

## The ultimate husband in Chinese chapter 6691

Chapter 6691:

Ma De!

Seeing this situation, Shao Lingfeng was extremely angry, and cursed at that time: "Who is so bold, dare ...." Halfway through the words, he turned his head and saw the comer, and his heart was suddenly shocked.

Swish!

At the same time, everyone present also looked in the direction where the cold light came, and saw that on a tree outside the courtyard, a figure was quietly levitating, wearing a black robe, with a well-proportioned and tall figure, and a strong aura permeated his body.

It is Gu Qianqiu.

"Sect Master!"

Seeing that it was the sect master, the disciples present instantly became extremely respectful.

Ha ha.... Great, big brother sworn is coming.

Yue Feng showed a smile, and the despair in his heart disappeared in an instant. With Gu Qianqiu here, he will be completely fine.

Knock knock!

At the same time, seeing Gu Qianqiu appear, Shao Lingfeng was also stunned, and then couldn't help but secretly swallow his spit, and his heart became inexplicably nervous.

You know, he moved on Feixue and tied her up, which was completely a violation of the rules, originally thinking that Gu Qianqiu had other things to deal with, and he would not come to Qingyun City for the time being, but he did not expect that tonight would suddenly appear.

At this time, Shao Lingfeng did not know that the mistake he had made was far more serious than he imagined.

"Sect Master!"

Finally, Shao Lingfeng reacted, quickly got up, and said respectfully to Gu Qianqiu: "Why are you here now?" As he spoke, his mind spun quickly, thinking about how to explain the situation of Flying Snow being tied up.

Gu Qianqiu's face did not fluctuate in the slightest, and his eyes looked at Yue Feng, who was tied there, and his heart was inexplicably angry.

Shao Lingfeng, this bastard thing, actually wants to move my righteous brother....

Sou!

In the next second, Shao Lingfeng did not meet Shao Lingfeng regularly, and his figure flashed, like a fallen leaf, gently jumping off the treetops and landing in the yard.

The disciples present immediately spoke in unison: "Greet the sect master."

Gu Qianqiu nodded slightly, and then walked towards Yue Feng step by step.

Swish!

In an instant, all eyes of the audience converged on Yue Feng, and their eyes flashed with complexity.

Seeing this situation, Feixue hurriedly said: "Sect Master, you are about to preside over justice, Yue Feng is innocent..." Before the change, Feixue would not be so excited at all, but I don't know why, seeing that Yue Feng's life and death are imminent, he can't care so much.

But before she finished speaking, Gu Qianqiu shook her head and stopped her.

Then, Gu Qianqiu continued to walk towards Yue Feng.

Ha ha.....

At this moment, Shao Lingfeng was no longer apprehensive, and his heart was indescribably excited, thinking that Gu Qianqiu also came to Qingyun City because of Lu Qingxuan's death.

And now, he wants to kill Yue Feng with his own hands to avenge the Lord of the Deer Altar.

Guessing this, Shao Lingfeng subconsciously glanced at Feixue, and there was a bit of pride between his eyebrows, telling you to protect this kid all the time, now that the sect master is here, I see how you still protect it.

Thinking to himself, Shao Lingfeng hurriedly followed behind Gu Qianqiu and said with a flattering face: "Sect Master, you came at the right time, this Yue Feng killed the Deer Altar Master, and I was about to use his blood to sacrifice the Deer Altar Master's spirit in the sky."

Shao Lingfeng said while paying attention to the change in Gu Qianqiu's face.

At this time, Shao Lingfeng thought that Gu Qianqiu would nod his head in approval, however, the next scene surprised him.

"Brother!"

At this moment, Gu Qianqiu walked to Yue Feng, raised his hand, and cut off the rope on Yue Feng's body, his face full of apologies: "It's really wrong, I'm late, let you suffer." When he said this, Gu Qianqiu looked apologetic.

Originally, Gu Qianqiu didn't plan to come to Qingyun City, he was going to other places to do things, passing by tonight, knowing that Yue Feng was helping the little emperor, he took a special look, and by the way, he urged Qingyun City to divide the altar and cooperate with Yue Feng.

As a result, as soon as they arrived at the altar, they saw the Jieyi brothers tied to a tree. However, Gu Qianqiu is not a person who shows joy and anger on his face, and he is very angry in his heart at this time, but he has not yet attacked.

Ha ha...

Hearing Gu Qianqiu's words, Yue Feng moved his hands and feet and smiled: "Fortunately, you came in time, otherwise, the consequences would be unimaginable." Whoosh

!

