

The ultimate husband in Chinese chapter 6201-6210

Although the other party is a prince and the gods are orthodox, the gods Zhan Wuji, who have followed the Haotian God King for many years, obey the royal family on the surface, but in fact only obey the orders of the Haotian God King.

Mad!

Seeing this, Prince Aotian was furious and shouted angrily at Zhan Wuji and several other god generals: "You guys are really daring to act together with Haotian, have you thought about the consequences?"

"He fluctuated for half a minute, and said lightly: "Don't blame the prince, we are just acting on orders."

Acting on orders?

Prince Aotian frowned, and said coldly: "Okay, I now order you as a prince to immediately take down the God King Haotian, and there must be no mistake."

He is an orthodox in the realm of the gods, and these gods should know what is more important.

However, Zhan Wuji and several divine generals were not moved at all, they rushed up and surrounded Prince Aotian. Immediately, Zhan Wuji said indifferently: "We only obey the orders of His Highness the King of God." "The prince

has a noble status, in order to avoid suffering, let's just obediently capture it.

"

, this prince would rather die than surrender."

Om!

The last word fell, and Prince Aotian burst into divine power, rushing directly towards Zhan Wuji, who was headed by him.

In the face of this situation, Zhan Wuji did not panic at all, but shook his head and said regretfully: "The prince is obsessed, then there is nothing to say, offend." The

voice fell, Zhan Wuji, with the cooperation of several gods, went with Emperor Aotian. The son fought fiercely.

This chapter is provided by . Visit for daily update.

The God King Haotian looked indifferent. Because of his self-confidence, he did not go up to join the battle, but stood there and watched quietly.

Zhan Wuji and several divine generals are not weak, and they are more than enough to deal with Aotian. After all, Aotian raided Aolin just now, but it consumed a lot of divine power.

call!

After watching for a few seconds, the Haotian God King took a deep breath, and then slowly walked towards Ao Lin.

At this time, Ao Lin received a full blow from Prince Aotian just now, his Yuanshen was destroyed, and his face was extremely pale at this time, lying on the ground unable to move, very weak.

“Haotian!”

At this time, watching the Haotian God King slowly approaching, Ao Lin said weakly: “I believe that you were confused for a while, and now you know it’s too late to get back. Save me...”

When he said this, Ao Lin’s eyes showed some anticipation.

He believed that God King Haotian was not bad by nature, and this rebellion was just a moment of confusion.

“Your Majesty!”

At this moment, Divine King Haotian’s eyes flashed with complexity, and he sighed slowly: “Either confused or sober, since I have made this decision, I have no reason to regret it.”

“You are a good man. Heavenly Emperor, it’s a pity that the experience and experience are not enough...” The

last word fell, and the Haotian God King made a lightning strike and pressed it on the top of Ao Lin’s head.

hum!

In an instant, the divine power in Ao Lin quickly dissipated and was quickly absorbed by the God King Haotian. Ao Lin wanted to struggle, but he was too weak to resist.

Pfft!

Soon, Aolin's divine power was completely absorbed, he closed his eyes unwillingly, and fell to the ground softly.

Looking at Aolin's divine soul, Haotian God King originally planned to cut the grass and root, but he couldn't bear it, and this divine soul was still useful.

Thinking to himself, the God King Haotian took out a prepared jade tablet from his body, and saw that the jade tablet was the size of a palm, bright yellow, translucent, and there were faint strange energy fluctuations inside.

It is the Hunyuan jade card.

The Hunyuan Jade Token is a kind of strange stone beyond the nine heavens. After being made into a jade token, it can be used to imprison everything, including Ao Lin's soul.

"Your Majesty, I'm sorry."

After taking out the Primordial Jade Card at this time, the Haotian God King said lightly, and then recited the formula, trapping Ao Lin's soul in the Primordial Jade Card.

Bang bang bang...

Not far away at this time, the fierce battle between the Aotian prince and the Zhan Wuji gods is still going on.

Prince Aotian's strength is not weak, but because of the consumption of divine power just now, facing the siege of the Zhan Wuji gods, he was completely suppressed, and it was difficult to reverse the situation.

Bang!

At this moment, Zhan Wuji found an opportunity, rushed from behind, slapped Prince Aotian on the back, and heard a dull sound, Prince Aotian groaned, and was directly shaken back.

The ultimate husband in Chinese chapter 6202

Dengdengdeng...

After taking a dozen steps back in a row, Prince Aotian only felt his blood churning, and his eyes turned black for a while.

Before he could stabilize his figure, Zhan Wuji rushed over quickly, took out a golden long lock from his body, swung his long arm, and the golden long lock rolled towards Prince Aotian like a spirit snake.

Oops!

Seeing the golden long lock, Prince Aotian's expression changed and he panicked.

Because he could see clearly, what Zhan Wuji was using was the unique cage lock of the Divine Realm, which was an artifact specially designed to deal with the Qinglong family.

As long as it is locked by the cage, even a powerful dragon can hardly break free.

But now, he has been severely injured, and if he is locked in a cage, it will be even more troublesome.

I thought to myself, Prince Aotian wanted to dodge, but it was already a step too late.

Whoa!

In the blink of an eye, the cage lock tightly entangled Prince Aotian, Prince Aotian tried to struggle, but the cage lock became tighter and tighter, and he couldn't move at all.

"His Royal Highness the God King!"

Zhan Wuji was very excited, walked over quickly, and said to the Haotian God King: "You're done, Aotian has been captured."

Hmm!

