

## The ultimate husband in Chinese chapter 5741-5750

Xiangliu

has practiced for thousands of years, and has long practiced the realm of invincibility, let alone ordinary flames, even the top ten strange fires are not afraid.

However, Xiang Liu at this time did not know that the flame condensed by Yue Feng at this time was more terrifying than the different fire in the world, but the red lotus karmic fire unique to God's Domain.

hum!

The moment he swallowed the fireball, Xiang Liu's huge body trembled suddenly, and he felt a heat current raging all over his body, and the burning sensation spread from the inside out, instantly spreading throughout his body.

"Ah..." The

intense pain came, and Xiang Liu couldn't help crying out loudly.

Crash....

Because of the huge body, the surrounding buildings were crushed into ruins, Wen Chou Chou, Su Qingyan, and the people around them all fled to the distance.

Soon Xiangliu couldn't hold it any longer, his body trembled violently, and he asked Yue Feng in horror, "You...what kind of fire are you?"

At this time, Xiangliu only felt that he was about to be cooked.

call!

Yue Feng was quietly suspended in mid-air, looking down at Xiang Liu, and said lightly: "Have you heard of the Faye Red Lotus? This is the red lotus karma formed by the Faye Red Lotus."

Faye Red Lotus?

Hearing these four words, Xiang Liu's body was shocked, and there was a trace of horror in his eyes.

Having lived for thousands of years, Xiangliu has a lot of knowledge. Although he has never been to the realm of the gods, he has heard of it. There is a unique red lotus in

the realm of the law. It only appears once in thousands of years, and it appears for a very short time. , is almost fleeting, so very few people can see it with their own eyes.

And it is even rarer to get the red lotus of the law.

However, he never thought that Yue Feng, who was in front of him, had the power of the red lotus of the law.

Shocked in his heart, Xiang Liu instantly lost his previous arrogance, hurriedly crawled on the ground, and begged for mercy in a row: "Forgive your life, forgive your life, I was wrong, I have eyes but don't know Mount Tai."

"I don't want to die yet, I beg your Excellency to Let me open up and spare my life." To

be honest, Xiangliu has a cold and arrogant personality, and wanted Yue Feng to beg for mercy, and was reluctant in his heart, but there was no way, this red lotus karmic fire can burn everything, if you don't beg for mercy, only Afraid that there will be no ashes left.

Is this begging for mercy?

Seeing this situation, Yue Feng didn't have the slightest emotion on his face, but he thought secretly in his heart.

Although this Xiangliu did nothing wrong, he almost killed Dasheng Sun first, and then blasphemed Su Qingyan, but the poison in his body is a good thing, and it can refine the elixir of rejuvenation.

If you can completely subdue it and stay by your side, it may be useful.

call!

Thinking to himself, Yue Feng took a deep breath and said lightly to Xiang Liu: "You can spare your life, but there are a few conditions that you must agree to, otherwise, you will just wait to be burned to ashes." The

tone was cold . Of course, no doubt.

"Okay, okay." Xiangliu didn't dare to violate the slightest, and nodded again and again like a chicken pecking at rice.

Yue Feng thought for a while and said slowly: "You must always surrender to me, and you must not have two hearts. You are not allowed to commit crimes in the future, and you must strictly abide by the rules of Tianmen..." After

speaking, he said the rules of Tianmen. came out.

At the end, Yue Feng said coldly: "If you commit any one, I will never forgive you lightly."

This....

After hearing this, Xiang Liu's face turned pale instantly, and he couldn't tell the resistance in his heart.

There are so many rules, you can't be close to women, you can't do what you like, it's better to die.

However, in the face of Yue Feng's gaze, Xiang Liu did not dare to disobey at all, and lowered his head and said, "Don't worry, Master, I will strictly abide by it." When answering, Xiang Liu's face was sincere, but his eyes flashed with ruthlessness.

Ma De, this Yue Feng thought that the red lotus karmic fire would be able to control me, you wait, when I find a chance, I will definitely let you not survive or die.

hum!

Seeing Xiangliu agreeing to the conditions, Yue Feng raised his hand and waved back the red lotus fire in Xiangliu's body.

"Yue Feng, don't believe it."

At this moment, Su Qingyan, who was not far away, suddenly changed her delicate face and couldn't help exclaiming. You must know that among the people present, Su Qingyan had the most contact with Xiang Liu, and she also understood the cunning of this Xiang Liu the most.

## **The ultimate husband in Chinese chapter 5742**

When he was in the abyss, Xiang Liu promised to be Liu Ruxue's valet in order to lift the restriction on divine power in his body, but after he left God's Domain, Xiang Liu changed his face.

At that time, if it wasn't for Yue Feng pretending to be a god general and disrupting Xiang Liu's plan, the consequences would really not be imagined.

Therefore, seeing that Yue Feng was going to give Xiang Liu a chance, Su Qingyan stomped her feet in a hurry.

Hearing Su Qingyan's cry, Yue Feng was stunned.

"Hey, do you want to subdue me?"

At this moment, Xiang Liu grinned: "Even if you have the Red Lotus Karmic Fire, you are not qualified to be my master, go to hell." The Red Lotus Karmic Fire left the body, Xiang Liu was freed and immediately burst into power.

hum!

The moment the words fell, Xiang Liu opened his bloody mouth and sprayed out a piece of venom towards Yue Feng.