Seeing this scene, the disciples present were in an uproar. One by one, their eyes widened, looking at Yue Feng blankly, their faces full of incredulity.

This.... I heard you right.

The sect master called him brother?

## The ultimate husband in Chinese chapter 6692

Chapter 6692 At

the same time, Feixue also trembled, and her delicate face was full of surprise.

This Yue Feng... When did you have such a good relationship with the sect master?

Actually called brothers.

After being shocked, Feixue was indescribably happy in her heart, Yue Feng and the sect master had such a good relationship, so he didn't have to bother to talk about it later.

This.....

Shao Lingfeng, who was following behind, was completely dumbfounded, his mind was buzzing, and he was blank.

How so? The sect master called him brother?

In the next second, Shao Lingfeng cautiously spoke, "Sect Master, he killed the Deer Altar Master..."

Syllable!

Just before he finished speaking, Gu Qianqiu suddenly turned around and slapped him in the face, listening to Shao Lingfeng's muffled snort, and the whole person was directly fanned out.

After flying dozens of meters away, Shao Lingfeng hit the courtyard wall, and only then fell softly, gray and dirty, embarrassed.

This slap, although Gu Qianqiu did not use internal force, but also hit him seven, brain pulp is scattered.

Knock knock...

Seeing this scene, the disciples present couldn't help but secretly swallow their spit, and they all became terrified in their hearts.

"Sect Master!"

At this moment, Shao Lingfeng trembled and got up, his face full of grievances, and said to Gu Qianqiu: "I'm not wrong, he really killed the deer altar master, I helped him, it was to avenge the deer altar master."

"Shut up!"

As soon as the words fell, Gu Qianqiu roared and shouted angrily: "You bastard thing, you still want to argue? Lu Qingxuan's death was completely self-inflicted, and had nothing to do with my righteous brother. Speaking

of which, a long time ago, someone reported to Gu Qianqiu that Lu Qingxuan, the altar master of Qingyun City, secretly colluded with the city lord and helped him do some shady things, but there was no conclusive evidence at that time, so Gu Qianqiu never had the opportunity to punish Lu Qingxuan.

Until a few days ago, Gu Qianqiu learned that Lu Qingxuan assassinated Xing Tiance, and he was very angry at that time, so he wanted to deal with it, but he was always entangled in trivial matters.

It's just that I didn't expect that Lu Qingxuan suddenly died.

Speaking of which, Gu Qianqiu didn't know the specific situation at this time, but he firmly believed that Yue Feng acted honorably and would definitely not kill Lu Qingxuan for no reason.

What the? Righteous brother?

At this moment, hearing Gu Qianqiu's name, Shao Lingfeng's heart was shocked, and he was completely dumbfounded, and looked at Yue Feng blankly and couldn't speak.

He... Is he and the sect master sworn brothers?

When he heard Gu Qianqiu call brother just now, Shao Lingfeng thought that Gu Qianqiu only called Yue Feng out of politeness, but now when he heard the two words of righteous brother, he realized that their relationship was far from being as simple as he thought.

At the same time, the surrounding disciples were also completely stunned.

This Yue Feng turned out to be the sworn brother of the sect master... It was so unexpected.

Call!

Seeing Shao Lingfeng stunned there, Gu Qianqiu took a deep breath and was too lazy to talk nonsense.

In the next second, Gu Qianqiu said to Yue Feng, "Righteous brother, what was the situation at that time?" That Lu Qingxuan colluded with the city lord, I got the news early, but there is no evidence, if you know the details, just tell me.

Yue Feng nodded and said with a bitter smile: "This matter is a long story. Subsequently, Yue Feng told Lu Qingxuan in detail about the collusion between Lu Qingxuan and the city lord, as well as the assassination of Xing Tiance, not only that, the city lord secretly and Ji Beiye alliance, Yue Feng did not hide it in the slightest.

Speaking of the end, Yue Feng said slowly: "It is precisely because the city lord and Ji Beiye conspired, so it was very difficult to protect Qingyun City this time, but in the end, fortunately, Ji Beiye's army was finally defeated. Whoosh

!

Knowing these circumstances, the surrounding disciples were in an uproar, and their eyes changed when they saw Yue Feng, and they all felt indescribable admiration.

Originally... He had done so much for Qingyun City, and his own people misunderstood him for the death of the Deer Altar Lord.

Thinking of Lu Qingxuan's death, these disciples no longer had sadness in their hearts, but indescribable indignation, this person was really abominable, he actually colluded with a traitor like the city lord. This is to trap the whole unrighteousness of the heavenly path.

This kind of person deserves to die.

