

The ultimate husband in Chinese chapter 5951-5960

Slap...

The last word fell, Wang Kun shook his hand, the wine glass fell to the ground, and shattered, the whole person was stunned there, and his brain was buzzing.

At the same time, Wang Qing and Li Xue behind them also trembled, their eyes fixed on Yue Feng, but they couldn't catch their breath for a long time.

The former Lord of Heaven's Gate, the Emperor of Xi Cang, is she...

especially Wang Qing, her mind is almost blank.

I thought this was just a rogue, but I didn't expect it to be so big...

"Your Excellency!"

At this moment, Wang Kun calmed down, his tone trembled, and said to Yue Feng, "Your Excellency is Yue Feng? "

Yue Feng's name is almost unknown in the mainland of Kyushu, and everyone knows it. Ten years ago, he founded Tianmen and shook Kyushu. For Wang Kun, he was a big man who was out of reach, but he never thought of this. People are right in front of you.

If you think about it, it's no wonder that even the existence of Zhu Bajie admires him so much. Besides Yue Feng, who else is there?

Hehe...

Feeling Wang Kun's shock, Yue Feng smiled slightly: "Yes, it's me." When the

voice fell, Wang Kun trembled, stood up quickly, and said respectfully: "Your Excellency is here, let me This poor house is full of brilliance, that... what happened last night should be a misunderstanding, the little girl has eyes and does not know Mount Tai, and offends Your Excellency, please have a lot of Haihan, don't take offense.

" Kun carefully watched Yue Feng's reaction, his forehead was covered in cold sweat.

Although the Wang family has a huge influence in Yunfeng City, compared with Yue Feng's background, it is not worth mentioning at all. If Yue Feng is in a bad mood, just one sentence can make the Wang family completely disappear in Yunfeng City.

Wang Kun naturally understands this, how can he not panic?

Yue Feng smiled and said nothing.

This!

Faced with this situation, Wang Kun was confused and looked at Zhu Bajie for help.

Zhu Bajie smiled slightly and said to Wang Qing: "Teacher, it's fortunate that Master is here today, otherwise, you've been in a big disaster, hurry up, apologize to your uncle Yue Feng for accompanying the wine, and this matter will be over. "

Although Zhu Bajie is lustful and likes to play nonsense, his mind is still very clear at critical times. He knew very well in his heart that Yue Feng would not play with Wang Qing for no reason, it must be this female apprentice who provoke him.

After all, as a rich lady, Wang Qing is arrogant and has a big temper.

"I..."

Hearing Zhu Bajie's words, Wang Qing reacted and bit her lip. It took more than ten seconds before she said, "I'm right again, why did you apologize for accompanying the wine?" Feng's identity, but Wang Qing didn't think she was wrong.

Obviously he lied to me, not only took advantage, but also extorted tens of millions from me, and now I want to apologize, why?

well!

Seeing her so stubborn, Zhu Bajie sighed helplessly.

Wang Kun was even more angry, and couldn't help shouting angrily: "Pride! I'll condone you on weekdays, but now I'm so rude in front of Master?" With

that, Wang Kun's face turned ashen: "I won't give it to Your Excellency Yue Feng today. Apologize, you are not my daughter."

This daughter is so self-willed, she still doesn't understand the situation.

"Father!" Hearing this, Wang Qing's body trembled, completely dumbfounded. She never thought that her father, who had always loved her, would be so angry with herself for the sake of an outsider.

Huh ...

The next second, Wang Qing breathed a sigh of relief, walked slowly to Yue Feng, and said in a low voice, "Uncle Yue Feng, I'm sorry..." The voice was so small that if you didn't listen carefully, you wouldn't be able to hear it. .

Yue Feng looked at her with a half-smile but not a smile: "Now you know what's wrong? You said just now, you must show me a good look, and you want me to kneel down and apologize!"

"I really know I'm wrong." Wang Qing bit her tightly. She pressed her lips, almost crying.

Pfft...

Immediately afterwards, Wang Qing bent her knees and knelt in front of Yue Feng, forgetting all her pride and dignity, begging: "I really know I'm wrong, I beg you to forgive me."

Hmm!

Seeing that she finally put down the air of the eldest miss, Yue Feng nodded: "Okay, I won't care about it this time, but the temper of your eldest lady will need to be changed in the future. You met me today. Next time you meet someone else, I guess you won't be so lucky."

The ultimate husband in Chinese chapter 5952

Seriously, if it wasn't for Zhu Bajie's relationship, Yue Feng really wanted Wang Qing to suffer a little.

"Understood..." Wang Qing nodded again and again.

Yue Feng stopped talking nonsense, stood up slowly, and said to Zhu Bajie: "Brother Zhu, I still have something to do. I have to get back to Diyu Continent as soon as possible, so I won't chat with you any more.

" Then stood up.

"Okay!"

Zhu Bajie nodded and smiled, "I'll take you off."

After saying that, the two walked out of the hall side by side, and Wang Kun and others quickly followed behind.

Outside the villa, Zhu Bajie couldn't help but ask, "Brother, what's the hurry?"

Huh!

Yue Feng took a deep breath and briefly explained what happened during this time.

At the end of the story, Yue Feng couldn't hide his worries: "That Prince Aotian took over Ye Yun from the Wudang faction and took control of the entire Wudang faction. This is no trivial matter. I must rule the Qin Tianjian and let the God King Haotian know about it.

