

## The ultimate husband in Chinese chapter 5661 - 5670

Wow...

Hearing Prince Aotian's cry, the patrolling disciples of Tianmen not far away rushed over quickly, seeing Liu Ruxue's dress from a distance, they were all stunned, and then they all started drinking.

"Who?"

"Stop!"

Because Liu Ruxue was wearing black tights and a veil, and it was night again, at first glance, they thought it was an assassin.

Facing the situation, Liu Ruxue was anxious and angry.

This Prince Aotian is really despicable. In order to save his life, he did not hesitate to attract the disciples of Tianmen.

In the blink of an eye, more than a dozen Tianmen patrolling disciples arrived in front of them, and their eyes locked on Liu Ruxue tightly.

"Get out of the way!"

In a hurry, Liu Ruxue was too lazy to talk nonsense. With a coquettish shout, she raised her jade hand and hit a Tianmen disciple in front of her. To assassinate Prince Aotian tonight, he was hiding from Yue Feng. Therefore, these Tianmen disciples must be dealt with before Yue Feng arrives.

Liu Ruxue is kind-hearted, and although she has already started, she has no intention of killing.

Bang Bang...

In the blink of an eye, two disciples were knocked out by Liu Ruxue. Suddenly, the front of the secret room was in chaos, and the sound of fighting attracted more disciples from Tianmen to come.

Ha ha...

Seeing this scene, Prince Aotian endured the severe pain, a sneer appeared at the corner of his mouth, turned around and ran to the courtyard behind.

Liu Ruxue has already been entangled, when will he not leave now?

Liu Ruxue coped with the rushing Tianmen disciples, but her attention was always on Prince Aotian. Seeing him take the opportunity to slip away, she immediately shouted: "Stop, don't run!"

When the voice fell, he was ready to catch up.

However, there were too many disciples of Tianmen around, and they surrounded Liu Ruxue. In this case, Liu Ruxue couldn't rush out at all, and could only watch Prince Aotian escape to the back courtyard.

asshole!

Anxious, Liu Ruxue stomped her feet and continued to entangle with the surrounding Tianmen disciples.

The proud prince is here.

Running to the backyard, the scene in front of him made Prince Aotian dumbfounded.

I saw that behind the courtyard was a cliff that was bottomless.

Mad, desperate.

For a time, Prince Aotian wanted to cry without tears. He thought that he had escaped from Liu Ruxue's palm, and he could take the opportunity to escape from Haitang Garden and get rid of Yue Feng's control. How could he know that he was desperate and went to a dead end.

"Hey..."

Just when Prince Aotian was depressed, he heard the chirping of birds coming from the northeast corner of the yard, with a high-pitched and clear voice.

what?

Prince Aotian frowned and muttered, then he covered his heart and walked over slowly. Previously in the secret room, Liu Ruxue's sword completely destroyed the heart of this body, and Prince Aotian, relying on his powerful soul, has been able to survive until now.

Even so, Prince Aotian couldn't stand it anymore.

Soon, when he reached the corner, Prince Aotian was stunned for a second, and he saw the huge flying eagle, looking at him with a bright spirit. This flying eagle was more

than two meters high, and its feathers were pure white. Such as snow, the indescribable steed is extraordinary.

Yes, this flying eagle is the Snow Eagle that Yue Feng got from the Kunlun School.

At that time, Xiao Yuruo was caught by the Kunlun faction leader Hu Sanyang who absorbed the essence, and his life was at stake. Yue Feng, in a rage, led the disciples of Tianmen to level Kunlun.

In the following years, Yue Feng kept Xue Ying at Tianmen.

Haha...

Prince Aotian was already desperate, but when he saw Xue Ying, he was overjoyed.

With such a handsome bird, are you afraid that you won't be able to leave?

Thinking to himself, Prince Aotian gritted his teeth to speed up, jumped directly onto Xue Ying's back, and urged, "Go, go quickly." While urging, he grabbed Xue Ying's neck with one hand, and the other hand kept going. Slapped the snow eagle.

However, Xue Ying didn't stop his orders at all, he let out a chirping sound, and at the same time kept shaking his body, trying to throw Prince Aotian down.

Xue Ying is full of spirituality and recognizes the master very much. Unless it is one of his own, it is impossible for others to control it.

Mad!

Prince Aotian almost fell off several times. He was anxious and angry at the time. He took out a dagger from his body and stabbed Feiying on Feiying's back.

## **The ultimate husband in Chinese chapter 5662**

"Hahaha..."

Xue Ying let out a long cry under the pain, his huge body soared into the sky, and in the blink of an eye, he reached an altitude of 1,000 meters.

At this moment, Prince Aotian dropped his dagger, and clasped Xue Ying's neck tightly with both hands, watching the fierce battle between Liu Ruxue and the Tianmen disciples below, with indescribable excitement and excitement in his heart.

Haha...

finally can leave. You bitch, fight with Tianmen slowly.

At this time, in Hailong Garden.

In the face of more and more Tianmen disciples, Liu Ruxue bit her lip tightly. She was so anxious that she suddenly heard Xue Ying's cry and looked up subconsciously.

Seeing this, Liu Ruxue was instantly anxious.

I saw that in the night sky, Prince Aotian was riding a snow-white flying eagle, spreading his wings and flying high, and disappeared into the distant night sky in a blink of an eye.

Damn, let him escape.

Whoa!

