

The ultimate husband in Chinese chapter 6466

At this time, Yue Feng stretched his waist and looked at Feixue with a smile: "Don't look at me so bitterly, I said just now that I was forced to marry that day, and I am also a victim. "

Just for this, you want to kill me, it seems unreasonable. Besides, you are not my opponent." As he spoke, Yue Feng slowly stood up and walked out of the formation.

"Think about it. If you figure it out, I'll let you out. If you can't figure it out, think slowly." After the last word fell, Yue Feng found a flat grass and lay down to rest.

This bastard...

Seeing this scene, Feixue bit her lip tightly, embarrassed and angry.

It's really cheap and good, even if the wedding at the time, both of them were forced, but the last person who was affected by the festival was me, you are a man, naturally it doesn't matter.

For a time, Feixue became more and more angry, and followed him all the way. He thought he could easily kill this man, but he didn't expect that in the end, it turned out to be self-defeating. Now that he didn't kill him, he was trapped.

At the same time of shame and anger, Feixue also had some doubts in her heart.

What is the origin of this man? It seems ordinary, but in him, there seems to be nothing that can't be done. Poison won't kill him, wolves are afraid of him, and fire can't hurt him. Moreover, he just moved these trees casually and trapped me. Oh

all of this is so incredible, even the Sect Master can't do it...

Phew!

Seeing Feixue thinking about it, Yue Feng ignored it, and finally fell asleep. Anyway, Feixue knew nothing about fighting tactics, so there was no need to worry about her escaping.

Time passed minute by minute.

When the sky was bright, Yue Feng woke up and opened his eyes to see Feixue still in the formation, looking at himself quietly, his delicate face was faintly complicated.

"Oops!" Seeing her like this, Yue Feng couldn't help laughing: "Why are you looking at me like this? You haven't rested all

night? Have you figured it out?"

In the past, it seems that I still do not understand.

At this time, Yue Feng hadn't realized that the consciousness concept of Tianxin Continent was the same as that in ancient times in Kyushu. Women regarded their fame and festivals as more important than their fate.

Fei Xue ignored it.

Yue Feng thought for a while, and continued: "Otherwise, we will forget about the previous wedding, and treat it as if it never happened. Anyway, there is the altar where you leave the Heavenly Dao. If you say a word, the disciples below will not dare to say nonsense. "

"From now on, how about we keep the water from the well and the river?"

Phew!

Hearing Yue Feng's words, Feixue bit her lip tightly and pondered secretly. If it's what he said, it's okay, but... There is no airtight wall in the world. The famous festival...

Thinking of this, Feixue no longer hesitated, and still planned to kill Yue Feng.

However, in the current situation, there is no chance at all, so I can only pretend to promise first.

After making up his mind, Feixue nodded at Yue Feng: "Okay, just as you said, I hope you can keep your mouth shut."

Haha!

Hearing this, Yue Feng couldn't help laughing. This woman still refuses to believe me.

Muttering, Yue Feng nodded solemnly: "I always say what I say, you can rest assured." After speaking, he walked over slowly, moved the two numbers next to him, and solved the formation.

This....

Seeing this scene, Feixue frowned secretly, and at the same time understood something.

It turned out that this was a formation, and it was impossible to see that the man was hiding. No wonder he was able to escort the Young Emperor to Xuangu Pass without any problems.

Such a talent, if he joins the Heavenly Dao, he will definitely do something great.

It's just a pity.... He is closely related to my name, and I can't let him live anyway.

Thinking of this, Feixue slowly walked out of the formation under Yue Feng's gesture.

"Okay!"

Seeing her coming out, Yue Feng said with a smile: "Since it's said, let's see you again." After that, Yue Feng turned around and was about to leave.

Chi...

But at this moment, Feixue pulled out his long sword, and a cold light erupted, stabbing straight at Yue Feng's back. This sword contained Feixue's ten successes, and he saw the long sword pass, the air is suddenly torn apart, and the power is amazing.

The ultimate husband in Chinese chapter 6467

What the hell

!

Feeling the danger coming from behind, Yue Feng was startled, this woman actually played a surprise attack...

