

The ultimate husband in Chinese chapter 6511

Bang....

Just when Nie Hongxue was secretly surprised, she heard a dull sound from the pot. At that time, Nie Hongxue was startled, and immediately saw Yue Feng take out a medicinal pill from the clay pot with a smile.

This....refined so quickly?

For a while, Nie Hongxue stared blankly at Yue Feng, her mind buzzing and completely dumbfounded.

It took a lot of effort to refine the medicine pill. If you didn't see it with your own eyes, who would dare to believe it?

“Okay!”

Seeing her shocked look, Yue Feng smiled and handed her the medicinal pill: “The medicinal medicinal herb is ready, you can take it quickly.” Speaking of which, this medicinal medicinal herb was very important to Nie Hongxue. , is extremely rare, but to Yue Feng, it is just a relatively common intermediate medicine.

Um!

Seeing the medicinal pill handed over by Yue Feng, Nie Hongxue took it suspiciously, nodded, and took it.

Afterwards, Nie Hongxue sat cross-legged and began to integrate the power of the medicine pill.

Yue Feng quietly stood aside.

After a few minutes passed, Nie Hongxue breathed a sigh of relief, only to feel that the turbulent aura in her body had also eased a lot, the shock in her heart had also improved a lot, and her whole heart was refreshed.

Sure enough, it's a panacea.

For a time, Nie Hongxue was both delighted and shocked. Looking at Yue Feng's eyes, the hostility from before was gone, but it was indescribably complicated.

It is incredible that this person can make a medicinal pill in such a short time. It seems that he is really the expert who helped King Shaoyang in rumors.

“How do you feel?” Yue Feng asked with a smile.

Nie Hongxue nodded, then couldn't help but ask: "You didn't tell me just now, since you are the guest of King Shaoyang, why do you want to help my princess?"

Phew!

Yue Feng took a deep breath, thought about it, and said, "It's actually very simple. Princess Yiyi is kind-hearted. If she controls the situation of the Hu people, the entire continent will avoid many wars."

Hearing this, Nie Hongxue nodded silently, and immediately thought of it. What, slowly said: "You are right, the princess has a gentle and friendly personality, but now Nuliha is in control of the situation, and there are hundreds of thousands of troops under her command, the princess wants to turn the situation around, I am afraid it will be very difficult..."

When he said this, Nie Hongxue's delicate face could not hide the worry.

Yue Feng smiled: "So, you all need my help, so let me go back to the bedroom with you. After seeing the princess, we will discuss the details."

Seriously, Yue Feng planned to leave here. , to find a secluded place to regain strength, but after seeing Xing Tiance, he changed his attention.

After all, Yue Feng was not familiar with this unfamiliar continent at all. Even if he left the Hu people and was unfamiliar with his life, it would be difficult to find an absolute secluded place.

But staying is different.

One can repay the kindness of Princess Yiyi, and secondly, after Princess Yiyi has taken control of the situation, Yue Feng can also recover here with peace of mind, which can be said to kill two birds with one stone.

call!

Seeing Yue Feng's sincere expression, Nie Hongxue pondered for a while, and finally nodded, "Okay!" The

voice fell, and Nie Hongxue and Yue Feng quickly returned to the royal court.

At this time, the sky was already bright, and the soldiers under Nuliha, who searched the entire royal court all night, were exhausted, so Nie Hongxue and Yue Feng easily avoided their eyes and eyes and quietly returned to the palace.

In the bedroom.

Accompanied by several maids, Princess Yiyi sat in front of the windowsill, her beautiful face was full of tension and worry.

Sister Hongxue chased the assassin, but she didn't come back after walking for so long. I don't know if she was in danger.

"Princess!"

Just as he was worried, he saw Nie Hongxue and Yue Feng walk in together.

Seeing Nie Hongxue, Princess Yiyi was very excited, she quickly stood up and couldn't hide her joy: "Sister Hongxue, you're back!" As she spoke, Princess Yiyi looked up and down at Nie Hongxue, made sure she wasn't injured, and let go completely breathed.

Nie Hongxue nodded and smiled lightly: "I made the princess worry."

"Of course I'm worried after you've been gone for so long." Princess Yiyi replied softly.

Immediately, Princess Yiyi looked at Yue Feng behind, and was stunned: "Why did you two come back together?"

