

The ultimate husband in Chinese chapter 5961-5970

In the face of this situation, Yue Feng can only passively defend and dare not let go. Although Yue Feng's strength has not been fully recovered, but with Yuanshen, the background is not comparable to these Wudang disciples, and they can easily kill these people with just a few gestures.

Therefore, Yue Feng was very careful, trying his best to restrain his anger and avoid hurting others.

Although Prince Aotian was abominable, these Wudang disciples were innocent.

Under such circumstances, Yue Feng was frightened by his hands and feet, and was surrounded by disciples of the Wudang faction, and he couldn't get out at all.

Haha...

Seeing this, Prince Aotian was full of pride.

Although this Yue Feng is a genius, it's a pity that the benevolence of a woman is so worried, and she still wants to reveal my identity? You must die here today.

call!

Seeing this scene, the God King Haotian, who was quietly watching from a distance, had an indifferent expression, but his heart was secretly complicated.

This Yue Feng is kind-hearted, so slandered, but he still can't bear to take action. In contrast, Aotian does not compromise on means to achieve his goals... He chooses to help Aotian, is he right or wrong? ...

bang bang...

At this moment, in the face of the siege of the Wudang people, Yue Feng once again activated his divine power, knocking many people back, and said loudly: "If you are so aggressive, I am really welcome. Yes."

Om!

When the words fell, Yue Feng's divine power broke out completely, and the terrifying power spread to the surrounding with Yue Feng as the center.

At the same time, a huge blood-colored lotus flower appeared at the foot of Yue Feng, which was the Red Lotus of Faye.

hiss....

At this moment, feeling the strength of Yue Feng, many Wudang disciples around could not help but gasp.

“What a powerful breath...”

“What is the blood-colored lotus flower?”

“Is this the true strength of Yue Feng?”

At the same time, the God King Haotian, who was watching not far away, was also shocked and stared at it closely. Looking at the blood-colored lotus at Yue Feng’s feet, his face was full of incredible.

Legal red lotus.

It is actually the red lotus of the Faye that appears only once in thousands of years in the God’s Domain.

It is no wonder that Yue Feng was able to survive several hardships. It turned out to be a combination of the power of the red lotus of the law.

Under the shock, the eyes of the God King Haotian also became hot. If he could fuse this power and use it for himself, wouldn’t his strength be even better?

Mad!

Seeing this scene, Prince Aotian was even more shocked.

Yue Feng’s luck is also very good. He even combined the power of the red lotus of the law industry, and at the same time, he also strengthened his determination to get rid of Yue Feng.

“Prince Aotian!”

At this moment, Yue Feng’s eyes locked on Prince Aotian, and he shouted: “Do you think you can stop me by bewitching these disciples who don’t know the truth? Tell you, I will beat you out of your original shape today. .”

Whoosh!

The last word fell, and Yue Feng’s figure burst out, passing over the heads of many Wudang disciples, like a bolt of lightning, hitting Prince Aotian with a palm.

Facing Yue Feng's speed, Prince Aotian didn't have time to retreat and dodge, he just gritted his teeth and waved his palms to meet him.

boom!

When the palms of the two sides collided, a roar was heard, and terrifying power fluctuations swept the audience.

In the roar, I saw that Prince Aotian's face was pale, and he was directly shaken back by dozens of steps before he stabilized his figure. On the other hand, Yue Feng was suspended there quietly, as stable as Mount Tai.

Obviously, with this palm down, Prince Aotian suffered a loss.

Speaking of which, neither Yue Feng nor Prince Aotian have returned to their peak state, but Yue Feng has the red lotus protection of Faye, and under such circumstances, Prince Aotian and him are not opponents at all.

Damn...

After stabilizing his figure, Prince Aotian stared at Yue Feng, his face was full of hideousness. This Yue Feng's strength has not fully recovered, and such terrifying power can still erupt. If it is at its peak, wouldn't it be? more terrifying?

Thinking to himself, Prince Aotian looked at Haotian God King subconsciously, intending to ask him to take action.

However, at this time, the God King Haotian was immersed in his own thoughts, completely ignoring Prince Aotian's look for help.

"Aotian!"

At this moment, Yue Feng said coldly to Prince Aotian: "You are not my opponent at all, you don't have to fight stubbornly." The voice fell, and Yue Feng rushed over quickly.

The ultimate husband in Chinese chapter 5962

Mad!

Seeing Yue Feng rushing in, Prince Aotian was shocked and angry.

In a hurry, Prince Aotian shouted: "Yue Feng, if you want to destroy our Wudang, just say it directly, there is no need to use this method out of nothing."

“I, Ye Yun, are bright and upright, even if I can’t kill you and give it to the seven ancestors. Take revenge, but Wudang still has thousands of disciples, you can’t kill all of them.”

God King Haotian did not take action, and could only temporarily rely on these Wudang disciples.

Whoa!

Hearing these impassioned words, the Wudang disciples, who were still a bit fearful around them, screamed as if they had been beaten with chicken blood, and surrounded Yue Feng again.

“Protect the Sect Master Senior Brother.”

“Today is the last drop of blood, but also to protect the Sect Master’s safety .

“

stop.

Nima!

Facing the situation, Yue Feng was helpless and annoyed.

These Wudang disciples are really stupid, why don’t they believe their own words?

Depressed, Yue Feng fought fiercely with these Wudang disciples again. In order to avoid hurting innocent people, he did not dare to explode with all his strength.

Haha...

Seeing this, Prince Aotian sneered at the corner of his mouth, then sat cross-legged, secretly performed the soul-controlling technique, chanted the incantation silently, and summoned the ‘sword soul puppet’ hidden in the underground dark room.