Depressed, Yue Feng wanted to dodge, but it was too late. At that time, I had to activate the power of the primordial spirit and deploy a protective film behind him.

clang!

In the next second, Feixue's long sword stabbed on the protective film, and a shock erupted. At that time, Feixue felt a powerful force rebounding, and the long sword shattered instantly, and her whole body was also shaken out.

After flying dozens of meters, Feixue stumbled to the ground. At that time, her face was pale and weak.

Yue Feng has Primordial Spirit, and he also has the body protection of the red lotus of Faye. The background is not comparable to Feixue. Speaking of which, Yue Feng just stimulated the power of Primordial Spirit, but even so, Feixue also Unstoppable.

This...

At this moment, Feixue stared blankly at Yue Feng, her delicate face was full of horror, and her mind was blank.

The strength of this man is so terrifying, just deploying the protective film will shatter my long sword...

This is how strong it is to burst out such terrifying power.

well!

Seeing her expression, Yue Feng couldn't help taking a deep breath and said complicatedly: "I said, you are not my opponent, and we have already agreed before, why do you want to kill me?"

Seriously, Just now Feixue made a surprise attack from behind, Yue Feng was very angry, but seeing her in a daze at the moment, he couldn't bear to get angry.

Feixue calmed down and said lightly, "You won't understand."

After speaking, Feixue saw the cliff a few meters away behind her, a hint of determination flashed on her delicate face, and her figure flew up and jumped off the cliff.

Since he can't kill this man, he can only die.

In Feixue's heart, he went back on his promises. This man would definitely not let him go. Rather than being humiliated alive, it would be better to die. If he died, his reputation would not be destroyed.

What the hell!

Seeing this scene, Yue Feng's face changed, and his mind was buzzing.

This woman's personality is too strong. If she can't kill me, she decides to commit suicide?

Alas, that's enough...

With emotion, Yue Feng showed his figure and jumped out and quickly jumped off the cliff.

In the next second, Yue Feng grabbed Feixue's arm and frowned, "You are such a stupid woman. If you can't kill me, are you going to commit suicide?"

"You..."

Feixue struggled hard, and said tenderly, "You let me go. Let me go, I don't need you to care if I die."

Huhu... While

the two of them were talking, they had already fallen nearly 100 meters.

At this moment, Yue Feng looked at the abyss below, and knew that Feixue would be shattered if she fell like this, so she didn't bother to talk nonsense, and used the power of Yuanshen, dragged Feixue's waist with one hand, and sent her up with force.

Feixue only felt a strong force coming, and her delicate body took off, and almost in the blink of an eye, she landed firmly on the cliff.

However, Yue Feng fell quickly.

"you..."

The moment he landed on the cliff, Feixue's mind was foggy, and then he reacted, and quickly looked down, only to see the misty mist, where there was Yue Feng's figure.

For a time, Fei Xue's delicate body trembled and she fell to the ground, feeling extremely complicated.

This man... I wanted to kill him, but he saved me...

In comparison, isn't he too ruthless.

...

At this moment, Yue Feng is here.

Huhuhu....

The wind whistled in his ears, Yue Feng did not panic at all, urging the power of his primordial spirit to continuously hit the mountain wall to slow down the speed of the fall. However, his strength had not fully recovered, and he had consumed almost half of his strength just now in order to save Feixue.

Moreover, this cliff is ten thousand feet high, almost unfathomable.

In this case, Yue Feng's only remaining power of the primordial spirit will soon be almost consumed.

Done!

Seeing that the bottom of the abyss was getting closer, Yue Feng couldn't help but let out a wry smile. He clearly saw that the bottom was full of rocks. Even if he had the Dharma Red Lotus body protection, he was afraid that he would be injured.

At this moment, Yue Feng wanted to find a place to start, but the rock wall was as smooth as a mirror, there was not even a small tree, and there was nowhere to focus.

Pfft!

Finally, Yue Feng slammed into a huge rock. The huge impact force made Yue Feng's whole body churn with qi and blood. He felt that his bones were about to break, and a mouthful of blood spurted out.

