

The ultimate husband in Chinese chapter 6416

“Ping’er!”

“Oops...”

Seeing this scene, Li Suqiu and Yuan Rou both exclaimed and rushed over quickly.

At this moment, the sixth elder wanted to chase after the first elder, but it was too late. As long as he sighed unwillingly, he turned and walked quickly to check Lin Ping’s situation.

Huh...

And the surrounding disciples stood there one by one, looking at each other, not knowing what to do.

In the hearts of these disciples, they had already recognized the first elder as the sect master, but they never thought that at the last moment, the first elder would flee down the mountain desperately...

Soon, the sixth elder and Li Suqiu inspected the forest. After Ping’s situation, they all secretly breathed a sigh of relief.

They clearly felt that Lin Ping was just too weak and passed out in a coma, not life-threatening. What they couldn’t figure out was how that mysterious senior made Lin Ping stronger just now...

“It’s good that there is no danger to life!”

At this time, Yuan Rou reacted and said softly to Li Suqiu: “I’ll send Piner back to her room in a while, and I’ll prepare some healing medicine for her, so she’ll be fine after a while.”

Hmm!

Li Suqiu nodded and said gratefully, “Thank you, Elder Yuan.”

Among the elders, only Yuan Rou knew medical skills. She said that Lin Ping was all right, that was really all right.

Yuan Rou smiled lightly: “The sect master is very polite.”

Although she was aloof and cold, she respected Ye Wenhai very much. Ye Wenhai wanted Li Suqiu to take over as the sect master, and she naturally gave her full support.

Li Suqiu nodded and said nothing more.

Swish!

At this moment, the sixth elder also recovered, walked over quickly, and picked up the suicide note that Tong Shan had thrown away earlier.

In the next second, the sixth elder looked at the audience slowly, and said coldly to the surrounding disciples: "The first elder stole the sect master's jade order, which is despicable and shameless, and is not qualified to be the sect master at all."

"This suicide note, it was written by the sect master himself, so Elder Li is the real sect master, and if you disagree, you can stand up." The

words were not loud, but they shocked the audience.

Phew...

Feeling the powerful aura of the Sixth Elder, the disciples present look at me, I look at you, no one dares to come out and oppose it.

"Very good!"

Seeing this scene, the sixth elder nodded with a cold tone: "Since there is no objection, why don't you come up to meet the sect master?"

Wow!

Hearing this, some of the disciples standing at the front hurriedly knelt down at Li Suqiu and shouted in unison: "Disciple pays respects to the sect master."

Seeing this situation, the other disciples who were still hesitant also all at this time. They knelt down and shouted in unison.

"Meet the sect master."

This...

Seeing this scene, Li Suqiu bit her lip tightly, her mood was very complicated: "...I don't want to..." She has always been reluctant to be a sect Lord, the promise to the Sixth Elder Yuan Rou before was just an expedient measure.

Just before she could finish speaking, the sixth elder smiled and said: "This is the last order of the former sect master, and it is well received, so don't delay."

"Yeah!"

When the words fell, Yuan Rou also walked over and said, "Master Yemen is no longer there. We elders, dead and wounded, if you don't take charge of the overall situation, our Mingyuemen will be more chaotic."

Feeling Yuan Rou's eyes in anticipation, Li Suqiu breathed a sigh of relief and nodded: "Okay then."

After speaking, Li Suqiu raised her hand at the surrounding disciples: "Everyone, get up, clean up the scene first, and lift the injured disciple. Go down and cultivate."

"Yes, Sect Master."

Upon hearing the order, all the disciples responded in unison, and then helped the injured disciple down. Lin Ping was also sent back to the small courtyard by several female disciples to cultivate.

By the way, there is also Feng Tao.

At this moment, Li Suqiu thought of something, and hurriedly greeted the sixth elder and Yuan Rou: "I don't know what happened to Feng Tao, let's go and have a look." The

voice fell, and Li Suqiu quickly rushed in the direction of Yue Feng's escape. .

The sixth elder and Yuan Rou looked at each other, without any hesitation, they greeted dozens of disciples and followed closely behind.

Swish!

Soon, after entering the woods, everyone in Li Suqiu was stunned when they saw the scene in front of them.

