Chapter 6756:

This bastard.....

At this time, Ling Luo saw that Yue Feng was still staring at herself, and she was immediately embarrassed, this Yue Feng was difficult to protect himself, and he dared to look at it indiscriminately....

Angry in her heart, Ling Luo did not attack on the spot, but sneered at Yue Feng: "Am I good-looking?"

uh...

Hearing the inquiry, Yue Feng reacted, and immediately said embarrassedly: "The girl is naturally beautiful, of course she is good-looking." While saying, he couldn't help muttering in his heart.

Strange, this time she didn't get angry, could it be that her conscience found out?

"Huh!"

Hearing the answer, Ling Luo's face showed a little smugness, but her eyes were indescribably disdainful, and she snorted coldly at that time: "It's good-looking, isn't it?" You'd better hurry up and watch now, otherwise you won't have a chance later.

After saying this, Ling Luo turned around and approached the Honghualou.

Sleeping, it's a little bad.

Seeing this situation, Yue Feng secretly felt a sudden shock in his heart, and he had a bad premonition at that time.

I thought that this girl had changed sex, it seems that she thought too much, this girl is as ruthless as the red flower mother-in-law, and I don't know what means to use to torture me later.

rustle...

Just as Yue Feng was muttering secretly, he heard a footstep, looked up, and saw that Ling Luo had gone and returned, holding a swarthy bottle in his hand, not knowing what it was.

Seeing this situation, Yue Feng's face was calm, but his heart became inexplicably nervous.

“Yue Feng!”

At this moment, Ling Luo walked up to him and looked at Yue Feng with a smile: “I heard that you were honored as a guest by the royal family, deeply appreciated by that little emperor, and when you were in Qingyun City, you were specially arranged to live in the palace, and you must have seen many beautiful women.”

When asking about this, Ling Luo’s eyes flashed with cunning.

Phew!

Yue Feng did not answer directly, but looked at the black bottle in her hand and said lightly: “What are you going to do?”

Seeing that he did not answer, Ling Luo snorted softly: “If you don’t say it, I will admit it, I have seen many beautiful women, and you have not come in vain in your life, so don’t blame me.”

When the last word fell, Ling Luo unscrewed the bottle and suddenly splashed it at Yue Feng’s eyes.

Yue Feng was pointed, he couldn’t dodge at all, and was splashed all over his face by a black liquid, the liquid didn’t know anything, it was extremely spicy, Yue Feng only felt that his face was hot, and his eyes were also like needles and needles.

Yue Feng endured and did not shout out, but he also trembled.

“hee-hee!”

Ling Luo looked full of joy, and said to Yue Feng with a smile: “Does it hurt?” The pain is right, this is the end of your random looking, I tell you, this is my master’s special medicine, the medicine is fierce, your eyes, it is estimated that it will be abolished.

When saying this, Ling Luo did not feel the slightest guilt for her actions, but was triumphant. The black bottle she took just now contained a special repellent medicine made by the mother-in-law of the red flower in order to repel the poisonous insects of the Falling Goose Valley, mixed with sulfur and dozens of other potent drugs.

Just now, Honghua’s mother-in-law specially explained that she couldn’t kill Yue Feng, Ling Luo was reluctant in her heart, and when she saw Yue Feng staring at her, she was extremely embarrassed at that time, so she thought of this method.

Nima...

Hearing Ling Luo’s words, Yue Feng couldn’t help but scold secretly.

This girl is so poisonous, her master let her say, can't kill me, she will blind my eyes.

When scolding secretly, Yue Feng only felt that his whole face was like a fire, and his eyes were more like they were filled with chili water, and it hurt spicily.

squeak.

The pain came in bursts and bursts, and Yue Feng resisted not shouting, but just clenched his teeth.

"It's quite bearable." Ling Luo quietly observed Yue Feng's reaction, and sneered and mocked: "This bottle of medicine, even if the most poisonous snake in the deep valley smells it, it will be avoided far away, I see how long you can endure."

At this moment, Yue Feng wanted to respond to two sentences, but at this time, he found that his eyes were black for a while, and in the end, he couldn't see anything.

It's over, it's over!

It was pitch black in front of him, and Yue Feng's heart suddenly became desperate, could it be that he was really blind?

No, you can't sit still.

Thinking to himself, Yue Feng gritted his teeth and endured the pain coming from his face, took a deep breath, and tried to urge the power of the Yuan God to rush away from the acupuncture path.

