

The ultimate husband in Chinese chapter 6741

Chapter 6741 Yue Feng at this time is also a little angry, Ma De, this Shao Lingfeng is really despicable and shameless, and he did not compromise the means before achieving the goal, just in order to support Xiao Ji to sit in the position of the sect master, he did not hesitate to slander Feixue's innocence in public.

It is not a pity for such a villain to die 10,000 times.

“Hey!

In the face of Yue Feng's angry drinking, Shao Lingfeng sneered, and said in a strange way: “You two dog men and women, there is no shame at all, dare to do such ugly things, dare not admit it?”

When he

said this, Shao Lingfeng sneered, but he was extremely jealous in his heart.

This Yue Feng touched the woman he liked, and at this time, he wished that he would be ruined.

Silly!

Yue Feng cursed secretly, and wanted to refute, at this time, the red peony on the side couldn't help it.

“Shao Lingfeng, you talk less nonsense.

In the next second, the red peony lips lightly opened, and said coldly to Shao Lingfeng: “The person who really has a dirty heart is you, but you are shouting as a thief here.”

Speaking, Hong Peony looked around and said to the disciples present: “The real situation is that Feixue was poisoned, and I tore her skirt just now in order to help her detoxify her.”

When the

last sentence fell, Hong Peony glanced at Yue Feng.

Speaking of which, Hong Peony, like the people around her, also believed in her heart that what happened to Yue Feng and Feixue just now, but she and Feixue were like sisters, in order to preserve Feixue's reputation. A reason was deliberately made up.

So it was.

Hearing these words, many disciples present nodded one after another, and their expressions suddenly changed.

The entire Heavenly Dao knew that Feixue and Red Peony were like sisters, and if Feixue was in danger, Red Peony would never stand aside, so everyone did not doubt Red Peony's words.

Hehe!

However, Shao Lingfeng laughed evilly, and said to Hong Peony with a look of disbelief: "Come on, you have a good relationship with Feixue, who knows if you deliberately clarified for her."

Speaking of this, Ling Xuefeng's eyes looked at the red peony up and down, and the corners of his mouth hooked a trace of evil: "Maybe, you are also involved in the unsavory deeds of the two of them." Gee... The two daughters serve one husband..."

When the

last word fell, Shao Lingfeng's face was full of playfulness. Since this red peony is going to be nosy, then don't blame me for pulling you into the water together.

Hearing these words, there was a lot of talk around again.

"You..."

Red Peony also blushed, extremely embarrassed: "You scumbag, shut up!" "

At this time, Red Peony never expected that this Shao Ling Summit was so shameless, and finally counted himself into it.....

"Huh!

At this time, Xiao Ji couldn't help but laugh, and looked at Yue Feng with a deep expression: "This is the person chosen by Gu Qianqiu?" It's just a womanizer.

Speaking, Xiao Je looked around the audience: "Twenty years ago, I was the deputy sect master, and I was originally going to succeed the position of the sect master, but I was secretly calculated by Gu Qianqiu.

"And now, Gu Qianqiu is dead, in terms of seniority and generation, how does this Yue Feng compare with the old man?" I see that you don't need to entangle, before recognizing me as the sect master, the misunderstanding just now, the old man can not be blamed in the past.

At the end, Xiao Ji looked at Wang Youming and Xu Chengyuan: "The old man is right, two elders." At

this time, Xiao Ji's face was full of confidence, Yue Feng and Feixue had a unclear relationship, and they had already been suspected by many disciples, and these two

elders had always been at odds with Gu Qianqiu, so an opportunity to win people's hearts naturally could not be missed.

Call!

Hearing this, Wang Youming and Xu Chengyuan looked at each other, and then nodded one after another.

"The sect master is right.

"Looking at the entire Heavenly Dao and the rivers and lakes, only Your Excellency can be the sect master. "

Poof!

As the two spoke, they knelt down in unison towards Xiao Je and shouted loudly.

"Subordinates see the sect master. "

Haha...

Seeing this scene, Xiao Ji couldn't help laughing, and nodded with satisfaction: "Good, very good, the so-called person who knows the time is Junjie, and the two are worthy of being heroes among people." Xiao

was very happy at this time.

Of the three elders present, two of them already supported themselves, and the position of this sect master was secure.

What the?

Yue Feng, Feixue, Red Peony, and Zhang Dongzhi were all taken aback.

The ultimate husband in Chinese chapter 6742

Chapter 6742 None of them expected that the two elders would defect so quickly to support Xiao Jian.

"You guys!