The Haotian God King showed a smile and nodded approvingly: "Very good, you all step back first, you cannot come in without my order." When he spoke, the Haotian God King was very excited, but his face was very calm.

This chapter is provided by . Visit for daily update.

"Yes, His Royal Highness!" Zhan Wuji responded, and then quickly exited the secret room with the other gods.

"Haotian, let me go."

As soon as his forefoot left, Prince Aotian couldn't help shouting angrily: "This prince will give you a chance now. As long as you let me go, this prince will not take the blame for today's affairs."

At this time, Prince Aotian looked arrogant and arrogant. A high-minded attitude.

Ha ha!

Seeing his appearance, the God King Haotian smiled lightly, then walked over slowly, searched on Prince Aotian, and finally took out the Demonic Venerable Spirit Bone.

Afterwards, God King Haotian looked at Prince Aotian quietly: "Do you think I can let you go now? Since this king has decided to do this, there is no turning back."

"To be fair, you are arrogant and arrogant. I'm not qualified to be a Heavenly Emperor at all. It was my fault that I promised to assist you before, but I can't make mistakes again and again, and it's impossible to go back and show my loyalty to Aolin."

"So, I can only do this. You two can solve it and be the emperor of heaven." At the

end of the story, God King Haotian had a bit of determination in his eyes: "Prince, accept your fate."

"You..."

At this moment, Prince Aotian was unforgivable. His eyes were blood red, and he cursed unwillingly: "You thief, lunatic, God's Domain is our prince's, not yours, you are just a dog by our side, what qualifications do you have to be the emperor of heaven?"

"This prince is the last word. One more time, let me go..."

Hehe...

Facing the abuse, the God King Haotian smiled indifferently, not at all angry, but said slowly: "You can scold, just scold."

If Prince Aotian was so abused before Humiliated, God King Haotian will definitely be furious, but now that he has firmly controlled the situation, there is no need for regular meetings.

"Ao Lin has already absorbed the divine power from me, and the divine soul is also trapped in the Primordial Jade Card. Now, it's your turn." At this time, the God King Haotian said lightly, and then raised his hand and placed it on Emperor Ao Tian. child's head.

hum!

At this moment, Prince Aotian's body trembled, his face was pale, and he only felt that his divine power was leaking wildly.

"Haotian, I'm going to kill you. Kill you..."

Prince Aotian shouted frantically, his eyes like poisonous snakes, trying to break free from the shackles of the cage, however, everything was to no avail.

Buzz buzzing...

In the blink of an eye, the divine power that Prince Aotian disintegrated was absorbed by the God King Haotian.

After the last trace of divine power escaped, Prince Aotian was indescribably sluggish, closed his eyes tightly, stopped breathing, and at the same time, his divine soul also floated out of his body.

Seeing this situation, God King Haotian didn't have time to think about it, he took out a Primordial Jade Card again, used the magic technique, and trapped Prince Aotian's soul in the Primordial Jade Card.

call!

After doing this, the God King Haotian took a deep breath with a smile on his face, and his mood was indescribably smooth.

The ultimate husband in Chinese chapter 6203

The

overall situation has been decided, and there is finally no worries.

Now all that's left is to deal with Yue Feng.

Thinking to himself, the God King Haotian received the two Hunyuan jade tokens, and then slowly walked out of the secret room.

"His Royal Highness!"

Zhan Wuji waited outside the door. When he saw the God King Haotian coming out, Zhan Wuji took the first step to meet him and asked, "What should I do next

? As a subordinate, Wuji knows exactly what to ask and what not to ask.

call!

The God King Haotian breathed a sigh of relief and said slowly: "The supreme demon of the demon race has been killed by this king. Celebrating with the whole world, you are ready to go back to the God Realm with me to celebrate." After

speaking, the God King Haotian looked around and continued: "His Majesty Ao Lin has never been a Diligent Supervisor in the future. You don't even know the whereabouts of Prince Ao Tian, do you understand?"

Although the situation is under control, the situation in the secret room just now cannot be leaked.

“This subordinate understands.”

After hearing the order, Zhan Wuji and the surrounding generals understood it and responded in unison.

A few minutes later, the God King Haotian led tens of thousands of divine soldiers and generals to leave Qintian Prison through the teleportation array and return to the Divine Realm.

...

This chapter is provided by . Visit for daily update.

on the other side, Shenlong Island.

In the hall, there was a sumptuous banquet.

At the wine table, Yutong Xianweng, Yue Feng, Xian Di, Wen Chou Chou and Sun Da Sheng sat in turn, everyone pushed the cups and changed, chatting and laughing, it was very lively.

With the help of the Qinglong family, Yue Feng spent half a day rebuilding the teleportation formation on the previous ruins.

After the formation was completed, Yue Feng was very happy, and in order to thank Yutong Xianweng for his help, he specially hosted a banquet in the hall.

“Senior!”

At this moment, Yue Feng picked up the wine glass and smiled at Yutong Xianweng: “Senior has helped many times, thank you very much, a few glasses of thin wine are not respectful, I will do it first.” The

voice just fell, Sun Dasheng couldn't bear it. Stayed and said, “Just drink if you drink, and you said Wenxuan, senior, I'll accompany you to do it.” The

voice fell, and Sun Dasheng raised his head and drank it.

Yutong Xianweng said with a smile: “As long as I can drink, it doesn't matter what I say. Haha...”

Haha...

Seeing him say this, everyone laughed.

“Senior Yutong!”

This is, Xiandi Yingying got up and said to Xianweng Yutong with a wine glass: “This time on Shenlong Island, thanks to you, I thank the seniors on behalf of the Qinglong family.”

