

The ultimate husband in Chinese chapter 5501-5510

Chapter 5501 At the end of the chapter

, Lei Xingyu looked fortunate and cautiously said: “Fortunately, Nagone did not fully recover his strength. The four subordinate brothers fought together and finally subdued him, and he is now imprisoned in the dungeon of Qin Tianjian. What to do next, please make a clear decision, Your Majesty.”

Wow...

the last sentence fell, the entire Yutian Palace was in an uproar, whether it was Ao Lin or the surrounding priests, they were all shocked.

The Demon Supreme Gone is not dead?

Moreover, he was also subdued by the four brothers Lei Xingyu.... It's incredible.

“Okay...”

Finally, Ao Lin came to his senses, a smile appeared on his gloomy face, and nodded in approval: “Lei Xingyu, you four brothers are doing well in this matter. From now on, I canonized you as the Heavenly Imperial Sage General.”

Although it was surprising that Gone didn't die, being caught by the four Lei Xingyu brothers was also a pleasant surprise.

“Thank you, Your Majesty.”

Lei Xingyu was very excited when he received the canonization, and quickly knelt down to thank him. I can't tell the excitement in my heart. Haha, this time I was canonized as a saint, and my status in the realm of the gods has improved a lot. No one will dare to underestimate the four brothers in the future.

Excited, Lei Xingyu wanted to return to Kyushu immediately and tell the other three brothers the good news.

At this time, Lei Xingyu didn't know that Gone had escaped from the dungeon and killed three of his brothers, and at this time, the Xia Yinzong was on a rampage.

“Haotian...”

At this time, Ao Lin pondered for a while, and instructed the Haotian God King: “Wait for you to lead the five thousand elites and return to Kyushu with Lei Xingyu, be sure to completely kill Gone.

” Also, after killing Gone, you are continuing to search for the whereabouts of the emperor, understand?”

This chapter is provided by . Visit for daily update.

It’s not loud, but it’s unmistakable.

Phew...

After receiving the order, the God King Haotian took a deep breath, nodded respectfully and said, “I obey the order.” To be honest, it was his duty to completely destroy Gone, but he could find Yue Feng, but he was very conflicted in his heart.

However, the emperor’s life cannot be violated, and he can only bite the bullet and agree.

Ten minutes later, Haotian God King led five thousand elite soldiers, accompanied Lei Xingyu, and rushed to the Kyushu Continent through the teleportation array.

Soon, the Haotian Divine King arrived above the Qintianjian, but they were all stunned when they saw the scene in front of them.

what’s the situation?

I saw that what was originally a majestic Diligent Temple has turned into a ruin, with ruins everywhere, and the ground is covered with corpses.

Most of these corpses are human cultivators, that is, members of the Sea Dragon Palace. There are very few divine soldiers and generals in Qin Tianjian.

“Lei Xingyu!”

Seeing this scene, the God King Haotian frowned and asked Lei Xingyu, “Didn’t you say to catch Gone? What’s going on in front of you? What about my subordinates?”

“I...”

At this time, Lei Xingyu was also confused, his head was buzzing, and when he heard the question from the God King Haotian, his heart was even more confused: “I don’t know... “

How could this be, what happened after you left?

Hearing this answer, the God King Haotian frowned and had a bad premonition, so he ordered the surrounding subordinates: “Check the surroundings and see what you find.”

“By the way, there are also dungeons . Let’s take a look.”

Upon hearing the order, the surrounding divine soldiers responded one after another, then quickly dispersed and patrolled around.

Soon, the divine soldier who inspected the dungeon quickly came over to report: “His Royal Highness, we just looked at the dungeon, and there was no one in it.

“

It’s over...

At this moment, Lei Xingyu’s heart trembled and he almost sat on the ground.

It’s over.. Gone escaped, and now it’s in big trouble.

“His Royal Highness, there is a situation here.”

At this moment, the magic soldier who was checking the square not far away suddenly shouted.

For a time, Haotian God King and Lei Xingyu did not hesitate, they rushed over quickly, seeing the scene on the square, Haotian God King buzzed his head and was completely stunned.

Pfft ...

And Lei Xingyu suddenly fell to the ground, his face full of grief and anger.

I saw that there were three sets of golden armors standing in the center of the square. Inside the golden armors were three withered remains. Although they could no longer be seen, judging from the specifications of the golden armors, they were exactly the three of Lei Xingyu. brother.

Chapter 5502 Huh

...

The surrounding magic soldiers surrounded them, and they were all shocked to see the three remains.

“What’s the situation?”

“What happened?” The

chatter kept coming, and the Haotian God King gradually recovered his calm, stared at the remains of the three golden armors, and said solemnly: "Their primordial spirit All the energy has been sucked dry, that's why it became like this."

After speaking, the God King Haotian gave Lei Xingyu a complicated look, and continued: "Obviously, this is all Gone's handwriting, you four brothers. I caught him, but I couldn't hold him..."

Hearing this, Lei Xingyu was extremely sad and angry, and couldn't help crying: "Second brother, third brother, fourth brother... You died so miserably. I'm sorry, it's eldest brother, I came back late..."

"Goni, I'm at odds with you." With the

last sentence, Lei Xingyu almost roared, his fists clenched, his eyes blood red.

The four brothers have the same mind and share life and death. No matter what happens, they will face it together. At this time, seeing the three brothers die so tragically, how can they accept it?