Just when Liu Ruxue was stunned, the surrounding Tianmen disciples rushed up, restrained her, and bound her hands and feet.

Afterwards, a disciple removed Liu Ruxue's veil, and everyone was stunned for a moment.

"This...Miss Liu?"

"How is Miss Liu you?"

This chapter is provided by . Visit for daily update.

Before, Yue Feng rescued Liu Ruxue by himself. All Tianmen disciples know about it, so they are no strangers to Liu Ruxue. See you at this time. Assassin' is her, her mind is covered.

.....

At this moment, in Yue Feng's room.

Yue Feng, dressed in a loose robe, sat on a chair, drinking tea leisurely.

Beside her, a slender woman accompanied her, it was Su Qingyan.

"Yue Feng, you won't leave this time." Su Qingyan said softly, with a bit of dissatisfaction on her delicate face. Over the years, she and Yue Feng have been together less and more apart, and they are somewhat resentful.

Yue Feng smiled slightly: "Don't go, wait until Gone's whereabouts are found and the crisis is completely resolved, let's get married, and then have a bunch of babies..." Hearing this, Su Qingyan pursed her lips and smiled

, Jiao said angrily: "It's been so many years, and I'm still speaking in such a serious way."

Bang Bang...

Just joking, suddenly there was a knock on the door, and then a Tianmen disciple anxiously said outside the door: "Brother Feng, It's not good, something happened." The tone was very flustered.

Yue Feng frowned, got up and opened the door, only to see the disciple standing there panting and sweating profusely.

"Why are you so nervous?" Yue Feng asked.

The disciple took a deep breath and said anxiously: "Brother Feng, the person you caught before, ran.... ran away!"

What?

Hearing this, Yue Feng's heart was shocked, and his eyes were full of incredible.

Prince Aotian ran away? How is this possible? He cast a forbidden spell on him, and his hands and feet were bound by chains, how could he escape?

Su Qingyan next to her was also stunned, and then asked, "How did you escape?"

"Yes...it's that girl Liu."

The disciple said with a complicated expression: "She was wearing a night clothes and took that person out of the secret room. At first we thought it was an assassin and fought with Miss Liu."

"Just as we were fighting, that person took the opportunity. Riding the snow eagle to escape."

I'll go!

Knowing the situation, Yue Feng was dumbfounded.

This Liu Ruxue is really worrying. During the day, I have told her very clearly that Prince Aotian has a special status, why does she keep going?

Thinking to himself, Yue Feng asked, "Where's Liu Ruxue now?"

“We were caught and tied up, and now he’s in the front hall.” The disciple replied.

Hearing this, Yue Feng smiled wryly. He wanted to go over and take a look, but then he thought, this Liu Ruxue is in trouble for no reason, so she will be locked up temporarily and let her calm down.

Thinking to himself, Yue Feng took a deep breath and said seriously: “Pass my order, everyone in the Tianmen will immediately pursue, and no matter what, they will be caught back.”

“Yes!”

Hearing the order, the disciple answered and hurried went out.

At this time, Su Qingyan came over, took Yue Feng’s hand and said, “Yue Feng, don’t be impatient, that Prince Aotian is injured and can’t run far at all, and Xue Ying will not obey when he recognizes his master. His orders.”

Hearing Su Qingyan’s consolation, Yue Feng nodded.

## **The ultimate husband in Chinese chapter 5663**

At this time, another disciple came to the door and said cautiously: “Brother Feng.”

Hu!

Yue Feng took a deep breath, and said incredulously, “What’s the matter? Is your Liu Ruxue making a fuss?” What happened today, one after another.

The disciple shook his head: “It’s not about Miss Liu, it’s the Nalan family. The news just came that something happened to the Nalan family, Wudang Ye Yun killed Nalan Shinichi, and the Nalan patriarch tried publicly for revenge. Ye Yun.”

“Later Wudang Ye Xuan arrived, and the two sides fought fiercely... and later, Ye Xuan was killed, Brother Feng, this incident has caused a sensation in the arena.”

What?

Hearing this news, Yue Feng’s heart was shocked, and he didn’t come back to his senses for a while.

The Nalan family and the Wudang faction fought, Ye Xuan died?

In shock, Yue Feng frowned. Such a thing happened, it was a bad omen for the entire Jianghu. You must know that the Wudang faction and the Nalan family have a high influence in the Jianghu. The two sides are going to fight thoroughly, and I don’t know

how many sects will be involved. At that time, there may be no peace in the whole arena.

call!

Thinking to himself, Yue Feng took a deep breath and said to the disciple, "Watch Wudang and the Nalan family closely. If anything happens, just let me know as soon as possible."

"Yes, Brother Feng."

... ..on

the other side.

In the mountains and forests dozens of miles northwest of the Wudang faction, two figures marched forward one after the other.

This chapter is provided by . Visit for daily update.

One of them is short and the other is handsome.

It was Tu Xingsun and Ye Yun.

Half a day ago, after Tu Xingsun took Ye Yun out of the cave, he first used his internal strength to help Ye Yun stabilize his injury, and then rushed to Wudang without stopping.

Along the way, the two avoided the pursuit of the Nalan family several times, and did not dare to stop for the slightest. At this time, they were both exhausted.

"Let's take a rest in front."

At this time, seeing a water pool not far away, Tu Xingsun's eyes lit up, and he quickly stepped up and washed his face in the water pool.

Ye Yun followed, drank a few sips of water, and said gratefully: "Thank you senior for escorting all the way, and when we arrive at the Wudang main altar, the junior will definitely thank you."