“Okay... Yutong Xianweng smiled and nodded.

“Come, come...”

Sun Dasheng took advantage of the wine and raised his glass again: “Everyone drink, you must not be drunk today.”

Everyone agreed.

This game was drunk for more than three hours, and it didn’t end until late at night.

“Senior!”

When the scene was over, Yue Feng grabbed Yutong Xianweng and asked with a smile, “I’m going to set off for God’s Domain, senior, do you want to go together?”

I don’t know why, but Yue Feng had a bad premonition when he went to God’s Domain this time.

“God’s Domain is boring.”

Yutong Xianweng drank a lot of wine, and his face was red. When he saw Yue Feng’s invitation, he immediately waved his hand: “If you go to work, I will not follow. In other words, this Qinglong clan The wine brewed is really good, and I must go along a few altars when I leave.”

Seeing him say so, Yue Feng did not force it, but nodded with a smile: “Then senior, rest.” After speaking,

Yue Feng called two Qinglongs . A family of strong people, let them help Yutong Xianweng to rest, and then Yue Feng and Wen Chou Chou said goodbye and started a large array to leave.

.....

On the other side, God’s Domain.

After the Haotian God King returned with tens of thousands of divine soldiers and generals, he ordered Zhan Wuji and led his subordinates to temporarily stationed near the Yutian Palace.

Immediately, the God King Haotian rushed to Yuyao Xianyuan alone.

Empress Hua Zhao was about to take a rest. When she learned that the God King Haotian had returned, she was overjoyed and rushed to the hall to meet at the first time.

“You guys step back!”

When they got to the hall, Madam Hua Zhao first screened everyone away, then walked up quickly, took God King Haotian’s hand, and couldn’t wait to ask, “How’s the situation? Where is Tian’er?”

” Zhao Niangniang couldn’t help but looked outside the door.

When the God King Haotian left, he told her that he wanted to help Prince Aotian to win the throne of the Emperor of Heaven. After success, he would come back to see her together.

The ultimate husband in Chinese chapter 6204

However, Empress Hua Zhao saw at this time that the door was empty, how could there be Prince Aotian?

well!

Facing Empress Hua Zhao’s urgent gaze, God King Haotian was inexplicably flustered, but he still pretended to be very sad and sighed: “The plan failed, Aotian he...he is no longer there!

” It’s the woman he loves, and if he cheated on her like this, he will always feel bad about it.

What?

Hearing this, Empress Hua Zhao’s body trembled, as if she was hit by five thunders, she was completely dumbfounded, and her mind was buzzing.

Tianer... Tianer is gone?

How could this be?

After being shocked, Empress Hua Zhao reacted and said in disbelief: “Impossible... It’s impossible. With you guarding, how could something happen to him?”

“That’s the plan.”

Haotian God King nodded, very He said helplessly: “It was just an accident at that time. I deceived Ao Lin to Kyushu on the grounds that Yue Feng was seriously ill.

”, when I reacted, they.... they have exhausted their divine power and perished together!”

Speaking of which, Haotian God King took out two Hunyuan jade cards from his arms: “It happened too fast at that time, and I had no time to stop it. They can seal their remnant souls in the Primordial Jade Card.”

Poof!

Empress Hua Zhao trembled and took the Hunyuan Jade Card, a burst of grief surged in her heart, her delicate body softened, and she slumped on the ground.

This chapter is provided by . Visit for daily update.

“My god, my god...”

Under the grief, Empress Hua Zhao choked up: “Why are you so persistent, you have to be the Emperor of Heaven, isn’t it okay to be peaceful?” Tears streamed down as she spoke.

“It’s all my fault!”

Seeing her like this, the God King Haotian had a complicated expression and said hypocritically, “I didn’t protect the prince! I’m sorry for you!”

At this time, Empress Hua Zhao was almost distraught, and shook her head gently: “I don’t blame you, maybe, this is his destiny...” He said, holding the Hunyuan jade card tightly in his arms, as if like this, he could still feel the breath of Prince Aotian.

At this time, Empress Hua Zhao did not know that Aotian died at the hands of the Haotian God King, not at the same time as Aolin.

call!

Seeing that she didn’t have the slightest doubt, the God King Haotian exhaled secretly, and then comforted: “Don’t be too sad.” After

speaking, the God King Haotian continued worriedly: “With Aotian gone, our situation will be even more dangerous, So, you must cheer up.”

“Why?”

Empress Hua Zhao raised her eyes and looked at him, with a bit of puzzlement on her face, "Ao Lin is no longer there, who else can threaten him ? Us?"

Haotian God King's eyes flickered: "Yue Feng! He is Ao Lin's master, and this time I deceived Ao Lin to Kyushu in his name, and Yue Feng also noticed it."

"Yue Feng is not good . To deal with it, he will definitely not give up after knowing that Aolin has an accident, when he returns to the realm of the gods and announces the situation, I will become the target of public criticism." At the

end, the Haotian God King looked worried.

"Then..."

After hearing this, Empress Hua Zhao panicked a little: "Then what should we do?" She was immersed in the news of Aotian's death, and she had no idea at all at this time.

call!

The God King Haotian took a deep breath, pretended to think for a moment, and said slowly: "Of course he can't be allowed to reveal the truth, we have to do it first."

After speaking, the God King Haotian took Empress Hua Zhao tightly into his arms, He continued: "As long as Yue Feng is out, no one can threaten us anymore, and we can be together without any worries in the future."