Finally, Zhang Dongzhi reacted, looking at the two elders kneeling on the ground, with unconcealed anger on their faces: "What do you do?" The ancient sect master treats you well, and now that the body of the ancient sect master is not cold, you will betray..."
Speaking

of which, Zhang Dongzhi also knew that these two elders and Gu Qianqiu were at odds, but anyway, it was a private matter they had only seen, and now they ignored the overall situation because of their personal grievances, which made it difficult for Zhang Dongzhi to accept.

“Not thin?”

Hearing this, Wang Youming sneered and took the lead in retorting: “Zhang Dongzhi, are you also kind to say such a thing?” It’s true that Gu Qianqiu is good to you, as for the two of us... Hehe.

The moment the

words fell, Xu Chengyuan followed and said: “In the past few years, Gu Qianqiu has suppressed and excluded us everywhere, and he is completely a hypocrite. “

Then again, Senior Xiao was the deputy sect master a few years ago, and now the position of several sect masters is a matter of course, what’s wrong?” The

words were full of resentment, obviously dissatisfied with Gu Qianqiu for a long time.

Swish!

Hearing this, Zhang Dongzhi was furious: “Well, you two eat what is inside and outside, slander the ancient sect master, and ignore the facts, today I must kill you to clean the portal for the Heavenly Dao.” “

Whoosh!

When the last word fell, Zhang Dongzhi’s surrounding strength exploded, and his palms came out, quickly shooting towards Wang Youming and Xu Chengyuan’s heads. These two palms, Zhang Dongzhi exerted eight successful powers, and when he saw the palm shadow passing, the surrounding air was extremely distorted, and the power was very amazing.

What the?

Seeing Zhang Dongzhi’s direct action, Wang Youming and the two were shocked.

“Bold! Seeing this scene, Yan Bingyu suddenly exclaimed: “Dare to do it in front of the sect master and find death?” Speaking, Yan Bingyu pulled out his long sword and was about to stab at Zhang Dongzhi.

Just before Yan Bingyu made a move, he was stopped by Xiao Jian.

Xiao definitely did not speak, but shook his head at Yan Bingyu.

Xiao Jiecheng Mansion is extremely deep, Wang Youming and Xu Chengyuan support themselves so simply, it is difficult to believe their sincerity, perhaps, they are just acting with Zhang Dongzhi, to maybe their own trust.

With such a thought, Xiao Ji decided to wait and see, to see if these three people were really fighting or making a scene.

Whew....

At this time, Wang Youming and Xu Chengyuan reacted quickly and avoided these two palms.

Immediately, Wang Youming's face was gloomy, and he shouted at Zhang Dongzhi: "Zhang Dongzhi, don't pretend to be sanctimonious in front of us, don't think that we are afraid of you, want to kill us, afraid that you don't have this ability yet." "

Whoosh!

When the words fell, Wang Youming used his power and rushed directly towards Zhang Dongzhi.

"I'm here to help you. Xu Chengyuan also shouted, and the strength of the surrounding body broke out, and he fought Zhang Dongzhi with Wang Youming.

Bang bang bang....

In the blink of an eye, the three of them fought fiercely in the field.

Seeing this scene, the disciples present all had complicated expressions.

Yue Feng, Feixue, and Red Peony also frowned, secretly worried about Zhang Dongzhi.

I saw that the three figures kept shuttling back and forth, bursting out with a roar and vibration, Wang Youming and Xu Chengyuan cooperated with each other and attracted fierceness.

Faced with this situation, Zhang Dongzhi did not panic at all and dealt with it calmly. You know, Zhang Dongzhi's strength close to the nine products ranks in the top three in the Heavenly Dao, and it is more than enough to deal with two people.

In the blink of an eye, the three fought for more than a dozen rounds, and Wang Youming and Xu Chengyuan were never able to suppress Zhang Dongzhi. For a while, both of them were a little anxious.

Wang Youming and Xu Chengyuan had just recognized Xiao Je as the sect master, and they both wanted to take this opportunity to perform well, who knew that the strength of this hole was so strong.

Boom!

The more anxious the two were, the more anxious they were, and they heard a dull sound, Wang Youming was slapped on the back by one of Zhang Dong, and one stumbled and was directly shocked back more than a dozen steps.

Immediately, Zhang Dongzhi quickly turned around and went to deal with Xu Chengyuan.

Bang bang...

Without Wang Youming's help, Xu Chengyuan was not an opponent at all, and after two rounds, he was beaten back one after another.

Seeing this scene, the three of Yue Feng were all excited.