The ultimate husband in Chinese chapter 6468

After spraying a mouthful of blood, Yue Feng's eyes turned black, and he finally couldn't hold back his fainting.

rustle!

Not long after fainting, there was a sound of footsteps not far away, and I saw more than a dozen men dressed as mountain villagers sneaking in to investigate.

It can be seen that the people dressed up by these mountain people have a simple appearance, but each and everyone has a sinister look on their faces, a fierce light flashes in their eyes, and a machete is hidden in their waists.

Obviously, these mountain people are fake.

And the headed one, the whole body is filled with a powerful aura, and the strong evil spirit can't be restrained at all.

If Yue Feng woke up, he would definitely be surprised.

The man at the head was Nuliha, the barbarian general who parted ways with Ji Beiye half a month ago.

At that time, after Nuliha and Ji Beiye turned against each other, they evacuated with the Hu army on the surface, but in fact, Nuliha did not leave with him, but took a team of several hundred personal guards to secretly inspect Qizhou City. The surrounding mountains and rivers make preparations for the future march.

Nuliha is an outstanding general among the Hu people. In addition to his lustful problems, he is a good player in leading the battle. He knows that this time he breaks with Ji Beiye, and there will be a battle sooner or later.

Since there is going to be a war, we must plan ahead. Take a good survey of the mountains and rivers in the Dayan Dynasty in advance, and you will be prepared for wars in the future.

However, this kind of thing naturally cannot be known, so in order to hide people's eyes and ears, Nuliha ordered his soldiers to dress up as mountain people.

At this time, behind Nouriha, a subordinate held a pen and paper and was responsible for drawing the nearby terrain.

"Done yet!"

The abyss was sultry and hot, Nuliha wiped the sweat from his face and couldn't help urging: "Draw it and go." Although this terrain is hidden, it is suitable for cavalry raids, but it is too hot.

"It'll be ready soon..." The subordinate nodded again and again.

At this moment, the soldiers in front of them discovered something and couldn't help exclaiming.

"Someone here?"

"It seems to have fallen from above."

"Looks like he is still angry, but he didn't fall to his death..."

Hearing the exclamation, Nuliha walked over quickly and looked at Yue Feng roughly. At a glance, he said angrily: "It's just a person who fell half to death, everyone made a fuss, hurry up, prepare to withdraw..."

"Yes, General!"

After hearing this, everyone responded and started the same way. return.

Nuliha also turned around to leave, but at this moment, seeing Yue Feng's profile, he was stunned.

This person... seems to have been seen before.

Haha....

The next second, Nuliha thought of something, and suddenly his eyes lit up and he laughed: "Haha, interesting, it seems that God bless my Hu people, recently surveyed the terrain, and even picked up a treasure."

This At that time, Nuliha suddenly remembered that when Ji Beiye attacked Qizhou City for the first time, he was defeated by the man in front of him. At that time, he commanded tens of thousands of Qizhou City defenders. .

baby?

Seeing Nuliha laughing loudly, dozens of subordinates around him looked at each other in dismay, and none of them understood what was going on.

At this time, Nuliha reacted and pointed at Yue Feng and said, "Quick, take this person back, and don't let him die." When speaking, Nuliha stared at the unconscious Yue Feng, his eyes full of excitement and excitement.

This person's ability to form troops is simply superb. If he can be used for his own use, he will be sure to fight against Ji Beiye in the future.

This....

after hearing the order, dozens of subordinates also relaxed, but all of them were full of surprise.

This half-dead man is the treasure in the general's mouth?

"What are you doing?"

Seeing them in a daze, Nuliha frowned and couldn't help urging: "Take the person back quickly, if this person has three strengths and two weaknesses, this general will ask you."

Hearing this, only then did the dozens of subordinates become serious, and in unison, they quickly lifted Yue Feng and brought him back to the camp.

After arriving at the camp, Nuliha ordered someone to check Yue Feng's injuries, and then fed him some simple healing medicines to ensure that Yue Feng would not die, so he locked him in the prison.

The ultimate husband in Chinese chapter 6469

Although Nuliha intends to recruit, but Yue Feng helped Qizhou City before, in some senses, it is still opposed, so for the sake of insurance, Nuliha decided to lock Yue Feng.

