Yue Feng only felt his brain buzzing, immersed in astonishment, unable to recover for a long time.

Nima, why is the Demon Supreme Gone? He... Didn't he perish with the Nine Heavens God? He didn't die, and he was still on the mainland of Kyushu?

Mad!

At the same time, Su Yanlin was also furious. He had never met Gone and didn't know the identity of the other party, but seeing so many disciples die tragically, this person, sitting here so arrogantly, is simply a humiliation to the entire Huashan faction. .

" Who are you

Hearing the question, Gone slowly opened his eyes and looked at Su Yanlin with an expression of incomparable contempt.

It was late at night, and the light was dim, so Gogne had yet to find Yue Feng standing behind Su Yanlin.

Huh ....

at this moment, being so ignored by Gone, Su Yanlin seemed to have been greatly humiliated, and his face became extremely cold.

Wow..

At this time, several elders learned about the situation and rushed over quickly.

When they got to the front, seeing the situation in front of them, several elders were all shocked and angry, then the elder Ye Changgeng took a step forward, pulled out his long sword, pointed at Gone and shouted: "Where is the arrogant person, dare to Kill my Huashan disciples and lead them to death quickly."

"Get rid of all of them."

At this time, Gone, who had just started to absorb the spiritual energy of heaven and earth, was suddenly interrupted by so many people. Word by word: "Otherwise, all die."

Mad!

Hearing this, whether it was Su Yanlin or the others present, the anger in his heart was completely aroused. What a arrogant guy, do you think he is invincible in the world?

In the next second, Ye Changgeng couldn't bear it anymore. He clasped his long sword and roared, "Be ashamed of your words, go to hell!"

Om!

The last word fell, Ye Changgeng's inner strength exploded, his figure rose into the air, and the long sword drew a dazzling light, stabbing straight at Gone's heart.

I saw that the night sky seemed to be split in half, and the power was amazing.

Oops!

Seeing this situation, Yue Feng's face changed, and he wanted to stop it. You must know that the other party is the Supreme Being of the Demon Race. Although he was injured, it was not something that an elder from Huashan could deal with.

At this time, Yue Feng's strength did not recover at this time, and he was deliberately blocking it, but it was too late.

“Ignorant ants.”

Seeing Ye Changgeng burst out, Gone’s mouth raised a trace of contempt, and he spat out a few words coldly.

The next second, Gone was still sitting there cross-legged, without any intention of standing up, but raised his hand and waved lightly, the power of the demon soul surged, and he saw a blood-red protective film condensed and formed in front of him. .

boom!

The protective film had just condensed, and Ye Changgeng was already in front of him. In an instant, a long sword stabbed the protective film, not only did not smash it, on the contrary, a terrifying force sent Ye Changgeng flying out, flying more than ten meters away. , on the stone steps that fell heavily behind.

“Pfft...” Ye Changgeng spat out a mouthful of blood, staring at Gone in awe.

He clearly felt that his ribs were completely broken, and his heart was also severely damaged.

Chapter 5559

What?

Seeing this scene, everyone in the audience except Yue Feng was shocked.

Especially Su Yanlin, his eyes fixed on Gone, as if he saw a monster.

Who is this person? This power is too terrifying.

He is very aware of the strength of the Great Elder Ye Changgeng, which is close to the strength of the Tribulation Realm. Looking at the entire river and lake, he can be regarded as a top-notch expert, but in front of this person, he can’t stop a single move.

And Chen Rou, who was standing behind, was even more delicate and trembling, her legs were so weak that she could barely stand still.

Swish!

At this moment, Su Yanlin reacted with a gloomy expression on his face. He pointed at Gone and roared: “Huashan will obey orders and kill him for me.”

No matter who the other party is, who dares to come to Huashan to make trouble and occupy the altar, he must not Let him leave alive.

Swish swish...

Hearing Su Yanlin's order, the more than one hundred elite disciples surrounding them erupted and charged towards Gone.

Although the disciples of the Huashan School were not as powerful as the first-class sects like Tianmen, the more than one hundred disciples burst out in unison, and the power they gathered distorted the sky, and the momentum was astonishing.

"Haha."

Faced with this situation, Gone didn't panic at all, and the corner of his mouth raised a hint of coldness: "Let's die together? Then the deity is as you wish."

Shuh!

The last word fell, Gone stood up, raised his right hand, grabbed a long knife not far from the air, the power of the devil's soul exploded, and in an instant, a smear of blood-colored light ripped apart the world, towards the more than one hundred Huashan Mountains. The disciples swept away.

"All dead." Gone scolded coldly.

Feeling the terrifying power of the blood-colored light, these Huashan disciples subconsciously wanted to hide, but it was too late.

"Ah..." In the

next second, a scream came, and more than a hundred elite disciples fell from the air and fell into a pool of blood.

What?

At this moment, Su Yanlin's heart trembled, completely stunned there, full of fear.

Is that human being?

However, under the fear, Su Yanlin's eyes were extremely blood red, so many disciples died, how could he have the face to be the head of Huashan without revenge?

Thinking to himself, Su Yanlin pulled out his long sword and looked at Gone coldly: "Sure enough, I have some skills, I'll come to experience it." As he spoke, he was about to rush up.

At this time, Yue Feng quickly grabbed him from behind and whispered: "Don't be impulsive, the head of Su, the identity of the other party is no trivial matter, even if you use all your strength in Huashan, you will not be an opponent."

What?

Su Yanlin's heart was shocked, and his brain was buzzing.

Even with all the strength of Huashan, is it not the opponent's opponent?

