Chapter 6651:

Ma De!

Hearing this, Yue Feng's anger was even greater, and his eyes were extremely bloody.

The city lord, a despicable villain, killed Xing Tiance and took away the covenant book, no need to guess, the covenant book must have been given to Ji Beiye by him....

"Hey, hey!"

Seeing that Yue Feng's face was gloomy and did not speak, Lu Qingxuan's face was full of mockery, and he continued: "Yue Feng, Yue Feng, you guessed well, the person behind the scenes is the city lord, but it's a pity, you can't find anyone to help, you have to come to me for help."

"For my safety, I had to get rid of you."

When the last sentence fell, Lu Qingxuan's eyes flashed with indifference, quietly waiting for Yue Feng to die.

As a result, after waiting for more than ten seconds, Yue Feng was still sitting there, without the slightest sign of poison.

Well?

Seeing this situation, Lu Qingxuan frowned secretly, and secretly wondered in his heart.

No, this person even drank more than a dozen glasses of wine, it is said that he has long died of poison, why look at it now, just a little drunk, nothing else?

At this time, Lu Qingxuan still didn't know that Yue Feng was invincible, not poisoned at all, and besides, the slightly drunken appearance was also pretended.

Mader!

Puzzled, Lu Qingxuan ran out of patience and decided to take matters into his own hands and kill Yue Feng on the spot.

"Yue Feng!" At this time, Lu Qingxuan pulled out his long sword and said coldly at Yue Feng: "Don't blame me, if you want to blame, blame you for your bad luck."

With that, Lu Qingxuan clenched his long sword and walked quickly towards Yue Feng.

Call!

At this moment, Yue Feng did not panic at all, staring at Lu Qingxuan approaching step by step, and said coldly: "Don't forget, I am a friend of your sect master, if you kill me, you will inevitably die." Hahaha

....

Hearing this, Lu Qingxuan looked up to the sky and laughed: "You don't have to worry about this, I will destroy the corpse if I kill you, God doesn't know it, anyway, the sect master doesn't know that you came to me."

"Don't talk nonsense, suffer death."

Laugh at...

When the last word fell, Lu Qingxuan's long sword burst out, turning into a shock, stabbing straight towards Yue Feng's heart, and the sword energy raged, and the surrounding air was distorted.

This sword contains the eight successful powers of Lu Qingxuan, and in his heart, if this sword goes down, Yue Feng will definitely die.

However, the next scene surprised Lu Qingxuan.

Swish!

Seeing that the long sword was about to pierce Yue Feng, at this moment, a sneer appeared at the corner of Yue Feng's mouth, and the whole person bounced up from the chair like a ghost, avoiding this sword with lightning speed.

What the?

Lu Qingxuan's heart was shocked, he only felt that in front of him, this sword had pierced the air.

Before he could react, he saw that Yue Feng had already arrived in front of him, and at that time, he raised his hand and hit him hard in the heart.

Boom!

Hearing a dull sound, Lu Qingxuan was directly shocked back, staggered back more than ten steps, and finally hit the wall and stopped, and the long sword in his hand also fell to the ground.

This palm wind did not burst out with full force, but it also shattered all of Lu Qingxuan's meridians.

Speaking of which, Yue Feng's strength has not fully recovered, and he can easily kill Lu Qingxuan, but this person is despicable and shameless, and it is simply too cheap for him to kill him like this.

This..... That's impossible.

At this time, Lu Qingxuan's heart was full of shock, his eyes were firmly fixed on Yue Feng, he couldn't hide his nervousness and shock, he clearly felt that his meridians were all broken.

He drank more than a dozen glasses of poisoned wine, how come there was nothing at all?

"You..."

Shocked, Lu Qingxuan stared at Yue Feng and couldn't help but speak, "Why are you alright?" Huh

!

Yue Feng chuckled: "I forgot to tell you, I am invincible to poison, and your poison under the wine glass has no effect on me at all." "

Invincible?

Hearing this, Lu Qingxuan was completely blinded, and his mind suddenly went blank.

For thousands of years, there are very few people who can achieve invincibility to a hundred poisons on the rivers and lakes, and the Yue Feng in front of him is an invincible physique, which is simply incredible.

Sou!

Just when Lu Qingxuan was shocked, Yue Feng picked up the poisonous wine on the table, walked over quickly, pinched his chin, and poured it directly.

If this man is so despicable, then he will be treated with his human ways.

"Ahem..."