Finished....

Shao Lingfeng's face was extremely pale, and his heart was even more apprehensive.

## The ultimate husband in Chinese chapter 6693

Chapter  
6693

– In Shao Lingfeng's heart, Yue Feng killed Lu Qingxuan, he should pay for his life, this is a matter of course, even if he is the sect master's sworn brother, he can't be favoritistic.

But now that he knew the truth of the matter, Shao Lingfeng realized that everything he had done before was too hasty.

Call!

At this moment, when Gu Qianqiu learned the truth, he also slowed down and looked at Shao Lingfeng coldly: "Shao Lingfeng, you don't know the truth, so you lynch indiscriminately, what else do you have to say now?"

As he spoke, Gu Qianqiu's eyes were full of killing intent.

If it weren't for the fact that Shao Lingfeng had done a lot of things for the Heavenly Dao in the past few years, the truth would have killed him immediately.

Knock knock!

Feeling Gu Qianqiu's anger, Shao Lingfeng's heart trembled, swallowed his spit, and said with a stumble: "Sect Master, I... I was wrong...."

As soon as the words fell, Feixue not far away couldn't help but say: "Sect Master, he not only privately tortured, but also declared a personal vendetta, before we were in a mountain village, trapped by mountain bandits, and finally Yue Feng saved us, but Shao Lingfeng was not grateful at all, but held a grudge...."

Saying that, Feixue told the scene in detail.

At the end, Feixue said in a huff: "In order to take revenge on Yue Feng, Shao Lingfeng set up an ambush and arrested him, and in order to stop me from helping Yue Feng, he tied me up. The

last word fell, and Feixue glared at Shao Lingfeng fiercely.

"You...."

Seeing Feixue say this in public, Shao Lingfeng was panicked and angry, and shouted at Feixue: "You shut up, less blood, I have no personal vendettas, all this I did was to avenge the Lord of the Deer Altar."

Speaking, Shao Lingfeng looked at Gu Qianqiu tightly, his eyes full of pleading: "Please make a clear judgment from the sect master." "

Phew!

At this moment, all eyes focused on Gu Qianqiu, waiting for him to make a decision.

Gu Qianqiu looked indifferent and did not fluctuate in the slightest.

More than ten seconds later, Gu Qianqiu looked at Shao Lingfeng coldly: "I am a person who left the Heavenly Dao, acting honorably, and never doing these inferior things, I also looked away at the beginning, and even took you under the door."

"Sect Master...."

Hearing these words, Shao Lingfeng realized that something was wrong, and quickly opened his mouth to beg for mercy, but just said two words, too nervous to continue.

At this time, Gu Qianqiu continued: "With what you committed, you should have been executed, but Nian Nian has also done a lot of things for leaving the Heavenly Dao in the past few years, so I will spare you death, but from now on, you are not a person who left the Heavenly Dao, and the practice of the exercises must also be returned." "

Whoosh

!

When the last word fell, Gu Qianqiu's figure flashed, and he instantly arrived in front of Shao Lingfeng.

At this moment, under the pressure of Gu Qianqiu's strong aura, Shao Lingfeng's legs were soft, and he knelt directly on the ground, trembling all over: "Sect Master... The sect master spared me, give me a chance...."

Speaking, Shao Lingfeng couldn't stop kowtowing to plead.

However, Gu Qianqiu didn't give him a chance at all, and shot like lightning and slapped him on the top of the head. Directly abolished all his practice practices.

Boom!

When he heard a dull sound, Shao Lingfeng didn't have time to scream, his whole body strength was dissipated, and he fainted in front of him.

Gu Qianqiu didn't look at it, and said to the disciple next to him: "Lift out the altar and let him fend for himself."

"Yes, Sect Master!"

Hearing the order, the two disciples hurriedly came over and carried Shao Lingfeng, who had passed out, out of the courtyard.

As soon as the front foot left, Gu Qianqiu raised his hand and signaled, asking the disciple to tie Feixuesong.

After doing this, Gu Qianqiu returned to Yue Feng and said apologetically: "Righteous brother, how can he say that he is also a person who is away from the Heavenly Dao, so he can only be dealt with in this way, are you still satisfied?"

Yue Feng smiled slightly and waved his hand, "It's good how big brother deals with it." Speaking

of which, in Yue Feng's heart, Shao Lingfeng has seen too many villains, if they all deal with them, wouldn't they be tired to death?

Well!

Seeing Yue Feng say this, Gu Qianqiu showed a smile, and then grabbed his shoulder and said, "I won't see you in a few days, let's have a good drink, and by the way, you have successfully defended Qingyun City." "Good

!" Yue Feng nodded without hesitation.