Hearing these words, Zhu Bajie's expression also became solemn: "It is really suspicious that a royal family of the Divine Realm went to Kyushu to be the head of a sect." After

speaking, Zhu Bajie patted Yue Feng on the shoulder. : "I'm too lazy to worry about these trivial matters, but if my brother needs any help, please let me know, haha, what I am most afraid of is fighting..."

Haha...

Hearing this, Yue Feng couldn't help it. He laughed, chatted with Zhu Bajie for a few more words, and left with Ah Jiu.

After several hours of traveling, Yue Feng and A Jiu finally arrived at the villa in Donghai City.

"Brother Feng!"

"Brother Feng is back."

Seeing Yue Feng's return, many Tianmen disciples came up to say hello.

Soon, Sun Dasheng, Wen Chouchou and others came out of the living room when they learned that Yue Feng was back.

"Fengzi!"

Wen Chou Chou stepped forward and asked, "Why did the Rakshasa group take so long this time?"

Yue Feng smiled and said, "It's hard to say." This time I went to the Rakshasa tribe to investigate the phenomenon of heaven and earth. So much happened, and I almost lost my life.

Um?

Just as he was talking, everyone also saw Ah Jiu beside Yue Feng.

Such a beautiful little girl.

Under the emotion, Sun Dasheng laughed, hooked Yue Feng's shoulder and said jokingly: "Fengzi, who is this little girl, can't you be an illegitimate daughter outside, she looks so beautiful, her mother must be stunning Beauty."

Sun Dasheng has an upright personality, what to say, he doesn't care about the occasion at all.

What the hell!

Hearing this, Yue Feng was speechless.

Su Qingyan and Xiao Yuruo were also blushing, and their eyes were fixed on Yue Feng, with a bit of displeasure on their beautiful faces.

Just like Sun Dasheng, Su Qingyan also thought that Ah Jiu was Yue Feng's illegitimate daughter, otherwise why would she bring it back?

"Hey!"

Just when Yue Feng was about to explain, Ah Jiu stepped out first and said to Dasheng Sun, "Why are you talking nonsense? Brother Feng and I are not related by blood. If you talk nonsense again, I'm welcome. ."

Ah Jiu is also a straight-forward character, and when she saw Sun Dasheng joking, she couldn't help it.

Whoa!

At this moment, everyone around was in an uproar, looking at Ah Jiu with great interest.

This little girl has a good temper, so she dares to talk to Sun Dasheng like this.

At the same time, Sun Dasheng was also stunned for a while, and couldn't help looking at Ah Jiu up and down: "Oh, he is not big, but his temper is not small." As the head of Huaguo Mountain, Sun Dasheng is also famous in the entire Kyushu. Who sees it and is not afraid of three points? But I didn't expect that one day I would be preached by a little girl.

Facing everyone's gaze, Ah Jiu didn't have any stage fright, and said to Sun Dasheng: "Am I wrong, you have no evidence, why do you say that I am Brother Feng's illegitimate daughter?"

Uh....

Sun Dasheng scratched his head. : “Little girl is really amazing, well, I said the wrong thing, I’m sorry, okay?”

Ah Jiu nodded with an old face: “Since you admit your mistake, I don’t care, forgive you.”

Alas!

Sun Dasheng sighed and couldn’t help muttering: “I never thought that one day, Sun Dasheng was taught a lesson by a little girl. This made it.”

Haha....

When the voice fell, everyone around couldn’t help it. laughed.

The ultimate husband in Chinese chapter 5953

At the same time, Yue Feng couldn’t help laughing.

Immediately, Yue Feng introduced to A Jiu: “A Jiu, don’t be unreasonable, this is your great sage uncle, next to this is Uncle Wen, they are all my sworn brothers.”

Well!

Ah Jiu nodded, restrained her flamboyant edge, and said to Sun Dasheng: “I’m sorry, I just spoke more straight.”

Facing such a girl with such a personality, Sun Dasheng was not at all unhappy, and said with a smile: “This is serious, I I’m not that stingy yet, but then again, you have a personality and agree with my temper.”

Sun Dasheng has a straightforward personality, and he dislikes those hypocritical people the most. When he saw Ah Jiu, who had the same straightforward personality, he immediately liked it. terrific.

At the same time, everyone in Wen Chou Chou was also interested in the girl A Jiu.

“Fengzi!” The

next second, Wen Chouchou smiled at Yue Feng: “Where did you bring back such an interesting girl?”

At the same time, the others were watching Yue Feng closely.

call!

Yue Feng breathed a sigh of relief, and explained in detail how he met Ah Jiu.

At the end, Yue Feng said with a smile: "I saw her alone, so I brought her back. Speaking of which, she thought I was a liar at the time..." The

voice fell, and everyone couldn't help laughing.

"A-Jiu!"

This chapter is provided by . Visit for daily update.

Yue Feng said to A-Jiu while joking, "From today onwards, you can live here. All the people present are family members. If you have anything to do, just tell everyone."

Well!

Ah Jiu nodded and looked around, looking at the smiling faces on everyone's faces and the sincerity in their eyes, a warmth suddenly rose in the depths of his heart.

This...is this the feeling of home? It's amazing!

A few minutes later, everyone entered the hall of the villa.

Yue Feng explained his experience in the Rakshasa tribe during this period in detail.

For a time, everyone looked solemn, especially when they learned that the current head of Wudang, Ye Yun, was Prince Aotian, and was even more shocked.

Mad!