Lu Qingxuan couldn't react at all, and was choked all of a sudden, but he also swallowed a lot.

“You...”

In the next second, Lu Qingxuan reacted, frightened and resentful, pointing at Yue Feng and saying a word, he was ready to take out the antidote.

Oops, what about the antidote...

At this time, Lu Qingxuan was very nervous, and he was horrified to find that the antidote on his body did not know when it disappeared.

For a while, Lu Qingxuan was sweating profusely.

You know, the poison he found is very violent, as long as you drink it, people will bleed to death in a few moments. Half a year ago, Lu Qingxuan used this poison against an enemy, and at that time, he saw the tragic death of that enemy. At this time, I also drank highly poisonous, and I shudder to think about it.

Hehe....

Seeing his frightened look, Yue Feng showed a smile, and then raised his right hand, unfolded the two medicine bottles in the palm of his hand, and his tone was a little playful: “Are you looking for these?” Yes

, when Yue Feng poured poisoned wine on him just now, he secretly used a ghost hand and searched all the medicine bottles on Lu Qingxuan’s body.

Yue Feng’s purpose was very simple, that is, to make this Lu Qingxuan die in despair.

What the?

At this moment, seeing the medicine bottle in Yue Feng’s hand, Lu Qingxuan was like being struck by lightning, and the whole person was completely stunned.

This... How so?

How did these antidotes, hidden in his body, suddenly reach his hands?

“Didn’t you expect it either?”

At this moment, Yue Feng looked at him with a smile and said slowly: “When I poured you wine just now, the antidote on your body was taken away by me.

“Many unrighteous deeds will kill themselves, and using your poison to get you out will save me a lot of trouble.”

After saying this, Yue Feng slowly sat on the chair, leisurely drank a glass of wine, and quietly waited for Lu Qingxuan’s poisonous attack. The situation has been completely reversed.

Knock knock!

Hearing this, Lu Qingxuan’s face was like soil, and he couldn’t help but swallow his spit, and his forehead was also full of cold sweat.

He never thought that a moment ago, he was still confident that he wanted to leave Yue Feng, but in the blink of an eye, it was himself who was waiting for death.

This is simply ironic.

Poof...

Panicked, Lu Qingxuan hurriedly knelt down towards Yue Feng, pleading with tears streaming down his face: “Mr. Yue Feng, spare your life, spare your life... I don’t measure myself, I want to harm you, now I know it’s wrong Please give me the antidote...”

“Sir don’t worry, as long as you spare my life, I will definitely help you deal with the city lord, be your witness, and break through his conspiracy mask in public...”

While pleading, Lu Qingxuan kowtowed to Yue Feng. It’s so sincere.

If someone who doesn’t know, seeing this scene, must think that he really repented.

However.

Yue Feng has been in the rivers and lakes for a long time, what kind of person can be seen at a glance, this Lu Qingxuan in front of him, a typical shameless villain, capricious, he is now just to survive, he kneels and pleads regardless of dignity, but once the situation is reversed, it is another face.

Therefore, Yue Feng just chuckled at that time and said coldly: “A capricious villain like you, thinking that I would believe your words?”

“I tell you, if you kill Commander Xing, you will give him a life, and then slowly repent when you go to the prefectural mansion.” When he said this, Yue Feng looked indifferent, without half a point of sympathy in his eyes.

“You...”

At this moment, Lu Qingxuan was completely anxious, and he had to plead at that time, but he just said one word, and the poison in his body began to attack, his face turned red, and his body trembled violently.

Immediately after, on Lu Qingxuan's flushed face, a trace of black lines slowly emerged, obviously, this is the meridians that the poison has spread to the whole body....

I'll go!

Yue Feng sat there, originally very calm, but when he saw this scene, he was still secretly shocked.

This medicine is really vicious, it spreads so fast....

"Ho ho...."

After a few seconds, Lu Qingxuan's face slowly turned black, and his breathing became difficult, and he was completely speechless, and could only make a ho-ho sound. The eyes also began to be engorged....

Yue Feng watched so quietly, without the slightest emotional fluctuation on his face. But in my heart, I said silently, Commander Xing, the person who killed you, I have found it, you can rest in peace....

murderer is dead, and now there is the mastermind behind the scenes.

Crash....

Just as Yue Feng was silently thinking about this, there was a sudden sound of footsteps in the courtyard outside, and then, several disciples from the Heavenly Dao, surrounded by a tall man, appeared at the door of the main hall.