At this time, Feixue on the side took the initiative and said, "Sect Master, I'll go and prepare it for you." "

Speaking, his eyes secretly glanced at Yue Feng, and a sweet redness appeared on his face, and he turned around and walked away quickly.

Ha ha....

Sensing this, Gu Qianqiu couldn't help but laugh, and looked at Yue Feng with a deep meaning: "Righteous brother, last time you and Feixue were forced to marry by Mother-in-law Honghua, it was originally a farce, and now it seems that I am afraid that it will be fake to become true." Gu

Qianqiu has been walking the rivers and lakes for many years, and his ability to observe words and colors is extraordinary, and he can see at a glance just now that Feixue already likes Yue Feng.

Belch....

Yue Feng was confused and puzzled: "How could the eldest brother say this? As he said this, Yue Feng shook his head repeatedly.

This Feixue, because of his innocence, wanted to kill me several times before, and now he has begun to like me again? How can it be.

Hehe!

Hearing this, Gu Qianqiu smiled slightly and said, "Righteous brother, you don't understand this, women's hearts are needles, but they are also emotional, and whoever likes them unconsciously will show it."

"Big brother, don't make fun of me." Yue Feng smiled bitterly and shook his head: "I was almost cut off my head just now, let's go drink."

"Good, good drink, haha..."

Hearing Yue Feng say this, Gu Qianqiu no longer continued the topic, immediately laughed loudly, and pulled Yue Feng into the main hall.

After a while, Feixue prepared a table of rich wine and dishes, and then stood aside playfully and said with a smile: "Sect Master, I'll bring you tea and pour water here." When she said this, Feixue's face was full of respect, but her attention was always on Yue Feng.

You know, Feixue has a high and cold personality, and if he used to do it, he would never take the initiative to flow down to do these things, but in order to stay by Yue Feng's side for a while, he was willing to be a maid on the side.

Ha ha....

Hearing her say this, Gu Qianqiu immediately laughed and nodded, "Good!" Feixue

is his apprentice, what he thinks in his heart at this time, Gu Qianqiu is naturally clear, and the girls' families are more shy and restrained, so Gu Qianqiu did not break it.

Seeing that Gu Qianqiu agreed, Feixue was very happy, and quickly poured wine for the two.

"Righteous brother!"

At this moment, Gu Qianqiu raised his cup and looked at Yue Feng with a smile: "I got news that Naji Kitano connected the warship with a iron cable, which should have been invincible, but it was completely burned by your fire."

Speaking, Gu Qianqiu looked curious: "How did the righteous brother do it?"

Yue Feng smiled slightly: "It's actually very simple, the strategy of this chain ship is that I deliberately leaked it out and asked the city lord to tell Ji Beiye."

In the next few minutes, Yue Feng explained the situation in detail.

"Haha, wonderful..."

After learning the situation, Gu Qianqiu was very excited, patted his thigh, and said with a smile: "The righteous brother is really resourceful, such a brilliant strategy, even if all the strategists of Naji Beiye want to break their heads, they can't think of it."

"With your talent, you can be called a god in the world, haha!"

At this time, Gu Qianqiu was very happy, and it was a great joy in life to meet such an excellent righteous brother in his lifetime.

Call!

Feixue next to him also looked at Yue Feng closely, and he couldn't say the worship in his heart.

Using such a brilliant strategy to defeat Ji Beiye's hundreds of thousands of troops is a unique thing in the history of the Tianxin Continent, and it can be called a classic battle.

This Yue Feng... Simply omnipotent. I really want to know what else he won't.

"Big brother teased."

Yue Feng smiled, his face full of humility: "Big brother Liao praised, I am also lucky, who is worthy of what god calculation?" This strategy drew on the famous Battle of Chibi in the history of Kyushu, and Yue Feng naturally did not dare to steal this honor.

Gu Qianqiu shook his head: "It's you who are too modest..."

Boom!

Just as he was laughing, there was a sudden roar outside, and the gate of the courtyard was smashed by a strong force.

Immediately after, a disciple ran in in a panic and said to Gu Qianqiu: "Sect Master, someone has broken in, the other party is very strong, we... We can't stop it.

When he said this, the disciple's eyes were full of panic.

What the?

Hearing this, whether it was Gu Qianqiu or Feixue, their faces changed.

## The ultimate husband in Chinese chapter 6695

Chapter 6695 –

Who is so bold and dares to break away from the Heavenly Dao Division?

