

## The ultimate husband in Chinese chapter 5621-5630

Looking at the slim Hai Ling'er, Yue Feng's eyes lit up, and he couldn't help but praise: "Linger is getting more and more beautiful after not seeing her for so long."

Hearing the praise, Hai Linger was very shy, But I was very happy.

Huh..

Talking and laughing, Yue Feng was stunned when he saw the child in Hai Ling'er's arms, and then his expression became solemn: "This child..." Halfway through, Yue Feng was stuck in his throat and couldn't say any more. .

I saw that the child was white and plump, especially the smart eyes, which were very similar to Mo Yan.

The so-called blood is thicker than water, even if Yue Feng doesn't ask, he knows that this is the child born to him by Mo Yan.

Alas...for

a while, seeing Yue Feng's expression, everyone present couldn't help sighing, and their expressions became sad.

Afterwards, Wen Chou Chou came up and said to Yue Feng, "This is your child. Speaking of which, this child really has a twisted fate, alas, and before, Ya'er almost had a big misunderstanding with Ling'er because of this child. .."

As soon as the words fell, Yue Wuya and Hai Linger showed a bit of embarrassment on their faces.

Yue Feng nodded, with mixed feelings in his heart, slowly took the child and put it on his heart, imagining Mo Yan's tragic death at that time, and it was even more incomparable grief and anger.

Moyan, Moyan, why are you so stupid, that Gone obviously doesn't trust you anymore, and you are still loyal to him.

"Uncle Wen..." At this time, Hai

Ling'er hesitated and said softly, "This child has no name yet. Now that you are back, give him a name."

Linger couldn't help but reached out and touched the child's head.

This child is really pitiful. His mother died before he was sensible, but now, his father is back, and he will not live that kind of life in the future.

Yue Feng nodded silently, thought for a while, and said slowly: "Just call him the Holy One." With Moyan gone, Gone will not end well in the end, and this child has the blood of the Demon Race, it is considered The last ray of hope for the demons.

After naming the child, Yue Feng teased the child for a while, and then handed it over to Hai Linger to take care of it. Afterwards, everyone returned to the hall together.

A few minutes later, under Wen Chou Chou's arrangement, the people below prepared a sumptuous banquet. The crowd gathered around the table, enjoying the wine and talking, and it was so lively.

"By the way!"

After drinking a few glasses of wine, Yue Wuya suddenly thought of something, and said to Yue Feng, "Father, do you have a friend named Mr. Ao in the Divine Realm?"  
The

voice fell, and the eyes of Wen Chou Chou and Sun Dasheng next to him. , also converged on Yue Feng.

Mr. Ao?

Yue Feng was stunned for a while, but instead of answering, he asked, "What is Mr. Ao?"

Seeing his reaction, Yue Wuya and Wen Chou Chou looked at each other and replied, "Before at the main altar of Xia Yinzong, When Hai Linger and I were saving the children at the top of the mountain, we met a man who claimed to be Mr. Ao, he

said that he would go back to Kyushu from the God's Domain with you, but we were separated from you because of an accident in the middle." Wu Ya thought about it for a while, and continued: "At that time, there were several ferocious giant beasts that appeared with him." Then he described the appearance of the giant beast.

Hearing this, Yue Feng was stunned for a moment, then frowned.

It turned out that not only Jialan Beast, but also a person named Mr. Ao was sent from the mysterious realm of the sky.

Mr. Proud, Mr. Proud...

Muttering in his heart, Yue Feng's eyes suddenly flashed, and he immediately thought of Prince Aotian.

Madd...it can't be him.

“Fengzi!”

Seeing his expression, Wen Chou Chou couldn't help but ask: “What's the matter? Is there something wrong with this Mr. Ao?”

Yue Feng took a deep breath, smiled, and said, “The crazy people that Ya'er met. The giant beast, called the Jialan beast, is a unique spirit beast in the Divine Realm.”

“As for that Mr. Ao, I have already guessed who it is, and he is not my friend at all. It is the Prince Aotian who took away the body of others.”

What ? Proud prince?

Hearing this, all the people present were stunned and looked at Yue Feng in confusion.

Yue Feng did not hide it, and explained the identity of Prince Aotian and his grievances in detail.

Swish!

After learning about the situation, everyone's expressions changed drastically.

## **The ultimate husband in Chinese chapter 5622**

After a few seconds, everyone reacted.

“I knew there was something wrong with this Mr. Ao.” Wen Chou Chou put down his glass and said solemnly.

Sun Dasheng was also extremely excited and scolded: “Ma De, this Aotian prince is so bold, he actually tricked him into coming.”

After speaking, Sun Dasheng stood up suddenly: “That guy is practicing in the back room, I'll go. Cut him down.”

Sun Dasheng was in a hurry, knowing that someone was plotting something wrong, he couldn't help it.

Just before he took two steps, he was stopped by Wen Chou Chou: “Great Sage, don't be impulsive, since we know his identity, let's not startle the snake.”

Yue Feng also smiled bitterly, nodded in agreement: “Brother Wen That's right, this Prince Aotian is very cunning, and even though he has taken someone else's body and

his strength has not recovered to the peak, he still has divine power to protect his body, you can't beat him."

Hu!