These venoms contain the essence of Xiangliu's poisonous poison. When they meet the air, they instantly form a dark green poisonous mist, which directly envelopes Yue Feng.

"Brother Feng..."

Seeing this scene, the surrounding Tianmen disciples stepped back to dodge the poisonous fog, and at the same time they shouted loudly.

At the same time, Wen Chou Chou and Su Qingyan were also anxious.

Oops, being enveloped by this violent poisonous mist, can you still survive? You know, before Dasheng Sun was poisoned, he almost died. In the end, Shennong shot and changed Yue Feng's blood, and finally saved his life.

"Yue Feng."

At this moment, Su Qingyan wanted to rush over, but was held back by several Tianmen disciples, tears kept streaming down at that time: "Yue Feng, don't you have anything to do..."

This chapter is provided by . Visit for daily update.

But at this time, Wen Chou Chou, who was beside him, calmed down and looked at the cloud of poisonous fog thoughtfully...

"Hahaha..."

At this time, Xiang Liu swam with his huge body, wandering in the poisonous mist. At the edge of the fog, his eyes were full of

pride : "Yue Feng, although you are very strong, but you lack experience in the arena ...." The

laughter resounded over the entire Haitang Garden, indescribably harsh.

At this moment, Su Qingyan's delicate body trembled, and tears flowed down her face: "Yue Feng, why do you underestimate the enemy? If something happens to you, what should I do..."

"Brother and sister!"

At this moment, Wen Chou Chou stared at the poisonous mist, and couldn't help but said, "Don't be sad, Feng Zi should be fine." His voice was not loud, but he was full of affirmation.

Su Qingyan was stunned for a moment, then tilted her head to look at Wen Chou Chou: "Really?"

Wen Chou Chou smiled slightly: "You forgot how the poison of the Great Sage was solved before. Feng Zi's blood can save the Great Sage, naturally It can also be immune to this snake venom."

Yes...

Hearing this, Su Qingyan burst into tears and laughed.

"Haha..."

At this time, Xiangliu was still there proudly: "When I poison you, the power of your red lotus will belong to me, and no one will be my opponent, haha. , I'm really looking forward to it..."

After saying this, Xiang Liu felt that the time was almost up, Yue Feng must have died in the poisonous mist for so long, so he opened his mouth and inhaled the poisonous mist.

What?

It was just at this moment, seeing the scene in front of him, Xiang Liu's huge body trembled suddenly, his eyes widened, filled with incredible writing.

I saw that Yue Feng was suspended there quietly, his expression was indifferent, his complexion was as usual, and he did not receive the slightest harm from poisonous gas.

This...

Xiang Liu was frozen there, his brain buzzing.

how can that be? In the world, no one can stop his own poison, but Yue Feng, who is in front of him, has nothing to do.

Wow...

At this time, the people around Tianmen who were worried about their abilities suddenly burst into cheers.

“Great, Brother Feng is all right.”

“I knew that there was a poisonous fog in the area, how could it hurt Brother Feng?”

The cheers of everyone came from you and me, and Xiang Liu was completely stupid.

Finally, after a few seconds, Xiangliu reacted and asked Yue Feng stutteringly:

“You...why are you not afraid of my snake venom?”

Hehe...

Yue Feng sneered: “Snake venom just wants to hurt me. I, you are too naive, tell you, I am the body of the Profound Sage, and I am invulnerable to all poisons.” After

speaking, Yue Feng’s eyes were cold: “I wanted to give you a chance, but you don’t take it well, then you can’t blame me. It’s over.” The voice fell, Yue Feng’s figure was as fast as lightning, and he went straight to Xiangliu.

## **The ultimate husband in Chinese chapter 5743**

“Forgive your life...”

Xiang Liu was shocked when he saw Yue Feng’s eruption. The poisonous raid at the bottom of the box was invalidated by Yue Feng, and he had no courage to fight at this time.

However, this time Yue Feng no longer gave it the slightest chance.

boom!

When he got to the front, Yue Feng’s divine power exploded, and he slapped Xiang Liu’s head with a palm, and he heard its huge body tremble suddenly, let out a wailing, and then fell to the ground with a slam and took his last breath.

Whoa!

Seeing this scene, whether it was Wen Chou Chou, or Su Qingyan and the people around, they were all excited.

Many disciples even cheered.

“Yue Feng!” With

joy, Su Qingyan ran over quickly, hugged Yue Feng tightly, and scolded: "Yue Feng, you bastard, do you know how worried I was about you just now?"

"Said, with a smile on his face.

Yue Feng smiled slightly, lowered his head and kissed her cheek, and said with a smile: "I don't have full confidence, how can I fight this evil beast?"

"Besides, we haven't had children yet, so I won't. It's so easy to die."

Shuh!

Hearing this, Su Qingyan's delicate face instantly turned red.

This chapter is provided by . Visit for daily update.

What time has it been, yet so unethical.

Seeing her shy face, Yue Feng laughed, feeling very happy, then turned around and walked over, dismantled Xiang Liu's body, and took out the inner alchemy.

At this time, the surrounding people also gathered around, and when they saw Xiang Liu's inner core, they all exclaimed.

As you can see, this inner core is the size of a fist, it is blue-gold, and it emits a dazzling brilliance in the sun, which is very rare.

"The blue-gold inner core."