Yue Feng also frowned secretly, and couldn't help muttering, it won't be that red flower mother-in-law who came to find trouble again.

"Go check it out!"

Soon, Gu Qianqiu reacted, quickly got up, and walked outside.

Yue Feng and Flying Snow followed closely.

Call!

When he arrived at the courtyard outside and saw the scene in front of him, Yue Feng couldn't help but take a deep breath.

I saw that the gate of the courtyard was completely shattered, and more than a dozen elite disciples fell to the ground, one by one, they were severely injured and in pain. And at the door, two figures stood quietly.

A man and a woman.

The man was a white-haired old man, looking at the appearance of sixty or seventy years old, tall and burly, with long silver-white hair, frantically draped over his shoulders, and a pair of eyes that were even more bright.

There was a strong aura all around.

This old man...

Feeling the old man's strong strength, Yue Feng couldn't help but be secretly shocked, he clearly felt that the strength of this white-haired old man, like Gu Qianqiu, was also a nine-rank one.

After looking at the old man, Yue Feng's eyes fell on the woman on the side, and when he saw her appearance, he was suddenly stunned.

I'll go, isn't this the woman I met on Yunxi Mountain before?

Yes, the woman is Yan Bingyu, and the white-haired old man next to her is her master, Xiao Jie.

Well?

At this moment, Yan Bingyu also discovered Yue Feng, and was suddenly stunned, and then a little shame came out of his eyes. What a coincidence, I actually ran into this shameless scum.

Sensing Yan Bingyu's hostility, Yue Feng did not panic at all, but winked at her.

Shameless...

Yue Feng's actions made Yan Bingyu very disgusted, and he immediately cursed secretly in his heart.

"Bold!"

At this moment, Feixue took a step forward and yelled at Yan Bingyu and the two, "Who are you? Dare to intrude on my Heavenly Dao Altar? When

the words fell, Xiao Ji chuckled: "Little girl, it is the altar away from the Heavenly Dao that I came."

Speaking, Xiao Je's eyes turned to Gu Qianqiu: "Gu Qianqiu, twenty years apart, is it harmless?" "You

..."

At this time, Gu Qianqiu's eyes were firmly fixed on Xiao Jian, full of incredulity: "Xiao Jianqiu? You... You're not dead yet? Seeing

that Gu Qianqiu was so excited, Yue Feng couldn't help but ask in a low voice, "Big brother, who is this?" Feixue

on the side also looked at Gu Qianqiu closely, her delicate face was full of curiosity, you know, the sect master is all over the world, except for the entangled red flower mother-in-law, very few people can make the sect master so excited.

Call!

Gu Qianqiu took a deep breath and said in a low voice: "This person is the deputy sect master of the year, Xiao Jian, when the old sect master died violently, he tried to monopolize power, and he wanted to kill me, I fought with him for the last time, knocked him off the cliff, I thought he had long been turned into a white bone, but I didn't expect him to be alive."

Hearing these words, Yue Feng nodded suddenly.

It turned out to be him.

At that time, when worshipping, Gu Qianqiu had told Yue Feng about this past. Therefore, Yue Feng was also surprised to learn that the old man in front of him was the person who had competed for the power position with Gu Qianqiu twenty years ago.

Feixue trembled even more, and his brain buzzed.

Twenty years ago... Deputy Sect Master?

Ha ha....

At this moment, Xiao Ji laughed loudly, slowly walked to the center of the courtyard, and stared at Gu Qianqiu: "Gu Qianqiu, isn't it surprised to see that I am not dead?"

Gu Qianqiu's face changed, and he said lightly: "Xiao Jian, what are you doing here?"

"Do what?"

Xiao Ji chuckled and looked around the courtyard: "I am also a person from the Heavenly Dao, it is a matter of course to come to this altar, you ask me what to do?"  
Ridiculous? Hearing

this, Gu Qianqiu frowned and did not reply.

At this moment, Yan Bingyu took a step forward and pointed at Gu Qianqiu and said, "Gu Qianqiu, you have occupied the position of the sect master of the Heavenly Dao for so long, and now it is time to return it to my master." Phew

!

Seeing this scene, Yue Feng suddenly showed a smile, looking like this, this Xiao Feng suddenly appeared, wanting to snatch the position of the sect master.

I really can't figure it out, I'm so old, and I still have to fight for power and profit, is it interesting?

"The position of the sect master?"

At this time, Gu Qianqiu smiled indifferently, did not look at Yan Bingyu, but said to Xiao Jian: "The position of the sect master is related to the lives and safety of tens of millions of people, but it is not given as soon as it is given." "