Tu Xingsun waved his hand: "Thanks are unnecessary, speaking, If it weren't for your life hanging by a thread, this old man would be too lazy to meddle in his own business."

After speaking, Tu Xingsun looked at Ye Yun: "Looking at your state, it is much better than before, this is the realm of Wudang, you are a People can also go back, this old man has other things to do, let's say goodbye." After the

last word fell, Tu Xingsun turned around and strode away.

Uh....

Seeing that Tu Xingsun said to leave, Ye Yun was stunned for a moment, and then bowed deeply at his back: "Senior kindness, Ye Yunmo dare not forget, and will definitely repay in the future."

Tu Xing Sun waved his hand and disappeared into the depths of the woods in a blink of an eye.

call!

Watching Tu Xingsun walk away, Ye Yun took a deep breath and sat by the pool to rest for a while. The scene of his father's tragic death appeared in his mind, and his eyes were instantly blood red.

Nalan family, you frame me and kill my father, I must pay your blood debts.

"Haw!"

At this moment, a chirping sounded in the sky, Ye Yun was stunned for a while, he looked up quickly, and saw that Xue Ying had been carrying a person and flew down quickly.

Yes, it is Prince Aotian who has come.

Earlier, Prince Aotian stabbed Xue Ying with a dagger, forcing Xue Ying to fly high in the sky. Although he successfully escaped from Haitang Garden at that time, Prince Aotian could not control Xue Ying.

So after flying for more than ten minutes, Xue Ying landed due to excessive blood loss, and happened to land on the place where Ye Yun was resting.

Snow Eagle?

At this moment, Ye Yun looked at Xue Ying, and then at Prince Aotian on Xue Ying's back, and frowned.

What happened to the disciples of Tianmen today?

Back then, after the Kunlun faction was destroyed by Yue Feng, Xue Ying was taken away. After that, only Tianmen had Xueying in the entire Jianghu. Therefore, Ye Yun instinctively believed that Prince Aotian was a disciple of Tianmen.

The next second, Ye Yun reacted and asked Prince Aotian, "What happened to Tianmen?"

Hearing the question, Prince Aotian was stunned.

## **The ultimate husband in Chinese chapter 5664**

But soon, Prince Aotian calmed down.

This kid in front of me takes me as a person from Tianmen...

Thinking to myself, Prince Aotian turned over from Xue Ying, smiled bitterly, and said, "It's nothing, just being chased by enemies, dare to ask who your Excellency is.?"

While speaking, Prince Aotian looked at Ye Yun secretly.

The young man in front of him was good and handsome, and he could just replace his wreckage. Before being pierced by Liu Ruxue's sword, Ren Pingsheng's body was no longer enough, so Prince Aotian planned to seize Ye Yun in front of him.

However, in order to seize the house, you must first let the other party relax their vigilance.

Faced with the question, Ye Yun did not hide it and replied, "I am Ye Yun from the Wudang faction."

When he spoke, Ye Yun was also secretly shocked when he noticed the injury on Prince Aotian's body. This man's mouth has been pierced, and he can still hold on. He is indeed a person from Tianmen, and he is bloody.

"It turned out to be a fellow of Wudang."

Knowing the identity of the other party, Prince Aotian showed a smile and said, "I want to go to Wudang to heal and recuperate, please ask Brother Ye to lead the way, I don't know if it's inconvenient."

He said Sincerely, but there is a hint of gloom in his eyes.

Prince Aotian thought about it, in his current state, it is difficult to suppress the opponent directly, so he can only take the opportunity to make a surprise attack.

This...

Hearing this, Ye Yun thought about it, nodded and said, "Of course you can."

Speaking of which, the Wudang faction and Tianmen have always had a good relationship without breaking the river, but Ye Yun admired the people in Tianmen very much. , At this time, seeing the other party's injury is so serious, and the other party also took the initiative to bring it up, naturally he will not refuse.

“Hahaha...”

However, at this moment, Xue Ying, who was beside him, suddenly uttered bursts of tweets at Ye Yun.

Xue Ying was quite spiritual, it felt the killing intent on Prince Aotian, and knew that he was going to be detrimental to Ye Yun, so he immediately sent out a reminder.

However, Ye Yun didn't understand animal language and didn't know Xue Ying's motives at all, so he was startled at the time.

“What happened to it?” Ye Yun asked Prince Aotian.

Prince Aotian frowned secretly, Ma De, this flying eagle is quite spiritual, even knowing that he is going to kill this person.

Thinking to himself, Prince Aotian waved his hand to drive Xue Ying away, and then smiled at Ye Xuan: “It's okay, it lost too much blood and was frightened.”

As he spoke, Prince Aotian stumbled and pretended to fall. fall.

“Be careful!”

Ye Yun didn't know that he was cheating, so he quickly reminded him, and then walked over quickly, holding Prince Aotian in his arms.

hum!

Just as Ye Yun approached, a cold light flashed in Prince Aotian's eyes, and then his right hand lifted like lightning, directly sealing several acupoints on Ye Yun's body.

In an instant, Ye Yun's body froze, unable to move at all.

“You...” The

sudden change made Ye Yun startled, and looked at Prince Aotian with a stunned expression: “What are you doing?”

Prince Aotian sneered: "I'm not a disciple of Tianmen at all, if you meet me, you will be counted as you. Unlucky, but don't worry, after taking your body for a while, I will take care of the things you haven't finished."