Wen Chouchou stared at it for a moment, and couldn't help but admire: "This is the first time I have seen this type of inner core."

Yue Feng smiled slightly: "This thing has lived for thousands of years, and it has long been different from ordinary people. The spirit snake is different. If it has been on the right path, it has already turned into a dragon, but it has gone the devil's way."

"But this inner pill is very rare, comparable to a dragon ball."

After speaking, Yue Feng put away the inner pill, Then he instructed the surrounding Tianmen disciples to dispose of Xiangliu's body.

"Fengzi!" At this moment, Wen Chou Chou thought of something, and couldn't help asking: "Wei Changhai said before that you brought a little girl to visit Senior Shennong, what's the matter?"

Su Qingyan replied: "Also, Miss Liu seems to be gone." When it came

to Liu Ruxue, Su Qingyan couldn't help but worry. Speaking of which, the two women started from the Xia Yinzong, and together they fought the enemy together. After experiencing several lives and deaths, in Su Qingyan's heart, Liu Ruxue has been regarded as a sister.

Now that Liu Ruxue has not heard from her, she is naturally very worried.

Hehe...

Yue Feng couldn't help laughing, and said slowly: "The little girl I brought is Liu Ruxue. This woman, who wanted to seek revenge for Prince Aotian, wanted to leave and took me before leaving. The elixir that was just refined turned out to be a child..." As he

spoke, Yue Feng explained the situation at that time in detail, of course, some of the embarrassing scenes were concealed by Yue Feng.

Is there such a thing?

After learning about the situation, Wen Chou Chou and Su Qingyan looked at each other, their expressions were incomparable astonishment.

In shock, Wen Chou Chou couldn't help but said: "This poisonous blood has such an effect. If you refine a few more pills of this medicine, maybe it will be useful in the future."

Hmm.

Yue Feng nodded, then thought of something, and asked, "Brother Wen, have you found the murderer who raided Miss Ling'er?" At this time, it is no trivial matter, and the truth must be found out as soon as possible.

Wen Chou Chou sighed, shook his head and said, "Our people have almost turned over the entire Donghai City, but there is still no clue. I suspect that the murderer has already left Donghai City."

Hearing this, Yue Feng's expression became solemn. .

Being able to hurt people under his own eyes and leaving quietly, it seems that the opponent's strength is very powerful.

Thinking to himself, Yue Feng said slowly: "Well, find a few people to escort Nalan Wushuang back to the Nalan family." That girl is too noisy, the longer she stays, the more trouble will inevitably happen.

“Okay!”

Wen Chou Chou thought so too, and nodded immediately: “I’ll make arrangements now.”

## The ultimate husband in Chinese chapter 5744

A

few minutes later, several Tianmen elite disciples escorted Nalan Wushuang out of Haitang Garden.

....

on the other side.

A few dozen miles northwest of Donghai City, there is a valley with a waterfall flowing down from a few hundred meters of mountain, which is very spectacular.

At this moment, on a platform beside the waterfall, Prince Aotian, dressed in a green robe, stood there waiting quietly. This dress is almost integrated with the green woods next to it, and it is difficult to find it from a distance.

Whoosh!

At this moment, there was a burst of breath fluctuations in the air, and then, a figure appeared on the platform.

Dressed as a disciple of the Nalan family, his eyes were deep, and his body was filled with a powerful aura. It was Gone.

“Not bad!”

At this time, Gone looked at Prince Aotian up and down, showing a hint of approval: “I didn’t expect you to take over the Wudang faction so quickly, you deserve to be the royal family of God’s Domain.”

Prince Aotian smiled, with a humble look on his face: “Don’t compliment me, Your Excellency, I still have a lot to learn compared to your Demon Race Supreme.”

“Now that I have control of Wudang, what should I do next? Do you have a plan?”

When he said this, Prince Aotian His eyes were full of anticipation.

Although the Yuanshen has been reshaped and Wudang has been controlled, it is far from enough to deal with Yue Feng.

call!

Gone took a deep breath and smiled: "If you want to make a big deal, don't be too hasty." Saying that, Gone took out a bottle of medicine pill from his body and handed it to Prince Aotian.

"This is the quenching pill. When you take it as a Wudang disciple, you can reshape your body and improve your strength."

Prince Aotian looked at the pill with suspicion. He didn't believe that Gone would be so kind. After all, they were not at all. Sincere alliance, but use each other.

Aware of Prince Aotian's suspicion, Gone smiled slightly: "I know what you think, but you don't have to worry, I want to control Wudang, so I don't need to be so troublesome."

"I can tell you that this medicinal pill has great drawbacks. You must take it once a month, otherwise, you will explode and die, but you are not the real Ye Yun, and you have to return to God's Domain sooner or later, so you don't need to care about the lives of those Wudang disciples."

Phew!

Seeing Gone's honest confession, Prince Aotian smiled and said, "Thank you, Your Excellency."

With these medicinal pills, the strength of Wudang disciples will be greatly improved, and they will be able to easily destroy Tianmen....

I thought to myself. , Prince Aotian put away the medicinal pills and said, "What else do you need to explain?"

Gone thought about it, and was about to respond.

Swish...

However, at this time, there was a sound of footsteps on the mountain road not far away.

Immediately afterwards, a sassy voice came over.

"You all go back, I don't need your escort." The

voice fell, and the voices of several men followed.

