

## The ultimate husband in Chinese chapter 5911-5920

Look?

Hearing this, Nalan Hongzheng frowned: "What are you looking at?"

Nalan hesitated for a while, and said slowly: "Just now, Senior Shennong looked at his father's face and said that there was a dark energy between your brows, maybe... .."

When he said this, Nalan's delighted and beautiful face showed a bit of complexity.

Just before she could finish speaking, Nalan Hongzheng stopped her drinking.

"Nonsense!" Nalan Hong stood up abruptly, and said angrily, "I'm fine, what's wrong? You treat Senior Shennong well, and let him do his best to save that Rakshasa clan, you don't need to show me."

The last word fell, and Nalan Hong was waving his hand, signaling Nalan to leave happily.

Phew...

Seeing his father's reaction, Nalan Xinran was even more puzzled.

It was just for Senior Shennong to take a look, not doing anything else, why did my father make such a big fire?

Could it be....Father really has an unspeakable secret?

Thinking to herself, Nalan would gladly persuade her, but Nalan Hongzheng didn't give her a chance at all. After bowing, "Why don't you leave? Hurry up and don't disturb my reading."

"Okay!"

Faced with this situation, Nalan gladly stopped insisting, and exited the study with a reply.

Back in the front hall, I saw Shen Nong sitting there, sipping tea slowly.

This chapter is provided by . Visit for daily update.

"Senior!" Nalan walked over happily, her delicate face very helpless.

Shen Nong put down the teacup and showed a slight smile: "Where's Ling Zun?"

Alas!

Nalan sighed happily and smiled bitterly: "Father insists that he is fine and doesn't want to let senior see it." After speaking, he briefly explained the situation just now.

Knowing the situation, Shen Nong frowned secretly.

Nalan Hong is resisting like this, which means that there is a problem.

Thinking to himself, Shen Nong ordered Nalan Xin Ran: "From now on, you should pay attention to the movements of your commander, and if there is anything suspicious, tell me immediately."

"Understood, senior."

Nalan Xin Ran hurriedly nodded . head.

.....

On the other side, the Rakshasa.

After a day of training, Yue Feng's condition has improved a lot. Although he can't completely return to his peak state, if he encounters Prince Aotian, he can fight.

At this time, Yue Feng was sitting in the back garden of the palace, basking in the sun leisurely.

"Yue Feng!"

At this moment, a crisp voice came, Yue Feng looked up and saw Ilona walking over quickly.

When she got to the front, Ilona bit her lip lightly and said, "You gave me the animal language last night. I don't quite understand some things. If you have time, teach me again?"

" Ilona's eyes were full of anticipation.

call!

Yue Feng took a deep breath, sat up and said with a smile: "Seven points of this kind of thing depends on talent and three points on hard work. I explained it so clearly last night, you can't help me if you don't understand me."

Having said that, Yue Feng thought for a while and continued: "Speaking of which, the animal masters were developed in Kyushu, and the use of formulas and tricks are also

in line with the habits of Kyushu people, and you are a Rakshasa tribe, because of cultural differences, It's normal to be hard to understand for a while.”

“Then...”

Hearing this, Ilona became a little anxious, and hurriedly asked: “Is there any other way?”

Yue Feng looked at her and smiled: ” If you really want to be like me, you must first learn the culture of Kyushu. If this is Donghai City, maybe I can find some ancient books of Kyushu for you to read, but unfortunately, this is the Rakshasa tribe. “

Is it so troublesome...

At this moment, Ilona frowned, very depressed.

Kyushu's ancient books... there!

In the next second, Ilona suddenly thought of something, took Yue Feng's arm and said, “Actually, it is not difficult to find ancient books in Kyushu. There is an antique street in the business district of the clan, we can go shopping. The weather is good today, you Come with me to find it.”

Ilona said it well, after several years of development, not only a prosperous business district, but also an antique street has emerged in the Rakshasa clan.

What? Is there an antique street here too?

Hearing this, Yue Feng was stunned for a moment, then became interested, and immediately nodded: “Okay, let's go take a look.” That's

great.

Seeing his promise, Ilona was very excited and pulled Yue Feng away from the palace without any explanation.

## **The ultimate husband in Chinese chapter 5912**

Half an hour later, Yue Feng and Ilona arrived at Antique Street.

I went....

At this moment, standing on the antique street, Yue Feng saw the bustling crowd, as well as the large and small antique shops on both sides, even though he was well prepared, he couldn't help but secretly admire.

I didn't expect that the antique street here is quite lively. I didn't know it, but I thought it was an antique market in Kyushu.

"How is it?"

Seeing Yue Feng's shocked look, Ilona smiled and said proudly: "I didn't lie to you." Yue Feng nodded: "Yes, really good."

While shopping at the street stalls, Yue Feng gave Ilona a brief account of the culture and history of Kyushu.

Ilona listened with relish, and admired Yue Feng more and more in her heart.

Ok?

After walking for a while, Yue Feng suddenly stopped, and he clearly sensed that there were two men with bucket hats behind him, who had been following him unhurriedly.

Obviously, he was being followed.

Seeing Yue Feng suddenly stop, Ilona asked curiously: "What's the matter?"