What? Take home?

Hearing these words, Ye Yun felt a chill in his heart and chills down his spine.

As a rookie of the Wudang faction, Ye Yun naturally knew what seizing a house was.

Shocked, Ye Yun wanted to ask questions, but Prince Aotian didn't give him a chance at all. At that time, he raised his right hand and pressed it on top of Ye Yun's head, and at the same time, he quickly recited the soul-melting magic formula in his mouth.

"Ah..."

In an instant, Ye Yun's shrill scream resounded through the night sky.

Half an hour later, Prince Aotian successfully completed the house grab, standing on the edge of the water pool, looking at his new face, showing a satisfied smile.

Immediately, Prince Aotian looked up at the night sky and said to himself: "Yue Feng, I guess you never thought that I would grab a new body so quickly."

With that, Prince Aotian took Ren Pingsheng with one foot. The remnant of the body, kicked into the pool, then turned around and walked in the direction of the Wudang faction.

After taking Ye Yun, Prince Aotian also obtained all of Ye Yun's memories. He thought about it, as Ye Yun, he returned to Wudang to recuperate, and then waited for the opportunity.

.....

On the other side, the Nalan family!

It was late at night, but the hall of the manor was brightly lit.

## **The ultimate husband in Chinese chapter 5665**

On the main seat, Nalan Hong was sitting there with a gloomy face.

On the chairs on both sides, sat Gone, Nalan Xinran, and several elders of the family.

Half a day ago, the Nalan family sent thousands of disciples to thoroughly search the vicinity of LuoChan Temple. As a result, several hours passed, and the nearby burrows were searched, but Ye Yun's whereabouts were never found.

This made the entire Nalan family feel extremely suffocated.

Especially Gone, his face was calm at this time, but he couldn't tell the annoyance in his heart. He thought he would kill Ye Yun easily, but he never thought that in the end he let him run away.

call!

At this moment, an elder couldn't help but said: "I haven't seen Ye Yun's whereabouts for so long. It seems that this kid should have escaped back to the Wudang faction." As the

voice fell, Nalan Hongzheng slammed the table down. , said bitterly: "Even if he escapes to the ends of the earth, he will kill Shinichi." Although Ye Xuan had been killed, Nalan Hongzheng was still puzzled.

At this time, Nalan Xinran, who had been silent all the time, bit her lip and said, "It's all my fault, I have known Ye Yun for almost three years, but I didn't even see him clearly..."

When speaking, Nalan Xinran said no Guilt out. In her heart, she believed that her brother's death was caused by her.

The voice fell, and the whole hall fell silent.

"Senior sister!"

Gone said comfortingly: "Don't blame yourself, blame Ye Yun for being too sinister and vicious, fortunately you didn't marry him, otherwise the consequences would be even more unimaginable."

Hearing the comfort, Nalan felt a little better. , then thought of something, and said slowly: "Ye Xuan is dead, and the Wudang faction will not let it go. You must know that Ye Xuan was the principal of Shangwu Academy at the beginning, and he has a high reputation in the world."

"Although our Nalan family is not afraid of Wudang, but we are afraid that Wudang will use Ye Xuan's death to make a fuss. If public opinion turns to Wudang's side, the situation will be very difficult."

This chapter is provided by . Visit [for daily update.](#)

Hu...

Hearing this, several elders around, All nodded in agreement.

Because what Nalan Xinran said is right, Ye Xuan has a high prestige in the arena. If the Wudang faction deliberately distorts the truth and misleads other sects, the Nalan family will become the target of public criticism.

At this time, Nalan Hongzheng pondered and looked at Nalan Xinran: "Xinran, according to what you said, what should we do next?"

Nalan Xinran's eyes flickered, and he said softly: "The top priority, we have to send someone to go there. Tianmen, tell the truth, as long as Tianmen is on our side, even if the Wudang faction spreads public opinion, we don't have to worry."

Hearing this, Nalan Hongzheng nodded in agreement: "Yes, Tianmen will shake Kyushu, If you get the support of Tianmen, you won't be afraid of Wudang's secret tricks."

Seeing this, Gone became anxious.

The reason why I am in the Nalan family is to avoid the investigation of the God King Haotian and Yue Feng. If Tianmen intervenes in this matter, I am afraid that my identity cannot be concealed.

However, with so many people in the hall, it was not easy for Gogne to stop Nalan Hongzheng. At that time, he frowned secretly, thinking about countermeasures.

"Everyone!" At this time, Nalan

Hong looked around and said slowly: "Going to Tianmen for help this time? Who is the most suitable?"

Can't think of a suitable candidate.

"Father!"

At this moment, Nalan thought of something happily and said slowly: "Let Wushuang go. A few months ago, because of her nonsense, she almost killed Yue Wuya."

"I heard that Yue Feng came back from outside, so I asked Wushuang to ask for help and apologized for what happened before. In this way, we can also let Tianmen know our sincerity."

In Nalan's heart, niece Wushuang and Yue Wu Ya was unhappy, and only by asking her to go to Tianmen to apologize and get Yue Wuya's forgiveness, can the family get Tianmen's support and help.

However, she didn't know that her suggestion directly killed Nalan Wushuang.

Um!

Hearing this, Nalan Hongzheng nodded: "Okay, then let Wushuang go."

Nalan Wushuang, that unruly girl...

At this moment, Gone, who was sitting beside him, narrowed his eyes slightly, A hint of murderous intent flashed.

