Chapter 6746

Seeing this scene, everyone present trembled in their hearts.

Oops!

Wang Youming was shocked, and was the first to react at that time, quickly retreating to dodge. Although he didn't know what kind of flame Yue Feng cast, he also realized in his heart that as long as he was burned by this flame, he would definitely die.

Xu Chengyuan took a step slowly, and when he came to his senses, the red lotus karmic fire had already enveloped him.

“Ah...”

In the next second, with Xu Chengyuan's miserable howl, the whole person burned instantly, and in less than a breath, it was burned into flying ash and dissipated in the night breeze....

neigh!

Seeing this scene, everyone present couldn't help but gasp, and those disciples who were about to rush up also quickly stopped and looked at Yue Feng one by one, revealing deep horror.

This... This purple-red flame is also too terrifying.

It burned people to ashes in an instant...

At the same time, Xiao Ji's face was also solemn, re-examining Yue Feng, and he couldn't hide the shock in his heart.

No wonder this person can worship Gu Qianqiu, it turns out to be a hidden peerless master, the strength is far beyond imagination, it seems that there was some underestimation of the enemy before.

Phew.....

At the same time, Yan Bingyu took a deep breath and looked at Yue Feng speechless.

In her heart, she thought that Yue Feng only knew a little beast language, a complete quack, but now she knows that he has been hiding his strength before....

Shao Lingfeng's brain was buzzing even more, and it was blank.

Just let out a ball of fire and killed the fourth elder Xu Chengyuan..... The strength of this Yue Feng is so strong.....

Shocked colleague, Shao Lingfeng's forehead was drenched in cold sweat, and he was even more afraid in his heart, fortunately, he didn't force Yue Feng too tightly before, otherwise, his end would be the same as Xu Chengyuan.

huh!

Feeling the panic of everyone, Yue Feng smiled slightly, looked at Wang Youming and said, "As an elder of the Heavenly Dao, but helping outsiders, causing internal fighting in the Heavenly Dao, it is not a pity to die.

When he said this, Yue Feng's face was full of aura.

In fact, because Yue Feng had not completely recovered his strength, after casting the Red Lotus Karmic Fire just now, the power of the Yuan God had consumed a lot.

knock!

Feeling Yue Feng's aura, Wang Youming did not speak, but secretly swallowed his spit, and his face was also a little panicked. At the same time, his eyes were also firmly fixed on Yue Feng's hand, afraid that he would suddenly throw out the flames again.

He and Xu Chengyuan were almost the same in strength, and Xu Chengyuan had been burned alive by Yue Feng, so he was naturally panicked in his heart.

Thinking of this, Wang Youming subconsciously slowly retreated.

"Don't panic!"

At this moment, Xiao Ji noticed that Yue Feng was strong on the surface, but in fact, after casting the purple-red flame just now, there was a trace of weakness between his eyebrows, and he immediately shouted: "He released the flame just now, consuming a lot of strength, and now he is at the end of the strong crossbow.

"Go up together and take him down."

The last sentence, Xiao Ji almost yelled out, and his eyes also flashed with complexity.

Not bad, Xiao decided to capture Yue Feng alive.

Such a supreme master, it's a pity to kill directly, it's better to capture it alive first, and then try to collect it for your own use. After all, he had just taken control of the situation and continued to be a talent like Yue Feng.

More importantly, Yue Feng was the successor of the sect master designated by Gu Qianqiu and was the biggest competitor, as long as he was subdued, he was not afraid of others disobeying.

“on!”

Hearing Xiao Jian's words at this time, Wang Youming's eyes flickered, and after a quick entanglement in his heart, he quickly reacted, shouted at that time, and rushed towards Yue Feng first.

Seriously, Wang Youming didn't want to take such a risk, but if he didn't go up at this critical time, it would be difficult to gain Xiao Jie's trust in the future.

Whoosh!

Seeing Wang Youming rushing forward, the disciples behind them were also confident, and they all clenched their long knives and rushed towards Yue Feng.

Faced with this situation, Yue Feng showed a smile, did not panic at that time, and said with a faint smile: “Is it more to bully less, hehe, but I still have important matters, I won't play with you.”

Speaking, Yue Feng shouted at Yan Bingyu: “Good sister, we will have a period later!” ”

Chapter 6747

When the last word fell, Yue Feng laughed loudly, turned around and rushed into the room.

Damn....