The ultimate husband in Chinese chapter 6512

When asked, Princess Yiyi was very puzzled.

This person was diagnosed by a doctor before, and his health was very bad. He should be resting in the back room at this time. He came back with Nie Hongxue at this time, which had to make people think.

call!

Feeling the princess' doubts, Yue Feng breathed a sigh of relief and said with a smile, "Don't hide it from the princess, I... I chased the assassin with Nie Guard before." As he spoke, Yue Feng glanced at Nie Hongxue subconsciously.

Before Nie Hongxue tried to find out his identity, it was a complete misunderstanding. It was better not to let the princess know about it.

Seeing Yue Feng's gaze, Nie Hongxue immediately understood, and quickly agreed: "Yes, he and I chased down the assassins and helped me a lot during the process."

At this time, Nie Hongxue was in a very complicated mood.

Speaking of which, Nie Hongxue was very embarrassed and indignant when Yue Feng used the medicine pill to slap his back and rub his shoulders before, but he had to say that this person did have real materials. It won't recover so quickly.

Moreover, for the sake of the overall situation, there is no need to care about the unpleasantness before.

This...

Hearing this, Princess Yiyi was stunned, first looking at Yue Feng, then at Nie Hongxue, her delicate face became more and more suspicious.

what are they talking about? Why is it more and more confused.

At this moment, Yue Feng took a step forward, bowed first, and then smiled bitterly: "To be honest, I concealed my identity before. I am not a refugee, but a guest of King Shaoyang..."

Next Within two minutes, Yue Feng told the situation.

What?

At this moment, Princess Yiyi's delicate body trembled, her eyes were fixed on Yue Feng, her brain was buzzing, and it was a mess.

It turned out that he had such a big background, and he was actually an honored guest of the King of Shaoyang.

Seeing Princess Yiyi stunned there, Yue Feng secretly exhaled, and continued: "I also told Guard Nie about these circumstances. It was completely unavoidable to hide it before. I hope the princess will not mind."

After hearing this, Princess Yiyi fell silent. , There was no response, and there was a bit of displeasure on the delicate face.

Growing up, what she hated most was that someone lied to her. The man in front of her took great care of him, but he concealed his identity and became angry just thinking about it.

Uh...

Seeing Princess Yiyi's expression, Yue Feng was very embarrassed.

The next second, Yue Feng looked at Nie Hongxue for help.

However, Nie Hongxue did not seem to see it. She turned her eyes to the door of the bedroom. She was calm on the surface, but she secretly relieved her anger. This Yue Feng, who used medicinal pills to coerce me before, asked me to beat his back and rub his shoulders. Now let him stay in Touching a soft nail in front of the princess can be regarded as a lesson.

In the blink of an eye, Yue Feng was left hanging there for a few minutes.

The atmosphere of the bedroom was also a little subtle and quaint.

“Princess!”

Seeing that it was almost over, Nie Hongxue couldn't help but said, “He lied to the princess before, and he really had difficulties. Now that he is sincere to help the princess, don't be angry.”

Seeing Nie Hongxue speak, Princess Yiyi nodded.

Immediately, Princess Yiyi looked at Yue Feng: “How are you going to help me?” When saying this, Princess Yiyi's beautiful face could not hide the indifference.

In her heart, Yue Feng is only one person, even if he is full of sincerity, he can't help a lot. After all, the entire royal court has been completely controlled by Nuliha at this time.

Yue Feng took a deep breath, thought for a while, and said, “How to help, I haven't thought about it yet, but there is one thing that I think should be useful to the princess.”
The

voice fell, and Yue Feng took out something from his body.

Swish!

At this moment, seeing the things in Yue Feng's hands, both Princess Yiyi and Nie Hongxue trembled, and they were all stunned.

Especially Princess Yiyi, whose delicate face was full of consternation, and her voice trembled: “This....this is the Qingyang order of our Qingyang royal family?”

Yes, Yue Feng took it out from the sunflower before. The Qingyang Token obtained in the secret realm.

“You...”

At this time, Princess Yiyi suppressed her shock, looked at Yue Feng and asked, “Where did you get the Qingyang Order?” You know, the Qingyang Order has been lost for a long time. For nearly a thousand years, the Hu people have Whether it is the royal

family or the people below, they have searched the entire continent, but there is still no clue.