The man was well-dressed and looked cold and arrogant.

It was Shao Lingfeng, who had a festival with Yue Feng before.

After separating from Yue Feng at that time, Shao Lingfeng and Feixue returned to the main altar, and after resting for a day, Shao Lingfeng came to Qingyun City to investigate the news.

Half an hour ago, Shao Lingfeng arrived in Qingyun City, and he rushed to the altar to join Lu Qingxuan as soon as possible.

This....

At this moment, Shao Lingfeng and several disciples were stunned when they saw the situation in front of them.

I saw that Lu Qingxuan was sitting paralyzed in the corner of the wall, his face swollen and black, his eyes were bloodshot, and his whole body was curled up there, trembling constantly...

This is clearly a sign of poisoning.

And next to the table not far away, Yue Feng sat there quietly, his face as deep as water.

“Altar Master...”

“What’s going on?”

“What happened...”

In shock, several disciples exclaimed one after another, and then they all wanted to rush up to check the situation, but Lu Qingxuan’s appearance was really too scary, and several disciples took a few steps, and they did not dare to approach again.

At this time, Shao Lingfeng was shocked when he saw Yue Feng, and he frowned secretly at that time, and his face instantly became gloomy.

Ma De, why is this Yue Feng here?

“Ah...”

At this time, Lu Qingxuan screamed, the whole person was like a dying beast, directly towards Yue Feng, under the stimulation of the poison, he was almost about to lose his mind, at this time knowing that there was no hope of survival, he decided to die with Yue Feng.

This...

Seeing this situation, several disciples wanted to stop it, but it was too late.

Mad, want to die with me?

Seeing Lu Qingxuan rushing over, Yue Feng’s eyes were full of coldness, and he snorted coldly at that time, quickly stood up to dodge Lu Qingxuan’s blow, and then turned around and slapped it, hitting the back of Lu Qingxuan’s heart.

Boom!

This palm Yue Feng no longer kept his hand, he heard a dull sound, Lu Qingxuan's whole person flew directly out of the main hall, flew dozens of meters away, and landed heavily on the open space outside the main hall, after landing, his heart pulse was broken and dead.

Quiet!

At this moment, the entire courtyard was as silent as death, whether it was Shao Lingfeng or several disciples present, they were all stunned, all this happened too quickly, they didn't have time to react.

Altar master... Just died?

And after killing Lu Qingxuan, Yue Feng's face did not fluctuate in the slightest.

Swish!

Finally, Shao Lingfeng was the first to react, his eyes locked on Yue Feng, and he shouted angrily: "Yue Feng, you are so bold, you dare to break into our altar stronghold and kill the lord of the altar." The

previous experience in the mountain village, Shao Lingfeng regarded it as a great shame, and dreamed of finding Yue Feng to take revenge, at this time, seeing him kill Lu Qingxuan, under anger, naturally he would not miss the opportunity.

Hearing the angry shout, the surrounding disciples also slowed down, and their eyes locked on Yue Feng.

At this moment, Shao Lingfeng was too lazy to talk nonsense, pointing at Yue Feng and shouting, "Take him down."

"Up!"

Hearing the order, several disciples quickly rushed towards Yue Feng.

Nima... This Shao Lingfeng will fall into the well.

Seeing several disciples rushing towards him, Yue Feng didn't have time to explain at all, so he immediately took a deep breath and attacked him head-on. He thought about it, repelled these disciples, and quickly left.

After all, these disciples are innocent.

Bang bang bang....

In less than a few breaths, several disciples were knocked to the ground by Yue Feng, their faces full of pain one by one, and they lost their combat effectiveness.

Seeing this scene, Shao Lingfeng's face was extremely gloomy, and he couldn't help but curse secretly, Ma De, it's really a bunch of waste.

Crash....

However, at this time, more disciples rushed over and were all shocked to see Lu Qingxuan, who was in a miserable state.

"The altar master is dead?"

"This...."

At this time, Shao Lingfeng pointed at Yue Feng again and shouted, "It was he who killed the altar master and took it." Hearing

this, all the disciples did not hesitate for a moment, and they all drew their long swords and quickly surrounded Yue Feng.

Nima!

Faced with this situation, Yue Feng was very annoyed, and shouted at Shao Lingfeng: "Shao Lingfeng, there is a hidden situation in the matter just now, you don't know the situation, don't command indiscriminately, Lu Qingxuan's death, I have a chance to explain it clearly to your sect master." "

Chapter 6654

Hearing

these words, the disciples around them all subconsciously stopped.