Hu...

Seeing Lei Xingyu's grief, the God King Haotian took a deep breath and felt very uncomfortable. He came over and patted his shoulder and said, "Sorry." After

a pause, the God King Haotian continued: " Looking at it like this, Gone is looking for an opportunity to escape from the dungeon. After Qin Tianjian's killing, he escaped again. He has integrated the divine power of your three younger brothers, and his strength will definitely improve a lot, so we can't take it lightly and must find it as soon as possible. Gone's whereabouts."

"Don't worry, this king must have avenged the revenge of your three brothers."

After saying the last word, the God King Haotian looked around at the world in front of him, and there was a hint of worry between his brows.

If Gone cannot be found as soon as possible, the world will be in chaos again.

"This subordinate understands..."

Hearing the consolation, Lei Xingyu endured the grief and nodded solemnly: "Thank you, His Royal Highness." The

Haotian God King comforted a few more words, and then ordered the surrounding magic soldiers. : "Everyone is now divided into small groups, you can investigate Gone's whereabouts, and report back as soon as there is news .

“
Scatter around to check for news.

...

on the other hand, Xia Yinzong.

In mid-air, the fierce battle between Gogne and the Twelve Star Fighters continued.

It was seen that with the power of the powerful demon soul, Gogne had been trying to rush out of the magic circle, but the result was unsuccessful, and the twelve-star fighting messenger, although the formation of the magic circle trapped Gogne, was still unable to completely remove it. suppress.

For a time, the two sides fell into a deadlock.

At this time, in the forbidden area of the back mountain of Xia Yinzong.

Bang bang bang...

The fierce battle in the front hall kept coming. Hai Linger, who had been taking care of the child in the room, was worried.

At this time, seeing the child in her arms sleeping, Hai Linger quickly put it in the cradle, and then quickly walked out of the room, ready to go to the main hall to check the situation.

Whoosh...

As soon as she walked out of the room and reached the corridor outside, Hai Linger suddenly stopped and saw a graceful figure flying from the direction of the main hall, her beautiful face full of anxiety and complexity.

It was Mo Yan.

It was her...

Seeing Mo Yan, Hai Linger's delicate body was shocked, and a trace of fear appeared on her delicate face. Although they had never fought against each other, Hai Linger knew very well how terrible this woman was.

Swish!

At the same time, Mo Yan also saw Hai Linger, her eyes suddenly sharpened: "Hand over my child."

"I don't know where your child is." Hai Linger bit her lip and responded quickly. , then turned around and ran away. She knew in her heart that the child was Mo Yan's weakness. As long as the child was still in the hands of Xia Yinzong, she would not dare to act rashly. Once she was allowed to take the child back, the consequences would be unimaginable.

"Stop!"

Seeing Hai Linger running away, Mo Yan shouted, her figure moved, and she chased after him.

Seeing her catching up, Hai Linger felt even more flustered, but she was the princess of the sea shark clan.

In the forbidden area of Xia Yinzong's back mountain, there are many underground secret passages. These secret passages are intricate and intricate, like a huge underground labyrinth. As long as you lead this woman into the secret passage, you will have the opportunity to get rid of her.

Chapter 5503

Boom!

Thinking of this, Hai Ling'er turned around and rushed into a room.

As soon as he entered the room, he saw Mo Yan followed and rushed in.

"Still running?"

At this moment, Mo Yan stared at Hai Ling'er tightly, her red lips parted lightly, and her tone was extremely cold: "Hai Ling'er, I don't want to kill you, I just want to return my own child, don't force it. Me."

Hai Ling'er didn't answer, her eyes were fixed on Mo Yan's movements, and then she quickly twisted a mechanism on the wall.

Kazaza...

Suddenly, a sound of vibration came, and saw a crack in the wall behind him, and there was a secret passage leading to the depths. .

"Stop!"

Seeing this scene, Mo Yan was anxious and angry, and after she shouted, she rushed in.

However, there were too many forks in the secret road, and Mo Yan was not familiar with the terrain at all. In less than a minute, Hai Linger disappeared.

It's over, it's over.

At this moment, Mo Yan suddenly woke up and realized that she had been fooled by Hai Ling'er. She immediately turned around and planned to return the same way, but the moment she turned around, the situation in front of her completely stunned her.

Just see, the road behind you is complicated, where do you remember the road you came from?

No..

can't be trapped here, must go out.

Anxious, Mo Yan tried her best to calm herself, and then quickly walked through the secret passage, trying to find a way out.

.....

the other side.

Fifty miles southeast of Qintianjian, there is a bustling town called Qingshui Town.

Qingshui Town is not big, but because it is located in a transportation hub, it is very prosperous. There are many high-rise buildings in the town, and the streets are even more crowded.

Whoosh!

At this moment, in the woods outside the town, a ray of light streaked through the air, and then a dull sound was heard, and a charming figure fell from the air.

A long skirt, full of curves, delicate and moving facial features.

It was through the Chaos Teleportation Array that Liu Ruxue was teleported.

Pfft...

At the moment of landing, Liu Ruxue snorted softly, then stood up slowly and looked around at the surrounding environment.