The next second, Sun Dasheng scolded secretly: "This kid is really despicable, he even took away Wudang Ye Yun, no wonder he has been unable to find his whereabouts during this time." The

voice fell, Wen Chou Chou analyzed: "This proud prince, is really cunning, if Fengzi didn't go to the Rakshasa clan this time, I'm afraid he still wouldn't know that he was already hiding in the Wudang sect."

"He controls the Wudang sect, it is only the first step, and the final goal is to return to the realm of the gods. Compete for the throne of Heavenly Emperor."

Yue Feng nodded: "So this matter can't be delayed, I have to go to Qintianjian as soon as possible to notify the God King Haotian." If you want to reveal the identity of Prince Aotian in the Wudang faction, rely on yourself and The strength of Tianmen is not enough, and it must be done by the diligent Tianjian.

Huh...

Wen Chou Chou and everyone around him nodded.

After negotiating for a while, Yue Feng handed Ajiu to everyone to take care of him, and went to Qintianjian alone.

.....

On the other side, Qin Tianjian.

In the hall, the God King Haotian sat there, studying the map of Kyushu in front of him.

At this moment, a divine soldier walked in quickly and said respectfully, "Your Highness, Yue Feng is here to ask for a meeting."

Yue Feng? What is he doing here?

The God King Haotian was stunned, frowning secretly.

Since the last time Ao Lin came, he and Yue Feng have rarely met each other. Although Ao Lin specially explained at that time that he had to ask Yue Feng to discuss all matters in Kyushu, but because of previous grievances, Yue Feng never Do not take the initiative to contact Haotian God King.

At this time, Yue Feng suddenly visited, which was really surprising.

"Quick!"

Muttering in his heart, the God King Haotian ordered: "Come in quickly."

The magic soldier responded, and quickly walked out of the hall, and after a while he walked in slowly with Yue Feng.

"Oops!"

Seeing Yue Feng, the God King Haotian quickly stood up and smiled with a fake face: "The emperor is coming, it's a long way to welcome."

Yue Feng smiled slightly: "I haven't seen you for a long time, His Royal Highness is still the same. Ah."

After chatting, the God King Haotian greeted Yue Feng and took his seat.

"Haha!"

As soon as he sat down, the Haotian God King smiled: "The emperor suddenly came to the Tianjian, but what is the order?" Speaking of which, Haotian God King didn't want to be so polite to Yue Feng, but there was no way, the other party after all He was the master of the Emperor of Heaven, and when Ao Lin was about to leave at that time, he specially explained that the matter of Qin Tianjian in Kyushu must be obeyed by Yue Feng.

The ultimate husband in Chinese chapter 5954

"That's it."

Facing the politeness of the Haotian God King, Yue Feng didn't talk nonsense, and said straight to the point: "I have found the whereabouts of Prince Aotian."

Saying that, Yue Feng took the Rakshasa clan's whereabouts. experience, in detail.

"What?"

Upon learning of the situation, the God King Haotian was taken aback: "There is such a thing?" On the

surface, the God King Haotian was secretly anxious.

His Royal Highness is really impulsive, even if he sets up an ambush in the Rakshasa clan, he can't take the initiative to reveal his identity to Yue Feng. Now the whereabouts are exposed, completely passive.

Thinking to himself, the God King Haotian asked Yue Feng, "What are you going to do?"

As he spoke, the God King Haotian gave a wink to a god general at the door.

This god general is called Shi Dong, and he is the confidant of the Haotian God King. At this time, he got a hint and immediately understood it. He quietly left Qintianjian and quickly rushed to Wudang Sect.

in the hall!

Yue Feng thought for a while: "It's no small matter at this time. You also know what Aotian's final purpose is. While he is still young, we should make a decisive decision, jointly capture him, and send him back to God's Domain for His Majesty's disposal."

Said, Yue Feng His eyes flashed resolutely: "Please, His Royal Highness, the King of God, immediately organize the troops of the Qin Tianjian, and follow me to the Wudang faction to arrest Aotian.

"

However, Yue Feng did not know that the God King Haotian had secretly informed Prince Aotian.

This chapter is provided by . Visit for daily update.

“It’s natural.”

Hearing the proposal, the God King Haotian nodded without hesitation: “I can gather the troops after a moment, the emperor.” After speaking, he walked out of the hall quickly.

Half an hour later, the God King Haotian led tens of thousands of divine soldiers and generals, and together with Yue Feng, they marched mighty towards the Wudang faction.

.....the

other side.

On the mountain road more than ten kilometers southwest of the Wudang School, two figures came slowly.

The men are handsome and handsome, the women are graceful and beautiful.

It was Yue Wuya and Hai Linger.

A day ago, with the help of the Shenlong clan, Hai Linger successfully survived the danger and recovered completely. At that time, Yue Wuya thanked him and left Shenlong Island with Hai Linger.

After leaving Shenlong Island, Yue Wuya was not in a hurry to return to Donghai City, so he took Hai Linger for a tour of the mountains and waters. After a day of play, the two of them unknowingly came to the realm of the Wudang faction.

“Brother Wuya!”

At this time, Hai Linger looked at the beautiful scenery in front of her and couldn’t help but sigh: “Look, the scenery here is so beautiful.”

Yue Wuya nodded and smiled: “The place where the Wudang Sect is located. , The scenery can’t be wrong, Linger, we have been involved in disputes between rivers and lakes in the past, although we are together every day, but there is not a moment of peace, I have thought about it, we will come out to play in the mountains and waters when there is a chance in the future...”