## **The ultimate husband in Chinese chapter 5666**

If Tianmen supports the Nalan family, Yue Feng will definitely come to the Nalan family to find out the situation. Yue Feng has a strong insight, and at that time, his identity will not be concealed.

Therefore, we must find a way to prevent Yue Feng and Tianmen from interfering.

Speaking of which, Gone was not afraid of Yue Feng, but the fact that there was the God King Haotian behind Yue Feng, and the entire Divine Realm, made Gone unafraid.

However, Gone did not know that Yue Feng and Haotian God King were also at odds with each other.

Soon, with the benefit of Nalan Hongzheng, a family disciple called Nalan Wushuang in.

"Grandpa!"

Nalan Wushuang said to Nalan Hongzheng when he arrived at the hall, "Why did you suddenly ask me to come here?"

Nalan Wushuang at this time was wearing a long white dress with white flowers on his head, and his expression could not be concealed. sad.

Nalan Shinichi is her father, his father died tragically, and Nalan Wushuang has not yet come out of his grief.

"Unparalleled!"

Looking at the granddaughter in front of him, Nalan Hongzheng said slowly: "The situation is very unfavorable for us now, in order to prevent the Wudang faction from

confounding black and white and confuse the fellows, so you need to go to Donghai City to meet Yue Feng. , tell him the real situation, and then get the support of Tianmen.”

When speaking, Nalan Hongzheng’s tone was flat, but there was no doubt.

At the same time, Nalan Xinran, who was sitting on the side, also said softly: “Wushuang, you and Yue Wuya had a conflict before, and the responsibility rests with you. This time, you will take the opportunity to apologize to them. You know?”

What? Go to Donghai City to see Yue Feng? Still apologizing?

Hearing this, Nalan Wushuang’s delicate face suddenly showed some resistance, and he pouted: “In that case, I just did a paternity test for Yue Wuya and that child, and it’s nothing. Wrong, why do you want to apologize?”

This chapter is provided by . Visit for daily update.

Nalan Wushuang couldn’t help but feel angry when he thought of Yue Wuya’s cold attitude towards him.

Swish!

At this moment, Nalan Hongzheng’s face changed, and he shouted angrily: “Damn girl, are you still arguing? If you hadn’t been fooling around, Yue Wuya would not have been caught by Hailong Palace, he is the master of Tianmen, the son of Yue Feng. , you almost killed him, do you know that?”

“If you don’t apologize, don’t recognize my grandfather.”

At this time, Nalan Hongzheng’s face was gloomy and scary.

Feeling Nalan Hongzheng’s anger, Nalan Wushuang’s delicate body trembled and stood there, indescribably wronged.

What’s wrong with grandpa today? He hurt me the most in the past, but today he said such things in front of so many people. Moreover, several months have passed since the previous incident...

Nalan Wushuang didn’t know yet that Nalan Hongzheng had been secretly controlled by Gone.

Ugh!

At this time, Nalan stood up happily, walked in front of Nalan Wushuang, and gently comforted: “Wushuang is obedient, aunt knows that you have sacrificed a lot for Yue

Wuya, but he doesn't like you, which makes you very sad, but This time, for the safety of the family, you will be wronged. Okay?"

Hearing these words, Nalan Wushuang nodded: "Okay."

After a few minutes, Nalan Wushuang was ready and set off on the road. Head towards Donghai City.

Not long after Nalan Wushuang left, Gogne also made an excuse to leave the Nalan family manor.

.....

On the other side, Haitang Garden in Donghai City.

In the garden pavilion, Yue Feng, Wen Chou Chou, and Su Qingyan were sitting there, discussing the situation of Prince Aotian.

"Fengzi!"

At this time, Wen Chou Chou said, "The people we sent out found the body of Xue Ying by a water pool in the northwest of Wudang Mountain, but there was no news about that Prince Aotian. It's like it disappeared out of thin air."

When he spoke, Wen Chou Chou's face was full of suspicion.

call!

Hearing this, Yue Feng took a deep breath and fell into deep thought.

It is impossible for people to disappear for no reason. Prince Aotian is very cunning and must be hiding somewhere.

"Yue Feng!"

At this moment, Su Qingyan thought of something, and couldn't help but said softly: "Isn't this Prince Aotian the royal family of the Divine Realm? Why did he appear in the Kyushu Continent?"

"It's a long story . ." Yue Feng smiled bitterly, and then explained the situation of Prince Aotian in detail.

## **The ultimate husband in Chinese chapter 5667**

What?

Knowing the situation, whether it was Wen Chou Chou or Su Qingyan and others, they were all secretly surprised.

After a long time, it turned out that this Prince Aotian had taken someone else's body in another continent...

Understanding this, Su Qingyan's mind moved, and suddenly thought of something: "If this is the case, this Prince Aotian, Will it be possible to retake a new body, so we can't find him."

Su Qingyan Bingxue was smart, and immediately thought of the key to the problem.

Yes!

After being reminded, Yue Feng's eyes lit up, and he immediately patted his thigh: "Qingyan's guess is very likely." Prince Aotian was severely injured by Liu Ruxue. Take away a new body.

Why didn't I think of this myself.

"It's not good!"

However, at this moment, a Tianmen disciple came running over sweating profusely, and stammered: "Brother Feng, it's not good, there are so many gods and soldiers who have come to surround the entire Haitang Garden. Stop ."