"That's great." After confirming that there was no danger around, Liu Ruxue let out a sigh of relief and said to herself, "Fortunately, Yue Feng has activated that teleportation formation, otherwise, the revenge of senior brother will not be repaid. At

this time, in Liu Ruxue's heart, she thought that she was still in the Lagerstroemia Continent, but she was teleported to the outside of the secret realm, and she didn't realize that this was not the Lagerstroemia Continent, but the splendid civilization of Kyushu.

"Yue Feng!" In the

next second, Liu Ruxue thought of something, and shouted at the surroundings, but after shouting a few times, no one responded at all, let alone Yue Feng.

Obviously, the two were sent to different places by the teleportation array.

Is this a small town?

At this moment, when she saw Qingshui Town not far away, Liu Ruxue was stunned for a moment, then straightened her long skirt and walked towards Qingshui Town.

Liu Ruxue has thought about it, first find someone to ask where this is, and then find a way to go to Chunyang Palace.

In Liu Ruxue's subconscious, after Yue Feng left the secret realm, he would definitely return to Chunyang Palace to recuperate. To find him, he could only go to Chunyang Palace to meet.

Soon, on the street of Qingshui Town, Liu Ruxue was a little confused when she saw the scene of the busy traffic in front of her.

Why does this place look so unfamiliar? I have been walking around the rivers and lakes for many years, how come I never knew there was a place called Qingshui Town?

However, Liu Ruxue didn't think much about it, saw a noodle shop not far away, and went straight in.

Huh...

It was noon at this time, and there were many customers in the noodle restaurant. As soon as Liu Ruxue came in, it immediately attracted the attention of many people.

"I'm going, what a beautiful woman."

"It's like a fairy descending to earth..."

"When did such a punctual woman appear in the rivers and lakes?"

For a time, many men's eyes were straight, and they couldn't help but lower themselves. Discuss loudly.

Before it was changed, Liu Ruxue couldn't help but get angry when people talked like this, but at this time, she was anxious to go to Chunyang Palace and Yue Feng's round, so she didn't bother to care so much.

"The shop clerk."

Under the attention of everyone around, Liu Ruxue found an empty seat and sat down, and said to the shop clerk, "Bring me a bowl of plain noodles."

Chapter 5504

"Okay." The shop assistant answered cheerfully, and was about to prepare, but was stopped by Liu Ruxue again.

Liu Ruxue glanced at the street outside and asked, "Shop guy, where is this place? How far is it from Chunyang Palace?"

Chunyang Palace?

Hearing the question, the shop assistant was stunned for a moment, and then replied with a smile: "This fairy, our place is called Qingshui Town. I never passed the Chunyang Palace you mentioned."

Never heard of it?

At this moment, Liu Ruxue frowned, and she was very puzzled: "Chunyang Palace, one of the three major sects of Jianghu, have you never heard of it?" The people in this place are too ignorant, right?

"The three major sects?" The shop clerk seemed to hear a joke, shook his head and explained: "Don't be joking, the sects of our Earth Circle Continent have always been Tianmen for 20 years."

"However, some time ago, the main altar of Tianmen was Destroyed, the strength is greatly reduced, it should not be the first..."

After speaking, the shop clerk shook his head and turned to go to the back kitchen.

This... for

a while, Liu Ruxue was stunned there, his mind buzzing...

What kind of heaven, is there such a sect on the rivers and lakes?

The conversation between Liu Ruxue and the shop assistant was not loud, but the people around could hear it clearly, especially the people at the next table, who were even more interested in her.

“This woman is interesting, what about Chunyang Palace, and the three major sects... Haha!”

“Why do I think she has a problem with her brain? It’s a pity, she is so beautiful, but her brain is not good...”

“Isn’t this good? Our brothers have nothing to do today, and we’ll have a good time with this pretty girl who doesn’t have a good mind... Haha!”

Several people laughed, unable to hide the wickedness in their eyes.

The leader of these people is called Yan Hu. He used to be a disciple of the Beggar Gang. Later, he was expelled from the Beggar Gang because he insulted the woman. After that, he wandered around the world, met a few friends, and did some tricks on the rivers and lakes.

Today, Yan Hu and a few passed through Qingshui Town and just had a meal here. At this time, seeing Liu Ruxue so beautiful, they all had evil thoughts in their hearts.

In the hearts of Yan Hu and a few people, the beautiful woman in front of her speaks confusingly, and there must be something wrong with her brain. If there is a problem with the brain, it is easy to deal with, so naturally, such a good opportunity will not be missed.

However, there were a lot of customers in the noodle restaurant, so Yan Hu and the others didn’t dare to tease them openly, so they just sat there, drinking and watching Liu Ruxue secretly.

And Liu Ruxue had been thinking about her thoughts, but she didn’t pay attention at all, she was already being watched.

“The plain noodles are here.”

Soon, the shop assistant brought a bowl of noodles over. After Liu Ruxue said thank you, she ate it reservedly.

After eating the noodles, Liu Ruxue took out a few silver coins from Ziwei Continent from her body and put them on the table: “The shop assistant settles the bill...”

Alright.

The shop clerk responded, but when he came over and looked at it, he frowned immediately: "This fairy, are you right? Is this money?" Although these silver coins look beautiful, they are not in circulation in the market. currency.

"Why isn't this money?" Liu Ruxue frowned and said impatiently.

This shop is really interesting. If you don't know Chunyang Palace, even if you don't know it, you still suspect that your silver coins are fake.

Well...