Well !

Hearing this, Hai Linger nodded happily and was about to respond when she suddenly saw the sky not far away, her eyebrows knitted together: "Brother Wuya, look over there."

Yue Wuya followed Her gaze was also stunned.

I saw a figure standing quietly on the top of the mountain not far away, wearing golden armor, majestic.

It was Shi Dong who came to Wudang to report the letter.

Because of his special status, it was inconvenient for Shi Dong to directly enter the Wudang Sect's mountain gate. After sending the signal, he was waiting here for Prince Aotian.

Um?

Seeing this scene, Yue Wuya frowned secretly: "Strange, isn't this the divine general of the Diligent Supervisor? What are you doing here?"

"It seems to be waiting for someone." Hai Linger observed and responded.

Yue Wuya thought for a while: "Let's go, take a closer look." After speaking, he pulled Hai Linger and quietly approached the hillside. Because the woods are dense, I don't worry about being discovered by the other party.

Soon, behind a rock, Yue Wuya and Hai Linger stopped, hid behind the rock, and observed quietly.

On the hillside at this time.

Shi Dong kept pacing back and forth, his heart burning with anxiety.

Whoosh!

At this moment, a figure flew from the direction of the Wudang School's mountain gate and landed steadily on the hillside, dressed in white, indescribably handsome and unrestrained.

It is Prince Aotian.

Seeing the appearance of Prince Aotian, Shi Dong hurriedly stepped forward and gave a salute: "Subordinate Shi Dong, see the prince."

The ultimate husband in Chinese chapter 5955

This...

Seeing this scene, Yue Wuya and Hai Linger, who were hiding behind the rock, were stunned.

what's the situation?

A god general who is diligent in Tianjian actually calls the head of the Wudang faction a prince?

Isn't the new head of the Wudang faction called Ye Yun? When did you become a prince?

For a while, Yue Wuya and Hai Ling'er looked at each other with puzzled expressions.

With doubts, Yue Wuya both held their breaths and continued to observe.

At this time, this side of the hill.

Prince Aotian showed a bit of displeasure on his face, looked at Shi Dong and said, "What the hell is going on in such a hurry to call me here?" Just now when he was practicing in the secret room, he was suddenly interrupted, and anyone else would be in a bad mood.

"His Royal Highness!"

Shi Dong quickly replied: "The matter is urgent. Just now, Yue Feng went to Qin Tianjian to reveal your true identity. He also wanted to unite with His Royal Highness to deal with you. His Royal Highness let me I'll let you know."

Mad!

Hearing this, Prince Aotian's expression changed and his heart was angry.

This Yue Feng, who is very fast, has already returned to Kyushu.

Thinking to himself, Prince Aotian nodded and said: "Okay, I understand, you can go back." When speaking, Prince Aotian's face was indifferent, but his eyes flashed sly and cold.

This chapter is provided by . Visit for daily update.

This Yue Feng thought that the God King Haotian would help him, but he probably never thought that the God King Haotian had secretly joined with me.

"Yes, Your Highness!"

Shi Dong didn't dare to stay for a long time, and turned around and left.

Watching Shi Dong go away, Prince Aotian also turned around and returned to the Wudang faction.

At this time, Prince Aotian didn't know that the conversation between him and Shi Dong was completely heard by Yue Wuya, who was behind the rock not far away.

call!

At this time, watching the back of Prince Aotian descending the mountain, Yue Wuya's heart was filled with monstrous waves.

This person was called His Royal Highness by the generals of the gods, and he was also connected with the God King Haotian.

Could it be... he is the Aotian Prince whose whereabouts are unknown?

Hai Linger next to him was also shocked, and couldn't help but whisper: "Brother Wuya, what should we do? Why don't you hurry back and report to Uncle Yue Feng."

"It's too late to go back now."

Yue Wuya His eyes flickered and he shook his head: "Don't you understand the conversation between the two just now? My father is working in Tianjian now, and maybe he and Haotian God King are on their way to Wudang."

Immediately, Yue Wuya took a deep breath . : "Now we can only act by chance, let's go, let's follow quietly." The last word fell, Yue Wuya took Hai Linger and quietly followed behind Prince Aotian.

Yue Wuya thought about it, tried to infiltrate the Wudang faction, and then acted by chance.

A few minutes later, Yue Wuya and the two followed Prince Aotian into the forbidden area of the back mountain of the Wudang sect. There was only a hidden path in the forbidden area of the back mountain. Except for the head of the Wudang sect and the elders, almost no one knew about it, so there were no disciples to guard.

It is precisely because of this that Yue Wuya and the two followed behind, and no one noticed.

...

the other side.

The tens of thousands of divine soldiers and generals led by Yue Feng and the God King Haotian finally arrived at the Wudang School's mountain gate.

Whoa!

At this moment, seeing the arrival of so many Divine Supervision Gods and Soldiers, the entire Wudang Sect disciples were inexplicably nervous and frightened.

Yue Feng was suspended in mid-air and shouted: "Prince Aotian, show up quickly." The figure was loud and clear, like rolling thunder, resounding over the entire Wudang faction.

Proud prince?

Hearing this, the Wudang disciples gathered in the square looked at each other in dismay.

What's the matter with Yue Feng? What prince went to our Wudang faction to find?

Whoosh!

At this moment, a figure flew into the air from the forbidden area of the back mountain, facing Yue Feng from afar.

It is Prince Aotian.