"Nothing!" Yue Feng shook his head: "I suddenly feel a little sick in my stomach, I'll find a convenient place, and you can stroll around first. "Because he didn't know who was following, Yue Feng decided not to let Ilona know first.

After all, Ilona is too young. If she knows that someone is following her, she will be scared.

This chapter is provided by . Visit for daily update.

Ok!

Ilona nodded without doubt.

Yue Feng said no more, and after separating from Ilona, he walked quickly towards a small alley ahead.

Seeing this scene, the two men wearing hats in the back quickly chased after them.

On the other side, Ilona and Xiao Xi finished shopping at the street stalls and entered an antique shop.

Ok?

As soon as they arrived in the alley, the two men wearing bucket hats were stunned.

I saw that the narrow alley in front of me was empty, how could there be a shadow of Yue Feng?

For a while, the two looked at each other, both secretly anxious.

Oops, found out.

“Can’t find anyone?”

Just when the two were secretly anxious, a magnetic voice came from behind, revealing a bit of mockery.

Swish!

The two of them were startled, and they looked back quickly to see Yue Feng standing a few meters behind him, with a faint smile on the corner of his mouth.

Seeing Yue Feng, both of them were a little confused.

Yue Feng was too lazy to talk nonsense, he took two steps forward slowly, and said straight to the point: “Tell me, who asked you to follow me.”

Phew!

The two didn’t answer, but after looking at each other, they ran to the depths of the alley. Obviously, the two have special identities and do not want to be exposed.

“Run?” Yue Feng chuckled lightly, urging the figure to quickly catch up, but in just two breaths, they blocked their way.

After blocking the way, Yue Feng said slowly: “The question has not been answered yet, do you think you can get away?”

Mad!

Feeling Yue Feng’s contempt, both of them were angered, and after scolding, the internal force burst and rushed directly towards Yue Feng.

The two cooperated very tacitly, one left and one right, forming a double-team against Yue Feng, the air was distorted when the figure passed, and the power was amazing.

However, Yue Feng didn’t panic at all. He smiled slightly at that time, went up to meet them, and fought fiercely with the two in the alley.

Bang Bang...

In less than two minutes, the two of them were knocked to the ground by Yue Feng, each with a pale face and extremely weak.

Yue Feng's shot was very measured. He didn't seriously injure the two of them, but only made them lose their combat effectiveness.

Papa...

After knocking the two down, Yue Feng quickly stepped forward and raised his hand to seal the acupoints of the two. In an instant, the two of them trembled and couldn't move.

"Tell me!"

Yue Feng crouched down and looked at the two with a half-smiling smile: "Who sent you here, as long as you answer honestly, I will not embarrass you." The

two looked miserable and did not answer Yue. If it's the wind, his eyes roll quickly, as if he's thinking about a countermeasure.

In the next second, the two looked at each other with a certain determination on each other's faces.

Gudong!

Immediately afterwards, the two of them squirmed a few times before they heard the sound of swallowing something.

Seeing this, Yue Feng's face changed, and he immediately guessed that the two had hidden poison in their mouths.

## **The ultimate husband in Chinese chapter 5913**

Realizing this, Yue Feng wanted to stop it, but it was too late.

Pfft...

After swallowing the poison, the two of them spit out a mouthful of blood at the same time and died.

Mad!

Seeing this scene, Yue Feng's face was extremely solemn, and he couldn't help but curse in his heart.

To be so bloody, I would rather die than give in...

Thinking to myself, Yue Feng bent down and carefully searched the two of them. Soon, two delicate black jade cards were found in the interlayer of their clothes.

A member of the Nalan family?

Seeing the words on the black jade plaque, Yue Feng was stunned, his brain buzzing.

Although Yue Feng rarely visited the Nalan family, he could see at a glance that these two black jade plaques belonged to the Nalan family and were symbols of the family's disciples. Because this black jade was very special, it was impossible to imitate it.

The Nalan family followed me...

For a while, Yue Feng stood there, unable to calm down for a long time.

Could it be that... these two were sent by Nalan with pleasure? Just because of Nalan Wushuang's disappearance?

If this is the case, there is no need for the two of them to commit suicide...

The more Yue Feng thought about it, the more confused his mind became, and he realized that things were not that simple.

This chapter is provided by . Visit for daily update.

It seems that we have to return to Kyushu quickly.

At this time, Yue Feng didn't know that the two following people had nothing to do with Nalan Xinran, but were sent by Gone secretly to monitor Yue Feng's every move.

.....

On the other side, Ilona was bored walking on the street, waiting left and right, and she didn't see Yue Feng coming back, she felt very boring.

At this moment, seeing a new antique shop opened next to it, Ilona walked in directly.

This store is not big, but it is very elegantly decorated. Walking in it, it gives people the feeling that they have come to the Jiangnan water town.

Ilona looked around and saw a scroll of jade slips on display on the booth inside. She immediately became interested and asked the boss, "Boss, how much is this?" The

boss hurried up and introduced attentively: "Girl, you have such a good eye. This scroll of jade slips is something from the ancient imperial palace of Kyushu. It is made of pure white jade and has the emperor's inscription on it. It just opened today. I'll give you a discount, one million Kyushu coins!"