Hearing this, Sun Dasheng sat back on the chair and said patiently: "Then what should we do?"

Yue Feng thought about it and asked Yue Wuya, "How did this Prince Aotian tell you?"

"He said, after you come back, go to the secret room of cultivation to find him." Yue Wuya responded and couldn't help saying: "Father, the motive of this Prince Aotian is unknown, there must be a fraud."

"Of course there is a fraud." Yue Wuya said. Feng smiled and nodded.

At this moment, Sun Dasheng couldn't bear it any longer, and immediately said: "Since we know that this guy has impure motives, what are we waiting for, just rush in and tie him up."

Alas!

Seeing that Sun Dasheng was still so impulsive, Yue Feng smiled bitterly and said: "Dasheng, with our strength, it will be no problem to join forces to subdue him, but once we do this, we will not be able to avoid casualties."

This chapter is provided by . Visit for daily update.

"Besides, he told Ya'er in advance that I should come back to the secret room to find him. It must have been deployed in the secret room. In order to avoid unnecessary casualties, let's be safe."

Seeing him say this, Sun Dasheng resisted the urge. .

"Fengzi!"

Wen Chou Chou thought for a while, looked at Yue Feng and said, "Have you come up with a solution?" When he spoke, Wen Chou Chou couldn't hide the solemnity on his face.

If it is someone else, who takes the initiative to send it to the door is undoubtedly asking for trouble, but the other party is the prince of the royal family of the gods, just as Yue Feng said, if it is not handled properly, there will be many casualties.

Phew...

Yue Feng took a deep breath, thought for a moment, and smiled: "It's very simple, we'll do what we'll do, and wait for it to work." After speaking, he explained his own way.

At first, Wen Chou Chou was very worried, but seeing Yue Feng's confident face, they did not stop him.

A few minutes later, Wen Chou Chou and everyone began to deploy, while Yue Feng went to the backyard alone.

Squeak!

Arriving outside the secret room, Yue Feng slowly opened the door and said, "Which Mr. Ao is that? I'm back, Yue Feng." As he spoke, he observed the surroundings of the secret room.

This secret room is very large, the size of two basketball courts. At this time, it is night outside, and only a candle is lit in the center of the secret room, so the light is a little dim.

I saw that behind the candlelight, a person was sitting quietly, with his back to the door, as if he was sitting quietly.

Hearing Yue Feng's words at this time, the man responded: "Yue Feng, you are finally here, but I have been waiting for you for a long time." His voice was low, making it difficult to identify his identity.

Ha ha...

At this moment, Yue Feng smiled secretly, this Prince Aotian was really cunning, he deliberately changed his voice to make things mysterious.

Thinking to himself, Yue Feng looked at the man's back and said slowly, "Since you've been waiting for me, and now I'm back, why don't you stand up and meet me? Also, who are you?"

The man was silent for a while. Seconds, he said lightly: "Who am I, you can tell when you get closer."

Hearing this, Yue Feng didn't hesitate and walked over.

Um?

When he was about to approach, Yue Feng was stunned when he saw the situation of the other party.

This is not a real person at all, but an illusion made by divine power.

Discovering this, Yue Feng couldn't help frowning secretly, this Prince Aotian is so cunning, he actually made an image here to confuse people.

## The ultimate husband in Chinese chapter 5623

The one

sitting here is fake, then the real must be hidden around.

"Yue Feng, die."

Just as Yue Feng was muttering secretly, suddenly, a loud shout came from above his head, followed by a figure flying down from the top, with gloomy and excited eyes flashing in his eyes.

It is Prince Aotian.

He followed Yue Wuya to Donghai City, and his ultimate goal was to deal with Yue Feng. The image behind the candle was intended to confuse Yue Feng, while his real body was hidden on the top of the secret room, waiting for an opportunity.

At this time, seeing that Yue Feng's attention was attracted by the image, Prince Aotian made a decisive move.

"It's you!"

Seeing the appearance of Prince Aotian, Yue Feng looked shocked, but he was actually very calm.

Prince Aotian's face was full of viciousness, and he sneered: "It's me, I didn't expect it. If you want to blame, it's your son's stupidity. He was deceived by me with a few words." The

last word fell, and Prince Aotian raised his hand. With a palm, he slammed into Yue Feng's back heart.

However, Prince Aotian didn't know that at this time, Yue Feng had already guessed his identity, and he was fully prepared before coming in.

boom!

This palm was as fast as a thunderbolt, Yue Feng pretended to be unable to dodge, and was beaten on the back, and immediately groaned, the whole person flew more than ten meters away, and finally hit the wall of the secret room and fell.

"Haha!" The

sneak attack was successful, Prince Haotian was full of pride, looked at Yue Feng and laughed: "I said, you will fall into my hands sooner or later, even if you return to Kyushu through the teleportation array, so what? Don't you want to die by my hands?"

Huh...

Facing the arrogance of Prince Aotian, Yue Feng took a deep breath, made a very weak look, and said slowly, "What do you want?"

"Very calm.

Speaking of which, the palm of Prince Aotian was very strong just now, but Yue Feng was already prepared. Before he came in, he put on the blood-winged battle armor presented by the Huashan faction. , the defense is extremely strong, so blocking that palm ninety percent of the power.