After the fight just now, Prince Aotian learned about Yue Feng’s true strength. Under the shock of his heart, he didn’t dare to take risks. Although he was temporarily safe, he also knew that there were many Wudang disciples around, but it was difficult to stop Yue Feng. wind.

The best way is to summon the sword soul puppet.

These sword soul puppets cost a lot of effort, and now they should come in handy.

.....

At this moment, in the underground darkroom of the back mountain.

In the blink of an eye, ten minutes passed.

Facing the dozen or so sword soul puppets in front of them, Yue Wuya and Hai Ling'er were still at a loss and did not think of a proper way to deal with them.

After all, although these people are controlled, they are all living people.

Om....

just when the two were secretly tangled, they saw more than a dozen sword soul puppets, their bodies suddenly moved, and their originally closed eyes suddenly opened, flashing a chilling light.

At the same time, a strong aura burst out from these sword soul puppets, filling the entire dark room.

Faced with this situation, Yue Wuya and Hai Linger were both taken aback and instinctively took a few steps back.

Immediately, Yue Wuya summoned the Overlord Hammer again.

“They!”

Hai Ling'er was also tense, clenched the long sword in her hand, and whispered: “Have we been discovered, these people are going to do it..”

Yue Wuya took a deep breath, and felt a little uneasy in his heart. , but still comforted: “Linger don't panic, let's take a look at the situation first, if the momentum is not right, we will rush out as soon as possible.”

As the current Sect Master of Tianmen, Yue Wuya is also used to seeing big scenes. Seriously, if he is alone, even if it is a sea of fire, he will not frown, but now that the woman he loves is by his side, he has to be cautious. .

Um!

Hearing this, Hai Ling'er nodded.

Immediately, the two held their breaths and quietly observed the next situation of these sword soul puppets.

Swish....

At this time, more than a dozen Sword Soul puppets turned around and walked towards the secret passage. Their movements seemed stiff, but they were uniform.

This...

Seeing this scene, Yue Wuya's eyes became solemn: "It seems that we guessed well, they are really under control, they should be summoned now."

Hai Linger nodded in agreement, what was thinking at that time, said anxiously: "Oops, the mastermind behind them is going to deal with Uncle Yue Feng."

Hai Ling'er thought carefully, and instantly thought of Yue Feng.

When the words fell, Yue Wuya's expression changed. He didn't hesitate at that time, rushed over quickly, raised his hand and hit the 'Jade Spirit Cave' of the last two sword soul puppets.

Yuling Point is one of the key points in the human body. Once it is severely injured, it will lose its mobility.

Although they were controlled, these Sword Soul puppets were very sensitive. At this time, they noticed that someone was attacking from behind. The last two Sword Soul puppets instinctively wanted to dodge, but they were still a step behind.

The ultimate husband in Chinese chapter 5963

Bang Bang!

Accompanied by two dull sounds, the last two Sword Soul puppets fell down, completely unconscious.

The sword soul puppets in front of them didn't know what happened, and in a blink of an eye, they had already entered the secret passage.

"Brother Wuya!"

Hai Ling'er exclaimed and walked over quickly: "What are you going to do?"

Yue Wuya took a deep breath and responded, "These people who work overtime are like fish." Speaking of which, Yue Wuya just now I planned to knock out all these sword soul puppets, but when I shot, I knew that this was impossible.

After all, each of these puppets is too strong, and they were able to knock out two just by surprise. So Yue Wuya temporarily changed his mind and decided to pretend to be these puppets.

He wants to see who is controlling these people.

More importantly, pretending to be these puppets can also help Yue Feng more easily.

call!

Hai Linger is a smart person, she understood it instantly, clapped her hands and said, "This is a good way."

After saying that, Hai Linger and Yue Wuya ripped off the black clothes on the two sword soul puppets and took them out. Take off the hood and put it on quickly.

Afterwards, the two picked up the long sword that had fallen on the ground and chased into the secret passage.

Swish swish...

At this time, those sword soul puppets had already arrived outside the secret room, and they saw that just outside the secret room door, these sword soul puppets burst out one after another, rose into the sky, and flew towards the front hall.

This chapter is provided by . Visit [for](#) daily update.

Seeing this situation, Yue Wuya and Hai Ling'er didn't have time to think about it, they quickly flew up and followed closely behind.

At this time, the battle in the main hall square continued.

Bang bang bang...

I saw that Yue Feng's figure was as fast as electricity, constantly shuttling back and forth in the crowd, every time he made a move, a Wudang sect disciple would definitely fall!

Of course, Yue Feng didn't kill the killer, he just knocked out these Wudang disciples and made them lose their combat effectiveness.

In less than a few minutes, in the open space in front of Yue Feng, nearly a thousand Wudang disciples fell, almost piling up into a hill.

call!

Seeing that there were fewer and fewer people standing in front of Prince Aotian, Yue Feng felt relieved.

It took a lot of work, but it was finally over.

Swish swish...

However, at this time, I heard a powerful aura fluctuation, coming from the direction of the back mountain, Yue Feng immediately heard the sound and looked at it, and was stunned for a moment.

I saw that more than a dozen black shadows flew quickly.

These people, dressed in uniform black, also wore black hoods on their heads, and the only exposed eyes also flickered with a disturbing cold and evil light.

These people, the breath that pervades their bodies, are very powerful.

Yue Feng also noticed that the long swords in these people's hands were all rare purple-rank weapons.

What the hell!

Seeing this scene, Yue Feng frowned and was secretly taken aback.

Among the Wudang faction, there are still so many masters?

It's just... these people look a little wrong.

In his astonishment, Yue Feng could clearly see that these black-clothed people had a powerful aura and were very oppressive, but their eyes gave people a feeling of emptiness and sluggishness.

Clearly, these people are under control.