“Miss Nalan, we are instructed to act, please understand.”

“Yeah, Wen Ge expressly explained that we must send you back to the Nalan family safely, so you don’t mess around.”

“Miss Nalan, this is just a waterfall, there is nothing to

see, let’s go quickly.” The voice got closer and closer, and soon, a few elite disciples of Tianmen, accompanied by a slender woman, came slowly. , it is Nalan Wushuang.

Nalan Wushuang is arrogant and willful. After leaving Haitang Garden, he is not in a hurry to return to the Nalan family, but wants to play outside. He passed by here just now and learned that there was a waterfall, so he came over to take a look.

Several Tianmen disciples who were escorting them tried to persuade them, but Nalan Wushuang didn’t listen at all.

is this girl?

Seeing Nalan Wushuang, Gone frowned.

Prince Aotian was also stunned for a moment, and then he said calmly: “Should we avoid it?” The Nalan family and Wudang are already incompatible, and the private meeting between himself and Gone must not be exposed.

Gone looked calm, shook his head and said, “No need.” What

should be faced, sooner or later, and as the supreme being of the demon race, how could he hide because of a little girl?

While speaking, Nalan Wushuang and several Tianmen disciples also arrived on the platform.

Swish!

At this moment, aware of someone on the platform, Nalan Wushuang and several Tianmen disciples all turned their attention to him.

## **The ultimate husband in Chinese chapter 5745**

“Ye Yun!” In the

next second, Nalan Wushuang’s eyes locked on Prince Aotian, and his anger rose.

When the enemy met, he was extremely jealous.

The revenge of killing his father was never shared, but Nalan Wushuang never thought that he would meet Ye Yun here.

“Ye Yun, pay for my father’s life.” Under the resentment, Nalan Wushuang didn’t say a word of nonsense, and with a coquettish shout, he pulled out his long sword, walking lightly, directly thinking of Ye Yun’s stab.

This...

Seeing this situation, several Tianmen disciples looked at each other in dismay, not knowing what to do for a while.

Hehe...

Seeing Nalan Wushuang coming, Prince Aotian did not panic at all, his figure dodged the sword in a flash, and said lightly: “Girl, you are not my opponent, so save your energy.”

Nalan Wushuang A sword stabbed into the air, very embarrassed, and was about to curse, when he saw Gone next to him, he was stunned.

“You...”

Nalan Wushuang’s delicate body was shocked, thinking that he had read it wrong, and asked Gone in surprise, “Why are you here?” After speaking, he looked at Prince Aotian again.

Gone’s expression was indifferent: “What am I doing? Need to report to you?”

Hearing this, Nalan Wushuang was stunned for a moment, and he guessed something at this time, and shouted: “I see, you are a group, You just planned a conspiracy here, right? Well, you Nie Zhan, I already knew you had a problem.”

“My father’s death is also related to you, right?”

This chapter is provided by . Visit for daily update.

Nalan Wushuang is self-willed, but not stupid. When Zhan was with the enemy who killed his father, it was inevitable that he would be involved.

“You’re not stupid.”

Facing Nalan Wushuang’s tender drink, Gene smiled lightly and said slowly: “But I can tell you that your father was not killed by Ye Yun, but me.”

“I went to your father’s room beforehand and used the A fake ‘Tai Xu Gong’ killed him, but unfortunately, the entire Nalan family didn’t see it.”

When he said this, Gogne’s expression was indifferent, as if he was talking about an unimportant matter.

What?

Hearing this, Nalan Wushuang trembled and was shocked. Looking at Gone’s eyes, it is also extremely sad and angry.

At the same time, several Tianmen disciples also looked at Gone closely, each with a stunned expression.

It turns out... the real initiator was this man named Nie Zhan.

He is a new disciple of Nalan Hongzheng, why did he kill Nalan Shinichi and put the blame on Ye Yun? And now, he meets Ye Yun alone again?

This situation...too messy.

For a time, several Tianmen disciples pondered, and their heads were incomparably large.

“Why?”

Nalan Wushuang reacted at this time, tears streamed down, and shouted at Nie Zhan: “Why did you kill my father, my Nalan family kindly took you in, but you retaliate for your kindness, why do you do this? Do?”

Gone didn’t answer directly, but sneered, and the figure burst out like lightning.

Bang bang bang...

Almost in the blink of an eye, several Tianmen disciples were killed on the spot by Gone before they could react, and one by one fell into a pool of blood.

This speed, this power...

Seeing this scene, Nalan Wushuang’s pretty face changed, and a trace of panic suddenly rose in his heart.

Such a terrifying strength... It seems that this Nie Zhan has been hiding himself all the time...

“She will leave it to you.”

At this time, Gone said lightly to Prince Aotian: "What should I do, I don't need to remind me, I'll take a step first." After speaking, the figure flashed and disappeared from sight.

At this moment, Nalan Wushuang reacted and wanted to pursue, but it was too late.

Under the anger, Nalan Wushuang clenched his long sword and glared at Prince Aotian: "What is the relationship between Nie Zhan and you, what is your conspiracy?"

Prince Aotian smiled contemptuously and did not answer directly, but said slowly: "Heaven has a way, you don't go, hell has no door, you just break in."

"It doesn't matter what our relationship is. The important thing is that if you die here, the relationship between Tianmen and the Nalan family will be completely broken. "

Om!