Seeing Liu Ruxue's displeased face, the shop assistant smiled awkwardly, and then said seriously: "These few silver coins of yours should look like antiques, and they are worth a little money, but we are not an antiques store, nor a pawnshop. "

Don't make things difficult for me when it comes to buying and selling small books."

Liu Ruxue was too lazy to talk nonsense, and said lightly, "I only have this amount of money. Do you want me to go with you?" Then she turned around and left.

Ugh!

The shop assistant was in a hurry and grabbed her arm quickly: "No, you can't leave without giving money. I can't see that you are so beautiful, why are you unreasonable? You don't know the silver coins of that dynasty, Can it be used as food money?"

Huh...

At this moment, when I heard the movement, the surrounding guests all looked over with complicated expressions.

Liu Ruxue was so angry that she shouted: "You let go, if you don't let go, I'm welcome." Under the anger, Liu Ruxue wanted to use her strength to shake him away, but she saw many people around her looking over and saying again. hold back.

Chapter 5505

"What are you doing?"

At this moment, Yan Hu, who was sitting at the side table, stood up one after another, scolding the shop assistant with a look of slap in the face.

"You brat, why are you doing anything?"

"It's not like they don't give you money, those beautiful silver coins are worth more than a bowl of plain noodles. Don't know what's wrong."

“Yes, let go of your hands. “

When they said this, Yan Hu and the others were all just with a face of justice.

Seeing that they were all from the rivers and lakes, the shop clerk knew that it was not easy to mess with them, so he let go of them embarrassedly.

Huh....

At this moment, Liu Ruxue breathed a sigh of relief and smiled reservedly at Yan Hu: “Thank you a few.”

Yan Hu said with a smile: “You’re welcome, girl, everyone is from the rivers and lakes, help me say A word is nothing.” While speaking, Yan Hu looked at Liu Ruxue intentionally or unintentionally, and An An swallowed.

This look, this figure, is simply superb.

Liu Ruxue didn’t pay attention to Yan Hu’s gaze, thanked him again, and turned around and walked out of the noodle shop.

Yan Hu glanced at each other, and without hesitation, he quickly followed.

On the street outside, Liu Ruxue asked passersby from time to time how to get to Chunyang Palace, but none of them could answer, which made Liu Ruxue even more puzzled.

Yan Hu and the others followed unhurriedly. Hearing that Liu Ruxue had been inquiring about Chunyang Palace, he was more certain that there was something wrong with the woman’s mind.

A normal person, who would ask about a non-existent sect on the street?

However, there were so many people on the street that Yan Hu was inconvenient to do it, so he kept waiting for this opportunity.

“Girl!”

Finally, in a place with few people, Yan Hu knew that the opportunity was coming, he walked up quickly, and said politely to Liu Ruxue: “I think the girl has been asking Chunyang Palace, right?”

Saying this When he spoke, Yan Hu had a polite face, but treacherousness flashed in his eyes.

Liu Ruxue nodded and couldn't hide her excitement: "Do you know the direction of Chunyang Palace?" Great, I asked so many people just now, all of them were in vain, and now I finally meet someone who knows Chunyang Palace .

"Of course I do."

Yan Hu smiled and patted his heart: "A friend of mine is a disciple of Chunyang Palace. If you want to go, I can lead the way."

"That's great!" Liu Ruxue was very happy. Qian Qian smiled and said, "Then I'll trouble you."

"You're welcome, girl."

Yan Hu smiled, turned back and winked at a few companions, and then walked out of town with Liu Ruxue.

Along the way, Liu Ruxue kept asking about the situation on the Lagerstroemia Continent. Where did Yan Hu and a few of them have been to the Lagerstroemia Continent? As long as this woman has a mental problem, she just rambling to avoid the problem. This made Liu Ruxue quickly realize that something was wrong.

No...

After being teleported here, the people I met didn't know the Chunyang Palace, and the few people in front of them said they knew the Chunyang Palace, but they didn't answer clearly about the situation on the rivers and lakes. ...

Isn't this the Lagerstroemia Continent?

Just thinking about it, Liu Ruxue was stunned when she saw the environment in front of her.

I saw Yan Hu and a few of them and took her to a dilapidated monastery on a barren hill. The gate of the monastery was half rotten and overgrown with weeds. At first glance, the incense had been broken for a long time.

"You..." The

next second, Liu Ruxue reacted and asked Yan Hu, "What are you doing with me in a place like this?"

She was not stupid, she already knew that she had been deceived.

"Hehe..."

At this time, Yan Hu was no longer pretending, and smiled evilly with his original face:
“The Chunyang Palace you said doesn’t exist at all, how can I take you there?”

” We met, and we are considered to be destined. I think you don’t look for any Chunyang Palace. It’s better to be my woman. Don’t worry, I will definitely not treat you badly. Hehe...” The

last word fell, Yan Yan Hu couldn’t hold back any longer and rushed towards Liu Ruxue.

At the same time, several companions also guarded around to prevent Liu Ruxue from escaping.

“Looking for death!”

Seeing Yan Hu rushing towards him, full of dirty words, Liu Ruxue’s pretty face froze, but without any hesitation, she raised her jade hand and slapped it fiercely.

The ultimate husband in Chinese chapter 5506-5510

Chapter 5506

Slap!

This slap was as fast as lightning, and Yan Hu didn’t have time to react. He heard a crisp sound, and Yan Hu flew out.