At this time, Yue Feng had not noticed that among the men in black, two were Yue Wuya and Hai Linger.

Whoa!

More than a dozen sword soul puppets appeared, and the Wudang disciples present were also in an uproar.

"Who are these people?"

"What a strong aura..."

"Oh my God, everyone has a purple weapon in their hands." I

have to say that the aura of these sword soul puppets is too strong. Wudang disciples were all attracted by their aura and weapons, but they didn't notice that they were all controlled.

Haha...

At this moment, Prince Aotian stood up slowly, his face full of pride, looked at Yue Feng and said, "Yue Feng, didn't you expect it? Let me tell you, my Wudang School has been inherited for thousands of years. Can you be subverted by you alone?"

After speaking, Prince Aotian looked around the audience and said loudly: "Don't be surprised, all Wudang brothers, these men in black were carefully selected by me, and they are all the elites of our Wudang faction. The master died tragically, but fortunately he left behind a lot of secrets of the sword formation. In order to carry forward these sword formations, I secretly selected many brothers and asked them to practice hard. At this time, Wudang is suffering, and it is time for them to come out. A strength."

The ultimate husband in Chinese chapter 5964

The

remarks were eloquent, and the surrounding Wudang disciples nodded in approval after listening.

"Sect Master Senior Brother really has a long-term plan."

"Yes, it is really a blessing for us in Wudang to have such a Sect Master."

"With the sword formation of the seven master ancestors, we will not be afraid of this Yue Feng."

For a time, many The Wudang disciples sighed with emotion, and in their hearts, they respected Prince Aotian more and more, and they were even more disgusted and hostile to Yue Feng.

In their eyes, it is precisely because this senior brother in charge is so excellent that Yue Feng created something out of nothing, fabricated the prince's lie, and deliberately suppressed Wudang.

Uh...

The discussion of the surrounding Wudang disciples, you and I heard each sentence, Yue Feng could not laugh or cry.

These people....I help you Wudang faction to clear foreign aggression, you don't understand, even if you don't understand, and slander me in various ways.

Haha... With the approval of the entire Wudang faction, Prince Aotian

was even more proud. At that time, he was too lazy to talk nonsense, and issued an order to a dozen sword soul puppets: "Bu Jianzhen, take down Yue Feng!"

After

hearing the order, more than a dozen sword soul puppets waved their long swords at the same time, and stabbed towards Yue Feng at the same time.

Seeing this scene, many Wudang disciples were extremely excited. But at the same time, many people also frowned secretly, and they saw that there were two Sword Soul puppets, standing there, not moving.

This chapter is provided by . Visit for daily update.

Yes, these two are Yue Wuya and Hai Linger.

call!

At this moment, seeing those Sword Soul puppets and receiving the order to attack Yue Feng, Yue Wuya couldn't help taking a deep breath, his heart sank, and he couldn't help worrying.

Hai Ling'er was also anxious, and said in a low voice, "Brother Wuya, what should we do? Are we going to help my uncle?"

Yue Wuya calmly glanced at Prince Aotian and replied in a low voice, "Don't do it yet. Impulsive, this person is the mastermind behind the scenes, let's find a chance to deal with him later."

Father is unparalleled, although these puppets leave, it is difficult to hurt him.

The so-called capture the thief first captures the king, and as long as you control this Aotian prince later, those puppets will not be a concern.

"Okay!" Hai Ling'er nodded knowingly.

During this period of time, the two were almost inseparable and had a tacit understanding. Even if what Yue Wuya said was not very clear, Hai Linger could instantly understand what he meant.

The voices of the two were so small that everyone around them could not hear them at all.

Um?

At this moment, Prince Aotian was also stunned, watching the two sword soul puppets motionless, he couldn't help frowning secretly.

what's the situation?

Are these two strong-willed? Out of my control?

When Immortal Venerable taught the Great Law of Soul Control, he once told Prince Aotian that although humans are weaker than gods, there are also people with strong willpower. Such people will only be controlled for a short time. Get out of control with great willpower.

At this time, Prince Aotian thought that these two puppets were out of control through willpower, but he did not know that these two were not sword soul puppets at all.

never mind!

Soon, Prince Aotian reacted, even if two puppets were out of control, it would not harm the overall situation.

At this time, in the square.

What a great speed.

Seeing a dozen sword soul puppets burst out, Yue Feng was secretly taken aback, but he didn't panic, urging the power of his primordial spirit to attack and fight with a dozen sword soul puppets.

Bang bang bang...

The figures of the two sides shuttled back and forth in mid-air, and bursts of vibrations erupted. At first, Yue Feng was very confident, but after a while, his face became a little dignified.

It has to be said that the sword formation left by the Seven Swords of Wudang is really exquisite. Although these people are controlled, they cooperate closely with each other, almost no flaws can be found.

Speaking of which, if Yue Feng burst out with all his strength, he could rush out of the sword formation, but in this way, these sword soul puppets would be severely injured and even lose their lives.

In Yue Feng's heart, these people are controlled, and they don't know what they are doing, so how can they bear to hurt their lives?

The ultimate husband in Chinese chapter 5965

Haha...

Seeing Yue Feng trapped in the sword formation, Prince Aotian showed a smile and became more and more proud.

At the same time, the God King Haotian, who had been watching in midair, also had his eyes flickering.

The situation in front of him has been controlled by His Royal Highness, and it seems that there is no need to do it yourself.

“Yue Feng!”

At this time, Prince Aotian shouted proudly: “Repay my seven masters and die.” After the words fell, Prince Aotian erupted and rushed towards Yue Feng.

At this time, Yue Feng had been trapped by the sword formation, which was a good opportunity for a surprise attack.

Shameless.

Seeing Prince Aotian bursting out from behind, Yue Feng frowned and couldn't help but scolded inwardly, and at the same time he was a little panicked.