The last word fell, Prince Aotian's divine power exploded, and he slapped Nalan Wushuang with a palm.

Feeling the explosive power of Prince Aotian, Nalan Wushuang was inexplicably flustered, but he still bit his lip and attacked.

## **The ultimate husband in Chinese chapter 5746**

Bang!

In the next second, the figures of the two sides crossed each other, and a dull sound was heard, followed by Nalan Wushuang's delicate body trembling, and he took a dozen steps back.

How can it be?

Nalan Wushuang stabilized his figure, bit his lip, and looked at Prince Aotian tightly, incomparably shocked in his heart.

She clearly felt that the strength of the 'Ye Yun' in front of her had increased more than ten times since the last time she met... For a time, her mind was buzzing and blank.

Nalan Wushuang was already shocked when he felt the true strength of 'Nie Zhan' just now. At this time, he realized that the strength of 'Ye Yun' was much better than his previous strength, and his mind suddenly became messy, and he couldn't figure it out.

At this time, Nalan Wushuang didn't know yet, whether it was the 'Nie Zhan' just now or the 'Ye Yun' in front of her, the real identity was far beyond her imagination.

Shocked, Nalan Wushuang thought of his father's tragic death, hatred once again used his heart, and the long sword in his hand murmured.

"Today is death, and I will also perish with you." The cold voice came from Nalan Wushuang's mouth, and then the delicate body trembled, and a sword stabbed towards Prince Aotian again.

Chi Chi...

This sword contains the ten success of Nalan Wushuang. It can be clearly seen that where the sword edge passes, the surrounding air is distorted, and even the waterfall next to it seems to have stopped flowing.

Hehe...

However, feeling the power of this sword, Prince Aotian smiled contemptuously and said with disdain: "Light of Yinghuo, dare to fight with Haoyue? Go down and reunite with your father." The

voice fell, Emperor Aotian The child's divine power exploded, and he fought Nalan Wushuang again.

Although Nalan Wushuang is not weak, compared with Prince Aotian, he is still 108,000 miles behind. In less than two rounds, Prince Aotian slapped the sword on the back.

This chapter is provided by . Visit for daily update.

Dang...

Nalan Wushuang only felt a strong force coming, the whole arm was paralyzed, and the long sword fell directly to the ground. And her whole person was also shaken back dozens of steps, all the way to the edge of the platform.

"Ah..."

Below the platform is a turbulent river, Nalan Wushuang retreated to the edge, there was no time to stabilize his figure, slipped his feet, let out an exclamation, fell down, and set off a wave on the river. .

Mad!

Seeing this situation, Prince Aotian rushed over and looked down, only to see that the river was rushing, and there was still Nalan Wushuang there?

For a time, Prince Aotian was very anxious. This Nalan Wushuang knew that he was in alliance with Gone, and he must not let her escape.

Thinking to himself, Prince Aotian urged his figure to search for the indecent...

On

the other side, Donghai City.

After a fierce battle with Xiangliu, the entire Haitang Garden was almost in ruins, and it would take at least a month for it to be completely rebuilt.

In this case, Yue Feng had to take Su Qingyan, Wen Chou Chou and others to temporarily live in a seaside villa. This villa was arranged by Zhao Lu when Yue Feng was the president of Ziyu Company at the time. Yes, it covers an area of several thousand square meters and is luxuriously decorated.

At this moment, in the study on the second floor, Yue Feng was sitting there, flipping through several ancient books.

Because Xiangliu's inner alchemy was too special and beyond Yue Feng's cognition, Yue Feng had no choice but to read ancient books to see if he could find some relevant records.

However, I searched for a few, but found nothing.

"Fengzi!"

At this moment, Wen Chou Chou walked quickly into the study, with a solemn expression on his face: "There is a middle-aged man outside the gate, claiming to be Zhu Bajie, and insisting on seeing you."

"This person is full of strength. Strong, but the appearance of Zhu Bajie is too different, come and see."

When he said this, Wen Chou Chou looked complicated, you must know that he and Zhu Bajie fought side by side several times over the years, and they knew each other very well, but, The people outside the gate are really different in appearance from Zhu Bajie.

middle-aged? Claiming to be Zhu Bajie?

Hearing this, Yue Feng touched the tip of his nose, then put down the ancient book, and said with a smile, "Brother Wen, don't be surprised, maybe it's really Zhu Bajie." When he visited Shennong yesterday, Zhu Bajie said at that time, wanted Shennong to help him change his appearance.

Now it seems that Zhu Bajie got his wish.

Having said that, Yue Feng greeted Wen Chou Chou and went downstairs together.

## The ultimate husband in Chinese chapter 5747

Soon, at the gate of the villa, I saw a middle-aged man standing there with a speechless look on his face.

At the age of 30 or 40, he has a mustache, giving people a mature and stable feeling, but his eyes are shining with shrewdness, and he is dressed in a white robe, showing a sense of elegance.

In front of him, several Tianmen disciples stood there.

Yes, this middle-aged man is Zhu Bajie who has changed his appearance.

After Yue Feng left yesterday, Zhu Bajie treated Shennong both hard and soft. In the end, Shennong was entangled and had no choice but to use his superb medical skills to help him change his appearance.

“Brother Yue Feng...”