Especially Li Suqiu and Yuan Rou, their faces were extremely red.

The ultimate husband in Chinese chapter 6417

saw that in the woods in front of him, Tong Shan and dozens of male disciples, with no cover on their bodies, were all covered in fiery red, falling to the ground and trembling constantly.

Like that, it's like being possessed.

In a place not far away, Liu Yulei stood motionless, with a complicated expression.

"This..."

Under the shock, Li Suqiu's face was extremely red, and she quickly turned her head: "What's going on?" Tong Shan and these people, aren't they chasing Feng Tao, why are they here, and they are still here one by one?

Yuan Rou's face was also flushed, she took a deep breath at that time, and concealed her embarrassment, "Maybe it was done by that mysterious senior."

The situation in front of her was really hard to explain.

After all, that Fengtao was just an ordinary person, and it was impossible to treat Tongshan and the others so miserably.

The only possibility is that the mysterious senior made a move.

Um!

Hearing this, Li Suqiu nodded, and then ordered to the disciples behind him: "Go get those people from Tongshan out .

"

Near the woods, I was going to get Tong Shan and others out, but after they got in, they all lost their way.

At this time, these disciples were stunned to find that the surrounding trees seemed to be alive. No matter how they walked, there would always be a few trees in front of them. Tong Shan and others were not far away, but they could not reach them.

This...

Seeing this situation, Yuan Rou's body trembled, and she couldn't help but say, "Is this a formation?"

While speaking, Yuan Rou looked carefully and found that some trees in the woods were interrupted, seemingly randomly inserted there, but if you observe carefully, there seems to be some regularity.

Formation?

Li Suqiu frowned and couldn't help saying: "So it seems that the mysterious senior really took the shot."

After speaking, Li Suqiu thought for a while, and shouted at the disciples who were not trapped in the formation: "Don't Panic, I will find a way to save you as soon as possible."

After speaking, Li Suqiu walked slowly to Liu Yulei and asked gently, "What's going on with these people from Tong Shan?" This Liu Yulei, who came with Tong Shan and others, Certainly know something.

call!

Liu Yulei's acupuncture point was taped and she couldn't move at all. At this time, when she heard Li Suqiu's question, she said coldly and arrogantly, "Why should I tell you?"

At this time, Liu Yulei didn't know, the first elder fled down the mountain. The entire Mingyuemen has been controlled by Li Suqiu.

Seeing her attitude, Li Suqiu frowned.

Snapped!

At this moment, Yuan Rouhan walked over with a cold face, raised her jade hand and slapped Liu Yulei fiercely. With a crisp sound, Liu Yulei let out a tender cry and almost fell.

"You..." The

next second, Liu Yulei reacted and glared fiercely at Yuan Rou: "If you dare to hit me, the sect master will not let you go." In her subconscious, she also relied on the support of the Great Elder.

Yuan Rou snorted coldly: "If you dare to be rude to the sect master, it would be easy to beat you."

Liu Yulei relied on the favor of the second elder, and was arrogant and domineering in the eyes of the mountain gate. Yuan Rou couldn't get used to it for a long time. I don't care about her, but now I see her being presumptuous towards Li Suqiu, I can't help it.

doormaster?

Hearing Yuan Rou's name, Liu Yulei's body trembled, and she was a little stunned.

Afterwards, Liu Yulei looked at Li Suqiu subconsciously, with countless question marks raised in her heart, Elder Yuan called her the sect master, could it be...the situation has been controlled by them?

"You don't have to guess."

Seeing the change in her expression, Yuan Rou said coldly, "Elder's plan was revealed, and he was injured and escaped. Now the entire Mingyue Gate has respected Elder Li as the new gatekeeper.

” It’s rude, don’t say hitting you, even killing you.”

At this

moment, Liu Yulei’s heart was shaken, and she saw Li Suqiu’s mind buzzing and blank.

The first elder ran away, and she became the new door owner?

How could this be? Isn’t the whole situation under the firm control of the Great Elder?
How did it suddenly become like this?

“Liu Yulei!”

At this moment, Li Suqiu’s red lips lightly parted, and she asked again, “What happened just now? If you tell me honestly, I will take it lightly.”

The ultimate husband in Chinese chapter 6418

When he said this, Li Suqiu’s tone was gentle, but it gave people an irresistible aura.

call!