If you rush out of the sword formation, you will inevitably hurt the innocent.

But if you don't rush out, you will be raided by Prince Aotian...

What should I do?

“Shameless, don't want to hurt my father!”

At this critical moment, I heard a loud shout, and then, Yue Wuya, who had been standing there waiting for an opportunity, suddenly burst out.

Yue Wuya has been holding back, just waiting for this moment.

This chapter is provided by . Visit for daily update.

hum!

In the blink of an eye, Yue Wuya was in the air, a powerful breath burst out, he raised his hand and tore off the black hood on his head, and at the same time summoned the Overlord's Hammer.

What?

Seeing this scene, the surrounding Wudang disciples all changed their expressions and exclaimed.

“Overlord’s Hammer...he is the current Lord of Tianmen, Yue Wuya?”

“Why is he here? He pretends to be one of us...”

“Yue Wuya?”

Shuh!

At this moment, feeling the danger coming from behind, Prince Aotian was shocked, and he immediately turned his head to see that it was Yue

Wuya . He was detained in Donghai City and served as a prisoner for a few days, so he naturally knew Yue Wuya.

It’s just Prince Aotian, he never thought that this kid would pretend to be a sword soul puppet and take the opportunity to raid him.

“It’s me!”

Seeing Prince Aotian’s frightened expression, Yue Wuya said coldly, “I have already known your conspiracy, and now you want to harm my father, how can I spare you? Go to hell!”

Om!

The last word fell, Yue Wuya waved hard, and he heard a scream that shocked the world. It came from the Overlord’s Hammer, and a touch of golden light ripped apart the world and burst towards Prince Aotian.

Seeing this scene, the surrounding Wudang disciples shouted loudly.

“Stop!”

“Don’t hurt our Sect Leader.”

Many Wudang disciples wanted to rush over, but they couldn’t.

At such a close distance, Prince Aotian didn’t have time to dodge at all. He didn’t have time to think about it at the time, so he quickly mobilized all his strength and deployed a protective film in front of him.

Bang!

When Jin Mang slammed on the protective film, he heard a muffled groan from Prince Aotian, and the whole person was shocked and flew out, flying dozens of meters away, and finally fell heavily on the steps in front of the main hall.

The pain came, and Prince Aotian's eyes turned black, and he almost fainted. He clearly felt that his Primordial Spirit was severely damaged, and the blood in his body was surging.

Speaking of which, Yue Wuya's own strength makes it difficult to hurt Prince Aotian. It was just that he unleashed all the power of the Overlord's Hammer under his anger just now, and this caused him to be severely damaged. After all, in the Kyushu Continent, the Overlord's Hammer is the second Yu Kaitian Axe's magic weapon.

Huh...

At this moment, the Sword Soul puppet, who was fighting fiercely with Yue Feng, stopped almost at the same time.

Prince Aotian was hit hard, and these puppets naturally lost control.

Seeing this situation, Yue Feng breathed a sigh of relief. He was so excited and surprised that he couldn't tell, and said to Yue Wuya, "Y'er, why are you here?" To

be honest, at that moment, Yue Feng really thought he was He would be attacked by Prince Aotian, and he never thought that at a critical moment, Yue Wuya would appear.

As soon as he finished speaking, Hai Linger walked over quickly and smiled at Yue Feng: "Uncle, we have been here a long time ago, but we haven't had a chance to show up." Beautiful face comes out.

Huh....

Seeing Hai Ling'er's delicate face, the surrounding Wudang disciples were stunned for a while, but they couldn't come to their senses for a long time.

The ultimate husband in Chinese chapter 5966

Beautiful.... A beautiful woman...

According to rumors, Yue Wuya has a confidante, the princess of the sea shark clan, who is beautiful and charming, but because she has been staying at the main altar of Tianmen , so there are very few people who have seen her face on the rivers and lakes.

Could it be that this is the princess of the sea shark clan?

Mad!

Seeing the attention of the surrounding Wudang disciples, they were all attracted by Hai Linger's peerless appearance, and Prince Aotian couldn't help but hold back his fire.

I thought that today I could completely damage Yue Feng and get rid of this confidant, but who would have thought that the two of Yue Wuya would actually be mixed into these sword soul puppets.

call!

At this time, upon hearing Hai Ling'er's words, Yue Feng smiled and felt even more relieved.

Fortunately, the two of Ya'er shot in time just now, otherwise, they would be really bad luck.

At this moment, Yue Wuya walked over quickly and said solemnly: "Father, are you calling the divine soldier of Qin Tianjian to deal with this Prince Aotian?"

"Not bad!" Yue Feng nodded.

Yue Wuya's face became solemn, and he said word by word: "Father, you have been deceived. It is impossible for the Qin Tianjian to do anything to this Aotian prince. The two of them have secretly colluded." The

voice fell, and Hai Linger also clicked. Nodding, he immediately said what he had seen before.

What?

When he got these information, Yue Feng's face changed, and he was shocked and angry.

This chapter is provided by . Visit for daily update.

It's no wonder that when he came just now, this Prince Aotian was not at all flustered, but instead had a scheming attitude. It turned out that he had already secretly united with the God King Haotian.

"God King Haotian!"

Just when Yue Feng was furious, the weak-looking Prince Aotian shouted into the air, "If you don't do anything at this time, how long will you wait?" When he

shouted this sentence, Prince Aotian said: Can't hold back the fire.

Ma De, this God King Haotian has been reluctant to act for a long time. He must have no intentions, but there is no way. He was hit hard by Yue Wuya's Overlord Hammer just now, and he can only rely on him at this time.

Swish!

Hearing this shout, all the eyes of the audience were focused on the God King Haotian.