"Yue Feng!" Prince Aotian said indifferently: "What do you mean?" While speaking, his eyes met the god King Haotian on Yue Feng's side.

Looking at each other, Prince Aotian and God King Haotian have reached a tacit understanding.

When the time is ripe, let's go to Yue Feng together.

At this time, Yue Feng didn't realize that something was wrong, he looked at Prince Aotian closely, and said coldly: "Don't pretend to be confused, you took Ye Yun's body, and you used the means to become the head of the Wudang School. How can I let you go unpunished."

After speaking, Yue Feng looked around and said to the Wudang disciples in the square below: "Everyone, in front of you, it's not Ye Yun at all, but Prince Aotian, you don't want to be let by him. Confused."

The ultimate husband in Chinese chapter 5956

Wow!

Hearing this, all the Wudang Sect disciples present were in an uproar, looking at Prince Aotian with astonishment.

What did Yue Feng say?

The senior senior brother in front of him is not the real Ye Yun, but was taken away?

In shock, no one took the initiative to ask Prince Aotian. After all, Yue Feng is an outsider. How credible can an outsider be?

Mad!

Prince Aotian's face was gloomy, and he couldn't help scolding secretly, this Yue Feng wanted to play 'drawing from the bottom of the pot', but unfortunately, the Wudang faction did not believe his words very much.

Thinking to himself, Prince Aotian sneered, looked at Yue Feng and said: "Yue Feng, you are really despicable, my seven ancestors in Wudang died innocently, I haven't settled the account with you yet, but you slandered me in turn. Do you think my Wudang faction is a fool?"

When he said this, Prince Aotian was full of pride.

The Wudang faction did not believe Yue Feng's words. The God King Haotian was also his own. How could Yue Feng fight me?

The God King Haotian, who was suspended behind Yue Feng, looked indifferent at this time, did not speak out, but quietly watched the development of the situation, waiting for the opportunity.

The moment he made eye contact with Prince Aotian just now, he had already thought about it. When he found an opportunity, he would cooperate with Prince Aotian to subdue Yue Feng and completely solve this serious problem.

Wow...

At this moment, the last word of Prince Aotian fell, and the Wudang disciples present were extremely sad, and they all began to punish Yue Fengkou.

"Senior brother is right, Yue Feng killed the seven ancestors, and he should pay the debt with blood."

This chapter is provided by . Visit for daily update.

"Yes, we didn't go to you, but you came to the door..."

“Yue Feng, you don’t want to leave today...”

Many Wudang disciples shouted angrily, but none of them stepped forward to do it. After all, Yue Feng is the top powerhouse in Kyushu, and no one is stupid. How can they go up and die?

Feeling the grief and indignation of the Wudang faction, Yue Feng secretly frowned, and was stunned for a moment, what happened, Wudang Qijian died? How could this be?

While stunned, Yue Feng felt a little regretful in his heart.

To tell the truth, Yue Feng and Wudang Qijian have only met once, but the seven seniors’ attainment in swordsmanship absolutely tops Kyushu, and they are considered first-class geniuses.

When we fought last time, Yue Feng had already made a plan. After the grievances between the Wudang faction and the Nalan family were resolved, he would come to visit and discuss swordsmanship with Wudang Seven Swords, but he never thought that there would be less than one Within months, seven seniors had already passed away.

What made Yue Feng even more uncomfortable was that he was also identified as having something to do with the deaths of the seven seniors...

Phew!

Under such complicated emotions, Yue Feng took a deep breath and stared at Prince Aotian: “How did the seven seniors die?”

Hearing the question, Prince Aotian sneered: “Yue Feng, why are you pretending to be confused? On that day, you fought with seven of my masters. On the surface, you competed with the seven masters in swordsmanship, but secretly poisoned them with despicable methods.”

“After you escaped that day, the seven masters recovered in the secret room. The last one died of poisoning.”

Speaking of which, Prince Aotian made a look of incomparable grief and indignation, and gritted his teeth at Yue Feng and said, “Yue Feng, you are still a hero of Kyushu that the world admires, and you actually did something behind your back. Such a despicable act, you killed seven of my ancestors, and at this time you deliberately slandered me and made up my identity as a prince.”

“A shameless villain like you, staying on the rivers and lakes is a scourge.”

When the last word fell, the Wudang Sect disciples in the square also glared at Yue Feng.

What?

At this time, when he heard Prince Aotian's accusation, Yue Feng's body was shocked, and his mind was instantly messy. The seven seniors were actually poisoned to death?

how can that be?

He respected the seven seniors very much, and did not poison...

"Your Excellency the Emperor."

Just as Yue Feng was thinking about this, the God King Haotian, who was suspended in the back, said with a complicated expression: "Why? What's the matter? Didn't you say that Ye Yun was Prince Aotian? Why did the other party accuse you of poisoning others?"

When asked, the God King Haotian's eyes flickered with seriousness, but he sneered inwardly.

This Yue Feng probably never thought that he would come to Xing Shi to ask for his guilt, but instead he was deeply caught in public opinion. In the end, this move by His Royal Highness is enough.

The ultimate husband in Chinese chapter 5957

Call!

Hearing Haotian God King's question, Yue Feng took a deep breath and shook his head: "God King must believe me, this kid is completely slanderous. Half a month ago, I did fight with Wudang Seven Swords, but I didn't secretly poison it at that time. "

When he said this, Yue Feng couldn't help but feel sad.

The sudden death of Wudang Qijian was a great loss to the entire Jianghu.