When he spoke, the disciple's legs were weak, and he could hardly stand still.

What?

In an instant, Yue Feng and everyone's expressions changed.

Soon, Yue Feng reacted and quickly walked out.

Wen Chou Chou, Su Qingyan and others quickly followed.

This chapter is provided by . Visit for daily update.

Phew...

Outside the gate of Haitang Garden, Yue Feng couldn't help taking a deep breath when he saw the scene in front of him, and everyone behind Wen Chou Chou also trembled.

I saw that thousands of elite soldiers surrounded Haitang Garden like an iron barrel.

In front of these divine soldiers, the God King Haotian was wearing purple-gold armor, quietly suspended in mid-air, with a proud expression and astonishing aura.

Mad!

Yue Feng frowned secretly and couldn't help but cursed in his heart.

This God King Haotian, why don't you go looking for Gone's whereabouts, what is the Haitang Garden that surrounds me?

Thinking to himself, Yue Feng took a deep breath and shouted at the God King Haotian: "Haotian, what do you mean?"

Haha!

Facing the question, the God King Haotian sneered. He first looked around at the ugly people below, and finally replied slowly: "Yue Feng, what are you embarrassed to ask me?"

Then, the God King Haotian pointed at Su who was behind Yue Feng. Qingyan: "You told me before that your Tianmen has nothing to do with Xia Yinzong, and the woman behind you is the suzerain of Xia Yinzong. You colluded with Xia Yinzong, the evidence is conclusive, what else is there to say?"

"In time, the God King Haotian sent his subordinates to search around for Gone's whereabouts, and at the same time paid close attention to the situation in Haitang Garden. Half a day ago, his subordinates found out that Su Qingyan, the suzerain of the Xia Yin Sect, was Yue Feng's woman, and was resting with Yue Feng in Haitang Garden. At that time, the God King Haotian was very angry, so he rushed over with his army.

call!

At this moment, Yue Feng took a deep breath and suppressed his anger: "Haotian, Qingyan is my woman, and she is the sect master of the Xia Yin Sect, but it has nothing to do with Xuanyuan's confrontation with the Divine Realm. , Xia Yinzong has been hidden from the world for thousands of years, and there is no dispute with God Realm again."

Speaking of this, Yue Feng looked at the God King Haotian with burning eyes: "Because of what happened thousands of years ago, I have to hold on to it. Is it?" The words were loud.

Hearing this, the God King Haotian frowned lightly, and then smiled slightly: "Yue Feng, after all, you just want to excuse your woman and Xia Yinzong. When the Nine Heavens

God was still alive, he once descended. Order, we must eradicate the remnants of He Xuanyuan.” After

speaking, the God King Haotian raised his finger and pointed at Su Qingyan: “I don’t care about the others present, but this woman must be taken away.”

Looking for Gone’s whereabouts, there is still no clue . , God King Haotian was already full of fire, so naturally he would not let Su Qingyan go easily at this time.

Faced with this situation, Su Qingyan’s tender body trembled, and she felt nervous.

To be honest, when he was the Sect Master of the Xia Yin Sect, Su Qingyan expected such a day to come, but he did not expect that the Haotian God King would bring so many elite soldiers.

Swish!

At this moment, Yue Feng was also angry, stepped forward to stand in front of Su Qingyan, and said coldly, “God King Haotian, what if I don’t let you take it away?”

Su Qingyan is her own woman, how can she marry him? To the God King Haotian?

As

soon as the words fell, Sun Dasheng strode out and shouted angrily at the God King Haotian: “God King Haotian, don’t you have a special official accent, don’t you just want to trouble us. I tell you, your grandfather I As long as it’s still there, you can’t take anyone away from here today.”

Om!

The last word fell, Sun Dasheng raised his hand and summoned the axe, and in an instant, a powerful breath swept the audience.

In an instant, the thousands of elite soldiers surrounded by them all locked their eyes on Sun Dasheng.

This Great Sage Sun really doesn’t know whether to live or die, to speak to God King Haotian like this. You must know that God King Haotian’s status in the Divine Realm is one person below ten thousand people, second only to His Majesty.

How dare he claim to be the grandfather of His Royal Highness the King of God?

Just looking for death.

At the same time, the face of the God King Haotian was also extremely cold in an instant. You must know, in front of so many subordinates, he was so abused by Sun Dasheng, where would he put his face?

For a time, the God King Haotian wanted to kill Sun Dasheng, but he held back.

After all, Sun Dasheng is Yue Feng's sworn brother, and Yue Feng is the emperor's teacher. Unless it is a last resort, don't tear his face.

Haha...

Seeing God King Haotian turning blue and white, Yue Feng felt indescribably happy.

In the next second, Yue Feng turned around and gave Sun Dasheng a thumbs up: "Well scolded." Although the Dasheng was impulsive, this time scolding Haotian God King was really enjoyable.

Phew...

At this moment, the God King Haotian took a deep breath, resisted his anger, and said lightly to Yue Feng: "Yue Feng, you don't have to argue with me, it is His Majesty's will to clean up Xia Yinzong, and so do I. Act as ordered."

Saying that, Haotian God King's tone gradually became cold: "If you fight, you are suspected of rebellion, and this king has the right to arrest you together, so you have figured it out."

Nima!

Hearing this, Yue Feng's expression changed.

This God King Haotian is determined to fight against me.