"Don't panic, Your Highness!" Under everyone's attention, the God King Haotian responded lightly, and then his divine power exploded and quickly came towards Yue Feng.

In the blink of an eye, Haotian God King came to Yue Feng, his eyes flashing complex and cold: "Yue Feng, I'm sorry, you and I have different positions, after all, we can't work together." During the

speech, Haotian God King Divine Power Surging, the surrounding air seems to be stagnant.

Mad!

Hearing this, Yue Feng couldn't help but hold back his fire: "Haotian, do you want to help Prince Aotian? Have you thought about the consequences?" At this time, Yue Feng regretted very much.

From leaving Qintianjian to Wudang, the Haotian God King's behavior was abnormal everywhere, why didn't he realize it?

At the same time, Yue Wuya and Hai Ling'er were also staring at the God King Haotian, their bodies tense.

Although Prince Aotian was severely injured, the crisis was still there. After all, the strength of the God King Haotian in front of him was even more terrifying.

"Consequences?"

Haotian Divine King narrowed his eyes slightly, pondered for a moment, and said slowly: "Of course I have thought about the consequences, but I am not afraid to tell you, I am not afraid that Ao Lin will settle accounts with me, because in my heart, he is not qualified at all. Be the Emperor of Heaven."

"Okay!"

Hearing this, Yue Feng's face changed, and he smiled immediately: "Looking at this situation, you two have been planning for a long time, no wonder, this kid Aotian became the head of the Wudang faction, but Qin Tianjian couldn't check it. Come out..."

Haotian God King didn't bother to talk nonsense: "Yue Feng, you can't fly today, so just grab it."

Om!

When the last word fell, the God King Haotian raised his right hand and called towards Yue Feng like lightning.

This palm was as fast as lightning and so terrifying, almost all of Yue Feng's retreats were blocked.

Nima!

Feeling the power of this palm, Yue Feng was shocked. At that time, there was no time to dodge, so he had to use his divine power to meet him with a palm.

boom!

In the next second, the palms of the two sides collided, and Yue Feng groaned, and he was directly knocked back dozens of steps, and his blood was churning. However, with the help of the legal industry red lotus body protection, he finally resisted.

To be honest, Yue Feng and Haotian God King are evenly matched, but their strength has not returned to their peak state. At this time, they are naturally inferior.

The ultimate husband in Chinese chapter 5967

Mad!

Stabilizing his figure, Yue Feng stared at the God King Haotian in mid-air, holding back his fire.

This God King Haotian didn't make a move just now, just waiting for this opportunity, using Prince Aotian and Wudang disciples to consume my strength...

"Yue Feng!"

Just when Yue Feng was thinking about this, God King Haotian His face was as cold as ice, and he said lightly: "Don't try to resist, you don't have any chance."

Hearing this, Yue Feng chuckled and did not respond.

Swish...

At this moment, Yue Wuya and Hai Ling'er moved their figures together and stood on both sides of Yue Feng.

The next second, Yue Wuya mocked at the God King Haotian: "God King Haotian, you are still a well-known figure in the Divine Realm, and you are in charge of the Qin Tianjian. I'm here today, you can't even hurt my father's hair."

Hai Ling'er's delicate face was also full of determination.

In the current situation, there is no chance of winning at all, but even if you risk your life, you must work with Brother Wu Ya to protect the safety of Uncle Yue Feng.

Haha...

Hearing this, the God King Haotian looked contemptuous: "The kid is not small, I'm afraid you don't have the ability."

Feeling the contempt of the God King Haotian, Yue Wuya was furious and clenched the Overlord's Hammer tightly. .

"Good boy!"

This chapter is provided by . Visit [for](#) daily update.

At this moment, Yue Feng was very moved, but still whispered: "Don't be stupid, I definitely won't be able to leave today, but the two of you still have a chance, I'll find a way to hold Hao later. God King, you two take the opportunity to leave."

"Remember, I will go to Donghai City. After I tell you the situation to Uncle Wen, let him find a way as soon as possible to spread the news to God's Domain and let His Majesty know..."

When he said this, Yue Feng looked at Yue Wuya eyes full of kindness.

What happened today was completely due to my own negligence, and I fell into many dangers, but I can't affect Ya'er and Ling'er. After all, they are still young, and there is still a long way to go in the future.

Yue Feng thought about it, and then tried his best to hold the Haotian God King, and gave Yue Wuya and the two to escape, providing enough time.

"No!"

Hearing this, Yue Wuya's heart was shocked, and he shook his head resolutely: "If we want to go together, I must not leave you." After speaking, Yue Wuya's eyes were already red.

Many years ago, the true prince of Erlang, Yang Jian, led the Northern Ying army to fight everywhere, and finally attacked the Diyan Continent. At that time, he was young

and vigorous. Because of his mother, he always hated his father and did many absurd things. At that time, he not only helped Yang Jian, but also treated him well. The father spoke ill of each other.

Yue Wuya has never forgotten these scenes at that time, and every time he thinks about it, he regrets it, and secretly swears that he must be filial to his father in the future.

At this time, seeing his father in deep crisis, how could he abandon him?

At the same time, Hai Ling'er couldn't help holding Yue Feng's arm tightly and said seriously: "Uncle Yue Feng, you are Brother Wu Ya's father and the elder I most respect, we will never leave, no matter what. What is the result, let's live together and die together."

Alas!

Seeing the firm attitude of the two, Yue Feng sighed, both moved and anxious.

"Launch!"

At this time, the God King Haotian lost his patience and said coldly, "What do you three have to say, please wait until you are in the cell of Qintian Prison and then talk about it."

The voice fell, and the figure of Haotian God King broke out, heading straight for Yue Feng.

call!