Chapter 6757

Hehe, want to rush the cave?"

Ling Luo had been observing Yue Feng's situation, and at this time, he noticed that he was secretly trying to rush the cave, and immediately sneered. Immediately walked up quickly, raised his hand and sealed several other acupuncture passages on Yue Feng's body.

In an instant, Yue Feng's body froze and he couldn't move at all.

Nima.

Yue Feng cursed secretly in his heart, very angry.

This stinky girl is planning to forget me to death.

At this time, Ling Luo clapped her hands with satisfaction and said to Yue Feng: "It fell on my hand, do you still want to run?" Did you run? Obediently stay here and be a watchdog for me.

Speaking of this, Ling Luo thought of something, and immediately changed her words: "No, dogs are more loyal, you greedy shameless scum, how can you be called a dog?" Turtle King Eight is about the same.

Phew!

Hearing this, Yue Feng couldn't help it at all, and took a deep breath: "You are no better than me, your appearance is quite standard, but your heart is like a snake and scorpion, I see that the poisonous insects in this deep valley were not driven away by your master's medicine, but scared away by you."

Speaking of which, Yue Feng didn't want to deal with a little girl, but the other party blinded his eyes, so ruthless, Yue Feng really couldn't help it.

Phew!

Seeing that he still dared to return the mouth, Ling Luo's delicate face instantly became cold: "Good, good, dare to return the mouth, I will let you pay back..."

Halfway through speaking, Ling Luo raised her jade hand and was about to slap Yue Feng a few times, but thinking that Yue Feng's face was full of strong medicine, she forcibly held back.

In the next second, Ling Luo saw a branch in the grass next to him, immediately picked one up, and slammed it at Yue Feng's face a few times.

"I'll let you return your mouth, let you return your mouth..."

Every time she smoked, Ling Luo followed with a scolding.

Yue Feng's face was already hot, and at this time, he was whipped by a branch, and the pain dared to be amplified several times in an instant, and it felt like he was roasted on a fire.

Under the severe pain, Yue Feng was completely angry, and scolded: "You are a dead girl, you think you are beautiful, but in fact, you are not as ugly as a pig."

"Do you think I just looked at you because you're pretty? Don't be amorous, I just want to see how such an ugly monster like you has grown so big.

At this time, Yue Feng had already opened up, and all kinds of ugly words were scolded.

“you...”

Seeing that the more he scolded, the more ugly it sounded, Ling Luo was so angry that she immediately shouted: “You dare to scold me, see if I don’t beat you to death.”

When the words fell, Ling Luo used her power, and the branches in her hand crackled and continued to whip on Yue Feng’s face.

click!

Just a few hits, the branch broke.

“ugly!”

At this time, Yue Feng was still scolding: “I just want to scold you, you ugly monster in human skin, you kind of person, no one will like you in your life, you can’t get married in your life...”

“You...”

Lingluo grew so big, she has always been pampered by the red flower mother-in-law, when was she scolded like this, she stomped her feet angrily, almost crying: “You wait for me, wait...”

Speaking, Ling Luo threw away half of the branch in her hand and looked around, trying to find a new one, but felt that using the branch was not enough to relieve the hatred, so she turned around and entered the Red Flower Building again.

After a while, Ling Luo walked out quickly with a vine whip.

I saw that this vine whip was purple-blue, made of a special morning glory vine in the Falling Goose Valley, extremely tough, with many barbs on it.

snap!

When he arrived, Ling Luo didn’t say a word, suddenly raised his jade hand, and the vine whip slammed on Yue Feng’s body, and then he heard a crisp sound, and a blood mark suddenly appeared on Yue Feng’s body, and the skin and flesh bloomed....

Yue Feng’s pain was unbearable, and he couldn’t help but gasp for cold air and let out a loud scream.

Just now he was blinded by the poison and spicy, and was whipped by the branch, Yue Feng had already endured to the limit, and at this time he was whipped by the vine whip, and he couldn’t help it completely.

“The dog scolds me and beats you to death...”

Ling Luo kept waving the rattan whip, whipping Yue Feng fiercely, and cursing incessantly: “Dog thing, dog thing...”

snap....

The crisp sound of the whip constantly reverberates in the valley of falling geese.

Yue Feng was uncompromising, and kept scolding back: “Ugly, you also wait for me, and when it falls into my hands one day, it will be repaid tenfold.” ”

## **The ultimate husband in Chinese chapter 6758**

Chapter 6758:

At this time, Yue Feng was also stimulated by true fire.