Under such circumstances, Liu Yulei did not dare to be arrogant, her eyebrows lowered, and she answered cautiously, “Yes...it’s the wind wave...he trapped Tong Shan and the others.”

“Also, I don’t either . Knowing what method he used, he made Tong Shan and the others go crazy, putting their clothes on one by one...”

In the next two minutes, Liu Yulei explained the situation in detail.

At the end, Liu Yulei whispered, “That’s how things are.”

What? Is it Feng Tao?

Hearing these words, both Li Suqiu and Yuan Rou were shocked and stunned.

Tong Shan and these people were all trapped by the wind and waves.

Simply unbelievable.

But thinking back carefully about Liu Yulei’s narrative, she didn’t see clearly at the time, how Feng Tao trapped Tong Shan and the others, and how it made them rip off their clothes like crazy... This is a bit intriguing.

call!

Finally, after being cold for a few seconds, Yuan Rou took the lead in reacting, looking at Li Suqiu and said, "Sect Master, looking at the situation, it should be that mysterious senior who secretly shot and helped Feng Tao."

In her subconscious, because what Liu Yulei said was unclear, so after analysis, she felt that there was a high possibility that it was the mysterious senior.

After all, Feng Tao is just an ordinary person, how could it be possible to trap so many people in Tong Shan?

Hearing Yuan Rou's analysis, Li Suqiu also nodded.

She also didn't believe that Feng Tao was able to fight like this.

Thinking of this, Li Suqiu glanced at Liu Yulei and said, "Take her back first, these disciples, let's find a way to rescue them."

The formation in the forest in front of him was so mysterious that Li Suqiu did not dare to break in rashly. , I can only take Liu Yulei back first, and then make plans.

Um!

Yuan Rou nodded, and immediately returned to the mountain gate hall with Li Suqiu with Liu Yulei.

...

the other side.

At the foot of Mingyuemen Mountain Gate.

While the first elder fled forward quickly, he looked back at the mountain road behind him, and found that no one was chasing after him, and his heart relaxed secretly.

call!

Finally, in a forest at the foot of the mountain, the elder stopped and leaned against the tree to take a breath.

Madd, where is the mysterious man?

When he was resting, the Great Elder thought about the previous situation, and his heart was full of anger and doubts. First, in the secret realm, he helped Li Suqiu and the others twice, but just now, he actually doubled Lin Ping's strength.

Incredible.

“Oh?”

Just when the elder was thinking about this, a cynical voice suddenly came from the side, and then, a handsome and stylish man turned out from behind the tree with a smile.

The man looked at the elder’s eyes, full of mockery and ridicule.

It was Yue Feng.

Swish!

Seeing Yue Feng, the Great Elder’s face instantly turned gloomy: “Your kid is not dead?” When he spoke, the Great Elder was very shocked. You must know that Tong Shan had brought dozens of elite disciples before, so many people are enough to relax torture him.

It’s just that I never expected that this kid would be fine and unscathed.

For a time, the first elder looked at Yue Feng up and down, and faintly realized that something was wrong.

“Haha!”

Feeling the Great Elder’s anger, Yue Feng smiled slightly, with a cynical attitude: “Your stupid apprentice, who was played around by me before, even if you brought dozens of helpers, you are not my opponent. .” The

tone was relaxed, but unquestionable.

call!

Hearing this, the first elder took a deep breath and was sure that Yue Feng in front of him was no trivial matter. He immediately said coldly, “Who are you?” To

be able to escape under the pursuit of dozens of people in Tongshan is definitely not a problem. ordinary people.

well!

Hearing the question, Yue Feng sighed and shook his head at the elder: “With your IQ, do you still want to be the head of Mingyuemen? It’s really worrying.”

After speaking, Yue Feng’s face gradually became serious. Word by word: “Before in the secret realm, you escaped in front of me twice, and you forgot it so quickly, but this time, you can’t fly.”

Because of his identity, Yue Feng missed a few times to kill the elder. opportunity, and now, there is no third person around, and Yue Feng has no worries.

The ultimate husband in Chinese chapter 6419

“You...” The

last word fell, the elder’s face changed greatly, he stared at Yue Feng, his voice trembled: “You... Are you the mysterious person in the secret realm?”