Faced with this situation, Yue Feng took a deep breath, without hesitation at the time, he urged his divine power to attack.

"Father, let's help you."

Yue Wuya shouted, and Hai Ling'er broke out in unison, rushing into the air to deal with the Haotian God King with Yue Feng.

"Beyond one's own strength!"

Looking at the three people who came up to him, the God King Haotian snorted coldly, raised his hand and waved, bursting out three golden beams, each of which greeted the three of Yue Feng, the golden beams were lightning fast, tearing the world apart .

"Be careful!"

Feeling the power of Jinmang, Yue Feng couldn't help shouting, reminding Yue Wuya and the two.

Yue Wuya and Hai Ling'er didn't dare to be careless, and urged their inner strength to resist.

Bang bang bang... In

the blink of an eye, Jin Mang hit the three of Yue Feng respectively, and with the sound of roars, the three of them were shocked and fell down.

The ultimate husband in Chinese chapter 5967

Mad!

Stabilizing his figure, Yue Feng stared at the God King Haotian in mid-air, holding back his fire.

This God King Haotian didn't make a move just now, just waiting for this opportunity, using Prince Aotian and Wudang disciples to consume my strength...

"Yue Feng!"

Just when Yue Feng was thinking about this, God King Haotian His face was as cold as ice, and he said lightly: "Don't try to resist, you don't have any chance."

Hearing this, Yue Feng chuckled and did not respond.

Swish...

At this moment, Yue Wuya and Hai Ling'er moved their figures together and stood on both sides of Yue Feng.

The next second, Yue Wuya mocked at the God King Haotian: "God King Haotian, you are still a well-known figure in the Divine Realm, and you are in charge of the Qin Tianjian. I'm here today, you can't even hurt my father's hair."

Hai Ling'er's delicate face was also full of determination.

In the current situation, there is no chance of winning at all, but even if you risk your life, you must work with Brother Wu Ya to protect the safety of Uncle Yue Feng.

Haha...

Hearing this, the God King Haotian looked contemptuous: "The kid is not small, I'm afraid you don't have the ability."

Feeling the contempt of the God King Haotian, Yue Wuya was furious and clenched the Overlord's Hammer tightly. .

“Good boy!”

At this moment, Yue Feng was very moved, but still whispered: “Don't be stupid, I definitely won't be able to leave today, but the two of you still have a chance, I'll find a way to hold Hao later. God King, you two take the opportunity to leave.”

“Remember, I will go to Donghai City. After I tell you the situation to Uncle Wen, let him find a way as soon as possible to spread the news to God's Domain and let His Majesty know...”

When he said this, Yue Feng looked at Yue Wuya eyes full of kindness.

What happened today was completely due to my own negligence, and I fell into many dangers, but I can't affect Ya'er and Ling'er. After all, they are still young, and there is still a long way to go in the future.

Yue Feng thought about it, and then tried his best to hold the Haotian God King, and gave Yue Wuya and the two to escape, providing enough time.

“No!”

Hearing this, Yue Wuya's heart was shocked, and he shook his head resolutely: “If we want to go together, I must not leave you.” After speaking, Yue Wuya's eyes were already red.

Many years ago, the true prince of Erlang, Yang Jian, led the Northern Ying army to fight everywhere, and finally attacked the Diyan Continent. At that time, he was young and vigorous. Because of his mother, he always hated his father and did many absurd things. At that time, he not only helped Yang Jian, but also treated him well. The father spoke ill of each other.

Yue Wuya has never forgotten these scenes at that time, and every time he thinks about it, he regrets it, and secretly swears that he must be filial to his father in the future.

At this time, seeing his father in deep crisis, how could he abandon him?

At the same time, Hai Ling'er couldn't help holding Yue Feng's arm tightly and said seriously: “Uncle Yue Feng, you are Brother Wu Ya's father and the elder I most respect, we will never leave, no matter what. What is the result, let's live together and die together.”

Alas!

Seeing the firm attitude of the two, Yue Feng sighed, both moved and anxious.

“Launch!”

At this time, the God King Haotian lost his patience and said coldly, “What do you three have to say, please wait until you are in the cell of Qintian Prison and then talk about it.”

The voice fell, and the figure of Haotian God King broke out, heading straight for Yue Feng.

call!

Faced with this situation, Yue Feng took a deep breath, without hesitation at the time, he urged his divine power to attack.

“Father, let’s help you.”

Yue Wuya shouted, and Hai Ling’er broke out in unison, rushing into the air to deal with the Haotian God King with Yue Feng.

“Beyond one’s own strength!”

Looking at the three people who came up to him, the God King Haotian snorted coldly, raised his hand and waved, bursting out three golden beams, each of which greeted the three of Yue Feng, the golden beams were lightning fast, tearing the world apart .

“Be careful!”

Feeling the power of Jinmang, Yue Feng couldn’t help shouting, reminding Yue Wuya and the two.

Yue Wuya and Hai Ling’er didn’t dare to be careless, and urged their inner strength to resist.

Bang bang bang... In

the blink of an eye, Jin Mang hit the three of Yue Feng respectively, and with the sound of roars, the three of them were shocked and fell down.

The ultimate husband in Chinese chapter 5968

After landing, Yue Feng's face was pale, and his eyes were fixed on the God King Haotian: "Okay, I will capture it, but you have to promise me a condition." The

strength has not recovered to its peak, even if there is a red lotus body protection from the law industry, It can't change the situation, and there is no point in continuing to resist.

Hmm...

Hearing this, the God King Haotian pondered for a while, then nodded and said, "Okay, you say."

"God King!"

Just as the voice fell, Prince Aotian, who was meditating and recovering not far away, endured it. He couldn't stop shouting: "Don't talk to him about conditions, destroy his primordial spirit, and kill him."