At this moment, seeing Yue Feng coming out, Zhu Bajie complained: “I’m your eldest brother Zhu, get your people out of the way, alas, I explained to them, It was Shennong who helped me change my appearance, but you guys don’t believe me...” As

he was talking, seeing Su Qingyan in the garden next to him, Zhu Bajie’s eyes suddenly straightened, tsk tsk admiring: “Oh, just a little time. I haven’t seen you, my younger brother and sister are even more charming. Hey, Brother Yue Feng, you have been nourished recently.”

Haha...

Originally, Yue Feng was a little unsure, but when he heard Zhu Bajie’s words, he suddenly burst into laughter and rushed. A few disciples waved their hands and said: “Okay, let’s all step back, he is Zhu Bajie, no doubt.”

In the world, except for Zhu Bajie, no one can play lust to such a level, even his younger brothers and sisters ridiculed .

“Yes, Brother Feng.”

Upon hearing the order, several disciples, Zhu Bajie, opened the door and stepped aside.

Zhu Bajie stepped in, looked around the villa in front of him, and praised: “This place is good, facing the sea, with beautiful scenery, I will build one another day, Lao Zhu.”

Zhu Bajie is not bragging. In recent years, he has been involved in the business world, and he has also been involved in film and television. He is a proper businessman and can build a villa in minutes.

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng couldn't help laughing and said, "Big Brother Zhu is going to make a harem, and the golden house hides the beauty." The

voice fell, and the two looked at each other and laughed.

"Brother Zhu!"

At this moment, Wen Chou Chou took a step forward and said ashamedly, "I'm sorry, I was so clumsy just now that I didn't recognize you." When he spoke, Wen Chou Chou was full of doubts.

This Zhu Bajie is really going to be tossing, and a good peerless handsome guy turned himself into an uncle without doing it.

Zhu Bajie waved his hand indifferently: "It's okay, if you think you can't make it through, introduce me to a beautiful woman, haha..."

Uh...

Hearing this, Wen Chou Chou was speechless.

At this time, Yue Feng said with a smile: "Brother Zhu, stop joking with Brother Wen, are you still short of beautiful women? By the way, why are you looking for me in such a hurry?"

Oh!

Hearing the reminder, Zhu Bajie patted his forehead: "I'm just talking about beauties, and I almost forgot the real business." After speaking

, Zhu Bajie looked at Yue Feng with a solemn expression: "Brother, your wife, I'm afraid there are more bad luck than good luck. After you left yesterday, Shennong tried many methods, but they didn't work, and because he took too many drugs, he was already bedridden..."

"Shen Nong asked you to hurry up.. ."

What?

Hearing this, Yue Feng's face changed, and his heart suddenly panicked. I never imagined that the situation would be so serious.

wife?

On the other hand, Wen Chou Chou next to him, and Su Qingyan in the garden not far away were all stunned.

His family is here, when did he have another wife?

In the next second, Su Qingyan reacted and looked at Yue Feng with a coquettish expression on her face: "Yue Feng, what wife?" This Yue Feng, having himself and Yuruo a few, was not enough, and he was messing with flowers outside.

Uh...

Facing Su Qingyan's question, Yue Feng was ashamed, and in front of Zhu Bajie, he didn't know how to answer.

Yesterday, in the yard where Shennong lived, Yue Feng was afraid that Liu Ruxue would be harassed by Zhu Bajie, so he deliberately said it was his woman, but he never thought that Zhu Bajie was serious, and he still said it in front of so many people. .

It's embarrassing.

However, Yue Feng didn't explain much, scratched his head and smiled at Su Qingyan: "I'll explain to you when I come back." Then he took Zhu Bajie and hurriedly left.

After walking out of the villa, Yue Feng and Zhu Bajie quickly rushed towards the place where Shennong lived in seclusion.

Half an hour later, Yue Feng and Zhu Bajie arrived.

From a distance, Shennong was standing at the entrance of the hall, holding a few pairs of herbs in his hand, frowning.

"Senior!"

Yue Feng shouted, landed quickly, and asked eagerly, "How is she now?"

Liu Ruxue was brought here from another world by herself, and she has no relatives and no reason here. If something goes wrong Son, I will never be at peace in my life.

More importantly, Yue Feng had long thought about marrying Liu Ruxue.

Ugh!

Shennong sighed, and said very ashamedly, "Yue Feng, the situation is very bad. This old man has tried his best, but he still can't find a way to recover. Alas, I am ashamed."  
With

that, Shennong stepped aside.

Yue Feng didn't have time to think about it, he rushed into the hall, and when he saw the scene in front of him, he felt distressed.

I saw that Liu Ruxue lay quietly on the bamboo bed, motionless, her young face was pale and pale, her breath was weak, and only her slightly turning eyes proved that she was still alive.

Zhu Bajie was very sensible, and stood outside the door with Shennong and did not come in.

"Yue Feng..."

At this time, Liu Ruxue had no strength and was drowsy. When he saw Yue Feng coming in, he opened his mouth softly: "You... you are here."

Originally Liu Ruxue held a grudge against Yue Feng. Before in the Ziwei Continent, he took away his innocence, and when he came to Kyushu, he was implicated in his affairs. In the end, he did not take the medicinal pills he refined, and became this look.

It can be said that everything is inseparable from Yue Feng.

But...at this time, seeing Yue Feng again, feeling his concern and anxiety, Liu Ruxue suddenly couldn't hate it.

call!