At this time, Sun Dasheng couldn't bear it anymore, and shouted: "Fengzi, why are you talking nonsense with him? He is here to find trouble on purpose, let's do it." When the

voice fell, Sun Dasheng held the opening ax tightly, and was about to rush up to make peace with him. Haotian God King desperately.

"Great Sage!"

"Don't be impulsive."

Seeing this, Yue Feng and Wen Chouchou were both taken aback, shouted in unison, and then stopped Sun Dasheng.

“Great Sage!” Yue Feng took a deep breath and said slowly: “You, Brother Wen, and others in today’s matter, don’t do it, let me solve it myself.”

Yue Feng could see that the God King Haotian The reason why he has been holding back and did not do anything is because he is afraid of his status as an emperor. If the great sage directly takes action, the Haotian God King will have an excuse to deal with others.

Therefore, you must be patient and not take the initiative to provoke trouble.

Hearing Yue Feng’s words, Sun Dasheng suddenly became anxious: “Fengzi, he is going to arrest his younger brother and sister, why don’t we resist?”

As soon as he finished speaking, Wen Chou Chou tightly stopped him and comforted him: “Da Sheng, don’t be impulsive, Fengzi is measured.” Wen Chou Chou acted calmly, and he could see that the God King Haotian in front of him seemed to be arrogant, but he was actually very afraid of Yue Feng.

Hearing the consolation, Sun Dasheng stopped talking, but stared at the God King Haotian coldly.

call!

At this time, Yue Feng took a deep breath, tried to calm himself down, looked at the God King Haotian and said, “It is your duty to exterminate Xuanyuan’s sins, and it is also my duty and responsibility to protect my woman.

” In this way, you and I have a fight, if you win, I will let you take the light smoke away, and if you lose, leave immediately.”

When he said this, Yue Feng looked serious, but he was a little uneasy in his heart. .

You must know that after recuperating in Haitang Garden for a few days, his divine power has not fully recovered, and he is not the opponent of the God King Haotian at all.

But there is no way, I can’t watch the beloved woman being taken away.

Swish!

Hearing these words, all the divine soldiers present looked at Yue Feng in unison, each with a complex look in their eyes.

“Isn't Yue Feng crazy, he actually challenged His Royal Highness the King of God?”

“Although he has done a lot of credit for helping the God Realm and fighting the demon army before, but now the divine power in his body is very weak, how can he fight?”

“It's hard to say, he After all, it's the emperor...”

kept coming, and the God King Haotian was stunned, thinking that he had heard it wrong.

The next second, God King Haotian reacted, looked at Yue Feng and asked, “Are you... sure you want to fight me?”

“Yes!” Yue Feng nodded firmly.

call!

After getting the answer, Haotian God King took a deep breath, and a smile appeared on his face: “Okay, you are the emperor's teacher, since you have said it, I will give you this face, if you lose, I will go, if you win, you have to hand this woman over to you. Give it to me.”

After several contests, the God King Haotian was very aware of Yue Feng's strength.

Speaking of which, if Yue Feng was in his peak state, Haotian Divine King had little chance of winning, but at this time, he clearly felt that the divine power in Yue Feng's body had not fully recovered.

In this case, the God King Haotian was fully confident of winning.

Seeing God King Haotian agreeing, Yue Feng nodded and said to Wen Chou Chou, who was beside him: “Brother Wen, you guys step back first, I have a few moves with His Royal Highness God King.” After speaking

, Yue Feng lowered his voice, To Su Qingyan, he said, “When we fight next time, I will deliberately lead Haotian Divine King to a distance. When that time comes, you will take the opportunity to leave.”

When he spoke, Yue Feng's eyes were full of complexity.

Yes, he had no certainty of winning at all, but the arrow had to be shot on the string, so he thought, when the battle is coming, he will lead the God King Haotian away, and then let Su Qingyan take the opportunity to escape.

Although it was the last resort, it was better than Su Qingyan being captured.

Swish!

Hearing this, Su Qingyan became nervous all of a sudden, holding Yue Feng's arm, her beautiful face was full of worry: "Yue Feng, don't take risks, otherwise, I'd better go with the God King Haotian."

Yue Feng's strength has not recovered, how could he be the opponent of the God King Haotian?

It's too risky.

Yue Feng smiled and comforted: "Don't be afraid, I'm an imperial teacher, even if I can't beat him, the God King Haotian will not dare to do anything to me." After speaking, he did not forget to kiss Su Qingyan's forehead lightly.

Su Qingyan kept shaking her head.

"Yue Feng!"

Seeing this scene, the God King Haotian who was suspended in mid-air frowned: "Have you finished your whispers? Are you going to fight?" Yue

Feng smiled slightly: "Of course."

He jumped, suspended in mid-air, and waved at the God King Haotian, signaling the start.

"Then this king is very welcome."

Haotian God King said a word without any nonsense, and the figure erupted and came straight towards Yue Feng.

In the blink of an eye, the God King Haotian came to Yue Feng, with a bit of arrogance in his tone: "Yue Feng, your divine power has not fully recovered, this king does not want to take advantage of it, but the eradication of Xuanyuan Yu's evil was left by the Nine Heavens. I have no choice but to die."

Om!

The last word fell, and a powerful aura erupted from the whole body of the God King Haotian. In an instant, the sky above Haitang Garden was stagnant.

The terrifying divine might, the suppressed crowd panicked.

For a time, the following Wen Chou Chou, Su Qingyan and others couldn't help sweating for Yue Feng.

Yue Feng's face was indifferent, but he could feel the divine power of the God King Haotian, and he was secretly surprised.