The eyes were blinded and so abused that no one could bear it.

When he scolded back, Yue Feng looked hideous, his whole face was also corroded by the repellent, it was pitch black, his eyes were blood-red, and it was indescribably scary.

“scolding...”

Hearing Yue Feng’s scolding, Ling Luo almost exploded in anger and hit even harder.

After a while, he saw that there was no good place on Yue Feng’s body, and his clothes were drawn into strips, dripping with blood, like a bloody man.

But affectionate is still untamed.

This man is crazy.

Seeing this situation, Ling Luo couldn’t help but be secretly surprised.

are all beaten like this, and they still do not give in...

Phew!

I don’t know how long it took, Lingluo finally got tired, sweating all over, and her arms were also sour for a while, and she threw aside the vine whip stained with blood donation, and then sat on the stone next to it to rest.

At this time, Yue Feng also stopped scolding and took the opportunity to slow down.

A few minutes later, Ling Luo stood up, first glanced at Yue Feng coldly, and then turned around and went to the flower garden and dragged a round wooden board over.

This round wooden plank, with a diameter of two meters, is specially used for drying flower seeds, weighing a hundred pounds, Lingluo is small and cannot be held, so it can only be dragged.

Nima!

Yue Feng's eyes couldn't see, but he could clearly hear the sound of the wooden board dragging on the ground, and immediately frowned secretly.

What tricks does this stinky girl want to do?

Huh?

As he was muttering, Yue Feng was surprised to find that some light gradually recovered in front of him, and then all the scenes in front of him gradually became clear from blurry.

haha....

Discovering this, Yue Feng was pleasantly surprised, he was not blind, he was really worried just now.

Speaking of which, Yue Feng itself is invincible, and with the Fa Ye Red Lotus Protective Body, it is impossible to be blind, just now he was stimulated by Ling Luo with poison repellent, and he was only temporarily blind.

Just now, Ling Luo whipped Yue Feng with a rattan whip, which seemed to be very miserable, but it was also promoted by Ling Luo in disguise to promote blood circulation all over his body, thus restoring his vision.

Feeling excited, Yue Feng couldn't help but muttered in his heart when he saw Ling Luo dragging a round wooden plank over.

What is she going to do?

boom!

Just when Yue Feng was puzzled, Ling Luo threw the round wooden board aside, then walked over, pulled out the dagger and cut the rope on Yue Feng's body.

this... Is this planning to let me go?

Faced with this situation, Yue Feng was even more puzzled in his heart.

No, if you let me go, why do you have to get such a big round plank?

“Huh!”

At this moment, Ling Luo sneered at Yue Feng: “Dog thing, why don’t you scold?”

Yue Feng tilted his face, pretended not to see, and responded coldly: “The ugly monster is not fighting, what else do I scold?” Yue Feng knew in his heart that this Lingluo method was even more ruthless than that of Granny Honghua, and he must not let her know that his eyes had regained his sight.

Otherwise, it is difficult to guarantee that she will not use more cruel methods to blind Yue Feng’s eyes again.

oh!

Seeing that Yue Feng was still hard-mouthed at this time, Ling Luo was extremely angry and laughed, and her eyes flashed with a bit of playfulness: “Very good, you are really backbone.”

“Don’t worry, I won’t hit you, let’s play individual now.”

When the words fell, Ling Luo went around to the back and kicked Yue Feng’s leg fiercely.

poof!

Although the rope on Yue Feng’s body was cut, he was hit in several acupuncture points, and he couldn’t move at all, and he was directly kicked to the ground at that time.

At this time, Ling Luo walked up quickly, stepped on Yue Feng’s face, looked playful, and said condescendingly: “Do you obey or not?” “That gesture is like a queen.

At this time, from Yue Feng’s angle, you can just see the graceful curve of Lingluo. I couldn’t help but secretly sigh in my heart, speaking of which, this girl is not a few years younger than the queen of the Hu people.

But the same beauty, the queen of the Hu people is gentle and kind, and this one is a complete little witch.

Thinking to himself, Yue Feng sneered and ignored it.

“Don’t obey it!”

Seeing that Yue Feng did not respond, Ling Luo stopped talking nonsense, and after saying a cold word at that time, he dragged the circular wooden board next to him and directly covered Yue Feng's back.

Chapter 6759

haha....

After finishing the plank, Ling Luo took two steps back and looked at it, and immediately clapped her hands and laughed: "Stinky turtle king eight, haha, it looks like it."