When speaking, Prince Aotian's face was grim, looking at Yue Feng's eyes, even more vicious.

It wasn't Yue Feng, and he wouldn't end up in the Kyushu Continent. How many days and nights dreamed of destroying this person, and now that his wish was finally fulfilled, how could he give him a chance to live?

Hehe...

Feeling the resentment of Prince Aotian, Yue Feng showed a smile, not panic at all.

Haotian Divine King also secretly exhaled, and said slowly to Prince Aotian: "Your Highness can't use your

arrogance , this Yue Feng is still useful, and you can't kill it for the time being." Although he has successfully reshaped the primordial spirit, the divine soldiers and generals of Diligent Tianjian are not enough to compete with Ao Lin.

When necessary, it is necessary to use Yue Feng to deal with the other party. After all, Yue Feng is Ao Lin's master. With such a trump card in hand, Ao Lin will definitely not act rashly.

"You..."

Hearing Divine King Haotian's dissuasion, Prince Aotian not only did not calm down, but instead shouted hysterically: "God King Haotian, you dare not obey orders, are you a prince, or am I a prince? "

well!

Seeing his crazy face, the Haotian God King secretly sighed and simply ignored it.

The next second, the God King Haotian looked at Yue Feng and said, "What conditions?"

Huh!

Yue Feng took a deep breath and pointed at Yue Wuya without a word of nonsense, "I'll stay and let them go."

While speaking, Yue Feng looked at Yue Wuya's eyes with deep guilt.

Since Yue Wuya was born, he has not fulfilled his responsibility as a father. Now that he has grown up and is accompanied by such a good girl as Hai Linger, how can he bear to let the two of them be prisoners together with him?

At this time, Yue Wuya and Hai Ling'er struggled to stand up. They were hit hard by Jin Mang just now, and their faces were a little weak.

"No..."

Hearing Yue Feng's condition, Yue Wuya's heart trembled, and his eyes were blood red: "Father, I'm not leaving."

Yue Feng became anxious and scolded: "Shut up, you want to be me. My son, just be obedient and leave with Linger later." Why didn't the child understand, the three of them stayed together, and it didn't end well.

Father...

Seeing Yue Feng's anger, Yue Wuya was stunned.

At this time, after weighing the pros and cons in his heart, the God King Haotian said indifferently to Yue Feng: "Actually, I should agree to your terms, but I'm sorry, I can't let the two of them leave."

"Don't blame me either. , we have played against each other several times, even if sometimes I have the upper hand at the beginning, I still lose to you in the end, so I have to be cautious." After the

last word fell, the God King Haotian slowly walked towards Yue Feng.

A strong breath permeated the whole world.

Mad!

At this moment, Yue Feng was anxious and a little desperate.

This Haotian God King does not eat hard or soft, how can this be done?

At this moment, Yue Wuya came to his senses, couldn't help shouting, and then he gritted his teeth and rushed over, standing firmly in front of Yue Feng: "Even if you don't recognize my son, I won't leave today. "

Seeing that his son was resolutely protecting himself, Yue Feng showed a relieved and bitter smile.

At the same time, Hai Ling'er also walked quickly, holding Yue Wuya's hand tightly, looking at the God King Haotian who was getting closer, her delicate face was full of determination.

correct!

Suddenly, Hai Ling'er thought of something, and quickly took out something from her body and injected her internal energy into it. In an instant, a dazzling ray of light burst out.

Um?

The sudden change made Yue Feng stunned for a moment, and then he was surprised when he saw what Hai Ling'er was holding.

Divine Rune?

This girl actually has a divine rune?

At this time, Yue Feng could clearly see that what Hai Ling'er had just taken out was a piece of blue talisman paper with complicated and esoteric talismans drawn on it, which was the divine run talisman.

When the Tianqi Continent invaded the Diyuan Continent, a fierce battle broke out between the two sides in Donghai City. After the real end, Yue Feng met with a visiting Taoist priest.

At that time, the Taoist priest gave Yue Feng three talismans, one of which was the divine talisman.

Later, the Emei faction was besieging Yue Feng because of the whereabouts of Zhou Qin. At that time, it happened to touch the magic symbol, which caused Yue Feng and Miao Yuan Shi Tai to be sent away.

It has been a long time since this incident, but Yue Feng still remembers the scene at that time.

Speaking of which, this divine talisman on Hai Ling'er's body is from the sea shark clan. Although the sea shark clan has been living overseas for thousands of years, in the past thousand years, there have been many experts from all over the world who have gone to the sea. Exploration of the clan of the shark clan.

These experts in the rivers and lakes also left a lot of treasures while traveling the sea shark clan, including this divine talisman.

A year ago, when Hai Linger decided to come to Kyushu to look for Yue Wuya, the patriarch of the sea sharks gave her this divine talisman to carry with her to prevent accidents from happening.

To be honest, Hai Ling'er almost forgot about the divine rune, but the situation at hand was critical, she suddenly remembered, and immediately used it without hesitation.

what?

At this time, seeing the sudden burst of light, the God King Haotian was stunned.

Not far away, Prince Aotian, and the surrounding Wudang Sect disciples also frowned secretly.

hum!

It was at this time that the light of the Divine Rune Talisman completely enveloped the three of Yue Feng, and then the three of them felt light and were directly teleported away.

What?

The three living people suddenly disappeared without a trace, and all the Wudang disciples present were dumbfounded.

Prince Aotian and Divine King Haotian were even more gloomy and extremely ugly.

Mad!

God King Haotian cursed inwardly, and couldn't help but mutter to himself: "Could it be that this is a divine rune that has been lost in Kyushu for many years?"

As soon as the words fell, Prince Aotian couldn't help but shouted angrily: "It's really useless, I told you a long time ago that I wanted you to kill Yue Feng quickly, but you have been indecisive."