Ma De, I haven't seen him for a while. The strength of this God King Haotian seems to have improved a lot.

"Accept the move!"

At this moment, the God King Haotian said coldly, raising his hand and calling towards Yue Feng.

This palm seems to be light, but it is as fast as thunder. Yue Feng was shocked at the time, and he had no time to dodge. He could only use his divine power to meet him.

boom!

The next second, the palms of the two sides collided, and a roar sounded, and then Yue Feng groaned, and the volley was knocked back more than 100 meters away.

In the end, Yue Feng landed on a boulder and took a dozen steps back before he stabilized his figure. The blood in the body was churning, but Yue Feng still clenched his teeth to support it.

Afterwards, Yue Feng looked cynical and praised the God King Haotian: "As expected of the God King Haotian, his strength is really extraordinary."

"You are not bad!" The

God King Haotian chuckled and said lightly: "The divine power has not fully recovered, and it can still block my full-strength palm." The voice fell, and the figure erupted and charged towards Yue Feng again.

Seeing the God King Haotian rushing in again, Yue Feng did not panic at all, but showed a smile.

The next second, Yue Feng looked at Su Qingyan who was standing in the yard and motioned her to leave quickly.

At this time, the God King Haotian, all his attention was on himself, and it was a good time for Qing Yan to quietly leave.

However!

Su Qingyan didn't mean to leave at all, her beautiful face was full of determination.

Over the years, Yue Feng and Yue Feng have been together less and more apart, but now they are finally reunited, and they don't say anything apart.

Seeing that Su Qingyan didn't leave, Yue Feng was so anxious.

"Yue Feng, take this king's second move."

At this time, the God King Haotian coldly shouted a few words, and then his divine power exploded, and he saw a dazzling golden light, tearing apart the world and bursting towards Yue Feng. Come.

The golden light is as fast as lightning, carrying the power of destroying the sky and destroying the earth.

Nima!

Yue Feng was shocked. At that time, the front and back retreats were blocked, and he could only use his divine power to deploy a protective film in front of him.

As soon as the protective film condensed and formed, Jin Mang was already in front of him, when he heard a loud noise, the protective film shattered instantly, and Yue Feng also spurted out a mouthful of blood, and was shaken out again.

After flying more than 100 meters, he fell heavily on the steps below the mountain.

Yue Feng's divine power has not fully recovered, and he was traumatized when he fought against the Haotian God King just now.

Whoa!

Seeing this scene, the elite soldiers watching the battle suddenly burst into cheers.

"God King mighty!"

The people in Haitang Garden were all shocked.

"Yue Feng!"

“Fengzi!”

Especially Wen Chou Chou, Su Qingyan and the others couldn't help exclaiming, and then quickly rushed out of Haitang Garden to check Yue Feng's injury.

“Yue Feng!” When she got to the front, Su Qingyan hugged Yue Feng in her arms, her tears kept flowing: “How are you?”

She clearly saw that Yue Feng's face was pale and his aura was very disordered. .

“I'm fine!”

Yue Feng smiled and then scolded: “Qingyan, why don't you leave?” What a good opportunity just now, wasted in vain.

Su Qingyan shook her head and hugged Yue Feng tightly: “Don't you understand? If something happens to you, even if I manage to escape, I won't be alone.”

Silly woman!

Hearing this, Yue Feng was very moved.

hum!

At this moment, Haotian God King Yukong came and said condescendingly: “Yue Feng, let's talk, you lose, let me take this woman away.” The

tone was indifferent, but there was no doubt.

Yue Feng did not respond, and secretly clenched his fists.

At this time, Wen Chou Chou and Sun Dasheng looked at each other, stood up quickly, and stood in front of Su Qingyan.

“God King Haotian.”

Wen Chouchou looked up at Divine King Haotian, and said lightly: “If you want to take someone away, unless you step over my body.” After the words

fell, Sun Dasheng also summoned the opening axe again.

Swish!

Seeing this situation, God King Haotian turned gloomy in an instant, and looked closely at Yue Feng: “Yue Feng, are you going to go back on your word?”

Facing this situation, Yue Feng took a deep breath and turned his head towards Wen Chou Chou and Sun Da Sheng Dao. : “Brother Wen, Great Sage, don’t be impulsive.” Haotian God King is strong and powerful, even if Brother Wen and the Great Sage join forces, there is no chance of winning.

“Fengzi!”

Wen Chou Chou frowned and said, “Did you really let him take away his younger brother and sister?” The

voice fell, and Sun Dasheng also shouted: “Ma De, I don’t care who the other party is, and dare to touch my family, You have to ask me about the opening axe in my hand first.”

Hearing this, Yue Feng had a bitter expression on his face, but at the same time he was also moved beyond words.

Knowing the result, you have to stand up. It is worth having these two brothers in this life.

“Okay, very good!”

Seeing this, God King Haotian narrowed his eyes slightly: “Since you are courting death, then this king will complete you.” After speaking, he slowly raised his hands, and his divine power gathered frantically.

In an instant, a strong murderous aura filled the world.

However, Wen Chou Chou and Sun Dasheng did not flinch in the slightest, standing shoulder to shoulder in front of Yue Feng, their faces full of determination.

hum!

Just at this critical moment, a powerful wave of power suddenly surged in the sky, and then, a group of golden light shone the sky and the earth, and within that group of golden light, a huge golden throne was faintly visible.