The ultimate husband in Chinese chapter 6513

As a result, I never expected that Qingyang Ling would be in the hands of this Yue Feng.

Swish!

At the same time, Nie Hongxue also stared at Yue Feng, waiting for his answer.

This man... is really omnipotent.

Previously in the woods, Yue Feng made medicinal pills on the spot, which had subverted Nie Hongxue's three views, but at this time, he took out the Qingyang decree that the Hu people had been missing for nearly a thousand years.

For a while, Nie Hongxue was shocked, and at the same time, she also developed some interest in Yue Feng.

call!

Facing their gazes, Yue Feng took a deep breath and said, "This is a long story..." In the next few minutes, Yue Feng explained in detail what happened in the Sunflower Secret Realm.

"So that's how it is..."

At this moment, Princess Yiyi nodded suddenly and looked at Yue Feng with complicated eyes: "No wonder we Hu people have not been able to find Qingyang Ling for so many years. The order was brought to Xianyumen..."

Princess Yiyi took the Qingyang order, unable to hide her excitement, and said to Yue Feng, "Yue Feng, thank you!"

When she spoke, Princess Yiyi couldn't express her excitement. And excited, you must know that the Qingyang Ling is a treasure handed down by the Hu people, which symbolizes the supreme power.

Just now, Princess Yiyi didn't know how to fight against Nuliha, but now that she has the Qingyang Order, she has a little more confidence. After all, there is an old saying of the Hu people: whoever gets the Qingyang Order is the king of the Hu people!

"That's great!"

At this moment, Nie Hongxue also regained her senses, she couldn't help but hold Princess Yiyi's hand and smiled, "Princess is the orthodox royal family, and now that you have the Qingyang Order, you are not afraid of that Nuliha. trick."

While speaking, Nie Hongxue couldn't help but glance at Yue Feng, her eyes full of approval.

This guy was really helpful.

Um!

Princess Yiyi nodded in agreement, and then said: "Tomorrow I will convene the leaders of the various tribes, show the Qingyang Order, remove Nuliha from the general position in public, and then be thrown into prison..." What the

hell!

Hearing this, Yue Feng couldn't help laughing and crying, and quickly interrupted: "Princess, you must not do this." This princess is still young, and she thinks that with the Qingyang Order, she is in control of everything.

Although she is an orthodox royal family, but after all, she is weak and weak, and Nuliha has an army of more than 100,000 people.

"Why?" Princess Yiyi didn't know the benefits, and Xiumei asked lightly.

Nie Hongxue on the side was thoughtful.

Yue Feng smiled and said patiently: "Princess think about it carefully, Nuliha has a heavy army in his hand, and, the tribal leaders below, I don't know how many are his people, once you take out the Qingyang decree in public, it will be What's the result?"

"I'm afraid that when the time comes, Nuliha will turn his face and snatch the token. At that time, it will be difficult for the princess to turn over."

Phew!

When the words fell, Nie Hongxue nodded in approval: "Yue Feng is right, it's too risky to do this, the leaders below are all in their own hands, don't expect them to support us."

"Then what should we do?" Princess Yiyi responded. , was a little anxious.

Yue Feng said with a smile: "Don't panic, princess, the affairs of Qingyangling cannot be exposed for the time being, what we have to do now is to find those leaders secretly, to inquire about their minds, and to see how many are truly loyal to the royal family and how many are slaves. Ha people."

“The so-called knowing oneself and knowing the enemy is the only way to be invincible.”

Hearing Yue Feng’s remarks, Princess Yiyi and Nie Hongxue both nodded in agreement.

“And...”

At this moment, Yue Feng thought for a while and continued: “We have to secretly send people to pay close attention to Nuliha’s movements. We must understand his every move.” As soon as he finished speaking

, Nie Hongxue He nodded and said, “Leave this to me.”

After listening to Yue Feng’s arrangement, Princess Yiyi’s previous dissatisfaction with him was also swept away, and she couldn’t help but praise: “Yue Feng, you are really amazing, think about it. You are so thorough.”

“You help me like this, but what do you want to report?”

This...