It can be said that Prince Aotian's fatal blow just now did not cause any damage to Yue Feng at all.

how about it?

At this time, Prince Aotian didn't know that Yue Feng was playing tricks on him. Seeing his flustered face, he was even more proud at that time: "Hey, this prince came to the human world this time, and the ultimate purpose is to reshape the primordial spirit. "

It's just too troublesome to cultivate on your own, why don't you give me your primordial spirit."

When he said this, Prince Aotian's face was full of confidence. However, he didn't know yet that Yue Feng was not injured at all.

Hehe...

Hearing this, Yue Feng smiled secretly, no wonder he dared to take such a risk, it turned out that he wanted my Primordial Spirit.

Thinking to himself, Yue Feng pretended to be very sad and angry: "Aotian, even if you take away my primordial spirit, you won't be able to integrate for a while. Do you think you can leave here safe and sound?"

Prince Aotian was too lazy to talk nonsense. With a sneer: "After killing you, who else can stop me here?" After

saying that, he walked step by step.

He thought about it. After killing Yue Feng to get Yuanshen, he left immediately. Anyway, people outside didn't know the situation, and no one would stop him.

Soon, Prince Aotian came to him and looked at Yue Feng condescendingly: "Yue Feng, I didn't expect such a day, I tell you, I will definitely get back what I lost."

"And you helped Ao at that time . When Lin and I snatch the throne of the Emperor of Heaven, we are looking for a dead end." The

last word fell, Prince Aotian's eyes flickered grimly, then he raised his right hand and slapped it fiercely on the top of Yue Feng's head.

Take your life first, then take your soul.

Swish!

Seeing that Yue Feng was about to be killed by a palm, but at this critical moment, Yue Feng, who was weak, suddenly dodged away, and in the blink of an eye, he was behind Prince Aotian.

What?

At this moment, Prince Aotian's expression changed, and his heart was also extremely shocked.

This... this is impossible, the palm just now contained 80% of his own power, and it was impossible for Yue Feng to have the power to counterattack when he was slapped.

hum!

Just when Prince Aotian was shocked, Yue Feng smiled and joked: "His Royal Highness, didn't you think of it?"

## **The ultimate husband in Chinese chapter 5624**

At

the moment when the voice fell, Yue Feng raised his hand and hit the back of Prince Aotian.

boom!

All this happened too fast, Prince Aotian was still in shock, and he couldn't dodge in time, when he heard a dull vibration, Prince Aotian spurted out a mouthful of blood, and the whole person was also shaken out.

Pfft!

After flying dozens of meters away, Prince Aotian fell heavily to the ground, his face extremely pale.

Prince Aotian clearly felt that several ribs were broken in his body, and his breath was surging.

“You...”

Prince Aotian endured the severe pain and stared at Yue Feng, his eyes full of anger and puzzlement: “How could you be all right?”

Yue Feng, but his divine power has not fully recovered, it is impossible to be hard. Hold your palm.

What made Prince Aotian unable to figure out what was happening was that Yue Feng, who was in front of him, really had nothing to do with it.

“Haha...”

Facing Prince Aotian’s questioning, Yue Feng showed a smile, then ripped off his jacket, revealing the blood-winged armor inside.

Seeing the blood-winged armor on Yue Feng’s body, Prince Aotian’s expression instantly froze.

At the same time, he also realized in his heart that Yue Feng was already prepared.

This chapter is provided by . Visit for daily update.

Seeing his expression, Yue Feng smiled: “Aotian, you are very courageous, you dare to wait for me to come back at my place, speaking, I was really surprised when I guessed it was you, and I’m also worried that if I really want to fight you, it will cause unnecessary casualties.”

“But fortunately, before I came back, I went to Huashan and got Lu Bu’s blood-winged armor. Like you said, this is God’s will. ,Right.”

Wow..

When the last sentence fell, Yue Feng clapped his hands, and all of a sudden, Wen Chou Chou, who had been waiting outside, rushed in quickly.

The moment they rushed in, everyone was secretly relieved when they saw the scene in front of them.

Afterwards, Wen Chou Chou walked over quickly and said to Yue Feng, “Fengzi, are you alright?”

Yue Feng said it was alright, pointed to the blood-winged armor on his body and smiled, “It’s not quite what I guessed. Prince Aotian secretly attacked, but his strength was offset by the armor.”

Swish!

Hearing this, both Wen Chou Chou and Sun Dasheng glared at Prince Aotian.

In the next second, Sun Dasheng raised his hand and summoned the Kaitian Axe and shouted: “This Prince Aotian is really despicable and sinister, let me kill him.” When the voice fell, he would wave the Kaitian Axe and chop off the Prince Aotian.

The voice fell, and the others nodded in agreement.

“Yes, kill him!”

“Keep it for later...”

Feeling everyone’s killing intent, Prince Aotian didn’t panic at all. After all, he was a royal family of the Divine Realm with a lot of knowledge, but he was a little unwilling.

Yue Feng thought about it and stopped Dasheng Sun: “Dasheng, keep him first.” To be honest, Yue Feng also wanted to kill Prince Aotian, but his identity is somewhat special after all. He is the elder brother of the current Emperor of Heaven. Yes, it will involve a lot of trouble.