The ultimate husband in Chinese chapter 6743

Chapter 6743, especially Yue Feng, looked closely at Zhang Dongzhi at this time, and his eyes couldn't hide the approval.

Fortunately, this second elder is honest and his strength is not weak, otherwise, I am afraid that this situation will be really difficult to clean up.

But.... This Xiao is ruthless, and he still has to be prepared.

Call!

Muttering in his heart, Yue Feng took a deep breath and quietly returned to the room while everyone's attention was not here.

Immediately, Yue Feng quietly called Feixue in.

"What's wrong? Returning to the room, Feixue couldn't help but ask softly.

Yue Feng's face was solemn, and he lowered his voice and said, "Although the second elder is strong, it is difficult to turn the situation around by relying on him alone, even if the three of us go together, I am afraid that it will not be Xiao Jian's opponent, so we need to transfer Big Brother Gu away as soon as possible."

When

he said this, Yue Feng's face couldn't hide the worry.

That Xiao Ji has been outside, he can lie to him that Gu Qianqiu is dead, in case he stabilizes the situation and comes in to investigate Gu Qianqiu's situation, he will definitely not be able to hide it.

Thinking about it, Yue Feng continued: "Let's open the back window, take Big Brother Gu out first, and then come back to help the second elder."

After

saying this, Yue Feng first looked at Gu Qianqiu's situation, made sure that there was no problem, and prepared to open the back window of the room.

"No need!

Just before taking two steps, Feixue came over quickly, pulled Yue Feng, bit his lip lightly at that time, and whispered: "Under this secret room, there is also a secret passage that leads to the outside of Qingyun City.

After

that, Feixue first looked at the situation outside, and then walked quickly to the corner of the wall. At that time, this secret passage was established just in case, and Feixue often came to Qingyun City to branch the altar, so he knew this secret.

Is there a secret passage? That's great.

Hearing this, Yue Feng was extremely excited and hurried to follow.

Bang bang...

At this time, outside, the three of Zhang Dongzhi were still fighting fiercely, and there was a constant sound of vibration.

Call!

At this moment, with the help of the movement outside, Feixue opened the mechanism without hesitation, and heard a clicking sound from the ground in the corner of the wall, and then revealed a secret entrance and came out.

Everyone outside was attracted by Zhang Dongzhi's three people, and they didn't hear the sound of the room opening the secret passage.

Taking this opportunity, Yue Feng hurriedly carried Gu Qianqiu into the secret passage. After that, he returned to the room, used the table, chairs and stools, and began to set it up.

Not bad, Yue Feng was ready to deploy a five-element array in the room, just in case.

"You..."

Seeing Yue Feng busy, Feixue couldn't help but be curious: "Are you deploying the formation?" She was clever and knew that Yue Feng would not move these tables and chairs for no reason, and it would definitely be useful.

Yue Feng nodded: "Yes, since we are leaving, we must be foolproof." "

Boom!

As he was speaking, he heard a vibration outside, and at this time, Yue Feng had already deployed, and quickly walked to the door with Feixue to watch.

I saw that Xu Chengyuan was hit by one of Zhang Dong's palms, and the whole person flew out directly, flying more than ten meters away, before landing heavily on the ground, his face was pale, and it seemed that he was not lightly injured.

Seeing this situation, Wang Youming no longer dared to move forward, looking at Zhang Dongzhi's gaze, full of jealousy.

Snap....

At this moment, Xiao Ji couldn't help but clapped his hands and praised Zhang Dongzhi: "Elder Zhang's strength is good, admirable, the battle just now is really wonderful."

Speaking, Xiao Jian's eyes flashed with expectation: "As long as you are willing to assist the old man, the old man will let you be the great elder, how?" "This hole is a talent, it's a pity to ruin it, it's better to take it for your own use."

Hehe!

However, Zhang Dongzhi sneered and decisively refused: "Don't talk nonsense, I only obey the arrangements of the ancient sect master, how can I collude with you scum?" "

I tell you, as long as I am here, I will never let you be the sect master of the Heavenly Dao and cause harm to the rivers and lakes." "

Although I haven't seen him for twenty years, Zhang Dongzhi knows Xiao Zhi, this person is extremely deep in the city and ruthless, if he really wants to make him the sect master of the Heavenly Dao, it will only do no harm.

Swish!

Hearing this, Xiao Jian's face instantly became cold, and anger rose, this Zhang Dongzhi, I will give you face in public, but you are so ignorant.