Although this is the Rakshasa tribe, the Kyushu coins are in circulation.

One million Kyushu coins? Not cheap.

Hearing this, Ilona clicked her tongue secretly, then picked up the jade slip and looked at it.

I have to say that this jade slip is indeed exquisite, and it is very gentle in the hand, but it is not something from the ancient palace, and Ilona can't see it. After all, she is a member of the Rakshasa tribe, and she does not know anything about the history of Kyushu.

At this time, several more guests walked in and exclaimed when they heard the boss's offer.

"God, I want a million!"

"Is this jade slip so valuable?"

Hearing the discussion, the boss looked proud: "Of course, the things in the palace are of course valuable."

After speaking, the boss looked attentive. Looking at Ilona: "Girl, do you want it?"

Ilona bit her lip slightly, hesitant.

Speaking of which, she was not interested in antiques at first, but after listening to Yue Feng's suggestion just now, she decided to learn about Kyushu culture, and then she decided to learn more.

It's just that one million Kyushu coins is not a small amount.

"Oh?!"

Just when Ilona was hesitating, she heard a surprised sound from outside the door, and then, a gorgeously dressed figure walked in.

It is a young man, wearing noble fur unique to the Rakshasa tribe, with thick eyebrows and big eyes, but there is a bit of arrogance between his eyebrows.

The man's name is Haogel, the son of a Rakshasa leader, who idles around all day.

Hauge has always liked Ilona, but as the only female general of the Rakshasa tribe, Ilona spends most of her time in the military camp, and it is difficult to see each other. Therefore, Hauge has never had the chance to show his favor.

Huh ...

At this moment, Hauger was stunned when he looked at Ilona dressed in casual clothes.

The Ilona I saw before was all soft armor and valiant, but I didn't expect that she would be so sexy and charming in a girl's clothes.

After watching for a few seconds, Hauge walked over slowly, smiled at Ilona and said, "Ilona, what a coincidence, I didn't expect us to meet here."

Today, I finally met my sweetheart, Hauge I decided to give a good performance.

## **The ultimate husband in Chinese chapter 5914**

Why is he here...

Seeing Hauger, Ilona frowned and was very disgusted.

This Hauge, relying on his father as the leader, idles around all day and does not seek to make progress. In the words of Kyushu, he is a playboy. This kind of person is annoying to see.

Hauge didn't care about Ilona's indifference, and looked at the jade slip in her hand: "Ilona, do you like this jade slip? I'll buy it for you."

Can you buy it for me?

Hearing this, Ilona was stunned for a moment, then chuckled and refused: "No need!"

She knew Hauge's mind, how could she give him a chance?

Uh...

Seeing Ilona's rejection, Hauge was a little embarrassed, but he still said unwillingly, "Ilona, we have known each other since we were young. I will buy a jade slip for you. It's nothing, why refuse?"

"Lorna was annoyed and shook her head: "No!"

Seeing this scene, the other guests around couldn't help but talk in a low voice.

“It’s a big deal to spend one million Kyushu coins to please beautiful women...”

“Yeah, it’s a pity that people don’t appreciate it.”

Hearing the discussion, Ilona’s delicate face suddenly became a little embarrassed. I just wanted to get angry at Ogle.

Hauge also frowned secretly, looked around and said coldly: “What are you talking about? Do you know who I am? Hurry up!”

This chapter is provided by . Visit for daily update.

Hurrah...

The guests who come here have some knowledge, from Hauge He knew that this was not to be provoked by his clothes, and when they saw him getting angry at this time, they all shut up and slipped out.

“Ilona!”

At this moment, Yue Feng’s voice sounded from outside the door: “Are you inside?” The voice fell, and Yue Feng walked in slowly.

Seeing Yue Feng, Ilona showed a smile on her face, and hurriedly greeted her: “You’re back.” The gentle tone was completely different from how he treated Hauge just now.

Ok!

Yue Feng nodded.

At this moment, Hauge frowned and looked at Yue Feng with a frown, with a bit of hostility in his eyes.

Who is this man? Ilona was so gentle to him.

Thinking to myself, Hauge suddenly overturned the vinegar jar, and his good mood suddenly turned bad.

“Hey!”

At this time, Hauge took a step forward and looked at Yue Feng up and down: “Who are you?” Although he is the son of the leader, he never cares about the major affairs of the Rakshasa clan, and naturally he doesn’t know that the person in front of him, is the Queen’s guest, the famous Yue Feng from Kyushu.

“Hauger...” Seeing Hauger’s arrogant face, Ilona was very unhappy, she quickly came out, and said, “Don’t be rude, he is...”

The next words have not been said. When they came out, they were stopped by Yue Feng.

At this moment, Yue Feng shook his head at Ilona, then turned around and smiled at Hauge: “I’m her friend!” I came out today to relax, and I didn’t want to be too public.

friend?

Hearing this, Hauge suddenly chuckled: “I thought there was something to it, it turned out to be just a friend, I tell you, I am Ilona’s childhood sweetheart playmate.” The

words were full of provocation.

Shameless!