At this moment, when Yan Bingyu heard Yue Feng's ridicule, her face immediately turned red, her anger was extremely angry, and her body trembled angrily.

Yue Feng, this shameless bastard, is really not afraid of death, it is difficult to protect himself, and he dares to tease me.

Whoosh!

Thinking about it, Yan Bingyu suddenly rose and rushed over with all the disciples.

haha....

Seeing Yan Bingyu chasing over, Yue Feng couldn't help but laugh and shouted through the window: "Good sister, you rushed over in such a hurry, are you reluctant to me?" Don't worry, we'll still want to see you, haha..."

At this time, Yue Feng's heart was indescribably happy, so he wanted to tease Yan Bingyu two more words.

After saying this, Yue Feng quickly burrowed into the secret passage.

"You..."

Hearing Yue Feng's ridicule, Yan Bing stomped his feet in a straight tone, and immediately accelerated to rush to the door, but as a result, many disciples were blocked here and could not rush in at all.

Yan Bingyu was suddenly anxious, and couldn't help but coquettishly said: "What are you all doing here?" Don't rush in and catch people yet?

Yan Bingyu at this time was very angry in his heart.

This Yue Feng teased me three times and twice, and when I caught him, I had to torture him well.

uh....

In the face of Yan Bingyu's urging, those disciples who blocked the door all had extremely complicated faces.

Immediately, one of the disciples couldn't help but say: "This.... This secret room is a bit weird, I look dizzy, I never go over at all.

When he spoke, the disciple was full of doubts and embarrassment.

When the words fell, the other disciples echoed one after another.

"yes, these tables and chairs seem to move."

"Yes, always on the road."

The words of the disciples kept coming, and Wang Youming on the side also frowned, staring at the table and chairs in front of him and said, "Could it be... This is the formation that Yue Feng just deployed?

When he said this, Wang Youming's eyes also revealed a trace of jealousy.

At the beginning, Yue Feng helped King Shaoyang to hold on to the city of Qizhou, and with his superb formation, he defeated Ji Beiye's army several times, which was famous all over the world at that time, and everyone knew about it.

formation?

Hearing this, Yan Bingyu immediately calmed down, and saw the position of the door, randomly placed several chairs and tables, seemingly random, but hidden mystery, no matter which direction you walk, you will be blocked in the end.

This Yue Feng...

Seeing this situation, Yan Bingyu took a deep breath and held the fire in his heart.

No wonder he was so arrogant just now, it turned out that everything had been deployed long ago.

muttering in his heart, Yan Bingyu was a little unbelieving, trying to rush into the room, the result was the same as those disciples said, these tables and chairs are very evil, no matter how you go, you will be blocked in the end....

This....

Faced with this situation, Yan Bingyu frowned, and she was secretly surprised in her heart.

Just a few chairs and tables, so mysterious...

At this time, Yue Feng is on this side.

Phew!

The moment he entered the secret passage, Yue Feng closed the mechanism and slowly closed the entrance of the secret passage.

"Yue Feng!"

Feixue was originally a little worried, but when she saw Yue Feng come in at this time, she was immediately overjoyed and couldn't help but shout.

Then, Feixue said to the red peony: "Look, I said that he will definitely be fine."

Words are full of pride.

"Yes, yes..."

Red Peony held back a smile and nodded repeatedly: "Your family's Yue Feng is the most powerful, when he helped Shaoyang King resist Ji Beiye, he beat Ji Beiye to fall flowers and flowing water, and now he is fighting a strong enemy, but he is a good man who is rare in the world."

As he spoke, Red Peony's tone was full of ridicule, and there was ridicule in his eyes.

oh!

Hearing this, Feixue's delicate face instantly turned red, and she immediately stomped her foot: "What are you talking about?" What my family.... You..." When saying this, Feixue was shy, and did not dare to look at Yue Feng at all.

"Oops!"

Seeing her like this, Red Peony continued to tease: "Anyway, you both went to church and got married, what else is there to be embarrassed about?"

At this time, Red Peony still thought that the two had established a relationship.

"You still say!"

At this time, Feixue, blushing, screamed at that time, and then made a gesture to hit the red peony.

Red Peony laughed and dodged.

Feixue hit the air, accidentally crashed into Yue Feng, and suddenly his face turned even redder, and he lowered his head, indescribably shy.

Chapter 6748:

uh....