Yue Feng thought about it, and temporarily detained Prince Aotian for the time being.

Seeing Yue Feng say this, Sun Dasheng was a little reluctant, but he still put away the opening axe.

A few minutes later, Prince Aotian was detained.

.....

On the other side, the Nalan family.

In the garden, Gogne was cleaning the yard with a broom. Because he was a disciple of a foreign surname, he was not qualified to practice the exercises of the Nalan family for the time being, so he could only do chores.

To be honest, as the Supreme Being of the Demon Race, Gogne was repulsed from the bottom of his heart, but there was no way, in order to hide his identity and have a quiet cultivation environment at the same time, he could only endure it temporarily.

Swish...

A few minutes later, after sweeping the leaves, Gogne wiped his sweat and sat in the pavilion to rest. He has been in the Nalan family for a day. During this day, Gogne has been hiding the power of his demon soul. Only when he rests at night, he secretly cultivates and recovers.

“Hey!”

As he was resting, he heard a charming voice from behind: “After sweeping the yard, go to my house and mow the lawn.”

Gogne frowned, looked back, and saw Na Lan Wushuang stood there arrogantly.

In Nalan Wushuang’s heart, the disciple with the foreign surname in front of him is similar to the servant, and he can do whatever he wants.

## **The ultimate husband in Chinese chapter 5625**

Phew

...

Feeling Nalan Wushuang’s arrogance, Gogne was very displeased, but thinking of his situation, he took a deep breath to calm down, and said slowly: “Miss, I’m only responsible for cleaning the yard , mowing the lawn is not what I want to do.”

Hearing this, Nalan Wushuang frowned and said very displeased: “If you want to go, you can go, why is there so much nonsense? I tell you, you are just A disciple with a foreign surname, don’t think too much of your status, understand?”

Gogne didn’t bother to argue, he picked up his broom, turned around and left.

Seeing his attitude, Nalan Wushuang suddenly became angry: “Hey, are you deaf? Can’t hear you...”

While arguing, he saw a slender and charming figure walking slowly into the garden.

A long beige dress gives people a feeling of tranquility and elegance. Coupled with that charming face, any man will be intoxicated when he sees it.

It was Nalan gladly.

“Unparalleled!”

Seeing the scene in front of him, Nalan gladly opened his red lips and said, “What are you arguing about here?” As he spoke, he looked at Gone lightly.

In Luochan Temple before, Hong Wei and dozens of rat disciples disappeared for no reason, which made Nalan Xinran very puzzled, and guessed that the matter was related to Gone.

When Nalan Wushuang ordered Gone to work just now, Nalan was glad to have seen it outside the garden. He didn't come to stop it immediately, just to see how Gone would react.

I thought that Gogne would turn against Nalan Wushuang, but he didn't expect him to be so calm.

This also made Nalan Wushuang realize that this person was so calm that he was not a nobody on the rivers and lakes.

This chapter is provided by . Visit for daily update.

“Little sister..”

At this time, seeing Nalan gladly appeared, Nalan Wushuang immediately put away his savage attitude, and said with a cute face, “I didn't make a fuss, I just wanted this foreign disciple to mow the lawn in front of my house, who is it? I know he's so rude.”

After saying that, he didn't forget to give Gone a stern look.

Nalan nodded happily and said softly: “Okay, he just arrived and he is not familiar with the situation, so don't make it difficult for him.” After speaking, he motioned Nalan Wushuang to leave.

Nalan Wushuang did not dare to disobey, so he responded and left the garden.

call!

As soon as his forefoot left, Gognie came over and gave Nalan a happy salute: “I have seen the lady.” On the surface, he was calm, but he was thinking secretly in his heart. Nalan suddenly came over, something must have happened.

Nalan nodded happily and said softly, “Nie Zhan, are you still used to it here?”

“Not bad!” Gogne smiled and responded.

“That's good!”

Nalan thought about it happily: "You just came here, and the environment here is not familiar. I just happen to be fine today, so I will show you around.

" Flickering complex.

Of course, she didn't want to bring Gone to familiarize herself with the environment, but to test it. In the northwest of the garden, there was a fenced-in forest in which two wind spirit wolves were raised.

Nalan Xinran's temptation was very simple. He took Gone into the woods, and then made an excuse to leave. Feng Linglang saw a stranger entering, and he would definitely attack. In the face of danger, this person would definitely reveal his true strength.

"Okay!" Gone nodded without thinking.

As the Supreme Being of the Demon Race, Gone didn't know Nalan's happy purpose, but he also knew that this eldest lady would not familiarize herself with the environment for no reason.

All in all, just do it by chance.

Nalan gladly didn't say more, nodded, and walked towards the woods with Gone.

Um?

As he approached the woods, with his keen perception, Gogne instantly sensed that there was the breath of beasts in the depths of the woods. He immediately understood something, and smiled secretly in his heart.

This Miss Nalan is trying to test my strength.

Realizing this, Gogne remained calm and pretended to know nothing.

Soon, after walking in the woods for a while, Nalan happily said: "I suddenly remembered something, don't walk around, just wait for me here." The

voice fell, and Nalan happily walked into the side road, and soon disappeared from sight. In fact, Nalan Xinran did not go far, but hid in the distance to observe the situation here.