” At that time, the tragic death of the second elder made the first elder shudder.

The strength of this mysterious man is no trivial matter. He can kill the second elder in a single move. If he fights later, he will not be an opponent at all.

Seeing that he finally understood, Yue Feng chuckled: “Yes, it’s me, if you know it yourself, you can cultivate it at your own expense, and swear that you will not return to Mingyuemen in the future, and I will spare your life.

” The first elder was so despicable that it would not be a pity to die a hundred times, but Yue Feng was afraid of getting his hands dirty, so he gave him a chance to live.

What? Cultivation at your own expense?

Hearing this sentence, the elder’s heart trembled. At that time, his legs were weak, and he could hardly stand still. Heart is also indescribably unwilling.

Previously in the secret realm, I was in great difficulty and survived, and I obtained the exercises and medicinal pills of Xianyuemen, and finally broke through the strength.

wrong!

At this moment, the first elder muttered in his heart, looked at Yue Feng again, and said with a grim face: “Good boy, you dare to bluff me, you are not a mysterious person at all.”

This boy is only a refugee brought by Li Suqiu, how could it be mysterious people? Yeah, he’s pretending to be Mysterio to scare me....yes, that’s for sure.

Uh....

Listening to the call of the Great Elder, Yue Feng was very speechless.

This Great Elder is afraid that there is a problem with his brain, and he has revealed his identity, but he still doesn’t believe it...

It is estimated that I had a fierce battle with Lin Ping before, and my heart was stimulated.

Muttering in his heart, Yue Feng was about to respond.

However, the first elder did not give him a chance to speak at all, and shouted at that time: "You dare to bluff me, if you don't remove the bones from your body one by one, I vow not to be a human being."

Om!

The last word fell, and the strength of the Great Elder broke out, like a cannonball, rapidly bursting towards Yue Feng.

Seeing the eruption of the Great Elder, Yue Feng shook his head secretly, with a bit of sympathy in his eyes, and then mobilized the power of his Primordial Spirit, his figure flashed and hid aside.

Huh...

Yue Feng's speed was very fast, and the first elder didn't notice it. He rushed to the tree, only to find that there was no one in front of him.

For a moment, the Great Elder was stunned, and was very shocked.

What speed is this?

It's too fast, I didn't even see it...

Just when the first elder was secretly shocked, he heard Yue Feng's teasing voice not far behind him: "Can't find it? I'm here Here."

Mad!

Feeling the ridicule and disdain in Yue Feng's tone, the first elder only felt his dignity, as if being crushed by stepping on the ground. At that time, his eyes were blood red, he shouted and rushed up again.

Really persistent.

Yue Feng muttered, and moved his figure again to quickly avoid the attack of the Great Elder.

The attack failed twice in a row, the Great Elder was stunned, his mind was buzzing, and the whole person was almost messy, this person was too fast.

In the blink of an eye, it disappeared in front of his eyes. I am afraid that the masters of Xianyumen would not be able to do this kind of movement.

“How?”

At this time, Yue Feng saw that the elder was stiff and his face was changing. He immediately said with a half-smile, “Do you want to try again?” At this time, Yue Feng clearly felt that the elder was completely panicked. God.

Pfft!

The last word fell, the elders bent his knees, knelt down directly towards Yue Feng, and said in a perturbed tone: “Your Excellency, I am wrong, I have offended you with no eyeballs, I beg you to open your eyes.

” After Yue Feng’s strength, the first elder completely lost his previous arrogance, and also completely let go of his self-esteem at this time.

You can’t even touch the corners of the opponent’s clothes, how can you fight?

call!

Yue Feng breathed a sigh of relief, without the slightest room for negotiation, and said lightly: “You can spare your life, cultivate at your own expense, and swear that you will never return to Mingyuemen.”

Saying that, Yue Feng leaned against the tree, his face leisurely and quiet. looked at the elder’s reaction.

The Great Elder was trembling all over, and he was also fighting between heaven and man in his heart. If you cultivate at your own expense, in the days to come, you will not be as good as a beggar, and you might as well just die.

The ultimate husband in Chinese chapter 6420

No, I must not live like this.