In jail now!

Half an hour later, Yue Feng slowly woke up.

hiss!

The moment he opened his eyes, Yue Feng only felt pain all over his body, and his heart was immediately bitter.

That Feixue wanted to kill me, and I even gave my life to save her, and I don't know if it was worth it.

Um?

The next second, Yue Feng was stunned when he saw the environment in front of him. He saw that there was a large prison in front of him. The prison had no windows and only an iron door, which looked very dark.

Where is this place, was it caught?

Squeak!

At this moment, I heard footsteps coming from outside, and then the iron door was opened, and Nuliha, accompanied by several guards, walked in slowly.

This person is...

Seeing Nuliha, Yue Feng frowned and was very puzzled. Back in Qizhou City, Yue Feng's attention was always on Ji Beiye, and he didn't notice Nuliha at all, so he didn't know him.

"Haha..."

Seeing Yue Feng's surprised face, Nuliha laughed, beckoned to his subordinates to bring a chair, and then sat down with a big thorn, smiling at Yue Feng: "Wake up sir. Don't panic, it doesn't matter if you don't know me, I'm not unfamiliar with him."

"During the battle of Qizhou City two weeks ago, Mr. commanded tens of thousands of defenders, and defeated Ji Beiye's army of hundreds of thousands. I admire the five-body throw to the ground."

Speaking of which, Nuliha bowed his hands at Yue Feng: "This general is called Nuliha, the commander of the Hu people." The mouth was polite, but Nuliha's expression was extremely cold and arrogant.

In Nuliha's heart, although Yue Feng used his soldiers like a god, he was at most the material of a military advisor, and as his commander-in-chief, being able to lower his status to talk in prison was already very face-saving.

Nuliha, the commander-in-chief of the Hu people?

Hearing this, Yue Feng frowned, and then suddenly felt in his heart.

When Ji Beiye attacked Qizhou City before, there were indeed Hu soldiers in the army. In that case, he arrested me on the order of Ji Beiye?

Thinking to himself, Yue Feng looked at the direction outside the iron gate, and said lightly: "You don't need to be around the corner. If Ji Beiye wants to interrogate him, let him do it himself."

At this time, Yue Feng didn't know Nuliha. Has fallen out with Ji Kitano.

Hehe....

Hearing this, Nuliha smiled slightly and said, "Mister misunderstood, Ji Beiye and I have parted ways. You were brought here and have nothing to do with Ji Beiye."

Phew!

Hearing this, Yue Feng breathed a sigh of relief. He had been in the rivers and lakes for a long time, and at a glance he could see that Nuliha was not telling a lie, and immediately nodded: "In that case, why is the general arresting me? For any purpose, just Tell me straight." To

be honest, if Yue Feng's strength was still there, he would definitely not talk nonsense with Nuliha, but now that he is seriously injured, he has to deal with him.

"Haha, Mr. is really quick to talk." Nuliha

patted his thigh and praised Yue Feng: "If that's the case, this general will say it bluntly, Mr. is like a god, and I want to invite Mr. , and in the future, help my army to sweep the world and make unparalleled achievements."

"Although the land of the barbarians is barren, as long as we take over the world, we will enjoy inexhaustible prosperity and wealth in the future." At the

end of the story, Nuliha looked closely at Yue Feng, his eyes full of anticipation.

In Nuliha's heart, Yue Feng fell into a serious injury, it must be because of a conflict with King Shaoyang, and he would definitely not refuse to give such a generous treatment when he was in desperation.

However he was wrong.

interesting!

At this moment, Yue Feng knew the other party's purpose, and immediately smiled secretly, and responded: "I understand the general's kindness. I am a wild crane, and I have no intention of becoming rich and rich."

Shah!

Seeing Yue Feng's refusal, the smile on Nuliha's face froze instantly.

At the same time, the faces of the guards behind him also changed, and they looked at Yue Feng coldly. If people want to do it but can't do it, it's better for him to directly refuse.

The ultimate husband in Chinese chapter 6470

Nuliha

is also secretly on fire.