## **The ultimate husband in Chinese chapter 5626**

Nalan's every move can't escape Gone's eyes.

Seeing her hiding not far away, Gone's mouth curled into a smile, pretending to be ignorant, standing there and waiting quietly, since you want to test me, then play with you.

“Roar...”

At this moment, a roar came from the depths of the woods. Gone heard the sound and saw two huge figures, rushing over as fast as lightning.

It was two wind spirit wolves.

The wind spirit wolf is the most common spirit beast in the Kyushu continent. It lives in groups and is between ten and fifteen meters in length.

The two heads in front of them are 30 meters long, their bodies are covered with snow-white hair, like silver satin, their eyes are like copper bells, flashing with bloodthirsty light, and their bodies are filled with a powerful aura, their strength has reached the transcending tribulation realm. Early stage.

These two wind spirit wolves have been raised by the Nalan family for decades, and their strength is far superior to their counterparts.

“Hooho...”

At this moment, the two wind spirit wolves locked their eyes on Gone, and let out a roar. The huge figure was like lightning, waving its sharp front claws, and rushed over quickly.

Kachacha...

As the claws were swung, a piece of blue lightning erupted. In the blink of an eye, within a radius of several dozen meters, it was directly enveloped by lightning. As long as you are hit by these lightnings, you will be severely injured. If it is anyone else, you will be shocked.

Gone didn't panic at all, but thinking of Nalan Xinran, who was secretly observing not far away, he still made a very flustered look and pretended to turn around and run away.

Of course, when he turned to escape, Gone did not activate the power of the demon soul.

call!

This chapter is provided by . Visit for daily update.

At this time, Nalan was pleased to see the situation here, with a trace of solemnity on the beautiful face, and at the same time took out a beautiful jade flute from his body.

This jade flute is used to train the wind spirit wolf. As long as the flute is played, the wind spirit wolf will stop attacking.

However, Nalan was glad not to be in a hurry. She wanted to see if this 'Nie Zhan' really hid his strength. If he was really a master, the two wind spirit wolves wouldn't be able to hurt him at all.

If not, play the flute at the last minute.

At this time, Gogne's side.

Without using the power of the demon soul, Gogne's speed was not as fast as lightning, and he was quickly hit. In an instant, Gogne was paralyzed by lightning and his speed slowed down.

At this time, the two wind spirit wolves also rushed to the front, and the sharp claws on Gogne's shoulders tore several long wounds. Suddenly, blood sprayed, dyeing the ground a blood red.

For a time, Gogne's situation was extremely dangerous.

This...

Seeing the situation here from a distance, Nalan happily bit his lip and thought to himself.

Hasn't this guy lied before?

Even two wind spirit wolves can't deal with it, how could it be possible to make more than a dozen people from the Rat Society disappear?

Thinking of this, Nalan was so pleased that he didn't have time to think about it, so he was about to play the flute, but when he saw the next scene, his body trembled, and the whole person was stunned.

Putong putong...

I saw that after the two wind spirit wolves saw the blood, their fierceness was completely stimulated, but I don't know why, all of a sudden they crawl in front of Gogne, not daring to move at all, as meek as a kitten .

Are you dazzled?

Nalan stood there happily, staring blankly at this scene, his eyes filled with incredible.

She knows these two wind spirit wolves too well, and their temperament is bloodthirsty and cruel, especially if they smell blood, it will become difficult to control, but at this time, they suddenly become so docile, it is incredible.

At this time, Nalan Xinran didn't know yet that the two wind spirit wolves were deterred by Gone's demon blood.

Bloodline suppression is the law of heaven and earth.

The demons were originally separated from the gods. The demon blood in the body has a strong deterrent power to any spirit beasts in the world. Even the four great beasts, in the face of the powerful demon blood of Gone, dare not make a mistake. , let alone two wind spirit wolves.

call!

After a full ten seconds, Nalan was relieved, put away the jade flute, and hurried over.

Aware of Nalan's willingness to come over, Gone immediately crouched down, touched Feng Linglang's head, and calmly reassured: "Be good, don't attack people casually..."

## **The ultimate husband in Chinese chapter 5627**

Hearing Gone's words, the two wind spirit wolves flicked their tails and made a whining sound, as if they were responding.

"You..." Nalan Xinran was already in front of him at this time. Seeing this scene, he was even more surprised. Then he couldn't help but say

: "Are you alright, I forgot just now, there are two wind spirit wolves here."

, Nalan Xinran's delicate face was full of apology, and she looked surprised, but she never told a lie since she was a child, so she didn't dare to look at Gone.

"It's okay!"

Gone took a deep breath and responded with two words, then tore a piece of cloth from his body and bandaged the wound, looking a little weak.

In fact, just two scratches were nothing to Gogne.

Phew...

Hearing the answer, Nalan Xin secretly breathed a sigh of relief. It's alright, it was really dangerous just now, and he almost lost his life.

Rejoicing in his heart, Nalan readily realized that the 'Nie Zhan' in front of him really had no hidden strength, but he was very puzzled, so he couldn't help asking: "How could they suddenly become so obedient?"