Smiling, Ling Luo deliberately teased Yue Feng, "How is it?" The turtle shell I picked for you is not bad. You bastard, the dog does not accompany you, only worthy of being the turtle king eight.

The last word fell, and Ling Luo jumped directly on the board and deliberately stepped on it.

Nima's....

At this moment, Yue Feng was so angry, it turned out that this smelly girl got the plank to humiliate me.

But I have to say that this stinky girl has a lot of ideas.

"I'll ask you again!"

Ling Luo stepped on the board fiercely while asking fiercely: "Stinky turtle, do you obey it....."

Mad...

At this moment, Yue Feng's anger rose, and he wanted to scold back, but after thinking about it, if he answered, wouldn't he admit that he was a stinky turtle?

Thinking about it, Yue Feng simply ignored it.

Ling Luo stepped on it for a while, but never saw Yue Feng's response, and she also felt bored, and after tossing for such a long time just now, she was also too tired, so she immediately walked down from the board and said coldly to Yue Feng: "You are really like a smelly turtle shell, smelly and hard."

"I'll stop here for the time being, and we'll have fun tomorrow."

When the words fell, Ling Luo hummed a song and returned to the Honghualou in a relaxed mood.

Phew!

Seeing that she finally left, Yue Feng breathed a deep sigh of relief, Nima's, this stinky girl is finally going to rest. Before dawn, be sure to break through the cave path.

Thinking to himself, Yue Feng held his breath and began to silently recover his strength.

.....

On the other side, Qingyun City.

It was late at night, the streets were deserted, and there was no one left.

At the gate of the palace, several guards were also sleepy.

rustle.....

At this moment, a rush of footsteps came, and then two fair figures came to the gate of the palace.

Delicate face, charming curves, like two fairies under the mortal.

It is red peonies and flying snow.

Huh?

Seeing someone approaching the palace, several guards suddenly woke up, their eyes focused on red peonies and flying snow, and when they saw their beauty, their eyes suddenly straightened.

Beautiful, so beautiful.

It's so late, two beauties suddenly appeared, is it really a fairy?

A few seconds later, a guard reacted, took a step forward, and asked tentatively, "Who are you?" When asking, the guard frowned secretly, because he saw that behind these two beauties, there was also an unconscious man.

Red Peony and Feixue looked at each other, and their delicate faces could not hide their anxiety.

"A few officials!"

In the next second, Feixue stepped forward and showed the token given by Yue Feng: “We are friends of Yue Feng, and if you have an urgent matter to see Your Majesty and Wang Ye, please also report.”

Yue Feng’s friend?

Seeing the token, several guards were taken aback, and their faces became solemn.

Two days ago, after Yue Feng attended the celebration banquet, he didn’t know what happened, when the little emperor and Shaoyang King were very anxious, so they sent people to search the entire Qingyun City, but there was no news of Yue Feng.

And now, how not to be surprised to see two beautiful women carrying Yue Feng’s tokens?

Phew!

Soon, the guard slowed down and said politely to Feixue: “Wait a minute, you two, I’ll report immediately.” After speaking, he hurried in.

After a while, the guard quickly came out and said respectfully to the two red peonies: “Two please, Your Majesty and Wang Ye are in the main hall.” ”

Red Peony and Feixue hurriedly thanked them, and then took Gu Qianqiu into the palace.

At this moment, in the main hall.

Ying Kuang and Shaoyang Wang sat there, their faces unable to hide their anxiety.

Originally, they all rested, but when they heard the news of Yue Feng, they were completely sleepy at that time, and hurried to the main hall.

rustle...

At this moment, there were footsteps outside the hall, and then red peonies and flying snow slowly entered the main hall under the leadership of the guards.

Phew....

At this moment, seeing the appearance of the two women, Ying Kuang and Shaoyang Wang were also stunned.

Speaking of which, one of them is an emperor and the other is a prince, and they have seen many beautiful women, but this kind of beauty with a rivers and lakes and a unique temperament is the first time I have seen it.

“Who are you?”

Finally, Shaoyang Wang was the first to react and asked, “How can you have Mr. Yue Feng’s token?” ”

## The ultimate husband in Chinese chapter 6760

Chapter 6760:

When he asked, Shaoyang Wang’s eyes were full of curiosity.

At the same time, Ying Kuang also looked closely at the two women, waiting for their answers.

Phew!