Ilona couldn’t help rolling her eyes. At that time, I didn’t bother to pay attention to it, so I whispered to Yue Feng: “I just read a jade slip, and the boss wants one million Kyushu coins. I don’t know if it’s worth it.”

Hearing this, Yue Feng turned his head and looked at it. Looking at the jade slip, he shook his head slightly.

With Yue Feng’s attainment in antiques, it is obvious at a glance that this jade slip is a high imitation.

Mad!

Seeing the two whispering, completely ignoring himself, Hauge was very upset. He didn’t care about getting angry at Ilona, but he could only pour his anger on Yue Feng.

“Hey!” Hauge said to Yue Feng: “Looking at your appearance, you can’t get a million, so don’t whisper.” In his opinion, Yue Feng and Ilona were whispering to each other. Research the price of jade slips.

Saying that, Hauge said to Ilona with a flattering face: “I can’t even buy a million gifts, so how can I be your friend? This jade slip, I bought it for you.” The

last sentence After the words fell, Hauge said to the boss with a proud face: “Wrap it up!”

Alright!

The boss responded happily and hurriedly prepared to pack. It just opened today and sold 1 million, which was a good start. I'm really happy.

Ilona was displeased and frowned: "Hauger, who said you want to buy something? Are you bothered!"

## **The ultimate husband in Chinese chapter 5915**

This Hauge is really blind.

Even if you don't know Yue Feng, he still makes a rude statement.

Hauge smiled shyly and said, "Ilona, don't be angry, I'm not wrong!"

Ilona was so angry that she was about to scold.

"Haha!"

At this moment, Yue Feng smiled slightly and persuaded Ilona: "Ilona, don't slap the smiley face, if someone kindly gives you a gift, just accept it."

Saying that, Yue Feng gave Hauge a light look and said meaningfully: "People have a lot of stupid money and are willing to spend so much money to buy a high-quality imitation product, so don't care about it."

Seriously, Yue Feng and Hauge have no grudges. But the other party had been belittling him just now, and Yue Feng couldn't bear it no matter how good his temper was.

Fake?

Hearing this, Ilona's body trembled, and she stared at Yue Feng blankly, feeling a little incredible.

How did he know that this jade slip was a high imitation?

"What did you say?"

At the same time, Hauge's face changed, and his heart was filled with anger. He glared at Yue Feng: "Who are you calling stupid and rich? Boy, I think you are tired of living.

"De, if this kid has no money to buy it for Ilona, how dare he scold me? Just looking for death!"

But seeing so many people around, especially Ilona, Hauge suppressed the urge to shoot, and sneered at Yue Feng: "Boy, why do I feel that you can't afford it, and my heart is sour?"

This chapter is provided by . Visit for daily update.

said When he finished the last sentence, Hauge looked contemptuous.

Yue Feng smiled and said lightly: "I can't afford it? Sorry, I will only buy the real thing."

"You..."

Seeing Yue Feng's determined face, Hauge's face was extremely ugly, but he calmed down.

Could it be that there is something wrong with this jade slip?

Thinking to himself, Hauge called the boss and said coldly: "Boss, is your jade slip a high imitation? I tell you, if you dare to sell me a fake, I will tear down your shop.

" Oh, this young master, you can't talk nonsense." The boss's face was startled, and then he said excitedly: "How can I sell fake products in such a big store? Besides, today is the first day it opened, and I dare not sell it. It's a fake."

"Look at the texture of this jade slip and the inscription on it, how could it be fake?" The voice fell, and many people around nodded their heads.

"Yes, this jade slip is so beautiful, how could it be a high imitation?"

"Yeah..."

Seeing that everyone said the same, Hauge's gloomy face relaxed, and then he looked at Yue Feng with a smile that was not a smile: " Boy, did you hear it? It's not a high imitation at all, I see you, it's just that you can't afford it, so you say that on purpose." After speaking

, Hauge turned his head to look at Ilona: "Ilona, you This friend seems to be honest, and he does not act kindly. If he can't get it, he will slander it, tsk tsk..."

"Shut up!"

Ilona bit her lip and scolded softly, "He won't get it wrong. Yes ."

Ilona didn't know Yue Feng's achievements in antiques, but she trusted him very much in her heart, since Yue Feng said it was fake, it must be fake.

Mad!

Seeing that Ilona was still protecting Yue Feng at this time, Hauge was furious.

“Boy!” Hauge looked at Yue Feng and said coldly: “You said that the jade slip was fake, do you have any evidence? Let me tell you, if you talk about it, you are spreading false remarks and hindering other people’s business. , if you don’t explain it well, you will be arrested.” The

voice fell, and many people around him also booed.

“That’s right.”

“If you don’t have evidence, don’t talk nonsense.”

At this moment, the boss also came over and looked at Yue Feng complicatedly: “This friend, you keep saying that my jade slip is fake, please also ask Can you tell me the details, otherwise, the business of my shop will be affected.”

Phew!

Yue Feng took a deep breath and smiled bitterly: “Boss, don’t get me wrong, I’m not targeting your shop, but... this jade slip is indeed a high imitation.”

After speaking, Yue Feng pointed at the jade slip and said slowly: “This jade slip is of good quality. It is indeed high-quality white jade, but the inscription on it was written recently. As for the primitive luster on the surface of the white jade, it was made with a very special technique.”