“Pfft!” At the moment of falling to the ground, Yan Hu spurted out a mouthful of blood, one of his front teeth was knocked out, and his brain was buzzing, unable to tell the difference between east, west, north and south, and he looked extremely embarrassed.

Hiss....

Seeing this scene, the surrounding companions were all taken aback, and looking at Liu Ruxue’s eyes, it also became complicated.

“This woman is ruthless enough...”

“I can’t tell, she still has some strength.”

“Dare to beat our brother Hu, courting death.”

Frightened, several companions quickly surrounded Liu Ruxue, planning to subdue Liu Ruxue. In their eyes, Liu Ruxue doesn’t seem weak, but she has mental problems, so it shouldn’t be difficult to deal with.

However they were wrong.

“You gang of young people, get out of the way.”

Seeing a few people surrounded, Liu Ruxue’s beautiful face showed deep disgust. At that time, she gave a coquettish shout, and her figure rose up to meet her.

Bang Bang Bang...

In a few breaths, several people were knocked down by Liu Ruxue, lying on the ground and passing out. Speaking of which, Liu Ruxue was wounded by divine power and has not recovered yet, but it is more than enough to deal with Yan Hu and the others.

This...

At this time, Yan Hu stood up with his face covered, and was about to take action, but when he saw the scene in front of him, he was stunned, and looking at Liu Ruxue’s eyes, he was full of astonishment.

This woman looks weak, but her strength is so strong?

Just when Yan Hu was shocked, Liu Ruxue picked up a long sword dropped by his companion and walked over slowly.

Clang!

In the next second, Liu Ruxue drew out his long sword, the tip of the sword rested on Yan Hu’s neck, his red lips parted lightly, and he spit out a few words coldly: “Now I ask a question, you answer it, if you are doing tricks, then immediately. Pierce your throat.”

His voice was as cold as frost, suffocatingly cold.

“Yes, yes...” Yan Hu Xiaoji nodded as if pecking at rice, and repeatedly agreed, his forehead was covered in cold sweat. He could see that Liu Ruxue was not joking, and would really do this.

Liu Ruxue was too lazy to talk nonsense, and asked bluntly: “What on earth is this place?”

“Qing... Qingshui Town...” Yan Hu swallowed and responded cautiously.

“Nonsense.”

As soon as the words fell, Liu Ruxue scolded and said coldly: “I know this is Qingshui Town, I am asking you, where does Qingshui Town belong?”

Gudong!

Feeling the killing intent on her body, Yan Hu secretly swallowed his saliva, and hurriedly said, "It belongs to Qingzhou." At this time, Yan Hu, who dared to play whatever he wanted, would answer whatever he asked.

Qingzhou?

Hearing this answer, Liu Ruxue was shocked, and vaguely guessed something.

On the Ziwei Continent, there is no place like Qingzhou at all.

It seems... I guessed well, I was no longer in the Ziwei Continent, but was teleported to another world.

Realizing this, Liu Ruxue's beautiful face became sharp, and she looked at Yan Hu coldly: "Do you know Chunyang Palace?"

Uh...

Feeling the change in Liu Ruxue's eyes, Yan Hu shuddered in his heart, and stammered, "I...I don't know." After speaking, he lowered his head and did not dare to look at Liu Ruxue.

Liu Ruxue snorted coldly and said word by word, "I don't know you, but you're going to lie to me. It's not a pity to die 10,000 times if I miss you, a scum like you." The

voice fell, and the long sword in her hand stabbed forward quickly, ready to Yan Hu was killed on the spot.

However, Yan Hu had been prepared for a long time. At that time, he flicked backwards, took out a packet of powder from his body, and sprinkled it towards Liu Ruxue.

Yan Hu has been walking around the world for many years, and he is also a veteran. He knows that Liu Ruxue will not forgive him easily, so he simply fights. This pack of powder has a hallucinogenic effect, and it is worn on the body to deal with emergencies. At this moment of life and death, it was used without hesitation.

Huhu....

The white powder was sprinkled in the air, instantly forming a white mist that directly enveloped Liu Ruxue.

In an instant, Liu Ruxue accidentally inhaled some, and suddenly felt top-heavy, and immediately held her breath. Just when she rushed out of the white fog, she saw Yan Hu's figure, already 100 meters away.

Chapter 5507

“Run?”

Liu Ruxue snorted coldly, clenched the long sword tightly, and quickly caught up.

Yan Hu used to be a Shaolin disciple, and his strength is not bad. At this time, in order to escape, he even took the speed to the extreme. However, Liu Ruxue has divine power in his body, and his figure is like a meteor, pulling the distance closer and closer.

Oops...

Seeing that he was caught up, Yan Hu's eyes were full of despair.

However, at this moment, I saw several golden figures in the air ahead, approaching rapidly.

I saw that several figures were wearing uniform golden armor, majestic and majestic, and their bodies were filled with powerful power.

An hour ago, the God King Haotian ordered his followers to investigate Gone's whereabouts nearby, and divided thousands of elite soldiers into countless groups, one of which was responsible for the direction of Qingshui Town.

This... This is the magic weapon of Qin Tianjian!

Seeing this team of magical soldiers, Yan Hu was stunned for a moment, and then he seemed to have grabbed a life-saving straw, and shouted: “Help, Your Excellency the Heavenly Soldiers, help.”