Yue Feng was also embarrassed, and immediately scratched his head, not knowing how to speak for a while.

At this moment, Red Peony stopped ridiculing, changed the topic, and said to Yue Feng: "What's the situation outside now?"

When the words fell, Feixue couldn't help but look at Yue Feng curiously, waiting for his answer.

Yue Feng smiled slightly and responded: "Those people who are Xiao Ji have been blocked by me with a formation, and they can't rush in for a while, so let's leave quickly."

Speaking, Yue Feng looked at Gu Qianqiu in a coma: "The most important thing now is to send Big Brother Gu to a safe place, and then wait for Elder Li to find the heavenly treasure, as for Xiao Jian, they are making other plans."

Hmm!

Hearing this, Red Peony and Feixue nodded immediately, and then the three of them took Gu Qianqiu, no longer stopping for the slightest, and walked towards the outside along the secret passage.

At this time, the outside is divided into altar on this side.

"All spread out!"

Seeing that everyone was blocked at the door, Xiao Ji walked over slowly and frowned: "Just one formation, so you are helpless?" The words were full of displeasure.

Xiao has been involved in rivers and lakes for many years, has a lot of knowledge, and has some understanding of the art of formation.

At this time, Xiao Je could see that although the formation deployed by Yue Feng was simple, it concealed a mystery, but the formation was dead and the people were alive, and it was not difficult for Xiao Jian to break this formation.

Whoosh!

Seeing Xiao Je coming, everyone dispersed.

"Master!" Yan Bingyu greeted him, biting his lip lightly and saying, "This formation is very strange...."

Without waiting for him to finish, Xiao Ji waved his hand to interrupt and sneered, "Watch Master break it." With that, he took the long sword in Yan Bingyu's hand.

In the next second, Xiao Jeopardy's power broke out, and he swung his long sword violently, and he saw a sword burst out and bombarded the secret room fiercely.

boom!

The powerful power of the sword bombarded the secret room, and a roar was heard, and the tables and chairs inside instantly shattered, and the entire secret room also collapsed.

In the face of absolute power, a simple five-element array is completely unbearable.

Whoosh!

Seeing this scene, both Yan Bingyu and the disciples present were amazed.

Wang Youming was also stunned, and then lost no time in shouting: "The sect master is mighty. "A face full of flattery .

When the words fell, Shao Lingfeng behind him also hurriedly said: "The strength of the sect master is unparalleled in the rivers and lakes, how can it be difficult to withstand a small formation?" "When it comes to patting horses, Shao Lingfeng is naturally not far behind.

All the surrounding disciples also nodded in agreement.

Phew!

Listening to everyone's compliments, Xiao never fluttered in the slightest, but stared at the secret room that had become ruins, and saw that between the wreckage, where was Yue Feng's figure?

Not only could Yue Feng not be seen, but even Feixue and Red Peony were gone.

Made, fooled.

Xiao was by no means a fool, he understood something in an instant, and his face was gloomy at that time, and he cursed secretly.

Immediately, Xiao Je ordered everyone: "Check quickly, find out the secret passage for their escape, quickly." "In such a short time, it is impossible for Yue Feng and the three to escape through the back window, and the only explanation is that this secret room has a secret passage.

"Yes, Sect Master!"

Hearing the order, Shao Lingfeng and the surrounding disciples responded one after another, and then approached the ruins and examined them carefully.

After a while, someone found an opportunity and couldn't help but shout: "Here, here!" With that, he opened the mechanism.

card wipe!

The next second, with a vibration, the entrance of the tunnel opened.

This... There really is a secret passage.

Seeing the secret passage, everyone was surprised and delighted.

Xiao did not hesitate in the slightest, and shouted: "Rush into the secret passage and chase."

"Chase!" Wang Youming also shouted and rushed into the secret passage first.

Whoosh!

The surrounding disciples shouted one after another, followed closely behind, and rushed into the secret path.

Seeing everyone rushing into the secret passage, Yan Bingyu suddenly thought of something, and quickly searched in the ruins, frowning at Xiao Ji: "Master, they also took Gu Qianqiu's body away."

huh...

Xiao Ji snorted coldly: "A person who has died, there is nothing to fear." As long as you catch that Yue Feng, everything will be solved. When he spoke, Xiao Je's face was full of confidence.

However, he did not know that Gu Qianqiu was not dead at all, but was in a severe coma.

Chapter 6749

Hmm!"