Hearing the inquiry, Hong Peony hurriedly responded: “Back to Wang Ye, the token was given to us by Yue Feng, and we are people from the Heavenly Dao.....”

Away from heaven?

At this moment, Shaoyang Wang and Ying Kuang were both stunned.

You know, the Dayan Dynasty has always been hostile to the Heavenly Dao, and although it has eased in recent years, it has always regarded the Heavenly Dao as a potential enemy in the royal family.

And now, suddenly there were two people who had left the Heavenly Dao to ask for a meeting, and Shaoyang King and Ying Kuang naturally had difficulty calming down.

“Your Majesty, Wangye!”

At this moment, Feixue stepped forward and knelt on the ground, pleading, “I beg you to save our sect master.”

In the next ten minutes, Feixue explained the situation of Qingyun City in detail. Of course, the matter of Yue Feng and Gu Qianqiu’s solemnization, Feixue did not say.

Feixue Bingxue is clever, she knows that if she really wants to say the matter of worship, at that time, Yue Feng will definitely be caught in the middle, dilemma.

This.....

Knowing the situation, Shaoyang Wang’s face suddenly became complicated.

Yingkuang also took a deep breath and fell into deep thought.

A few seconds later, Ying Kuang came to his senses and asked Feixue, "What about your sect master?"

"Still unconscious." Feixue responded, "Now it's outside the hall."

Hmm!

Yingkuang nodded and said slowly: "Since you are Mr. Yue Feng's friends, Shu naturally can't sit idly by, so you will rest in the palace first, and the ancient sect master will send someone to take care of it, and then make plans when Mr. Yue comes back."

After speaking, Ying Kuang said to the guard: "Send someone immediately to find Mr. Mister's whereabouts, and if you find someone threatening Mr. safety, shoot and kill him."

It's not loud, but it's majestic.

"Yes, Your Majesty!" Receiving the order, the guard answered and walked quickly out of the main hall.

At the same time, Red Peony and Feixue hurriedly knelt down to thank you: "Thank you, Your Majesty." When they were thankful, the two women looked at each other and breathed a sigh of relief in their hearts.

With the protection of the little emperor, the suzerainty will definitely not be in danger.

At the same time, the two women also secretly prayed in their hearts, praying that God would bless Yue Feng's safety.

.....

On the other side, the Valley of the Falling Goose.

At this time, it was already the second half of the night, the red flower mother-in-law and Lingluo had rested, and around the huge red flower building, except for the night breeze, there was a deathly silence.

Yue Feng was lying on the ground, still pressing a round wooden plank on his body, still silently recovering his strength, trying to break through the acupuncture path.

Phew!

I don't know how long it took, Yue Feng breathed a deep sigh of relief, his heart was extremely excited, and his body trembled with it.

This master and apprentice ordered ten acupuncture points for Yue Feng back and forth, and now Yue Feng has broken through eight acupuncture paths, and at this speed, in another ten minutes, they will be able to recover their freedom.

squeak...

Just when Yue Feng was secretly excited, he heard a gentle sound of opening the door, and then he saw Ling Luo slowly walking out.

At this time, Ling Luo was wearing a white long skirt and pajamas, and her delicate figure was looming in the moonlight.

What is this girl doing again?

Seeing this scene, Yue Feng frowned secretly and suddenly became alert.

At this time, Ling Luo walked straight over, arrived a few meters away from Yue Feng, and asked coldly: "Stinky turtle, is it dead?" The tone was full of mockery.

Nima!

Hearing the inquiry, Yue Feng couldn't help but curse secretly, this stinky girl won't be unable to sleep, and think of torturing me...

Thinking of this, Yue Feng simply closed his eyes and ignored Ling Luo.

"dead?"

Didn't get a response, Ling Luo frowned, and then came over and kicked Yue Feng, when he felt Yue Feng still breathing, thinking that Yue Feng was asleep, he pouted and scolded: "It's really a mean bone, so you can fall asleep."

Speaking, he said to himself: "Anyway, he is already blind and can't see, forget me to practice, the moon is so good tonight, the practice will definitely achieve twice the result with half the effort."

The last word fell, and Ling Luo turned and walked to the stone platform next to the Red Flower Tower.

Phew!

At this moment, Yue Feng exhaled secretly, slowly opened his eyes, and wondered a little in his heart, this stinky girl practiced in the middle of the night?

muttering in his heart, Yue Feng couldn't help but look at Ling Luo, and this look was immediately stunned.