## **The ultimate husband in Chinese chapter 5916**

“This kind of counterfeiting is very clever, but high imitations are high imitations, this is a fact!”

Having said that, Yue Feng looked at the boss and smiled: “I believe that the boss has been in this business for many years. Yes, but this jade slip, you should have been deceived.”

After speaking, Yue Feng talked freely, his voice was not loud, but there was no doubt.

This....

Seeing Yue Feng’s straightforward words, the boss took a deep breath and his expression became complicated.

You know, this jade slip, but he paid hundreds of thousands at a private auction, how could it be fake?

But what the person in front of him said was so certain...

At this moment, the other guests present were also stunned by Yue Feng's self-confidence, and they started talking in a low voice.

"Listen to him, is this jade slip really a fake?"

"It's hard to say..."

"If it's really fake, then it's interesting."

Hearing the discussions around, the shop owner was even more confused Well, I was out of ideas for a while.

"Haha!"

But at this moment, Haogel sneered and said to Yue Feng, "You keep saying that this jade slip is a high imitation, just relying on one mouth to speak without proof, one-sided words, how can you do it? Convincing?"

When he said this, Hauge's eyes flashed with a hint of coldness.

This chapter is provided by . Visit for daily update.

Mad, this kid is just making trouble, what high imitation, just to show off in front of Ilona....

At this time, Hauge has thought about it, and Yue Feng can't hold convincing evidence. Come out and teach him a good lesson.

yes!

Hearing this, everyone around him nodded subconsciously.

"You're so sure, you always have to show evidence."

"That's right, there's no proof..."

At this time, the shop owner also reacted, looking at Yue Feng with a complicated smile, "This guy My friend, since you insisted that the jade slip was a high imitation, please come up with conclusive evidence."

At this time, the owner of the shop was also a little angry. You know, this is the first day it opened, and if you encounter such a thing, anyone else will feel uncomfortable.

call!

Faced with this situation, Yue Feng breathed a sigh of relief and said slowly: "Okay, since you want evidence, okay, please get the boss a basin of salt water." After the

voice fell, the shop owner immediately ordered to the man: "Go, get it. Come here with a pot of salt water." The things in his store can't be fake, but we have to see what tricks this person is going to do.

Soon, the shop assistant brought a pot of salt water.

Whoa!

At this moment, the surrounding guests all gathered around, wanting to see how Yue Feng proved.

With a smile on his face, Yue Feng put the jade slip in salt water, soaked it for about half a minute, took it out and handed it to the shop assistant, and asked him to wipe it with a clean towel.

At the same time, Yue Feng looked around and said, "Since ancient times, there have been many ways to counterfeit and make old antiques, but there are some things, no matter how realistic they are, it is difficult to be the same as the real one."

"This jade slip uses special methods on the surface. It has been dealt with, but as long as it is soaked in salt water, the old traces will disappear."

Everyone was suspicious.

Hauge sneered even more, couldn't help but curled his lips and said: "It's really interesting, it's like saying that he is an antique expert."

Facing the ridicule, Yue Feng smiled and said nothing.

The shop owner was standing there, pondering secretly. Speaking of which, it was the first time that Yue Feng had seen the means he used at this time. Although he didn't know if it would work, he felt inexplicably uneasy in his heart.

call!

And Ilona, who was standing aside, looked at Yue Feng closely, her eyes showing a strange brilliance.

As expected of a hero from Kyushu, with such high strength and knowledge, he actually knows so much about antiques.

“Boy!”

At this time, Haogel seemed to be impatient, and said coldly to Yue Feng: “I tell you, wait for this jade slip to find out the problem, you are slandering the store’s reputation and disrupting the market, you will just wait to be caught.”

Idiot...

Hearing him say that, Yue Feng chuckled lightly, ignoring it.

It was at this moment that the shop assistant wiped the moisture off the jade slip and gently placed it on the table. In an instant, everyone gathered around and carefully identified it.

“Huh?”

Soon, someone discovered something, and couldn’t help shouting: “It seems to be really different.” The

voice fell, and everyone around was talking about it.

## **The ultimate husband in Chinese chapter 5917**

I saw that the jade slip at this time, the quaint feeling of moisturizing is gone, although the texture is delicate and white, it gives people a dull feeling, and the color of the inscription on it has also become lighter .

More importantly, the primitive traces on the edges and corners of the jade slip also disappeared.

This... how could this be?

At this moment, if the shop owner was struck by lightning, the whole person was dumbfounded, and his body trembled faintly.

I spent hundreds of thousands of dollars to buy a high-quality fake...

Mad, it’s fake!

At the same time, Hauge’s face was extremely ugly.

“Hauger!”

Seeing Yue Feng’s words, Ilona’s indescribable admiration, she glanced at Hauger with disdain, and said coldly: “If you don’t understand antiques in the future, don’t buy them blindly. I Friends say it’s fake, but you don’t listen.”

Shuh!

Hauge was in a bad mood at first, but when he heard Ilona’s words at this time, it was like adding fuel to the fire, and he immediately became furious.

“Mad!” In anger, Hauge scolded and grabbed the shop owner’s collar: “You are very courageous, you dare to lie to me?” The

last word fell, and Hauge slapped him fiercely. past.