"Nalan happily looked at the two wind spirit wolves lying on the ground.

"This..."

Gone pondered for a while, and said very calmly: "I used to learn animal language from an expert in Jianghu. Just now, I tried to communicate with them at a critical moment. I didn't expect it to be useful."

Saying that, Gogne pretended to wipe the cold sweat from his forehead: "But it was really dangerous just now, I really thought I was going to die."

The matter of the suppression of blood can never be said, and can only make up a reason.

This chapter is provided by . Visit for daily update.

I see.

Hearing this, Nalan nodded with joy. In ancient times, there were many beast masters. No matter how ferocious spirit beasts, they could be tamed, and they could even communicate with spirit beasts in animal language. Art and animal language have long been lost. Unexpectedly, the strength of this person in front of him is not very good, and he can speak animal language.

Thinking of this, Nalan couldn't help but ask: "Where is the master now?"

Gone smiled bitterly: "I learned Beast Language, it was a few years ago, which master is now, I I don't know."

Hearing this answer, Nalan's happy and delicate face showed a trace of loss, and he stopped asking more questions. Seeing Gone's pale face, he said softly, "You have lost a lot of blood, go back and rest."

With that, Nalan gladly expelled the two wind spirit wolves and let them leave.

However, the two wind spirit wolves were terrified by Gone's blood, lying there, not daring to move.

Seeing this, Gone patted their heads, and the two wind spirit wolves stood up tremblingly and returned to their lair.

Afterwards, Gogne and Nalan gladly said goodbye and returned to their room to rest.  
call!

At this moment, Nalan happily looked at the back of Gone's departure, and couldn't help but let out a sigh of relief, and there was a hint of complexity in his eyes.

Although after a test just now, it was determined that this "Nie Zhan" was not strong, but Nalan Xinran had an indescribable feeling that this man was like the sea, unfathomable.

After thinking for a while, Nalan went straight to the study in the front yard.

In the study, Nalan Hong was looking through an ancient book, and when he saw Nalan coming in happily, he suddenly showed a loving smile: "Xin Ran, I don't know how to knock on the door when I came in, what's the matter?"

Nalan Xin Ran bit his lip lightly . , said, "Father, I tested that Nie Zhan just now!"

Immediately, Nalan readily explained what had just happened in detail.

Swish!

Knowing the situation, Nalan Hongzheng was stunned for a moment, closed the ancient book, and said solemnly: "This person is not strong enough to understand animal language? It's really interesting, I knew this kid is not simple."

Said, Nalan Hong was thinking After thinking about it, looking at Nalan smiled happily: "Okay, you can go to rest, and leave this matter alone for the time being."

Although her daughter is strong, her experience is very weak, and it is easy to be confused by the surface of things.

He thought about it, and went out in person in the evening to explore the truth of this 'Nie Zhan'.

...

In the middle of the night, the entire Nalan Manor was peaceful.

In the room, Gone was sitting cross-legged.

I saw that, with the power of the demon soul, white mist rose from the top of Gonie's head, and the wound on his shoulder was healed at a speed that the naked eye could see.

## The ultimate husband in Chinese chapter 5628

Bang Bang...

At this moment, there was a knock on the door.

Gone suddenly opened his eyes and tried to calm his tone: "Who is it?" Although he couldn't see it, Gone could clearly feel that the people outside the door had a calm and long breath, and their strength was not weak.

As soon as the voice fell, the person who came responded lightly: "It's me."

It was Nalan Hongzheng's voice.

call!

Knowing that it was Nalan Hongzheng, Gone's eyes flickered, and he immediately guessed that it must be because of the day's affairs, and he came to ask specifically. After answering at that time, he quickly wrapped his shoulders with a bandage, and then stepped forward to open the door.

Outside the door, Nalan Hongzheng stood there quietly, his expression was calm, and he could not see the anger.

Gonie showed a respectful look: "Master, is there something wrong?"

As the Supreme Being of the Demon Race, Gonie didn't want to call the master of the other party in his heart, but he had no choice.

"Haha..."

Nalan Hongzheng smiled slightly: "It's nothing, I heard from your senior sister Xinran that you were attacked by the wind spirit wolf during the day and were injured, so come here to see for your teacher." As he

said, Nalan Hongzheng strode into the room.

Gone quickly followed, then moved a chair and sat down for Nalan Hongzheng.

As soon as he sat down, Nalan Hong glanced at Gone's injured shoulder and said slowly, "I heard from Senior Sister Xinran that you were in a critical situation at the time,

and you finally saved your life by communicating with Feng Linglang in animal language?”

asked At the time, Nalan Hong was always paying attention to the changes in Gone’s expression.

Gone nodded and answered honestly: “Yes, the incident happened suddenly, and the disciple jumped.” He said that, but his heart was gloomy.

This old fox is still doubting me.

Hearing the answer, Nalan Hongzheng thought for a while, and continued to ask: “It is said that your animal language was learned from an expert in the arena?”

“Yes.”

Nalan Hongzheng’s eyes flickered, and his expression suddenly became serious. :  
“Who is the master’s last name? He Zongmen?”

Gone pondered, shook his head and said, “This... disciple doesn’t know, that master is very low-key. When I passed on my animal language, he didn’t reveal it. Name.”