Yan Bingyu nodded, and then said, "Master, let's go in too."

Xiao Ji responded, and Yan Bingyu quickly entered the secret passage.

.....

At this time, Yue Feng is on this side.

Because the secret passage is narrow, the three of Yue Feng and Red Peony, with Gu Qianqiu, can't go fast at all.

rustle....

After walking for ten minutes, he heard footsteps behind him, Yue Feng was startled, quickly turned his head to take a look, and was suddenly taken aback.

Although the dark light was not good, Yue Feng still vaguely saw that dozens of people were quickly chasing after dozens of meters behind, and it was Wang Youming who was the leader.

Oops!

Seeing this scene, Yue Feng suddenly became a little anxious, Ma De, these people came really fast.

No, how did they crack the five-element array?

“Broken, they’re chasing.”

At this moment, Red Peony also saw the situation behind him, and his pretty face changed at that time, and he couldn’t help but say: “Let’s hurry up.”

Feixue was also nervous: “What to do?” Let’s take Master with us, we will definitely not be able to go fast.

Phew!

At this time, Yue Feng came to his senses and tried to calm down: “Don’t panic, you take Big Brother Gu and go first, my palace!” “At this time, there is no time to think about how the other party broke the formation, and it is necessary to get out as soon as possible.”

More importantly, Gu Qianqiu cannot fall into the hands of the other party.

Thinking of this, Yue Feng continued: “After you walk out of the secret passage, take Big Brother Gu to the palace, and when the time comes, take out the token, just say that it is my friend, the guard at the door, naturally let you in.” When you meet the little emperor, you tell the situation, and the little emperor will definitely make proper arrangements.

After saying this, Yue Feng took out the palace access token from his body and handed it to Feixue.

Speaking of which, it was indeed a difficult problem to let the two of them take Gu Qianqiu back to the main altar, and besides, Na Xiao would definitely go to the main altar, so Yue Feng decided to arrange Gu Qianqiu in the palace of Qingyun City.

The so-called 'most dangerous place is the safest place'. That Xiao would never have thought that after the three of them escaped into the secret passage, they did not really leave, and finally hid in Qingyun City.

"Good!"

Feixue nodded and took the token from Yue Feng's hand, but was still a little uneasy: "You... Can you do it alone?"

Although she knew that Yue Feng had great skills, she couldn't help but worry in her heart.

At this moment, Red Peony no longer ridiculed, and her eyes were also staring at Yue Feng, unable to hide her worry...

Phew!

Yue Feng breathed a sigh of relief and comforted with a smile: "Don't worry about me, I'll lure them away and return to the palace to join you."

Speaking, Yue Feng looked back at Wang Youming and the others who were getting closer and closer, and hurriedly urged: "Quick, they are about to catch up, and we must not let them know that Big Brother Gu is still alive."

"That... Then take care!"

At this moment, Feixue was very reluctant in her heart, biting her lip and saying softly, and continued to walk forward with Gu Qianqiu with Hong Peony.

As soon as the front foot left, Wang Youming and others behind also chased after him.

"Hey, hey!"

Seeing Yue Feng at this time, Wang Youming sneered: "Still want to run?" It's hard for you to fly today..." When he said this, Wang Youming's face was grim, but his heart was indescribable.

The scene of Xu Chengyuan being burned alive just now is still vividly remembered.

huh!

In the face of provocation, Yue Feng did not panic at all, and chuckled at that time: "If your subordinates are defeated, they still dare to speak out in front of me?" When the words fell, Yue Feng quickly raised his right hand.

Wang Youming thought that he was going to set fire, and immediately startled, snorted, turned around and got into the crowd behind.

However, he didn't know that Yue Feng's strength had not fully recovered, and he had cast the Red Lotus Karmic Fire once just now, and he couldn't cast a second time at this time.

oh!

At the same time, when many disciples saw Yue Feng raise his hand, they were all inexplicably panicked, and they subconsciously retreated one by one. Like Wang Youming, they also thought that Yue Feng was going to set fire again.

I just waited for a few seconds, and I didn't see the fire, and everyone was suspicious.

At this moment, Wang Youming was also stunned, realized something, it seems that what the sect master just said is good, this person has serious power consumption, and he has no ability to set fire for the second time.

The ultimate husband in Chinese chapter 6750

Chapter 6750:

Thinking of this, Wang Youming instantly gained confidence, quickly squeezed in front of the crowd, and shouted at Yue Feng: "Boy, dare to pretend to be a ghost? This time you will definitely die.