"Now that people have run away, you have to take full responsibility."

Being scolded by Prince Aotian in front of so many people, God Haotian Wang couldn't say how to hold back the fire, it was very shameless, but he still held back and responded: "Your Highness, don't be impatient, even if they escape to the ends of the earth, I will definitely find them."

...

, the Nalan family.

It was already late at night, and the entire Nalan Manor was silent.

However, in the back garden, there was a slender figure, constantly wandering back and forth in the pavilion. With the help of the moonlight, I saw her delicate and delicate face, but there was a lingering melancholy between her brows.

It was Nalan gladly.

In half a month, it will be Nalan Xinran's wedding, but she is not happy at all, not because of 'Nie Zhan', but her father, Nalan Hongzheng.

Since the last time she was reminded by Shennong, Nalan Xinran had been paying attention to her father, but she felt that his father was getting more and more weird, not only his temperament had changed, but his habits were also different from before.

In the past, Nalan Hongzheng had the habit of going to bed early and getting up early, but now, Nalan is pleased to find that his father goes to the secret room behind the garden every midnight to retreat, and the outside of the secret room is never approached or known. What the hell is he doing in there.

Aware of this, Nalan gladly decided to go to the secret room tonight to investigate.

Shasha...

At this moment, there was a slight sound of footsteps outside the garden, and Nalan quickly hid behind the pillars of the pavilion, feeling a little nervous for no reason.

Soon, I saw a dark figure walking slowly into the garden with light steps!

It was Nalan Hongzheng.

Nalan Hongzheng didn't notice Nalan Xinran at all, and walked straight through the pavilion to the secret room behind.

call!

At this time, Nalan Xinran didn't dare to make a sound at all, and quietly hid behind the column, until he saw his father walking into the secret room, and then he breathed.

After

waiting for a few more minutes, Nalan Xinran slowly walked to the secret room and quietly opened the door.

The secret room is not big, with candles lit inside.

Nalan Xinran tried to keep his footsteps as light as possible without making any sound. When he entered the secret room, he saw Nalan Hong sitting on the stone platform with his eyes slightly closed, meditating and practicing.

call!

Seeing this scene, Nalan Xinran, who was standing in the shadow at the door, couldn't help but breathe a sigh of relief.

It turns out... my father is here every night, really retreating and practicing.

Are you thinking too much?

Thinking to himself, Nalan was about to turn around and leave, but at this moment, Yu Guang saw Nalan Hongzheng behind him, and his body trembled.

I saw that behind Nalan Hongzheng, a phantom was quietly suspended. This phantom was also sitting cross-legged, but it was suspended there.

Because of the dim light, Nalan gladly couldn't see the phantom's appearance, but he could vaguely recognize it, and it looked exactly like Nalan Hongzheng.

This...

Discovering this, Nalan Xinran's delicate body trembled faintly, and her heart was cold.

what happened? How can there be a phantom that looks exactly like his father?

What kind of practice is this? How can it look so evil?

This chapter is provided by . Visit for daily update.

As the eldest young lady of the Nalan family, Nalan is pleased to have a clear understanding of the family's exercises, and this is the first time I have seen such a strange scene. Moreover, she clearly sensed that the breath that filled her body during her father's meditation practice at this time was not the cultivation technique of the Nalan family, but an unspeakable evil spirit.

Aware of this, Nalan Xinran only felt a chill down her spine and her whole body was chilled. I just feel that the father in front of me is very strange.

At this time, Nalan Xinran didn't know yet that the phantom was the soul of Nalan Hongzheng.

In order to better control Nalan Hongzheng, Gogne specially taught a set of formulas and exercises, and asked Nalan Hongzheng to practice every night. After practicing this exercise, Nalan Hongzheng not only improved his strength, but also deepened his understanding of the situation. Gogne's loyalty.

hum!

Just when Nalan was in a panic, suddenly, the phantom suspended behind, burst out with a wave of breath, and then slowly moved forward and merged into the body.

Immediately, Nalan Hong slowly opened his eyes.

Swish!

Seeing this situation, Nalan was so pleased that he didn't have time to think, turned around and flashed, and quickly rushed out of the secret room.

When he got outside, Nalan Xinran deliberately looked back and found that his father had not chased after him, so he was relieved, but thinking about the scene just now, he was still heartbroken.

A few seconds later, Nalan was pleased to calm down and went directly to the room where Shennong rested in the backyard. In order to help Tie Bowen continue his life, Shennong had to live here temporarily.

Bang Bang...

When he arrived at the door, Nalan couldn't wait to knock a few times.

Hearing the knock on the door, Shennong opened the door and said with a smile, "Girl, it's so late, what's the matter?"

"Senior!"

At this time, Nalan was pleased, anxious and frightened: "My father really has a problem. , if you want to save him, you must save him..." After speaking, Nalan happily explained the scene he just saw in detail.

call....

Knowing the situation, Shennong put away his smile, and his expression was indescribably solemn: "The soul is out of the body, a great omen, it seems that your father's situation is far more serious than I imagined." He stroked his beard and said, "If the old man guessed correctly, he should have been controlled. Otherwise, the spirit of the soul would not have come out of the body.

" The crux of the problem was quickly found.

What? Being controlled?

Hearing this, Nalan was eager to cry, and couldn't help grabbing Shennong's arm: "Senior, what should I do?" My brother just had an accident a month ago. Know what to do.

"Don't worry, don't worry.."

Seeing her flustered, Shennong smiled and comforted: "I can think about this matter, and I will tell you how to do it tomorrow. You have to remember, don't startle snakes, understand?"

" !

Nalan nodded happily, his eyes full of anticipation: "Then I will trouble the seniors."