Snapped!

This chapter is provided by . Visit for daily update.

Hearing a crisp sound, the shop owner was smashed to the ground, half of his face swollen high.

Speaking of which, the owner of the store is also a respectable person in this area. Usually, if someone dares to do something, they would have called someone long ago, but at this time, how dare the owner of the store dare to resist.

“This friend!” At this moment, the shop owner covered his face, feeling aggrieved and frightened: “I am also a victim. I bid for this jade slip from an auction...”

“Close Mouth!”

Hauge shouted angrily, his eyes full of suffocation. He had lost his face in front of his sweetheart just now, but now he would listen: “Don’t ask who I am, dare to lie to me?”

” With a wave: “Come on, let’s smash this shop.”

In the entire Rakshasa clan, there has never been such an ugliness, especially in front of Ilona, Mad, this black shop must be smashed today, To be relieved.

Whoa!

Hearing the order, a few men outside the door rushed in quickly, ready to smash.

Seeing this, the shop owner almost cried.

“Wait!”

However, at this moment, Yue Feng frowned and stepped forward to stop several of Hauge’s subordinates.

Yue Feng has been through the rivers and lakes for a long time, and it can be seen at a glance that the owner of this store is not deliberately selling fake things to deceive people. After all, the store was selling fake things on the first day it opened.

Speaking of it, it has nothing to do with Yue Feng whether the shop owner sells fake things, but speaking of it, if it were not for Yue Feng, so many things would not have happened.

Ok?

Seeing Yue Feng coming out to stop him, Hauge had a grim expression on his face: “Boy, it’s none of your business here, get out of the way.”

Yue Feng let out a sigh of relief and said slowly, “The owner of this shop must have been deceived, too. I didn’t mean to sell you fakes, it’s just unreasonable for you to smash his shop like this.”

“Yes...” The shop owner nodded again and again.

At the same time, Ilona also took a step forward, frowning her eyebrows and said, “Hogel, don’t mess around.” Hauge

glanced at Ilona and ignored it. However, he felt even more resentment and resentment towards Yue Feng in his heart. Madd, this kid is out of the limelight and makes me look like a fool.

“Go to Nimad!” Hauge got angrier the more he thought about

it, he pointed at Yue Feng’s nose and cursed: “What is your special code? You said that it was fake. Now you are running out to be a peacemaker. , is also you, who do you think you are? I have to smash this shop today, if you dare to stop it, I will clean up with you.”

Haha!

Hearing this, Yue Feng couldn’t help laughing: “It’s a big voice, I also tell you that if I’m here today, I won’t let you mess up.” The

voice was not loud, but there was an irrefutable expression ‘s atmosphere.

Swish!

Hauge was stunned for a moment, and then said furiously: "I think you are courting death, beat me, and abolish this short-sighted boy."

Hearing the order, several subordinates rushed towards Yue Feng.

"Hauger!" Seeing this situation, Ilona was anxious and angry, and was about to rush over to stop it, but was stopped by Yue Feng.

## **The ultimate husband in Chinese chapter 5918**

"Don't panic, I'll solve it."

Yue Feng said in a low voice, letting Ilona stand aside, and then greeted him.

Also a man, Yue Feng was very aware of Hauge's heart at this time. He was humiliated in front of his sweetheart, and he couldn't bear it. So, this fight is unavoidable.

Wow...

Seeing this situation, the surrounding guests all quickly retreated, for fear of being affected by the fish pond.

At this moment, Hauge stared at Yue Feng closely, his face full of hideous and proud.

Boy, on my site, dare to challenge me...wait for you to cry!

In Hauge's heart, the man in front of him was just an ordinary friend of Ilona. He had no background, no strength, and was not his opponent at all.

However! He was wrong!

Bang bang bang!

In the blink of an eye, Yue Feng and several of Hauge's subordinates collided, and a few dull sounds were heard. Everyone outside the door did not see what was going on, and saw that those subordinates had fallen to the ground. One by one, their faces were full of pain, and they were crying.

Speaking of which, Yue Feng has already shown mercy, otherwise, these men might have already entered the gate of hell.

What?

Seeing this scene, Hauge's face changed, and he only felt his brain buzzing.

All of these subordinates are not weak, but they were all beaten down by this kid in one round.

And... I didn't see clearly how the other party shot just now.

"Boy!"

Frightened, Hauge looked at Yue Feng closely, and asked coldly, "Who are you?"

Yue Feng smiled slightly: "As I said earlier, I am Ilona's friend.

" Yue Feng glanced at the few people lying on the ground, and said slowly: "Hauger, right, everything has to be reasonable, not everything can be solved with fists, take your men and go quickly."

Seriously Yes, for a stubborn child like Hauge, Yue Feng really doesn't bother to do it, and wants to let the other party retreat.

Mad!

However, Yue Feng's words were an indescribable humiliation to Hauge.

"Boy!"

At this moment, Hauge looked grim and said coldly: "You are quite kind, dare to oppose me, you think you are very powerful, right, okay, I want to see how powerful you can be.

"

Om!

The voice fell, Hauge howled, and a vigorous step rushed up, smashing his fist at Yue Feng.