After hearing these sweet words, Madam Hua Zhao couldn't resist, and nodded obediently: "Okay, I'll listen to you."

Haha...

Seeing her promise, the God King Haotian was overjoyed, but with a serious look on his face, he told the plan.

A few minutes later, Empress Hua Zhao quietly left Yuyao Xianyuan and went to Yutian Palace under the arrangement of God King Haotian.

....

on the other side.

Yue Feng finally arrived at the Divine Realm through the teleportation formation.

call!

At this moment, Yue Feng was suspended in mid-air, looking at the misty and misty landscape of God's Realm in front of him, with an indescribable emotion in his heart.

Since Aolin became the Emperor of Heaven, he never came back.

Muttering in his heart, Yue Feng moved his figure and quickly rushed towards Yutian Palace.

The ultimate husband in Chinese chapter 6205

It is late at night at this time.

When Yue Feng arrived at Yutian Palace, there were only a few divine soldiers guarding the entrance of the main hall.

"I've seen the emperor!"

Seeing Yue Feng appearing, several divine soldiers hurriedly saluted. After all, he was the master of the Emperor of Heaven. Who can't be respectful when he sees it?

Yue Feng nodded, and then asked, "Where is Your Majesty?" Haotian God King led the Qin Tianjian to rebel, and there was no time to delay.

Hearing the question, a divine soldier guard responded: "In two hours, it will be Zaochao. At this time, His Majesty should rest in the back side hall."

Hmm!

Yue Feng nodded, walked straight through the main hall, and walked towards the side hall behind.

When passing through the hall, Yue Feng frowned secretly, vaguely feeling that something was wrong. You must know that the Yutian Palace is the place where the emperor summoned all kinds of immortals and gods. It is the most important place in the entire God Realm. .

Today, apart from a few divine guards at the door, there are hardly any other patrolling divine soldiers.

But thinking that it was late at night, it might be time for a shift, so Yue Feng didn't care too much.

"Wooooo..."

When he was about to reach the side hall, he heard a burst of crying, which was very sad.

Hearing the cry, Yue Feng was stunned, frowning secretly.

Why is there a woman crying in His Majesty's room?

This chapter is provided by . Visit for daily update.

Thinking to himself, Yue Feng pushed open the door of the side hall and walked in slowly.

Niangniang?

The moment he entered the side hall, Yue Feng was stunned when he saw the scene in front of him.

I saw that there were two candle lamps lit in the huge side hall, the light was dim, and on the soft couch inside, a charming figure was sitting, covering his face and crying.

It is Empress Hua Zhao!

What the fuck....

At this moment, where Yue Feng was stunned, his mind went blank.

Why is Empress Hua Zhao here? Could it be... have you gone to the wrong place?

No, this is the Yutian Palace, how could I have come to the wrong place?

After more than ten seconds, Yue Feng regained his senses. At that time, he walked over slowly with his courage, and tentatively said, "Niangniang?" While speaking, Yue Feng looked around and found that in the side hall, There is only Empress Hua Zhao, and there is no Ao Lin.

"You?" When

she heard the voice, Empress Hua Zhao stopped crying and turned to look at Yue Feng, looking very surprised: "Aren't you going back to Kyushu? Why did you suddenly appear?"

Huh!

Yue Feng breathed a sigh of relief, and said, "I have something very important to report to Your Majesty." Empress Hua Zhao is the biological mother of Prince Aotian, and the affairs of Kyushu should be kept from her first.

At this time, Yue Feng didn't know that Ao Lin and Ao Tian were all dead.

“Really?” Empress Hua Zhao nodded, looking nonchalant.

“Yes!” Yue Feng nodded, and then couldn’t help asking: “I dare to ask your majesty, where is your majesty? Also, madam shouldn’t be in Yuyao Xianyuan, why are you here?”

“Your majesty he... When

she heard the question, Empress Hua Zhao bit her lip tightly, her delicate face was full of heartache, she sobbed softly again: “Something happened to Your Majesty.” With

that, Empress Hua Zhao picked up something from the soft collapse.

What?

Yue Feng’s heart was shocked, and he was a little stunned. When he saw what Hua Zhaoniang was holding, he was even more stunned on the spot.

Yes, what Empress Hua Zhao took out was the Primordial Primordial Jade Token that sealed Ao Lin’s remnant soul. At this time, Yue Feng could clearly see that there was a vague figure in the translucent jade Token.

Although he couldn’t see his face, Yue Feng could feel that it was Ao Lin’s remnant soul.

This.. this is impossible.

For a time, Yue Feng was struck by lightning, and his brain was buzzing.

Ao Lin is kind and generous, and is a rare good emperor. How could something happen suddenly?

This is definitely not true.

Thinking in a mess, Yue Feng walked over slowly, trying to get closer to see clearly.

“Wow...”

But at this moment, Empress Hua Zhao burst into tears, suddenly got up from the soft couch, held Yue Feng’s hand tightly, and choked up, “Your Majesty is gone, and Tian’er doesn’t know what to do. Trace, now I am the only one left, what should I do?”

At this time, Empress Hua Zhao’s delicate face was full of grief, but her eyes flashed with complexity.

Yes, she stayed in the side hall where Ao Lin was resting, which was deliberately arranged by the God King Haotian, the purpose was to wait for Yue Feng to appear.

The ultimate husband in Chinese chapter 6206

This....

Suddenly being held by Empress Hua Zhao, Yue Feng was awkward and embarrassed: "That... Empress, don't be too busy to be sad, this... What the hell is going on? ?"