While shouting, Yan Hu even accelerated. , rushed towards a few divine soldiers, trying to get shelter.

Swish!

Hearing the shouting, the eyes of several divine soldiers looked directly over, and then they landed one after another.

The next second, the leading magic soldier frowned at Yan Hu and said, “What are you yelling for? What happened?” Seriously, these magic soldiers are arrogant and noble, and usually disdain to be with humans. communicative.

But now to track down Gone's whereabouts, the stakes are very important, and no clues have been missed.

call....

Hearing the question, Yan Hu breathed a sigh of relief, pointed at Liu Ruxue, who was chasing after him, and made a look of panic: "This woman is a lunatic, she wants to kill me, I ask you to help me."

Lunatic?

For a time, several divine soldiers frowned secretly, and then looked towards Liu Ruxue.

At this time, Liu Ruxue had already arrived. Seeing Yan Hu hiding behind a few divine soldiers, she stopped immediately, her beautiful face couldn't hide the complexity.

Who are these people in golden armor?

The aura that pervades her body is so powerful...

Liu Ruxue has never been to the realm of the gods, and she has never seen a god soldier, so she can't guess the identity of the other party, but she also knows in her heart that these people are dressed in gold A's, it's not something you can provoke yourself.

At this time, several divine soldiers were also looking up and down at Liu Ruxue.

Feeling Liu Ruxue's alluring appearance and her charming curves, several divine soldiers couldn't help but admire secretly.

What a beautiful woman, compared to those fairies in the realm of the gods, they are not inferior.

Um?

In the next second, several divine soldiers frowned.

Divine power? How could there be divine power in this woman?

Several divine soldiers clearly noticed that the woman in front of them had no primordial spirit, but there was a divine power roaming through the meridians...

"Hello."

After a few seconds, the leading divine soldier calmed down. She asked Liu Ruxue, "Who are you? Why are you hurting people here?"

Liu Ruxue was very displeased by the arrogant attitude of this divine soldier, and said coldly, "It doesn't matter who I am, it doesn't matter to you. Get out of the way and let me kill this scum."

Chi...

The last word fell, Liu Ruxue clenched the long sword and stabbed directly at Yan Hu.

Yan Hu snorted and dodged embarrassedly with his head in his arms.

Seeing this situation, the leading divine soldier frowned, raised his hand, blocked Liu Ruxue's long sword, and scolded: "What a daring man, in front of our Qin Tianjian, how dare you be so presumptuous."

Qin Tianjian ?

Liu Ruxue furrowed her brows, "I've never heard of Qin Tianjian before, so please don't meddle in your own business." She came to the Kyushu Continent for the first time, and naturally she didn't know about Qin Tianjian.

At this time, Liu Ruxue just wanted to get rid of the lecherous Yan Hu as soon as possible.

After making up her mind, Liu Ruxue stabbed Yan Hu with another sword.

"Presumptuous."

Seeing this scene, the leading divine soldier was instantly angry, and immediately said to his companions, "Take this woman down."

This woman has no primordial spirit, but she has divine power in her body, which is really suspicious.

Buzz buzzing...

In an instant, several divine soldiers burst out at the same time, attacking Liu Ruxue.

Chapter 5508

"You..."

Feeling the strength of several magic soldiers, Liu Ruxue was shocked and angry.

These people are mentally ill, I have no grievances or enmity with you, and they actually shot at me.

However, Liu Ruxue's temperament was cold and arrogant, and she was too lazy to explain at this time. It's just that she has not recovered from the counter-injury she received before, and she is not the opponent of several magic soldiers at all.

Bang Bang...

In less than two rounds, Liu Ruxue received two palms on the shoulders. At that time, her delicate body trembled, and she was directly knocked back ten steps.

Immediately afterwards, before Liu Ruxue could stabilize her figure, the divine soldier headed forward stepped forward and directly sealed her acupoint.

In an instant, Liu Ruxue's body froze, unable to move at all.

"Let go of me..."

At this time, Liu Ruxue, angry and flustered at the same time, shouted coquettishly, "Let me go."

However, the leading magic soldier ignored it at all, and instead directed at him. The companion said: "This woman has divine power in her body. It is really suspicious. You guys continue to investigate nearby. I will take her back to Qin Tianjian and give it to His Royal Highness."

"Okay!"

Several divine soldiers nodded.

The leading magic soldier, no longer talking nonsense, grabbed Liu Ruxue tightly, jumped into the air, and headed towards Qin Tianjian.

Huh...

Seeing that the leading magic soldier took away Liu Ruxue, Yan Hu sat on the ground with a butt, wiped the cold sweat from his forehead, and secretly rejoiced.

I was lucky today, fortunately I met the Divine Soldier of Diligent Tianjian, otherwise my life would not be guaranteed today.

Rejoicing in my heart, Yan Hu quickly stood up when he saw that the other divine soldiers had not left, with a flat face: "Thank you all, thank you."

Several divine soldiers looked at him up and down, and then one of them asked: " Stop talking nonsense, let me ask you, have you encountered any suspicious people appearing here recently?"

Suspicious people?

Yan Hu thought for a while, and said, "In reply to Your Excellency's words, the suspicious person is the beautiful woman just now." After speaking

, Yan Hu thought of something and continued: "But I have heard that the continent in the northwest At the junction, there are strong people fighting fiercely, causing the world to change color."