I saw Hauge's figure passing by, and the fist wind whistled.

Although Hauger is a playboy, he has cultivated since childhood and his strength is not weak. This punch almost exploded with full force, and the power is amazing.

"Hauger!"

Seeing this situation, Ilona stomped her feet in a hurry, and couldn't help crying: "You are crazy, do you know who he is? He is a distinguished guest by the Queen's side!"

This Hauge Er is so arrogant, daring to fight with Yue Feng is simply courting death.

However, at this time, Hauge completely lost his mind for self-esteem, and could not hear Ilona's words at all.

Ugh! Why bother.

Seeing Hauge rushing up, Yue Feng couldn't help but sighed and shook his head.

The next second, Yue Feng stood there as still as a mountain, and threw a punch lightly.

boom!

In an instant, the fists of the two sides collided, and a dull sound was heard. Immediately afterwards, Hauge screamed, clutching his fists and backing up again and again, and he stopped after retreating more than ten meters, his face pale and pale.

Mad!

The sharp pain came in waves, and Hauge kept gasping for air, while staring at Yue Feng, both angry and shocked.

Is this kid so strong?

Hauge clearly felt that his finger bones were all shattered.

At this time, Hauge didn't know that the person in front of him was the famous Yue Feng in Kyushu, and his strength was simply beyond his imagination. Moreover, Yue Feng only used one layer of strength just now, otherwise, Hauge's whole person would be abolished.

call!

Seeing this situation, both the owner of the store and the guests outside the door were all stunned. They looked at Yue Feng one by one, with complicated expressions in their eyes.

Is this guy so strong?

It's just... This Hauge has a lot of background, and now he has suffered a loss, and he will definitely not let this person go.

Worried, the shop owner walked over quietly and whispered to Yue Feng behind him: "This friend, let's go, the other party has a lot of background. If you hurt him, he will definitely retaliate."

Speaking of which, just now Yue Feng pointed out in public that his collection was fake, and the shop owner was very unhappy, but at a critical moment just now, he stopped Hauge from smashing the shop, so chivalrous, the boss admired him.

“Haha!”

Facing the worries of the shop owner, Yue Feng smiled lightly, shook his head and said, “It’s okay.”

In Yue Feng’s eyes, this Hauge was just a playboy, not even an enemy.

Seeing that Yue Feng was not in a hurry, the shop owner was very anxious, but there was nothing he could do.

Ilona is also extremely calm. After all, Yue Feng is the Queen’s VIP, and it is not something that a playboy like Hauge can provoke.

But what made her helpless was that Hauge didn’t listen to her repeated dissuasion.

“Good boy!”

At this moment, Hauger reacted, pointing to Yue Feng’s face with resentment: “You wait for me, don’t run here. I will call someone.” Call

someone?

Hearing this, Yue Feng was instantly happy, nodded and said, “Okay, you can call.”

After saying that, Yue Feng walked to the side slowly and sat on the chair with a relaxed expression on his face.

Seeing this scene, the shop owner and the guests outside the door secretly sweated for Yue Feng.

Although this man is powerful, his personality is also too stubborn.

Although you are very powerful, this is the Rakshasa clan after all, and this Hauger looks like a person with a background. No matter how strong you are, you can’t be someone else’s opponent.

Just looking at Yue Feng’s confident face, everyone is not easy to persuade.

“Hauger!”

At this moment, Ilona frowned and shouted at Hauge Jiao: "Can you stop making a fool of yourself, this matter is your fault."

Ilona didn't say anything. After saying this, Hauge was even more angry, and immediately shouted: "Ilona, don't talk for this kid, now it's a matter between the two men, you'd better not get involved." The

last word fell, Hauge strode out to call.

This pig brain.

Seeing this, Ilona was furious.

"This girl!" The shop owner came over and whispered at Ilona: "Quickly persuade your friend, Qianglong doesn't overwhelm the snake, I'm afraid it's too late."

Seeing Ilona's full face Anxious, the shop owner thought she was worried about Yue Feng.

However, he didn't know that Ilona was not worried about Yue Feng at all, but felt helpless because of Hauge's arrogance and ignorance.

"It's okay..."

Ilona smiled lightly when she heard the store owner's words: "You don't have to worry."

Seeing her and not listening to dissuasion, the store owner sighed.

Crash...

Soon, there was a sound of neat footsteps outside the store, and I saw that Hauge came with dozens of warriors in armor.

Seeing this scene, the guests outside the door quickly dispersed.

The shop owner's face was also pale in an instant. It's too bad, things are getting worse and worse, and I'm afraid that this shop can't be kept.

Yue Feng's face was calm.

"Boy!"

Hauge walked in quickly, and when he saw Yue Feng was still there, he immediately smiled coldly: "It's very kind, and he didn't leave."

"Interesting!" Yue Feng smiled slightly: "I didn't do anything shameful, why did I leave?"

Shuh!

Seeing that he was still stubborn at this time, Hauge was too lazy to talk nonsense, and shouted: "Abolish him for me." Today, if this kid's hands and feet are not abolished, how will he meet people in the future?

Crash...