To be honest, if it were normal, Yue Feng would soon realize that the God King Haotian had secretly joined with Prince Aotian, but only when he learned about the death of Wudang Qijian, he felt that it was too sudden. to these.

"Yue Feng!"

At this time, Prince Aotian saw that Yue Feng's expression was sad, and immediately said coldly: "Don't pretend to be innocent here, you killed seven masters, and today you must give us Wudang an explanation." The

voice fell . , many Wudang disciples around have responded.

“Yes, I have to give an explanation.”

“Blood debt and blood!”

In the face of this situation, Yue Feng tried his best to calm himself, first glanced at Prince Aotian, then looked around, and said loudly: “Everyone, I am sorry for Qi Qi. This senior admires them very much, how could they poison them? There must be something wrong at this time.”

However, the Wudang disciples present were not willing to believe it, and they all shouted excitedly.

“It has nothing to do with you? Haha, do you think we are fools?”

“That’s right, cats cry and mice fake compassion.” “Yue Feng, stop pretending, who else would you be?”

Incessantly, my heart is also secretly anxious.

Madd, what is this?

This time I came to Wudang, originally to expose the true face of Prince Aotian, but now I have become the target of condemnation

...

At this moment, Wudang sent a forbidden area in the back of the mountain.

Yue Wuya and Hai Ling’er hid behind a tree, looking at the situation in the front hall square from a distance, their faces could not hide their anxiety.

“Oops!”

At this time, seeing Yue Feng hovering above the main hall, debating with Prince Aotian, Yue Wuya took a deep breath and frowned, “Father brought the divine general of Qin Tianjian, he should be here. The one who caught Prince Aotian, but he didn’t know, Haotian Divine King has secretly joined with Prince Aotian.”

After speaking, Yue Wuya decisively summoned the Overlord Hammer, his face full of anxiety: “No, I can’t let my father sit still, I want to Go help him.” The last word fell, and Yue Wuya was about to rush over.

Just before he could rush out, Hai Ling’er pulled him back.

“Brother Wuya.”

At this time, Hai Linger’s beautiful face was full of anxiety and complexity: “Don’t be impulsive, let’s rush out like this, I’m afraid it won’t help Uncle Yue Feng, and I’m afraid it will change his situation. It’s even more dangerous.” The

Haotian God King brought tens of thousands of divine soldiers and generals, and the Aotian Prince, the opponent’s forces were too large, even if Wen Chou Chou and Sun Dasheng were all present, I’m afraid they would not be opponents.

call!

Hearing the dissuasion, Yue Wuya calmed down, but he was very anxious: “What should I do? My father is in danger and he doesn’t know it. I can’t just watch it.”

Hai Linger frowned. Shi was also in a mess, there was no way to do it, but he still comforted: “Don’t worry, looking at the situation, the God King Haotian doesn’t seem to be in a hurry...”

Sha Sha...

Just as he was talking, he saw a few Wudang patrol disciples not far away, walking towards this side.

In an instant, Yue Wuya and Hai Ling’er looked at each other, both of them were startled. They hadn’t thought of a way to rescue Yue Feng. If they were discovered, it would be troublesome.

Swish!

In a panic, Yue Wuya glanced at the woods behind him. He didn’t have time to think about it, he pulled Hai Linger and quickly got in.

After entering the woods, the two quickened their pace and unknowingly came to a secret room.

“Quick, go in!”

Seeing the Wudang disciples behind him still behind, Yue Wuya didn’t have time to think about it, he greeted him, opened the door of the secret room, and stepped in.

Hai Ling’er followed closely.

As soon as he entered the secret room, he heard the Wudang disciples passing by quickly.

so close!

At this moment, Yue Wuya and Hai Ling'er both secretly rejoiced, and at the same time heaved a sigh of relief.

The next second, Yue Wuya looked around the secret room and frowned.

The ultimate husband in Chinese chapter 5958

saw that the entire secret room is not big, only a few square meters, and there is nothing in it.

But for some reason, there was a disturbing aura in the entire secret room.

Hai Ling'er also felt something, and gently took Yue Wuya's arm, and said softly, "Brother Wuya, this secret room is so weird."

At this time, the two of them didn't know that this secret room was proud The place where the emperor often practiced. Seemingly simple, but hidden secrets.

Um!

Yue Wuya nodded, and then began to investigate around the secret room. After a while, he found a hidden mechanism in the corner of the wall.

In an empty secret room, there is still a mechanism, obviously there is another mystery.

At this moment, Yue Wuya did not hesitate at all, and directly opened the mechanism.

Kachacha...

The moment I pressed the switch, I heard a slight vibration, and then, a secret door appeared on the wall in front of me, and behind the secret door was a secret passage that extended diagonally downward.

Om....

the moment the secret door opened, a powerful force rushed towards them, Yue Wuya and Hai Linger were both startled and subconsciously dodged backwards.

But after waiting for a while, no one rushed out.

At this moment, Yue Wuya's curiosity was instantly aroused, and he turned his head towards Hai Linger and said, "This underground secret passage is so hidden, there must be some secrets hidden. If we find it, and the situation gets out of hand, we will I can negotiate with the other side."

Hmm!

Hai Ling'er nodded heavily, her delicate face couldn't hide her excitement and excitement.

To be honest, the situation outside at this time is very unfavorable to Yue Feng. Even if the two of them help, it cannot be reversed. If there is a secret treasure hidden here, it may be able to save Yue Feng's life.