Yue Feng thought for a while, then said with a smile, “I am thanking the princess for her care before, I dare not report, if you really want to What I said, when the princess becomes the queen, I hope to write a non-aggression covenant and let me hand it over to the little emperor of the Dayan Dynasty.”

The ultimate husband in Chinese chapter 6514

When he said this, Yue Feng looked sincere.

Speaking of which, Yue Feng will only have to leave sooner or later, but he thinks that the little emperor treats him well. Before leaving, he should do a good deed for him.

“Okay!”

Upon hearing this request, Princess Yiyi agreed without thinking. She is kind-hearted and doesn’t like war at all. Yue Feng’s proposal is exactly what she wants.

Afterwards, Yue Feng chatted with Princess Yiyi for a few more words, and then went back to the back room to rest.

Time flies to night.

Yue Feng was meditating in the room when he heard light footsteps coming from outside.

Squeak... The next second, the door of the room was

gently pushed open, and then a figure flashed in quickly. Seeing Yue Feng sitting there, he said respectfully, "Mr. Yue!"

Xing Tiance.

At that time, when the woods were separated, Yue Feng made an agreement with him that he would come directly to the palace if something happened. Xing Tiance was very powerful, so be careful, those golden palace guards would never find out.

Yue Feng opened his eyes and said with a smile, "You're here."

Xing Tiance nodded, then asked impatiently, "Sir, what happened to Princess Yiyi?"

"I have already revealed my identity." Yue Feng said with a smile : "The princess is kind and friendly, and she doesn't care about me, and has promised that as long as she helps her become the throne, she is willing to write a non-aggression covenant." That's

great...

Xing Tiance was very excited when he learned about the situation. Quickly asked: "Dare to ask Mr., what should I do?"

Yue Feng said without thinking: "Naturally, it is to protect the safety of Princess Yiyi, and it can also be regarded as making up for your previous assassination." There is only one Nie Hongxue beside Princess Yiyi, and the security is completely insufficient. If Xing Tiance can secretly protect it, it will be foolproof. .

call!

Hearing Yue Feng's arrangement, Xing Tiance nodded again and again: "Sir, don't worry, I will secretly protect the safety of the princess." Based on Yue Feng's analysis, Xing Tiance also knew that his previous assassination was only a little reckless. .

And now there is an opportunity to make up for one's faults, which is naturally beyond expectation.

In the next few minutes, Yue Feng explained some details, Xing Tiance remembered them one by one, and then left quietly. Yue Feng continued to rest.

...

on the other side, the General's House.

"Mad, it's all ruins!" In the

hall, Nuliha was full of anger and was furious. In front of him, a dozen of his subordinates stood there with their heads lowered and their faces ashamed.

A few hours ago, Yue Feng broke into the general's mansion, not only injured Nuliha, but also stole the queen, which was a great shame for Nuliha.

What only made him even more annoyed was that thousands of subordinates searched the entire royal court, but they could not find the whereabouts of Yue Feng and the queen.

At this time, Nuliha also knew that the queen had quietly returned to the bedroom.

“General...”

At this moment, a guard walked in quickly, his face full of excitement: “General, it's a big deal...”

Nuliha was angry, and before he finished speaking, he cursed: “Ma De, are there any rules? Yelling, what can be more important than the present?”

Gudong...

Feeling Nuliha's anger, the guard couldn't help swallowing his saliva, and quickly knelt down and said, “The general calms down his anger, his subordinates are reckless, but it's really a big deal.”

Seeing what he said, Nuliha was deeply moved. Taking a breath, he suppressed his anger and said, “What's the big deal?”

“Report to General!”

The guard quickly stood up, and said with a flattering expression, “The patrolmen from the camp just now came to report that they were in a village in the depths of the grassland. In the valley, I found the whereabouts of the fire wolf.”

When speaking, the guard tried his best to restrain himself, but his face still couldn't hide the excitement and excitement.

What?

Hearing this, both Nuliha and the other subordinates present were inexplicably excited. You must know that the Fire Temple Wolf is a rare spiritual beast that only exists in the depths of the grasslands of the Hu people. It is a totem worshipped by the Hu people for thousands of years.

According to legend, the ancestors of the Hu people ruled the grasslands with the help of the Huomanlang.

Hahaha...

At this time, Nuliha reacted, and the previous suffocation was swept away, and he laughed excitedly at that time: "God's will, God's will haha."