Feeling that Liu Ruxue's breath was weak, Yue Feng couldn't help taking a deep breath, feeling very uncomfortable. He squatted beside the bed and said, "I'm sorry, it's all my fault. If I don't refine that medicine pill, you will too. It won't become like this." As

he spoke, Yue Feng wanted to hold Liu Ruxue's hand, but thought that the relationship between the two had not yet reached such a close level, so he held back.

Liu Ruxue showed a weak smile and shook her head gently: "I don't blame you, maybe this is my destiny."

After speaking, Liu Ruxue twisted her neck hard, looked outside the door, and said faintly, "Senior brother died. Now, Lihuomen is gone, and I was brought to this continent of Kyushu by you again, I thought I could avenge my senior brother, and then I found a chance to go back, but now it seems that this wish can only end in regret."

She said more and more . Saying this, Yue Feng is more uncomfortable: "Fool, don't be so pessimistic, you will be fine. I said, you are my woman, I will take care of you for the rest of my life, and I will never let you have an accident, understand? ?"

Yue Feng's voice was a little hoarse when he said this.

Swish!

Hearing these words, Liu Ruxue's pale face showed a bit of ruddy, and she stared blankly at Yue Feng, stunned.

This Yue Feng, who is usually so unserious, actually has such affectionate moments.

It's just that he said the truth, or did he say that when he saw that I was about to die?

Seeing her expression, Yue Fengqing couldn't help holding Liu Ruxue's hand: "I'm telling the truth, you...Would you like to be my woman?" As he spoke, he looked at her affectionately.

Facing Yue Feng's scorching gaze, Liu Ruxue was very shy, but her heart was filled with inexplicable joy.

A few seconds later, Liu Ruxue bit her lip and whispered, "I...I will..." The voice was so small that if you didn't listen carefully, you couldn't hear it at all.

call!

Seeing her promise, Yue Feng was indescribably excited and excited, but thinking of her current state, he began to get anxious again.

"Senior!" The

next second, Yue Feng turned around and walked out of the door, looking at Shen Nong eagerly: "Is there really no other way?" He had just established a relationship with Liu Ruxue, how could he lose her?

Shen Nong frowned and sighed: "Yue Feng, before you came, I tried all the methods I knew, but it didn't work, just now I was thinking that the medicine she was taking was the poisonous snake. It's made by refining, maybe that spirit snake knows how to crack it."

Oh...

hearing this, Yue Feng's heart was shocked, and his face was ashen: "The spirit snake has been killed by me."

## The ultimate husband in Chinese chapter 5749

When he was talking, Yue Feng was in a very low mood.

Knowing that Xiang Liu was the key to saving Liu Ruxue, he spared his life yesterday.

But it's too late to say anything now.

What?

Hearing Yue Feng's words, Shennong's expression changed, and then he smiled bitterly: "It seems that this is God's will..."

"No..."

As soon as the words fell, Yue Feng shook his head: "I don't believe it. What God's will, there must be a way, there must be..."

As he said, Yue Feng's mind quickly turned, and he suddenly thought of something, and took out Xiang Liu's inner core from his body: "Senior, this is the inner core of that spirit snake. Dan."

Huh!

At this moment, Shennong and Zhu Bajie's eyes converged on Yue Feng's hands, and they saw the blue-gold inner core, shining with dazzling brilliance in the sunlight, very gorgeous.

"The blue-gold inner alchemy..." Zhu Bajie couldn't help muttering: "It's the first time I've seen it."

As soon as the voice fell, Shennong also reacted with a look of excitement: "From a medical point of view, this inner alchemy is a The essence of the snake may be deciphered."

After speaking, Shennong said again: "But this old man is not sure, whether you want to try it, you make up your own mind."

This...

Yue Feng stood there, hesitating. .

Even Shennong was not sure, should he try Liu Ruxue with Neidan?

In case of failure, Liu Ruxue will die.

“Yue Feng!”

Just when Yue Feng was undecided, Liu Ruxue in the hall called weakly and said softly: “Give me the inner pill, no matter what, there is always some hope. Even if I die, I will not complain. ...”

Phew!

Hearing this, Yue Feng took a deep breath and nodded, “Okay.”

If taking the inner pill still doesn't work, he immediately takes her into the God Realm to ask Aolin for help. There are countless Spirit Pill Immortal Fruits in the God Realm. And Aolin is the Emperor of Heaven, so there must be a way.

Thinking of this, Yue Feng walked over, helped Liu Ruxue sit up, and then gave her the inner pill.

Gudong!

The next second, seeing Liu Ruxue swallow the inner pill, Yue Feng's whole heart was lifted.

At the same time, Shennong and Zhu Bajie at the door also became nervous.

Om...

Soon, the medicinal pill entered her stomach, and Liu Ruxue felt a fire burning inside her body. Her pale face turned red all of a sudden, and her body trembled.

Yue Feng was startled and quickly hugged her: “What's wrong?”

“Hot, so hot...” Liu Ruxue said in pain, almost crying, the burning feeling was really unbearable.

Yue Feng breathed out and comforted her gently: “Don't be afraid, taking Nei Dan has this effect. Hold on, it will be over soon.” As he spoke, he hugged her tightly.

Hearing this, Liu Ruxue gritted her teeth secretly, and she was dripping with sweat in a short while.

Stab, stab....