Thinking about it, the Great Elder turned his head quickly, and suddenly thought of something, took out the Sect Master Jade Token from his body, and looked at Yue Feng with a flat face: “Your Excellency, I know I’m wrong, I shouldn’t be competing for the Sect Master position. “

This is the Jade Token of the Sect Master. I will hand it over to Your Excellency now. Your Excellency will accept the Jade Token and I will abandon my cultivation.”

When he said this, the Great Elder's tone was extremely sincere, but his eyes showed a bit of gloom. .

He thought about it, he must not abandon his cultivation, but the strength of the person in front of him is too strong, and the frontal confrontation is undoubtedly courting death. When the other party takes over the jade order, he will take the opportunity to raid.

call!

Yue Feng didn't know the little abacus in the elder's heart, and when he saw him taking out the sect master's jade order, he scratched his head and thought.

This Master Jade Token is a status symbol.

Li Suqiu was not mean to me. It would be embarrassing to be the sect master without the jade order. Now helping her get the jade order back is a kind of reward.

Thinking to himself, Yue Feng walked slowly and said to the Great Elder, "Okay, give it to me."

In Yue Feng's heart, the Great Elder was already unable to fly, and he was not afraid of what he would do.

Haha...

Seeing Yue Feng approaching, the Great Elder was indescribably excited, and immediately stretched out his hand and handed Sect Master Yuling up.

Yue Feng did not talk nonsense, so he was ready to take it.

"Go to hell!"

However, at this moment, the Great Elder suddenly burst out, slammed his palm and hit Yue Feng's heart.

With this palm, the first elder tried his best to contain all his strength, and the palm wind caused the surrounding air to be extremely distorted.

Because the distance was too close, Yue Feng didn't have time to dodge at all, and was directly hit in the heart by this palm. At that time, he groaned and his body was shaken back a few steps.

However, Yue Feng was protected by the red lotus of the law, so although this palm was very powerful, it did not seriously injure Yue Feng.

Mad!

But even so, Yue Feng was terrified and furious. After stabilizing his figure, he looked at the elder and said coldly, "I gave you a chance, but you have to find your own way!"

This... this is impossible.

Seeing that Yue Feng was only shaken back a few steps and did not receive much damage at all, the Great Elder trembled in his heart and was completely dumbfounded. Hearing Yue Feng's icy words, a chill came out of his whole body.

Is that human being?

In that palm just now, he integrated his life skills, but as a result, the other party had nothing at all.

Shocked, the Great Elder reacted quickly, turned around and ran.

"Run?"

Yue Feng did not catch up, but stared at the back of the Great Elder, and spit out a few words: "I said, you can't fly with your wings." The

voice fell, Yue Feng slowly raised his hand, and saw a purplish red flame condensed in an instant, jumping up and down in his palm, the flame was only the size of a fist, but at the moment of condensing, the entire surrounding forest was enveloped by a scorching high temperature.

Yes, it is the Red Lotus Karmic Fire.

Originally, Yue Feng didn't want to do it himself, because a villain like the Great Elder was not worth his own hands. It was just that the Great Elder was too insidious. He pretended to be soft and wanted to make a surprise attack, so Yue Feng couldn't bear it anymore.

what is this?

Feeling the scorching heat coming from behind, the Great Elder trembled and looked back subconsciously.

Seeing the flame in Yue Feng's hand, the elder was inexplicably frightened.

call!

That is, at this moment, Yue Feng waved his palm at will, and the red lotus karmic fire drew a purple-red light, and quickly walked towards the Great Elder.

Seeing the flames erupting, the Great Elder was terrified and wanted to speed up at that time. However, what he didn't expect was that the Red Lotus Karmic Fire seemed to be light and slow, but it came to him in the blink of an eye.

Huhuhu....

At that time, the Great Elder didn't have time to dodge, and was hit by the red lotus karmic fire all of a sudden, and the whole person suddenly burned.

"Ah..." The scorching temperature continued to invade, and the first elder let out a shrill scream, and slapped his body at the same time, trying to put out the flames.

However, the Red Lotus Karmic Fire, unlike ordinary flames, cannot be extinguished at all.

After a while, the screams of the elders became lower and lower, and he fell to the ground motionless. In the end, the whole humanity was burned to a piece of fly ash..