Upon hearing the order, dozens of warriors pulled out their machetes and charged towards Yue Feng.

Seeing this scene, both the owner of the store and the guests standing outside watching the fun all sighed secretly and couldn't bear to watch any more.

"Stop!"

But at this moment, there was a loud shout outside the door, and then, a burly middle-aged man, surrounded by a few servants, walked in quickly.

Wearing a gorgeous robe, he is not angry and arrogant, and his body is filled with a good aura.

It is Haogel's father, Haotai.

Haogel came home just now and said that he had been beaten, and then quickly summoned his subordinates to come back for revenge. Haotai was not at ease, so he would follow him to take a look.

"Father!"

Haogel was more confident when he saw Haotai, he walked over quickly and said, "Why are you here?"

Haotai said angrily: "Why did you say I'm here? You idle around every day, causing trouble everywhere. , what do you want to do with so many people out this time?"

## **The ultimate husband in Chinese chapter 5920**

As a father, Haotai knows this son very well.

"Father!"

Facing the accusation, Hauge was very disapproving: "How can I cause trouble every day? I really don't blame me today. This kid deliberately played with me and injured me." The

more Hauge thought about it, the more angry: "I have to abolish him today."

Hauge glared at Yue Feng as he spoke.

call!

Hearing this, Haotai frowned, and then followed Hauge's line of sight.

The moment he saw Yue Feng, Haotai was shocked, his head was buzzing, and he almost collapsed on the ground in fright.

Ma De, this renegade son, actually wants to abolish Your Excellency Yue Feng.

At this time, Hauge, hadn't noticed his father's fault, and shouted at the warriors, "What are you doing? Do it!"

After hearing the order, dozens of warriors waved their machetes again.

"Stop!"

At this moment, Haotai was frightened to death, and hurriedly shouted.

Immediately, both Hauge and those warriors were stunned, and they didn't seem to understand why Haotai reacted so much.

Snapped!

The next second, Haotai rushed forward and slapped Hauge in the face. This slap almost used all his strength, and when Hauge snorted, he turned around in a circle, and half of his face was swollen.

"Father!"

Hauge was blinded, covering his face and staring at Haotai: "Why are you hitting me?"

Slap!

As soon as the words fell, Haotai slapped him again and shouted angrily: "Shut up for me, you naughty son, cause me trouble every day, how can I give birth to you such an unsatisfactory thing."

This is Yue Feng, The Queen's VIP, the benefactor of the entire Rakshasa.

And this renegade son actually wanted to abolish him...

“Father!”

Facing the scolding, Hauge was very aggrieved and said unwillingly: “He wounded me first, and I came back to trouble him, what’s wrong? “

Until this point, Hauge hadn’t realized that he almost made a big mistake.

At this time, Haotai was trembling with anger, and cursed: “You blind thing, he is the Queen’s VIP, the famous Your Excellency Yue Feng, you ... you want to kill yourself, harm yourself Do you want to kill me?”

What?

Hearing this, Hauge trembled, and he was dumbfounded.

At the same time, the shop owner and the people watching the lively outside were also stunned, silent.

Hauge’s head was buzzing, staring at Yue Feng blankly, unable to tell the fear, who doesn’t know Yue Feng’s name? It can be said that he is the benefactor of the entire Rakshasa clan, and the queen must be courteous three points when she sees it.

And himself, he was going to abolish him just now.

The shop owner was completely stunned.

No wonder this person is so calm, it turns out that he is the famous Yue Feng.

“Your Excellency Yue Feng...” At this time, Haotai

walked over quickly, his face full of embarrassment and shame, and smiled wryly at Yue Feng: “I’m really sorry, the dog is rude, I hope you don’t take offense.”

Tai turned his head and shouted angrily at Hauge: “Nizi, don’t come over and apologize.”

call!

Hearing the scolding, Hauge woke up, took a step forward, and saluted Yue Feng, his voice trembling: “Your Excellency Yue Feng, I was wrong just now, I have eyes but don’t know Mount Tai.

” Gerr nearly cried.

I thought it was an ordinary person from Kyushu, but I never thought that the other party turned out to be Yue Feng, who was famous in Kyushu.

call!

Yue Feng breathed a sigh of relief, and said lightly to Hauge: "It's good to know that it's wrong, and don't do bullying in the future."

"Yes, yes..." Hauge nodded again and again.

Yue Feng was too lazy to talk nonsense, and waved his hand to indicate that he could leave.

At this time, Hauge didn't dare to say a word, and quickly left with dozens of warriors.

"Your Excellency Yue Feng!"

As soon as his forefoot left, Haotai was ashamed and bowed ninety degrees to Yue Feng: "It's okay for me to discipline you, I really made you laugh just now."

Yue Feng smiled: "You're welcome, Chief, I'm not a stingy person either, so don't worry about it."

After that, Yue Feng and Haotai exchanged a few words and left the antique shop with Ilona.

"Ilona!"

Yue Feng laughed and joked when he got outside: "That Hauge seems to like you very much."

Ilona's delicate face instantly flushed, and she couldn't hide her disgust: "Don't mention it. This person is annoying him."

After speaking, Ilona changed the subject: "By the way, Yue Feng, do you have a lot of research on antiques?"