Northwest...

Hearing this, several divine soldiers looked at each other without hesitation, and immediately urged their figures to rush towards the northwest.

....

on the other side. Huashan.

Huashan is known as the most dangerous place in the world, and the scenery is unique. The Huashan School has been passed down for thousands of years and is a well-known and authentic school in the Earth Circle. A few years ago, the ancient tomb of Lu Bu appeared in Huashan, which shocked Kyushu.

At this moment, on the hillside a few miles away from the foot of Mount Hua, Yue Feng covered his head and was looking around in depression.

Just now, Yue Feng was sent here by the teleportation array. Because there was no divine power in his body, he fell to the ground and his brain was buzzing.

Nima, the dignified emperor of the gods, the hero of Kyushu, was almost thrown into a fool.

At this moment, Yue Feng rubbed the bag on his head, feeling very bitter. Fortunately, no one around saw it, otherwise, it would be too embarrassing.

Muttering in his heart, Yue Feng slowly stood up and looked around.

Isn't this Huashan boundary? Haha.... finally came back successfully.

For a time, after seeing the surrounding environment clearly, Yue Feng was indescribably excited. At that time, his first reaction was to return to Xia Yinzong and reunite with Wen Chou Chou and others.

But on second thought, Huashan is far away from Xia Yinzong, and he has no strength at all, so he can't fly at all. If you rely on walking, I am afraid that you will have to walk for a month or two.

Forget it, since we arrived at Huashan, let's take a rest in Huashan first.

After all, Huashan and Tianmen have always been allies. After going down the mountain, the head of Huashan will definitely treat each other with courtesy. At that

time, ask Huashan for some heavenly and earthly treasures, as well as some alchemy materials, and then refine a few medicinal pills to restore strength, and then you can fly back to Xiayin Zong.

After making up his mind, Yue Feng patted the dust on his body and walked towards Huashan Mountain Gate.

Shasha...

Before walking a few steps, I heard footsteps coming from the front, and then, two Huashan female disciples came slowly.

I saw that these two female disciples were both very beautiful. They were about twenty-five years old. One was tall, but had a bit of arrogance on his face, and the other was petite and looked very gentle and pleasant.

Chapter 5509

A cold and arrogant, a gentle, in stark contrast.

Suddenly seeing the two beauties, Yue Feng was stunned for a while.

Swish!

At this time, the two Huashan female disciples also discovered Yue Feng and walked over immediately.

When they got to the front, the tall female disciple looked at Yue Feng up and down, and said coldly, "Who are you? This is the realm of Huashan Sect. You are not allowed to rush in. Hurry up." The

tall female disciple is called Su Hong , Chen Rou, who looks delicate and lovely, is Huashan's new disciple in the past two years. However, Su Hong has a cold and arrogant personality, while Chen Rouge is quiet.

"I..." At this time, in the face of Su Hong's expulsion, Yue Feng opened his mouth and said, "Don't get me wrong, girl, I didn't come here indiscriminately

. I have something to call on your head."

The Yue Feng, still wanted to say that he was Yue Feng, but when he thought about his appearance, if he really wanted to say it, he would inevitably be ridiculed by these two female disciples, so he held back.

Yue Feng thought about it, and after meeting the head of Huashan alone, he will show his identity.

“Visit the head?”

At this moment, Su Hong looked at Yue Feng and couldn't hide the contempt: “My head, you can see it if you want?” The people of the big gate.

Shit ...

Feeling Su Hong's contempt, Yue Feng was speechless.

Does this take me for a beggar?

At this moment, Chen Rou on the side couldn't help but said: “Senior sister, why don't we take him up the mountain, you can see that his face is pale and very weak, he must be injured, in case there is really an urgent matter. What about the headmaster?”

Having said that, Chen Rou smiled kindly at Yue Feng.

“How does this work?”

Su Hong shook her head with a look of contempt: “The Sect Master is now receiving distinguished guests in the main hall. If he sees us bringing such a person, he will definitely be unhappy.” The

voice fell, Yue Feng laughed He smiled: “If your head is receiving VIPs, I can wait for a while, and ask the two of you to take me up the mountain.”

Hearing this, Su Hong snorted coldly.

“Senior sister.” Chen Rou was soft-hearted. Seeing Yue Feng's polite words, she couldn't help persuading him: “He doesn't look like a bad person, so let's take him up. In case Master punishes him, say that I brought him. “

Okay, then you will be responsible.” Su Hong said coldly, and went straight to the mountain path.

Chen Rou walked over quickly and smiled at Yue Feng: “I'm sorry, my senior sister is like this, don't worry about it, don't walk around when you get off the mountain, you know.”

“Don't worry, I won't mess around. Crash.” Yue Feng replied with a smile.

Chen Rou nodded, stopped talking, led Yue Feng, and followed Su Hong in front.

Soon, when I got to the main hall of the mountain gate, I heard a burst of laughter coming from inside.

“Sect Master Yue is here, it’s really an honor for our Huashan faction.”

“Haha... The sect master is polite.”

“It’s because Sect Master Yue is modest, you are the great hero of our Kyushu. I heard that you are still being punished in God’s Domain. The canonization of the emperor is like no one in the past, and no one has come since...” The

laughter continued to spread, and Yue Feng, who was standing outside the door, was suddenly stunned, and his mind was suddenly a little messy.