When he said this, Yue Feng looked at the Primordial Jade Card in front of him and felt a pain in his heart.

"Your Majesty he..."

When she heard the question, Empress Hua Zhao's eyes flashed with the aids, and she bit her lip and said, "Your Majesty he..." She deliberately slowed down her voice, as if she was waiting for something.

Seeing her hesitating to speak, Yue Feng was in a hurry.

Swish swish!

At this time, outside the side hall, there was a sudden sound of neat footsteps.

The sound of the footsteps was uniform, giving people an inexplicable sense of oppression.

Hearing the footsteps, Empress Hua Zhao quickly shut her mouth.

Yue Feng was also stunned for a while, thinking in his heart that it should be the guards of the divine soldiers of Yutian Palace. Thinking to himself, Yue Feng was about to go out to check, but before he left, there was a chatter from outside.

"His Royal Highness!"

At this time, a respectful voice came from the crowd outside: "The side hall is here. Just now, my subordinate heard the sound of fighting inside. It's just a humble position. I'm afraid of offending Your Majesty, so I don't dare to enter and check easily."

Fighting sound?

Hearing this, Yue Feng was secretly puzzled, and couldn't help but look back at Empress Hua Zhao.

This chapter is provided by . Visit for daily update.

The guard outside said that he heard the sound of fighting here before. Could it be that the Empress and Her Majesty moved their hands?

its not right.

Although Empress Hua Zhao has a cold personality and is sometimes willful, she is not stupid enough to fight with His Majesty.

Just when Yue Feng was secretly puzzled, he heard a low voice from outside: "Your Majesty's safety is more important than everything. With this king here, you don't need to worry, just break in to check the situation immediately.

" Doubt.

It was the voice of the God King Haotian.

What?

Hearing the voice of the God King Haotian suddenly, Yue Feng's heart was shocked. At that time, the whole person was blinded. Isn't this God King Haotian a Diligent Supervisor in the Kyushu Continent? Why is it in Yutian Palace?

In his heart, the more Yue Feng thought about it, the more wrong it became.

Suddenly something happened to His Majesty, and the God King Haotian rushed back to God's Domain in time... Could it be that all of this is a huge conspiracy?

Wow..

At this moment, a group of elite soldiers swarmed in, headed by the God King Haotian, wearing purple-gold armor, holding the Moon God Halberd, his body was filled with a powerful aura, majestic.

Swish!

The moment he came in, God King Haotian's eyes locked on Yue Feng and Empress Hua Zhao.

The next second, the God King Haotian's tone was cold: "Yue Feng, why are you in His Majesty's side hall?" When speaking, the God King Haotian was aggressive.

"Haha!"

If others faced this situation, they would have panicked, but Yue Feng was unusually calm, and said lightly: "I am the teacher of the Heavenly Emperor, and it is most normal

to come to His Majesty to say a few words. What, could it be? I have to report this to you?" "Also, shouldn't the King of God be in Kyushu

? Why did he suddenly come back?"

When something happened to His Majesty, Empress Hua Zhao was there, and at this time, the God King Haotian also suddenly appeared. All of this is definitely not a coincidence.

call!

Facing Yue Feng's rhetorical question, Haotian God King's face changed, and then he smiled lightly: "I naturally have no right to take care of what Your Excellency the Emperor does. Also, when I return to God's Domain, there are some things that need to be reported to His Majesty. There is no need for this. Did I tell you?"

Report the situation?

Hearing this, Yue Feng couldn't help but chuckle: "What to report? Are you reporting that you lead the rebellion?"

Yue Feng still remembers what happened on Shenlong Island before. This God King Haotian killed so much for his own selfish desires. Many people, this account will be settled sooner or later.

"Presumptuous!"

At this moment, the God King Haotian turned red and shouted angrily: "Yue Feng, don't rely on yourself to be the master of the Emperor of Heaven, and you can talk nonsense. I am loyal to Your Majesty, why would you say rebellion?"

Immediately, Haotian God King looked around the lower side hall, and said coldly: "Just now, a famous guard heard the sound of fighting from the side hall, and he was not sure for a while, so this king led his subordinates to come and see."

At the end, Hao The Heavenly God King looked at Empress Hua Zhao: "Niangniang, what happened just now?"

The ultimate husband in Chinese chapter 6207

Swish!

The moment the voice fell, the eyes of the audience all focused on Empress Hua Zhao.

Yue Feng also held his breath, waiting for Empress Hua Zhao to unravel the truth.

“His Royal Highness!”

At this moment, Empress Hua Zhao cried out in grief, quickly distanced herself from Yue Feng, and cried, “You must avenge Your Majesty, Your Majesty... Your Majesty was killed by Yue Feng.”

Finally As soon as a word fell, Empress Hua Zhao quickly hid behind the God King Haotian, looking very panicked.

Yes, this was the plan of the God King Haotian, who arranged for Empress Hua Zhao to stay in the side hall and publicly identify Yue Feng for killing the Emperor of Heaven.

Speaking of which, Empress Hua Zhao originally did not want to cooperate with the God King Haotian to slander Yue Feng. Although she was arrogant and self-willed, she also had a conscience deep in her heart.

It’s just... Ao Lin and Ao Tian are gone, while the Empress Nuwa and the ancestors of Honghuang are both in seclusion outside the Nine Heavens. Right now, in the entire Divine Realm, only the God King Haotian can preside over the overall situation.

What’s more, the God King Haotian is the man she loves deeply, who can she help if she doesn’t help him?

Whoa!