At this time, Yue Wuya and Hai Linger discussed and entered the secret passage.

The secret passage is not long, only about ten meters in length, and at the end is a spacious dark room, half the size of a basketball court.

Oops!

The moment they entered the dark room, Yue Wuya and Hai Ling'er were shocked when they saw the situation in front of them.

With the help of the dim light of the dark room, I saw more than a dozen people holding long swords standing inside. These people were wearing uniform black soft armor and characteristic leather hoods on their heads, with only two eyes exposed.

At this time, Yue Wuya could clearly see that the long swords in these people's hands were extremely sharp, and they were all purple-rank weapons.

What shocked him even more was that these people were not weak, and the breath that filled their bodies was almost suffocating. When the secret passage was opened just now, the powerful aura that poured out was from these people.

call!

For a time, Yue Wuya couldn't help but take a deep breath. Unexpectedly, there were so many top experts hidden in the secret room of the Wudang faction. Moreover, each of them is holding a purple-order long sword.

Muttering in his heart, Yue Wuya held the Overlord's Hammer tightly at the same time, ready to fight at any time.

Hai Ling'er is also unspeakably nervous. I thought there were treasures here, but who knew that there were so many masters hidden here. Now it's troublesome. If there is a fight later, the two of you and Wu Ya will not be opponents. .

Feeling nervous in her heart, Hai Linger bit her lip, silently mobilizing her inner strength, preparing to cooperate with Yue Wuya to fight the enemy.

However, as time passed by, the strange black-clothed men in front of them were motionless, like sculptures, as if they had not noticed the existence of Yue Wuya.

In the blink of an eye, a few minutes passed, and both Yue Wuya's palms were sweating, and the men in black remained motionless.

This...

Seeing this situation, Yue Wuya and Hai Ling'er were full of doubts.

These men in black are so powerful, they don't seem to be acupuncture, why don't they move?

And... as if the two of us were not found.

"Brother Wuya!"

Bewildered, Hai Linger couldn't help but whisper: "What's going on?"

Yue Wuya shook his head with a solemn face: "I don't know either." This is the first time this has happened in many years.

At this time, neither of them knew that the dozen or so people in front of them were the 'sword soul puppets' that Prince Aotian had gradually become during this period of time.

At the beginning, Prince Aotian killed the Seven Swords of Wudang. After combining their powers, he found a lot of secrets of sword art and sword formation from them.

After returning from the Rakshasa tribe, Prince Aotian merged these sword formations with swordsmanship to create a new sword formation.

In order to exert the power of the sword formation, Prince Aotian secretly selected thirteen elites from the Wudang disciples, and controlled them completely through the Soul Control Dafa.

It can be said that the thirteen people of the Sword Soul puppet are completely living dead, and only obey the orders of Prince Aotian.

call!

After waiting for a few more minutes, but still no movement of these people, Yue Wuya took a deep breath and walked over slowly.

Hai Linger quickly followed.

Arriving in front of him, Yue Wuya sensed the situation of these puppets, vaguely understood something, and said slowly: "They seem to be under control."

After saying that, Yue Wuya secretly sensed the surging power of these sword soul puppets' dantian, and tightened his grip. He frowned: "Moreover, the power in their bodies is pure Yang power, but it is evil." Hearing this, Hai Ling'er

was stunned: "How could this be?"

, The pure yang internal power that has been handed down for thousands of years, but the internal power of the supreme yang, how can it be so evil?

Just when Hai Linger was puzzled, Yue Wuya said slowly: "It seems that the current head of Wudang is really the Prince Aotian, he is the royal family of the Divine Realm, and it is not enough to be able to control these people. Chi."

Hmm!

Hai Linger nodded in agreement: "It's just that he controls these people, what exactly is he going to do?"

"It must be doing some shameful things." Yue Wuya said without thinking, and then his eyes flashed coldly: "Now that we bump into it, we must destroy it." With

that, Yue Wuya waved the Overlord's Hammer and smashed it towards the head of a Sword Soul puppet in front of him.

Although these sword soul puppets are not weak, they are standing motionless at this time, almost like dead people. Once they are hit by the Overlord Hammer, their brains will definitely burst.

"Don't!"

However, at this critical moment, Hai Ling'er hurriedly stopped her, her delicate face showing a bit of unbearableness: "Brother Wu Ya, these people are controlled, it is not what they want to be like this. "

Speaking of which, they are also pitiful people..."

Hai Ling'er was kind-hearted, knowing that these people were controlled, how could Yue Wuya be allowed to do it?

Uh...

Hearing this, Yue Wuya scratched his head and put down the Overlord Hammer: "Then what are we going to do with these people?"

Hai Ling'er frowned, unable to think of a good solution for a while.

.....

On the other side, the front hall square.

call!

Under the criticism of the Wudang people, Yue Feng took a deep breath and his mind gradually calmed down.

Seeing the proud look on Prince Aotian's face at this time, Yue Feng quickly realized something, Ma De, Wudang Qijian must have been killed by him, but he slandered me in turn.

This trick is really poisonous.

Thinking to himself, Yue Feng turned his head and said to the God King Haotian: "His Royal Highness God King, let's do it, take down Aotian first."

No matter how cunning Prince Aotian is, there is a divine soldier who is a diligent guardian of the heavens today, and he is doomed. .

This...

God King Haotian pondered for a while, and said with an embarrassed face: "Emperor, please forgive me, have you made a mistake, this kid in front of you doesn't look like he was taken by Prince Aotian. quit."