Seeing her holding back, Yue Feng was very distressed, and was about to coax a few words, but at this moment, she heard a burst of crunching bones from Liu Ruxue's body.

Immediately afterwards, I saw her young body slowly growing up.

Slender legs, slender waist....

As the body grows, the clothes originally worn are also completely burst, turning into long strips.

Great, it worked.

Seeing this scene, Yue Feng was very excited, and at the same time reacted, and quickly hugged her in his arms to prevent the sexy curves from being exposed...

"Oh..."

At this time, Zhu Bajie at the door also After reacting, he immediately shouted: "See no evil, see no evil..." and then walked away quickly.

Although Zhu Bajie is very lustful, he has his own principles. His brother's woman will never get involved, let alone look around.

Haha...

At the same time, Shennong laughed, feeling very happy: "Yue Feng, God treats you very well, the old man goes out to get some herbs, you can accompany her." The

voice fell, Shennong had already outside the yard.

For a while, only Yue Feng and Liu Ruxue were left in the hall.

Yue Feng was in an indescribably happy mood. He lowered his head and smiled and looked at Liu Ruxue in his arms. He saw that Liu Ruxue had returned to his previous appearance.

Perhaps because of taking the inner elixir, Liu Ruxue seems to have become more charming, her skin is as white as snow, and her body is filled with an incomparably powerful force.

## **The ultimate husband in Chinese chapter 5750**

"You..."

Feeling Yue Feng's gaze, Liu Ruxue was shy and lowered her head and said, "Why are you looking at me like this?"

Yue Feng smiled and said, "I look at my own woman, but I have to do it in advance. Can't you say hello?"

Huh!

As soon as he finished speaking, Liu Ruxue's face turned even redder, and he hesitated: "Who... who is your woman?"

"Huh?" Yue Feng was stunned, and said with a half-smile: "Why? I promised before. If you want to be my woman, you won't recognize it in a blink of an eye?"

Yue Feng laughed secretly in his heart.

This Liu Ruxue's personality is really cold and arrogant.

Liu Ruxue bit her lip tightly: "Just now... I was dying, so I deliberately teased you, a lecher. Now that I'm better, I won't marry you." As

she spoke, she found herself There was no cover on his body, and he was still held by Yue Feng. At that time, he was too shy: "You...you let me go .

"

Okay, then I'm leaving, don't forget, your red dress is still here with me, and there are no women's clothes here."

Yue Feng pretended to leave.

Liu Ruxue suddenly became anxious and stomped her feet: "You come back."

"You don't want to?" Yue Feng stood on the cloth with a smirk on his face.

Liu Ruxue blushed: "You bastard..."

"I've always been an asshole, it's not like you don't know."

"You..."

"Okay, okay, I'll give you the skirt. If others see it, wouldn't I suffer a big loss?" In the hall, the bickering between the two kept ringing.

Ugh!

At this moment, Zhu Bajie, who was sitting outside the gate, listened to the constant quarrels, both envy and emotion: "I think my old Zhu Yue has countless women, and no woman has taken the initiative to flirt with me, alas. , think about it is really a failure, one day you must feel it."

..... the

other side.

On the mountain road dozens of miles southeast of Huashan Mountain, a group of people is slowly moving forward.

These people are burly, wearing the unique animal skin soft armor of the Rakshasa tribe, with brightly colored feathers on their heads, which is the unique dress of the Rakshasa tribe warriors. There was a strong aura all around him.

These people are the best warriors of the Rakshasa clan.

Over the years, the Rakshasa people have recuperated and strengthened their trade with all parts of Kyushu.

The middle-aged man headed by this team, named Timur, is the most important subordinate of Mona, the Queen of the Rakshasa. In the past few days, Mona has been sent to Diyuan Continent to discuss cooperation with several trading companies.

The cooperation negotiated very smoothly. At this time, Timur was returning to the Rakshasa station with his men.

call!

At this time, seeing a river ahead, Timur wiped the sweat from his forehead and said, "Everyone rest by the river, and then continue on the road."

"Yes." A dozen warriors responded in unison, and then After walking to the river for a drink, rest in a shady place by the river.

Ok?

At this moment, a warrior found something, got up and pointed to the river: "It seems that someone is floating over."

When the words fell, Timur and the other warriors looked at each other, and sure enough, they saw a figure, drifting with the flow, floating over quickly, with a graceful and slender figure, which seemed to be a woman.

Timur didn't have time to think, and waved his hand.

Crash...

With the order, the two warriors immediately jumped into the river and got the man up. Immediately, Timur and the others hurriedly surrounded them, and when they saw the woman's appearance, they all secretly admired it.

Such a beautiful girl.

I saw that this girl has delicate facial features, and her skin is better than snow, but her eyes are closed, her breath is weak, and there is a faint palm print on her shoulders. Obviously, she was injured before falling into the water.

Yes, this girl is Nalan Wushuang.

At that time, Nalan Wushuang fell into the water after being shaken back by Prince Aotian, and then drifted here.

Most of the Rakshasa people are upright and honest. Seeing that Nalan Wushuang was sluggish at this time, Timur did not hesitate to take out the unique healing medicine of the Rakshasa tribe and give it to Nalan Wushuang.

Afterwards, Timur put his hands on Nalan Wushuang's back and used his internal strength to help her heal her internal injuries.

A dozen warriors are around the realm.