Hearing this, the elite soldiers present were all in an uproar, and they all glared at Yue Feng at the same time.

“Yue Feng killed Your Majesty?”

“It’s really audacious...”

“Murdering Your Majesty is an unforgivable crime, and it must not be forgiven lightly.”

This chapter is provided by . Visit for daily update.

These elite soldiers are all subordinates of the Haotian God King. At this opportunity, they all attacked Yue Fengkou.

What?

Yue Feng was struck by lightning, staring blankly at Empress Hua Zhao, his mind went blank.

He never thought that at this critical moment, Empress Hua Zhao would actually speak slander....

But Yue Feng quickly reacted, and at this time he finally understood that everything in front of him was a trap set up by the God King Haotian.

“Okay!”

Realizing this, Yue Feng laughed in anger, first looking at Empress Hua Zhao, then at God King Haotian: “I should have thought that the two of you would secretly join forces to deal with me, but how can I do it? I never thought that you would take action against Your Majesty first!”

After speaking, Yue Feng couldn't help but glanced at the Primordial Jade Card: “Good apprentice, Master is sorry for you, Master is late.” The

last word When he fell, Yue Feng was sad, his nose was sore, and he almost cried, but he held back, because he knew that the situation in front of him was even more serious.

“Yue Feng, you are bold!” Empress Hua Zhao shouted coquettishly.

When the words fell, the God King Haotian also looked righteous and dignified, and said coldly: “Yue Feng, because you are the teacher of the Heavenly Emperor, and you are valued by the ancestors of Honghuang, you really don't take anyone in

your eyes.” Saying that this king colluded with Niangniang and ruined Niangniang's reputation, you deserve to die.” The

words were loud and could not be refuted.

Hahaha...

At this moment, Yue Feng was extremely sad, and laughed loudly: “God King Haotian, what is the truth, you know better than me, I don't care what method you use to kill your majesty, I must make you a blood debt. Blood will pay.”

Thinking of Ao Lin's death, Yue Feng's heart was bleeding.

Ao Lin is generous and benevolent, and under his rule, the world will present a peaceful world.

More importantly, he was Yue Feng's most valued disciple.

And now, it's all been destroyed by the God King Haotian...

Phew!

Facing Yue Feng's scolding, Haotian God King was a little flustered in his heart, but he quickly calmed down and said coldly: "Yue Feng, don't quibble. With the mother's testimony, even if you are tongue-in-cheek, you can't escape the guilt."

"Stop talking nonsense!"

At this time, Yue Feng's anger was rising, and he was too lazy to talk nonsense at that time, and shouted: "I want you to kill Ao Lin."

Om!

The words fell, Yue Feng burst into divine power, his figure burst out like lightning, and he slammed towards the Haotian God King with a slap in the face. In the current situation, it is useless no matter what, it is better to strike first.

Seeing Yue Feng burst out, the God King Haotian snorted coldly: "The traitor still dares to be arrogant, I won't bring you to justice today, I am ashamed to compare with Haotian."

With that, the God King Haotian pushed Empress Hua Zhao to the side. On the other hand, he instructed his subordinates: "Protect the empress." The

last word fell, and the Haotian God King clenched the Moon God Halberd tightly and quickly greeted Yue Feng.

boom!

In the blink of an eye, the silhouettes of the two sides collided, and a roar erupted, and Yue Feng and the God King Haotian were both shaken back ten steps at the same time.

The ultimate husband in Chinese chapter 6208

Obviously, neither side took advantage.

However, in the heart of the God King Haotian, he was secretly surprised. Mad, before on Shenlong Island, Yue Feng's divine power was exhausted, and it took only a day for him to recover with all his strength?

At this time, the God King Haotian didn't know that Yue Feng was able to recover his strength in such a short period of time, thanks to Yutong Xianweng's help, otherwise, it would take at least half a month to fully recover.

Whoosh!

Just when Haotian God King was secretly surprised, Yue Feng's figure broke out, rushed to the sky outside, and said coldly to Haotian God King: "Haotian, let's make a conclusion between us recently!"

"Okay!" Hearing this After saying that, the God King Haotian responded coldly with a word, and his figure erupted, confronting Yue Feng from a distance in the sky.

At this time, the court meeting was approaching, and all the priests had gathered in the front hall.

Wow...

Hearing the movement, all the priests rushed over, and they were all stunned when they saw the situation in front of them.

He saw that in the sky, the God King Haotian and Yue Feng were facing each other from afar, each with a terrifying killing intent.

Seeing this situation, many priests were stunned, shocked and puzzled.

"What's the situation?"

"Why did the king of God fight with the emperor?"

"Why don't you see Your Majesty?" The

chatter kept coming, Madam Hua Zhao quickly came out, her delicate face was full of grief and resentment: "Everyone, Yue Feng killed Your Majesty, everyone must cooperate with the King of God, get out of Yue Feng, and avenge His Majesty."

This chapter is provided by . Visit for daily update.

What?

Hearing this, all the priests were shocked.

Madam Hua Zhao continued: "Two hours ago, Yue Feng suddenly returned to the realm of the gods and asked to see Ben Gong and His Majesty, saying that there was something important to report, how could he know that after Ben Gong came to Yutian Palace, he had already killed His Majesty, Seal your majesty's remnant soul in the Hunyuan jade card."

"After that, Yue Feng wanted to be rude to Ben Gong, saying that he wanted to be the Emperor of Heaven, and that he wanted Ben Gong to be his woman. Fortunately, at the last critical moment, His Royal Highness the King of God was rude. Arrive..."