Hum!

When the words fell, Wang Youming drew his long sword and quickly stabbed towards Yue Feng.

Since the other party cannot continue to set fire, then there is no need to be afraid, as long as he is defeated and captured, it is a great achievement. Thinking of this, Wang Youming was extremely excited, and the long sword in his hand was also a little faster.

What a villain.

Seeing Wang Youming's sword stabbed, Yue Feng frowned, and a trace of contempt rose in his heart.

Phew!

In the next second, Yue Feng took a deep breath, picked up the long sword left by Feixue, and attacked head-on, and in this narrow secret passage, he fought fiercely with Wang Youming.

Speaking of which, Yue Feng was going to leave at this time, and Wang Youming simply stopped it, but in order to buy time for Feixue and Red Peony, Yue Feng had to flow down to drag the enemy.

For a while, the two long swords continued to collide, bursting out with a vibration, although Yue Feng's strength consumed a lot, but with the Tiangang sword skill, he still forced Wang Youming to make up for it and retreat.

The disciples behind wanted to rush forward to help, but the secret passage was narrow, and they couldn't rush at all, so they could only hurry one by one.

This....

In the blink of an eye, the two fought a few more rounds, and Wang You was secretly shocked.

What kind of sword technique is this Yue Feng casting? It's so exquisite.... Moreover, I have never seen it myself.

When he was shocked, Wang Youming used all his strength, but he could not find the flaw in Yue Feng's sword move, and suddenly his heart was even more panicked, and his forehead was full of cold sweat.

At this time, Wang Youming still didn't know that Yue Feng did not belong to the Tianxin Continent, and the sword technique he used naturally did not know.

bell....

Just when Wang Youming was unsettled, Yue Feng stabbed another sword, this sword, Wang Youming hurriedly resisted, but was still shocked back a few steps.

"With your strength, you can also be an elder of the Heavenly Dao?"

Yue Feng stood proudly and couldn't help but mock: "Looking at this situation, it is indeed necessary to put things in order from the Heavenly Dao.

Speaking, Yue Feng used the afterglow to glance at the direction of the exit behind him, making sure that Feixue and Red Peony had gone away, and immediately smiled: "Okay, I won't play with you, we will have a period later."

Whoosh!

When the last word fell, Yue Feng turned around and ran.

Hearing the mockery, Wang Youming's face turned blue and white for a while, and he was resentful, and when he slowed down, he saw that Yue Feng had reached dozens of meters away, and immediately shouted angrily: "Run? Hold it!"

When the words fell, Wang Youming clenched his long sword and quickly chased after him.

"Chase!"

"Chase!"

The disciples behind also shouted and quickly followed.

Yue Feng did not really escape, but deliberately kept a certain distance from Wang Youming in order to attract the attention of him and the disciples behind.

According to Yue Feng's speculation, Feixue and Red Peony, it is impossible for Kung Fu to arrive at the palace with Gu Qianqiu at this time, in this case, it is necessary to firmly contain these people.

In the blink of an eye, Yue Feng rushed out of the dark passage.

I saw that outside the secret passage, it was the hillside south of Qingyun City, and the exit was facing the river.

Phew!

At this moment, Yue Feng took a deep breath, did not hesitate for a moment, and flew directly across the river.

Seeing this scene, Wang Youming and all the disciples shouted angrily.

"Stop!"

"You can't run away."

In anger, everyone also flew up, quickly crossed the river, and continued to pursue Yue Feng.

haha....

Seeing Wang Youming and the others chasing after him, Yue Feng was in an indescribable mood, and after crossing the river, he went directly into the woods and began to take Wang Youming and everyone in circles.

North of the river bank are mountains stretching for dozens of miles, with dense forests and complex environments.

Yue Feng took advantage of the complicated environment around him to turn east and west, and soon made Wang Youming and everyone confused.

Finally, half an hour later, Yue Feng took Wang Youming and the others into the depths of the mountain and took the opportunity to shake off.

Phew! Finally got rid of them.

Shaking off the enemy, Yue Feng took a deep breath, then leaned on a tree to rest for a while, and then looked around, suddenly crying and laughing.

It's over, the enemy is thrown off, and he is lost.

At this time, Yue Feng saw that all around him were dense forests, and he couldn't tell the road at all.