At this time, Shao Lingfeng couldn't help but shout: "Zhang Dongzhi, the sect master's kind invitation is worthy of you, but you are so ignorant and looking for death." "

The ultimate husband in Chinese chapter 6744

Chapter 6744 Hehe!

Hearing the angry drink, Zhang Dongyi looked disdainful: "Shao Lingfeng, you traitor has no part in speaking, wait until I solve the matter in front of me, and then I will settle the account with you."

Speaking, Zhang Dongzhi's gaze fell on Xiao Je: "Xiao Je, you are vying for the position of sect master, provoking a struggle within the Heavenly Dao, his heart is sinister, everyone will be damned, suffer death." The

last word fell, Zhang Dongzhi clenched his long sword, and his figure burst out.

Airplanes!

The moment he rushed into the air, Zhang Dongzhi's explosive power, the long sword in his hand, cut out a shock, straight towards Xiao Jianxin's mouth, and he saw that the sword light flickered, like thunder.

As the long sword passed, the air suddenly tore apart, and the power was amazing.

"Don't measure yourself!

Seeing Zhang Dongzhi bursting out, Xiao Ji looked disdainful and coldly spat out a few words: "Since you want to find death, then I will fulfill you." "

Whoosh!

The moment the last word fell, Xiao Je grabbed it in the air, and saw the long sword that Wang Youming had dropped to the ground before flew directly into his hand.

I go, volley to fetch?

Seeing this scene, Yue Feng was secretly taken aback, looking at it this way, Xiao Jian's strength was indeed stronger than Gu Qianqiu.

At the same time, Red Peony and Feixue also trembled and couldn't help but exclaim.

"Be careful!

"Second Elder, don't be impulsive. "

Xiao Je's strength is unfathomable, and the second elder rushed over like this, I'm afraid that it will be fierce and lucky.

In the midst of the exclamation, Feixue and Red Peony wanted to rush over to block it, but it was too late.

Broken!

At the same time, Yue Feng's face also changed, and he was anxious, this hole is too impulsive, although his strength is very strong, he is not Xiao Jian's opponent.

“Soul Slayer! At

this moment, Xiao Jie burst out, and with a sharp swing of the long sword in his hand, he heard a scream coming from the long sword, and then, a blood-colored sword burst out of the air, like lightning to meet Zhang Dongzhi.

Soul extinguishing is Xiao Jian's famous skill, twenty years ago, with this move, he defeated countless masters, and his reputation shook the rivers and lakes, and now twenty years later, this move is even more pure.

Worst!

Seeing Xiao Ji directly perform the Soul Extermination Slash, Zhang Dongzhi's heart was shocked, and his face could not hide the jealousy, and he wanted to retreat and dodge at that time, but it was too late.

Just in the blink of an eye, Zhang Dongzhi was hit by a blood-colored sword.

Boom!

For a while, everyone present heard a roar, and then, Zhang Dongzhi let out a scream, and the whole person sprinkled a rain of blood in mid-air, flew out far away, flew dozens of meters away, and finally smashed on the north courtyard wall, before landing heavily.

“Poof....”

The moment he landed, Zhang Dongzhi's face turned pale and pale, a mouthful of blood spurted out, and he fainted directly.

What the?

Seeing this scene, the disciples present were shocked and gasped one after another.

This Xiao Je's strength is also too terrifying, you know, Zhang Dongzhi is close to the ninth product, and just now, he can't even block a move....

“You...”

At this time, Xiao Ji clenched his long sword, stood proudly in mid-air, and looked around the disciples with cold eyes: "Those who obey me will perish, don't you kneel down and bow down to the new sect master?" The

deep voice spread throughout the audience and shocked people's hearts.

Knock knock....

Hearing this, the disciples present looked at each other, and many people secretly swallowed their saliva, and they didn't dare to gasp for a while.

Crash....

In the next second, all the disciples in the audience knelt down one after another and shouted in unison: "The disciple has seen the sect master." "Seriously, these disciples are not convinced in their hearts, but there is no way, even Zhang Dongzhi is not an opponent, if they oppose it, isn't it self-defeating?"

Hahaha...

Seeing this situation, Xiao Ji showed a smile and said with great satisfaction: "Okay, let's all get up."

At this moment, Shao Lingfeng saw the three of Yue Feng standing without kneeling, and immediately shouted: "You three, don't you hurry up and visit the sect master?" "

Oh!

When the words fell, the eyes of the audience suddenly converged on the three of Yue Feng.