Mad, this person really doesn't know how to flatter me. As the commander-in-chief of the Hu people, I, Nuliha, personally invited me for the first time, but I was rejected so plainly. Where will I put my face in the future?

call!

Finally, Nuliha reacted and looked at Yue Feng with a half-smiling smile: "Sir, have you thought about it? You don't often encounter such a good opportunity, and this general really admires the talent of Mr. Yue."

Yue Feng shook his head without thinking. : "General don't have to waste your time, I won't stay here as a military advisor."

I don't belong here at all, the most important thing now is to restore strength, and then deal with Haotian and Zhan Wuji, how can I waste time here?

Mad!

Being rejected again, Nuliha couldn't bear it anymore, his face became gloomy, and he said coldly: "Okay, very good, since Mr. insists on his position, this general does not force it, but Mr.'s technique of arranging troops is very powerful. General Ben admires it very much."

"Well, as long as Mr. is willing to write down the method of arranging troops, this general will let you go, how about that?"

When he said this, Nuliha had a sincere face, but his eyes were flickering. It's gloomy and cold.

Of course, he wouldn't let Yue Feng leave. After all, if such a talent came to the enemy camp, it would be a huge threat. He had already thought about it, as long as Yue Feng wrote the method of arranging troops, he would immediately kill him to avoid future troubles.

Ha ha!

Nuliha's expression changed, Yue Feng saw it in his eyes, and his heart was like a mirror.

This person wanted to get the formation, and then killed me. He really thought I was a fool, and he would be fooled by you?

Thinking to himself, Yue Feng smiled slightly: "The general has lifted it up, I used it in Qizhou City at that time, but it was just a few small tricks, not a mysterious formation, I hope the general will be magnanimous and let me go. "

Boom!

When the words fell, Nuliha looked angry and slammed down the chair, suddenly stood up and sneered: "You are a fool, you can fool yourself?"

"It's not a formation, but it can use tens of thousands of people to defeat a few. A hundred thousand troops?"

"This general has limited patience, do you want to write?" After the

last word fell, Nuliha waved his hand, and immediately someone brought a paper and pen and put it in front of Yue Feng.

Hehe...

In the face of this situation, Yue Feng's temper also came up, and said lightly: "I'm sorry, I don't write!" Yue Feng is most disgusted by being threatened, not to mention, the eyes of Nuliha in front of him are full of anger , If he really got the formation, I am afraid that the entire Tianxin Continent will fall into chaos.

At this moment, Nuliha stopped talking nonsense and said coldly: "Tie me up and fight!"

"Yes, General!"

After receiving the order, several guards behind him rushed over and tied Yue Feng Wuhua. Yue Feng's injuries were not healed, and he couldn't resist at all, and he was tied up in the blink of an eye.

"I don't know what to lift!"

Then, one of the guards took out a soft whip and said coldly at Yue Feng: "The general condescended to invite you, but you don't give any face, and you have to suffer from flesh and blood. Let's see how strong you are." The

last word fell, and the guard raised a soft whip and threw it on Yue Feng.

Snapped!

The soft whip is made of beef tendon, which is very tough. When I heard a crisp sound, a bloodstain appeared on Yue Feng's shoulder, and the blood gushed out, infecting the long gown.

When the pain came, Yue Feng frowned and didn't cry out.

He has the Dharma Karma Red Lotus to protect his body, and these flesh wounds are nothing at all.

Seeing this scene, Nuliha sneered: "This soft whip is specially made of beef tendons by us Hu people. It is difficult for ordinary people to withstand it. I advise you not to force it.

"What's wrong?"

Hearing these words, Yue Feng chuckled lightly and did not have a regular meeting.

Seeing Yue Feng's attitude, Nuliha suddenly became furious and shouted: "Hit, hit me until he becomes soft."

"Yes, General!"

After receiving the order, the guard raised the soft whip again, and kept on Pumped on Yue Feng.

clap clap clap!

The crisp soft whip sound kept ringing in the prison, and the other guards were startled.

Seeing Yue Feng's resolute expression, the clothes on his body were completely ripped apart and his blood was blurred, but he gritted his teeth from beginning to end and did not shout.