At this moment, Yue Feng took a deep breath and said word by word: "I'm not alarmist, he is the supreme god of the Demon Race, Gone, an existence that has made God's Domain jealous for nearly 10,000 years

.

" After these words, Su Yanlin's face was extremely pale, and at the same time, he staggered back a dozen steps, and his eyes were full of horror.

The other party... the other party is the Supreme Demon?

If you say that, is Huashan doomed tonight?

Seeing his terrified face, Yue Feng showed a smile and comforted: "Sect Leader Su, don't panic, wait for you all to act according to my eyes, maybe Huashan can escape

the disaster." At this time, Su Yanlin was already confused. After a short distance, seeing Yue Feng say this, he nodded: "Okay, everything listens to Sect Master Yue..."

Om!

Just as he was talking, he saw Gone floating above the altar, at this moment a terrifying demonic soul burst out from his body, his eyes fixed on Su Yanlin: "Huashan faction, right? Tonight, this deity will let you completely destroy the family. "

Su Yanlin kept insisting that he should be taught, but he was reluctant to take action, which made Gogne impatient.

The last word fell, and Gone's figure burst out, like a flash of lightning, only wanting Su Yanlin to come.

Gudong!

Feeling Gone's terrifying aura, Su Yanlin's face was extremely pale, and he secretly swallowed his saliva, his heart was full of fear. Hatred and fighting intent disappeared cleanly, replaced by endless fear.

## Chapter 5560

After all, this is an existence that even God's Domain can't do anything about. How could a small Huashan faction be an opponent?

"Tsk tsk..." Seeing

that Gone was approaching Su Yanlin, at this moment, a bohemian laughter came: "As expected of the Supreme Being of the Demon Race, this imposing manner is really majestic, really domineering."

Feng slowly walked out from behind and blocked Su Yanlin in front of him.

Swish!

At this moment, when he saw Yue Feng, Gone's expression froze, his pupils shrank suddenly, and his figure suddenly stopped in mid-air.

Yue Feng.... This kid is actually here too.

When the enemy met, he was extremely jealous.

At this time, Gone's gaze was like a poisonous snake, tightly locking Yue Feng, and his body was also filled with terrifying killing intent.

If it wasn't for this Yue Feng, the Demon Race would not have been defeated, and the Nine Heavens God would not have found an opportunity to perish with him.

It wasn't him, his capable subordinate Mo Yan would not be sullied, nor would he damage the child, but it was because of having a child that Mo Yan shook his position and betrayed himself in the fierce battle of Xia Yinzong. ....

Thinking of this, Gone's anger rose, and the surrounding air was distorted.

"Yue Feng!" In the

next second, Gone said sternly: "I can't find you when I am worried, but I didn't expect to meet you here. Today, you will be crushed to ashes, and the hatred in my heart will be relieved. ." The

cold voice resounded throughout Huashan.

In an instant, both Su Yanlin and the Huashan disciples present felt chills in their hearts, chills down their spines, and at the same time they secretly sweated for Yue Feng.

However, Yue Feng had a smile on his face, and was not intimidated by Gone's aura.

“Ah...” Yue Feng sighed softly, looked at Gone and said: “Gone, Gone, why don’t you understand until now, the destruction of your Demon Race is the will of God, the general trend.”

“And you, since if you don’t completely perish, you should reform yourself, if you continue to be obsessed and fight against the whole world, you will not end well in the end.”

When he said this, Yue Feng looked leisurely.

In fact, Yue Feng was very nervous.

You must know that an hour ago, he only merged the power of a few spirit beasts’ inner core, but he did not regain his strength. Even if the Gone in front of him was injured, it was easy to kill Yue Feng.

But Yue Feng also knew in his heart that under such circumstances, he would not be able to be nervous, and instead he had to show a confident attitude.

“Shut up!”

Gone’s eyes flashed with resentment, and he roared: “Even if you have a three-inch tongue, don’t think I will spare you. Tonight, you and this Huashan faction will be destroyed together.”

Om!

The last word fell, and a violent and terrifying force erupted from Gone’s body. In an instant, the air above the altar was stagnant.

The powerful breath made everyone panic.

Especially Su Yanlin, his face was pale, and his heart was nervous and anxious.

Sect Master Yue is really crazy, knowing the identity of the other party, he deliberately angered him.

Feeling Su Yanlin’s panic, Yue Feng gave him a secret wink, indicating that he should not be nervous.

Afterwards, Yue Feng looked up at Gone with a smile on his lips: “I’m here today, I’m afraid it’s hard for you to get your wish.” The tone was firm and unquestionable.

Um?

Seeing Yue Feng’s serious face, Gone frowned, and then laughed loudly.

“Haha...”

After laughing a few times, Gone looked at Yue Feng contemptuously: “Yue Feng, you are really outrageous, you have no strength at all, and you are still trying to protect the Huashan faction? I see how you protect it.”

Said As soon as the figure flashed, it erupted directly towards Yue Feng. Phew

... Seeing this scene, Su Yanlin and the surrounding Huashan clan members raised their hearts to their throats. Looking at the eruption of Gone, a layer of cold sweat instantly broke out on Yue Feng’s forehead, but he still tried his best to pretend to be very calm, stood there, did not dodge, shouted to the surrounding Huashan people: ” Everyone in Huashan obeys the order, fifty people are in the front, fifty people behind, hurry up.” Hearing the shouting, whether it was Su Yanlin or the surrounding Huashan disciples, they were all confused and didn’t understand what Yue Feng was going to do. What, but the situation in front of me can’t bear to think too much, so they move.