Hehe...

Shao Lingfeng was also stunned, and then sneered: "It's really interesting, you killed our people, and told us not to act rashly?" Who do you think you are? The

words were full of anger and contempt.

Call!

Yue Feng took a deep breath and said lightly, "I am friends with your sect master. "This Shao Lingfeng is also a villain, even if he said the matter of worshipping Gu Qianqiu, he would not believe it, and he might use the question to play.

Friend?

At this moment, when Shao Lingfeng heard this, his face was full of sarcasm: "Friend? Will our sect master have a friend like you? You don't talk nonsense, if you kill the lord of the deer altar recently, you will die for your life, don't want to get out of here alive. When

the last word fell, Shao Lingfeng returned his hand and signaled the disciples present to do it.

"Kill!"

"Kill him and avenge the altar master!"

"Yes, he must not be allowed to get out alive."

Amid the roar, nearly a hundred disciples swarmed towards Yue Feng.

Mad, this is trouble.

Faced with this situation, Yue Feng frowned secretly, feeling very anxious.

These disciples did not know the situation, and at this time, they were all used as guns by Shao Lingfeng, and they worshipped Gu Qianqiu, and they could not kill them.

Thinking to himself, all the disciples had already arrived, and Yue Feng had to fight them.

Bang bang...

In the fierce battle, I saw Yue Feng's figure as fast as the wind, constantly shuttling back and forth in the crowd, every time he shot, there must be a disciple who fell, of course, Yue Feng did not kill the killer, just said that these disciples were stunned.

It's just that there are too many people, knock down one, and the people behind continue to rush up, plus Yue Feng has some scruples in his heart, and he can't go all out, in this case, he can't get out smoothly at all.

And Shao Lingfeng did not join the battlefield, but stood aside and observed coldly.

Not bad, he was waiting for the opportunity to raid.

"Go die!"

Finally, Shao Lingfeng saw that Yue Feng was tightly besieged, and he had no time to take care of this side, so he immediately shouted, suddenly attacked from behind, and hit Yue Feng's back with a palm.

Airplanes!

This palm, Shao Lingfeng almost burst out with full force, and when he saw the palm wind passing, the surrounding air was distorted, and the power was amazing.

Mad, this scumbag.

Feeling the danger coming from behind, Yue Feng had no time to look back, and also guessed that it was Shao Lingfeng coming, and immediately cursed secretly, first knocking a few disciples in front of him unconscious, and then turned around and slapped it up.

Boom!

In the next second, the two palms collided, and they saw Yue Feng's figure shaking, and then they were shocked back a few steps.

Shao Lingfeng, on the other hand, felt a wave of overwhelming power coming, and the whole person was directly shocked and flew more than ten meters away, and after landing, he staggered back a few steps before barely stabilizing his figure.

Speaking of which, Yue Feng's strength had not been completely restored, otherwise, this palm would have killed him.

Mader....

After stabilizing his figure, Shao Lingfeng stared at Yue Feng tightly, shocked in his heart.

This Yue Feng's strength is so terrifying?

Hiss!

At the same time, the surrounding disciples also looked at Yue Feng and were secretly shocked.

This person's strength was so terrifying, he actually shocked Shao Lingfeng with a palm, you know, Shao Lingfeng is the leader of the younger generation in the Heavenly Dao, and at this time, he was shocked back by this person's palm.

Airplanes!

At this time, Yue Feng took a deep breath and slammed out a palm, this palm Yue Feng urged the power of the Yuan God, the power was amazing, Shao Lingfeng and the disciples present at that time, their faces changed, and they forced them back.

Taking this opportunity, Yue Feng turned around and rushed out of the courtyard and towards the street outside.

At this time, the street outside was already full of people, and Yue Feng blended into the crowd and quickly rushed towards the palace. When Shao Lingfeng and the disciples slowed down and chased them to the street, where was Yue Feng's shadow?

Mader!

At this moment, Shao Lingfeng's face was extremely gloomy, and he was very annoyed, and immediately ordered the disciples beside him: "Order all the disciples of the altar to be sure to kill this person to comfort the spirit of the altar master in the sky."

"Yes!"

.....

The other side.