"Besides, the grievances between you and Wudang have not been sorted out yet, so I will let Qin Tianjian take action. I'm afraid it is not in compliance with the rules. You also know that the original intention of Qin Tianjian was to monitor the rivers and lakes of Jiuzhou. "

Yue Feng was stunned: "You don't believe me?"

Alas!

Haotian Divine King sighed hypocritically: "It's not that I don't believe in the emperor, the Ye Yun in front of him has no divine power fluctuations in his body. How do you prove that he is the Aotian prince?"

Hearing this, Yue Feng took a deep breath. , Sensing Prince Aotian, sure enough, there was no slight fluctuation of divine power in this kid.

At this time, Yue Feng didn't know that after Prince Aotian got the news, he took the medicine pill to hide his primordial spirit and divine aura.

Mad!

Yue Feng is not stupid. When he noticed this, he realized that Prince Aotian was taking medicine pills.

Good boy, it seems that someone sent him a letter.

"Haha..."

Just when Yue Feng was thinking about this, Prince Aotian couldn't help sneering: "Yue Feng, Yue Feng, you are really interesting, you say what kind of prince I am, but you can't prove it. evidence."

The ultimate husband in Chinese chapter 5960

"Even the Tiantian supervisor doesn't help you now. It's ridiculous, I tell you, don't give an explanation about the seven ancestors today, I want you to splatter blood on the spot."

When the last sentence was said , Prince Aotian's eyes were full of killing intent.

At the same time, Prince Aotian also secretly winked at God King Haotian, and asked him to make a surprise attack from behind. After all, at this time, Yue Feng had not suspected Haotian Divine King yet, so it was a good opportunity to make a surprise attack.

However, the God King Haotian did not want to take risks.

call!

Seeing Prince Aotian's eyes, the God King Haotian exhaled softly, and immediately cast a thousand-mile sound transmission technique: "His Royal Highness, under the current situation, it is inconvenient for me to take action.

" , has never taken advantage of it, so even if the current situation is favorable to him, he does not want to take the lead.

Hearing this, Prince Aotian frowned secretly, and responded with his mind: "How about His Highness the God King?"

"It's very simple, you consume his strength first, and when the time is right, I will naturally take action."

"Okay!"

After secretly negotiating, Haotian God King said to Yue Feng: "Your Excellency Emperor, the situation is too chaotic, please solve it by yourself, I can't help you for the time being .

"

Fire, had no choice but to nod.

This God King Haotian is really a dead brain. The other party just took the medicine pill and hid his soul, so he might not pay attention.

Until now, Yue Feng had not realized that he had been deceived by the God King Haotian.

Yue Feng thought about it, if the Qin Tianjian did not help, he could deal with Prince Aotian just as he was alone. He would be forced to show his primordial spirit later, and see what else the God King Haotian had to say.

After making up his mind, Yue Feng looked at Prince Aotian closely: "Don't talk nonsense, what are you going to do?"

How?

There was a sneer on the corner of Prince Aotian's mouth: "Naturally, he wants to avenge my seven ancestors."

"Okay!"

Yue Feng nodded: "If you want to take revenge, just let the horse come over." The voice fell, Yue Feng turned his divine power, Waiting for Prince Aotian to take action.

"The disciples of the Wudang faction obey the order!"

However, Prince Aotian did not take action personally, but shouted at the surrounding Wudang disciples: "Yue Feng has acquiesced in the fact that he poisoned the seven

ancestors, and immediately killed the thief and gave The seven masters will take revenge.”

Prince Aotian knew his own strength very well, fighting alone, he didn't have much chance of winning, so he wanted to use these Wudang sect disciples to consume Yue Feng's strength.

Anyway, I am not a member of the Wudang faction at all, so I don't need to care about the lives of these Wudang faction disciples.

“Kill!”

“Avenge the master!”

“Kill Yue Feng.”

Under the instigation of Prince Aotian, all the Wudang sect disciples present burst into a howl, pulling out their long swords and rushing towards Yue Feng. come over.

Nima!

Seeing this situation, Yue Feng was furious.

This Prince Aotian is really despicable. He didn't dare to do it himself, so he used these innocent disciples as shields.

Pity these disciples of the Wudang faction, who are being used as spearmen without knowing it.

Thinking to himself, Yue Feng shouted: “Fellow Wudang Daoist, this is a grievance between me and him, please calm down and retreat quickly.”

However, Yue Feng's dissuasion, Wudang disciples simply did not listen. .

“Yue Feng, don't be so pretentious. You killed our master, but you said it had nothing to do with us?”

“Yes, even if you broke the sky today, don't even think about leaving alive.” “Don't talk nonsense

with him, come together!”

Under the howling of Wudang disciples, they surrounded Yue Feng in an instant, and in an instant, thousands of long swords, flashing with cold light, stabbed towards Yue Feng in unison.

well!

In the face of this situation, Yue Feng sighed secretly, and could only use his divine power to shoot out the dozens of Wudang disciples in front of him.

Because he knew that these Wudang disciples were all bewitched by Prince Aotian, Yue Feng naturally wouldn't kill him.

“

Everyone!” Yue Feng took a deep breath and said seriously: “I don't want to be your enemy in Wudang, what I just said is true, your head is not really Ye Yun, he He was taken away.”

“Shut up!”

“It's still bewitching everyone!”

No one could hear Yue Feng's words, and many Wudang disciples shouted loudly and rushed up again.