At the end, Empress Hua Zhao's beautiful face was full of resentment.

Yes, these words were taught to her by the God King Haotian.

Whoa!

Hearing these words, the priests immediately exploded the pot, and they were all angry, pointing at Yue Feng and scolding. "Yue Feng, it was a waste of your Majesty's respect for you, but you actually did the

wrong thing and hurt your Majesty ...

" When the priest's angry shout came, Yue Feng didn't seem to hear it, but just stared at the God King Haotian in front of him. The other party has already controlled the public opinion, and it is useless to explain himself. The only thing he can do is to kill Haotian and avenge His Majesty. Ha ha... Seeing this, the corner of Haotian Divine King's mouth evoked a sneer, secretly used the technique of sound transmission, and mocked at Yue Feng: "Yue Feng, have you seen it? Now the entire God Realm knows that you killed His Majesty. , you are already speechless, so you should accept your fate." Because of the secret technique of sound transmission, only he and Yue Feng could hear these words. call! Yue Feng took a deep breath and said coldly: "Doing too much injustice will kill yourself. Even if you die today, I will drag you to hell with you."

The ultimate husband in Chinese chapter 6209

"Yue Feng!"

At this moment, Zhuang Yulong, the guard general of the Yutian Palace, rushed out, glared at Yue Feng, and howled, "You are disrespectful, you harm Your Majesty, and suffer to death." The

voice fell, and Zhuang Yulong called out a Long knife, soar into the sky!

Zhuang Yulong was brought up by Aolin alone, and he was loyal to Aolin. When he learned that His Majesty was murdered by Yue Feng, he was so angry that he couldn't help it at all.

hum!

Rush into the sky, Zhuang Yulong burst out with divine power, and a golden beam burst out from the long knife, slashing straight towards Yue Feng, and in an instant, the sky was distorted.

Haha...

Seeing Zhuang Yulong's move, Haotian God King suddenly showed a smile.

Some people take the initiative to consume Yue Feng's strength, which saves a lot of energy.

"Go away!"

Seeing Zhuang Yulong burst out, Yue Feng coldly spit out two words, and then a palm lightning shot out, hitting Zhuang Yulong's long sword.

boom!

In an instant, a roar was heard, and before Zhuang Yulong understood what was going on, he was shocked and flew out from a distance.

Chapter 6209

Flying more than 100 meters away, Zhuang Yulong fell on the square in front of Yutian Palace, closed his eyes, and passed out directly.

This chapter is provided by . Visit for daily update.

Yes, Yue Feng did not exert his full strength.

This Zhuang Yulong was only misled by public opinion, and Yue Feng had no grievances with him, so he didn't kill him, but just stunned him.

Even so, the priests below were taken aback.

This Yue Feng defeated Zhuang Yulong with just one move?

At this moment, the priests below looked up at Yue Feng, and they were shocked.

You must know that Zhuang Yulong is the deputy commander of the Yutian Palace guards. He is powerful, but in Yue Feng's hands, he can't stop a single move.

As expected of the teacher of the Heavenly Emperor, this strength is too terrifying.

"Big Dan Yue Feng!"

At this moment, the God King Haotian flashed his eyes, pointed at Yue Feng, and shouted, "You still dare to resist your majesty, come here, kill Yue Feng, there must be no mistake... "

When he shouted these words, Haotian God King's face was righteous, but his eyes flashed with cunning.

Yue Feng's strength is not weak, and he doesn't need to do it himself. The safest thing is to have the magic soldiers present to guard and consume Yue Feng's strength in turn.

God King Haotian thought about it, wait until Yue Feng's strength is almost exhausted, and then take a final blow to him.

Swish swish...

Hearing the order of the God King Haotian, the guards of the divine soldiers gathered around the Yutian Palace burst into a burst of divine power, rushing towards Yue Feng!

Seeing this scene, Yue Feng's eyes were blood red, and without a word of nonsense, he suddenly raised his hands.

"Go away, get out of here!" In the next second, Yue Feng roared wildly, and the moment the voice fell, the air around his body suddenly tore apart, and a terrifying force erupted, forming a storm of energy, towards the rushing god The guards swept away.

puff puff!

Under the impact of this terrifying energy storm, many divine soldiers groaned, and then fell from mid-air. After falling to the ground, they all turned pale and lost their combat effectiveness.

hiss!

Seeing this scene, whether it is the God King Haotian or the surrounding priests, they are all shocked.

This Yue Feng is indeed a talent that the ancestors of Honghuang have praised. So many magic soldiers guard against him, but he can't even stop a move.

Under the shock, there was also a bit of jealousy in the eyes of the God King Haotian.

If you do not get rid of Yue Feng today, there will be endless troubles.

"Haotian!"

At this moment, Yue Feng locked onto the God King Haotian, completely crazy, and roared: "Do you have the courage to admit it? Come and fight with me, don't use these guards as a shield!"

When he said this, Yue Feng's eyes were extremely blood red, thinking of Ao Lin's tragic death, it was even more uncomfortable.

God King Haotian's face was ashen, and he ignored it.

At this moment, Zhan Wuji and several god generals rose into the sky and surrounded Yue Feng.

"Yue Feng!"

Zhan Wuji's eyes flickered coldly, and he shouted at Yue Feng, "You mutilated Your Majesty, and you are not ashamed. Today, you will be cramped and skinned to comfort Your Majesty's spirit."

Several other divine generals also all He glared at Yue Feng, his eyes were cold.

Hahaha.....