Faced with the situation, Yue Feng did not panic at all, and said coldly to Shao Lingfeng: "Do you think that everyone is like you and likes to be someone else's lackey?" When

the words fell, Yue Feng shouted at Feixue and Red Peony: "Go!" "

The ultimate husband in Chinese chapter 6745

Chapter 6745 At this moment, Feixue did not hesitate for a moment, took Hong Peony's hand, turned around and rushed into the secret passage of the room.

Yue Feng stayed behind the door.

"Flying snow..."

At this time, Hong Peony, who didn't know Yue Feng's plan, arrived at the entrance of the secret passage, his eyebrows locked, and he said anxiously: "Let's just run away like this, wouldn't we live up to the teachings of the ancient sect master?" Moreover, the second elder was still unconscious outside, and he couldn't leave him alone. "

Red Peony has a strong personality and is unwilling to flee.

Call!

Feixue took a deep breath and quickly explained: "Red Peony, we have to go, then Xiao definitely doesn't know that the sect master is not dead, if you let him know the truth, the sect master will be in danger." "

The most important thing for us now is to protect the sect master, as for the second elder, he is already in a coma, then Xiao will never do anything to him, quick..."

While saying, Feixue pulled the red peony into the secret passage.

Although Hong Peony was reluctant, he had nothing to refute, so he had to endure the anger in his heart, and after entering the secret passage with Feixue, he lifted Gu Qianqiu and quickly left along the secret passage.

Just after walking a few steps, Hong Peony thought of Yue Feng, and couldn't help but say: "Yue Feng is still on it..."

Without waiting for her to finish, Feixue smiled and comforted: "You don't have to worry, he pays the most attention, there will definitely be no danger, let's just wait here."

When she

said this, Feixue's delicate face was full of certainty, and she firmly believed in Yue Feng's strength.

Well?

Hearing this, Red Peony was first stunned, and then couldn't help but laugh: "Feixue, you still said that you two are nothing, you know him so well, isn't it already..."

Before he finished speaking, Red Peony pursed his lips and laughed, his eyes full of playfulness.

"Oops!

At this moment, Feixue's face instantly turned red, and she was shy: "Can you not talk nonsense, we... Both of us, it's really nothing. Saying

so, Feixue did not look at the red peony.

Seeing her like this, Hong Peony was more sure of her guess, and immediately smiled and groaned: "Okay, I won't say it, look at what kind of blush you make..."
"You still say..."

At
this moment, in the courtyard outside.

Seeing Feixue and Red Peony running into the room, Xiao Ji's face sank, and he shouted angrily: "Quick, catch them for me." "These three people really don't know the height of the sky, and at this time the situation has been controlled by me, but they still want to resist.

It's just not self-sufficient.

"Kill Yue Feng first!
As soon as the
words fell, Shao Lingfeng also shouted, pointing at Yue Feng at the door: "Kill this Yue Feng first..." When he shouted, Shao Lingfeng's eyes were full of resentment.

Ma De, this Yue Feng snatched the woman who should have belonged to me, and just now he called me a dog, and if he didn't unload him, it was difficult to vent the hatred in his heart.

Whoosh!

At this moment, Wang Youming and Xu Chengyuan were the first to react, and they burst out almost at the same time, quickly heading towards Yue Feng.

"Boy, suffer death! The moment he arrived, Xu Chengyuan roared angrily, swung his long sword, and stabbed towards Yue Feng's heart.

At the same time, Wang Youming's long sword stabbed towards the position of Yue Feng's lower abdomen Dantian.

When the two fought against Zhang Dongzhi just now, they wanted to perform well, but they moved a stone and hit their feet, but they failed to suppress Zhang Dongzhi at that time, but were broken by the other party one by one. Now I want to regain a little face here in Yue Feng.

"Good to go!

In the face of the fierce attack of the two, Yue Feng did not panic at all, but quickly raised his hand and summoned a purple-red flame out.

Airplanes!

As soon as the purple-red flame came out, the temperature of the surrounding air suddenly increased.

It is the red lotus industry fire.

This.... Fuchsia flame?

Seeing this scene, whether it was Wang Youming and the two disciples behind, their faces changed, and they were inexplicably panicked.

Xiao Ji was also stunned, staring at Yue Feng tightly, secretly surprised.

This Yue Feng can always do unexpected things at critical times, this purple-red flame is so peculiar, how did he release it?

At this time, Xiao Jian did not know that the Yue Feng in front of him did not belong to the Tianxin Continent at all, but came from another world.

Call!

Just when everyone was shocked, Yue Feng raised his hand and waved, and the red lotus industry fire floated out, heading straight for Wang Youming and Xu Chengyuan.