Yue Feng returned to the palace and was about to go back to his room to rest, when he heard a call behind him: "Mr. Yue Feng!" "

The ultimate husband in Chinese chapter 6655

Chapter 6655

Yue

Feng looked back and saw Shaoyang King coming over with a smile.

"Wang Ye!" Yue Feng smiled.

Shaoyang Wang walked to him, saw that Yue Feng's face was not right, and hurriedly asked: "I heard that Mr. went out, I was about to send someone to look for it, but I didn't expect you to come back, Mr. has a little bad face, what's going on?" "Nothing

!"

Yue Feng shook his head: "It may be that I didn't rest well last night."

When he

said this, Yue Feng looked calm, speaking of which, it was better not to say that it was better not to say that he was a special organization from the Heavenly Dao, and that he had worshipped Gu Qianqiu and killed Lu Qingxuan.

However, the situation just now is really dangerous, Shao Lingfeng's strength is not weak, plus so many disciples, if he does not get out, I am afraid that the situation will be even more difficult to control.

Hehe!

Hearing the answer, Shaoyang Wang smiled: "Then Mr. will rest well." The words were full of concern.

Yue Feng nodded and asked, "Wang Ye specially looked for me, but what's the matter?" Hmm

....

King Shaoyang hesitated, and said a little embarrassedly: "I am already familiar with the few formations that Mr. taught me in Qizhou City before, so today is like taking advantage of my free time to learn more formations from Mr.

"In the future, I can be prepared for war."

Speaking of this, King Shaoyang scratched his head: "However, since Mr. has not rested well, haha, I still don't bother, come to Japan..."

So it was.

Knowing the situation, Yue Feng laughed and said, "Wang Ye has a heart, I am naturally willing to teach, come!" With that, he went to the main hall with King Shaoyang.

When he arrived at the main hall, Yue Feng used the sand table to teach the Shaoyang King Formation.

I have to say that Shaoyang Wang is gifted and intelligent, and he has extremely high attainments in the formation technique, almost as soon as he learns it, which makes Yue Feng very worry-free.

In the blink of an eye, two hours passed, and Shaoyang Wang learned two intermediate formations, as well as five simple formations.

At this time, it was getting late, and Shaoyang Wang stood up and said with admiration on his face: "Mr. is really knowledgeable, and the formation I just taught is simply unheard of, but it is also very mysterious. "

Haha...

Hearing this, Yue Feng couldn't help but laugh, these formations are all inherited from the Kyushu Continent, and this is the Tianxin Continent, this Shaoyang King has naturally never heard of it.

Thinking about it, Yue Feng said with a humble face: "Grandpa Wang Liao praised, I was also lucky, I was taught by a strange person in the rivers and lakes back then."

Saying that, Yue Feng thought of something, and quickly changed the topic: "By the way, tomorrow's attack on Ji Beiye's camp, how is that city lord preparing?"

When

he asked, Yue Feng's eyes were complicated.

That Lu Qingxuan is dead, I am afraid that the city lord will find out the situation and be flustered, if he takes advantage of the night to go to Ji Beiye tonight, it will be troublesome.

Call!

King Shaoyang took a deep breath and said in a deep voice: "I have always sent people to spy on him, and after receiving the order, I began to integrate the water army according to His Majesty's orders and deploy tomorrow's attack, and I did not find anything abnormal for the time being."

Yue Feng nodded silently and said, "This person's city is very deep, and Wang Ye and His Majesty must be extremely careful.

Seeing what he said solemnly, King Shaoyang nodded.

.....

At this moment, the City Lord's Mansion.

In the study, the city lord was sitting there, contemplating the sand table in front of him, and his mood was also inexplicably irritable.

Just now, he had sent someone to send a secret letter to Ji Beiye, explaining that the Japanese water army was going to attack the Jiangbei camp, and by now, the secret letter had been sent away for more than an hour, and no one had returned.

"City Lord!"

Just when the city lord was upset, a guard walked in quickly, and said with a solemn expression: "I just got the news that there is a situation in the altar of the Heavenly Dao.

"

Away from the Heavenly Dao Altar?

Hearing this, the city lord said coldly: "What does the situation have to do with me?"

The guard sighed, first looked outside the door, made sure that no one was there, and lowered his voice: "Someone broke into the altar and killed Lu Qingxuan." "

What? Lu Qingxuan is dead?

At this moment, the city lord was suddenly stunned, and looked closely at the guard: "Are you sure that the news is correct?" The guard nodded: "The people below, the news just arrived, it will not be wrong." "