In the face of Zhan Wuji's scolding, Yue Feng laughed up to the sky, looking mad: "You haotian lackeys, what did he do, you know better than me, and now have the face to convict me?"

"Tell you, today not only Haotian is going to die, none of your party members can escape."

Om!

The last word fell, Yue Feng did not hesitate at all, mobilized his divine power, and rushed up directly.

Zhan Wuji and several god generals looked at each other, and hurriedly urged their energy to attack.

boom! In an instant, the figures of the two sides collided in the sky above Yutian Palace, only to hear a roar, and the terrifying power fluctuations swept the entire sky!

Immediately afterwards, I saw Zhan Wuji and a few divine generals, all with pale faces, being shaken back by the volley almost at the same time.

On the other hand, Yue Feng, the whole person is proudly suspended in the air, and the murderous aura permeates his body, like a killing god descending.

Mad!

After stabilizing his figure, Zhan Wuji's face was extremely ugly, and looking at Yue Feng's eyes, he couldn't hide his shock.

This Yue Feng deserves to be regarded as an old enemy by His Royal Highness the God King. This strength is too terrifying.

The ultimate husband in Chinese chapter 6210

But under the shock, Zhan Wuji did not panic, but looked around and said to a few gods: "Form formation!"

Whoosh!

The moment the voice fell, Zhan Wuji's figure flashed, taking the lead in front of Yue Feng.

Wow...

At the same time, the surrounding gods also moved their figures one after another and quickly surrounded Yue Feng.

At this moment, Yue Feng frowned secretly, and saw that the positions of Zhan Wuji and these divine generals seemed simple, but in fact they were mysterious and cumbersome.

Speaking of which, Yue Feng's accomplishments in the formation technique have reached the peak of the peak, second only to Guiguzi.

However, facing the formation in front of him, Yue Feng could not see the clue for a while.

This formation...

But seeing the positions of Zhan Wuji and these divine generals, Yue Feng suddenly thought of something.

When assisting Ao Lin back then, Yue Feng had seen an ancient book about the divine realm formation in the library of Yutian Palace, which mentioned several long-lost divine realm formations.

Among them is a 'Tianmen Galaxy Array', which contains the mystery of the Nine Heavens Galaxy and is extremely powerful.

Seeing the formation deployed by Zhan Wuji and these gods at this time, Yue Feng suddenly thought of this Tianmen Galaxy formation. a time. Yue Feng was secretly surprised.

Hasn't this formation method been lost for a long time?

Yue Feng guessed right, and what Zhan Wuji and these gods will deploy is the Tianmen Galaxy Array.

This chapter is provided by . Visit for daily update.

The Tianmen Star River Array was indeed lost thousands of years ago, and only a fragment was left in the library of Yutian Palace. However, five hundred years ago, the God King Haotian accidentally found another fragment.

It's just that at that time, God King Haotian did not report to the Nine Heavens God at that time, but hid the remnants privately. Later, when the Nine Heavens God died, the Haotian God King found an opportunity to enter the library and merge the two fragments into one. In the end, the complete Tianmen Galaxy Array was obtained.

In the past few months, the God King Haotian was in charge of the Diligent Supervisor in Kyushu. In order to prevent emergencies, he secretly ordered the subordinates such as Wuji to secretly study and understand the Tianmen Galaxy Array.

Finally, after half a year of comprehension, Zhan Wuji and these gods will fully understand the subtlety of the formation. At this time, in the face of the powerful Yue Feng, he decisively displayed it.

Mad!

At this moment, Yue Feng was trapped in the Tianmen Star River Array, and when he saw Zhan Wuji and those divine generals, their bodies were unpredictable, and they couldn't figure out the rules at all.

In this case, Yue Feng was quickly suppressed.

Haha...

Seeing this scene, the God King Haotian, who had been suspended in the sky, showed a smile, and his mood was indescribably happy and complacent.

This Yue Feng prides himself on the formation technique, and looks down on the past and the present. It is estimated that he never thought that he would end up trapped in the Tianmen Star River Array.

What if the strength is strong, won't it be defeated by me in the end?

Thinking to himself, the God King Haotian slowly opened his mouth and said, "Yue Feng, do you confess your guilt to your majesty?"

Speaking of which, the God King Haotian couldn't hide the contempt and pride in his eyes: "As long as you are willing to confess, I can give You are happy, and you will be spared the pain of flesh and blood."

He knew that Yue Feng would not plead guilty, but he just deliberately said this to anger him.

Nima!

At this moment, Yue Feng was so angry that he couldn't help but scolded: "I recognize Nima, and if there are any other moves, try them all. Stop talking nonsense with me."

This God King Haotian is really despicable and shameless. He designed to frame me and make me plead guilty.

Murder is just like that.

Facing Yue Feng's abuse, Haotian God King sneered and said nothing.

"Bold!"

At this moment, Zhan Wuji shouted angrily: "Abusing His Royal Highness God King, courting death." The voice fell, the figure was as fast as lightning, and a palm hit Yue Feng's back.

At this time, Yue Feng, under the suppression of the Tianmen Star River Array, could not fully display the divine power in his body, and his movement speed was also limited, so he could not dodge at all.

Bang!

This palm hit Yue Feng's back firmly, and he heard a dull sound, Yue Feng's body trembled, and he spurted out a mouthful of donated blood, his face was pale and weak, showing weakness.

Seeing this scene, God King Haotian was even more proud, but his face showed a look of pity: "Yue Feng, I have given you a chance to confess, but if you don't want to repent, then you can't blame this king."