The ultimate husband in Chinese chapter 6515

said, Nuliha nodded and applauded at the guard: "Okay, good, it's really good news."

At this time, Nuliha was almost ecstatic.

You must know that he is not the orthodox royal family. He is only temporarily acting as the king's power at this time. If he wants to sit on the throne, it is completely unjustifiable, but if there is a fiery sideburn, it will be different.

The fire temple wolf is the totem of the Hu people. It is not only powerful, but also very vigilant in temperament. For thousands of years, almost few people have seen the fire temple wolf.

Nuliha has thought about it, if he can capture a fiery temple wolf alive, and claim to the outside world that God sent the fiery temple wolf to him, it is God's will, who would dare to question it then?

Haha... God help me. For a time ,

Nuliha became more and more excited as he thought about it, and immediately waved his hand: "Quick, gather a thousand elites, and follow me to the valley where the Fire Temple Wolf appeared. Quick."

"Yes, General!"

should be reconciled.

A few minutes later, Nuliha led a thousand elite soldiers and quickly headed towards the valley deep in the grassland.

....

on the other side.

Yue Feng rested for a few hours, the fatigue all over his body disappeared, his strength recovered a little, and the whole person felt a lot more relaxed.

Bang Bang...

At this moment, there was a light knock on the door, followed by the voice of a maid: "Your Excellency Yue Feng, the princess has a request."

Yue Feng responded and quickly got up to sort out. After dressing up, he opened the door and went out, followed by the maid to the bedroom.

When they got to the bedroom, they saw Nie Hongxue was there, but her delicate face was a little complicated, and the princess beside her was frowning, looking like she couldn't make up her mind.

"Yue Feng!"

Seeing Yue Feng approaching, Princess Yiyi hurried up to meet him: "Sister Hongxue sent someone to secretly monitor Nuliha, and she just sent back the news that he led a thousand elite soldiers and rushed to the depths of the grassland. Sister Xue wants to follow up to investigate, but I feel it's too dangerous." The

voice fell, Nie Hongxue said slowly: "Nuriha is very cautious, in the current situation, he should firmly control Wang Ting, but he is alone in the grassland. , it's really suspicious, we have to find out about this matter."

Hmm!

Knowing the situation, Yue Feng nodded and said to the princess, "Guardian Nie is right. If something goes wrong, there must be a demon. This situation must be investigated clearly."

After speaking, Yue Feng looked at Nie Hongxue: "I and I You go together."

Although Nie Hongxue is not weak, he is inexperienced in the rivers and lakes. If Nuliha finds out halfway through the investigation, it will be troublesome.

"Okay then!" Seeing Yue Feng also say the same, Princess Yiyi nodded in agreement.

"No!"

However, at this time, Nie Hongxue shook her head and looked at Yue Feng and said, "I'd better go by myself, you stay here to protect the princess!" Although she had not yet seen Yue Feng's strength, with Judging from the situation of the past two days, he should be more than enough to protect the princess.

At this time, Nie Hongxue didn't know that Yue Feng had already arranged for Xing Tiance to protect Princess Yiyi in secret. At this moment, before Yue Feng could speak, Princess Yiyi smiled and said, "Sister Hongxue

, don't worry about me, as long as I don't leave the palace, there will be no danger."

Dare to act rashly. Besides, with Yue Feng with you, I can rest assured."

When she said this, Princess Yiyi's voice was soft, but there was no doubt about it.

All right!

Seeing what Princess Yiyi said, Nie Hongxue had no choice but to nod her head in agreement. After a brief preparation, she quietly left the palace with Yue Feng and hurried towards the depths of the grassland.

...

the other side.

Nuliha led a thousand elite soldiers, all the way, and finally reached the valley where the fiery sideburns appeared.

The moment he arrived at the valley, looking at the scene in front of him, whether it was Nuliha or the thousand elites behind him, they were all stunned.

I saw that among the rocks in the valley, there were several figures flickering with fire, shaking there. One was huge, with fiery red sideburns floating on his neck, and his eyes flashed fiercely.

It is a few fire wolves.

One of them, slightly smaller, should have just grown up.

Haha...

Seeing this scene, Nuliha was extremely excited, and there really was a fiery sideburn.