“Really?”

Nalan Hongzheng laughed and looked at Gone meaningfully: “Since you understand the language of animals, I will ask you for my teacher. There are many factions of the former beast masters, and the beasts of each faction are different. The languages are different, which faction’s animal language did you learn?”

In Nalan Hongzheng’s study, there are several ancient books about animal masters, and at this time, I took the opportunity to ask Gone, if you can answer It proves that it is true that he can speak animal language.

This...

Facing the questioning, Gone frowned and pondered.

He doesn’t understand animal language at all, how can he know that a beast master can be divided into so many factions?

Swish!

Seeing that he couldn't answer, Nalan Hongzheng chuckled, stood up abruptly and scolded: "You don't understand animal language at all?" With that, he shot like electricity and quickly grabbed the bandage on Gogne's shoulder.

The distance between the two sides was very close, and Gogne didn't have time to react. The bandage was torn off at once, revealing the wound inside.

I saw that the wound had healed, leaving only a few shallow scars.

Seeing this situation, Nalan Hongzheng's face was extremely solemn, and he said angrily: "The wound is recovering so quickly, it seems that my guess is good, you have been hiding your strength."

"Say, who are you? You deliberately joined my Nalan family. , for what purpose?"

Om!

The last word fell, and Nalan Hongzheng's inner strength exploded, his eyes locked on Gogne, and he was ready to shoot at any time.

Faced with this situation, Gogne didn't panic at all, instead he showed a smile, and said lightly: "I wanted to stay here for a while, but you guys have always been suspicious of me, well, since you found out, I I won't hide it."

After speaking, Gogne's face showed a bit of arrogance, and he said word by word: "Actually... I am Yue Feng, the Lord of Tianmen." He deliberately said the wrong identity, just to disturb Nalan Hongzheng's mood.

What?

Sure enough, when he heard this, Nalan Hongzheng was shocked, but his head was buzzing.

The Nalan family and Tianmen have always been friends, and they are considered close alliances. Why did Yue Feng pretend to be lurking in the Nalan family?

At this time, Nalan Hongzheng, without doubting Gogne's words, really thought that the person in front of him was Yue Feng. You must know that Yue Feng is not only excellent in strength, but also good at disguising. At this time, it is not unusual to put on makeup to look like another person.

...

Just when Nalan Hongzheng was shocked, Gone suddenly shot and directly sealed several acupoints on his body.

In an instant, Nalan Hongzheng was shocked, unable to move.

At this time, Gone no longer hides the power of the demon soul, and the terrifying aura fills the entire room, suffocating.

“You...”

Nalan Hongzheng was extremely shocked when he felt the terrifying power that pervaded Gone’s body, and at this time he fully understood: “You are not Yue Feng.”

Gone chuckled lightly: “Yes, I am not Yue Feng. Speaking of which, you, the patriarch of the Nalan family, are quite skilled. The deity has restrained his magic power and has been very careful, but you still see through it. If you have the strength of the God King Haotian, I really don’t know what to do. I’ll deal with you.”

“But unfortunately, you are just a humble human being. The deity did not intend to deal with you, but if you come to the door, don’t blame the deity.”

Deity?

Hearing Gone’s claim, Nalan Hongzheng’s mind was in a mess. He quickly thought of the situation in which the demons were ravaging the rivers and lakes a year ago, and then he realized something: “You...you are a demon...”

When he spoke, Gone’s heart trembled, and under the suppression of Gone’s terrifying magic power, his voice trembled.

Just before he could finish speaking, Gone said coldly: “No need to guess, the deity Lord of the Demon Race, Gone.”

Om!

The last word fell, Gone raised his hand and waved, and deployed a magical barrier around the room with the power of the demon soul, completely isolating the outside, and the room became a completely independent space in an instant.

Seeing this situation, Nalan Hong was instantly nervous: “What are you going to do?”

Gone did not answer, but recited the formula in his mouth, then raised his right hand and pressed it on the top of Nalan Hongzheng’s head, the power of the demon soul poured in continuously.

What Gone was using was the Demon's Soul Control. Once controlled, it will be completely reduced to a puppet.

"Ah...." The

powerful magic power continued to pour into the body, Nalan Hongzheng only felt that the meridians in his body were about to burst, and the pain was simply unbearable, and he couldn't help crying immediately.

"Someone....come..."

Nalan Hongzheng kept shouting at the outside in the miserable howls. However, Gone had deployed a magic barrier around in advance, completely isolated from the outside world. The screams were not heard by anyone outside.

While shouting, Nalan Hongzheng was also trying to motivate his inner strength to resist, but his inner strength was not worth mentioning to Gone at all.

After just ten seconds, Nalan Hongzheng's tragic howl became smaller and smaller, and finally his eyes darkened and he passed out completely.

At this time, the soul control technique was completely completed.

call!

At this moment, Gone took a deep breath, and a smile appeared on his face.

Controlling Nalan Hongzheng is equivalent to controlling the Nalan family.

However, these are not enough, there are still many things to do in the future.

Gone thought for a moment, and quickly drew up a plan in his heart, then raised his hand to remove the surrounding magic barrier, and at the same time restrained the power of the magic soul.