Damn, what’s going on?

Someone pretended to be me and came to Huashan to swindle?

Soon Yue Feng reacted, and a smile appeared on the corner of his mouth, and he secretly said, I want to see who is so bold and dare to pretend to be me.

.....

On the other side, Qin Tianjian.

The Qin Tianjian was in ruins, and the main hall was destroyed. The God King Haotian ordered people to set up a temporary tent on the square.

At this time, in the tent, the God King Haotian was sitting there, studying the map of Kyushu in front of him. Lei Xingyu stood there respectfully.

None of the divine soldiers sent out came back, nor was the God King Haotian idle, so he looked at the map and guessed where Gone might go.

“Report!”

At this moment, a divine soldier walked in quickly and respectfully knelt down at the God King Haotian.

The God King Haotian slowly raised his head and frowned: “Is there any news about Gone?” As the

voice fell, Lei Xingyu also stared at the divine soldier, unable to hide his urgency, all three younger brothers died tragically in Gone In the hands, hatred is inexorable.

Chapter 5510

Hearing the inquiry, the magic soldier lowered his head and said cautiously, “No.”

Then, without waiting for Haotian God King to ask, the magic soldier quickly said: "However, when we passed Qingshui Town, we caught a suspicious person. Woman."

Suspicious woman?

At this moment, Haotian Divine King and Lei Xingyu glanced at each other, both frowning secretly.

In the next second, Lei Xingyu couldn't help but ask: "What kind of woman?"

The magic soldier took a deep breath and said slowly, "That woman is very beautiful, but what is suspicious is that she has no primordial spirit, and her meridians But there is a magical power wandering..."

Huh?

Hearing this, Haotian God King and Lei Xingyu were stunned for a moment, and then their expressions became solemn.

Especially Lei Xingyu, his heart was shocked at that time, and he immediately thought of the three younger brothers who died tragically. Before they died, their divine power was sucked away, and now, such a suspicious woman suddenly appeared.

Could it be that... the death of the three younger brothers has something to do with this woman? Or, this woman is Gone's subordinate?

Thinking of this, Lei Xingyu hurriedly asked, "Where's the woman?"

"Just outside." The soldier replied.

God King Haotian waved his hand: "Bring it in."

"Yes."

Soon, a slim figure was brought in, with a pale and weak face, it was Liu Ruxue.

Swish!

At this moment, the eyes of Haotian God King and Lei Xingyu locked Liu Ruxue tightly.

She was really beautiful, and she didn't have a primordial spirit, so she really had a divine power wandering in her body...

Feeling the gazes of the God King Haotian and Lei Xingyu, Liu Ruxue was also unspeakably nervous. She clearly felt the sight in front of her. The strength of both of them is unfathomable.

Especially the God King Haotian sitting there, the breath that pervades his body is almost suffocating.

“I’m asking you.”

Finally, the God King Haotian reacted and looked at Liu Ruxue quietly: “Who are you? What is your relationship with Gone?”

“What is Gone?”

Liu Ruxue Xiumei frowned. , with a confused look on her face: “I don’t know what you are talking about.”

She had never been to God’s Domain, nor did she know the tens of thousands of years of war between God’s Domain and Demon Race, and she didn’t know anything about Demon Race Supreme.

Haha...

Hearing this answer, the God King Haotian sneered. In his opinion, the woman in front of him was deliberately acting stupid.

Lei Xingyu couldn’t bear it anymore, he walked quickly to Liu Ruxue, and asked coldly, “Don’t know? Then let me ask you, how did you get the divine power in your body?”

Like the God King Haotian, Lei Xingyu firmly believed that the divine power in the woman in front of him was related to his three brothers who died tragically.

“I...”

At this moment, a trace of embarrassment flashed across Liu Ruxue’s delicate face, and then she bit her lip tightly: “Why should I tell you? You guys just let me go...”

” The divine power in the body was obtained from Yue Feng, and the situation at that time was too embarrassing, how could he say it?

“Don’t say yes.”

At this time, the God King Haotian lost his patience, his face became gloomy, and he said to Lei Xingyu: “It seems that this woman has a hard mouth, you

should use the punishment.” “Yes.” Lei Xingyu responded and directly from He pulled out a soft whip from his body.

As you can see, the whip is translucent, with a faint golden halo flowing on it. It is the unique whip of God's Domain. Being beaten on the body will not only cause unbearable pain in the body, but also the soul will suffer unbearable torture.

Pa ...

At this moment, Lei Xingyu volleyed his whip and looked at Liu Ruxue with blood red eyes: "I'll give you one more chance, don't talk about it!"

Crazy, really a bunch of madmen.

Seeing the whiplash in Lei Xingyu's hand, Liu Ruxue was inexplicably frightened, and at the same time, her stubborn personality was also aroused, and she said tenderly, "I don't understand what you are saying at all, what am I saying?"

" At this point, Lei Xingyu was completely angry, his eyes froze, and the Daling Whip slammed over.

Snapped!

With a crisp sound, Liu Ruxue's body trembled, and the pain in her body and soul came at the same time. At that time, it was dark in front of her eyes, and she almost fainted, but her personality was tenacious, and she gritted her teeth and did not shout.

Lei Xingyu looked at her coldly, without the slightest pity in his eyes, and said word by word, "Speak or not?"