After doing this, Gogne sat on the chair and quietly waited for Nalan Hongzheng to wake up.

Half an hour later, Nalan Hongzheng slowly woke up, looked at Gone in front of him, got up quickly, and said respectfully, "Master!"

At this time, Nalan Hongzheng had an extremely humble expression.

Gone snorted, and gave Nalan Hongzhi the plan he had just thought of, and then waved his hand: "Okay, you can go out and tell the family, no one is allowed to approach my room without permission. ."

“Yes, Master.”

Nalan Hong responded righteously, and then exited the room.

....

on the other side.

In the mountains and forests dozens of miles away from Donghai City, two slim figures are moving fast.

Both women wore long skirts with charming curves, but their delicate faces couldn't hide their tiredness.

It was Su Qingyan and Liu Ruxue.

After leaving the cave before, Su Qingyan and Liu Ruxue rushed to Donghai City as soon as possible, but it was not peaceful along the way, and they kept encountering the patrolling magic soldiers.

At this time, Su Qingyan looked at the surrounding environment and smiled at Liu Ruxue: “Hold on, we'll be there soon.”

On the way, Su Qingyan and Liu Ruxue did not stop, and at the same time they had to avoid the patrolling magic soldiers, which can be said to be exhausted.

Um!

Hearing Su Qingyan's words, Liu Ruxue nodded, feeling much better.

Swish...

But at this moment, more than a dozen figures flew from the sky not far away, all of them wearing armor, they were magical soldiers patrolling nearby.

Seeing this situation, Su Qingyan's body trembled.

The speed of Haotian God King is also fast. So soon, near Donghai City, he has deployed magic soldiers to patrol.

Thinking about it, Su Qingyan became anxious in her heart. The surrounding woods were not very dense, and it was easy to be discovered. What was even worse was that she and Liu Ruxue had not recovered their strength, so they were not opponents at all.

“You go first.”

At this time, Liu Ruxue bit her lip tightly and said, “I’ll draw them away.” As

soon as she finished speaking, Su Qingyan shook her head: “No, it’s too dangerous.” They were about to reach the East China Sea City, how can we separate?

However, Liu Ruxue made up her mind and said earnestly, “This place is very close to Donghai City. I will cover you, and you can go back to rescue soldiers. Don’t worry, I won’t let them catch them.”

She knew very well that the two If they do not separate, they will definitely be caught by this team of patrolling soldiers, so it is better to take a risk.

“But...”

Su Qingyan was full of worry, opened her mouth, and wanted to persuade.

Just before she could finish speaking, Liu Ruxue smiled: “This is the only way. Even if I am caught, you can find a way to save me. If we are all caught, there will be absolutely no way.”

After finishing speaking, before waiting for Su Qingyan to respond, Liu Ruxue tapped the ground with her toes and stood up.

Swish!

As soon as they arrived in the air, the magic soldiers not far away found Liu Ruxue and shouted.

“It’s the woman who escaped from Xia Yinzong before.”

“Catch her...” During the

shouting, more than a dozen divine soldiers moved their figures and quickly chased after Liu Ruxue.

Liu Ruxue naturally wouldn’t sit still. As soon as her tender body turned, she flew towards the distant mountains and forests. In just a few short breaths, Liu Ruxue and those divine soldiers disappeared from sight.

Huh....

Seeing this situation, Su Qingyan felt anxious, and immediately prayed secretly in her heart.

You must not be caught.

Afterwards, Su Qingyan no longer hesitated, and hurried towards Donghai City.

...

on the other side, the Nalan family.

Gogne meditated quietly in the room all night, opened his eyes again, and it was already bright outside.

“Nie Zhan!”

At this moment, a disciple rushed over, stood outside the door and shouted, “Master has something to announce, hurry up to the hall.” After speaking, he turned and left. He didn’t mean to wait for Gogne at all.

In the hearts of the disciples of the Nalan family, Gogne is just a disciple with a foreign surname and has no status at all.

Feeling the indifference of the departed disciple, Gogne did not take it to heart at all, because starting from today, his status in the Nalan family will undergo earth-shaking changes.

So Gogne didn’t rush, first changed his clothes, and then after washing, he walked slowly to the hall.

Soon, in the hall.

I saw that Nalan Hong was sitting on the main seat, with several elders sitting on both sides.

In the middle of the hall, all the disciples were basically there. Nalan stood in the most conspicuous position, wearing a long red dress, indescribably charming.

Swish!

Seeing Gogne in at this time, whether it was a few elders or those family disciples, they all frowned secretly, with displeased and contemptuous expressions on their faces.

“This disciple with a foreign surname is really outrageous. He was late for the first time.”

“No rules...”

“Let’s see how he will be punished later.” As

everyone discussed, Nalan Xinran frowned. Like everyone else, she also thought that Gone would definitely be punished for coming so late.

“Okay, Nie Zhan is here.”

Seeing Gone’s late arrival, Nalan Hongzheng didn’t show displeasure, but said with a smile: “Nie Zhan, just stand beside Xin Ran.

” With that, Nalan Hong looked around and said in a serious tone: “To announce something today, Nie Zhan is extremely talented and is a rare talent, so I decided to officially accept him as a closed disciple today.”
